Coun. HURLEY—Mr. President, I am heartily in accord with the resolution presented by Councilor Kelly. I have had the privilege of meeting two of the three gentlemen seeking the position, and I am convinced that they are capable, thoroughly qualified men. They were interviewed by Doctor Manary, the Superintendent of the City Hospital, and everything was satisfactory, and then suddenly, as Councilor Kelly has said, for some unknown reason, the list was abolished, and a new examination called for. I think, therefore, that not alone Mr. Lupien but Doctor Manary should be brought before the Hospital Committee and asked a few questions regarding this matter.

The resolutions and order were passed under suspension of the rule.

DONATION TO CITY FROM SUFFOLK DOWNS RACING.

Coun. SCANNELL offered the following:

Ordered, That his Honor the Mayor be requested to consider the advisability of presenting a plan to the State Racing Commission and the Eastern Racing Association whereby the net receipts of three days' racing at Suffolk Downs will be donated to the City of Boston Public Welfare Fund.

Passed under suspension of the rule.

CONSTRUCTION OF WARD 7 STREETS.

Coun. LINEHAN offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to reconstruct the following streets in Ward 7, and install sidewalks thereon, as a W. P. A. project.

Ellery street, from Southampton to Boston streets, roadway and sidewalks.

West Sixth street, from F to Dorchester streets, roadway and sidewalks.

East Fourth street, from Dorchester to K streets, on sidewalks, and from I to K streets on roadway.
N street, from East Seventh street to Columbia road, roadway and sidewalks.

East Seventh street, from N street to Columbia road, roadway and sidewalks.

Old Harbor street, from Dorchester to Telegraph streets, roadway and sidewalks.

Rogers street, from Preble street to Devine Way, roadway and sidewalks.

West Seventh street, from F to Dorchester streets, roadway and sidewalks.

O street, from East Seventh street to Columbia road, black bituminous sidewalks.

Howell street, sidewalks.

Bellflower street, roadway and sidewalks.

Dorset street, roadway and sidewalks.

Roseclair street, roadway and sidewalks.

Washburn street, concrete sidewalks.

Dawes street, roadway and sidewalks.
Thomas park, concrete sidewalks and roadway.
Passed under suspension of the rule.

BRIDGE CURBING, COLUMBIA CIRCLE, WARD 7.

Coun. LINEHAN offered the following:
Ordered, That the Park Commission be requested, through his Honor the Mayor, to raise the curbing on the bridge over the railroad tracks at Columbia Circle, Ward 7.

Passed under suspension of the rule.

LEVELING LAND, WARD 9.

Coun. D. F. SULLIVAN offered the following:
Ordered, That the School Committee be requested, through his Honor the Mayor, to take immediate steps to eliminate the danger of injury to small children by leveling off the lot of land owned by the School Department at the corner of Roxbury and King streets, Ward 9, the work to be done as a W. P. A. project.

Passed under suspension of the rule.

LIST OF TAX-EXEMPT PROPERTIES.

Coun. D. F. SULLIVAN offered the following:
Ordered, That the Board of Assessors be requested, through his Honor the Mayor, to furnish the City Council with a list of tax-exempt properties in Boston, excluding all churches, and containing

1. The location of the property.
2. The name and address of the owner or owners.
3. The assessed valuation of the property.
4. Whether or not it is revenue-producing property.

Passed under suspension of the rule.

ACCEPTANCE OF WARD 10 STREETS.

Coun. CAREY offered the following:
Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out the following streets in Ward 10 as public highways, under the W. P. A. plan of construction:

Alleghany street, between Parker street and number 180, Parker Hill terrace, Johnson avenue, Buckley avenue, Estrella street.

Passed under suspension of the rule.

REPAVING OF ELLINGWOOD STREET.

Coun. CAREY offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth pavement, as a W. P. A. project, Ellingwood street, Ward 10.

Passed under suspension of the rule.

CLEARING OF DEBRIS FROM VACANT LOTS.

Coun. CAREY offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to devise some plan immediately, if possible, whereby all vacant lots in the city, both publicly and privately owned, may be cleared of all objectionable debris.

Coun. CAREY—Mr. President, this is the time of the year when naturally there is a clean-up of all publicly and privately owned properties, which would otherwise be eyesores. I realize, of course, that the city can do nothing about the removal of debris from privately-owned property, except with the cooperation of the owners; but I do think it would be well for the Commissioner of Public Works, through the Mayor, to formulate a program, if possible, for the clearing up, not only of publicly-owned lots, but, in cooperation with the owners, of privately-owned vacant lots. Therefore, I have introduced this order.

The order was passed under suspension of the rule.

REPORT OF COMMITTEE ON LICENSES.

Coun. FISH, for the Committee on Licenses, submitted the following:
Report on petition (referred to March 18) of Lynn Institution for Savings for driveway opening at 660 Beacon street.

Report accepted; said permit granted under usual conditions.

Coun. WARD in the chair.

CONFIRMATION OF EXECUTIVE APPOINTMENTS.

Chairman WARD called up, under unfinished business, No. 1 on the calendar, viz.:

1. Action on appointments submitted by the Mayor March 18, 1940, of Walter J. H. Keddy, Marjorie E. Briggs, Isabel D. Cunio, Elizabeth F. O'Donnell, Anna V. Tobin, Harold M. Fusoni,

Nelson W. Hart, William N. Hart, Michael M. Keleher, Joseph W. Sheehan, John D. Strong, Thomas Thornton, Francis J. Tobin, Arthur M. Williamson, to be Weighers of Coal; and Walter J. H. Keddy and Alan W. Smith, to be Weighers of Goods.

The question came on confirmation, and the appointments were confirmed by a rising vote, 18 members voting in the affirmative.

ROPING OFF STREETS APRIL 19.

Coun. M. H. SULLIVAN, for Coun. Ward offered the following:

Ordered, That the City Messenger be directed to rope off all the streets at designated locations along the route of the Annual American Marathon Run to be conducted on April 19, same to be charged to the City Council fund for Ropes, Flags and Stakes.

Passed under suspension of the rule.

REIMBURSEMENT OF COST OF ELEVATED INVESTIGATION.

Coun. M. H. SULLIVAN offered the following:
Ordered, That his Honor the Mayor be requested to appoint a committee to confer with the Governor of the Commonwealth for the purpose of securing for the City of Boston reimbursement for the cost of the investigation of the Boston Elevated Railway by the Boston Finance Commission, this request to be made as the result of the recent acknowledgment by the State Public Utilities Board that it had failed to make adequate study of the situation, notwithstanding the fact that the people of the City of Boston had depended upon the Public Utilities Commission to make such investigation and to keep them apprised of the facts.

Coun. M. H. SULLIVAN—Mr. President, that order has been introduced primarily as a result of an article that I read in the Boston Post yesterday, concerning the investigation by the Finance Commission into the affairs of the Boston Elevated system. I recall that several months ago in this body the gentleman from Ward 12 (Coun. Taylor) suggested the advisability of a survey and investigation of Elevated affairs by the Boston Finance Commission, and we were then apprised of the fact that the Department of Public Utilities had that power and that it conducted an annual investigation or survey into Boston Elevated affairs. Recently I was astonished, surprised and dumbfounded to learn that the State Department of Public Utilities acknowledged that it made only a superficial examination into the activities of the Boston Elevated Railway. I was astonished to learn that, knowing that the people of Boston have long had the firm belief that everything must be all right with the road, as a result of this supervision and examination by the Public Utilities Commission; but those who had that belief were then blandly informed that the Public Utilities Department made only a superficial survey of the whole situation. The article in yesterday's Post brought clearly to the minds of the people the need for a real investigation. I am making no charges against the Boston Elevated, but I think, in view of the fact that we have all had reason to believe that the Department of Public Utilities made yearly such an investigation of the Elevated system, and in view of the fact that it now appears that there is this delinquency on Beacon Hill, and also in view of the fact that the taxpayers in Boston and in the metropolitan area are paying annually a very large amount to meet the deficit in the expenses of the Elevated, coupled with the fact that we ourselves, through the Finance Commission, have been conducting at considerable expense an investigation into the affairs of the Elevated system, we are now justified in appointing a committee to confer with the Governor for the purpose of securing for the City of Boston reimbursement of the cost of investigation of the Boston Elevated Railway by the Boston Finance Commission. I repeat that we have had reason to believe that the Department of Public Utilities annually conducted an investigation into the affairs of the Elevated, and that they have now announced that they do not make an annual study of the situation, with the result that the taxpayers of Boston, it now appears, cannot depend upon the Public Utilities Commission to make such investigation and to keep them apprised of the facts, and that we, therefore, now making such an investigation through our Finance Commission, an investigation which we have reason to believe would be made by a state department, should be reimbursed for that investigation.

The order was passed under suspension of the rule.

APPROPRIATION FOR NATIONAL YOUTH ADMINISTRATION.

Coun. M. H. SULLIVAN offered the following:
Whereas, The National Youth Administration activities have served as a definite check on youth delinquency and done much to sustain the morale of the youth of America; and

Whereas, A large reduction in the personnel of N. Y. A. is anticipated as the result of fifteen million dollars being cut from the budget for 1940; therefore be it

Resolved, That each member of the Massachusetts Delegation in Congress be requested to vote

for a further appropriation in order that the full complement of employees be carried on the rolls of N. Y. A.

Passed under suspension of the rule.

SURVEY FOR PROPOSED MUNICIPAL STADIUM.

Coun. HURLEY offered the following:
Ordered, That the White Fund Trustees, through his Honor the Mayor, be requested to make a survey of the property bounded by Southampton street, Massachusetts avenue and the New Haven Railroad, as to the advisability of erecting the contemplated municipal stadium there.

Coun. HURLEY—Mr. President and members of the Council, the property referred to in this order is mainly owned by the New Haven road. The New Haven owns 1,007,500 square feet, the City of Boston, through the Paving Division of the Public Works Department, 65,000 square feet, and the First National Bank 65,000 square feet. The entire area could be taken by the city and prepared for a municipal stadium with hardly any outlay of money. It is probably the best located property in the entire City of Boston for the proposed stadium. On one side there is the Boston Elevated Railway line and on the other side the rapid transit line, the whole thing easily connected up with street cars and buses and with a siding for New Haven trains from the South Station. The land is level, with no buildings to be demolished, easily accessible and centrally located. It will furnish a wonderful centre for schoolboy meets and for athletic sports generally, being really the best location ever proposed for such a purpose. I trust, therefore, that his Honor the Mayor will instruct the White Fund Trustees to give this matter considerable thought, making a survey of the property referred to and considering seriously the advisability of erecting there the contemplated municipal stadium. As I have said, it is a wonderful piece of property for this purpose, and it will involve a very small outlay of money of the city.

Coun. SHATTUCK—Mr. President, I am opposed to spending White Fund money for a stadium on Southampton street and Massachusetts avenue, or anywhere else. I think a far better use of the fund is for playgrounds. At a stadium you get together people who just sit around, smoke cigars, chew gum and get fat, watching others exercise, while on playgrounds you encourage exercise and sports that are generally participated in, thereby adding to the health and strength of the community. I much prefer that way of spending White Fund money.

Coun. LINEHAN—Mr. President, I hate to oppose my good friend from an adjoining ward (Coun. Hurley), but I feel that I must at a time like this repeat what I have had occasion to say in the past about the value of recreational centers and playgrounds, for which there has been so much call in past years. The gentleman from Brighton in the past has favored a municipal stadium in Brighton, which I feel that most gentlemen of the Council would regard as a great white elephant, doing comparatively little good to the young people of the City of Boston. This seems to be along the same line, and I am therefore opposed to it, and in that opposition I believe I will have plenty of support. I think if the White Fund money is to be used for anything, it should be used for the building of recreational centers throughout Boston. I have been informed by the gentleman from Ward 8 that there are two councilors from Brighton, and so I apply my remarks to both gentlemen.

Chairman WARD—One gentleman! (Laughter.)

Coun. LINEHAN—I don't know which one of the two is a gentleman, but, leaving joking aside, I think everybody who is interested in the kiddies is against a stadium in the City of Boston. If we are to use this White Fund for anything, it should be for recreational facilities for our young people, in the interest of the children, not to provide from the White Fund a white elephant in the way of a municipal stadium. I think this order looking to a municipal stadium should be kicked out the window.

Chairman WARD—The order simply calls for a survey.

Coun. LINEHAN—Well, Mr. Chairman, I believe, and I think the rest of the members of the Council will agree with me, that I am speaking on the subject matter when I am expressing my opinion as to how the White Fund money should be expended.

Chairman WARD—The Chair simply states that this is merely a request that the White Fund Trustees make a survey of the property referred to, with a view to the advisability of erecting a contemplated municipal stadium there. It is merely a request that a survey be made.

Coun. LINEHAN—I still feel, Mr. Chairman, that I am talking on the subject matter, and I am opposed to the order.

Chairman WARD—The Chair did not rule the gentleman out of order.

Coun. LINEHAN—My position is merely that I am in favor of recreational facilities and not of a stadium.

Coun. CHASE—Mr. Chairman, about three years ago I introduced an order requesting the trustees of the White Fund to erect a recreational building in Ward 4. I believe that if the White

Fund is used for recreational buildings and playgrounds it will be conforming with the intent of Mr. White, that his purpose will be more adequately carried out in that way than through the erection of municipal stadiums. I believe the improvement of the recreational facilities of our city is more in the interest of the poor of Boston and much more for the benefit of the people generally than the construction of municipal stadiums. Personally, I see no need of a municipal stadium, especially in view of the fact that we have already two stadiums in Boston—Fenway Park and Braves Field. I believe the interest of the poor people of our city, the people of the South End, North End, West End, Ward 4 and other wards, will be better served, and the people will be more greatly benefited, by using this fund for playgrounds and for recreational buildings than by the erection of stadiums.

Coun. HURLEY—Mr. President, if my memory serves me right, some weeks ago we passed an order in favor of erecting a stadium, and I believe that was the time for Councilor Chase to get up and talk as he has talked here today.

The order was passed under suspension of the rule.

RE-ESTABLISHMENT OF ROWING FOR HIGH SCHOOLS.

Coun. LYONS offered the following:
Ordered, That the School Committee be requested, through his Honor the Mayor, to consider the advisability of re-establishing rowing as one of the sports in the high schools of Boston.

Coun. LYONS—Mr. President, I think it is highly appropriate that we should take such action as is proposed in this order looking to the advisability of re-establishing the sport of crew-manship in the high schools of the City of Boston. We have in my section, for instance, a part of the Charles river, and other portions of the city are adjacent to streams and to the shore in a way that would naturally lead to boating, canoeing and other water sports. On the Charles river, out our way, for instance, at one time we had feverish competition in such sports, but the river is now almost a deserted waterway, canoeing and rowing having almost passed into the limbo of forgotten sports. I could dwell indefinitely on the past glories of this type of competition, but I realize the fact that all of you men are fully cognizant of the history of these sports. I believe the time is now ripe for a return to water sports, for which our section and other parts of the city at one time were notable. You may term it "back to Nature," but I term it "back to sanity," because it is healthful and would be a physical aid to a large group of our high school boys. It will provide them with a basic stamina that will outlast that which is provided by other sports. I am appealing mainly for the forgotten group, the major group, if you will, who do not benefit by intramural sports, such as football and baseball, because of weight and other handicaps. I feel—in fact, I know—that the renewal of this sport would not entail an exorbitant expense, but, taking dollar for dollar invested, would be more than returned in a healthier and more vigorous type of student. The establishment of a municipally-controlled boathouse for crew purposes, under competent supervision, would, in my opinion, be the most advanced and sound investment that I can conceive of at the present time.

The order was passed under suspension of the rule.

LISTING OF TEMPORARY CITY EMPLOYEES.

Coun. HURLEY offered the following:
Ordered, That the City Record, through his Honor the Mayor, be requested to publish the names and addresses of all temporary city employees.

Passed under suspension of the rule.

USE OF WHITE FUND FOR RECREATIONAL PURPOSES.

Coun. CHASE offered the following:
Ordered, That the trustees of the Robert White Fund be requested, through his Honor the Mayor, to give preference in the use of the Robert White Fund to constructing recreation buildings and playgrounds in the various wards of the city.

Coun. CHASE—Mr. President, I shall not indulge in any lengthy debate on this order, but I sincerely believe the purpose and intent of the creator of the White Fund would be carried out by providing playgrounds in sections of Boston where they are much needed. I believe the creation of additional playground and recreational facilities to be more important than anything else in the spending of that fund, and I trust, therefore, that the Council will pass the order.

Coun. COFFEY—Mr. President, can the White Fund be used for the unemployed of Boston?

Chairman WARD—No, not under the terms of the will.

The order was passed under suspension of the rule.

RECONSTRUCTION OF CUMBERLAND STREET.

Coun. CHASE offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to reconstruct Cumberland street, Ward 4, with a smooth type asphalt surface, under the W. P. A. plan of construction.

Passed under suspension of the rule.

RESURFACING OF WARD 17 STREETS.

Coun. WICKES offered the following:
Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to resurface with smooth paving the following streets in Ward 17, under the W. P. A. type of construction:

Medway street, River street, Old Morton street, Cedar street, Whitfield street, Fairmount street, from Morton street to Milton avenue, Thetford avenue, Alpha road, Athelwold street.

Passed under suspension of the rule.

ELECTRIC LIGHT, WEST PARK AND MERLIN STREETS.

Coun. WICKES offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to replace the present gas lamp at the corner of West Park and Merlin streets, Ward 17, with an electric light.

Passed under suspension of the rule.

ROPING OFF STREETS APRIL 6.

Coun. M. H. SULLIVAN offered the following:
Ordered, That the City Messenger be instructed to rope off the streets of Boston along the route of the Presentation Athletic and Social Club Marathon to be conducted on April 6, 1940, the expense to be charged to the proper fund for same.

Passed under suspension of the rule.

Adjourned at 4.40 p. m., on motion of Coun. CHASE, to meet on Monday, April 1, 1940, at 2 p. m.

POPULATION OF BOSTON, BY SEX, NATIVITY, ETC., 1930.

Total population, 781,188 (383,454 males and 397,734 females); ratio of males to females, 96.4 to 100 as against 97.2 to 100 in 1920. Native white, 529,400 (260,419 males and 268,981 females) or 67.77 per cent; sex ratio, 96.8 to 100. Of the 529,400 native whites, 200,130, or 37.80 per cent, are of native parentage; 248,653, or 46.97 per cent, are of foreign parentage and 80,617, or 15.23 per cent, are of mixed parentage (i. e., one half native). Foreign-born whites, 229,356 (111,261 males and 118,095 females) or 9,563 less than in 1920; sex ratio 94.2 to 100. The foreign-born whites are 29.36 per cent of total population. Negroes, 20,574 (10,223 males and 10,351 females) or 2.63 per cent of population; sex ratio, 98.8 to 100. The Negro population has increased 4,224 since 1920 and 4,993 since 1915. Other races, 1,858 (1,551 males and 307 females), or 0.24 per cent, comprise 1,595 Chinese, 69 Japanese, 43 Indian, 26 Mexican and 125 miscellaneous. Total foreign white stock, 478,009 (viz., 229,356 plus 248,653) which is 61.19 per cent of all inhabitants.

NO COST CONTROL FOR REFUSE DISPOSAL.

American cities on the whole may be clean housekeepers, but they don't know how much it is costing them to be clean or whether they are spending too much. Only a few cities are able to report accurately the unit cost of removing garbage and other refuse and of cleaning streets, according to the Public Administration Service of Chicago, Ill., which further reports that at least 90 per cent of the cities in this country have no cost control over this service.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 32.

SATURDAY, APRIL 13, 1940.

No. 15

BOSTON'S TAX RATE NOT EXPECTED TO BE AS HIGH AS ESTIMATED FIGURE MADE PUBLIC RECENTLY — MAYOR TOBIN, AFTER CONTINUED INTENSIVE STUDY OF REVENUES RECEIVED FROM REVENUE DEPARTMENTS OF CITY AND OTHER SOURCES NOW UNDER CONSIDERATION, SAYS A FAIR PROGNOSTICATION CAN BE MADE THAT FIGURE WHEN FINALLY ANNOUNCED MAY NOT EXCEED THAT OF 1939 — IMPROVED BILLING PROCEDURE, IMPROVED METHODS OF HANDLING REVENUE ACTIVITIES, ALL EFFECTED BY MAYOR, MAKE PREDICTION POSSIBLE.

Boston's tax rate may not exceed in 1940 the figure at which it was fixed by Mayor Tobin in 1939. This was the welcomed news announced by the Mayor in a statement made public on April 9. The forecast as announced by the Mayor has been based on his intensive study, during the past two weeks, of the revenues received from city departments, which, from the indications to date, are expected to exceed those of 1939 by about \$1,000,000.

In addition to this source, Mayor Tobin is also considering other means of paring down the estimates on such items in the budget as have not yet been fully determined by the demands of necessity. The statement issued by the Mayor reads as follows:

During the past two weeks I have been making an intensive study of the revenues received by the city departments. These revenues embrace fees, fines, reimbursement by the Commonwealth for welfare, soldiers' relief and hospitalization, rents, removal of commercial waste, interest on delinquent taxes and liquor licenses. In the computation of the tax rate for 1939 it was estimated that receipts from these sources would total \$7,576,486.79.

Actual receipts for the year, however, were roughly four hundred thousand dollars in excess of this estimate, the actual amount to be received being \$7,942,766.06. In 1937 and 1938 total actual receipts were \$6,544,246.05 and \$7,301,384.54. The steady two-year improvement indicated by these figures may be directly attributed to improved billing procedure in the Welfare and Hospital Departments, to the new schedule of fees adopted by the City Council on my recommendation at the close of 1937 and to the activities of the Survey Committee in following up all revenue activities of the city.

I am very optimistic that this record of improvement will be maintained during the current year. In fact, the collection records for the first three months indicate a decided improvement over the similar period in the previous year. It is my firm belief that departmental revenue collections during 1940 will be at least one million dollars in excess of 1939.

It is my intention to include this increased estimate of revenue in the computation of the 1940 tax rate, thus making possible a substantial reduction from the original calculation of \$41.50. I shall continue to work on the various aspects of the tax rate and I hope that several items on which a definite decision has not as yet been reached may be resolved favorably, thus permitting the maintenance of the tax rate at the same level as in 1939.

After a conference with the responsible city and state officials, I can now state, with some positiveness, that the tax rate for the present year will not be \$41.50, as previously calculated, but under \$40.40, with a good possibility that the rate will be no higher than the \$39.90 rate of last year.

MAURICE J. TOBIN, *Mayor of Boston.*

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"
From Boston Centennial Poem by
NATHAN HASKEL DOLE.

CITY RECORD.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, April 15, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquees, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables slaughterhouses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made

to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, 73 City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending April 6, 1940.

Population as of July, 1940, Massachusetts State Census, 817,713; population estimated, July, 1940, United States Census Bureau, 815,128; number of deaths (stillbirths excluded): Residents, 218; nonresidents, 44; total, 262.

Death rate per 1,000 of population: All deaths, 16.71; nonresidents deducted, 13.91.

Death rate per 1,000 of population:

Last week, 15.50; corresponding week last year, 16.40.

Deaths by age periods, sex, etc.: Under one year, 14; one year to four years, inclusive, 3; sixty years and over, 151. Total deaths: Male, 132; female, 130; deaths in hospitals and institutions, 167; deaths of colored, 11.

MAYOR TOBIN PRAISED FOR ECONOMIES EFFECTED AND RESULTANT PARING OF TAX RATE—FEATURE WRITER ON BOSTON "GLOBE," IN SPECIAL ARTICLE IN ISSUE OF SUNDAY, APRIL 7, SHOWS DIFFICULTIES UNDER WHICH CHIEF EXECUTIVE HAS LABORED AND THE SUCCESS ACHIEVED—ARTICLE ALSO POINTS TO CONTRASTS WITH THIS AND OTHER ADMINISTRATIONS IN EFFORTS TO KEEP MUNICIPAL COSTS FROM MOUNTING.

The following article on municipal management under Mayor Tobin's administration is reprinted from the *Boston Sunday Globe* of April 7, 1940:

[BY LOUIS M. LYONS.]

If the Mayor is right and the predicted \$41.50 tax rate can be pared down, then 1940 may not see quite the highest tax figure in Boston history. But it will be high enough to keep attention centered upon the financial problem of the city. That is where Mayor Tobin's attention has been centered since he frankly faced the reality of shrinking tax values in his inaugural.

Ironically, the most businesslike administration the city has had in years has to present its most sensational tax rates. Mayor Tobin has had to pay for lots of dead horses. The debt increase since 1930, almost none of which he caused, adds \$2.50 to his tax rate. He has seen his utmost economies eaten up by new Elevated deficits, by increased state tax, by the ceaseless demands of relief and by a terrific reduction in all kinds of income.

Mayor Tobin has had to work the hard way to make both ends meet. The budget of ordinary city expenses is \$6,000,000 less than in 1930. But the yield of income and corporation taxes is more than \$6,000,000 off.

This administration has insisted, beyond any other in recent memory, in having the city's bills paid. Mr. Tobin's first year saw an increase of a cool half-million in water bills paid. And his second year kept it up. City taxes are better collected. The habit of expecting to pay city bills with somewhere near the regularity of gas bills or telephone bills has shown a healthy growth.

Numbers of city employees have been reduced in almost every city department, except welfare, where the increase in investigators is unquestionably economy. Mr. Tobin has cut borrowing for current needs to half what it was the year he came in and he has put less to bond issue than any mayor in a like period in three decades. Still his tax rate rises.

A DECADE OF DEPRESSION.

The times have been ungracious to Mayor Tobin. He comes at the end of a decade of depression finance, and at the end of public patience with rising costs of government. His consistent efforts toward maintenance economies are swamped in economic circumstances which no mayor could help.

All his economies together are swallowed up in the terrific drop in real estate values. In 1930 the real estate valuation of the city was just about \$2,000,000,000. Now it is \$1,500,000,000. The tax rate in 1930 was \$31.80. Now it is to be, say, \$41, or just under.

Taxes equal the rate times the values taxed. So it takes \$41 on a \$1,500,000,000 valuation to yield as much as \$31 a \$2,000,000,000 valuation.

FACED STARK REALITY.

That is the key to the city's financial plight. Depression has liquidated values. The fact is the depression decade has put a blunt exclamation point to the end of an easy era in American cities when values rose with a population growth that seemed unending. City government had a fairly easy time levying taxes on rising values and borrowing on the future of an expanding community. The future of a static or shrinking community after values have hit the ceiling and slacked off is something else.

The future had been discounted for a good while back, in Boston and other cities. But sleight of hand financing had gone as far as it could. Last tax notes sold in 1937 were to the city's own sinking fund, for lack of any other buyer. Tobin came in to face stark reality in realistic fashion. Being Mayor of Boston from now on is a problem in reality.

HOW PHILADELPHIA DUCKED.

Philadelphia lays all her welfare bill at the door of the state. Boston has to

pay her own. All relief costs for 1940 are estimated at rising \$13,000,000. This is up \$9,000,000 from 1930. It counts about \$6 on the tax rate. All this falls on Boston real estate. If Boston, like Philadelphia, could pass the bill to the state, it would come largely on income and other taxes based more directly on ability to pay.

Philadelphia meets some of her depression finance problem by a pay roll tax of 1½ per cent on every wage received in the city. They can't tax income from profits because income tax is unconstitutional in Pennsylvania. So the wealthy escape while their cooks and chauffeurs pay a wage tax. Boston has not come to that.

TAXES BOSTON LOSES.

The state tax upon Boston has increased \$3,500,000 since 1930. The yield to the city of income and corporation taxes has gone down \$5,500,000 in the ten years. A \$2,000,000 Elevated deficit on the tax bill from the state makes a round \$10,000,000 off balance figure for the ten-year change in financial relation between city and state. It adds \$6.80 to the tax rate.

Two slight offsets Mayor Tobin has to this. One is a \$2,000,000 yield from the State Highway Fund, new the last couple of years. Another is a \$500,000 relief from Metropolitan District Commission assessments.

\$3.10 OF TAX INCREASE.

There is an invisible relief in the Mayor's balance sheet which is probably all that saves the city from showing the shabbiness of a long depression. The contribution to upkeep of all physical plant made by W. P. A. chiefly at Federal expense is an immeasurable boon to the tax rate. Maintenance costs have been cut \$2,200,000 in two years. But that is only part of it. Employees have been reduced some 600.

Fees have been established for city service to add revenue estimated at \$500,000 for 1940. Debt has been reduced. The Sumner Tunnel deficit is less. But all these savings are rubbed out by a \$90,000,000 sliding off of real estate values in three years. That puts \$3.10 on the tax rate.

DEPARTMENT COSTS DOWN.

In two years city department costs, except welfare and snow removal, went off by \$1,500,000. But the county expenditure of \$3,638,862 proves unyielding. It is outside the Mayor's control and not subject to any of the modern budgetary controls demanded of city and state governments. Superfluous county costs are maintained largely by the entrenched political position of county office holders.

School costs, down \$700,000 in two years, which is only 3½ per cent, do not yet reflect the reduction in school population. Further decrease in school pupils should further reduce the school needs in the next decade.

REORGANIZATION NOT REAL ANSWER.

Some people have been urging the possibility of economy by reorganizing certain city services. Mayor Tobin is not convinced much can be gained by reorganization. The state's elaborate reorganization of 1919 he thinks has realized little real saving.

The financial picture, superimposed upon the population picture for the city, suggests a choked city within a quite comfortably situated metropolitan area. Problem is to give the city a chance to breathe. Its 800,000 which this census will show is only one third of the 2,400,000 living within the area which the census officially designates as Metropolitan Boston. But the one third in Boston live in a cramped 4 per cent of the area of the Metropolitan District. They carry nearly the whole load of meeting the expensive

services of the central commercial area that so largely supports all the suburbs too.

SMALL AREA — HEAVY EXPENSE.

It is as essential to suburb as to city that the downtown commercial center be maintained, its snow removed, its traffic policed, its property protected, its unemployment relieved. The situation is that those best able to share the load live outside and do not have to. All the growth of the suburbs over very many years has been at the expense of the city in the sense that the best paid members of the community are those who can afford to move out into more spacious neighborhoods. They leave within the narrow limits of the city the lower paid groups and a great concentration of unemployed for the relief rolls.

The city proper has stopped growing. But Boston's bedrooms out five to fifteen miles are still growing 15 to 30 per cent a decade. Their land values are still rising, their tax rates relatively easy. Their residents are as dependent upon the soundness of the central city as the skin of an apple upon its core. But they escape the brunt of a tax load that falls heavily upon a declining residential area and shrinking downtown real estate values in the city proper. Four fifths of the loss in values has been downtown. Only 18 per cent of it results in lower valuations to home owners.

Any substantial help on the city's financial problem can come only if the loss of real estate values can be balanced by finding something else to tax. Neither the urging for drastic cuts in expected public services nor the proposal for a sales tax to take the welfare load off real estate has met a general response.

SUBURBS USE BUT DO NOT PAY.

If other forms of taxation can't be made to take up the slack of lost realty values, the only other answer is to enlarge the real estate area subject to tax for the city services. The city must either have a chance to spread out its taxing area to correspond with the outspread of the population dependent on its services, or else use the state or Metropolitan District Commission as a medium to distribute some city costs over those suburbs which draw the sap of their subsistence from the city. A little of this has been tried, but not enough to answer.

But suburbs would not share the load without sharing the control. There is joint participation already in handling the transportation problem. Through the Metropolitan District representatives of the towns and cities served by the Elevated hold veto power over any capital expenditure by the public trustees. There may be prophecy in this device. Before long it will face a larger problem of public control of transportation. Perhaps sharing the transportation problem will lead into larger spheres of unified activity. By 1950 the notion of a metropolitan community sharing the costs as it shares the earnings of its commercial center may not seem strange. Meantime any Mayor must work the hard way to operate within the limits of Boston real estate values.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, April 4:

PUBLIC WORKS DEPARTMENT.

Approval has been given for the additional emergency employment of the following as clerks-typists at \$3.50 a day, from March 14 to March 25, making out checks for the payment of emergency employees engaged on snow removal:

Rita Coily, 226 Saratoga street, for seven days.

Mary R. Lane, 169 Willow street, for one day.

Eleanor Mongiolo, 261 Paris street, for two days.

Approval has been given to promote the following employees of the Bridge Service from assistant drawtenders at \$1,700 a year to first assistant drawtenders at \$1,800 a year, to fill existing vacancies and to take effect on April 10, 1940:

John P. Stack, 349 Silver street, twenty-six years in department.

John A. Nagle, 542 Fourth street, twenty-six years in department.

Leo A. Foley, 46 Percival street, twenty-three years in department.

William E. Ambrose, 15 Cornell street, twenty-three years in department.

Luke A. O'Donnell, 27 Olney street, twenty-three years in department.

James P. Collins, 88 Bartlett street, twenty-two years in department.

John J. Gilmartin, 14 Haverhill street, twenty-one years in department.

John J. Crowley, 24 Chambers street, twenty years in department.

Maurice L. Fitzgerald, 170 Bowdoin street, nineteen years in department.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

DEPARTMENT OF SCHOOL BUILDINGS.

Upon March 21 the Mayor approved a contract with J. P. O'Connell Company for furnishing and delivering ready mixed concrete for the year 1940, material to be used by the W. P. A. program. Bids, opened March 1, were as follows:

Ready Mixed Concrete.

1-1½-3.—J. H. McNamara, Incorporated, \$7.40; Crystal Concrete Company, \$6.90; J. P. O'Connell Company, \$5.90; Boston Sand and Gravel Company, \$7; Watertown Builders Supply Company, \$6.50.

1-2-4.—J. H. McNamara, Incorporated, \$6.50; Crystal Concrete Company, \$6.05; J. P. O'Connell Company, \$5.50; Boston Sand and Gravel Company, \$6.50; Watertown Builders Supply Company, \$5.85.

1-2½-5.—J. H. McNamara, Incorporated, \$6; Crystal Concrete Company, \$5.55; J. P. O'Connell Company, \$5.15; Boston Sand and Gravel Company, \$6; Watertown Builders Supply Company, \$5.35.

1-1-1.—J. H. McNamara, Incorporated, \$12.93; Crystal Concrete Company, \$10.30; J. P. O'Connell Company, \$8.50; Boston Sand and Gravel Company, \$9.50; Watertown Builders Supply Company, \$8.80.

CONTRACTS AWARDED.

(Continued from page 429.)

Remarks.—J. H. McNamara, Incorporated, all prices less 50 cents per cubic yard; Crystal Concrete Company, all prices less 3 per cent; Boston Sand and Gravel Company, all prices net; Watertown Builders Supply Company, all prices net.

HOSPITAL DEPARTMENT (Sanatorium Division).

Upon April 3 the Mayor approved a contract with the Careful Cleaning Company for window cleaning. Bids, opened at the Sanatorium Division on February 27, were as follows:

Careful Cleaning Company, \$1,000; Commonwealth Building Cleaning Company, \$1,150; Able Window Cleaning Company, \$1,150; Federal Window Cleaning Company, \$1,184; Bay State Cleaning Company, \$1,400.

OVERSEERS OF THE PUBLIC WELFARE.

Upon April 3 the Mayor approved a contract with C. S. Walsh Company for moving and for hauling wood at an approximate cost for the year 1940 of \$2,096.50. Bids were opened on December 13, 1939. The bidders were C. S. Walsh, Roslindale Contracting Company and Charles Todesca. The prices submitted were as follows:

C. S. Walsh.—Moving household furniture and pianos, \$775; moving department equipment, \$150; hauling wood, \$1,171.50. Total, \$2,096.50.

Roslindale Contracting Company.—Moving household furniture and pianos, \$815; moving department equipment, \$133; hauling wood, \$1,031.82. Total, \$1,979.82.

Charles Todesca.—Moving household furniture and pianos, \$1,325; moving department equipment, \$135; hauling wood, \$977.50. Total, \$2,437.50.

SUPPLY DEPARTMENT.

Upon April 3 the Mayor approved a contract with lowest bidders for furnishing drugs for delivery to the various city departments, as required, until December 31, 1940, with the privilege of purchasing on the same terms and conditions extended to February 15, 1941. The approximate totals of awards were as follows:

Gilman Brothers, \$7,877.74; Hailer Drug Company, \$5,886.38; McKesson & Robbins, \$5,796.55; Sharpe & Dohme, \$5,312.18; E. H. Squibb, \$4,783.35; Howe & French, \$3,817.97; Parke, Davis & Co., \$3,586.90; Winthrop Chemical Company, \$3,059.95; A. E. Halperin & Co., \$2,478.02; John Wyeth & Son, \$2,473.35; Losser Laboratory, Incorporated, \$2,076.50; T. W. Reed Company, \$2,037.34; American Pharmaceutical Company, \$1,969.65; Burroughs-Wellcome Company, \$1,901.80; Hynson, Wescott & Dunning, \$1,700; Analab Laboratories, \$1,555.15; Ciba & Co., \$1,112.50; Armour & Co., \$669.96; Hoffman-LaRoche, \$539.80; Brewer & Co., \$476.58; E. F. Mahady & Co., \$288; Alba Chemical Company, \$262.50; Paul Lewis, Incorporated, \$125; Boston Drug Company, \$91.50; National Drug Company, \$68.10; Ernst Bischoff Company, \$26.

Upon April 3 the Mayor approved a contract with lowest bidders for furnishing surgical supplies for delivery to various city departments, as required, until December 31, 1940, with the privilege of

purchasing on the same terms and conditions extended to February 14, 1941. The approximate totals of awards were as follows:

T. W. Reed Company, \$29,676.81; E. F. Mahady Company, \$13,338.90; Surgeons & Physicians' Supply Company, \$3,388.92; S. H. Ansell & Co., \$930.56; Howe & French, \$598.82; Ohio Chemical Company, \$307.20; Codman & Shurtleff, \$262.85; A. E. Halperin & Co., \$200; Crowley & Gardiner, \$536.80; Eisele & Co., \$40.95.

Upon April 3 the Mayor approved a contract with bidders as indicated for furnishing drugs to the various city departments.

Among the items in this list of drugs were Items Nos. 208, 209, 210, 211 and 212, calling for insulin. The lowest bids was submitted by the Frederick Stearns Company of Detroit, Michigan, all the other bidders quoting the same price. The recommendation of award on these items was somewhat delayed owing to the fact that this company never submitted a bid to the City of Boston before; and upon investigation it was found that they have no local distributor in Boston, shipments coming direct from Detroit, thus preventing quick delivery on emergency orders.

Furthermore, letters from Doctor Ohler of the City Hospital and Doctor Foley of the Sanatorium strongly recommended that the award be placed for Lilly, Squibb or Mulford insulin, which they have been administering to patients for years.

In view of this information permission was granted to award Items Nos. 208, 209 and 210 equally between Gilman Brothers and McKesson & Robbins and to award fifty cartons each to these companies from Item No. 211.

The total awards involved were as follows:

Hailer Drug Company, \$6,540; Gilman Brothers, \$1,657.50; McKesson & Robbins, \$1,657.50.

Upon April 3 the Mayor approved a contract with the Firestone Tire and Rubber Company for furnishing automobile batteries for the city departments, as required, from February 2, 1940, to December 31, 1940, with the privilege of purchasing on the same terms and conditions extended to January 31, 1941. The approximate amount of the contract was \$1,689.55. Bids, opened January 16, were as follows:

40 Batteries, 6-8 Volts, 13 or 15 Plates, Capacity at 20-Hour Rate Not Less Than 85 Amperes, Overall Dimensions 9 Inches Long by 7 Inches Wide by Eight and One Half Inches High.

12 Months' Guarantee, Each, Net.—Norwalk Tire and Battery Company, \$4.64, fifteen months, 615MS; \$3.93, twelve months, 613EE; Atlantic Battery Company, \$4.85; Collins, Incorporated, \$5.13, XT-131; James A. Travers Company, \$4.50.

18 Months' Guarantee, Each, Net.—Standard Auto Gear Company, Incorporated, \$4.60, 15AJ; Automotive Distributors, Incorporated, \$5.15, 15AJ; Joseph H. Clancy, Incorporated, \$7.74, PTC-1-15; Norwalk Tire and Battery Company, \$5.62, 615SP, twenty-one months; Thomas E. Hogan, Incorporated, \$5.10, SW1-90; Atlantic Battery Company, \$5.75; The Firestone Tire and Rubber Company, \$5.12, S151*; Collins, Incorporated, \$6.13, XT-151; James A. Travers Company, \$5.50.

* Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with business firms and contractors. Communications from the several heads of departments interested were as follows:

DEPARTMENT OF SCHOOL BUILDINGS.

BOSTON, February 19, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR MR. MAYOR,—I respectfully request your Honor's authority to award a contract without advertising for (3,000) three thousand Cuban wool sponges to the American Sponge and Chamois Company, Incorporated, 47 Ann street, New York City, in the sum of \$1,455. Sponges to be used by W. P. A. workmen. The contract approval is requested for the following reasons:

1. The American Sponge and Chamois Company, Incorporated, failed to deposit with the City Auditor a copy of the bid deposited with this department in accordance with the instructions contained in the advertisement inserted in the *City Record*, issue of January 27, 1940.

2. The difference in price between the second low bidder and the above concern is \$585, a saving that I wish to take advantage of. List of bids attached.

3. In my opinion, no advantage to the city would be made by readvertising this item.

Respectfully yours,

JAMES J. MAHAR,
Superintendent of Construction.

Bids, opened February 5, were as follows:

3,000 Cuban Wool Sponges, Per C.—American Sponge and Chamois Company, \$48.50; total, \$1,455; Haymarket Hardware Company, \$80, total, \$2,400; Commonwealth Hardware Company, \$68; total, \$2,040; alternate bid, Florida yellow, \$45; total, \$1,350.

HEALTH DEPARTMENT.

BOSTON, March 19, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR SIR,—Permission is respectfully requested to award a contract without advertising for the year ending March 31, 1941, to the Federal National Linen

Service Company for the rental and laundry, as required, of coats, gowns, aprons and towels to this department, at an approximate monthly rental of \$350.

The Federal National Linen Service Company has given most satisfactory and reliable service over a period of years. It is familiar with the peculiar requirements of the clinics of the department. The prices quoted are reasonable and just. There would be nothing to be gained by the city at this time by opening it to competitive bidding.

Yours respectfully,

H. F. R. WATTS, M.D.,
Health Commissioner.

SUPPLY DEPARTMENT.

BOSTON, April 2, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR MR. MAYOR.—Permission is respectfully requested to award a contract without publicly advertising to the Bowers Motor Sales, 415 Hyde Park avenue, Roslindale, to deliver to the garage, 624 Albany street, Water Division, Public Works Department, the following:

Two Ford 1940 V-8, 134-inch wheel-base, chassis, closed cabs, equipped with express bodies, standard tires, no spare tires and tubes, single rear wheels, tires 600-20, 85 horse power motors, single windshield wipers, painted Sherwin-Williams orange yellow, delivered price, each, f. o. b., \$836.25; less 10 per cent discount, \$83.63 — \$752.62; freight and handling, \$49.50; Federal tax, \$9.17; gas and oil, \$4.70 — \$815.99; less excise tax, \$9.17 — \$806.82. Two, \$1,613.64.

As the Bowers Motor Sales are the direct agents of the manufacturers, nothing would be gained by publicly advertising.

Respectfully yours,

JOHN A. BREEN,
Superintendent of Supplies.

BOSTON, March 19, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR MR. MAYOR,—Permission is respectfully requested to award a contract without publicly advertising to the Sandberg Equipment Company, 44 Amherst street, Cambridge, to deliver to the Boston Municipal Airport, East Boston, the following:

One Snogo, Model LNU, complete with and mounted on special International Model D-50, 3 to 4 ton chassis, with 110 horse power International Model PA-100 auxiliary power unit, complete power hydraulic control, with super-reduction auxiliary transmission (8 speeds), complete ready for operation, 9.00 single pneumatics front and rear, price delivered to East Boston, \$9,135; less the following allowances on used equipment. One Model TA-40 International tractor, with bulldozer and V-Flow, \$2,235; one American-LaFrance truck, \$250; three reversible flows, \$150 — \$2,635. Net price \$6,500.

This equipment was purchased during the recent blizzard emergency and as the Sandberg Equipment Company is the direct agent of the manufacturer, nothing would be gained by publicly advertising.

Respectfully yours,

JOHN A. BREEN,
Superintendent of Supplies.

CIVIL SERVICE EXAMINATIONS.
(STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

HOME ECONOMIST, DEPARTMENT OF
PUBLIC WELFARE, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

Requisition is for a female, but the examination is open to both males and females.

The entrance salary is \$2,760 a year; the maximum salary is \$3,300 a year.

Duties: Under the direction of the Commissioner of Public Welfare and the immediate supervision of the Chief Supervisor of Social Service, to develop budget standards on the basis of individual needs which may be used

to determine the amount of assistance with due regard to local conditions and prices; to develop forms to be used to calculate individual budgets and to record factual data in relation to financial needs and resources of individual applicants; to supervise periodic reviews of local budget programs and to promote a better understanding of budget methods by the staff and by local welfare boards; to develop policies in relation to application of income or other resources to budgets; and to perform related work as required.

Entrance Requirements: Applicants must have six (6) years within the last ten (10) years of satisfactory, full-time, paid experience in the field of home economics either in a public or private social work or health agency adhering to acceptable standards, or in an agriculture extension service or in Farm Security Administration. In addition, two (2) years of the above experience must have been in a capacity which involved preparation of low income budget standards, formulation and execution of training programs to professional and lay groups.

Substitution of Education: Except for the two (2) years' experience mentioned above, education may be substituted for experience, year for year of graduate study in a related field and one year of undergraduate college for six months of experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

PUBLIC WELFARE PHYSICIAN, DEPARTMENT
OF PUBLIC WELFARE, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

This examination is open to males only.

The entrance salary is \$3,780 a year; the maximum salary is \$4,500 a year.

Duties: Under the direction of the Commissioner of Public Welfare and the immediate supervision of the Chief Supervisor of Social Service, to assist in the formulation of departmental policies relative to medical care and the manner and method to be followed in granting assistance for such care, and in securing State and Federal reimbursement thereon; to prepare a departmental manual and forms to be used in granting assistance for medical care; to recommend a schedule of fees for all medical care for which State reimbursement is asked; to examine requests for reimbursement on dentures and prosthetic devices and other extraordinary allowances to individual recipients for medical care; to establish cooperative agreements for the use of special medical facilities; and cooperative relationships with professional organizations; and to perform related work as required.

As a condition to appointment to this position, it shall be agreed by the appointee that he shall not engage in the private practice of medicine during his service with the department.

Entrance Requirements: Applicants must be registered physicians under the State Board of Registration in Medicine.

Applicants must have at least five years' experience in the practice of medicine, at least one year of which shall have been spent as an interne in a hospital approved for internship by the American Medical Association.

(a) *Substitution:* Satisfactory full time experience in a medical administrative capacity in a hospital, public health organization, department of public health, or department of public welfare within the past five years, may be substituted year for year for the years of experience required in the practice of medicine, except for the year of internship.

(b) *Substitution of Education:* Education may be substituted for experience, year for year of graduate study in a school of public health.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

MASSACHUSETTS CIVIL SERVICE EXAMINATIONS.

OCCUPATIONAL THERAPIST, BOSTON INSTITUTIONS DEPARTMENT, APRIL 27, 1940.

Last date for filing applications, Saturday, April 13, 1940, at 12 noon.

Salary: \$1,200 a year and maintenance. (The present vacancy is at the Long Island Hospital.)

Duties: To work and teach others to work in the following branches of the arts and crafts: Applied design, basketry, bead work; bookbinding, block printing, chair seating (cane, splint, rush), costume designing and construction, crocheting, knitting, tatting and embroidering, dyeing, gardening, jewelry, leather work, marionettes, metal work, modeling, pottery, rake knitting; stenciling, rug and mat making (braided, braidwoven, coir and hooked), weaving and wood work and chip carving. To hold classes in the various arts and crafts for the benefit of patients and inmates and such individual instruction in the arts and crafts room and at the bedside as may seem indicated. To supervise the work of a paid helper in her department and inmate-helpers in the Occupational Therapy rooms and in the library. To supervise the hospital library.

Entrance Requirements: Applicants who have not reached their twenty-first birthday will not be eligible to apply. A certificate of date of birth must be filed with the application *unless* one has been filed with a previous application.

Applicants must have at least one year's experience in occupational therapy work.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

CITY CLERK DOYLE DECLINES LAW DEPARTMENT BERTH.

Upon April 9 the Mayor made public the following letter:

CITY OF BOSTON,
CITY CLERK'S OFFICE,
April 9, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

MY DEAR MR. MAYOR,—At the risk of appearing somewhat unappreciative of the honor you have paid me in offering me an appointment to the office of Corporation Counsel, I feel obliged to decline the appointment.

Disregarding my personal considerations, it is my best judgment that my services, whatever value may be set upon them, will be more effective in my present position.

I am deeply grateful to have received such a notable evidence of your regard.

Yours very truly,

W. J. DOYLE,
City Clerk.

AMENDED DAMAGES.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of May 14, 1937, determining that no person sustains damages by the making of the public improvement, consisting of the extension of Prospect street, Hyde Park, be, and the same hereby is, amended, by striking out in the first and second lines of said order the words: "that no person sustains in his estate," and by striking out in the last line of said order the word: "no." That said order be further amended by adding thereto Patrick Corrigan and Mary H. Corrigan, husband and wife as tenants by the entirety, and as joint tenants, \$925. That the amount \$925 be, and the same hereby is, awarded to Patrick Corrigan and Mary H. Cor-

gan, husband and wife as tenants by the entirety, and as joint tenants, for the damages sustained by the making of the said improvement.

Voted, That the order of the Street Commissioners and Mayor of December 1, 1938, determining that no person sustains damages by the making of the public improvement, consisting of the taking of an easement for sewerage purposes in Neillian Crescent, be, and the same hereby is, amended, by striking out in the first and second lines of said order the words: "that no person sustains in his estate," and by striking out in the last line of said order the word: "no." That said order be further amended by adding thereto Mabel R. Burke, \$200. That the amount \$200 be, and the same hereby is, awarded to Mabel R. Burke for the damages sustained by the making of the said improvement.

Physical fitness to be determined by physical examination.

Note.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held.

If the eligible list is established in the meantime, all applicants will be notified.

REPORT OF THOMAS J. SHEAHAN, MASTER, BIGELOW DISTRICT, ON ATTENDANCE AT THE ANNUAL MEETING OF THE AMERICAN ASSOCIATION OF SCHOOL ADMINISTRATORS, AT ST. LOUIS, FEBRUARY 26 TO MARCH 1.

The following is the report by T. J. Sheahan, Master of the Bigelow School, on attendance at the Annual Meeting of the American Association of School Administrators of the National Education Association:

The seventieth annual convention of the American Association of School Administrators was held in St. Louis from February 24 to February 29, inclusive. Those charged with preparing the program set as their major objective a truthful and comprehensive picture of the achievements and aspirations of American education. For perhaps the first time in the history of such gatherings the usual approach was reversed and the program was planned to come at the facts from the positive side: "What's Right With the Schools?"

Edgar G. Doudna, Secretary of the Wisconsin Board of Regents of Normal Schools, spoke for the elementary schools. Among this great group of teachers, the results of scientific experimentation in the common branches are known and accepted. They have a keen understanding of child nature and of the learning process. They are trained to teach children, not subjects; to deal with life situations as well as books; and to cut across subject matter. In the elementary school, supervision is an integral part of the organization and not imposed by higher authority and these schools are comparatively free from external pressures and controls.

The secondary schools were championed by Francis T. Spalding, Professor of Education at Harvard University. He brought out forcibly what a notable achievement it has been merely to provide places for all secondary school pupils by pointing out that high school enrolment has doubled in every decade since 1890; thus the number in 1900 was twice that of 1890; in 1910, four times

that of 1890, and so on. Schools of this level, he stated, have made America a nation of readers; not of the classics, to be sure, but consumers of newspapers, of magazines, and of current books. They have promoted higher standards of living by developing in their students the desire to possess labor-saving devices in their homes, to acquire reproductions of fine paintings, and recordings of the works of great composers. They have led them to demand pure water in their communities, clean stores, and safe food, and to avail themselves of the hospitals. They have nurtured wholesome physical habits and a love for participation in sports and recreational activities. More than any other type of school they have been instrumental in minimizing class distinctions and in keeping social lines fluid.

The effectiveness of music teaching in the schools was strikingly demonstrated when in the second general session, three thousand boys and girls of the St. Louis public schools put on a superb presentation of a musical pageant entitled "Musica Americana." It gave a vivid portrayal of the development of American music from the simple chant of the Indian to modern swing music.

At the fifth general session, safety education received the emphasis its importance demands in the machine age. Throughout the entire week continuous moving picture films on safety were shown in one of the smaller halls and the Association Yearbook was devoted exclusively to safety education.

Happy because of the sound conditions shown in this audit, but void of conceit, educators press onward toward more complete solution of present problems, and towards meeting the new problems which changing conditions present.

T. J. SHEAHAN,
Master, Bigelow School.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land in the West Roxbury district, bounded and described as follows:

A parcel of land, supposed to belong to John L. Brandegee and Martina L. Lawrence, bounded and described as follows: Southeasterly by land of owner or owners unknown, about 430 feet; southwesterly by land of said John L. Brandegee and Martina L. Lawrence, about 230 feet, to a proposed private way; northwesterly by said proposed private way about 235 feet; northeasterly by a proposed continuation of Louder's lane about 300 feet, to the point of beginning, containing about 75,500 square feet, be all said measurements more or less, for school purposes, substantially as shown on a plan on file in the office of this Board; that it intends to pass an order for making said taking, and that it appoints 11 o'clock a. m. of February 13, 1940, and the office of this Board, 401

City Hall Annex, as the time and place for a public hearing in the matter.

A true copy of an order passed by said Board on said day.

JOHN A. DONOGHUE,
THOMAS E. FITZGERALD,
WILLIAM F. HIGGINS,
Street Commissioners.

Attest:
CORNELIUS A. REARDON,
Secretary.

In Board of Street Commissioners of the City of Boston, April 4, 1940.

Whereas, The Board of Street Commissioners has passed the aforesaid order of notice and has caused a copy of said order to be published January 27, 1940, and February 3, 1940, in the *City Record*, and has given a public hearing, notice of which was given in said order; and

Whereas, The Department of School Buildings of the City of Boston, with the approval of the Mayor, has selected, designated and requested the Board of Street Commissioners of said city to take for said city for school purposes the land hereinafter described, in that part of Boston known as West Roxbury; it is

Voted, That the Board of Street Commissioners of said City of Boston, acting under the provisions of chapter 486 of the Acts of the Legislature of 1909 and chapter 79 of the General Laws and all other authority thereto enabling, hereby takes in fee for said city, for school purposes, the following described parcels of land, including the trees, buildings and other structures standing upon or affixed thereto:

A parcel of land supposed to belong to John L. Brandegee and Martina L. Lawrence, bounded:

Southeasterly by land of owner or owners unknown by six measurements, sixty-eight and 5-100 feet; 75 feet; seventy-five and 1-100 feet; ninety and 35-100 feet; ninety-six and 26-100 feet and twenty-one and 75-100 feet; southwesterly by land supposed to belong to John L. Brandegee and Martina L. Lawrence, two hundred thirty and 9-100 feet; northwesterly by a proposed street forty feet wide, two hundred thirty and 89-100 feet; and northerly by a proposed extension of Louder's lane, three hundred two and 65-100 feet, containing 75,532 square feet; it being understood and agreed that the grantor hereby grants to the City of Boston a right of way over the proposed extension of Louder's lane; and also over the proposed street on the northwesterly side of the granted premises, said last mentioned street to be at least forty feet wide.

Said parcel of land is shown on a plan marked "City of Boston, Louder's Lane, West Roxbury, February 6, 1940, William J. Sullivan, Chief Engineer, Street Laying-Out Department," and on file in the office of said department.

MAYOR NAMES COMMITTEE TO STUDY SNOW REMOVAL METHODS.

Mayor Maurice J. Tobin has issued the following statement:

I am appointing a committee composed of the Commissioner of Public Works, the Police Commissioner, the Fire Commissioner, the Park Commissioner, the Traffic Commissioner, and the division engineers of the Public Works Department, to make a comprehensive study of snow removal methods in the City of Boston.

The committee is especially requested to make a thorough study of the recent report of the Finance Commission on snow removal, which report seems to contain many valuable suggestions.

The work of the committee should determine the worth and capacity of the snow fighting equipment of the city; the methods to be pursued in various types of storms; the problem of city versus contractor labor; the elimination of automobile interference with snow removal work; and all other kindred matters in connection with snow removal.

It is my hope that the study of this committee will result in plans being drawn so that no matter how small or large a storm of the future may be, the city will be prepared to handle it with promptness and dispatch. Modern snow removal requirements make it imperative that nothing be left to chance in the keeping of our highways open and clean. I believe the committee I have named will devise appropriate plans and methods which may be adopted to good advantage by the city.

MAYOR THANKED FOR SERVICE RENDERED WEST ROXBURY CITIZENS.

On April 10 Mayor Tobin made public the following communication:

THE BROOK FARM CIVIC ASSOCIATION,
3 VIRGIL ROAD, WEST ROXBURY,
April 4, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR SIR,—I am writing this letter in grateful appreciation of the splendid service and cooperation I received from you, Mr. Crawford, Mr. Shea of the Sewer Department, and Mr. McElroy of the Sanitary Department.

The open sewer near Baker and Vermont streets in West Roxbury was a menace to the health and safety of the children of this district, but when called to your attention by me, the pipe was covered and the water analyzed within a very short space of time, to the satisfaction of the residents of this district.

It is just another excellent piece of work and the people of this district are very grateful.

Sincerely yours,

ARTHUR G. MELVILLE,
President.

EXTENSION OF CONTRACTS.

PARK DEPARTMENT.

Approval has been given to extend the lease of the refreshment concession located on Carson Beach, South Boston, just north of the Columbus Park Bath House, for a period of one year from April 18, 1940, to April 17, 1941, to Nabby Yared of 19 Vershire street, West Roxbury, at the rate of \$2,500 per year.

The Board at this time desires to extend this lease for one year because at the present time there is an outstanding payment for rent, amounting to \$1,875 due to the city on the rental of 1939, three-quarters of the annual rental of that year being still unpaid.

Approval has been given to renew the lease with the Boston Yacht Club, for a period of ten years from February 21, 1940, for a rental of \$450 per year, said lease to expire on February 20, 1950, for the land located on Columbia road, South Boston, bounded and described as follows: Northwest by Columbia road near its junction with O street, 200 feet; northeasterly by land reserved for yacht clubs; southeasterly by the waters of Boston Harbor, and southwesterly by an open space, as shown on plan on file in the office of the Park Department.

The building on the land belongs to the Boston Yacht Club, which leases the land from the city. The Boston Yacht Club has proved to be a satisfactory tenant to the city, paying its rent on time and keeping the premises in and around the club in a satisfactory condition.

SUPPLY DEPARTMENT.

The E. L. LeBaron Foundry Company have been granted an extension of the completion date of the contract, dated January 12, 1940, for furnishing D iron castings (frames and covers) to the Water Division, Public Works Department, from April 1, 1940, to May 1, 1940.

The Cambridge Machine and Valve, Incorporated, have been granted an extension of the completion date of the

contract, dated August 14, 1939, for furnishing six 36-inch gate valves to the Water Service, Public Works Department, from February 14, 1940, to June 1, 1940.

The Somerville Machine and Foundry Company have been granted an extension of the completion date of the contract, dated October 25, 1939, for furnishing composition castings to the Water Service, Public Works Department, from December 31, 1939, to April 1, 1940.

LOCATION OF STREETS.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the location, direction, width and grade of the private way in the West Roxbury district designated as Kerna road, from Tobin road to Old Centre street, as shown on a plan approved in writing by the Board of Street Commissioners, and on file in the office of the Street Laying-Out Department, be, and the same hereby is, approved.

Voted, That the location, direction, width and grade of the private way in the West Roxbury district designated as Tobin road, leading northwesterly from Washington street for a distance of approximately four hundred and twenty-eight feet, as shown on a plan approved in writing by the Board of Street Commissioners, and on file in the office of the Street Laying-Out Department, be, and the same hereby is, approved.

POLICE DEPARTMENT ORDERS.

General Order No. 461.

Acting under provisions of chapter 521, Acts of 1922, as amended, creating the Contributory Retirement System, the Boston Retirement Board has notified this department that it has approved for retirement on account of accidental disability, Patrolman Charles A. Brillante of Division 3, who is a member of said Contributory Retirement System; such retirement to take effect at midnight, as of Sunday, March 31, 1940.

Wherefore, in view of this operation of law, the Acting Police Commissioner states that on and after March 31, 1940, at the hour stated, the said Patrolman Charles A. Brillante shall no longer be an active member of this department, and it is hereby ordered that its records be so amended.

The Acting Superintendent of Police will promulgate this order.

EDWARD W. FALLON,
Acting Police Commissioner.

General Order No. 462.

Sergt. William J. Harrow and Patrolmen Clark D. Adair, Albert A. Hurst, William B. Boyden and Robert A. Maher, all attached to the Bureau of Criminal Investigation, are commended for excellent police duty performed on April 3, 1940, in connection with the capture of the young man masquerading as the "Black Spade" who has been terrorizing motorists by kidnapping and holdups during the past few weeks.

The acting commissioner is pleased and gratified to commend these officers for their splendid judgment, devotion to duty, and untiring efforts, giving generously of their time in their effort to apprehend this dangerous character.

In addition, it is hereby ordered that Sergt. William J. Harrow, Patrolmen Clark D. Adair, Albert A. Hurst, Robert A. Maher and William B. Boyden be given three days' additional vacation, and that punishment duty imposed under General Order 317, of March 18, 1939, on Patrolman William B. Boyden, then attached to Division 10, now of the Bureau of Criminal Investigation, remaining to be performed be, and hereby is, remitted.

The Acting Superintendent of Police will promulgate this order.

EDWARD W. FALLON,
Acting Police Commissioner.

General Order No. 463.

A trial board consisting of Captains Mullen, McKinnon and Donovan, having heard by reference a complaint made by Capt. Thomas F. Casey, Division 10, against Jeremiah J. Foley, patrolman, Division 10, for alleged violation of the Rules and Regulations of the Police Department, charging him with neglect of duty and conduct unbecoming an officer, has reported to the commissioner a finding of guilty as charged.

The commissioner accepted the finding and the recommendation of the Trial Board and ordered that the said Patrolman Jeremiah J. Foley be suspended from duty for a period of thirty days, effective as of March 3, 1940, at 5.45 p. m., and at the expiration of said suspension he perform 315 hours' punishment duty.

General Laws, chapter 31, section 460, requires approval of the Director of Civil Service before reinstatement.

Chapter 31.

"Section 46C. An officer or employee of the commonwealth or of a city or town who has become separated from the classified civil service through fault or delinquency of his own shall, within thirty days after the filing of a written request by the appointing officer, be entitled to a hearing before the director. Upon good cause shown the director may, subject to section forty-six G, authorize his reinstatement in the same position or in a position in the same class and grade as that formerly held by him."

The Acting Superintendent of Police will promulgate this order.

EDWARD W. FALLON,
Acting Police Commissioner.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

INDUSTRIAL INSTRUCTOR (ELECTRICIAN),
MASSACHUSETTS REFORMATORY, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

The entrance salary is \$1,680 a year; the maximum salary is \$2,160 a year.

Duties: To instruct a class of inmates in electrical wiring in connection with the trade school at the Reformatory. To assist regular electrician in repairs about

institution and buildings. To perform related work as required.

Entrance Requirement: Applicants must possess a journeyman electrician's license.

Duties: Under supervision, to perform social service case work in connection with the care and treatment of inmates of the penal institutions; to interview subjects and make field investigations for the completion of case histories; to attend to personal and business affairs of inmates; and to perform related work as required.

Entrance Requirement: Applicants who have not reached their twenty-first birthday will not be eligible to apply. A certificate of date of birth must be filed with the application, unless one has been filed with a previous application.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

CIVIL SERVICE EXAMINATIONS. (STATE.)

STATE EXAMINERS OF ELECTRICIANS, 1940.

Examinations will be held at the following points and on the following dates:

Boston, Wednesday, May 1.
Worcester, Thursday, May 2.
Boston, Wednesday, May 5.
Boston, Wednesday, September 11.
Worcester, Thursday, September 12.
Springfield, Wednesday, October 16.
Pittsfield, Thursday, October 17.
Boston, Wednesday, November 13.
Lowell, Thursday, November 14.
Boston, Wednesday, December 4.
New Bedford, Thursday, December 5.
New Bedford, Friday, December 6.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes. Examination shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING CONCRETE MIX.

The Supply Department of the City of Boston invites proposals for furnishing concrete mix to the Paving Division, Public Works Department, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR CONCRETE MIX." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Wednesday, April 24, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,

(April 13.) Superintendent of Supplies.

THE SCHOOL COMMITTEE OF THE
CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER, TENTH
FLOOR.

PROPOSALS FOR RUIN OF MINE AND NUT AND
SLACK SEMI-BITUMINOUS COAL FOR BOS-
TON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing run of mine and nut and slack semi-bituminous coal required for the school buildings from June 16, 1940, to December 31, 1940, deliveries to be continued until June 15, 1941, provided appropriation is made therefor and the School Committee so orders. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Run of Mine and Nut and Slack Semi-Bituminous Coal for Boston Public Schools." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for fifty dollars (\$50) for each district bid for, four hundred and fifty dollars (\$450) for the whole nine districts, payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Tuesday, April 23, 1940. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The coal is to be delivered in the bins of the several buildings and the price per ton named in the proposal must include the delivery and housing in a manner satisfactory to the School Committee. The contractor must furnish suitable equipment and sufficient number of men to house the coal properly and promptly. The estimated tonnage required is as follows and as much of it as possible will be housed during July and August, 1940:

Semi-Bituminous Coal.		Nut
District.	Run of Mine.	and Slack.
1. City Proper	4,700 tons	—
2. South Boston	1,700 tons	—
3. East Boston	2,300 tons	—
4. Roxbury	6,700 tons	—
5. Dorchester	5,800 tons	550 tons
6. Charlestown	1,300 tons	300 tons
7. Brighton	2,400 tons	—
8. West Roxbury	2,400 tons	—
9. Hyde Park	1,200 tons	—
Totals	28,500 tons	850 tons

Bidders may submit a proposal for furnishing the run of mine and nut and slack semi-bituminous coal required in any one or more of the above nine districts of the city and may also submit one bid covering the whole city. The School Committee reserves the right to reject any or all bids and to accept such bid, or part of bid, as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than fifty (50) per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,
Business Manager of the School Committee.
(April 13.)

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO LUMBER AND BUILDING FINISH DEALERS.

The Superintendent of Construction of the Department of School Buildings of the City of Boston invites sealed proposals for furnishing and delivering, for the year 1940, various sizes of window sash, for the Department of School Buildings, for W. P. A. use, at various schools, of the kind and quality as per specifications, and giving bond of a surety company, satisfactory to the Superintendent of Construction therefor, in the sum of \$1,000. Only proposals obtained at the office of the Superintendent of Construction, 26 Norman street, Boston, Mass., signed by the bidder and left before 2 p. m. of Monday, April 29, 1940, at said office, with a certified check for \$200, payable to the city if the proposal is not carried out, will then and there be publicly opened and read.

The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for the opening of proposals. The Superintendent of Construction reserves the right to reject any or all proposals.

JAMES J. MAHAR,
Superintendent of Construction.
(April 13.)

PARK DEPARTMENT.

PROPOSALS FOR CONSTRUCTING SEAPLANE RAIL-
WAY AT BOSTON AIRPORT, EAST BOSTON.

The Park Commissioners of the City of Boston, 33 Beacon street, invite proposals for constructing seaplane railway at Boston Airport, East Boston. Forms of proposals must be obtained at the engineer's office of the Park Department, 33 Beacon street. Each proposal should be signed by the bidder and inclosed in an envelope, sealed, and marked, "Proposal for Constructing Seaplane Railway at Boston Airport, East Boston," and left before 2 o'clock on Thursday, April 25, 1940, at the office of the Park Department, with a certified check for \$1,500, payable to and to be the property of the City of Boston if the proposal is not carried out, and will then and there be publicly opened and read. A duplicate proposal without check, must be deposited with the City Auditor previous to the time named for opening the bids. There will be a charge of five (\$5) dollars for each set of plans and specifications taken out. On return of plans and specifications in good condition within thirty days the money will be refunded. A bond will be required for doing the work in the sum of 100 per cent of the estimated contract price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Park Commissioners. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. The Commissioners reserve the right to reject any or all proposals.

WILLIAM P. LONG, Chairman,
THEODORE C. HAFENREFFER,
WILLIAM F. KELLY,
(April 13-20.) Commissioners.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO CHAIN LINK FENCE DEALERS.

The Superintendent of Construction of the Department of School Buildings of the City of Boston invites sealed proposals for furnishing and delivering, for the year 1940, various kinds of chain link fence and parts, etc., for the Department of School Buildings, for W. P. A. use, at various schools, of the kind and quality as per specifications, and giving bond of a surety company, satisfactory to the Superintendent of Construction therefor, in the sum of \$1,000. Only proposals obtained at the office of the Superintendent of Construction, 26 Norman street, Boston, Mass., signed by the bidder and left before 2 p. m. of Friday, April 26, 1940, at said office, with a certified check for \$200, payable to the city if the proposal is not carried out, will then and there be publicly opened and read.

The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for the opening of proposals. The Superintendent of Construction reserves the right to reject any or all proposals.

JAMES J. MAHAR,
Superintendent of Construction.
(April 13.)

SUPPLY DEPARTMENT.

The City of Boston invites proposals for furnishing fruits, vegetables, meats, butter, eggs and cheese. Proposals for the above may be obtained in Room 1001, City Hall Annex.

Proposals for furnishing fruits and vegetables close at 12 noon daily at the above office. Proposals for furnishing meats and butter, eggs and cheese close every Thursday at 2 p. m.

JOHN A. BREEN,
Superintendent of Supplies.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER, TENTH
FLOOR.

PROPOSALS FOR FURNISHING FUEL OIL FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing fuel oil required for school buildings from June 16, 1940, to December 31, 1940, deliveries to be continued until June 15, 1941, provided appropriation is made therefor and the School Committee so orders. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked, "Proposal for Furnishing Fuel Oil for Boston Public Schools." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for three hundred dollars (\$300), payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Tuesday, April 23, 1940. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy also signed by the bidder must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. Fuel oil is to be delivered in the tanks of the several buildings and the price per barrel of heavy or medium oil and the price per gallon of light oil named in the proposal must include the delivery in said tanks in a manner satisfactory to the School Committee. The total estimated quantity of fuel oil required during the period June 16, 1940, to June 15, 1941, both dates included, is as follows:

49,800 barrels heavy fuel oil.
12,200 barrels medium fuel oil.
26,000 gallons light fuel oil.

The School Committee reserves the right to reject any or all bids and to accept such bid, or part of bid, as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than fifty (50) per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,
Business Manager of the School Committee.
(April 13.)

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING COAL.

The Supply Department of the City of Boston invites proposals for furnishing and delivering best quality anthracite and semi-bituminous coal. The bidder must use the form of proposal to be obtained at the office of the Supply Department, Room 1001, City Hall Annex, and deposit his bid with a certified check for \$500, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above-named office. There will be a charge of fifty-cents (\$.50) for each set of blank proposals taken out. A duplicate bid, without check, must be left at the office of the City Auditor, prior to the time named for opening bids. Proposals will be publicly opened and read on Tuesday, April 23, 1940, at 12 m., at the Supply Department, 1001 City Hall Annex. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interest of the city. All contracts made subject to appropriations to meet payments thereunder. Surety bond will be required for one half the total estimated amount of the contract.

JOHN A. BREEN,
(April 13.) *Superintendent of Supplies.*

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR FURNISHING OF BITUMINOUS CONCRETE PAVING MIXTURE IN DISTRICTS 2, 3, 4, 5, 6, 7, 8, 9 and 11, INCLUDING SUPERVISORS, QUALIFIED RAKERS, TOOLS, INCLUDING EIGHT TO FIFTEEN TON TANDEM ROLLERS AND OPERATORS.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for furnishing of bituminous concrete paving mixture in Districts 2, 3, 4, 5, 6, 7, 8, 9 and 11, including supervisors, qualified rakers, tools, including eight to fifteen ton tandem rollers and operators. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Proposal for Furnishing of Bituminous Concrete Paving Mixture, etc.," and left at Room 508, fifth floor, City Hall Annex, before 12 m. of Monday, April 22, 1940, with a certified check for eight thousand (\$8,000) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. There will be a charge of two (2) dollars for each set of specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
(April 13.) *Commissioner of Public Works.*

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING HAY, GRAIN, STRAW AND DAIRY RATIONS.

The Supply Department of the City of Boston invites proposals for furnishing hay, grain, straw and dairy rations for city departments, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR HAY, GRAIN, STRAW, ETC." There will be a charge of twenty-five cents (\$.25) for each blank proposal taken out. The bids will be publicly opened and read Thursday, April 18, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(April 13.) *Superintendent of Supplies.*

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING CHEVROLET SEDAN AND STATION WAGON.

The Supply Department of the City of Boston invites proposals for furnishing to the Health Department, Chevrolet sedan and station wagon, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR AUTOMOBILES." There will be a charge of twenty-five cents (\$.25) for each blank proposal taken out. The bids will be publicly opened and read Thursday, April 18, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

(April 13.) *Superintendent of Supplies.*

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER, TENTH
FLOOR.

PROPOSALS FOR FURNISHING AMERICAN ANTHRACITE COAL FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing American anthracite coal required for the school buildings from June 16, 1940, to December 31, 1940, deliveries to be continued until June 15, 1941, provided appropriation is made therefor and the School Committee so orders. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked, "Proposals for Furnishing Anthracite Coal for Boston Public Schools." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for one hundred dollars (\$100), payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Tuesday, April 23, 1940. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The coal is to be delivered in the bins of the several buildings and the price per ton named in the proposal must include delivery and housing in a manner satisfactory to the School Committee. The contractor must furnish suitable equipment and sufficient number of men to house the coal properly and promptly. The estimated tonnage required is as follows, and as much of it as possible will be housed during July and August, 1940:

American Anthracite Coal.

District.	Egg Size.
1. City Proper.....	25 tons
2. South Boston.....	—
3. East Boston.....	—
4. Roxbury.....	125 tons
5. Dorchester.....	160 tons
6. Charlestown.....	—
7. Brighton.....	20 tons
8. West Roxbury.....	60 tons
9. Hyde Park.....	40 tons
Total	430 tons

Bidders may submit a proposal for furnishing American anthracite coal required in any one or more of the above nine districts of the city and may also submit one bid covering the whole city. The School Committee reserves the right to reject any or all bids and to accept such bid, or part of bid, as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than fifty (50) per cent of the amount of the contract.

No. 16

MAYOR TOBIN URGES GREATER USE OF THE PORT OF BOSTON BY BUSINESS LEADERS AS MEANS OF AIDING IN DEFEATING DEPRESSION, PUTTING IDLE TO WORK AND RELIEVING BURDENS OF TAXATION—MAKES RADIO ADDRESS BEFORE ADVERTISING CLUB OF BOSTON ON OCCASION OF PAN-AMERICAN DAY LUNCHEON—BOOMS PORT'S FACILITIES, POINTING OUT BY COMPARATIVE FIGURES THE VAST DIFFERENCE IN IMPORT AND EXPORT TRADE WITH LATIN AMERICAN COUNTRIES—NEW ENGLANDERS BUILDING UP NEW YORK AT BOSTON'S EXPENSE.

The following is the address of Mayor Tobin at the Pan-American Day luncheon of the Advertising Club of Boston, broadcast over Station WBZ, at the Hotel Statler, on April 15:

Mr. Chairman, you may be assured that my thanks and good wishes, as Mayor of Boston, go warmly forth to the Advertising Club of Boston, and the industries and trade associations assembled on this great occasion. Their many voices are joined into a single voice—the voice of all New England—to welcome closer relations with Latin America. They hail “Pan-American Week.”

The very name brings us new comfort and hope. From Europe, the news fills our ears with the din and clangor of war. It tells only the story of human distress, never more bitter than in the past week, when peaceful Denmark has suffered invasion and brave Norway has been menaced by the same fate suffered in Finland. The picture in Europe is one of destruction piled on destruction.

But Pan-American Week gives us other and happier thoughts. Construction is still the watchword among our sister republics in Central and southern America. They are not turning back, but are marching steadily forward, and with them lies a great part of all our remaining hope of progress—indeed, of the salvation of all that Western civilization holds dear.

Welcome to Consuls.

Just here, when speaking of the high role of service which Latin America may fulfill for humanity, I wish especially to offer welcome, on the city's behalf, to the consuls maintained at Boston by our sister republics. Many, if not all, of these representatives are present today, and I wish to say that no finer consular corps exists in any other city in the United States.

As the official spokesmen of countries rich in culture and possessing many institutions of higher learning, the consuls from Latin America will share my satisfaction in one quite remarkable bit of literary work lately accomplished in Boston. I refer to the sixty-four-page issue of the monthly magazine of the Associated Industries of Massachusetts which was recently published in the Spanish language from cover to cover.

Here in this home of colleges and universities which we delight to call the American Athens, one would suppose that such books and periodicals would exist in great number, to carry the message of New England to Latin America. But, so far as I know, this excellent magazine printed in Spanish is the first of its kind to describe in that beautiful language the industries of Massachusetts, the mutual trade-interests, and the advantages of plant and equipment which Massachusetts holds forth to Latin America.

Notable among these advantages are the facilities of the Port of Boston. It is well that they should be described in Spanish, and I wish that the story might be told in every language of the civilized world. I am sure that the splendid facilities of this port need only become more widely known in order to attract a wider business from South America.

The Port of Boston.

On the other hand, education, like charity, should always begin at home. And it seems that if anyone needs education about the Port of Boston, it is, above all, the manufacturers and shippers of Massachusetts and of the other states in the New England family.

To prove my case, I need only offer a few actual figures. While our good friends in South America sent imports directly into Boston during 1937 to a value of more than \$33,000,000, during that same year goods shipped directly from this port to South America amounted, in value, to only \$576,000.

Think of it! The New England trade passing to South America on board ships loaded in the Port of Boston was only about a half-million dollars in value for all of 1937. In 1938 the figure fell still lower—to \$289,000; and in 1939 the South American exports shipped directly from Boston went down to the pitiable sum of only \$141,000.

Now, of course, that represents but a trivial share of the New England-made goods which actually were sent to South America during the years which I have cited. A far larger share was sent by way of the port of New York, to the utter disregard of the welfare of Boston as a great seaport. The total exports to South America from the United States were valued at \$329,000,000 in 1939. But of all that huge sum, the goods shipped from Boston accounted, I say again, for only \$141,000. That is only one twenty-fifth of one per cent of the total export.

(Continued on page 447.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"
From Boston Centennial Poem by
NATHAN HASKEL DOLE.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables slaughter-houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made

to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, 73 City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending April 13, 1940.
Population as of July, 1940, Massachusetts State Census, 817,713; population estimated, July, 1940, United States Census Bureau, 815,128; number of deaths (stillbirths excluded): Residents, 206; nonresidents, 49; total, 255.

ADDRESS OF MAYOR TOBIN.

(Continued from page 445.)

SCORES LOCAL BUSINESS.

What is to be said of such a record as that? The leaders of great manufacturing industries which have their headquarters in Boston often speak sadly of the burdens of taxation imposed upon them. I sympathize with them. But also I find it astonishing that they should think so little, in this matter of shipping, of the vessels that are loaded along Boston's waterfront, giving jobs to longshoremen, providing profitable business for motor trucks, and helping to maintain local steamship offices and a score of other valuable economic enterprises which flourish in a great seaport.

If the industrialists of Metropolitan Boston wish to see reduced taxes, they can find no better way of contributing to that happy result than by thinking more actively of the interests of the Port of Boston than they have thought in the past. Business for the port is vital to the maintenance of assessed valuations throughout a great part of downtown Boston. Only by maintaining those values—by rescuing land from use as out-door garages and putting it back into service for warehouses and busy freight offices—can the tax load be spread more widely, and therefore more lightly through all the city.

As I make that declaration, I know that the keen-minded business men who have sponsored this great meeting today are willing to recognize the simple truth of my argument. They need only have the case called clearly to mind, in order to agree with it heartily, and to resolve that, from now on, they will do everything in their power to encourage and to demand the shipment of goods by way of the Port of Boston, when sending consignments to their customers in Latin America.

Of course, it is only as freight is offered in sufficient volume that Boston can hope to attract a sufficient number of ships and shipping lines, to carry the great potential sum-total of New England-made goods which deserve a market in Latin America.

But already we have several shipping services of the first rank from Boston to Central America and to the great continent south of Panama. Let the lines already here be fairly treated, and we will soon have more. In this relation, I am especially happy to recall the recent visit paid at this port by the motorship "Argentino"—the first important merchant ship flying the Argentine flag that has visited the United States in many years.

I take that welcome arrival as a pledge and promise of many more to come—not only from Argentina, but from Brazil, from all the countries on the eastern coast of Central and southern America.

Of the larger aspects of that trade, you will soon hear full discussion from the head of a great transportation company now carrying goods and passengers by air to the land of Cortez and Balboa.

The rich prospects opened by the early navigators three centuries ago are still in the early stages of their development. The City of Boston hopes to do its part honestly and well in serving the growth of Latin American trade and of Pan-American friendship and union.

MAYOR TOBIN VOICES SINCERE REGRET OVER LOSING SERVICES OF HENRY PARKMAN, JR., AS CORPORATION COUNSEL—LATTER QUILTS LOCAL BERTH TO BECOME CANDIDATE FOR UNITED STATES SENATOR—NOTES, IN HIS LETTER, THE CONFIDENCE THAT CITIZENS OF BOSTON HAVE IN MAYOR'S HIGH CIVIC PURPOSE, INTEGRITY AND OBJECTIVES.

A note of sincere and deep regret has been made manifest in the exchange of correspondence between Mayor Maurice J. Tobin and Henry Parkman, Jr., in the announcement of the resignation of the Corporation Counsel and its acceptance by the Mayor. Corporation Counsel Parkman leaves the city service to become a candidate for United States Senator.

In his letter of resignation Corporation Counsel Parkman wrote as follows:

BOSTON, April 6, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR MR. MAYOR,—It is with real regret that I hand you my resignation as Corporation Counsel to take effect on April 8. I have decided to be a candidate for the United States Senate, and I do not think it would be fair to the city or to you for me to continue to hold office while an avowed candidate.

Although I am anxious to serve the people of Massachusetts in an even broader field, it is hard to give up service in your administration. I have never enjoyed any public work more than I have that of the past two years. Boston's need is great and to work under you in meeting it is a great privilege; for the confidence of the people in your high purpose not only makes association with you in their service a continuing pleasure but lightens enormously the task of your officials. It would never have been possible, for example, to succeed so well with our efforts in the Legislature had it not been for their complete belief in your integrity and your objectives.

So it is a real wrench to leave the city's service, in which I have now spent six years, four in the City Council and two as your Corporation Counsel, separated only by my service as a Boston Senator in the Massachusetts Legislature. In doing so, I tender you my greatest respect, and sincerest good wishes for the continued success of your administration as Mayor. The vicissitudes of politics may separate us, but nothing can ever mar my whole-hearted regard for your ideals

as a public servant nor my warm affection for you as a man.

Very respectfully yours,

HENRY PARKMAN, JR.

Mayor Tobin's reply was as follows:

HENRY PARKMAN, JR., *Esq.*,
Corporation Counsel.

DEAR HENRY,—With full appreciation and understanding of the motives which have prompted your action, I hereby accept, with great reluctance and with sincere regret, your resignation as Corporation Counsel of the City of Boston.

For your abilities and knowledge as legal adviser to the city government, I have the highest regard. For your energy and perseverance in accomplishing what often appeared to be the impossible, I have the most profound respect. For your capacity and qualities as an administrator, I have open and sincere admiration.

I truly believe that the citizens of Boston, even though they have not had the pleasure to know you as intimately as I, agree with me that as Corporation Counsel of our city you have been a notable and outstanding success, and I am equally as certain that, even as I, they deplore your separation from the city government you have served with such marked distinction.

Our association during the past few years, our sharing of common problems, have formed a bond of friendship I hope will never be broken. Differences in political faiths may find us with divergent views but I know they never will mar our close friendship.

Your wide abilities, high ideals and rigid adherence to the principles of right and justice have earned for you an enviable reputation. May they, in the years to come, earn for you lasting rewards. To you, to Mrs. Parkman and to your lovely family, good health, and God's blessings for the future.

Sincerely,

MAURICE J. TOBIN, *Mayor.*

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, April 18:

HOSPITAL DEPARTMENT.

The following persons have terminated their services in the Hospital Department:

Martin F. Crehan, porter, \$17.50 a week, temporary; Francis H. Donahue, porter, \$17.50 a week, temporary; Catherine Stepien, laundress, \$17 a week, resigned; Mildred Lavin, head nurse, \$1,680 a year, resigned; Millicent Clark, floor nurse, \$1,200 a year, resigned; Norval Stewart, male nurse,

\$32 a week, temporary; Beatrice M. Gurry, cleaner, \$15 a week, dropped per Trustees.

Margaret Donovan, ward assistant, is now Margaret Hines.

Irene Donnelly, student nurse, was increased from \$12.50 a month to \$16.67 a month on March 16, 1940.

The following special nurses have been employed at \$4.50 a day:

Ann Barry, 72 Linden street, 1 day; Gladys Brown, 440 Ashmont street, 14 days; Mary K. Burke, 47 Pleasant street, 4 days; Nora Conley, West Newton, 1½ days; Ann Doherty, 35 Union street, 2 days; Mary Doherty, 16 Emerald street, 14 days; Belle Dodge, Hotel Essex, 6 days; Laura Dufan, 12 Wild-

wood street, 1 day; Mary Dyas, 219 Park Drive, 7 days; Emily Gallagher, 96 East Brookline street, Frances Gorman, Melrose, 1 day; Mary Haskell, 105 Bay street, 2 days; Ethel Lobacz, 11 Worcester square, 2 days; Mary B. McAuley, 121 Saratoga street, 5 days; Margaret McDonough, 70 Fenway, 1 1/2 days; Alma Nobile, Revere, 14 days; Ina Nulty, 185 St. Botolph street, 3 days; Helen Paul, 11 Forest street, 14 days; Grace Powers, 16 Spaulding street, 3 days; Wanda Prsygodski, 23 Worcester square, Matilda Tomassetti, Watertown, 6 days; Sylvia Torre, 128 Bennington street, 1 day; Catherine Trombley, Brockton, 7 days; Agnes Wall, 755 Bennington street, Gladys Drake, Weymouth, 1 day.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

GEORGE ROBERT WHITE FUND.

Upon April 16 the Chairman of the Trustees of the George Robert White Fund approved a contract with the lowest bidder, Dennis F. McLoughlin, for furnishing and erecting the pedestal for the equestrian statue of Paul Revere, Paul Revere Mall, Boston. Bids were opened Monday, April 15, as follows:

Dennis F. McLoughlin, \$7,930; Arthur Ford & Son, Incorporated, \$9,190; F. LeRoy Fox, \$9,394; Dennis Driscoll & Co., Incorporated, \$9,763; Eldon Smith, \$9,800; D. F. and W. G. Burns, Incorporated, \$10,623; Walter Reed Corporation, \$10,900.

SUPPLY DEPARTMENT.

Upon April 3 the Mayor approved a contract with Marshall & Co., Incorporated, for furnishing electrical supplies for the Boston City Hospital. The amount of the contract was \$1,771.84, less 2 per cent cash discount on the wire items and 5 per cent cash discount on the balance of the items. Bids, opened February 23, were as follows:

Requisition No. 2382.

Item 1, 2,000 Feet 3-Inch Conduit, Per C. Feet.—Ralph Pill Electrical Supply Company, \$41.50, black; \$43.45, galvanized; Massachusetts Gas and Electric Light Supply Company, \$36.25, black enamel; \$39.46, sheradized; Wetmore-Savage Division Westinghouse Electric Supply Company, \$42; Graybar Electric Company, Incorporated, \$42, sheradized; George H. Wahn Company, \$44.76, galvanized; Marshall & Co., Incorporated, \$42; Loman Electric Supply Company, \$42, galvanized.

Item 2, 50 3-Inch Locknuts, Each.—Ralph Pill Electrical Supply Company, 9 cents; Massachusetts Gas and Electric Light Supply Company, 9.38 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, \$9.288 per C.; Graybar Electric Company, Incorporated, \$104.89 per M.; George H. Wahn Company, \$10 per C.; Marshall & Co., Incorporated, \$10 per C.*; Loman Electric Supply Company, 9.8 cents.

Item 3, 50 3-Inch Bushings, Each.—Ralph Pill Electrical Supply Company, 11 cents; Massachusetts Gas and Electric Light Supply Company, 10.73 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, \$10.632 per C.; Graybar Electric Company, Incorporated,

\$120.02 per M.; George H. Wahn Company, \$12 per C.; Marshall & Co., Incorporated, \$12 per C.*; Loman Electric Supply Company, 11.2 cents.

Item 5, 25 Expansion Shields for One Half Inch Lug, Each.—Ralph Pill Electrical Supply Company, 5 cents; Massachusetts Gas and Electric Light Supply Company, 5.63 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, \$9.50 per C., Diamond; Graybar Electric Company, Incorporated, \$8.88 per C.; George H. Wahn Company, \$9.50 per C.; Marshall & Co., Incorporated, \$7.50 per C.*; Loman Electric Supply Company, 8 cents.

Item 6, 25 Lag Screws, Two and One Half Inch Long Hexnut, Each.—Ralph Pill Electrical Supply Company, 3 cents; Massachusetts Gas and Electric Light Supply Company, 5.83 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, \$3.60 per C., Hubbard 9752 1/2, 2 1/2 inches by 1/2 inch; Graybar Electric Company, Incorporated, \$3.60 per C., square head; George H. Wahn Company, \$1.95 per C.; Marshall & Co., Incorporated, \$1.50 per C.*; Loman Electric Supply Company, 1.75 cents.

Item 7, 200 Feet Conduit, Three Quarter Inch, Per C. Feet.—Ralph Pill Electrical Supply Company, \$6.59; Massachusetts Gas and Electric Light Supply Company, \$5.58, black enamel; \$6.08, sheradized; Wetmore-Savage Division Westinghouse Electric Supply Company, \$6.40; Graybar Electric Company, Incorporated, \$6.45, sheradized; George H. Wahn Company, \$6.77; Marshall & Co., Incorporated, \$6.25; Loman Electric Supply Company, \$6.13, galvanized.

Item 8, 200 Feet Conduit, One Half Inch, Per C. Feet.—Ralph Pill Electrical Supply Company, \$5.15; Massachusetts Gas and Electric Light Supply Company, \$4.37, black enamel; \$4.74, sheradized; Wetmore-Savage Division Westinghouse Electric Supply Company, \$5; Graybar Electric Company, Incorporated, \$5, sheradized; George H. Wahn Company, \$5.26; Marshall & Co., Incorporated, \$4.95; Loman Electric Supply Company, \$4.78, galvanized.

Item 9, 6 One and One Half Inch Locknuts, Each.—Ralph Pill Electrical Supply Company, 2 cents; Massachusetts Gas and Electric Light Supply Company, 1.6 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, \$1.584 per C.; Graybar Electric Company, Incorporated, \$17.935 per M.; George H. Wahn Company, \$1.80 per C.; Marshall & Co., Incorporated, \$1.90 per C.*; Loman Electric Supply Company, 1.6 cents.

Item 10, 6 One and One Half Inch Bushings, Each.—Ralph Pill Electrical Supply Company, 8 cents; Massachusetts Gas and Electric Light Supply Company, 2.97 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, \$2.936 per C.; Graybar Electric Company, Incorporated, \$33.15 per M.; George H. Wahn Company, \$3.30 per C.; Marshall & Co., Incorporated, \$3.60 per C.*; Loman Electric Supply Company, 3 cents.

Item 11, 200 One Half Inch Locknuts, Per C.—Ralph Pill Electrical Supply Company, 35 cents; Massachusetts Gas and Electric Light Supply Company, 37 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, 36 cents; Graybar Electric Company, Incorporated, \$4.037 per M.; George H. Wahn Company, 40 cents; Marshall & Co., Incorporated, 40 cents; Loman Electric Supply Company, 38 cents.

Item 12, 200 One Half Inch Bushings, Per C.—Ralph Pill Electrical Supply

Company, 53 cents; Massachusetts Gas and Electric Light Supply Company, 55 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, 54.4 cents; Graybar Electric Company, Incorporated, \$6.077 per M.; George H. Wahn Company, 60 cents; Marshall & Co., Incorporated, 60 cents; Loman Electric Supply Company, 55 cents.

Requisition No. 2335.

Item 13, 10,000 Feet No. 16 Stranded Wire, Plastex Red, Per M. Feet.—Ralph Pill Electrical Supply Company, \$16.11, Collyer Resistol; Massachusetts Gas and Electric Light Supply Company, \$16.28, Resistol (7); Wetmore-Savage Division Westinghouse Electric Supply Company, \$17.90, 7-strand Gencaseal; Graybar Electric Company, Incorporated, \$17.90, 7-strand 300-volt; George H. Wahn Company, \$17.90; Marshall & Co., Incorporated, \$16; Loman Electric Supply Company, \$16.

Item 14, 10,000 Feet No. 16 Stranded Wire, Plastex Black, Per M. Feet.—Ralph Pill Electrical Supply Company, \$16.11, Collyer Resistol; Massachusetts Gas and Electric Light Supply Company, \$16.28, Resistol (7); Wetmore-Savage Division Westinghouse Electric Supply Company, \$17.90, 7-strand Gencaseal; Graybar Electric Company, Incorporated, \$17.90, 7-strand 300-volt; George H. Wahn Company, \$17.90; Marshall & Co., Incorporated, \$16; Loman Electric Supply Company, \$16.

Item 15, 5,000 Feet No. 14 Stranded Wire, Plastex White, Per M. Feet.—Ralph Pill Electrical Supply Company, \$24.03, Collyer Resistol; Massachusetts Gas and Electric Light Supply Company, \$24.29, Resistol (7); Wetmore-Savage Division Westinghouse Electric Supply Company, \$26.70, 7-strand Gencaseal; Graybar Electric Company, Incorporated, \$26.70, 7-strand, 600-volt; George H. Wahn Company, \$26.70; Marshall & Co., Incorporated, \$24; Loman Electric Supply Company, \$24.

Item 16, 1,000 Feet Three Quarter Inch Conduit, Galvanized, Per C. Feet.—Ralph Pill Electrical Supply Company, \$6.40; Massachusetts Gas and Electric Light Supply Company, \$6.08; Wetmore-Savage Division Westinghouse Electric Supply Company, \$6.40; Graybar Electric Company, Incorporated, \$6.45, sheradized; George H. Wahn Company, \$6.77; Marshall & Co., Incorporated, \$6.25; Loman Electric Supply Company, \$6.13.

Item 17, 1,000 Feet One Half Inch Conduit, Galvanized, Per C. Feet.—Ralph Pill Electrical Supply Company, \$5; Massachusetts Gas and Electric Light Supply Company, \$4.74; Wetmore-Savage Division Westinghouse Electric Supply Company, \$5; Graybar Electric Company, Incorporated, \$5, sheradized; George H. Wahn Company, \$5.26; Marshall & Co., Incorporated, \$4.95; Loman Electric Supply Company, \$4.78.

Requisition No. 2292.

Item 18, 300 Feet 10-Pair No. 16 Wire Lead Cable, Per M. Feet.—Wetmore-Savage Division Westinghouse Electric Supply Company, \$348, price includes returnable reel, \$12; Graybar Electric Company, Incorporated, \$385; George H. Wahn Company, \$348, price includes one reel, \$12 net; Marshall & Co., Incorporated, \$385; Loman Electric Supply Company, \$385, Latex.

Item 19, 200 Feet 31-Pair No. 16 Wire Cable, No Lead, Per M. Feet.—Wetmore-Savage Division Westinghouse Electric Supply Company, \$749, price includes returnable reel, \$18; Graybar Electric

Company, Incorporated, \$966, for use in dry location only; George H. Wahn Company, \$749, price includes one reel, \$18 net; Marshall & Co., Incorporated, \$966*; Loman Electric Supply Company, \$966, Latex.

Item 20, 500 Feet No. 16 3-Wire Lead Cable, Per M. Feet.—Wetmore-Savage Division Westinghouse Electric Supply Company, \$60.5875, reel \$4 extra and returnable; Graybar Electric Company, Incorporated, \$60.587, solid RC and lead 600V code; George H. Wahn Company, \$33.50, lot, price includes one reel, \$4 net; Marshall & Co., Incorporated, \$6*; Loman Electric Supply Company, \$57.70.

Item 21, 3,000 Feet No. 14 Black Wire, Stranded, Per M. Feet.—Ralph Pill Electrical Supply Company, \$6.40; Massachusetts Gas and Electric Light Supply Company, \$6.48, S.B. code 600V; Wetmore-Savage Division Westinghouse Electric Supply Company, \$5.55; Graybar Electric Company, Incorporated, \$7.31, single-braid rubber-covered code; George H. Wahn Company, \$7.10; Marshall & Co., Incorporated, \$6.60*; Loman Electric Supply Company, \$6.85.

Item 22, 50 One and One Half Inch Couplings, Per C.—Ralph Pill Electrical Supply Company, 18 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, \$16.50; Graybar Electric Company, Incorporated, \$16.65; George H. Wahn Company, \$16.84; Marshall & Co., Incorporated, \$15.70*; Loman Electric Supply Company, \$15.70, galvanized; Massachusetts Gas and Electric Light Supply Company, \$15.52.

Item 23, 10 Pounds Friction Tape, Per Pound.—Ralph Pill Electrical Supply Company, 28 cents; Wetmore-Savage Division Westinghouse Electric Supply Company, 27 cents; Graybar Electric Company, Incorporated, 25 cents, Sticka $\frac{3}{4}$ -inch wide, 8-ounce rolls; George H. Wahn Company, 27 cents; Marshall & Co., Incorporated, 25 cents*; Loman Electric Supply Company, 26 cents; Massachusetts Gas and Electric Light Supply Company, 25 cents, $\frac{3}{4}$ -inch.

Total.—Ralph Pill Electrical Supply Company, Item 1, black, \$1,446.28; Item 1, galvanized, \$1,485.28; no bid on Items 18, 19, 20; see specifications; Wetmore-Savage Division Westinghouse Electric Supply Company, \$1,765.72; Graybar Electric Company, Incorporated, \$1,857.35; see specifications; George H. Wahn Company, \$1,867.36; Marshall & Co., Incorporated, \$1,771.84; Loman Electric Supply Company, \$1,794.55; see specifications; reels to be charged extra but can be returned for full credit within twelve months if in good condition; Massachusetts Gas and Electric Light Supply Company, \$1,344.85, Items 1, 7, 8, black enamel; \$1,410.79, Items 1, 7, 8, sherardized; no bid on Items 18, 19, 20; see specifications.

Cash Discount, Ten Days.—Ralph Pill Electrical Supply Company, 5 per cent, thirty days, Items 1 to 12, inclusive, 16, 17; 2 per cent, thirty days, Items 13, 14, 15, 21, 22, 23; Wetmore-Savage Division Westinghouse Electric Supply Company, 5 per cent, Items 1, 2, 3, 7 to 12, inclusive, 16, 17, 22; 2 per cent, Items 5, 6, 20, 21, 23; one half of 1 per cent, Items 13, 14, 15, 18, 19; Graybar Electric Company, Incorporated, 5 per cent, Items 1, 2, 3, 7 to 12, inclusive, 16, 17, 22; one half of 1 per cent, balance; George H. Wahn Company, 5 per cent, 10th proximo, Items 1 to 12, inclusive, 16, 17, 22; one half of 1 per cent, Items 18, 19; 2 per cent, balance;

(Continued on page 450.)

MAYOR TOBIN WELCOMES MASSACHUSETTS DEPARTMENT G. A. R. AT ANNUAL ENCAMPMENT—COMMENTS ON BLESSED HERITAGE PRESERVED TO POSTERITY BY THOSE WHO FOUGHT AND PRESERVED THE UNION—POINTS TO CONTRAST BETWEEN THIS COUNTRY WHICH STILL BOASTS OF ONE CONSTITUTION, ONE FLAG, ONE BROTHERHOOD AND ONE IDEAL AS AGAINST CONDITIONS THAT PREVAIL IN EUROPE, WHERE RIGHTS OF MANKIND ARE TRAMPLED BENEATH THE HEELS OF THE DICTATOR.

The following is the address of Mayor Tobin at the annual encampment Massachusetts Department G. A. R. at Hotel Bradford on Wednesday, April 10:

The people of Boston, for whom I speak as Mayor, most heartily welcome you here today.

John Boyle O'Reilly once said, when addressing a Grand Army encampment, "The veteran of the War is dearer and nearer even than the flag. He is a living flag, starred and scarred. In the wild days, he 'kept step to the music of the Union.'"

It is an inestimable privilege that we should still be able to welcome as our honored guests in Boston even a few of the noble citizens who fought for the Union, and who are now rounding out a full hundred years of patriotic service.

We see now, more clearly than ever, what an immense blessing was conferred upon us when the Union was preserved. How different the picture is, when we look across the Atlantic and see Europe torn asunder in many of her most vital members, suffering and distraught, in a tragic confusion.

We cannot doubt that Europe's troubles have been made vastly worse, over the centuries, by the number and variety of her nationalistic division and boundaries. Broken into many separate compartments, the people of Europe have often had to pay the price of war, in order to settle disputes which could have been peaceably handled by a single great system of government, working in the interest of their united welfare.

Here in the New World we were blessed by a different heritage. Though we received here the immigrant stock of twenty-odd nations, the principle of brotherhood prevailed. No foreign language problem has greatly troubled us. We have been one in speech, one in our devotion to a democratic philosophy of government.

How terrible it would have been if, in the midst of such blessings, a division of our territory had come to pass—with two nations lying between Canada and the Gulf of Mexico, ever on watch the one against the other, ever subject to the hazard of war!

We know now, if we ever failed to know, why Daniel Webster rose to such impassioned heights of oratory 110 years ago in his great speech on the Foote resolution in the United States Senate. Every schoolboy remembers the prayer then raised by the statesman from Massachusetts:

"When my eyes shall be turned to behold the last time the sun in heaven, may I not see him shining on the broken and dishonored fragments of a once

glorious Union; on States dissevered, discordant, belligerent; on a land rent with civil feuds, or drenched, it may be, in fraternal blood."

The members of the Grand Army of the Republic prevented that awful dismembering of our nation from coming to pass.

Now in this time of your old age, the Sons of Union Veterans loyally help to keep all Americans mindful of the great blessing conferred upon us by your deeds.

And devoted, through these seventy-five years, have been the noble women associated with the G. A. R.—the Women's Relief Corps that helped to fight the Civil War, the Ladies of the Grand Army of the Republic, the Daughters of Union Veterans of the Civil War, and the Auxiliary of the Sons of Union Veterans.

As Mayor of Boston I wish to express thanks again for all that the G. A. R. and its affiliated organizations have done to help keep us marching in step with the music of the Union.

The music of the Union is the grandest music that America ever can hear. It is the music which I pray God may always be heard in this land—a brotherhood of all peoples, united under one Constitution, allegiance to one flag, devoted to one ideal, a decent regard for the rights of all mankind.

REVISION OF ASSESSMENT.

The Mayor has approved the following vote of the Board of Street Commissioners:

In the matter of the application for revision of assessment levied on account of the construction of sewerage works the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said application,

Ordered. That the amounts hereinafter specified below be, and the same are hereby, abated.

Bridget Will, Linden street, Hyde Park, lot 11, \$100; lot 12, \$100; assessed September 1, 1937.

(This abatement is made for entrance fee charges.)

TRAFFIC COMMISSION RULINGS.

Voted. That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective April 11, 1940:

Bellflower Street, Dorchester.

From Boston street to Dorchester avenue.

*Contract awarded.

TRAFFIC COMMISSION CLOSING CHELSEA BRIDGE.

Traffic Commissioner William P. Hickey, on April 17, announced that dredging operations in the Little Mystic river will require the closing of the Chelsea Bridge from Medford street, Charlestown, to Chelsea, on Friday, April 19, 1940, from 1 a. m. to 5 a. m. and on Saturday morning, April 20, 1940, from 1 a. m. to 5 a. m.

Commissioner Hickey suggests that motorists using the route between Boston and Chelsea and points north during those hours use the Summer Tunnel to avoid a long detour via Charlestown and Everett.

POLICE DEPARTMENT ORDERS.

General Order No. 464.

The Boston Junior Police Corps Jubilee will be held in the Boston Garden, Saturday, May 18, 1940, beginning at 2 p. m.

The jubilee is being held for the purpose of obtaining sufficient funds to maintain a summer camp in the Blue Hills for about 5,000 underprivileged boys of the City of Boston.

It is the desire of the commissioner and the superintendent that all members of the Force interest themselves and make a special effort to dispose of tickets for the jubilee in order that every worthy boy desiring a vacation at the Junior Police Camp this summer can be accommodated.

The tickets for the jubilee will be distributed to each station by Lieut. William J. Carey, commanding officer of the Junior Police Corps, who will receive a receipt therefor. Twenty-one hundred and seventy-five (2,175) tickets at \$1.50 each, and 13,400 tickets at \$1.00 each are being forwarded to the several station houses, and any division commander who desires to obtain box seats at \$2.50 each may do so by getting in touch with Lieut. William J. Carey.

Captains of divisions will distribute the tickets among their officers, and will see that a correct list is kept of the number of tickets given to each man. Each officer will make a daily return to his captain of the number of tickets he has sold, together with the name and address of the purchaser, and will return the money received to his captain.

All officers will be held strictly responsible for the tickets delivered to them.

Captains will collect daily all money received by officers in the selling of tickets, and will forward to the superintendent by morning mail the following day all of such money. A correct list containing the ticket numbers, together with the names and addresses of purchasers of tickets, shall be kept on file at the various divisions.

Cash received by commanding officers will be converted into a check made payable to Joseph F. Timilty, Police Commissioner, and then forwarded to the Superintendent's Office.

All tickets that are unsold on May 17, 1940, will be collected by the captain of each division and returned to the Superintendent's Office where a receipt therefor will be furnished.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 465.

Patrolman Joseph J. Hartnett, attached to Division 6, detailed to Traffic Division, is commended for effective police duty performed on April 5, 1940, in connection with the pursuit and capture of a man who had held up a store in the downtown section.

The commissioner is pleased to commend Patrolman Hartnett for his alertness and devotion to duty shown on this occasion.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 466.

Lieut. James V. Crowley, Patrolmen Thomas J. Conaty, John F. Manning, William A. Philbrick and William J. McCarthy, all attached to Bureau of Criminal Investigation, are commended for efficient police duty performed on April 4-5, 1940, in connection with the apprehension of two men who were wanted by the police of New Bedford,

Mass., for armed robberies in that city, as well as cities adjoining.

The commissioner is pleased and gratified to commend these officers for their untiring efforts, diligence and devotion to duty shown, giving generously of their time in order to accomplish the arrest of these dangerous criminals.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 467.

Lieut. Edward L. Twohig, Patrolmen Denis J. Riordan, Joseph G. Hudson and John J. Hynes, all attached to the Bureau of Criminal Investigation, are commended for efficient police duty performed on April 5, 1940, in connection with the arrest of two persons who had bound and robbed a merchant at his place of business on Boylston street, Boston, on March 25, 1940.

The commissioner is pleased to recognize and commend these officers for their devotion to duty and the splendid police work performed, giving generously of their time in order to accomplish the arrest of these two dangerous characters.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, parking of vehicles is prohibited in the following street, effective April 22, 1940:

Gore Street, Roxbury.

South side, from Parker street to Terrace street, twenty-four hours.

Voted, That as urgently required by considerations of public safety and convenience, during the period of dredging operations in the Little Mystic river, vehicles are excluded from the following street on April 17, 1940, from 1 a. m. to 5 a. m., and on April 18, 1940, from 1 a. m. to 5 a. m.:

Chelsea Street and Chelsea Bridge, Charlestown.

From Medford street to the Boston-Chelsea line.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the Revised Traffic Rules and Regulations of the City of Boston, are amended as follows, effective April 22, 1940:

Section 8, Part 2, is amended by adding the following:

Waltham Street, Downtown Boston.

Northeast side, from Shawmut avenue to Washington street, twenty-four hours.

Section 24, Part 1, is amended by adding the following:

Derne Street, Downtown Boston.

From Hancock street to Bowdoin street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of water main construction, estimated to be three (3) weeks, the following street is one way in the direction indicated, effective April 16, 1940:

St. Alphonsus Street, Roxbury.

From Smith street to Longwood avenue.

Voted, That the Revised Traffic Rules and Regulations of the City of Boston are amended as follows, effective April 29, 1940:

Section 8, Part 2, is amended by striking out the following:

Ash Street, Downtown Boston.

East side, from Oak street to Bennett street, 7 a. m. to 6 p. m.

Dwight Street, Downtown Boston.

From Shawmut avenue to Tremont street.

Pilgrim Road, Roxbury.

From Brookline avenue to Francis street.

Section 41 is amended by adding the following:

Prescott Street, East Boston.

At Bremen street.

MAYOR NAMES COMMITTEE TO STUDY AND REPORT ON BEANO IN BOSTON.

On April 17 the Mayor issued the following statement:

During recent months there has been considerable discussion and controversy concerning Beano, especially in suburban communities.

Though I am of the belief that Boston's regulations are the most rigid of any community in the Commonwealth, I feel that a thorough study of this subject

should be made, and for that reason I am appointing the following three individuals as a committee to make a study of this situation:

Joseph F. Timilty, Police Commissioner; John J. Spencer, Chief, Licensing Division; Harvey T. Pond.

I have requested the committee to report within a period of thirty days, if possible.

MAURICE J. TOBIN, Mayor.

Harvey T. Pond resides at 475 Columbia road, Ward 13, Dorchester, and is Grand Master of the Exchequer for Grand Domain of Massachusetts, Knights of Pythias, past President of the Dorchester Republican Club; past Treasurer of the Young Men's Republican League of Boston, and a brother of J. Waldo Pond, former member of the Finance Commission.

PAUL REVERE STATUE AND TABLETS.

A Paul Revere statue and memorial tablets are being prepared, to be erected for the city by the George Robert White Fund Trustees, at a date in June not yet announced. The statue is by Cyrus Dallin, following the design that was used on the cover of last year's Patriots' Day general program. The memorial tablets will commemorate contributions to the upbuilding of the community and nation by individuals of Boston, and especially those who lived in the old North End during the early settlement of the city. The location is the Paul Revere Mall. This undertaking has much historic and patriotic significance and will provide a fitting new place of interest to visitors from other parts of the country during the late summer and fall, and then in years to come.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

HOME ECONOMIST, DEPARTMENT OF PUBLIC WELFARE, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

Requisition is for a female, but the examination is open to both males and females.

The entrance salary is \$2,760 a year; the maximum salary is \$3,300 a year.

Duties: Under the direction of the Commissioner of Public Welfare and the immediate supervision of the Chief Supervisor of Social Service, to develop budget standards on the basis of individual needs which may be used to determine the amount of assistance with due regard to local conditions and prices; to develop forms to be used to calculate individual budgets and to record factual data in relation to financial needs and resources of individual applicants; to supervise periodic reviews of local budget programs and to promote a better understanding of budget methods by the staff and by local welfare boards; to develop policies in rela-

tion to application of income or other resources to budgets; and to perform related work as required.

Entrance Requirements: Applicants must have six (6) years within the last ten (10) years of satisfactory, full-time, paid experience in the field of home economics either in a public or private social work or health agency adhering to acceptable standards, or in an agriculture extension service or in Farm Security Administration. In addition, two (2) years of the above experience must have been in a capacity which involved preparation of low income budget standards, formulation and execution of training programs to professional and lay groups.

Substitution of Education: Except for the two (2) years' experience mentioned above, education may be substituted for experience, year for year of graduate study in a related field and one year of undergraduate college for six months of experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

PUBLIC WELFARE PHYSICIAN, DEPARTMENT OF PUBLIC WELFARE, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

This examination is open to males only.

The entrance salary is \$3,780 a year; the maximum salary is \$4,500 a year.

Duties: Under the direction of the Commissioner of Public Welfare and the immediate supervision of the Chief Supervisor of Social Service, to assist in the formulation of departmental policies relative to medical care and the manner and method to be followed in granting assistance for such care, and in securing State and Federal reimbursement thereon; to prepare a departmental manual and forms to be used in granting assistance for medical care; to recommend a schedule of fees for all medical care for which State reimbursement is asked; to examine requests for reimbursement on dentures and prosthetic devices and other extraordinary allowances to individual recipients for medical care; to establish cooperative agreements for the use of special medical facilities; and cooperative relationships with professional organizations; and to perform related work as required.

As a condition to appointment to this position, it shall be agreed by the appointee that he shall not engage in the private practice of medicine during his service with the department.

Entrance Requirements: Applicants must be registered physicians under the State Board of Registration in Medicine.

Applicants must have at least five years' experience in the practice of medicine, at least one year of which shall have been spent as an interne in a hospital approved for internship by the American Medical Association.

(a) **Substitution:** Satisfactory full time experience in a medical administrative capacity in a hospital, public health organization, department of public health, or department of public welfare within the past five years, may be substituted year for year for the years

of experience required in the practice of medicine, except for the year of internship.

(b) **Substitution of Education:** Education may be substituted for experience, year for year of graduate study in a school of public health.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

MASSACHUSETTS CIVIL SERVICE EXAMINATIONS.

BUILDING INSPECTOR, BOSTON BUILDING DEPARTMENT, MAY 18, 1940.

Last date for filing applications, Saturday, May 4, 1940, at 12 noon.

Salary: \$2,200 a year.

Duties: To supervise the laying out of lot lines, building lines, establishment of grades, etc. To examine premises where applications have been made for permits to erect, enlarge, alter, repair or raze buildings before approval of permits for work on such applications is given. To inspect every building or structure or anything attached to or connected therewith which he has reason to believe is not provided with sufficient means of egress in case of fire or other emergency and also to decide whether or not the structure is structurally unsafe or dangerous to life, limb or adjoining property. To set forth in writing for the establishment of permanent public records, incontestable opinions based upon his own inspections.

Applicants should have a thorough knowledge of all the materials that are used in the various types of buildings, and also of construction methods. Applicants should also have a knowledge of the formation of soils and their capacity for carrying loads imposed upon them.

Entrance Requirement: Applicants must have at least five years' experience as a builder, civil engineer, or architect, or as a superintendent or foreman or a competent mechanic in charge of construction.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

THE NOISE NUISANCE.

That city officials are serious about eliminating noise is noted from studies of new anti-noise ordinances enacted by a growing number of municipalities listed in the "United States Municipal News," bulletin of the American Municipal Association and the United States Conference of Mayors. Among the more important of these cities are Philadelphia, Gary, Ind., Louisville, New York and Boston.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

INDUSTRIAL INSTRUCTOR (ELECTRICIAN), MASSACHUSETTS REFORMATORY, MAY 11, 1940.

REVISION OF WATER DIVISION ORDINANCES.

The following was received:

City of Boston,
Office of the Mayor, March 25, 1940.
To the City Council.

Gentlemen,—I submit herewith proposed amendments to the Revised Ordinances of 1925 which, if adopted, will modernize the methods and procedure of the Water Income Division of the Public Works Department.

Through the efforts of the Municipal Survey Committee and the officials of the Public Works Department, a new system of accounting and billing procedure has been installed in the Water Division. This new system eliminates the division of responsibility between the Collecting and Public Works Departments. It also proposes the elimination of the twenty-five cents summons charge; lengthens the shut-off period from fifteen to forty-five days after due date of bill; permits a waiver of the two dollar charge after shut-off, and provides for a new method of mailing water bills.

The purposes to be accomplished by the proposed amendments to the ordinances are more fully set out in the accompanying letter of the Commissioner of Public Works. The changes in the ordinances are necessary in order that the changes in the operations of the Water Division may comply with the provisions of the ordinances.

In my opinion, the proposed changes in the ordinances will meet the advances and improvements in the Water Division's business methods, and I respectfully recommend adoption of the amendments as submitted herewith.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
March 23, 1940.

Hon. Maurice J. Tobin,

Mayor of Boston.

Dear Sir,—I respectfully submit for your consideration, and transmittal to the City Council for adoption, amendments to the City Ordinances affecting the operation of the Water Division of this department.

A new system of accounting and billing procedure has been installed in the business office of the Water Division, which provides for the keeping of all records of the approximately 100,000 individual accounts in that division, rather than divide the responsibility for keeping these records between the office of the City Collector and the Water Division, which was the policy under the old system. The amendments to the ordinances, as proposed, are necessary in order that the procedures followed in the new system will comply with the provisions of the ordinances.

The following is a brief explanation of the more important changes and the reasons therefor. The summons and twenty-five (25) cent summons charge have been eliminated as it is questionable whether the expense incurred in connection with the preparing of the summonses and the collecting of the charges equalled the amount of revenue derived from this source. Aside from this point, however, and in my opinion the more important of the two, the elimination of the summons charge will tend to create the good will of the customers toward this department, as it is a natural characteristic to resent being required to pay a "fine" simply because one may have forgotten to pay a bill or did not have the wherewithal to pay a bill on or before the due date.

Under the provisions of the existing ordinances, the Commissioner of Public Works is required to shut off the water from any premises if the water rate has not been paid within approximately fifteen (15) days after the due date. Under the amendment as proposed, however, the commissioner will not be required to shut off the water because of an unpaid bill until approximately forty-five (45) days after the due date. The proposed change is unquestionably a more reasonable requirement than the existing one.

It is also proposed to change the existing provisions relative to the two (2) dollar charge levied for the letting on of water to premises where the water has been shut off for non-payment of the bill. The change will, in my opinion, provide a better approach to the solution of a difficult, albeit, a most important problem. The existing ordinance gives the commissioner no discretionary power in this matter, whereas, the proposed amendment will allow the commissioner to waive the two (2) dollar charge on all unpaid accounts that are less than twenty (20) dollars. Except in flagrant cases, it is my intention not to require this two (2) dollar charge where the levying

of same is discretionary. This provision will allow the granting of leniency to the average home owner who, through force of circumstances, is unable to pay the outstanding account within the time prescribed by ordinance.

The new accounting system established in the Water Division provides for the keeping, in that division, of the records of all individual accounts so that they may be balanced at any time; in other words, the status of each account, in so far as the records of outstanding accounts are concerned, can be determined readily. Heretofore, these records were kept by the City Collector. In order to keep the records of these accounts up-to-date, it is necessary for the City Collector to send to the Water Division a daily record of water bills paid the previous day. One of the amendments, as proposed, provides for such a procedure to be followed. As provided under the existing ordinances, it was the usual policy for the collector to notify the Water Division only of the accounts that were not paid within the time required by the ordinance.

Another change proposed is that affecting the due dates of the water bills. The existing ordinance specifies that the bills shall be due on the first day of January, April, July and October. Under the old system, no matter when the bills were prepared, it was the usual policy to delay mailing them until a few days prior to their due dates. Under such a procedure, the peak, in so far as the collecting of water revenue was concerned, was reached four times during the year, and covered comparatively short periods, that is, only those periods that extended from the due dates to approximately forty-five (45) days after such dates. The new system, however, provides for the mailing of the bills immediately subsequent to their preparation. It is also proposed to make the due dates approximately fifteen (15) days after the date of mailing. Under such a procedure, of course, it is quite obvious that the payment of bills will be more evenly distributed throughout the year and that no unusual peak periods will be experienced such as those that naturally resulted from the old system.

The new change should also allow for the keeping of a more systematic and satisfactory accounting record of individual accounts as the staggering of due dates will eliminate much of the confusion that existed under the old system during those periods following the quarterly due dates.

The proposed amendments to the ordinances as submitted have been reviewed and approved by the Corporation Counsel.

Respectfully yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

An Ordinance Concerning the Water Division.

Be it ordained by the City Council of Boston, as follows:

SECTION 1.—Chapter thirteen of the Revised Ordinances of 1925 is hereby amended by striking out section four and inserting in place thereof the following: Section 4.—The collector shall, whenever a water rate is paid, immediately notify the commissioner of public works of such payment.

SECT. 2.—Chapter twenty-seven of the Revised Ordinances of 1925 is hereby amended by striking out section twenty-two and inserting in place thereof the following: Section 22.—The commissioner shall have the care and control of all property acquired or held by the city for the purposes of its water supply; shall maintain the same in good order and condition; shall use and operate the same and furnish all supplies required therefor; shall purchase, lay, maintain and test all meters, pipes and other fixtures and appliances necessary for supplying water to the inhabitants of the city, including the placing of drinking fountains and supplying the same with cold water; shall take all measures necessary to protect and preserve the purity of the water; shall exercise a constant supervision over the use of water; shall have control of the water supply and may shut the water off and let it on at such times as he deems necessary; shall, with the approval of the mayor, from time to time determine and establish the rates for the use of water; shall, whenever a water rate has remained unpaid for thirty days after its due date, send notice to the owner or tenant of the premises to which the water is supplied, that if the water rate continues to remain unpaid the water will be shut off and a lien for the amount due established as required by law; shall file the statements necessary to create liens for unpaid accounts; shall, if a water rate is not paid within ten days after sending the notice herein provided for, shut off the water from the particular service unless such action is inconsistent with law or unless, in the opinion of the commissioner and of a physician designated by the city, the shutting off of such water would endanger the life of any person; shall not let on again water shut off for non-payment of a water rate until a service charge of two dollars, in addition to the amount of the unpaid account, is paid except where such a charge is contrary to law, provided, however, that the commissioner may, in his discretion, waive the payment of such service charge where the unpaid account is less than twenty dollars. The provisions relative to the shutting off and letting on of water shall apply when two or more persons take water from the same service pipe although one or more may have paid the amount due from him or them. No charge shall be made for sending the notice herein provided for.

SECT. 3.—Chapter twenty-seven of the Revised Ordinances of 1925 is hereby further amended by striking out section twenty-three, as most recently amended by section one of chapter six of the Ordinances of 1930, and inserting in place thereof the following: Section 23.—The commissioner shall, consistently with the ordinances, make contracts for the sale of water, and send out bills therefor, which shall be payable to the city collector or his duly authorized agent; shall provide that bills for specific supplies of water shall be due and payable in advance and actually paid before the water is let on, that bills for water furnished and measured by meter shall never be less than eight dollars and eighty cents during any consecutive twelve months' period and shall be due and payable on the due date specified on each bill rendered, and that the due dates thus specified shall be so established as to require payments at least as often as semi-annually. All contracts shall also stipulate that an omission to send or a failure to receive a water bill under this section or a notice under the preceding section shall not affect the validity either of the water rate or of the proceedings for its enforcement or collection.

SECT. 4.—Chapter twenty-seven of the Revised Ordinances of 1925 is hereby further amended by striking out section twenty-four, as most recently amended by section two of chapter six of the Ordinances of 1930, and inserting in place thereof the following: Section 24.—The commissioner may designate one of his subordinates to be the head of the water income division, who shall, if the commissioner so directs, make abatements of charges for water where improperly assessed and exercise the powers of the commissioner relative to the shutting off of water for non-payment of a water rate and the waiver of the service charge for the shutting off and letting on of water; who shall also receive all money paid for service charges for the shutting off and letting on of water and all money paid or deposited on account of main, service, fire, elevator, motor and other pipes and the laying thereof and for repair work; shall give a receipt in behalf of the city therefor; shall pay, from the money so received, the amount found by him to be due the person paying any such money, as excess over the amount due the city; and shall, on or before the fifth day of every month, pay over the money in his possession due the city, and account for all money so received by him since the last accounting, as provided in section eighteen of chapter three of these ordinances.

SECT. 5.—This ordinance shall take effect beginning with the first day of April, 1940.

Referred to Committee on Ordinances.

AMENDMENT OF CITY PLANNING BOARD ORDINANCE.

The following was received:

City of Boston,
Office of the Mayor, March 25, 1940.
To the City Council.

Gentlemen,—I submit herewith a proposed amendment to the Revised City Ordinances of 1925 concerning the City Planning Board.

The proposed change increases the membership of this Board from five to nine members, and provides that the membership shall include at least one engineer, one architect and one landscape architect or city planner.

I believe the proposed change will make the City Planning Board a more representative group, and enable the Board to include in its membership experts in various features of city planning. There will be no compensation paid to any of the nine members of the Board.

I respectfully recommend adoption of the proposed amendments to the Revised Ordinances.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
City Planning Board,
March 21, 1940.

Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—On December 16, 1938, your Honor discussed a proposed ordinance increasing the membership of the Board from five to nine members with Mr. Fay and me. The purpose of this ordinance was to strengthen the Board by the addition of qualified members who would be able to assist the Board in its deliberations and preparation of reports that are of considerable value to the municipality. At a meeting on November 24, 1939, it was

Voted, To again recommend the proposed ordinance to Mayor Tobin.

Since that time the ordinance as drafted by the Board has been revised by the Corporation Counsel. The revised ordinance was received by the Board from the Corporation Counsel on February 8. At a meeting on that date the Board

Voted, That the ordinance as drafted by the Corporation Counsel be approved by the Board and referred to his Honor the Mayor by the Chairman.

In accordance with this last action of the Board I am presenting to your Honor a copy of the proposed ordinance which is substantially the same as that previously discussed. While the

phraseology of the proposal has been somewhat altered the intent and purpose remain unchanged.

Yours very truly,

WILLIAM STANLEY PARKER, Chairman.

An Ordinance Concerning the City Planning Board.

SECTION 1.—Chapter twelve of the Revised Ordinances of 1925 is hereby amended by striking out section one and inserting in place thereof the following: Section 1.—The City Planning Department shall be under the charge of a board of nine members who shall serve without pay, at least one of whom shall be a woman. The membership of the board shall, at all times, include at least one engineer, one architect and one landscape architect or city planner. The board as first established shall consist of one member appointed for the term of one year, two members appointed for the term of two years, two members appointed for the term of three years, two members appointed for the term of four years and two members appointed for the term of five years respectively. The present members of the board shall continue to serve until the expiration of their respective terms. All subsequent appointments shall be for the term of five years. The several heads of departments of the City of Boston shall, on request of the board, supply it with all information in their possession useful for its duties.

SECT. 2.—Section one of chapter two of the Revised Ordinances of 1925 is hereby amended by striking out in the fifth line of the second last paragraph from the end of said section relating to appointments of officers for the term of five years, the words—"One member of the City Planning Board"—and inserting in place thereof the words—"One member of the City Planning Board in the years in which the term of one member expires and two members of the City Planning Board in the years in which the terms of two members expire."

SECT. 3.—This ordinance shall take effect on May 1, 1940.

Referred to Committee on Ordinances.

APPOINTMENT BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointment, viz.:

Weighter of Coal: Arthur S. Gorman, 8 Brookdale road, Ward 22.

Laid over a week under the law.

ARC LIGHTS, TREMONT STREET, WARD 9.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works relative to your order of March 11, 1940, concerning the installation of arc lights on Tremont street, Ward 9, from Upton street to Parker street.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department, March 28, 1940.
Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works install arc lights on Tremont street, Ward 9, from Upton street to Parker street, so that this important thoroughfare will have a "white way". This department no longer considers the installation of "white ways" due to the great expense of same.

We have had in mind the necessity of additional lights and, if the street is constructed, we will try to put in additional lights, provided we are able to make a saving in our budget.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

ARC LIGHT, 131 ROXBURY STREET, WARD 9.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works relative to your order of March 11, concerning the installation of an arc light in front of the premises located at 131 Roxbury street, Ward 9.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department, March 28, 1940.
Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public

Works have an arc light installed in front of the premises located at 131 Roxbury street, Ward 9.

I regret to advise you that there is no money available in the budget for additional lights this year. However, if, during the year, a light is removed from some other location the matter can probably then be taken care of.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

ABSENCE OF PUPILS DURING BLIZZARD.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from Miss Ellen M. Cronin, Secretary to the School Committee of the City of Boston, relative to your order of March 11, concerning the absence of pupils from school on the day of the recent blizzard.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
School Committee, March 26, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—The School Committee has received a copy of the order passed by the City Council on March 11, 1940, requesting the School Committee, through your Honor, "to reconsider their action and not mark any children who failed to attend school on the day of the recent blizzard as being absent."

The order probably was intended to cover the day following the blizzard, as on the day of the blizzard there was no school.

The School Committee finds that it will not be possible to count children who were absent on Friday, February 16, present, since they were not actually in attendance.

The Committee trusts to the judgment of the principals and teachers to see that no child is penalized for absence on that day, since many children were unable to reach the schools.

Respectfully yours,

ELLEN M. CRONIN, Secretary.

Placed on file.

BRANCH LIBRARY, EGGLESTON SQUARE SECTION.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from Milton E. Lord, Director of the Public Library of the City of Boston, relative to your order of January 29, 1940, requesting the trustees of the Public Library to consider the advisability of establishing a branch library in the Eggleston square section of Ward 11.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Library Department, March 19, 1940.
Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—To the trustees at their meeting on March 15, 1940, I presented the order passed by the City Council at its meeting of January 29, 1940, requesting the trustees of the Public Library to consider the advisability of establishing a branch library in the Eggleston square section of Ward 11. The trustees were sympathetic to the presentation. They regret their inability, however, to carry through such a proposal, inasmuch as they are not at the present time possessed of funds for expanding the present plant of the library.

Yours very sincerely,

MILTON E. LORD, Director.

Placed on file.

"SLOW" SIGNS, TALBOT AND WELLES AVENUES.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from William P. Hickey, commissioner, Boston Traffic Commission, relative to your order of March 4, 1940, concerning the erection of "Slow" signs on Talbot avenue and Welles avenue, both sides, also "Stop" signs on Welles avenue, entering Talbot avenue on both sides.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, March 22, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated March 4, 1940, which reads as follows:

"Ordered, To have the Traffic Department survey Talbot avenue and Welles avenue, to erect

'Slow' signs on Talbot avenue and Welles avenue, both sides, also 'Stop' signs on Welles avenue, entering Talbot avenue on both sides."

A survey of accidents in Talbot avenue, from Lithgow street to Argyle street, including accidents at and between intersections, shows that there have been only three accidents involving personal injuries in this area during the past four years: 2 in 1936; 1 in 1937; none in 1938; none in 1939.

The accident frequency in this area does not warrant the expenditure of money for the erection of warning signs.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

TRAFFIC LIGHTS, CHARLES AND ALLEN STREETS.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from William P. Hickey, commissioner, Boston Traffic Commission, relative to your order of March 11, 1940, concerning the installation of traffic signal lights at the corner of Charles and Allen streets, Ward 3.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, March 22, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated March 11, 1940, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic signal lights at the corner of Charles and Allen streets, Ward 3."

At the present time there are no funds available to this commission for the erection of traffic signals.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

RECONSTRUCTION OF TREMONT STREET.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works relative to your order of March 11, 1940, concerning the reconstruction of Tremont street, Roxbury, from Massachusetts avenue to Parker street.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
March 23, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works prepare and present for approval of the W. P. A. authorities a project for the construction of Tremont street, Roxbury, in Ward 9, from Massachusetts avenue to Parker street.

Please be advised that it is the intention of this department to reconstruct this portion of Tremont street this year.

About six weeks ago this department notified the Boston Elevated Railway that this department intended to resurface this street and they were asked to include in their budget for the coming year the money necessary to bring their tracks to the proper grade and surface same. To date no reply has been received from them.

If we receive the full cooperation of the Boston Elevated Railway this department can then go forward.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

COASTING SLIDES, WARD 20 PLAY GROUNDS.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from William P. Long, chairman, Board of Park Commissioners, relative to your order of January 29, 1940, concerning the installation of toboggan and coasting slides on the various playgrounds in Ward 20.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, March 16, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I am in receipt of your memorandum of recent date, with inclosure, order

from the City Council, that the Park Commission be requested to arrange for the installation of toboggan and coasting slides on the various playgrounds in Ward 20.

The tobogganing and coasting is now over for the present year.

Every consideration will be given to the councillor's request during the year 1941.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

REMOVAL OF SNOW, SIDEWALKS, BRIDGE AND FERRY DIVISION.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from Thomas H. Sexton, Division Engineer, Bridge and Ferry Division, Public Works Department, relative to your order of March 4, 1940, concerning arrangements for the prompt removal of the snow from all sidewalks under the jurisdiction of his division.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
Bridge and Ferry Division,
March 20, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—Relative to order passed by the City Council March 4, 1940, requesting, through his Honor the Mayor, to arrange for prompt removal of snow from all sidewalks under the jurisdiction of the Bridge and Ferry Division of the Public Works Department immediately upon the termination of future snowstorms, I offer the following.

After snow has fallen it has been the custom of this division to detail men to handle the snow removal on certain bridges which come under the care and maintenance of this department, to the number of about twenty-five. The bridges in the outlying sections of the city have been taken care of by men in the Highway Service, as this division at the present time has only twenty department men available for this kind of work.

There are some of the intown bridges, owned by railroad corporations, which have been allowed to remain uncleared of snow and ice for periods of several days. This has provoked and directed criticism against this division although it is not our responsibility to take care of these bridges. I have taken up with the Law Department the responsibility of removing snow and ice from bridges over the Boston & Albany and New York, New Haven & Hartford Railroads, which bridges are owned and maintained by these railroads, and I feel that this matter will be taken care of by the railroads in the future.

With the limited number of men available for snow removal, we take care at the present time of Broadway Bridge over Foundry street, Broadway Bridge over Lehigh street, Broadway Bridge over the Boston & Albany Railroad, Albany Street Bridge over the Boston & Albany Railroad, Shawmut Avenue Bridge over the Boston & Albany Railroad, and New York, New Haven & Hartford Railroad, Tremont Street Bridge (west side) over the Boston & Albany Railroad, Arlington Street Bridge over the Boston & Albany Railroad, Berkeley Street Bridge over the Boston & Albany Railroad, Columbus Avenue Bridge over the Boston & Albany Railroad, Clarendon Street Bridge over the Boston & Albany Railroad, Dartmouth Street Bridge over the Boston & Albany Railroad, Huntington Avenue Bridge over the Boston & Albany Railroad, Boylston Street Bridge over the Boston & Albany Railroad, Massachusetts Avenue Bridge over the Boston & Albany Railroad, Beacon Street Bridge over the Boston & Albany Railroad, Brookline Avenue Bridge over the Boston & Albany Railroad, West Newton Street Bridge over the New York, New Haven & Hartford Railroad, Massachusetts Avenue Bridge over the New York, New Haven & Hartford Railroad, Gainsborough Street Footbridge, Durham Street Footbridge, Pollen Street Footbridge and Irvington Street Footbridge, all over the New York, New Haven & Hartford Railroad, Beacon Street Bridge over Muddy river, Summer Street Bridges over A, B and C streets, with stairs leading therefrom, and Perkins Street Footbridge in Charlestown.

I have issued instructions to the foremen and subforemen to make every effort possible to comply with the order as passed by the City Council.

Very truly yours,
THOMAS H. SEXTON,
Division Engineer.

Placed on file.

REPAVING ARCHDALE ROAD.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works relative to your order of March 11, 1940, concerning the repaving of Archdale road.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
March 26, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works resurface with smooth pavement the unfinished end of Archdale road and to install tar sidewalks on same.

Please be advised that Archdale road, from South street to Stony brook, will be submitted for approval on a W. P. A. project for construction and the installation of tar sidewalks between the above-named limits this year.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

WILLIAM CARTER PLAYGROUND. WARD 9.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from William P. Long, chairman of the Board of Park Commissioners, relative to your order of March 11, 1940, concerning the William Carter Playground, Ward 9.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, March 20, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of March 18, with inclosure, order of the City Council concerning the preparing and presenting a W. P. A. project for the complete improvement of the William Carter Playground.

Please be informed that an investigation of conditions on this playground will be made by our engineers just as soon as the snow which is piled there disappears.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

BASEBALL DIAMOND, SOUTH BOSTON.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from William P. Long, chairman of the Board of Park Commissioners, relative to your order of March 11, 1940, concerning the installation of a baseball diamond on the grounds adjacent to the Aquarium, South Boston.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, March 20, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of March 18, with inclosure, order of the City Council concerning the making of a baseball diamond on the grounds adjacent to the Aquarium, South Boston, the work to be done as a W. P. A. project.

Please be informed that the matter will be looked into and the amount of the city's contribution toward a project of this kind determined. Investigation will start immediately.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

MARINE PARK IMPROVEMENTS. SOUTH BOSTON.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from William P. Long, chairman of the Board of

Park Commissioners, relative to your order of March 11, 1940, concerning Marine Park, South Boston.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, March 20, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Sir,—I have your memorandum of March 18, with inclosure, order of the City Council concerning the submitting of a W. P. A. project for reseeding the grounds, repairing the dilapidated bandstand, etc., at Marine Park, South Boston.

Please be informed that a project of this kind is now in Washington. It embodies everything the order from the Honorable Council suggests and, in addition, calls for permanent seats, etc.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

SIDEWALKS, HAWTHORNE STREET, WARD 19.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works relative to your order of March 11, 1940, concerning the installation of tar sidewalks on Hawthorne street, Ward 19, between Sycamore and Heathcote streets.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
March 26, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works install tar sidewalks on Hawthorne street, Ward 19, between Sycamore and Heathcote streets.

Please be advised that this street will be submitted on a W. P. A. project for the installation of tar sidewalks this year.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

REPAVEMENT OF WARD 13 STREETS.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works relative to your order of March 11, 1940, concerning the repavement of Downer avenue and Mayfield street, Ward 13.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
March 26, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works repave with smooth pavement the following streets in Ward 13 as W. P. A. projects: Downer avenue, Mayfield street.

Relative to Downer avenue, please be advised that, upon investigation, I find that there is no immediate need of the reconstruction of this street this year.

In regard to Mayfield street, this will advise you that this street will be submitted for approval on a W. P. A. project for reconstruction this year.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

PLAYGROUND SUPERVISION AND CARE.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from William P. Long, chairman of the Board of Park Commissioners, relative to your order of March 11, 1940, concerning playground supervision and care.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, March 20, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Sir,—I have your memorandum of March 18, with inclosure, order of the City Council concerning making an immediate and intensive study into the matter of playground supervision and care, with a view to requesting a much larger W. P. A. quota of personnel and funds in order to adequately direct the various activities.

Please be assured that every consideration will be given the request.

We have at the present time 113 men and 34 girls working under the W. P. A. on our playgrounds besides our Park Department regular employees, numbering about 20, which is a fair organization.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

RESURFACING LEICESTER STREET, WARD 22.

The following was received:

City of Boston,
Office of the Mayor, April 1, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works relative to your order of March 4, 1940, concerning the resurfacing of Leicester street, Ward 22, under the W. P. A. type of construction.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
March 19, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works resurface with smooth paving Leicester street, Ward 22 under the W. P. A. type of construction.

Please be advised that this street has been submitted for approval on a W. P. A. project for reconstruction this year.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Patrick J. Connolly, to be reimbursed for accident which occurred while in performance of duty.

Ethel G. Downing, for compensation for injuries caused by an alleged defect at Bromfield and Province streets.

Economy Grocery Stores Corporation, for refund on awning permits.

Robert H. Finn, for compensation for damage to car by Ladder Truck 24.

John T. Gibbons, for compensation for injuries caused by an alleged defect at Dorchester High School for Boys.

Samuel Gross, for compensation for damage to property at 167 O street, caused by backing up of sewage.

Sidney J. Hegarty, for compensation for damage to car by city truck.

Antonio Laquidara, for compensation for damage to property at 267 Roslindale avenue, caused by blocked sewer.

Francis P. McGloin *et al.*, for compensation for damage to property, Spaulding street, Jamaica Plain, by snowplow.

A. Mortellite, for compensation for damage to car by city car.

Arthur Pepin, for compensation for damage to car by city truck.

Julian M. Pulsifer, for compensation for damage to clothing caused by an alleged defect in City Hall Annex.

William B. Rowe, for refund on building permit.

Walter and Catherine Thornton, for compensation for injuries caused by city truck.

Mary Wedge, for compensation for injuries caused by city truck.

Morris Zimmerman, for compensation for damage to car by city truck.

Executive.

Petition of Katherine L. Haviland for children under fifteen years of age to appear at Jordan Hall, April 14.

Licenses.

Petition of Kendall Goodwin, for a driveway opening at 719 Washington street, Dorchester.

BOND OF BOSTON AMERICAN LEAGUE BASEBALL COMPANY.

The bond of the Boston American League Baseball Company for Sunday sports at Fenway Park was received and approved.

APPOINTMENT OF THOMAS A. FITZGERALD.

Notice was received from the Mayor of appointment of Thomas A. Fitzgerald of 3 Arundel park, Dorchester, to be a member of the Board of Street Commissioners for term ending with first Monday in January, 1943.

Placed on file.

FINANCE COMMISSION REPORT RE SNOW REMOVAL.

The following was received:

City of Boston,
Finance Commission, March 27, 1940.
To the Honorable the Mayor and City Council.

Gentlemen,—The Finance Commission has devoted considerable time in the past month to assembling the facts relating to the work performed by the city's agencies in the grave situation brought about by the St. Valentine's Day snowstorm. The inconvenience suffered for days following that storm by people all over the city in their efforts to carry on their ordinary business was greater than that caused by the hurricane of 1938. Before this storm, few would have believed that any snowstorm likely to visit Boston could so paralyze business. The cost of plowing and removing the snow which fell in that storm and in the one which immediately followed it set a new high record. The magnitude of that cost has shocked the community.

The stories circulated, however unjustifiable, of inefficiency and mismanagement in the execution of the work have spread afar and have injured the reputation of the city and of the city officials entrusted with responsibility in administration of public service.

In this situation the Finance Commission concluded that an unprejudiced review, first, of the conditions which confronted the city during the storm and as a result of the storm; secondly, of the preparation of the city for keeping the streets open to traffic under the circumstances existing; and thirdly, of the manner in which the city coped with the conditions, was necessary and would be of general public interest. Naturally, the motive of the commission was to find out whether or not there was anything in the experience of the city in this situation which would suggest improvement in the methods employed to meet the next emergency of its kind.

In order properly to appraise the city's work, it is necessary to understand the weather conditions attendant upon the progress of the storm over the city exactly as they developed from hour to hour. Most people who were in or near Boston while it raged have impressions, more or less distinct, of what the actual conditions were. It is conceivable, however, that many of these impressions might be at variance. Yet all will agree that the conditions were so severe that most people sought shelter as speedily as possible. Only those whose duty it was to do so stopped to make careful note of the important features of the storm, or to give any attention to the measure necessary to prevent long paralysis of business caused by the volume of snow on the streets.

1. Description of the Storm.

The commission has obtained from the local office of the United States Weather Bureau the official record of the weather for the period within which the storm was developing and was passing over this section. This record shows a light snowfall in the early hours of February 10, but rain and higher temperature in the later hours of that day removed all trace of it. On February 12 and 13 there was no snowfall. Consequently, when the big storm started, the ground in Boston was bare.

On the night of February 13 at 10.30 p. m. the United States Weather Bureau gave notice of "storm warnings from Boston to the Delaware Breakwater." At that time the disturbance which later became our snowstorm was centered over northeastern Tennessee, moving rapidly east by northeast. The official report stated that the winds would reach gale force during the night of the 13th or the morning of the 14th, but on the afternoon of the 14th would be back to north and northwest. This would naturally lead to the assumption that the storm would be over by nightfall of the 14th.

The next official bulletin from the Weather Bureau relating to this storm came on the morning of the 14th at 8 a. m. It read:

"New England storm warnings, 8 a. m., north of Boston to Eastport, Maine. A storm of marked intensity centered over western Virginia at 4.30 a. m. and moving east or northeast will be attended by strong shifting winds reaching gale force today." It will be noticed that in neither of these storm warnings was there mention of snow-fall.

In the early morning of the 14th the 5-mile-an-hour wind blowing at 1 a. m. gradually increased to 13 miles an hour at 6 a. m. Thereafter velocity became hourly greater. The gale promised by the Weather Bureau at 10.30 p. m. on the 13th had arrived over Boston by noon of the 14th.

There were traces of precipitation between 1 a. m. and 8 a. m. of the 14th. These traces then disappeared and it was not until after 1 p. m. that new traces began to appear. Meanwhile the wind had increased in velocity to approximately 40 miles an hour. After 3 p. m. the wind continued to increase. The temperature dropped several degrees below the freezing point. What had been a mixture of light rain, hail and snow between 1 p. m. and 3 p. m., which froze as it fell and gave the ground a coating of ice making automobile driving difficult and hazardous, turned to wet snow at mid-afternoon and was driven by the force of a 40-to-55-mile-an-hour gale into snowbanks and drifts.

The force of the wind cleared the snow from the roofs and deposited it on sidewalks and streets, thus adding to the volume to be cleared. It drove the snow under the hoods of automobiles parked on the streets, ruining ignition systems and forcing temporary abandonment of a surprisingly large number of cars all over the city. Meanwhile snow piled up around the stalled cars, immobilizing them wherever they happened to be, from Wednesday afternoon until Thursday night and Friday morning. The large number of stalled cars and the spots in which they were located made effective plowing impossible and made even the carting of shoveled snow to dumps a very slow process. Trucks and plows brought into the city to help clear out the snow became obstacles in the path of other plows and trucks summoned to aid in the work.

Examining the official record closely, it appears that the precipitation between 1 p. m. and 3 p. m. of the 14th was too light to measure. Between 3 and 4 o'clock the volume of this precipitation increased very substantially. Yet even at that time, according to a forecast by the Weather Bureau to the city officials, the prospect was of only four or five inches of snow.

However, the volume of falling snow continued to increase from 3 p. m. to 11 p. m. of the 14th. The wind continued to blow at practically gale force until well after daylight of the 15th, but at midnight the rate of snowfall began to decrease and precipitation ceased entirely at about 7 a. m.

As indicating the speed at which the snow fell, and that it came mostly after nightfall on the 14th, the official record shows that at 7.30 p. m. on that day there were only three inches of snow on the ground. Yet between midnight of the 13th and midnight of the 14th the total fall of snow was 10.6 inches. This means that in the four-and-one-half hours between 7.30 p. m. and midnight of the 14th more than seven inches of snow fell.

The three inches of snow already covering the ground at 7.30 p. m. augmented by the snow from the roofs was driven by the tremendous wind around and about obstacles in the streets which offered any resistance. As a result the drifts were far deeper than three inches. In fact, the force of the gale was constantly shifting the snow from one place to another. It would no sooner be cleared from a particular spot either by the city's efforts or the vagaries of the wind when the same spot would be filled up again.

The description of the conditions recorded by the Weather Bureau officially gives a fairly adequate picture of the situation generally in the city. That description, as taken from the weather record of the 14th, follows:

"The light flurries which occurred before 3 p. m. caused no unusual conditions. After that time there was rapid accumulation of snow, which with the aid of high winds of gale force, drifted badly and caused increasingly hazardous travel for both pedestrians and motorists. Shortly after 5 p. m. the snow had accumulated to such depth that many cars could make no headway because of bad traffic tangles. Thousands of motorists were forced to abandon cars where stopped by drifts. In various sections of the city street cars were derailed. After 10 p. m. suburban trains were discontinued. Surface cars had been stopped and bus lines could not proceed. A group of thousands of stranded travelers, many of whom had attended the ice show at the Boston Garden, were forced to spend the night at North

Station. The high winds which exceeded 50 miles per hour during the early evening caused blinding conditions and extreme discomfort to those outside."

How the Work Was Planned.

Snow removal service as undertaken in recent years is divided into two types of work, the plowing of streets and the actual removal of snow by city force and by contractors.

(a.) Plowing.

In preparation for the work of plowing, it has been customary for the city in the late fall of each year to make up a list of contractors to whom city-owned plow blades are furnished for attachment to trucks. Plowing routes are established and each contractor who has been furnished a city plow is assigned a particular route. Contractors thus equipped and organized begin their work on telephoned notice relayed from the Public Works Department.

The plowing contractors, therefore, are told when to begin and when to stop, and exactly what routes to follow while at work. As a rule, because of the necessity of keeping the cost of such work as low as possible, the city makes a practice of not calling out the contractors until it is manifest that a substantial snowfall is in prospect. Sometimes this policy, as in the St. Valentine's Day storm, makes the task more difficult than if the plowing started with the storm.

Last fall the plows issued to contractors numbered approximately 180. The routes designated included a majority of the residential streets of the city and all the shopping areas.

Plowing is paid for in accordance with a schedule of hourly rates promulgated by the Public Works Department.

(b.) Removal.

In planning for the removal of snow for the winter of 1939-40 the city outlined eight districts. Beginning on the northern side of the city in Charlestown, these districts included all the downtown area, thence south to Roxbury, and westerly to Massachusetts avenue by way of Beacon and Boylston streets. Proposals for snow removal in each district based on carefully prepared specifications were solicited by public advertisement. The contracts were awarded by districts substantially to the lowest bidder after public competition.

It is a requirement of the agreement made in these contracts that the contractors must provide their own dumps. However, the city reserves the right to designate other dumps; and the agreement also stipulates that the city will designate the areas to be cleaned in each district and the order of their cleaning.

Payment is made on a basis of cubic yardage delivered at a dump and each truck is carefully measured and its capacity in cubic yards of snow when loaded computed.

For each load removed the contractor is given a numbered disk at the loading point. This is exchanged at the dump for a ticket which is stamped with the number of the load. The city's duplicate of the ticket is the city's basic record of snow removed.

The present system of accounting for loads seems adequate to protect the city's interests, if the instructions given to the large number of employees who operate the system are faithfully followed.

Because of the insistence of the business people for a cleaned Washington street and a cleaned Tremont street for downtown shopping and other business, the city gives special storm service along these highways. Almost immediately after snow begins to fall in any storm, city men are at work there. When they have completed their work, usually Washington and Tremont streets and most of the connect-streets are as bare of snow as in midsummer.

How the Work Was Performed.

When it became manifest at about 4 p. m., on February 14 that the snowfall would require more than the minimum effort of removal, instructions were given to the contractors to start plowing at 7 p. m. Because the best information available at 4 p. m. was that there would be only four or five inches of snow, these instructions cannot in the light of subsequent events be criticized as being inadequate.

Soon after that order was issued, the conditions caused by the driving wind became much worse than was anticipated. Drifts had already formed by 6 p. m. and automobiles and trolleys became stalled all over the city. When the contractors tried to comply with the order to begin plowing at 7 p. m. many were unable to reach their designated routes, and those who could soon became stalled either in or behind drifts, or because cars abandoned along the highways made passage impossible. Snowbanks and drifts were impenetrable to any but bulldozers (caterpillar tractors with plow blades attached) of which the city owns

few, and was unable to obtain more in sufficient quantity for several days.

As a result, during the night of the 14th while the storm raged and all through the 15th and 16th plowing was practically at a standstill.

When the difficulties confronting speedy clearance were properly appreciated by the Public Works officials they began to hunt for snow removal equipment of all kinds. Some large plows were borrowed from the Boston Elevated Railway Company. The State sent in a few bulldozers when equipment could be spared from the task of clearing state highways. Contractors all over the State were urged to send trucks, plows and snow-loaders into Boston. However, contractors' equipment was in great demand elsewhere as well as in Boston, and because of this and difficulties in transit, days elapsed before the city could obtain results on a very large scale.

Meanwhile in the business centers the city reported to hand removal of snow. The quotas of 30 to 40 men usually hired by each district foreman and the 300 normally furnished for work in the downtown area were early deemed to be inadequate. The Public Works Commissioner went on the radio and invited all able-bodied men with shovels to report to the nearest city yard. As a result, an avalanche of men, almost as hard to handle as the snow itself, descended suddenly upon City Hall and the various city yards where foremen and inspectors were trying to get the removal of snow under way.

The employment of this extra help and equipment was attended by the greatest confusion. In many instances, the hiring was taken out of the hands of the city officials ordinarily delegated to that task. Members of the City Council, members of the Legislature and others influential in political organizations greatly impeded the work of the regular city executives. They frequently tried to designate the men to be hired for shoveling, the equipment to be hired for removal, and the inspectors and supervisors to be hired for direction of the work.

It is difficult adequately to describe the excitement at the various places where the hiring was done. The first in line were jammed against whatever stood between the hiring officials and the crowds clamoring for jobs; many were trampled upon; much damage was done to city property. At one city yard a ladder was raised against a building and entrance gained through broken windows by men who came late, and who were fearful that all the jobs would be given out before their turn came. An expensive ventilator was partly ripped off the roof of one building in order to force an entrance; men leaped through skylights, windows and doors were forced and often broken to kindling wood; in some instances, paving blocks were hurled through windows, while clerks within were trying to register men.

Approximately 5,000 men were already hired by noon of the 15th when the Public Works Commissioner went on the air to call for more. Almost 10,000 more responded. One half the men reported with shovels, the other half without shovels, and the city had to buy shovels by the thousands to equip them. Once in possession of buttons identifying them as city workers, many of the hired men tried to sell the shovels which were supplied to them to people on the street, to storekeepers, and to householders. Many city officials have complained that politicians seeking special consideration for their friends and constituents delayed and handicapped them seriously in their efforts to organize a force and to direct the work of removal.

As men were hired, they were instructed to report to particular locations for shoveling. Many of them reported where instructed to and then disappeared. In some instances miniature race riots occurred when persons of one nationality started to work in a section in which persons of another nationality predominated. Because all the regular city employees whose ordinary work qualifies them for supervision of snow removal work were rushed into the contract districts to supervise and check the contractors, there were none left to take charge of the gangs hired by the city. It was necessary to take individuals out of each of these gangs and impose on them the duty of directing the work of removal, and of supervising and checking snow shovelers and hired trucks. Many of these emergency supervisors lacked experience and, therefore, were unable to supply intelligent direction.

Because of the scarcity of equipment available in the first forty-eight hours after the storm, hundreds of men already under pay at 62½ cents per hour were idle while waiting for trucks into which they might shovel snow. Many loaded on their shovels even when equipment was available. There were so many men hired and so little organized direction of them, and the gangs, in many

places, were so large, that shovelers were constantly in each other's way. In one instance the Commissioner of Public Works found 300 men accomplishing so little that he ordered them immediately discharged. On another occasion approximately 100 were discharged for the same reason by another city official. The city received little or no services for many thousands of dollars paid out in wages when, or because, the few trucks available for carting the shoveled snow away became stalled in transit, or, as happened in many places, were unable to move from the spot in which they were loaded.

There was confusion about dumping places. Removal had been in progress for many hours before many of the dumps became accessible to loaded trucks. The drifts and the stalled automobiles and the traffic pouring into the city, despite the condition of the streets, clogged the roads to dumps. At one time on the afternoon of the 15th sixteen trucks loaded with snow were stalled along the approaches to the big dump on Dorchester avenue near the South Station.

An illustration of the incapacity of many of the emergency foremen or supervisors was furnished in an incident in Post Office square. More than 100 men waited for a truck into which they might shovel snow while a truck loaded with shovels was parked among them. The shovels on the truck were intended for another gang of shoveling recruits. The foreman in charge believed he must wait until the new recruits came to release the truck for snow removal.

The following table showing the daily number of men employed and the ratio of men to trucks furnishes striking evidence of the over-supply of man-power in the early days of the storm.

DATE.	Number of Trucks Hauling.	Total Number of Men.	Men Per Truck.
Feb. 15.....	195	9,663	49.5
16.....	387	10,681	27.5
17.....	361	11,858	32.8
18.....	388	10,454	26.9
19.....	442	5,009	11.3
20.....	361	4,387	12.1
21.....	415	4,731	11.4
22.....	431	4,194	9.7
23.....	268	1,517	5.6
24.....	320	2,320	7.2
25.....	317	2,016	6.3
26.....	140	907	6.4
27.....	130	942	7.2
28.....	129	992	7.6
29.....	102	964	9.4
March 1.....	103	1,048	10.1
2.....	108	1,160	10.7
3.....	101	552	5.4
4.....	117	1,070	9.1
5.....	116	1,112	9.5
6.....	136	1,128	8.2
7.....	7	26	3.7
8.....	7	53	7.5
9.....	7	53	7.5
10.....	7	53	7.5
11.....	7	53	7.5

The proportion of twenty-five men or over to a truck does not tell the full story. For the first four days following the storm, trucks moved slowly. Of the time consumed in a round trip between 50 per cent and 70 per cent was spent in transit. During this time the shovelers drifted to other trucks in process of being loaded with the result that each truck was surrounded by a swarm of men. Only a small proportion of them could get near enough to shovel snow into the truck, and the others stood idle or vaguely shoveled snow into piles in the hope that it could thereby be loaded on the next truck with a slightly increased efficiency.

In the downtown area, the city spent \$186,000 for emergency shovelers and approximately \$22,000 for emergency equipment (trucks and snow-loaders). From State street to Essex street is a contractor's district, and the city's emergency shovelers merely supplemented the contractor's work by caring for Washington and Tremont streets and some of the streets between, and places like Post Office square, Scollay square and Dewey square.

The expenditure of \$208,000 in the downtown area for emergency men and emergency equipment, which is only approximately half the actual cost when regular service costs are added, stands in bold contrast to a total cost of \$289,000 paid to contractors in the eight contract districts.

The cost of removal per yard by the city forces is not obtainable, because no record was kept of the yardage of snow removed. Estimates of the cost run all the way from \$2 per yard to as high as \$25. There is no doubt that some yardage removed cost even higher. The rate paid to contractors averaged 40 cents per yard.

Contract Removal.

There was no such confusion in snow clearance in the districts where the work was performed by contractors. The contractors worked efficiently and the cost per yard was but a fraction of the cost in those places which the city undertook to clear with its own hastily mobilized force.

Contractors are paid per cubic yard of snow removed. Consequently, they make more profit if their men work speedily. They re-

quire fewer men and units of equipment than the city itself. Also, it is to their advantage to remove the snow before it hardens. Generally contractors relied on mechanical snow-loaders, using only enough hand-power to feed the machines. Where a contractor is paid according to the yardage removed, his trucks do not loaf en route to dumps and his men are adequately directed and supervised. The prices for contract removal necessitate capable and efficient handling of the work.

In some instances it was found that loads brought to the dumps by contractors were not all they should be. The tailboards of the trucks were missing or the trucks were only partly loaded. Complaint of this shortcoming brought speedy remedy. Inspectors refused credit for such loads.

The city's system of counting and measuring loads was adequately manned. It is difficult to defeat the purpose of the system because of the various cross-checking steps contained in it.

In contrast with what was happening in areas where the city's emergency force was at work, it was noticed in contract districts where hand shoveling was the method employed that an average of seven or eight men to a truck sufficed, not the thirty or forty or fifty used by the city.

The contractors who had obtained the awards in the December competition were seven in number, one contractor being given two districts.

The contractors, the amount of snow they removed, and the amount paid to them for their work are disclosed in the following table:

DISTRICT.	Contractor.	Approximate Yardage.	Price Per Yard.	Approximate Payment.
1.....	Baker & Co.....	81,000	\$0 40	\$32,400
2.....	Frank J. Jacobs Company.....	65,000	44	28,600
3.....	J. J. Callahan.....	135,500	34	46,070
4.....	John Deveney & Co., Inc.....	131,556	42	55,253
5.....	Ward General Contracting Company.....	69,027	41	28,301
6.....	Edward M. Matz, Inc.....	74,400	44	32,736
7.....	Walter Reed Corporation.....	43,475	38	16,520
8.....	J. J. Callahan.....	16,198	43	6,965
5 [†]	Coleman Brothers Corporation.....	59,610	44	26,228
†.....	Albert P. Dooley.....	11,385	43	4,895
†.....	Joseph P. McCabe, Inc.....	13,306	43	5,721
1*.....	C. J. Maury.....	14,500	40	5,800
	Total.....	714,957	--	\$289,489

* Supplementary to contractor awarded district after competitive bidding.

† Assigned outside contract districts.

Early in the work of removal the city officials decided that the regularly designated contractors would need help. In some instances emergency men and equipment hired by the city were rushed into a district and took over portions of the work. In four other instances, as shown in the foregoing table, other contractors were employed on an emergency basis. In one case the emergency contractor declined to give service for the price fixed in the earlier award of the contract for that district. He was permitted practically to fix his own price. Later the Public Works officials discovered that he had selected an area for removal which had not been assigned to him. It was very handy to a snow dump which permitted speedy unloading of snow, and consequently gave opportunity for quick piling up of yardage removed. When the city officials discovered that this contractor had thus taken things into his own hands, his employment was discontinued.

The best estimate obtainable today of the cost of the snow-removal service occasioned by the St. Valentine's Day storm and the one which immediately followed it reveals a total expenditure of \$1,094,965. The items which make up this total are as follows:

Emergency men.....	\$483,297
Hauling.....	150,000
Plowing.....	130,000
Contracts.....	† 281,539
Overtime.....	33,299
Miscellaneous.....	16,830
	\$1,094,965

* Does not include the work in one district where the prices are in dispute. The cost in this one district will add approximately \$5,800 to the total.

It must not be taken for granted that this figure pays for all the work that was performed. The total would be substantially increased if the amount paid out of W. P. A. funds could be obtained, and the amount represented by labor furnished by welfare recipients, and by regular city employees whose time was given to the work but are paid out of regular department appropriations.

Conclusion.

There are two principal causes for the substantial increase in the cost of snow removal by the city in the past decade. The first is that since the automobile came into general use the area in which the city undertakes either simply to plow snow, or first to plow and then to remove the snow, has been gradually extended year by year until now it includes almost every street in the city on which people live or carry on business. The second is that the removal of snow, as distinct from the plowing of snow, is now on such a lavish scale that, allowing for a little exaggeration, it might be described as "polishing" the streets.

In quantity and in quality, therefore, the service is now many times greater than what many have become accustomed to "in the good, old days." City officials past and present are not wholly to blame for this expansion of a service which is very expensive, when necessary. If a single street is overlooked in the plowing or if drifted snow impedes easy movement of traffic in any street for twenty-four hours, city officials will hear of it from irate residents or shopkeepers who want to know why such-and-such a street was plowed or cleared and not their particular street.

Because of demands following almost every great storm of the past—sometimes by individuals of prominence socially or in business,

sometimes by neighborhood organizations, and sometimes by public officers or aspirants to public office—expansion of the service has taken place over the years in piecemeal fashion. Apparently, there has never been a serious and scientific study of the question, "To what extent will the city give service in removal of snow?"

In the "horse-and-buggy" days the city made a practice of using its own street or Public Works Department force for partial clearance of snow from such largely traveled arteries as Washington and Tremont streets between Scollay square and Adams square on the north and Boylston and Essex streets on the south; and in the clearing of crossings, many public squares and the area in front of public buildings. Occasionally, also, when the volume of snow on the ground was great enough to warrant it, the regular force would assist in clearing the street in front of churches and other private buildings where large numbers of people congregate and in front of hospitals and fire stations.

When plowing of streets began, it was confined largely to the main arteries. Horse-drawn vehicles were slowed up by snow, but seldom completely stopped. However, since the automobile came into general use, home owners who feared the danger of fire when streets were inaccessible to motor-driven fire apparatus, and many who found it difficult to drive their automobiles from plowed main arteries to their dwellings on side streets, eventually forced the city to increase the scope of its plowing. The city now undertakes to plow all streets.

Partial removal of snow from the main thoroughfares downtown had its beginning in fairly modern times. Now complete removal is attempted in most shopping areas and on the heavily traveled routes to shopping areas.

The demands of the work eventually outstripped the capacity of the city's regular forces. It became necessary to divide the areas to be cleaned into districts, and to give the work of removal to contractors selected in public competition. The current method of making awards of these contracts is not entirely satisfactory.

Whether or not the competition is entirely free of collusion or manipulation is a matter of doubt. It is significant that each administration has its group of favored contractors, which usually dominate the awards. Requirements of the bidding, such as that each contractor must file satisfactory statements of financial condition and list of equipment available, are used more effectively to exclude certain unprivileged contractors than as guarantees that others to whom contracts are awarded are capable and reliable.

The defect in public competition for this particular work is that it invites contractors who do not measure up to the standard required to come into the bidding, many of whom often offer prices which experts know will not allow for cost of reliable service and fair profit. City officials hesitate to pass over this type of bidder even when good judgment would dictate it. The fear of the public criticism which might follow counts for more with them than the fear that the contractor cannot give satisfactory service at the price offered.

Nevertheless, removal of snow by contract has not turned out badly. The city does not rely too heavily on the honesty of snow contractors. It would be a mistake if the city did rely wholly on them. A few years ago the Finance Commission exposed practices by contractors by which the city was being mulcted of many thousands of dollars in every snow removal emergency. A new system of measuring the snow removed has been developed since that exposure. After carefully observing its workings, the Finance Commission agrees with the Public Works Department officials that it is difficult to circumvent the features of the system which are intended to prevent cheating of the city.

The efficacy of the system was tested in the February storm when an unidentified group went about the city offering to sell slugs stolen from a city yard which are used as credits for the loads removed. A Finance Commission representative was informed that none of the contractors would buy them because they all knew that the cross-checking features of the system would detect any fraud.

The work of removal in the contract districts was satisfactorily speedy and efficient, and the cost fair. As shown previously in this report, the work performed by the city's emergency force was inefficient and unjustifiably expensive.

It is doubtful if snow removal by city hired men can ever attain the efficiency of the contract removal method. The officials who have direct responsibility in this work have positive conviction that contract removal is better and cheaper for the city.

A large force of snow shovelers hastily mobilized by the city, many of whom are interested more in the amount of money they can obtain for their time than in the ac-

complishment of the purpose for which they are hired, requires close supervision and intelligent direction. The city does not carry on its roster of employees enough trained supervisors to direct all the work which is attempted in snow clearance by men hired by the city.

Snow shovelers hired in an emergency for a few days' or nights' work cannot be controlled by city bosses as well as when employed by contractors. Equipment hired by contractors must be serviceable and must render service commensurate with its cost. In contrast, much of the equipment hired by the city proved inefficient or inadequate when put to the test. Contractors' men were not found hiding in lunchrooms or taverns on time for which they were being paid. Shirking by men hired by the city was open and flagrant. Shovels and other equipment furnished at the expense of the contractors is carefully checked and accounted for at the end of each day's work. The city lost 1,500 shovels in the first few days of the emergency.

The experience of the city, therefore, in this storm points strongly to the conclusion that snow clearance will cost the city less and be most efficient if the actual removal is left to contractors. So long as contractors are paid for yardage removed, and so long as the present system is administered with its present efficiency, the utmost in removal will be done in the shortest possible time. The task of the city will be simply to supervise the contractors and check their accounts. This the city can do satisfactorily without great extra outlay.

The number of men regularly employed in the Public Works Department who have had adequate experience in snow clearance work is being constantly reduced because of the insistence on a no-hiring policy in instances where positions become vacant by death, pension, resignation or the like. Contract removal has, therefore, been forced on the city.

Whatever be the method of removal adopted, attention must be given to working out a plan to restrict automobile traffic in storm emergencies. The hindrance to plowing caused by stalled cars, which has been described in the earlier part of this report, could hardly have been prevented in this particular storm. It furnishes, however, a warning as to what is likely to happen in the next blizzard, and to what—if adequate storm warning can be given—can be prevented for the future.

Marooned automobiles, however, did not give the snow removal forces their greatest difficulty. As previously stated, one of the main reasons for the abnormal proportion of idle shovelers observed in the first days after the storm was the delay occasioned in the transit of the trucks to and from dumps. Though in part caused by the failure of the Public Works Department initially to clear the streets in the neighborhood of, and leading to, the dumps, this delay was also due in large part to a steady flow of automobiles and trucks over the single lanes in those approaches and to the fact that cars were freshly parked without regard to the exigencies of the situation and without protest along these approaches. A striking illustration of the difficulty thus caused was furnished on the Friday afternoon following the storm when congestion in that part of the city between Scollay square and the Charlestown Bridge forced complete cessation of snow removal work until after the close of business hours.

Recommendations.

The Finance Commission recommends as a first step in the establishment of a comprehensive system of giving required service in snow emergencies, that the Public Works officials divide the whole city into districts; and, having in mind how much the city can afford to spend on snow removal, that it be determined to what extent service will be rendered in each district.

Basing opinion on the defects observed in the present system of obtaining bids, the commission recommends that the contractors selected and the prices paid be determined after careful investigation of the physical plant, owned or available, the financial resources and the reputation for efficiency and fair dealing of contractors who would be considered eligible.

Since snow clearance is an emergency, the commission recommends that full advantage be taken of the entire staff of city employees in developing an organization which will provide complete service as required in any storm. This does not mean that every employee shall hold himself or herself ready for shoveling duty. There are many other types of tasks involved.

Because of the scandalous conditions which will naturally be present in every instance where the city relies on a large force recruited hastily overnight for short time work, the commission recommends that removal by contract be the basis of plans for the future.

In writing contracts, the commission recommends that the city reserve to itself the right to designate the dumping places. The commission would point out in this connection that this task should be performed before the contracts are awarded.

The commission recommends that, inasmuch as speed is important in snow removal, careful study be made of the possibilities for dumping in each district. The objective should be to designate dumps which can be quickly reached.

The commission recommends that plans be worked out in detail with the Traffic Commission and the Police Commissioner whereby a set of emergency rules can be evolved and promptly applied upon the heralded approach of any future storm of blizzard proportions. These plans should contemplate the complete elimination of parked cars on main thoroughfares in the hours preceding such a storm, so that plowing can be carried out therein, and adequate warning broadcast to motorists and taxicab and truck companies of the possibility of an immobilizing snowfall. They should also contemplate temporary prohibition of all but the most necessary traffic upon certain streets leading to dumps so that the snow trucks can pass with the minimum of delay between the loading places and the nearest available dumps.

The commission recommends that the contracts for snow removal in the future contain a price for removal of snow by hand shovelers distinct from the price when mechanical equipment is used. Since the commission recommends removal by contract to replace all removal by city labor, it is necessary to have in mind that on some occasions when removal is necessary, it cannot be done by mechanical equipment. When the snowfall is light, removal must be by hand shovelers. The low price per yard which the city obtains now is based on the implied requirement of the present contracts that mechanical equipment will be used. Hand shoveling of snow is usually more expensive. If all removal is contracted for at one price, contractors must obtain a price which will fit all occasions. This price would undoubtedly be greater in some instances than a fair price for the work as performed.

The commission recommends that it be written into the contracts that the Public Works Commissioner shall decide the method of removal.

Appreciation.

In the foregoing recital of the conditions which the city faced in the big storm and of the quality of the efforts to meet the situation, the shortcomings of the city's agents may have appeared most conspicuous. Therefore, it is due many regular city employees and emergency men to say that they gave service to the limit of their endurance. In many cases it meant forty to fifty hours continuous service. In some it meant four to five days of constant toil without adequate rest. The executives of the Public Works Department and the regular employees responded to the emergency as part of their regular duty without extra compensation.

Respectfully submitted,

CHARLES M. STOREY, Chairman,
JAMES E. MAGUIRE,
DAVID LASKER,
JAMES H. FLANAGAN,
ELIAS F. SHAMON.

The Finance Commission.

Placed on file.

REPORT OF COMMITTEE ON LICENSES.

Coun. FISH, for the Committee on Licenses, submitted the following:

Report on petition of Mabel Burt Davis (referred March 18) for driveway opening at 890-896 Cummins Highway—recommending that leave be granted.

Report accepted, leave granted under usual conditions.

SOLDIERS' RELIEF.

Coun. ENGLERT, for the Committee on Soldiers' Relief, submitted report recommending passage of order for payment of aid to soldiers and sailors and their families in the City of Boston for the month of March.

Report accepted; said order passed.

CONFIRMATION OF EXECUTIVE APPOINTMENT.

President GALVIN called up, under unfinished business, No. 1 on the calendar, viz.: 1. Action on appointment submitted by the Mayor March 25, 1940, of Vincent Roscio, to be a Weigher of Coal.

The question came on confirmation. The appointment was confirmed, yeas 18, nays none.

INFORMATION REQUESTED FROM FINANCE COMMISSION RE SNOW REMOVAL.

Coun. KELLY offered the following:

Ordered, That the Boston Finance Commission be requested, through his Honor the Mayor, to furnish the City Council with more specific information regarding impeding of the work of city officials, the designation of men to be hired for shoveling, the equipment to be hired, and the appointment of inspectors and supervisors to be employed in connection with recent snow removal work.

Coun. KELLY—Mr. President and members of the City Council, my reason for introducing this order is on account of the article that appeared on all of the front pages of the Boston Sunday newspapers yesterday in the report of the Boston Finance Commission on our recent snowstorm.

"The Boston Finance Commission in an unprejudiced report on the St. Valentine Day storm and the snow removal problem that followed it gives a clean bill to Boston city officials and criticizes members of the Boston City Council, members of the Legislature, and persons influential in political organizations, for impeding the work of city officials, trying to designate the men to be hired for shoveling, the equipment to be hired for removal, and the inspectors and supervisors to be employed in the work."

At the outset let me state here, I have every reason to believe in the honesty and integrity of every member of this Honorable Body, and it was very amusing for me to read the report of the Boston Finance Commission on the recent snowstorm. In the early part of 1939, after there was much confusion about the way the foremen of the various city yards were distributing out the work for the men to be hired for shoveling snow, I introduced an order into the Boston City Council that the councilors again be allowed to distribute the snow buttons in all future snowstorms as they had done previously. At that time I claimed that I knew the married men who were in need of work in my ward better than the foremen of the city yard and I also knew the married men who would bring home the money that they would make shoveling snow in place of the others who would only spend it in the barrooms. I also said at that time that this would be a much better way of distributing snow buttons, as each councilor would be assured that the men he put to work were at least residents of his own ward and were at least men in need of work. I still feel the same way about this at this date. The City Council, however, in its wisdom last year voted against my order. In the early part of this year Councilor Shattuck introduced an order asking the Corporation Counsel, Mr. Parkman, to rule on the legality of City Councilors distributing snow buttons to people in their own wards who were in need of work. Mr. Parkman, Corporation Counsel, ruled that it was illegal for City Councilors to distribute buttons to persons in their own wards who were in need of work. I thought at that time that that definitely done away with any City Councilor having any more buttons in connection with any snowstorm. But we did find things handled in a very different manner last snowstorm. I informed hundreds of married men with large families in my ward who came to my home pleading for a chance to go to work shoveling snow for an honest day's pay that the councilors did not have anything more to do with giving out snow buttons for snow work but that it was entirely handled by the foreman of the city yard on Hancock street, but I was more than surprised to find out that there were many more snow buttons distributed in my ward by persons other than the foremen of the city yards even after the ruling of the Corporation Counsel that it was illegal for anybody to have snow buttons in their possession. I thought that I understood at that time that the foreman of the city yards, and they alone had the full say of hiring the men who were to work on the snow. I introduced an order about a month ago asking the Commissioner of Public Works to inform the members of the Council the names of all persons who distributed snow buttons the last snowstorm outside of the foremen of the city yards who were supposed to have the only buttons. At this late date I have not received any reply. As regards the members of the City Council putting inspectors to work on the snow I might reply to the members of the Boston Finance Commission that the Commissioner of Public Works, Mr. Hyland, in the early part of January sent a letter to each of the twenty-two members of the City Council asking the councilor if he would kindly send him three names who would be used as inspectors in the event of a snowstorm. At that time, in the commissioner's opinion, he said he thought there would be about sixty-six inspectors needed and he also thought that if every councilor sent him three names, as he

suggested, this would insure every part of the city getting an equal number of inspectors. I imagine that each councilor did send in three names at the request of the commissioner some time in the early part of January. My own three names were three married men with large families who were in drastic need of employment. If the Boston Finance Commission calls this designating inspectors, I will have to disagree with them as the councilors were only complying with the request of the Public Works Commissioner in trying to help him solve this problem. I wonder if the Boston Finance Commission blames the members of the City Council for thousands of names being on the pay roll of the City of Boston who never shoveled snow during the last snowstorm. Why did they not mention this in their report? Why didn't the Boston Finance Commission mention about the thousands of dollars that was uncalled for by people whose names were put in for work—by whom?—but who, for some unknown reason, forgot to call for their money that was supposed to come to them for work that they never did. Personally I, as a City Councilor of Boston, representing Ward 15 in the Dorchester district, did not put one man to work shoveling snow but left it in the hands of the foreman of the city yard at Hancock street, Dorchester, where I understood was the only place in Dorchester where they could receive snow buttons in order to enable them to go to work shoveling snow. I am also not interested in any contractor in the City of Boston. The average man and woman in any ward would think, by reading the front page of Sunday's newspapers, that all the members of the City Council were in the contracting business and were responsible for impeding the work and removing the snow, and so forth. I wonder why the members of the Boston Finance Commission gave out this report of the last snowstorm in order to try to fool the fair-minded people of Boston instead of giving out the true and unprejudiced report that they claim they gave them and inform the taxpayers of Boston what really did take place instead of trying to throw the blame on all of the members of the Boston City Council.

The order was referred to the Executive Committee.

Coun. COFFEY—Mr. President, is the subject matter still open for debate?

President GALVIN—The order has been referred to the Executive Committee. The gentleman may speak by unanimous consent.

Coun. COFFEY—Then, Mr. President, I ask unanimous consent. (No objection.) I have not had time to go over all of this report of the Finance Commission, but, as far as I have got, instead of being a report in regard to the recent snowstorm, it seems to me to be nothing but a report from the Weather Bureau. The gentleman from Ward 15 (Coun. Kelly) refers to the fact that he, as well as other members of the Council, was given the right to name three inspectors. I, I suppose like other members of the Council, did name three inspectors who should go on. But I think, in view of what we have heard today, that the Finance Commission should be summoned here for questioning. I would like to ask a few questions. I would like to ask why, as a result of the investigation I suggested, the Finance Commission did not make a report on that order. I introduced right after the snowstorm. As a matter of fact, it has not been mentioned as yet, except that we have been informed that some \$58,000 was not called for by men who put in six, seven or eight different names of men who were supposed to be working on the snow removal. Those men were evidently stopped from applying for that money in view of the publicity arising from my order, calling attention to the fact that that sort of thing was going on. As a result of a personal investigation, a foreman tells me that the men hired to shovel snow in the different districts, instead of being paid by cash, were paid by check, with the resulting saving of the \$58,000 through not paying those who, under the circumstances, did not care to apply. If it had not been for my order, there would have been nothing to prevent men coming in and claiming under forty different names, instead of under even eight or nine. But due to the action taken by Coffey, payment was made by check and that sort of thing was prevented. I would move, however, that we bring Mr. Cumfitt, the secretary of the Finance Commission, here at our executive meeting this afternoon.

President GALVIN—The order has been referred to the Executive Committee, and the matter will be taken up in the Executive Committee.

RESURFACING OF WARD 6 STREETS.

Coun. SCANNELL offered the following:

Ordered, That the Public Works Commissioner be requested, through his Honor the

Mayor, to resurface with smooth pavement, as W. P. A. projects, the following-named streets in Ward 6:

Silver street, East Sixth street, West Fifth street, West Fourth street, East Fourth street (Ward 6); B street, East Second street, East Seventh street (Ward 6); N street, West Seventh street (Ward 6); and install bituminous sidewalks on Farragut road, East First to East Sixth streets; and Columbia road, O street to East Seventh street (Ward 6).

Passed under suspension of the rule.

SIDEWALKS, WARD 6.

Coun. SCANNELL offered the following:

Ordered, That the Commissioner of Public Works be requested to construct artificial stone sidewalks in place of the present sidewalks on the following streets in Ward 6:

B street, West Broadway to West First street; West Fourth street, between Dorchester avenue and D street; Silver street, D street to No. 225, west of E street; West Fourth street, Dorchester avenue to Bridge abutment; West Sixth street, Dorchester street to E street; East Fifth street, between I street and K street; East Fourth street, Dorchester street to K street; East Second street, Dorchester street to K street; East Seventh street, N street to Columbia road; N street, East Broadway to East Fourth street; West Seventh street, E street to Dorchester street; O street, First street to Columbia road.

Passed under a suspension of the rule.

BOSTON ELEVATED DEFICIT.

Coun. TAYLOR offered the following:

Ordered, That his Honor the Mayor be requested to refuse to pay the City of Boston's share of the Boston Elevated Railway deficit. In order that the validity of the Public Control Act be tested by the Supreme Court.

Coun. TAYLOR—Mr. President, in this Council Chamber last week we discussed at very great length the tax rate of the City of Boston and the elements entering into that high tax rate. We discussed the various people who came before our Committee on Appropriations on the budget and the various organizations which demanded that the tax rate of the city be reduced by cutting down the expenses of the city, particularly the salaries of city employees. These same gentlemen have not at any time made one move in an honest attempt to cut down the tax rate as it is affected by different factors entering into it. For example, we have imposed by the Legislature upon the body of the City of Boston such a cancerous growth as the deficit arising under the Boston Elevated Public Control Act. That deficit which we have to meet in this city amounts to over \$2,000,000 a year, and if the city did not have to pay to the Boston Elevated Railway Company stockholders that amount the tax rate of the city would be reduced to the same figure as that of last year. On April 17 of last year I brought this matter up in a similar way, having the very same purpose in mind. It is about time that something should be done in this matter of the Boston Elevated Railway Company deficit, something concrete. Some people may think it is all right to cut down the wages of city employees in order to allow the stockholders of the Boston Elevated to wax fat on their dividends every year, at the expense of the City of Boston, but I think most of us do not agree. In my opinion, the Public Control Act is unconstitutional. I don't think the Legislature of Massachusetts has a right to slap onto the backs of the people of the City of Boston and a few other smaller surrounding cities and towns this great burden in order to fill the pockets of Elevated stockholders. But until something is done to prove the act unconstitutional, we will continue to make these payments. If the Mayor of Boston refuses to make this payment, the validity of the act may then be tested, and if he does not refuse, I am sure that somebody will take the initiative and bring a bill in equity to compel the city to refuse to make this payment, thus putting the question before the Supreme Court of Massachusetts, who can then pass definitely on the question of the validity of the act. Certainly, something of this sort should be done in order to relieve the taxpayers of Boston and of the surrounding communities of this terrific burden.

Coun. FISH—Mr. President, while possibly my mind is not quite as keen or alert as some of the lawyers in the Body, I had myself proposed to introduce such a measure at a later date. I am not going to elaborate on the remarks of the councilor except to say that I

believe 95 per cent of the people of Boston believe with us that the act is unconstitutional. I know, for one, that I am going to vote against any measure that commits the city to the payment of this deficit.

The order was passed under suspension of the rule.

FOOD STAMP PLAN FOR BOSTON.

Coun. GOODE offered the following:

Resolved, That the City Council of Boston heartily indorses the efforts of Mayor Tobin in endeavoring to obtain the Food Stamp Plan for the City of Boston.

Coun. GOODE—Mr. President, Mayor Tobin's effort to bring the Food Stamp Plan to Boston should be more fully appreciated. Business men agree that it is the most progressive and sensible idea to come out of the New Deal. Congress will undoubtedly try to expand the idea this session, and more money will be voted for food stamps. Certain technical bugs will have to be exterminated in order to have the plan work here, but the Mayor and the Welfare authorities believe that this can be done. The Food Stamp Plan is an attempt to work off food surpluses which undermine the farmers' prices. Instead of going to commodity warehouses, as recipients do now in Boston, they go directly to the grocer. In other words, instead of the Government competing with the food trades by distributing free surplus foods from the commodity stations, the welfare recipient with the stamps goes to the grocer for these same foods. The relief families get \$1.50 in trade at any grocery store for every one dollar spent for food. The plan affords them 25 to 35 per cent in additional purchasing power. For the poor of the city it means a more adequate food allowance and a balanced diet in fruits, vegetables, butter and eggs. Many school children suffer from malnutrition. Most of these children come from relief families. What a blessing the Food Stamp Plan would be for the poor of Boston, and, incidentally, many more clerks will be employed to help in grocery stores.

The resolution was passed under suspension of the rule.

RECESS.

The Council voted at 2.59 p. m., on motion of Coun. LANGAN, to take a recess subject to the call of the Chair. The members re-assembled and were called to order at 3.30 p. m.

Coun. HUTCHINSON in the chair.

EXECUTIVE COMMITTEE REPORTS.

Coun. LANGAN, for the Executive Committee, submitted the following:

1. Report on petition (referred today) of Katherine L. Haviland for children under fifteen years of age to appear at Jordan Hall, April 14,—recommending that leave be granted on usual conditions.

Report accepted; leave granted on usual conditions.

2. Report on message of Mayor and order (referred March 11) authorizing Commissioner of Public Works to sell to highest bidder cast-iron pipe not required by department—that same ought to pass.

Report accepted; said order passed.

PAYMENT OF SNOW REMOVAL WORK BY CHECK.

Coun. COFFEY offered the following:

Ordered, That as a result of the saving to the city in connection with recent snow removal work, the City Treasurer be requested, through his Honor the Mayor, to continue to pay all persons engaged in this type of work by check.

Passed under suspension of the rule.

CLEANING OF EAST BOSTON STREETS.

Coun. COFFEY offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to immediately clean all streets in the East Boston section.

Passed under suspension of the rule.

IMPROVEMENT OF EAST BOSTON PLAYGROUNDS.

Coun. COFFEY offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to take immediate steps to clean, grade, etc.,

all playgrounds in East Boston, as a W. P. A. project, in order that they may be available for use as soon as possible.

Passed under suspension of the rule.

LIGHTING CONDITIONS, CLEVELAND PLACE, WARD 3.

Coun. RUSSO offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to make a survey of lighting conditions on Cleveland place, Ward 3, and arrange for additional lighting on that street.

Passed under suspension of the rule.

COLUMBUS STADIUM AND STRANDWAY PARK IMPROVEMENTS.

Coun. LINEHAN offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to arrange for the cleaning and grading of Columbus Stadium and Strandway Park, repair of locker building, etc., in order that they may be available for use as soon as possible, the work to be done as a W. P. A. project.

Passed under suspension of the rule.

RESANDING SOUTH BOSTON BEACHES.

Coun. LINEHAN offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to arrange for the resanding of the beaches in South Boston as a W. P. A. project.

Passed under suspension of the rule.

WILLIAM CARTER PLAYGROUND.

Coun. D. F. SULLIVAN offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to immediately remove the snow which was dumped on the William Carter playground by persons engaged in snow removal work for his department, and to put the grounds and fences back in their original condition, in order that the playground may be available for use at the earliest possible opportunity.

Coun. D. F. SULLIVAN—Mr. President, that order requesting the Commissioner of Public Works to immediately remove snow which was dumped on the William Carter Playground by persons engaged in snow removal work for his department may seem a little irregular, but the necessity for it arises from the fact that the department in removing snow from the streets dumped it on this playground, and if there is not a clean-up and the grounds and fences are not put back in their original condition, the playground will not be available for use in the immediate future. This work is important because it is desirable that the William Carter Playground be put in first-class shape for the coming season. The Park Department proposes to make a survey, as a W. P. A. project, as soon as the snow disappears. There is enough snow there now to last a couple of years, certainly until next year's storms, and it is, of course, seriously handicapping the Park Commissioner in having the playground placed in proper condition. I certainly trust that we will have action at once, that the Public Works Commissioner will immediately have the snow removed.

The order was passed under suspension of the rule.

FINANCIAL CONDITION, BOSTON ELEVATED.

Coun. FISH, KELLY and WICKES offered the following:

Ordered, That his Honor the Mayor be requested to make a survey of the financial condition of the Boston Elevated Railway Company.

Passed under suspension of the rule.

ACCEPTANCE OF ROCK ROAD, WARD 18.

Coun. GOODE offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out as a public highway, Rock road, Ward 18, under the W. P. A. type of construction.

Passed under suspension of the rule.

ACCEPTANCE OF WARD 20 STREETS.

Coun. LYONS offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out the following streets in Ward 20, as public highways, the work to be done as W. P. A. projects: New Haven street, Crehore road, George street, Schirmer road.

Passed under suspension of the rule.

USE OF SCHOOLYARD, CHESTNUT AVENUE AND BOYLSTON STREET.

Coun. LYONS, for Coun. LANGAN, offered the following:

Ordered, That the School Committee be requested, through his Honor the Mayor, to arrange for the use of the schoolyard at Chestnut avenue and Boylston street for playground purposes during the summer vacation period.

Passed under suspension of the rule.

ACCEPTANCE OF SUMNER AVENUE.

Coun. LANGAN and LYONS offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out as a W. P. A. project, Sumner avenue, Ward 19, as a public highway.

Passed under suspension of the rule.

SEASONAL LAYOFF OF W. P. A. WORKERS.

Coun. GALVIN offered the following:

Ordered, That his Honor the Mayor be requested to communicate with the President of the United States and request that he rescind the order calling for the so-called seasonal layoff of W. P. A. workers.

Coun. GALVIN—Mr. Chairman, a communication has been received from State W. P. A. headquarters this morning saying that approximately 12,000 men have been and will be laid off in this state within the next few days. I believe, in view of the fact that Boston will suffer approximately 35 per cent of this layoff, with a resulting increase in the tax rate of the city and a corresponding increase in our welfare rolls, that his Honor the Mayor should be requested to get in touch with the President of the United States with a view to stopping this so-called seasonal layoff. I believe, too, it is important enough for the City of Boston to have a delegate from the City Council go down to Washington and present the situation to the Massachusetts Senators and Representatives, as well as getting in touch with the President, looking to the rescission of this layoff order.

The order was passed under suspension of the rule.

MAINTENANCE COST OF DEER ISLAND PRISON.

Coun. CHASE offered the following:

Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to urge state legislation whereby the jurisdiction and maintenance cost of the Deer Island prison will be borne by the state.

Coun. CHASE—Mr. President, Suffolk County is perhaps one of the most peculiar counties in Massachusetts or in the country. As a result of the peculiar setup here, the City of Boston is burdened with the payment of practically the entire cost of the government of Suffolk County. Winthrop, Revere and Chelsea are within the county jurisdiction, but in the main pay none of the county bills.

Boston is commonly known as the Hub of the Universe or the Hub of this country, and it surely is the Hub of Metropolitan Boston. We have within the boundaries of Metropolitan Boston approximately two and a half million people. Practically all these people avail themselves of the various governmental activities of Boston and Suffolk County, and the City of Boston pays the expense. In that connection, other Mayors have urged, and I believe his Honor Mayor Tobin is in favor of, a Metropolitan Boston, one large city, taking the place of the present duplication of services in the several municipalities, the expense of the same being paid by the metropolitan community, resulting in a lower tax rate and a much more efficient government for the people of this area. The order I have introduced pertains particularly to Deer Island, an institution which harbors criminals of all sorts and who come in large

part from far beyond our city boundaries. People who have been arrested in the jurisdiction of Suffolk County, even though they do not actually live or have a domicile in the City of Boston, are sent to Deer Island prison and maintained there at the present time at the cost of the taxpayers of Boston. I think Mr. President, inasmuch as the State Institutions Commissioner has jurisdiction over all of the institutions of the state, including Deer Island, that we should ask the Corporation Counsel to urge state legislation whereby not only the jurisdiction of the Deer Island prison shall, as at present, be in the state, but that the maintenance cost of the prison will be borne by the state. I say that having in mind that the people of Winthrop, Revere and Chelsea, while not a part of the City of Boston, because they are in Suffolk County, are enabled to charge up to us the expense of the care of their criminals at the Deer Island prison, and there are many people from the larger Metropolitan Boston, entirely outside of Boston proper, who are taken care of in that prison at our expense. Those people come here seeking entertainment at our theaters and in other ways, become involved in the meshes of the law, and are sent to Deer Island, where they are cared for, the expense falling upon our shoulders. That is, they break the law in the city, are sent to Deer Island, and the City of Boston has to pay the cost. I honestly believe that the City of Boston would be much better off if the state had complete control over Deer Island, not only as a matter of jurisdiction but also bearing the expense. It would be much better for us financially and in every other way. I move, therefore, that the Corporation Counsel urge such state legislation, and that the outlying cities and towns of Metropolitan Boston will see fit to have their representatives favor legislation whereby Boston will also be given its rightful position in the nation, as a large metropolitan city with a population of two and a half million people. Such legislation would be of benefit not only to Boston but to all the surrounding cities and towns now making up the metropolitan area. I trust, therefore, Mr. President, that the Council will pass this order.

The order passed under suspension of the rule.

THE NEXT MEETING.

On motion of Coun. GALVIN it was voted that when the Council adjourn it be to meet on Monday, April 15, 1940, at two p. m.

COOPERATION OF ELEVATED IN RECONSTRUCTION OF TREMONT STREET.

Coun. D. F. SULLIVAN offered the following:

Ordered, That the trustees of the Boston Elevated Railway Company be requested, through his Honor the Mayor, to cooperate with the Commissioner of Public Works in the reconstruction of Tremont street, from Massachusetts avenue to Parker street, by including in their budget for this year a sum sufficient to bring their tracks to the proper grade along this area.

Passed under suspension of the rule.

CONFERENCE WITH FINANCE COMMISSION.

Coun. KELLY—Mr. President, I realize that we have now voted to adjourn for two weeks, but I would recall to the minds of the members here that we were going to have the full membership of the Finance Commission and subordinates here next week. In two weeks from now they might have forgotten all about it, as they have very forgetful memories up there.

Chairman HUTCHINSON—The Clerk of Committees will see that the matter is brought to their attention.

* Adjourned at 3.49 p. m., on motion of Coun. SCANNELL, to meet on Monday, April 15, 1940, at 2 p. m.

CORRECTION.

At the meeting of March 25, 1940, Coun. M. H. Sullivan, speaking on the "Budget for 1940," in the first column of page 114, beginning at line 14, said:

"Well, if we succeeded in cutting off a million the tax rate would have been reduced about 65 cents a thousand. The average home owner has a \$5,000 home. The normal home owner is a poor man. If the average man could save in his taxes 65 cents on a thousand, the result of such economy would be

a saving in his tax bill of \$3.75, but I think in the end he would lose more than he obtained. Also, the majority of the taxpayers of the city, in the words of Gilbert and Sullivan, have sisters and cousins and aunts, who might be on the pay roll of the city and who might, if there were a reduction in the pay roll, lose their positions, be fired from municipal employ. In that case the \$3.75 that might be saved through a 65 cents per thousand reduction in the tax on a \$5,000 home would be eaten up in other ways."

The "\$3.75" referred to in both cases above, should be "\$3.25."

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

PUBLIC HEALTH SOCIAL WORK SUPERVISOR (CRIPPLED CHILDREN), STATE HEALTH DEPARTMENT, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

The entrance salary is \$2,040 a year; the maximum salary is \$2,400 a year.

Duties: To carry on a program of public health social service for crippled children. To generally supervise medical public health social care of clinic patients, both at clinics and in the field. To coordinate health, welfare, school and educational resources through close cooperation with representatives of those agencies. To consult with other health and with welfare agencies. To maintain careful records, which are confidential, and filed in the Department of Public Health. To perform medical social case work, including a complete social study of the family of each patient applying for admission to clinic, as well as case work, as occasions arise during the period the patient is under care.

Applicants should have a thorough understanding of the Federal and State laws relating to the Crippled Children's Program under the Social Security Acts, as well as knowledge of the general health and welfare services of the State of Massachusetts.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

SENIOR ENGINEERING AID (MECHANICAL ENGINEER), METROPOLITAN DISTRICT COMMISSION, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

The entrance salary is \$1,680 a year; the maximum salary is \$2,160 a year.

Duties: Under supervision, to assist on engineering work by performing assigned tasks in the field or office, involving some knowledge and training in mechanical engineering practice, but not of full professional rank or responsibility; and to perform related work as required.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

SOCIAL WORKER, DEPARTMENT OF CORRECTION, MAY 18, 1940.

Last date for filing applications, Saturday, May 4, 1940, at 12 noon.

This examination is open to both males and females.

The entrance salary is \$1,440 a year; the maximum salary is \$2,160 a year.

Duties: Under supervision, to perform social service case work in connection with the care and treatment of inmates of the penal institutions; to interview subjects and make field investigations for the completion of case histories; to attend to personal and business affairs of inmates; and to perform related work as required.

Entrance Requirement: Applicants who have not reached their twenty-first birthday will not be eligible to apply. A certificate of date of birth must be filed with the application, unless one has been filed with a previous application.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

PITTSBURGH'S TRAFFIC SAFETY RECORD.

Pittsburgh has been adjudged the safest city in the United States in 1932, and the second safest in 1933 and 1934 among cities with populations over 500,000. Registrations in the city increased 4.4 per cent, gasoline consumption 7.7 per cent. In 1935, despite a 2.4 per cent decrease in traffic volume, adult fatalities increased 30 per cent, total fatalities 24 per cent, as compared with 1934.

CORRECTION.

COLLECTING DEPARTMENT,
BOSTON, April 16, 1940.

EDITOR *City Record*, City Hall, Boston.

DEAR SIR,—Will you kindly publish the following in the next issue of the *City Record*:

"It has come to my attention that the following parcels of property listed to be taken on April 24, 1940, for the non-payment of the 1938 real estate taxes were inadvertently included in the advertisement of April 6, 1940.

These parcels have been withdrawn from the list of parcels to be taken on that date.

Patrick J. and Margaret M. McCarthy—Land, with buildings thereon, on the northwesterly side of St. Edward road, numbered 32, between an estate of Margaret DelBianco and an estate of Marie Bucolo, and supposed to contain 2,973 feet, apportionment of street construction assessment for 1938.

Thomas H. Green (reassessed from Mary A. Green)—Land, with buildings thereon, on the southeasterly side of Baldwin street, numbered 117, making the southerly corner of Medford street, adjoining an estate of Margaret G. McNamee, and supposed to contain 5,569 feet, tax for 1938."

Yours very truly,

MERRITT THOMPSON,
City Collector.

W. P. A.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING CINDERS.

The Supply Department of the City of Boston invites proposals for furnishing cinders for the Park Department, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR CINDERS." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Thursday, April 25, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(April 20.) Superintendent of Supplies.

W. P. A.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING STEEL FORMS.

The Supply Department of the City of Boston invites proposals for furnishing steel forms to the Paving Division, Public Works Department, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR STEEL FORMS." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Monday, April 29, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(April 20.) Superintendent of Supplies.

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about nine hundred seventy-eight (978) square feet of land with the buildings thereon on the southwesterly side of Broadway, Boston, numbered sixty-five (65) in the numbering of said Broadway, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5550, page 16, on Thursday, April 25, 1940, at 10 a. m., on the premises, at a minimum price of six thousand dollars (\$6,000).

A deposit required at the time and place of sale of one thousand dollars (\$1,000), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, Room 1008, City Hall Annex, Boston, Mass.

DANIEL M. DRISCOLL,
Custodian of Foreclosed Real Estate.
(April 13-20.)

CITY OF BOSTON.

PARK DEPARTMENT.

PROPOSALS FOR CONSTRUCTING SEAPLANE RAILWAY AT BOSTON AIRPORT, EAST BOSTON.

The Park Commissioners of the City of Boston, 33 Beacon street, invite proposals for constructing seaplane railway at Boston Airport, East Boston. Forms of proposals must be obtained at the engineer's office of the Park Department, 33 Beacon street. Each proposal should be signed by the bidder and inclosed in an envelope, sealed, and marked, "Proposal for Constructing Seaplane Railway at Boston Airport, East Boston," and left before 2 o'clock on Thursday, April 25, 1940, at the office of the Park Department, with a certified check for \$1,500, payable to and to be the property of the City of Boston if the proposal is not carried out, and will then and there be publicly opened and read. A duplicate proposal without check, must be deposited with the City Auditor previous to the time named for opening the bids. There will be a charge of five (\$5) dollars for each set of plans and specifications taken out. On return of plans and specifications in good condition within thirty days the money will be refunded. A bond will be required for doing the work in the sum of 100 per cent of the estimated contract price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Park Commissioners. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. The Commissioners reserve the right to reject any or all proposals.

WILLIAM P. LONG, Chairman,
THEODORE C. HAFENREFFER,
WILLIAM F. KELLY,
(April 13-20.) Commissioners.

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about six thousand four hundred and sixty-seven (6,467) square feet of land with buildings on the southerly side of East Eighth street, numbered 521 in the numbering of said East Eighth street, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5481, page 280, on Thursday, May 2, 1940, at 10 a. m., on the premises, at a minimum price of seven hundred and fifty dollars (\$750).

A deposit required at the time and place of sale of one hundred dollars (\$100), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 1008 City Hall Annex, Boston, Mass.

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC REGULATIONS.

Voted, That the Revised Traffic Rules and Regulations of the City of Boston are amended as follows, effective April 29, 1940:

Section 8, Part 2, is amended by striking out the following:

- Ash Street, Downtown Boston:
- East side, from Oak street to Bennet street, 7 a. m. to 6 p. m.
- Pitts Street, Downtown Boston.
- Both sides, from South Margin street to Merrimac street, 7 a. m. to 6 p. m.
- River Street, Dorchester.
- Northwest side, from Blue Hill avenue to a point four hundred (400) feet northeast of Blue Hill avenue, twenty-four hours.
- Water Street, Charlestown.
- Southeast side, from Joiner street to Warren avenue, twenty-four hours.

Section 8, Part 2, is amended by adding the following:

- Ash Street, Downtown Boston.
- East side, from Oak street to Bennet street, twenty-four hours.
- Hampshire Street, Roxbury.
- Both sides, from a point two hundred and eighty-five (285) feet southwest of Vernon street to Vernon street, twenty-four hours.
- Pitts Street, Downtown Boston.
- Both sides, from South Margin street to Merrimac street, twenty-four hours.
- River Street, Dorchester.
- Both sides, from Blue Hill avenue to a point four hundred (400) feet northeast of Blue Hill avenue, twenty-four hours.
- Rutherford Avenue, Charlestown.
- Southwest side, from Chapman street to Dunstable street, twenty-four hours.

The following sections are stricken out:

Section 9, Angle Parking.

Subject to the provisions of sections 7, 8, 16 and 18, vehicles shall be placed at an angle of forty-five (45) degrees to the curb or edge of roadway, with right rear wheel to the curb or edge of roadway, in the following streets or parts of streets:

- Beacon Street, Brighton.
- Northwest side, from Ayr road to Chestnut Hill avenue.
- Blue Hill Avenue, Dorchester.
- Both sides, from Babson street to Mattapan square.
- Commonwealth Avenue, Brighton.
- North side of North Drive, from Cottage Farm Bridge to Brighton avenue.
- Deerfield Street.
- East side, from Commonwealth avenue to Bay State road.
- Hyde Park Avenue, Hyde Park.
- West side, from River street to Pine street.
- Northern Avenue, South Boston.
- Northeast side, from Sleeper street to a point fifteen hundred (1,500) feet southeast of Sleeper street.
- Providence Street.
- North side, from Park square to a point one hundred and twenty-four (124) feet east of Arlington street.
- South side, from opposite the west street line of Church street to a point two hundred and twelve (212) feet west of opposite the west street line of Church street.
- Tremont Street, Downtown Boston.
- North side, from a point two hundred and sixty (260) feet east of Clarendon street to Clarendon street.
- Warren Avenue, Downtown Boston.
- South side, from Berkeley street to Clarendon street.

Section 9A.

Subject to the provisions of sections 7, 8, 16 and 18 of the Revised Traffic Rules and Regulations of the City of Boston, vehicles shall be placed at an angle of forty-five (45) degrees to the curb or edge of roadway in the following street:

- Centre Street, West Roxbury.
- Both sides, from Greston road to Temple street.

The following new section is added:

Section 9, Angle Parking.

Subject to the provisions of sections 7, 8, 8A, 10, 11, 12, 16 and 18, vehicles may be placed at an angle to the curb or edge of roadway, with right front wheel to the curb or edge of roadway, in the following streets or parts of streets:

- Beacon Street, Brighton.
- Northwest side, from Ayr road to Chestnut Hill avenue.
- Blue Hill Avenue, Dorchester.
- Both sides, from Babson street to Mattapan square.
- Centre Street, West Roxbury.
- Both sides, from Greston road to Temple street.
- Commonwealth Avenue, Brighton.
- North side of North Drive, from Cottage Farm Bridge to Brighton avenue.
- Deerfield Street, Downtown Boston.
- East side, from Commonwealth avenue to Bay State road.

Hyde Park Avenue, Hyde Park.

West side, from River street to Pine street.

Northern Avenue, South Boston.

Northeast side, from Sleeper street to a point fifteen hundred (1,500) feet southeast of Sleeper street.

Providence Street, Downtown Boston.

North side, from Park square to a point one hundred and twenty-four (124) feet east of Arlington street.

South side, from opposite the west street line of Church street to a point two hundred and twelve (212) feet west of opposite the west street line of Church street.

Tremont Street, Downtown Boston.

North side, from a point two hundred and sixty (260) feet east of Clarendon street to Clarendon street.

Warren Avenue, Downtown Boston.

South side, from Berkeley street to Clarendon street.

Section 24, Part 1, is amended by striking out the following:

- Pilgrim Road, Roxbury.
- From Brookline avenue to Longwood avenue.

Section 24, Part 1, is amended by adding the following:

- Dwight Street, Downtown Boston.
- From Shawmut avenue to Tremont street.
- Pilgrim Road, Roxbury.
- From Brookline avenue to Francis street.

Section 41 is amended by adding the following:

- Prescott Street, East Boston.
- At Bremen street.

(April 20-27.)

WILLIAM P. HICKEY,
Commissioner.

CITY OF BOSTON.

POLICE DEPARTMENT.

PROPOSALS FOR CLOTH.

The Police Department of the City of Boston invites proposals for furnishing and delivering 14-ounce cloth; 16-ounce trouser cloth; 20-ounce dresscoat cloth; and 30-ounce overcoat cloth. The bidder must use the form of proposal to be obtained at the office of the Property Clerk, 154 Berkeley street, Boston, and deposit with his bid at the office of the Police Commissioner a properly certified check for \$500, payable to and to become the property of the Police Commissioner for the City of Boston if the proposal is not carried out. Proposals will be publicly opened and read on Friday, April 26, 1940, at 12 o'clock noon, at the office of the Police Commissioner, 154 Berkeley street, Boston, Mass. The Police Commissioner reserves the right to accept or reject any and all proposals, or any part of a proposal, and to award the contract as he deems for the best interests of the Police Department of the City of Boston. Surety bond will be required from the successful bidder in an amount equivalent to 50 per cent of the estimated amount of the contract.

(April 20.)

JOSEPH F. TIMILTY,
Police Commissioner.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING "NO CRETE" CONDUIT, OR EQUAL.

The Supply Department of the City of Boston invites proposals for furnishing "No Crete" conduit, or equal, to the Boston Fire Department, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR CONDUIT." *There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out.* The bids will be publicly opened and read Friday, April 26, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

(April 20.)

JOHN A. BREEN,
Superintendent of Supplies.

No. 17

WARNS AMERICA TO BE ALERT AGAINST PLOTTINGS OF COMMUNISTS AND NAZI AGENTS WITHIN OUR MIDST, AND BE QUICK TO TAKE POSITIVE ACTION TO SPIKE THEIR GUNS BEFORE THEY SPIKE OURS — MAYOR TOBIN, IN PATRIOTS' DAY ADDRESS BEFORE THrong IN NORTH SQUARE, CALLS ATTENTION TO PLIGHT OF NORWAY BECAUSE COUNTRY HAD NO PAUL REVERE OR DAWES TO AROUSE AND WARN CITIZENS OF THAT COUNTRY OF DANGERS THAT IMPENDED ON EVE OF GERMAN INVASION.

On Patriots' Day, Friday, April 19, during the exercises in North square, Mayor Tobin delivered the following address:

Against the dark background of recent tragedies in Europe, how gratefully we recall today the gallant work of Paul Revere and William Dawes! They live forever in our hearts as men of heroic alertness, vigilant, eagerly loyal.

These messengers of the Patriot cause were determined that no hostile force should ever take this land by surprise. They were resolved that not one of their fellow-countrymen should be caught unprepared.

Riding forth from Boston in the dead of night, they aroused the countryside from slumber. It was the alarm that awakened the life of a nation. The Minutemen sprang to arms, and never laid them aside until all America had won Liberty.

The cry of warning, the call to action, shouted by Paul Revere and William Dawes, carried not twenty miles only, but two thousand. It spread along every highway and byway of the American Colonies.

News Spread.

By ten o'clock on the morning of April 19, 1775, news of the fighting at Lexington had bounded back to Watertown, and was hurried westward to Worcester. Israel Bissel carried the message signed by a member of the Committee of Safety. He rode so fast that his horse fell dead as he came into Worcester; but Bissel continued the next day through Connecticut to New York and Philadelphia.

In every city and town local leaders added words of instruction:

"Pray order the express you send to ride night and day," said one of the messages.

Another read, "I request, for the good of our country, and the welfare of our lives and liberty, and fortunes, you will not lose a moment's time."

"We send you momentous intelligence," the last postscript read, and it was addressed to Charlestown in South Carolina.

The alarm traveled still further — southward to Georgia, and across the mountains into the new West. When the news of the British attack on the villages north of Boston reached Kentucky, the pioneers there named their new settlement "Lexington."

So did the news spread through the wilderness. The message told of thirty-nine patriots wounded by the unprovoked attack of the British, and forty-nine killed. The number was almost a prophecy — one martyr for each of the forty-eight states of the future, with one extra star remaining as symbol of Alaska, Puerto Rico, and the Philippines.

With sublime courage the embattled farmers stood at Lexington and Concord against the massed gunfire of the British Regulars, and they took good toll. Seventy-three of the enemy were killed and nearly two hundred wounded. The whole expedition was driven back to Boston in a retreat which became a rout. Only by reinforcements were the British troops, who had marched so proudly forth at dawn, saved from complete destruction by sunset.

Praise for Norway.

How different was that glorious American victory from the fate suffered only last week by the capital city of one of the staunchest and most worthy democracies of the Old World!

The people of Norway had sore need of the warning work here done by Paul Revere and William Dawes. They faced not only a sudden attack hurled against them by a foreign foe, but also a worse and more dangerous power. I speak of the ruinous forces of treachery and deceit at work within their own borders, planted by enemies in disguise.

It was not enemy fire that silenced the guns of Norway's navy and of her fortresses along shore. The guns were put out of commission by false propaganda and even by false commands.

Do I mis-state the truth when I say that the United States has little to fear from foreign attack openly organized? The greater risk, today, is from enemies of the true American interest who seek to undermine our strength by secret and insidious means.

(Continued on page 471.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"
From Boston Centennial Poem by
NATHAN HASKEL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, April 29, at 2 p. m.
Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquises, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables slaughter-houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made

to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, 73 City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

MAYOR TOBIN PAYS TRIBUTE TO POSTMASTER-GENERAL JAMES A. FARLEY — PRAISES HEAD OF COUNTRY'S POSTAL SERVICE AS MAN WHO HAS WON LOYALTY AND AFFECTION OF DEMOCRATS OF STATE AT TESTIMONIAL DINNER AND RECEPTION IN HONOR AT COPLEY-PLAZA HOTEL — ALSO AS GREAT DEMOCRAT UNDER GREAT LEADER, PRESIDENT ROOSEVELT — CALLS ATTENTION TO FACT THAT PARTY FACTIONS HAVE BEEN UNITED IN SOLID FRONT UNDER LEADER TO ASSURE GLORIOUS VICTORY FOR PARTY AND PRINCIPLES IN COMING ELECTION.

The following are the remarks of the Hon. Maurice J. Tobin, Mayor of Boston, on the occasion of the testimonial dinner and reception in honor of James A. Farley, Postmaster-General of the United States and Chairman of the Democratic National Committee, at the Copley-Plaza Hotel, Sunday, April 21:

Tonight, in this great meeting place in this great old City of Boston, close to three thousand Democrats from all over the Commonwealth of Massachusetts have come together to salute and to pay honor to a noble Democrat—a working Democrat, if you please—a Democrat whose leadership has been synonymous with victory—a Democrat who has deservedly won the affection and loyalty of the Democrats of this State—a Democrat who is a master in the science of government—a Democrat in whom you and I and all Democrats may have pride and hope—our friend, the Postmaster-General of the United States of America and the working general of the Democratic Party—James A. Farley—a great Democrat under a great leader—Franklin Delano Roosevelt.

It is rare indeed that out of the welter of political claims, and out of the struggle for political place and power there emerges a man in whom the Democrats of this Commonwealth have a genuine and almost unanimous affection. While I do not profess to be a student of the political history of other Commonwealths, I do know enough about our own political history to say that when any one Democrat—by the force of his character, his principles and his ideals—can unite the Democrats of this State into a single group with but a single thought—then that man is something more than just a leader of men—he is a genius *par excellence*. With James A. Farley to lead our regiments, there shall be no factions, there shall be no breaches in the ranks, there shall be no sniping and no treason—but there shall be one solidly united party marching forth to a glorious victory for our party and the principles for which our party stands.

THE NEED OF THE HOUR.

Never in the long history of America has it been more necessary for us to choose with great care the men in whom we vest the power and authority of high office. In Europe the skies are dark with the clouds of war—the Four Horsemen ride madly on—the oceans and the rivers are streaked with red—the spring that brings the flowers will see the flower of the manhood of nations fall to the ground never again to rise—the fate of the democracies of the world hangs in the balance—and the only way democratic government in the Old World can be secured and guaranteed is by the sacrifice—the wholesale, agonizing sacrifice of countless numbers of innocent men, women and children.

Like every other destructive pestilence, war has a contaminating influence. No matter how far from the field of battle, the insidious seeds of war seek to root and to blossom. In the hearts of men—those seeds seek to enter. Try as we might to set up barriers to their entrance—we find it difficult to keep our hearts from boiling, our tempers from inflaming—and our minds neutral and peaceful. Within the memory of all in this room, our Nation was a party in a war to make the world safe for democracy. It was a futile war in that respect. It was a war not of our making, but, nevertheless, it cost us dearly in property, in lives, and in economic security and stability.

It was a war supposedly to end wars, but, as events have proven, it was a war that set the stage and prepared the way for another war. The days ahead for America will be precarious ones. We are entering a period when we must exercise thoughtful restraint and calm judgment. We must not by impetuous words or deeds hurl ourselves into the suicidal struggle across the seas. It is

not cowardice for us to stand aloof. There is no such word on the history pages of our Nation.

There is no country on the face of the globe before whom we cringe or before whom we show evidences of fear. But this is not our war. We want no part of it. We want men in high places in our national councils who can safely sail our Ship of State through the angry seas of war. We want men in high places who think and act soberly—who have vision—who have soundness of mind—who have experience and knowledge, and who can steer our craft through the rocky harbors just ahead.

CONFIDENCE NEEDED.

We want men to lead us in whom we have unalloyed confidence—confidence that whatever may come we may follow with an unquestioning belief that the wisest and best course has been taken. We want the type of men to lead our country in this, and every hour of peril, in whom we can place supreme allegiance, and with whom we will be proud to stand and once again give that old toast—“My country—may she always be right—but right or wrong—my country.”

In James A. Farley the Democratic Party has a leader in whom we may well have the fullest of confidence. He is worthy of every meed of honor and responsibility we may repose in him. He is the kind of a man who typifies the unconquerable spirit of America—the kind of man whose character and achievements are sufficient to wipe our party lines—and other invisible lines—the kind of man America will not find wanting if the great call comes.

As Mayor of this Democratic stronghold of Boston, let me, sir, welcome you officially and personally, and let me extend to you for myself and my fellow

Democrats of this grand old city, the heartfelt wish that God will grant to you the strength, the courage, and the will to meet your responsibilities, whatever they may be, in such a way that the pages of our future national history will list you as we know you to be—a great American.

ADDRESS OF MAYOR TOBIN.

(Continued from page 469.)

We must be increasingly alert against the plottings of Communists and Nazi agents within our midst, and we must be quick to take positive action to spike their guns before they spike ours!

We cannot stop the warring conflicts of Europe and Asia as I said on this day one year ago. But we can and will prevent those continents from bringing their warring conflicts to the Western Hemisphere.

Revere and Dawes did not ride to give warning of a distant menace, or to carry the news of tragedy abroad, however sad. No, they took horse and galloped from Boston only at the moment when they were sure that danger threatened the very homes of their countrymen, their lives, and their immediate liberties.

In the close-knit organization of the world today, we must be doubly alert and still farther sighted. We must be fully prepared. We cannot wait until any hostile power is actually ready to take steps which may endanger our safety. Our Navy must be enlarged, our Army strengthened, and our Air Force raised to highest efficiency. By such preparedness, and only so, will America preserve this beloved Democracy, safe and supreme, no matter what ruthlessness and ruses of treachery may mark the ways of power-drunk dictators.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, April 25:

HOSPITAL DEPARTMENT.

The following special nurses have been employed at \$4.50 a day:

Selma Berman, 367 Harvard street, 1½ days; Gladys Brown, 440 Ashmont street, Elizabeth Diamond, 34 Whitford street, 3 days; Mary Doherty, 16 Emerald street, 7 days; Ann Ferraira, Lawrence, Ellen Guiney, 12 Jerome street, 1 day; Anna Hogan, Milton, 5 days; Mary Lee, Belmont, Margaret Lehman, 96 West Walnut park, 3 days; Alice Levovich, 11 Worcester square, 4 days; Alma Nobile, Revere, 7 days; Daphne Parks, 51 Hammond street, 5 days; Helen Paul, 11 Forest street, 7 days; Wanda Praygodski, 23 Worcester square, 4 days; Mary Pursley, 94 Florida street, 1 day; Matilda Tomassetti, Watertown, 3 days; Esther Bandlow, 11 Worcester square, Mary Curley, Wakefield, Marion Cuzner, 17 Forsyth street, Mary Haskell, 105 Bay street, Jeanette Roussie, 14 Worcester square, 1 day.

South Department.

Ruth Belt, 42 Greenwood street, 1½ days.

TREASURY DEPARTMENT.

Approval has been given for the employment of temporary typists and clerks in the Treasury Department during the year 1940. Payment of bills on the monthly draft and inability to procure help from other departments necessitates the intermittent employment of typists and clerks for not more than ten-day periods.

The Mayor has approved the following appointments:

ASSESSING DEPARTMENT.

Jacob Miringoff, 62 Torrey street, Dorchester, temporary clerk, \$4 a day.

COLLECTING DEPARTMENT.

Frances Branagan, 28 Robinwood avenue, Jamaica Plain, key punch operator, \$3 a day.

FIRE DEPARTMENT.

Albert L. O'Banion, 88 Colberg avenue, West Roxbury, Superintendent of Fire Alarm Division, \$3,500 a year.

INSTITUTIONS DEPARTMENT.

Peter H. Guthroe, 72 Peterborough street, intermittent deckhand, \$1,700 a year.

Fulton P. Wesson, 431 Shawmut avenue, intermittent deckhand, \$1,700 a year.

Virginia M. Stowell, 103 East Merrimack street, Lowell, staff nurse, \$960 a year and maintenance at Long Island.

Helen T. Barton, 19 Savin Hill court, Dorchester, staff nurse, temporary, \$960 a year and maintenance at Long Island.

Boleslaw Bornsiewicz, 22 Danforth street, Jamaica Plain, cook, temporary, \$600 a year and maintenance at Long Island.

Richard E. Burke, 790 East Fourth street, South Boston, helper in kitchen, \$526 a year and maintenance at Long Island Hospital.

Charles J. McCarthy, 602 Bennington street, East Boston, deckhand, temporary, \$1,700 a year.

Helen S. McCann, 107 Centre street, Roxbury, assistant storekeeper, Clothing Room, \$1,000 a year.

Charles J. McCarthy, 602 Bennington street, East Boston, deckhand, temporary, \$1,700 a year.

Paul F. O'Donnell, 19 Atlantic street, South Boston, attendant, temporary, \$600 a year and maintenance at Long Island.

Francis R. Gallahue, 87 Tonawanda street, Dorchester, temporary intermittent watchman, \$600 a year and maintenance at Long Island.

Myles McDonough, 290 Marginal street, East Boston, fireman, temporary, \$1,800 a year.

Arthur E. Flynn, 88 Gardner street, Allston, watchman, \$600 a year and maintenance at Long Island.

Carmelo Pitralia, 39 Emerald street, temporary intermittent fireman, three months, \$33.50 a week and maintenance.

Michael J. Manning, 38 Newton street, Brighton, temporary intermittent fireman, three months, \$33.50 a week and maintenance.

Richard Craven, 42 Alexander street, Dorchester, temporary fireman, \$33.50 a week.

Frank F. Engel, 5 Sharon street, Boston, temporary intermittent marine fireman, \$1,800 a year.

Noyer Gerber, 116 Broadway, moving picture operator, \$13 for one performance each week.

Charles E. Griswold, 37 Stockton street, Dorchester, stationary engineer, \$40 a week and maintenance.

Charles J. McCarthy, 602 Bennington street, East Boston, deckhand, temporary, \$1,700 a year.

Myles McDonough, 290 Marginal street, East Boston, fireman, temporary, \$1,800 a year.

Helen A. Murphy, 74 Myrtle street, Lawrence, staff nurse, \$960 a year and maintenance at Long Island.

The Mayor has approved the following reinstatement:

BUILDING DEPARTMENT.

Edward W. Roemer, 32 Kenneth street, West Roxbury, Supervisor of Construction, \$4,500 a year.

The Mayor has approved the following promotions or adjustments in compensation:

INSTITUTIONS DEPARTMENT.

Margaret Carrier, 38 Princeton street, Charlestown, from wardmaid at \$526 a year and maintenance to attendant at \$600 a year and maintenance.

Irene M. Sennott, 99 Park street, Dorchester, from waitress at \$316 a year and maintenance at Long Island to attendant at \$600 a year and maintenance at Long Island.

OVERTIME ALLOWED.

The heads of the various departments whose employees have received payment for overtime state in connection therewith that if any laborer has been allowed to work more than eight hours per day it has been only in case of emergency under the law.

Park Department.

For the week ending April 5:
Michael Lynch, chauffeur, ½ day, \$2.75; Martin Manion, gardener-laborer,

½ days, \$2.50; J. H. Coyne, M. Crowley, R. Mirra, W. Murphy, J. J. Martin, golf course workers, 1 day, \$5 each. Total, \$30.25.

DAMAGES SUSTAINED.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That this Board determines that the undermentioned estate sustains damages by the taking made for school purposes on Louder's lane, West Roxbury district, under the order of the Board of April 4, 1940, in the amount hereinafter set against it, and awards said amount therefor.

John L. Brandegee and Martina L. Lawrence, 75,000 square feet, \$3,750.

MASSACHUSETTS CIVIL SERVICE EXAMINATIONS.

BUILDING INSPECTOR, BOSTON BUILDING DEPARTMENT, MAY 18, 1940.

Last date for filing applications, Saturday, May 4, 1940, at 12 noon.

Salary: \$2,200 a year.

Duties: To supervise the laying out of lot lines, building lines, establishment of grades, etc. To examine premises where applications have been made for permits to erect, enlarge, alter, repair or raze buildings before approval of permits for work on such applications is given. To inspect every building or structure or anything attached to or connected therewith which he has reason to believe is not provided with sufficient means of egress in case of fire or other emergency and also to decide whether or not the structure is structurally unsafe or dangerous to life, limb or adjoining property. To set forth in writing for the establishment of permanent public records, incontestable opinions based upon his own inspections.

Applicants should have a thorough knowledge of all the materials that are used in the various types of buildings, and also of construction methods. Applicants should also have a knowledge of the formation of soils and their capacity for carrying loads imposed upon them.

Entrance Requirement: Applicants must have at least five years' experience as a builder, civil engineer, or architect, or as a superintendent or foreman or a competent mechanic in charge of construction.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

CINCINNATI'S NEW SPORTS FIELD.

Cincinnati's outstanding recreational event of the past year has been the opening of its 200-acre Airport Sports Field—an instantaneous success. Although far from completion and lacking in many necessary facilities, it is already paying its own way. *American City Magazine*.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

DEPARTMENT OF SCHOOL BUILDINGS.

Upon April 18 the Mayor approved a contract with lowest bidders as indicated on items specified for furnishing and delivering various kinds and dimensions of lumber as needed in connection with W. P. A. program during the year 1940. Bids were received and opened March 22,

Barney & Carey Company.

Item 1, 2 by 3 spruce, random, \$35.65 per M. feet.

Item 2, 2 by 4 spruce, random, \$35.65 per M. feet.

Item 3, 3 by 4 spruce, random, \$35.65 per M. feet.

Item 4, 2 by 6 spruce, random, \$35.65 per M. feet.

Item 6, 2 by 9 spruce, random, \$37.65 per M. feet.

Item 7, 2 by 10 spruce, random, \$37.65 per M. feet.

Item 8, 3 by 4 spruce, 16-foot lengths, \$38.65 per M. feet.

Item 9, 2 by 8 spruce, 16-foot lengths, \$38.65 per M. feet.

Item 10, 2 by 8 spruce, 16-foot lengths, \$39.65 per M. feet.

Item 11, 2 by 10 spruce, 16-foot lengths, \$39.65 per M. feet.

Item 12, 1 by 7 spruce, 16-foot lengths, ledgers, \$38.65 per M. feet.

Item 13, 1 by 7 matched spruce, P. 1-5, \$38.65 per M. feet.

Item 16, 6 by 8 hard pine, 16-foot lengths, \$59 per M. feet.

Item 17, 8 by 8 hard pine, 16-foot lengths, \$59 per M. feet.

Item 18, 8 by 2 hard pine, 16-foot lengths, \$85 per M. feet.

Item 19, 10 by 12 hard pine, 16-foot lengths, \$85 per M. feet.

Item 24, $\frac{1}{2}$ -inch fir plywood, sound, sanded two sides, 4-foot by 8-foot panels, \$44 per M. feet.

Massachusetts Lime and Cement Company.

Item 5, 2 by 8 spruce, random, \$37.24 per M. surface measure, net.

Item 14, 1 by 2 furring, random, \$35.28 per M. surface measure, net.

Item 15, 1 by 3 furring, random, \$35.28 per M. surface measure, net.

Item 21, $\frac{3}{8}$ -inch fir plywood, 4-foot by 8-foot panels, sound one side, sanded two sides, \$53.90 per M. surface measure, net.

Item 22, $\frac{1}{2}$ -inch fir plywood, 4-foot by 8-foot panels, sound one side, sanded two sides, \$73.50 per M. surface measure, net.

Item 23, $\frac{3}{8}$ -inch fir plywood, 4-foot by 8-foot panels, sound one side, sanded two sides, \$93.10 per M. surface measure, net.

Item 25, $\frac{3}{8}$ -inch fir plywood, 4-foot by 8-foot panels, sound one side, sanded two sides, \$58.80 per M. surface measure, net.

Item 27, $\frac{1}{2}$ -inch fir plywood, 4-foot by 8-foot panels, sound one side, sanded two sides, \$93.10 per M. surface measure, net.

Item 28, $\frac{3}{8}$ -inch concrete panels, \$96.04 per M. surface measure, net.

Downes Lumber Company.

Item 20, $\frac{1}{4}$ -inch fir plywood, 4-foot by 8-foot panels, sound one side, sanded two sides, \$38 per M. surface measure, net.

Item 26, $\frac{1}{2}$ -inch fir plywood, 4-foot by 8-foot panels, sound one side, sanded two sides, \$84 per M. surface measure, net.

Bids were as follows:

Item 1.—Barney & Carey Company, \$35.65; Blacker & Shepard, \$42; Downes

Lumber Company, \$42; Massachusetts Lime and Cement Company, \$37.

Item 2.—Barney & Carey Company, \$35.65; Blacker & Shepard, \$42; Downes Lumber Company, \$42; Massachusetts Lime and Cement Company, \$37.

Item 3.—Barney & Carey Company, \$35.65; Blacker & Shepard, \$42; Downes Lumber Company, \$42; Massachusetts Lime and Cement Company, \$38.

Item 4.—Barney & Carey Company, \$35.65; Blacker & Shepard, \$42; Downes Lumber Company, \$42; Massachusetts Lime and Cement Company, \$38.

Item 5.—Barney & Carey Company, \$37.65; Blacker & Shepard, \$46; Downes Lumber Company, \$44; Massachusetts Lime and Cement Company, \$38; less 2 per cent.

Item 6.—Barney & Carey Company, \$37.65; Blacker & Shepard, \$46; Downes Lumber Company, \$45; Massachusetts Lime and Cement Company, \$44.

Item 7.—Barney & Carey Company, \$37.65; Blacker & Shepard, \$48; Downes Lumber Company, \$47; Massachusetts Lime and Cement Company, \$47.

Item 8.—Barney & Carey Company, \$38.65; Blacker & Shepard, \$46; Downes Lumber Company, \$48; Massachusetts Lime and Cement Company, \$40.

Item 9.—Barney & Carey Company, \$38.65; Blacker & Shepard, \$46; Downes Lumber Company, \$48; Massachusetts Lime and Cement Company, \$40.

Item 10.—Barney & Carey Company, \$39.65; Blacker & Shepard, \$48; Downes Lumber Company, \$50; Massachusetts Lime and Cement Company, \$44.

Item 11.—Barney & Carey Company, \$39.65; Blacker & Shepard, \$50; Downes Lumber Company, \$52; Massachusetts Lime and Cement Company, \$48.

Item 12.—Barney & Carey Company, \$38.65; Blacker & Shepard, \$48; Downes Lumber Company, \$48; Massachusetts Lime and Cement Company, \$44.

Item 13.—Barney & Carey Company, \$38.65; Blacker & Shepard, \$46; Downes Lumber Company, \$42; Massachusetts Lime and Cement Company, \$40.

Item 14.—Barney & Carey Company, \$35.65; Blacker & Shepard, \$40; Downes Lumber Company, \$40; Massachusetts Lime and Cement Company, \$36; less 2 per cent.

Item 15.—Barney & Carey Company, \$35.65; Blacker & Shepard, \$40; Downes Lumber Company, \$40; Massachusetts Lime and Cement Company, \$36; less 2 per cent.

Item 16.—Barney & Carey Company, \$59; Blacker & Shepard, \$63; Downes Lumber Company, \$63; Massachusetts Lime and Cement Company, \$67.

Item 17.—Barney & Carey Company, \$59; Blacker & Shepard, \$63; Downes Lumber Company, \$63; Massachusetts Lime and Cement Company, \$67.

Item 18.—Barney & Carey Company, \$85; Blacker & Shepard, \$87; Downes Lumber Company, \$87; Massachusetts Lime and Cement Company, \$87.

Item 19.—Barney & Carey Company, \$85; Blacker & Shepard, \$87; Downes Lumber Company, \$87; Massachusetts Lime and Cement Company, \$87.

Item 20.—Barney & Carey Company, \$39; Blacker & Shepard, \$40; Downes Lumber Company, \$38; Massachusetts Lime and Cement Company, \$40.

Item 21.—Barney & Carey Company, \$55; Blacker & Shepard, \$60; Downes Lumber Company, \$54; Massachusetts Lime and Cement Company, \$55; less 2 per cent.

Item 22.—Barney & Carey Company, \$89; Blacker & Shepard, \$80; Downes

Lumber Company, \$84; Massachusetts Lime and Cement Company, \$75; less 2 per cent.

Item 23.—Barney & Carey Company, \$109; Blacker & Shepard, \$110; Downes Lumber Company, \$100; Massachusetts Lime and Cement Company, \$95; less 2 per cent.

Item 24.—Barney & Carey Company, \$44; Blacker & Shepard, \$48; Downes Lumber Company, \$47; Massachusetts Lime and Cement Company, \$45.

Item 25.—Barney & Carey Company, \$69; Blacker & Shepard, \$65; Downes Lumber Company, \$63; Massachusetts Lime and Cement Company, \$60; less 2 per cent.

Item 26.—Barney & Carey Company, \$89; Blacker & Shepard, \$85; Downes Lumber Company, \$84; Massachusetts Lime and Cement Company, \$90.

Item 27.—Barney & Carey Company, \$109; Blacker & Shepard, \$110; Downes Lumber Company, \$100; Massachusetts Lime and Cement Company, \$95; less 2 per cent.

Item 28.—Barney & Carey Company, \$109; Blacker & Shepard, \$120; Downes Lumber Company, \$114; Massachusetts Lime and Cement Company, \$98; less 2 per cent.

PARK DEPARTMENT.

Upon April 18 the Mayor approved a contract with Airport Restaurant, Incorporated, for leasing the restaurant privilege located in the Administration Building of the Municipal Airport, East Boston. Bids, opened Wednesday, January 3, were as follows:

Airport Restaurant, Incorporated, \$1,600 a year; Philip W. Moskos & Co., \$1,500 a year.

PUBLIC WORKS DEPARTMENT.

Upon April 18 the Mayor approved a contract with the Quincy Dry Dock and Yacht Corporation, the only bidder, for repairing hull, etc., of the ferryboat "Daniel A. MacCormack" at an estimated cost of \$4,552. The work to be done under this contract must be completed within three weeks after the approval of the contract by the Mayor. The bid was as follows:

Quincy Dry Dock and Yacht Corporation, \$4,552.

SUPPLY DEPARTMENT.

Upon April 3 the Mayor approved a contract with Raymond A. Henchey for furnishing approximately ten tons pig lead (Omaha-Grant, or equal) for the Water Division, Public Works Department, as required, until December 31, 1940, at a price of 30 cents per hundredweight over the American Smelting and Refining Company's New York price for pig lead on day the order was received. The American Smelting and Refining Company's New York price on the day of the opening of the bids was \$5.25 per hundredweight. The approximate amount of the contract was \$1,110. Bids, opened March 4, were as follows:

Approximately 20,000 Pounds, 10 Tons, Omaha-Grant, or Equal, Pig Lead, Prime Lead, Not Remelted.

Per Hundredweight Over American Smelting and Refining Company's New York Price of Pig Lead on the Day Order is Received.—Raymond E. Henchey, 30 cents; Cambridge Smelting Company, 40 cents; National-Boston Lead Company, 38 cents; Cambridge Street Metal Company, 32.5 cents.

American Smelting and Refining Company's New York Price on the Day of

Opening of Bids, Per Hundredweight.—Raymond E. Henchey, \$5.25; Cambridge Smelting Company, \$5.25; National-Boston Lead Company, \$5.25.

Price on Day of Opening of Bids, Per Hundredweight.—Raymond E. Henchey, \$5.55; Cambridge Smelting Company, \$5.65; National-Boston Lead Company, \$5.63; Cambridge Street Metal Company, \$5.575.

Approximate Total.—Raymond E. Henchey, \$1,110; Cambridge Smelting Company, \$1,130; National-Boston Lead Company, \$1,126; Cambridge Street Metal Company, \$1,115.

Cash Discount, Ten Days.—Raymond E. Henchey, 1 per cent; Cambridge Smelting Company, 1 per cent; National-Boston Lead Company, 1 per cent; Cambridge Street Metal Company, one half of 1 per cent.

Approximate Net Total.—Raymond E. Henchey, \$1,098.90; Cambridge Smelting Company, \$1,118.70; National-Boston Lead Company, \$1,114.74; Omaha-Grant; Cambridge Street Metal Company, \$1,109.42.

Upon April 3 the Mayor approved a contract with the Cities Service Oil Company for furnishing automobile motor oil (100 per cent Pennsylvania base oil) for the city departments, as required, from April 16, 1940, to December 31, 1940, inclusive, with the privilege of purchasing on the same terms and conditions extended to April 15, 1941. The approximate amount of the contract was \$3,894. Bids, opened March 27, were as follows:

100 Per Cent Pennsylvania Base Oil.

10 Drums, 550 Gallons, S. A. E. Light Motor Oil, Per Gallon.—Tide Water Associated Oil Company, 42 cents; Colonial-Beacon Oil Company, 39.19 cents; Gulf Oil Corporation, 38 cents, No. 232 20 Motor Fleet; Pennsylvania Oil Company, 39 cents; Roblyn Oil Company, Incorporated, 30.7 cents; Socony-Vacuum Oil Company, Incorporated, 34.2 cents, S. A. E. 20; Cities Service Oil Company, 29.5 cents*; Sinclair Refining Company, 38 cents; Shell Oil Company, Incorporated, 37.4 cents.

70 Drums, 3,850 Gallons, S. A. E. Medium Motor Oil, Per Gallon.—Tide Water Associated Oil Company, 42 cents; Colonial-Beacon Oil Company, 39.19 cents; Gulf Oil Corporation, 38 cents, No. 283 30 Motor Fleet; Pennsylvania Oil Company, 39 cents; Roblyn Oil Company, Incorporated, 30.7 cents; Socony-Vacuum Oil Company, Incorporated, 33.8 cents, S. A. E. 30; Cities Service Oil Company, 29.5 cents*; Sinclair Refining Company, 38 cents; Shell Oil Company, Incorporated, 37.4 cents.

110 Drums, 6,050 Gallons, S. A. E. Medium Heavy Motor Oil, Per Gallon.—Tide Water Associated Oil Company, 42 cents; Colonial-Beacon Oil Company, 39.19 cents; Gulf Oil Corporation, 38 cents, No. 234 40 Motor Fleet; Pennsylvania Oil Company, 38 cents; Roblyn Oil Company, Incorporated, 31.9 cents; Socony-Vacuum Oil Company, Incorporated, 33.6 cents, S. A. E. 40; Cities Service Oil Company, 29.5 cents*; Sinclair Refining Company, 38 cents; Shell Oil Company, Incorporated, 37.4 cents.

50 Drums, 2,750 Gallons, S. A. E. Heavy Motor Oil, Per Gallon.—Tide Water Associated Oil Company, 42 cents; Colonial-Beacon Oil Company, 39.19 cents; Gulf Oil Corporation, 38 cents, No. 235 50 Motor Fleet; Pennsylvania Oil Company, 38 cents; Roblyn Oil Company, Incorporated, 32.9 cents; Socony-Vacuum Oil Company, Incorporated,

33.1 cents, S. A. E. 50; Cities Service Oil Company, 29.5 cents*; Sinclair Refining Company, 38 cents; Shell Oil Company, Incorporated, 37.4 cents.

Approximate Total.—Tide Water Associated Oil Company, \$5,544; Colonial-Beacon Oil Company, \$5,173.08; Gulf Oil Corporation, \$5,016; Pennsylvania Oil Company, \$5,060; Roblyn Oil Company, Incorporated, \$4,185.50; Socony-Vacuum Oil Company, Incorporated, \$4,432.45; Cities Service Oil Company, \$3,894; Sinclair Refining Company, \$5,016; Shell Oil Company, Incorporated, \$4,936.80.

Cash Discount, Ten Days.—Tide Water Associated Oil Company, 1 per cent; Colonial-Beacon Oil Company, 1 per cent; Gulf Oil Corporation, 1 per cent; Pennsylvania Oil Company, 2 per cent; Roblyn Oil Company, Incorporated, 2 per cent; Socony-Vacuum Oil Company, Incorporated, 1 per cent; Cities Service Oil Company, 2 per cent; Sinclair Refining Company, 1 per cent from date of shipment; Shell Oil Company, Incorporated, 1 per cent.

Remarks.—Colonial-Beacon Oil Company, the option to extend contract to April 15, 1941, will be allowed provided quantities stated have not been exceeded; Gulf Oil Corporation, returnable steel drums; oils meet specifications, however, the oil is not refined 100 per cent from Pennsylvania crudes; engineering service is available to city, upon request, to assist in bringing about the most economical operation of city motor fleet; purchaser agrees to return drums promptly when empty and to pay for all drums not returned within ninety days from date of shipment the sum of \$8.00 each, which amount will be refunded upon return of the drums in good condition within a reasonable time from date of shipment; the purchaser agrees to pay a reasonable charge for repairs to any drums damaged and for replacing any missing plugs; Roblyn Oil Company, Incorporated, delivered in returnable drums; Socony-Vacuum Oil Company, Incorporated, delivered in returnable barrels; prices are guaranteed for a period of ninety days beginning April 16, 1940; after July 16, 1940, prices may be revised; in the event of any advance in price of any particular brand or grade, buyer may purchase within thirty days after notice of such advance, a quantity of such brand or grade at the old price not in excess of buyer's average monthly purchases of such brand or grade during the preceding months under this contract; Cities Service Oil Company, drums to remain the property of the seller and to be returned promptly in good condition when empty; Sinclair Refining Company, delivered in returnable drums; (a) see clause regarding strikes, lockouts, fires, etc.; (b) see clause regarding any additional taxes, etc.

* Contract awarded.

* Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with dealers

in supplies and labor, etc. Communications from the heads of the departments interested were as follows:

HOSPITAL DEPARTMENT.

BOSTON, April 9, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR SIR,—Authority is hereby respectfully requested to dispense with advertising for the performance of the following additional work in connection with the repair of the chimney stack of the Power House, Boston City Hospital. Subject to your Honor's approval, the trustees will enter into a contract for this work with the W. E. Smith Chimney Construction Company, the contractor on the present contract for repairing this chimney stack.

This contract, when entered into, will be in the sum of \$1,790, and will be in the form of an amendment to the present contract, increasing the amount of the present contract from \$1,985 to \$3,775. This request is made because when the contractor recently started the work called for in the present contract, he found that there was a fissure in the chimney below the twenty-foot limit specified in the contract, the presence of which was not known at the time the original contract was entered into and, therefore, not provided for in the contract.

The trustees feel that this sum of \$1,790 is a fair and reasonable amount for this additional work and that it will be in the best interests of the city to have this work performed by the contractor now engaged in repairing this chimney.

Respectfully yours,

TRUSTEES OF THE
BOSTON CITY HOSPITAL,
by CARL DREYFUS,
President.

SUPPLY DEPARTMENT.

BOSTON, April 3, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR MR. MAYOR,—Permission is respectfully requested to award a contract, without publicly advertising, to the Bowers Motor Sales, 415 Hyde Park avenue, Roslindale, for delivery to 70 Bristol street, Fire Department, of the following:

One 1940 Lincoln Zephyr, Fordor sedan, delivery price f. o. b., \$1,409; less 10 per cent discount, \$140.90—\$1,268.10. Equipment and necessities: Freight and handling, \$66.50; gas and oil, \$3.28; Federal excise tax, \$29.78; white side wall tires, \$20; hot water heater, \$25.75; heavy duty generator, Police Type, \$46; all fiber seat covers, installed, \$19; Motorola Model 34-K radio, installed, \$67—total cost, \$1,545.41; less excise tax, \$29.78—net cost, \$1,515.63.

As the Bowers Motor Sales are the direct agents of the manufacturers, nothing would be gained by publicly advertising.

Respectfully yours,

JOHN A. BREEN,
Superintendent of Supplies.

BOSTON, April 5, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR MR. MAYOR,—On April 3 you approved award of contracts to the Hailer Drug Company, Gilman Brothers, and McKesson & Robbins, as requested in my letter of March 26, for furnishing insulin to city departments.

I am now in receipt of information from these companies that, effective April 1, 1940, reductions have been made in the price of insulin averaging a substantial decrease in the prices previously quoted. The awards as they now stand represent a decrease of \$1,550.60 from the prices quoted in the bids publicly opened February 15.

Your permission is respectfully requested to amend the proposed contracts to conform with the following:

Hailer Drug Company, \$5,760; Gilman Brothers, \$1,361.70; McKesson & Robbins, \$1,361.70.

Respectfully yours,

JOHN A. BREEN,
Superintendent of Supplies.

TRANSIT DEPARTMENT.

BOSTON, April 6, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR SIR,—Your approval is respectfully requested to sell to the Boston Junk Company fifty tons, more or less, of cast-iron pipe at a price of eight dollars and fifteen cents (\$8.15) per gross ton. This material was removed in connection with the construction of the Huntington Avenue Subway and is occupying storage room which is needed at once for other purposes.

Respectfully yours,

DANIEL J. O'CONNELL,
Acting Chairman.

REGISTRY OF DEEDS.

BOSTON, March 28, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR MR. MAYOR,—In accordance with the provisions of chapter 156 of the Acts of 1939 I hereby respectfully request from your Honor written authority to dispense with advertising for proposals for the furnishing of supplies for the Suffolk Registry of Deeds, particularly with respect to Items C-9, B-1 and D-1 of the budget, for the following reasons:

1. The principal articles to be purchased under C-9 are standard typewriters for which there is a standard price, with a standard discount to state, city and county departments.

2. Practically all of the Item B-1 is for the binding of indexes and record books. This work has been efficiently, satisfactorily and expeditiously performed by the same concern at a fair price for more than half a century. This concern agrees to do the work at the same prices at which the contract was awarded to it last year.

3. The Item D-1 covers the furnishing of grantor and grantee indexes for the Recording Department and for the Registered Land Department, which are furnished under the same conditions referred to in paragraph 2; and the item also covers standard record paper and sundry articles of stationery, which are furnished at standard prices.

Respectfully yours,

W. T. A. FITZGERALD,
Registrar.

MANY TYPES OF W. P. A. PROJECTS.

The Works Progress Administration has placed in operation a total of more than 300,000 projects. Except for the more pretentious types of construction, these projects have covered almost the whole field of American endeavor in meeting the primary objective of relieving unemployment. *The American City.*

CLAIMS ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claims:

Helen Rose, 66 Wildwood street, Dorchester, in the sum of \$12, as compensation for damage to automobile caused when truck belonging to the Water Division, Public Works Department, operated by one Harold E. Corbett, a W. P. A. worker, collided with her car, January 12, 1940.

Ralph Massa, 64 Linden place, Brookline, in the sum of \$9, as compensation for damage to automobile caused when truck of the Water Division, Public Works Department, operated by one William Dodd, collided with his car, December 20, 1939.

Edward J. Hanrahan, 617 East Seventh street, South Boston, in the sum of \$6, as reimbursement for accident which occurred on February 2, 1940, while he was operating car belonging to the Paving Division, Public Works Department, which collided with taxicab owned by one Nicholas Battite.

Michael J. Mirisola, 113 Moreland street, Roxbury, in the sum of \$7, as refund on pedler's license No. 355 and plates No. 759, issued by the Health Department on March 8, 1940, and which he turned in for a license to peddle in the market district paying the customary \$12 fee.

Delia J. Healey, 788 Beacon street, Boston, in the sum of \$80, as compensation for personal injuries caused by defective curbstone on Boylston street, in front of Police Station 16, July 2, 1939.

Joseph P. Maguire, 77 Central street, Waltham, in the sum of \$40.40, as compensation for damage to automobile caused by hole in highway in front of gate No. 222, March 7, 1939.

Marion V. Murray, 2B Wigglesworth street, Roxbury, in the sum of \$55, as compensation for personal injuries to her daughter, Marion Murray, caused by broken concrete on sidewalk in front of 1579 Tremont street, September 13, 1939.

Rev. Malachi J. Prendergast, 403 Union street, Rockland, in the sum of \$43, as compensation for damage to automobile caused by hole in highway on Centre street, about fifty yards from the intersection of Veterans of Foreign Wars Parkway, January 14, 1940.

George J. Reagan, 272 Faneuil street, Brighton, in the sum of \$5, as reimbursement for accident which occurred on January 26, 1940, while he was operating truck belonging to the School Buildings Department which collided with automobile owned by one William H. Carroll.

F. Brooks, 1870 Commonwealth avenue, Brighton, in the sum of \$8, as refund on plumbing permit which was applied for on July 5, 1939, for work at 186 Commonwealth avenue, and which was later abandoned because of conditions which developed later.

Ralph A. Hatch, 1185 Boylston street, Boston, in the sum of \$21, as compensation for damage to automobile caused by defect in highway in front of 253 Corey street, West Roxbury, April 24, 1939.

POLICE DEPARTMENT ORDERS.

General Order No. 468.

The Superintendent of Police is hereby directed to make the following details for duty at the Presidential Primary in this city on Tuesday, April 30, 1940.

1. Three patrolmen for duty in the office of the Board of Election Commissioners, 111 City Hall Annex, on arrival of ballots for the Presidential Primary at about 11 o'clock a. m., Monday, April 29, 1940, such details to continue until all ballots cast at the Primary have been returned.

2. An officer of rank above that of sergeant for duty at the City Hall Annex, to supervise the police detail for motor trucks from 5 o'clock a. m., Tuesday, April 30, 1940, until relieved, and a patrolman from 8 o'clock p. m., on the same date, until relieved, for duty at the same place, to keep clear the approaches to the office of the Board of Election Commissioners for motor vehicles returning from the polling places with ballot boxes, etc.

3. The necessary number of patrolmen from the several police divisions to attend the several polling places in this city on Presidential Primary Day, to preserve order and protect voters in the full exercise of their rights.

4. Twenty-three sergeants, one to a motor vehicle, to report at the office of the Board of Election Commissioners in ample season to be prepared to leave that office for their respective destinations, according to the following schedule, in such vehicle with ballot boxes, ballots, etc., and deliver such ballot boxes, ballots, etc., to the police officer detailed in each precinct.

SCHEDULE FOR HOURS OF DEPARTURE OF SERGEANTS SO DETAILED FROM OFFICE OF BOARD OF ELECTION COMMISSIONERS ON MORNING OF APRIL 30, 1940:

One motor vehicle for each of the twenty-two wards, excepting Ward 1, East Boston, for which two trucks have been engaged.

Wards 1 to 7, both inclusive, 6 a. m.
Wards 8 to 10, both inclusive, 5.30 a. m.
Ward 11, 5 a. m.
Ward 12, 5.45 a. m.
Wards 13 to 17, both inclusive, 5.30 a. m.
Ward 18, 4.45 a. m.
Wards 19 and 20, 5.20 a. m.
Ward 21, 5.25 a. m.
Ward 22, 5.30 a. m.

5. For proper coordination in the delivery of ballot boxes, ballots, etc., by the sergeants, as herein set forth, to the police officers detailed at the various precincts, it is of the utmost importance that such sergeants leave the City Hall Annex promptly on time as per schedule.

6. One patrolman to report at each of the three hundred and eighty-six precincts, as hereinafter set forth, on Tuesday, April 30, 1940, to receive ballot boxes, ballots, etc., from the sergeants detailed on motor trucks.

From the opening to close of the polls there shall be detailed an additional police officer outside of each of the three hundred and eighty-six (386) polling places in the city. This provision is made to prevent alleged continued violations of the election laws relative to distribution of campaign literature within 150 feet of a polling place, and to remedy conditions at polling places, reported by the Board of Election Commissioners, which have brought complaints from voters to the effect that campaign workers

and loiterers outside of the polls have hampered their progress to and from voting.

NOTE.—The Board of Election Commissioners points out that a candidate running on stickers (or his representative) may stand at the entrance to the polling place to distribute his stickers.

In Ward 22, Precinct 3, from the opening to close of the polls, an additional officer will be detailed outside the polling place, making two officers, in all, on the outside, at that location.

SCHEDULE OF THE HOUR FOR OFFICER TO REPORT IN EACH OF THE PRECINCTS TO RECEIVE BALLOT BOXES, BALLOTS, ETC., FROM SERGEANTS DETAILED ON MOTOR TRUCKS.

Ward 1, Precincts 9 to 11, both inclusive; Precincts 13 to 19, both inclusive; and Precinct 22, 6.15 a. m.

Ward 1, Precincts 1 to 8, both inclusive, and Precincts 12, 20 and 21, 6.30 a. m.

Ward 2, 6.30 a. m.

Ward 3, 4, 6 and 7, 6.45 a. m.

Ward 8, Precincts 1 to 6, both inclusive, 6 a. m.

Ward 8, Precinct 7, 6.15 a. m.

Ward 8, Precincts 8 to 14, both inclusive, 6.20 a. m.

Ward 9, Precincts 1 to 6, both inclusive, 6 a. m.

Ward 9, Precincts 7 to 15, both inclusive, 6.30 a. m.

Ward 10, Precincts 2 to 4, both inclusive, 6 a. m.

Ward 10, Precincts 5 to 11, both inclusive, 6.15 a. m.

Ward 10, Precincts 12 to 16, both inclusive, 6.30 a. m.

Ward 11, Precincts 1 to 4, both inclusive, 6 a. m.

Ward 11, Precincts 5 to 12, both inclusive, 6.15 a. m.

Ward 11, Precincts 13 to 16, both inclusive, 6.30 a. m.

Ward 12, Precincts 1 to 4, both inclusive, 6 a. m.

Ward 12, Precincts 5 to 8, both inclusive, 6.15 a. m.

Ward 12, Precincts 9 to 11, both inclusive, 6.30 a. m.

Ward 12, Precincts 12 to 19, both inclusive, 6.45 a. m.

Ward 13, Precincts 1 to 5, both inclusive, 6 a. m.

Ward 13, Precincts 6 and 7, 6.15 a. m.

Ward 13, Precincts 8 to 12, both inclusive, 6.30 a. m.

Ward 13, Precincts 13 to 16, both inclusive, 6.45 a. m.

Ward 14, Precincts 1 to 5, both inclusive, and Precinct 21, 6 a. m.

Ward 14, Precinct 6, 6.15 a. m.

Ward 14, Precincts 7 to 20, both inclusive, 6.30 a. m.

Ward 15, Precincts 1 to 4, both inclusive, and Precinct 13, 6 a. m.

Ward 15, Precincts 5 to 8, both inclusive, 6.15 a. m.

Ward 15, Precincts 9 to 12, both inclusive, 6.30 a. m.

Ward 15, Precincts 14 and 15, 6.45 a. m.

POLICE DEPARTMENT ORDERS.

(Continued from page 479.)

also, that the patrolmen herein detailed report at the polling places in the various precincts promptly according to schedule.

Failure for any reason of an officer to be on hand at a polling place at the appointed time delays the sergeant in the motor vehicle in his delivery of the ballot boxes, ballots, etc., and interferes, as is plainly seen, with the balance of the delivery schedule.

8. This detail of patrolmen at the various precincts will continue until the ballots are counted and the results declared. The officers are then to bring the ballots and returns to the Election Commissioners' office.

9. Cards with the ward and precinct number and location of voting booth printed thereon will be forwarded to the several police divisions, on which the division commander will write the name, the division number, and the number of the officer detailed at the time stated on the morning of April 30, 1940, at the voting booth of each respective precinct on his division. This card, to be given to the officer so detailed at the voting booth, will be retained in his possession until delivered by him to an employee of the Board of Election Commissioners, who will arrive accompanying a sergeant on motor vehicle from the Election Commissioners' office on the morning of April 30, with the ballot boxes, ballots, etc., as hereinbefore stated.

This card, when returned by such employee to the office of the Election Commissioners will be its receipt that the ballot boxes, ballots, etc., have arrived at their proper destination.

10. On receipt by the patrolman from the sergeant, detailed on motor vehicle, as herein provided, of registering ballot box, ballots, voting lists and such other documents as may have been received from the Election Commissioners, the patrolman detailed at polling place will deliver same to the warden or clerk of the precinct, allowing no person to take or handle them before such delivery, and hand the key of the registering ballot box to the warden. On delivery of the ballots to the warden, the patrolman will take from him a receipt for the same, which receipt will be returned to the Election Commissioners.

11. After the warden has opened the box and allowed the election officers and the public to see that it is empty, the box is to be again locked and the key given to the patrolman who is to retain it until

after the polls have closed, except that, at the request of the warden, the patrolman may allow him to open the box for the purpose of pressing down the ballots, in order to make room for more ballots, after which the patrolman will see that the box is again locked, and the key returned to the police officer.

12. The patrolman will obtain from the warden copies of poster, which will be sent to the latter, in relation to smoking and the use of liquor in polling places, and post same in conspicuous places where they may be easily read. Tacks will be sent for the purpose.

13. The warden will deliver to the patrolman detailed at the polling place for his use at that place a copy of the descriptive voting list, which must be returned to the warden at the close of polls.

14. When the polls are opened the patrolman will mark in the place indicated on tag attached to the key the figures which the register shows before any ballots are cast.

15. At 8 p. m., Tuesday, April 30, when the polls close, one sergeant will report in each of the twenty-two wards (excepting Ward 1, East Boston, for which two sergeants and two motor trucks are provided), to meet motor vehicle at last point of morning distribution; thence to proceed to each of the several precincts in his respective ward, and receive registering ballot box (which must be locked) and key thereof, voting lists envelope, signed by the warden and other election officers, receipts for ballots, unused ballot envelope, sealed and certified (containing unused and spoiled ballots), stamps for marking spoiled ballots, receipts for ballots, and check-lists, carry them to the Election Commissioners' office and deliver same to some member of the Board of Election Commissioners.

16. When the polls are closed the patrolman will mark on the same tag the figures which the register shows after all ballots have been cast. He will then hand the key to the warden, who will open the box and take out all the ballots to be sorted and counted. The warden will then cause the voting lists, including the list used by the police officer, to be sealed up in an envelope and the envelope certified by the signatures of himself and the other election officers and the same returned to the Election Commissioners, as described in Section 15 of this order. The patrolman will not allow this envelope to be put into the ballot box. The sergeant who will report on motor vehicle will keep it about his person until delivery

at the office of the Election Commissioners. The unused and spoiled ballots are then to be put in the envelope for unused ballots and the envelope sealed and certified.

17. When returning from polls, all motor vehicles must drive to the easterly side of City Hall Annex, Court square, where ballot boxes will be conveyed by chute to the basement.

18. It is important that the patrolman sees that the voting lists envelope is signed by the warden, clerk and all the inspectors. The patrolman will also see that the special book for signatures of voters is returned in the registering ballot box.

19. In case a patrolman is detailed to relieve another after the close of the polls, the commanding officer will see that he is properly instructed as to the duty of bringing the official returns, the box of ballots cast, and the press return to the Election Commissioners' office as soon as they are delivered to him by the election officers.

20. When the ballots have all been counted, the ballots thus counted, tally sheets and nothing else (the ballots to be in their separate party envelopes) shall be placed by the warden in the leatheroid box for that purpose, which must be sealed up and signed by all the election officers. The patrolman will particularly see that this box is properly sealed up and that all the election officers have signed their names to the certificate on the box. The patrolman will then bring the box, official return, record book, and press return to the City Hall Annex, Court square, and deliver same to the Election Commissioners. The patrolman is directed not to allow the official return, press return or record book to be placed in the leatheroid box.

21. While the polls remain open, an officer of rank will visit the polling place in each division at stated intervals, to be designated by the captain, and in case of any disturbance will report the fact to the commanding officer of the station house without delay. If additional men are needed beyond the number available in that division the officer in charge will communicate immediately with Headquarters.

22. Attention is called to the fact that the polls at the Presidential Primary on Tuesday, April 30, 1940, shall open at 8 o'clock a. m., and close at 8 o'clock p. m.

23. Commanding officers of divisions will see that the officers detailed for duty on Presidential Primary Day are furnished with a copy of the circular issued by the Board of Election Commissioners, entitled: "Instructions to Police Officers on Primary . . . Days."

24. The counting of ballots will be done on one table only with two inspectors counting and two inspectors watching the count.

NOTES.

(A) Attention is again called to the last paragraph of the circular, "Instructions to Police Officers on Primary . . . Days," which reads: "The police officer is directed not to allow the official return or record book to be placed in the leatheroid box."

That this may not happen (as it has in the past notwithstanding repeated instructions) in any of the precincts of this city at the coming primary, the officer of rank who will visit the polling places in each division (provided for in Section 21 of this order) shall, at an appropriate time, call to the attention of the police officer and of the warden on duty at the

polls, that the official return, press return and record book are not to be placed in the leatheroid box.

They shall be handed to the police officer who will deliver them as set out in the paragraph immediately following.

(B) The officer going to the office of the Board of Election Commissioners with the leatheroid box, after the counting of the ballots, will take with him, in a separate package, the official return, press return and record book, which he shall safely deliver to the Election Commissioners with the leatheroid box, as provided in Section 20 of this order.

(C) The police shall enforce the order that smoking is prohibited within the confines of the Polling Places, during the entire day, while the polls are open, as well as after they are closed.

The Board of Election Commissioners makes special request that the officers detailed at the 386 precincts be instructed to see that this is enforced.

As polling places and their approaches and exits are, in many instances, in buildings used for places of religious worship, to say nothing of the danger to valuable property from careless persons, the importance of these instructions is apparent.

Commanding officers will take notice, and provide means to correct, the following conditions set out in a paragraph of a letter received by the Police Commissioner from the Board of Election Commissioners:

"May we again call your attention to the law which prohibits smoking in any polling place, and ask you to have the officers who are detailed to the three hundred and eighty-six (386) precincts make a special effort to see that there is no smoking during the entire day, while the polls are closed as well as after they are open."

(D) The following matter was on a previous occasion brought particularly to the attention of the Police Commissioner in writing by the Board of Election Commissioners. Commanding officers will see that this cause of complaint, if it again occurs, is corrected:

"During the hours from 6 p. m. to 8 p. m. there has been a large increase in the number of persons who congregate outside the polling places. This makes it disagreeable to voters who are entering and leaving the polling places. May we ask that the police use every effort to relieve this congestion?"

(E) Under date of October 27, 1939, the Board of Election Commissioners wrote to the Police Commissioner as follows:

"May we again emphasize the need for care in handling the ballot boxes. Many of the boxes are old, but since we cannot afford to replace them at this time we try to handle them with the greatest care. We trust that the officers detailed to polling places and to trucks will be careful of the boxes and will see that nobody else is permitted to mistreat them."

"We also request that the officers assigned to the polls be reminded that it is the privilege of the voters to watch the count of votes cast; the law specifically states 'The voting lists and all ballots removed from the ballot box shall be kept in open view of the voters present until enclosed and sealed up, and all proceedings in the canvass and counting of votes shall be public and in open view of the voters.' It is understood, of course, that no disturbance or crowding is to be allowed and that the voters are to remain outside the rails."

"Wardens have been instructed that no checkers are to be allowed in the polling places, and we expect that the officers will assist them in enforcing this rule."

(F) The following precinct changes set out by the Board of Election Commissioners are again brought to the attention of the department:

Ward 2, Precinct 2, now a part of Precinct 3.

Ward 2, Precinct 4, now a part of Precinct 5.

Ward 7, Precinct 18, a new precinct.

Ward 10, Precinct 1, now a part of Precinct 2.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 469.

In accordance with General Order No. 171, January 12, 1938, the Trial Board consisting of Captains Mullen, Donovan and Buccigross reconvened on Friday, April 12, 1940, at 11 o'clock a. m., for the purpose of making final disposition of the complaint of Capt. James T. Sheehan, then commanding Division 11, against Patrolman Albert F. Connolly of that division charged with neglect of duty.

Therefore, it appearing on this date that as of record in the intervening period of more than two years, no complaint has been made for violation of the Police Rules and Regulations against the said Patrolman Albert F. Connolly, the Board recommends that the case be placed on file.

The commissioner accepts the finding and recommendation of the Trial Board and it is hereby ordered that the case be placed on file.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 470.

It is hereby ordered that vacations for members of the Force for 1940 shall begin May 11 and end October 25, and not more than one-tenth of the whole number attached to any division shall be absent on vacation at the same time.

No days of relief will be allowed to members of the Force on July 3 and 4, and on State Primary Day, September 17, 1940.

Members of the department before going on vacation shall give a definite address, so that commanding officers can communicate with them without delay.

Five days before each vacation begins, commanding officers shall forward to the superintendent a list, in triplicate, giving the names of all officers who will be on that vacation. One day before the vacation begins, commanding officers shall forward to the superintendent a list, one original copy, giving the names and emergency addresses of the officers who are going on vacation.

The time for each vacation shall be determined by lot in the usual manner on Thursday, May 2, 1940.

If officers desire a late vacation during the period from October 25 to December 31, 1940, they may be accommodated

when such request is approved by their division commanders and the superintendent.

Vacations to Begin and End as Follows:

No. 1, to begin at 7.45 a. m. May 11, to end at 7.45 a. m. May 25.

No. 2, to begin at 7.45 a. m. May 31, to end at 7.45 a. m. June 14.

No. 3, to begin at 7.45 a. m. June 18, to end at 7.45 a. m. July 2.

No. 4, to begin at 7.45 a. m. July 5, to end at 7.45 a. m. July 19.

No. 5, to begin at 7.45 a. m. July 19, to end at 7.45 a. m. August 2.

No. 6, to begin at 7.45 a. m. August 2, to end at 7.45 a. m. August 16.

No. 7, to begin at 7.45 a. m. August 16, to end at 7.45 a. m. August 30.

No. 8, to begin at 7.45 a. m. August 30, to end at 7.45 a. m. September 13.

No. 9, to begin at 7.45 a. m. September 27, to end at 7.45 a. m. October 11.

No. 10, to begin at 7.45 a. m. October 11, to end at 7.45 a. m. October 25.

Commanding officers of divisions and units shall not allow vacations to interfere with the proper operation of their organization, making shifts in day and night duty and taking such other steps as may be necessary to provide adequate protection and proper functioning of the Force under their control.

Two copies of this General Order are sent to each division and unit, so that one copy may be placed on the bulletin board for the direct notice of all officers.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

REVISION OF ASSESSMENTS.

The Mayor has approved the following orders of the Board of Street Commissioners:

In the matter of the application for revision of assessment levied on account of the construction of sewerage works the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said application,

Ordered, That the amounts herein-after specified, being the annual apportionments of said assessment for the years specified below, be, and the same are hereby, abated.

Joseph C. Magnet, Weld street, West Roxbury, lot A (part of original lot 45), assessed October 4, 1929, 1934 apportionment, \$23.80; 1935 apportionment, \$22.75. Total, \$46.55.

In the matter of the application for revision of assessment levied on account of the construction of sewerage works the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said application,

Ordered, That the amount hereinafter specified, being the annual apportionment of said assessment for the year specified below, be, and the same is hereby, abated.

Thomas A. Macauley, Chestnut terrace, Brighton, lot A (part of original lot 14), 1938 apportionment, \$10.55, assessed October 8, 1929.

CLAIMS ALLOWED.

The Mayor upon recommendation of the Corporation Counsel has approved the following claims:

William F. Quinn, 7 City square, Charlestown, to be reimbursed, in the sum of \$33.10, for accident which occurred on November 2, 1939, when fire apparatus which he was operating struck an automobile owned by one Edward J. Bradley.

Joseph H. Monahan, 1 Charles street, Dorchester, to be reimbursed, in the sum of \$19.25, for accident which occurred on January 13, 1939, while he was operating a truck belonging to the Street Cleaning Division, Public Works Department, which backed into an automobile owned by one Samuel Gordon.

Patrick J. Manning, 20 Malverna road, Roslindale, in the sum of \$80.20, as reimbursement for accident which occurred on October 31, 1939, when fire apparatus which he was driving collided with automobile owned by Joseph S. Waterman & Sons, Incorporated.

Maurice J. Murphy, 28 Donnybrook road, Brighton, in the sum of \$22.50, as compensation for damage to automobile caused by collision with truck belonging to the Water Division, Public Works Department, at intersection of Harrison avenue and Broadway, October 4, 1939.

Agnes Kearns, 3 Oscar street, Roxbury, in the sum of \$50, as compensation for damage to property in cellar of above premises caused by backing up of sewer, September 6, 1939.

Lawrence C. Bolinder, 430 West Main street, Avon, in the sum of \$75, as compensation for personal injuries and damage to automobile caused by defect in highway on Minot street, Dorchester, opposite Sheridan street, September 9, 1939.

James Corliss, 671A Washington street, Brighton, in the sum of \$14.84, as compensation for damage to automobile caused by hole in highway in front of 40 Hardwick street, Brighton, November 19, 1939.

Elizabeth M. O'Brien, 5 Orient avenue, East Boston, in the sum of \$150, as compensation for personal injuries caused by hole in sidewalk in front of 8 Orient avenue, April 8, 1938.

Edward Pelrine, 120 Everett street, East Boston, in the sum of \$7, as compensation for personal injuries caused by defective door on ferryboat, January 12, 1940.

Thomas J. Ryan, 37 St. Gregory street, Dorchester, in the sum of \$12, as reimbursement for expense incurred in digging to locate a water leak which

later was found to be on city property, January 12, 1940.

Edward J. Harding, 595 Adams street, Quincy, in the sum of \$25, as compensation for damage to automobile caused when motor vehicle belonging to the Water Division, Public Works Department, skidded and struck his car at East Cottage and Pleasant streets, February 10, 1940.

Redmond L. Walsh, 62 Granite avenue, Dorchester, in the sum of \$19, as compensation for damage to automobile caused by snow sliding from the roof of the Young's Hotel building on City Hall avenue, which was leased by the city, March 15, 1939.

John J. Bach, Jr., 845 East Second street, South Boston, in the sum of \$5, as refund of fee paid for a Sunday license to sell fruit, February 23, 1940, which was not issued and which he decided not to take out.

Etta G. Bagloe, 51 Riverview road, Brighton, in the sum of \$25, as compensation for personal injuries caused by hole in street on Riverview road, opposite No. 43, November 13, 1939.

Rev. James J. Murphy, 675 Washington street, Brighton, in the sum of \$96, as compensation for damage to property caused by break in water main in front of 25 Burton street, April, 1939.

William G. Gale *et al.*, 7 Paula road, Dorchester, in the sum of \$60, as compensation for damage to property at above address, caused by blasting during October, 1939, when the city was constructing a sewer.

E. W. Hanson, 44 Rockwell street, Dorchester, to be reimbursed, in the sum of \$8.64, for expenses incurred in making repairs as a result of damage to property by broken water pipes caused by city employees while using a hydrant on June 22, 1939.

Viola R. Pinanski, 256 Hanover street, Boston, in the sum of \$50, as compensation for damage to property in cellar of above premises caused by leak in water main, September 12, 1939.

Maria E. Wahlstrom, 47 Rockwell street, Dorchester, to be reimbursed, in the sum of \$13.80, for expense incurred in making repairs as a result of damage to property by broken water pipe caused by city employees while using hydrant, June 22, 1939.

Mrs. Frank Mills, 54 Manthorne road, West Roxbury, in the sum of \$50, as compensation for personal injuries caused by raised block of concrete on sidewalk in front of 36 Manthorne road, September 1, 1939.

Josephine Sanford, 53 Rockwell street, Dorchester, to be reimbursed, in the sum of \$3.20, for expense incurred in making repairs as a result of damage to property by broken water pipe caused by city employees while using hydrant, June 22, 1939.

Ethel M. Perry, 31 Rockwell street, Dorchester, to be reimbursed, in the sum of \$3.35, for expense incurred in making repairs as a result of damage to property by broken water pipe caused by city employees while using hydrant, June 22, 1939.

George Taylor, 8 Townsend place, Boston, in the sum of \$2, as refund of fee paid for permit No. 27598 issued on October 10, 1939, to project a plain sign at 12 Carver street, permission for which was refused by the owner.

Louis Eagles, 43 Coleman street, Dorchester, in the sum of \$5, as refund on dog license No. K-1450, issued at Station

11 on October 18, 1939, for dog which was picked up by Animal Rescue League on October 17 and disposed of.

Mrs. Richard E. Gould *et al.*, 45 Rockwell street, Dorchester, to be reimbursed in the sum of \$15, for expenses incurred in making repairs as a result of damage to property by broken water pipes caused by city employes while using a hydrant on June 22, 1939.

James M. Kaveney, 16 Allen street, Boston, in the sum of \$25, as compensation for personal injuries caused by defective manhole cover on Green street, at the corner of Lynde street, January 14, 1939.

Marguerite C. Driscoll, 35 Druid street, Mattapan, in the sum of \$2, as refund on dog license No. V-322 issued May 27, 1939, by Station 19 for a male dog on which her father, Thomas J. Driscoll, also paid a license fee at Station 19 on September 21, 1939.

Samuel A. Levine, Administrator of the Estate of Nathan Levine, 34 Essex street, Boston, in the sum of \$23.83, as refund on second-hand dealer's license issued to Nathan Levine under the firm name of Essex Loan Company on April 28, 1939, and which was canceled by the Police Commissioner on December 6, 1939, after death of Mr. Levine.

Maurice F. Horan Company, 83 Essex street, Boston, in the sum of \$45, as compensation for damage to automobile caused by curbstone which extended about eight inches into the street between Nos. 45 and 49 Oak street, Hyde Park, October 11, 1938.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of water pipe construction, estimated to be two (2) days, vehicles are excluded from the following street, effective April 17, 1940:

Walnut Avenue, Roxbury.

From Bainbridge street to Humboldt avenue.

Voted, That as urgently required by considerations of public safety and convenience, during the period of removal and replacement of dangerous building wall, estimated to be two (2) weeks, vehicles are excluded from the following street, effective April 16, 1940:

Lawrence Street, Charlestown.

From Austin street to Chapman street.

LAND-TAKING IN HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for sewerage works to be constructed as follows:

The right and easement is taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city; trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within sixty days following a notice of the city's intention to enter upon said taking

for the purpose of constructing said sewerage works. Said lands are in that part of Boston formerly Hyde Park and are bounded as follows:

A parcel of land, owners unknown, being part of the private way known as Mariposa street, bounded:

Northwesterly by Wood avenue, fifty-five and 95-100 feet; northeasterly by the line of Mariposa street by seven measurements, four hundred forty-two and 29-100 feet, four hundred eighty-two and 74-100 feet, two hundred forty-eight and 4-100 feet, ninety-seven and 16-100 feet, eighty-eight and 50-100 feet, seventy-three and 89-100 feet, and one hundred twelve and 73-100 feet; southeasterly by Blake street, forty and 33-100 feet, and southwesterly by the line of Mariposa street by seven measurements, one hundred eighteen and 21-100 feet, ninety-seven and 16-100 feet, eighty-eight and 50-100 feet, seventy-three and 89-100 feet, two hundred forty-six and 48-100 feet, four hundred eighty-two and 4-100 feet and four hundred four and 4-100 feet to point of beginning, containing sixty-one thousand one hundred eight square feet.

The sewerage works to be constructed are as follows: There is to be built

in this proposed taking 1,694 linear feet of 12-inch and 15-inch pipe surface drain, nine catch-basins and 180 linear feet of catch-basin drain.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this Board determines that no person sustains damages in his estate by the taking of an easement for sewerage purposes in Mariposa street, Hyde Park district, under the order of the board of April 11, 1940, and awards no damages therefor.

EXTENSION OF CONTRACT.

PUBLIC WORKS DEPARTMENT.

Baker & Co. have been granted an extension of the time of completion of the contract for placing high curbs on Summer Street Bridge, over Fort Point Channel; Summer Street Bridge, over the Reserved Channel; and Meridian Street Bridge, over Chelsea Creek, from April 2, 1940, to April 18, 1940. This extension is requested because of the bad weather during the months of February and March.

FIRE DEPARTMENT ORDERS.

General Order No. 15.

I. FIRE ALARM BOX REMOVED FROM SERVICE.

Fire alarm box No. 13-2512, Forest Hills Hospital, Morton street, Forest Hills, was removed from service permanently on April 11, 1940.

Company commanders will make the necessary correction on the assignment card for Box 2512.

II. CHANGE OF TIME.

Sunday, April 28, 1940, is the date required by law to make a change in clock time. In order to conform with the law, clocks in the department stations will be set ahead one hour at 2 a. m., and all tower clocks maintained by this department will be set ahead one hour at 6 a. m., or as soon thereafter as is practical, by the men regularly assigned to wind clocks.

III. A. D. T. ASSIGNMENT.

The following signal number is to be added to running cards of the A. D. T. Company in this department.

Signal 161, Associated Factory Mutual Fire Insurance Company, 184 High street. Apparatus to respond: Engine 25, Ladder 8, District Chief 5. Nearest box is 1291.

The following A. D. T. signal numbers have been discontinued:

Signal 67, 18-26 East street, building, Cabot, Cabot & Forbes.

Signal 129, 411 Washington street, I. J. Fox, Incorporated.

Signal 375, 626-636 Washington street, building, G. L. DeBlois & A. N. Maddison.

IV. G. A. C. ASSIGNMENT.

The following signal number is to be added to running cards of the General Alarm Corporation in this department:

Signal 134, Building 20-24 East street (Sprinkler). Apparatus to respond: Engine 7, Ladder 17, District Chief 5. Nearest box is 1434.

New pages, Nos. 5 and 6, dated 4-40, for the G. A. C. assignment book are being issued to the department today. New page 5 will replace old page 5 which is to be returned to Headquarters, in the envelopes provided, on or before Thursday, April 25, 1940.

V. BOSTON AUTOMATIC FIRE ALARM COMPANY.

The following signal number of the Boston Automatic Fire Alarm Company has been discontinued:

Signal 518, building, 43-45 Lincoln street.

VI. COMMENDATIONS.

Hoseman John J. Hernon of Engine Company 25 is hereby commended for volunteering and donating blood in transfusion to a patient at the Peter Bent Brigham Hospital on March 31, 1940.

Aide-to-Commissioner James J. Donovan of Headquarters is hereby commended for responding to and working at fire, Box 743, April 3, 1940, while off duty.

Hoseman William F. McGranachan of Engine Company 52 is hereby commended for volunteering and donating blood in transfusion to a patient at the Richardson House, Boston Lying-In Hospital, on April 3, 1940.

Ladderman Frederick W. Sullivan of Ladder Company 18 is hereby com-

mended for sounding an alarm and working at fire, Box 7432, April 10, 1940, while off duty.

Ladderman James J. Gallivan of Ladder Company 4 is hereby commended for volunteering and donating blood in transfusion to a patient at the Richardson House, Boston Lying-In Hospital, on April 13, 1940.

Hoseman Edward R. Hudson of Engine Company 12 is hereby commended for volunteering and donating blood in transfusion to a patient at the Richardson House, Boston Lying-In Hospital, on April 14, 1940.

Hoseman William F. Dewan of Rescue Company 2 is hereby commended for volunteering and donating blood in transfusion to a patient at the Deaconess Hospital on April 16, 1940.

By order of Fire Commissioner
WILLIAM ARTHUR REILLY.

SAMUEL J. POPE,
Chief of Department.

General Order No. 16.

I. FIRST AID INSTRUCTION COURSE.

The following-named officers of this department having completed a teaching course in First Aid conducted by the American Red Cross are hereby designated as Instructors of First Aid in this department:

Lieut. Francis A. Nicholson, Drill Master.

Capt. John J. Ainsworth, Ladder 30.

Lieut. Henry M. Wheeler, Ladder 19.
Lieut. Edward J. White, Engine 23.

First Aid equipment has been furnished to these officers for the purpose of teaching First Aid in their respective houses. The teaching of First Aid will start on Wednesday, April 24, 1940, and will be conducted in the following manner:

GAS FITTING PERMITS ISSUED FOR THE WEEK ENDING APRIL 24. — Concluded.

GAS FITTER.	Location.	Ward.	Nature.	Estimated Cost.
Cecil R. Horton	6 Park square	5	New piping, installing water heater.	\$85
Thomas C. Kelly	2 Sheldon street	19	Installing refrigerator	160
M. Myers	728 Dudley street	8	Installing lunch room equipment.	235
John J. Vogel	28 Heathcote street	19	Installing range	100
John J. Vogel	9 Kendall street	9	Installing forty-two ranges, forty-two refrigerators and two meters.	8,500
John J. Vogel	25 Kendall street	9	Installing thirty-six ranges, thirty-six refrigerators.	7,200
John J. Vogel	41 Kendall street	9	Installing twenty-four ranges, twenty-four refrigerators.	4,800
John J. Vogel	59 Kendall street	9	Installing eighteen ranges, eighteen refrigerators.	3,600
John J. Vogel	73 Kendall street	9	Installing twelve ranges and twelve refrigerators.	2,400
John J. Vogel	100 La Grange street	20	Installing heater	45
John J. Vogel	50 Lenox street	9	Installing twenty-four ranges and twenty-four refrigerators.	4,800
John J. Vogel	60 Lenox street	9	Installing twenty-four ranges and twenty-four refrigerators.	4,800
John J. Vogel	70 Lenox street	9	Installing twenty-four ranges and twenty-four refrigerators.	4,800
John J. Vogel	80 Lenox street	9	Installing twenty-four ranges and twenty-four refrigerators.	4,800
John J. Vogel	90 Lenox street	9	Installing twenty-four ranges and twenty-four refrigerators.	4,800
John J. Vogel	100 Lenox street	9	Installing thirty-one ranges and thirty refrigerators.	6,000
John J. Vogel	110 Lenox street	9	Installing twenty-four ranges and twenty-four refrigerators.	4,800
John J. Vogel	120 Lenox street	9	Installing piping throughout.	100
L. W. Blakney	131 Brown avenue	19	Installing range	75
Onide Cellot	8 Reedsdale street	21	New connection meter and piping.	35
Frank Gustafson	94 Mt. Hope street	18	Installing heater	100
Robert J. Graham	161 Broadway	3	New connections to meter, new outlet.	35
Harry A. Gray	37 Cobden street	11	Installing refrigerator	160
Lewis Haner	45 Neponset avenue	16	New connections to meter	90
K. N. Lindermann	9 Cranston street	19	Installing water heater	90
Fred Betterson	2 A street	6	Installing plate	25
D. J. Rull	44 I street	6	Installing refrigerator	170
Samuel Shulman	50 Humboldt avenue	12	Installing water heater and new piping.	125
Sam Slavet	864 Parker street	10	Installing three ranges	225
Thomas F. Smith	12 Danville street	20	Installing water heater	125
Thomas F. Smith	292 Hyde Park avenue	19	Installing water heater	150
Thomas F. Smith	80-120 Poplar street	20	Temporary installation of two ranges and one refrigerator.	225
Thomas F. Smith	111 Queensberry street	21	Installing refrigerator	160
Thomas F. Smith	120 Westchester road	19	Installing regulator	20

The above-named officers will start classes in their respective company quarters and shall keep an accurate record of the names of the pupils and the number of hours of instruction given each pupil. The system to be followed will be that each instructor will conduct a class of First Aid instruction for a period of two hours on their first day tour of duty after a twenty-four-hour period off duty, and their first night tour of duty after a twenty-four-hour tour of duty. Instructors shall adhere rigidly to this schedule in order that the same men receive the instructions. At least twenty-four hours of actual First Aid instructions must be given before a member is entitled to a First Aid Certificate.

In the case where engine and ladder companies are quartered in the same house and only one First Aid Instructor is present, the class shall consist of all men on duty in quarters when the classes are held. In the case of the Bowdoin Square Station, the classes for Rescue Company 3, Engine Company 4 and Engine Company 6 will be conducted by Captain Kennedy and Lieutenant Larson; Ladder Company 1 and Ladder Company 24 by Lieutenant Murphy. In the case of Engine Company 26 and Engine Company 35, the classes will be conducted by Captain Gaughan and Lieutenant Ryan; Rescue 1 and Tower 1 by Lieutenant Crouch.

When a course of twenty-four hours has been completed for a particular class the instructor shall send to headquarters a Form 5, certifying the names of the men who have completed the course.

Instructors will be held responsible for the proper care of all equipment, such as splints, bandages, charts, books, etc.

By order of Fire Commissioner
WILLIAM ARTHUR REILLY.

SAMUEL J. POPE,
Chief of Department.

BOSTON AS A TOWN.

From its foundation until 1755, or a period of 125 years, Boston was not only the most outstanding but the most populous town in the American colonies. In 1760, Philadelphia's population was ahead, viz., 18,756, Boston's then being 15,631 and New York's about 14,000. In the last year of town government, viz., 1821, Boston's population was about 45,000 and its public debt \$100,000, all incurred for new county buildings.

The history of Boston as a town during a period of nearly two centuries surpasses in civic interest that of Boston as a city because of the untiring zeal and successful efforts of its townsmen to realize more of true democracy than had ever been attained before. Their obligations were held as sacred as their liberties.

WEATHER IN BOSTON. STATISTICS FOR YEAR 1937.

The precipitation, amounting to 43.67 inches, was 3.53 inches above normal. Snowfall was 8.8 inches, or 34.7 inches below normal, 8.5 inches falling in January, March and December.

Maximum monthly precipitation was in April, or 5.34 inches; maximum rainfall in twenty-four consecutive hours, 3.36 inches on December 6-7; thunder storms on nineteen days, seventeen of these days being in May to August, inclusive; the first thunder shower came on May 7 and the last one on September 4. Snow fell on thirteen days, twelve being in January, March and December. Greatest snowfall in twenty-four hours, 2.2 inches on December 28. The last snow in spring occurred on April 23 and the first snow in autumn came on November 19. The first killing frost in autumn came on October 15. The longest period without precipitation was eleven days, February 23-March 5, the longest period with precipitation, seven days, March 15-21.

Sunshine, highest per cent for month in September, 69 per cent; lowest in January, 41 per cent. Number of clear days, 103; cloudy days, 152; partly cloudy, 110; days showing precipitation, 123; dense fog on 22 days, mostly in January, February, May, June and August; highest temperature, 99° on July 8; lowest, 10° on February 2; mean for winter months, 34°; for summer months, 71°; number of days 90° or above, 16; freezing, 32° or below, 105; zero or below, none; greatest monthly range of temperature, 51° in May; least monthly range, 34° in December; the highest mean temperature of three consecutive days was 82°, July 7-9; lowest mean temperature of three consecutive days, 21°, February 1-4.

Wind, highest velocity 48 miles per hour on October 20 from the south; average hourly velocity, 10.4; prevailing direction in summer months, southwest; in winter months, west; gales (*i. e.*, 32 miles per hour or over), 11, distributed over 7 months.

Barometric pressure (reduced to sea level): Mean, 30. inches; highest, 30.87 inches, January 25; lowest, 29.11 inches, February 14.

Humidity, highest per cent in August, 74 per cent; lowest, March, 58 per cent; mean for year, 67 per cent.

36,400 MOTOR DEATHS IN 1935.

According to the findings of the National Safety Council motor traffic deaths in 1935 totaled 36,400, compared with 1934's record of 36,000.

The only decrease was among school children up to fifteen years of age. Motor vehicle accidents to children have increased much less than those of adults since 1922, when safety education began on a national scale. October, November and December were the reddest months. Two-thirds of the accidents were in places under 10,000 population; more than 40 per cent of the victims pedestrians.

Thirteen states decreased traffic deaths 7 per cent or more: Delaware, Illinois, Kentucky, Massachusetts, Minnesota, Montana, North Dakota, Oregon, Rhode Island, Utah, Vermont, Wyoming and Washington.

UNITED STATES GROSS DEBT.

November 30, 1932, total gross debt of the United States was \$20,806,013,836, of which \$20,476,034,190 was interest-bearing. This is a reduction of \$6,120,667,458 from the peak of \$26,596,701,648 on August 31, 1919. The gross debt on June 30, 1931, was \$16,801,281,492.

OWNED AND RENTED HOMES IN UNITED STATES, NEW ENGLAND AND MASSACHUSETTS, 1930—ALSO BOSTON.

Total homes in UNITED STATES, 29,904,663, of which 14,002,074 or 46.8 per cent were owned, 15,319,817 or 51.2 per cent were rented, and 582,772 were of unknown tenure. Native white families, 20,968,803; foreign-born white families (the head of the family being a foreign-born white person), 5,736,491; Negro families, 2,803,756; other races, 395,613.

The native white families owned 10,255,682 homes and rented 10,314,500 homes; the foreign-born white families owned 2,968,707 homes and rented 2,690,300 homes; the Negro families owned 669,645 homes and rented 2,050,217 homes; the other races owned 108,040 homes and rented 264,800 homes.

Total homes in NEW ENGLAND, 1,981,499, of which 915,441 or 46.2 per cent were owned, 1,042,521 or 52.6 per cent were rented, and 23,537 were of unknown tenure. Native white families, 1,203,304; foreign-born white families, 753,231; Negro families, 22,864; other races, 2,100.

Total homes in MASSACHUSETTS, 1,021,160, of which 439,233 or 43.0 per cent were owned, 569,645 or 55.8 per cent were rented, and 12,277 were of unknown tenure. Native white families, 579,751 (306,978 or 30.06 per cent were native white of native parentage and 272,773 or 26.71 per cent were native white of foreign or mixed parentage); foreign-born white families, 427,385 or 41.85 per cent; Negro families, 12,637 or 1.24 per cent; other races, 1,387 or 0.14 per cent.

Total homes in BOSTON, 179,200, of which 45,986 or 25.66 per cent were owned, 130,140 or 72.62 per cent were rented and 3,074 were of tenure unknown. Divided by color and nativity of head of owner-families, 7,741 were native white of native parentage; 11,137 were native white of foreign or mixed parentage; 26,366 were foreign-born white; 726 were Negro and 16 were of other races.

Of the renter-families, 27,267 were native white of native parentage; 36,428 were native white of foreign or mixed parentage; 61,505 were foreign-born white; 4,431 were Negro, and 509 were of other races.

"RELIEF" DECLINING.

Two-thirds of the nation's relief expenditures in recent years has been centered in ten industrial states, the "Year Book's" section on Financing Relief and Recovery points out. Half the Federal Work Relief Funds and two-thirds of all available funds have been expended in the fifty largest cities, including about 25 per cent of the population. Industrial urban population is more vulnerable to unemployment. In addition, living costs are higher, requiring greater relief allotments, and the cost of giving employment to a city group is higher than in rural areas.

STATE REFERENDA RESULTS, 1936.

A question of public policy "Shall the Representative in the General Court from this district be instructed to vote in favor of amending the State Constitution for the purpose of limiting the amount of taxes, for all purposes, which may be legally levied against any real estate within the Commonwealth to a sum not exceeding \$25 for each one thousand dollars of assessed valuation?" was voted on by only a portion of the Representative Districts. In Boston, six districts did not vote on it.

The totals for the districts and parts of districts, including Boston districts, were 310,715 in favor; 113,594 against and 203,277 blanks. For Boston alone, the totals for the sixteen districts that voted were 114,184 in favor; 46,689 against and 79,827 blanks.

In Boston, there were three referenda on sales of alcoholic beverages.

First, "Shall licenses be granted in this city for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?" Totals, 190,353 in favor, 45,402 against and 84,732 blanks.

Second, "Shall licenses be granted in this city for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?" Totals, 185,213 in favor, 40,164 against and 95,110 blanks.

Third, "Shall licenses be granted in this city for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?" Totals, 187,877 in favor, 37,139 against and 95,471 blanks.

THE MUNICIPAL WATER-WORKS TREND.

In 1800 there was but one municipally-owned water-works plant in the United States. Now there are 7,853 municipally-owned installations, or 72.8 per cent of the entire number. In the United States there are ninety-four cities of over 100,000 population. All but eleven of these own their water works. Municipal plants serve 96.1 per cent of the population of the ninety-four cities, while private plants serve only 3.9 per cent.

BOSTON'S LIABILITY FOR METROPOLITAN DEBT, 1937.

Boston's liability for this contingent debt of the State (*i. e.*, in the form of annual assessments for sinking funds and interest) incurred for Metropolitan parks, sewers, water, etc., was \$28,559,995 (net) on July 1, 1937, or \$1,283,454 more than in 1936 and \$6,473,404 more than in 1927. It is divided thus: Water debt, \$25,314,274; Park debt, \$904,738; Sewer debt, \$1,639,878; Charles River Basin debt, \$701,105. The percentages paid by Boston in 1937 were 63.4515 on Water Debt; 48.6623 on most of the Park Debt; 36.25 on most of the Sewer debt, and on Charles River Basin debt the same as on Park debt.

Metropolitan assessments paid by Boston in 1937 amounted to \$4,752,277.22, of which 64.23 per cent was for debt requirements and 35.77 for maintenance. Water assessment, \$3,282,201 (usually paid from water revenue); park, \$786,974; sewer, \$470,545; Charles River Basin, etc., \$212,557.

PROCEEDINGS OF CITY COUNCIL.

Monday, April 15, 1940.

Regular meeting of City Council in the Council Chamber, City Hall, at two p. m. President GALVIN in the chair. Absent, Coun. Gottlieb and Shattuck.

\$1,000,000 FOR OVERLAY FUNDING.

The following was received:

City of Boston,
Office of the Mayor, April 15, 1940.
To the City Council.

Gentlemen,—Under the provisions of chapter 235 of the Acts of 1938, the city was authorized to borrow an amount not in excess of nine million dollars in order to establish overlay reserves for all tax years prior to 1938 where it was apparent that inadequate provision for such reserves had been made in the tax levies of the particular years. Up to the present time, eight million dollars has been borrowed under this authorization and, roughly, seven million nine hundred dollars of this amount has been applied as provided in the act. Since there are still a large number of abatement petitions for years prior to 1938 pending before the Board of Tax Appeals, I feel it is necessary to borrow the additional million dollars remaining in the original authorization. I submit herewith an order providing for this appropriation and respectfully recommend its adoption by your Honorable Body.

Respectfully,
MAURICE J. TOBIN, Mayor.

Ordered, That under the provisions of chapter 235 of the Acts of 1938 the sum of one million dollars be, and hereby is, appropriated, to be used for the funding of overlay deficits and other items, and that the City Treasurer be authorized to issue, from time to time, upon request of the Mayor, bonds or certificates of indebtedness of the city on said amount.

Referred to Committee on Finance.

LOAN FOR RELIEF PURPOSES.

The following was received:

City of Boston,
Office of the Mayor, April 15, 1940.
To the City Council.

Gentlemen,—Under the provisions of chapter 72 of the Acts of 1939, municipalities are authorized to borrow in 1940 for appropriations made for public welfare, soldiers' relief and Federal emergency unemployment relief projects in excess of eighty per cent of the amount actually expended for public welfare and soldiers' relief in 1939. In the budget recently adopted by your Honorable Body, appropriations for welfare and relief purposes, exclusive of W. P. A., totalled \$13,006,238.30. In 1939, actual expenditures for these same objects totalled \$13,140,883.60. To comply with the provisions of chapter 72, eighty per cent of this amount, or \$10,512,706.88, must be raised in the current year's tax levy. Deducting this amount from the total appropriation figure previously mentioned, leaves \$2,493,531.42 which may be borrowed in 1940 for welfare purposes. In addition, the city is authorized to borrow the full amount of appropriations made for W. P. A. purposes. Appropriations made to date for project expenses in City, School and County Departments, total \$1,678,543.32. Combining this total with the amount which may be borrowed for welfare purposes gives a grand total which may be borrowed under the provisions of chapter 72 of \$4,172,074.74.

I submit herewith an order providing for the borrowing of \$4,170,000 under the provisions of chapter 72, the proceeds to be applied to reduce the tax levy burden of appropriations already made for welfare and relief purposes. I respectfully recommend adoption of this order by your Honorable Body.

Respectfully,
MAURICE J. TOBIN, Mayor.

Ordered, That under the provisions of chapter 72 of the Acts of 1939 the sum of \$4,170,000 be, and hereby is, appropriated for Public Welfare, Soldiers' Benefits and Federal Emergency Unemployment Relief Projects, to be used for meeting appropriations heretofore made, and that the City Treasurer be authorized to issue, from time to time, upon request of the Mayor, bonds or certificates of indebtedness of the city to said amount, the same to be issued outside the debt limit.

Referred to Committee on Finance.

ANNUAL LIST OF CONSTABLES.

The following was received:

City of Boston,
Office of the Mayor, April 15, 1940.
To the City Council.

Subject to confirmation by your Honorable Body, I hereby appoint the following-named persons, constables of the City of Boston for the term of one year, beginning with the first day of May, 1940, authorized to serve civil process upon filing bond.

The commissions of all constables not named herein expire on April 30, 1940, and such constables are hereby removed from office from and after May 1, 1940, for the good of the service.

Respectfully,
MAURICE J. TOBIN, Mayor.

Constables Authorized to Serve Civil Process Upon Filing Bonds.

John J. Adams, 12 Kensington street, Ward 12; William A. Amsie, 24 South Munroe terrace, Ward 16; Henry Atwood, 28 Melbourne street, Ward 16; Samuel C. Baker, 44 Quincy street, Ward 12; David Belson, 66 Colborne road, Ward 21; Joseph L. Bennett, 20 Deckard street, Ward 12; Carl Birger Berg, 301 Norfolk street, Ward 17; Edward I. Berman, 39 Mt. Bowdoin terrace, Ward 14; Alfred Blaustein, 43 Fernboro street, Ward 14; Eugene Blinn, 132 Greenwood street, Ward 14; Abram Bornstein, 625 Warren street, Ward 12; Thomas F. Brett, 15 Malta street, Ward 18; Milton Jacob Bronstein, 87 Devon street, Ward 14; George W. Brooker, 258 Park street, Ward 20; Francis E. Brown, 11 Tacoma street, Ward 18; Arthur E. Bymes, 745 Saratoga street, Ward 1; Edgar F. Callahan, 84 Gordon street, Ward 21; Thomas Cannizzaro, 96 H street, Ward 6; James A. Canton, 169 Glenway street, Ward 14; Daniel B. Carmody, 10 Aberdeen street, Ward 21; Thomas C. Carr, 196 Savin Hill avenue, Ward 13; William K. Coburn, 116 Englewood avenue, Ward 21; Sydney Cohen, 64 American Legion Highway, Ward 14; John M. Crawford, 27 Washington street, Ward 2; Henry G. Dahlquist, 104 Lonsdale street, Ward 16; Charles M. Daley, 14 Ditson street, Ward 15; John J. Daunt, 68 Adamson street, Ward 22; Americo A. DeSimone, 451 Meridian street, Ward 1; Robert E. Donlan, 55 Penfield street, Ward 20; Walter A. Donlan, 23 Lorette street, Ward 20; Louis Franzosa, 39 Bruce street, Ward 20; Paul R. Gast, 93 St. Rose street, Ward 11; Lewis Gilbert, 688 Walk Hill street, Ward 14; Francis W. Gildea, 22 Francis street, Ward 10; Maurice J. Glick, 38 Holborn street, Ward 12; John F. Goff, 294 Bunker Hill street, Ward 2; Samuel Goldkranz, 27 Howland street, Ward 12; Meyer Goldstein, 1398 Commonwealth avenue, Ward 21; Solomon Gorfinkle, 70 Floyd street, Ward 14; Salvatore Grassa, 791 Saratoga street, Ward 14; John F. Halligan, 460 Quincy street, Ward 15; Abraham M. Hecht, 404A Blue Hill avenue, Ward 14; Richard Hegarty, 20 Fairmount street, Ward 17; Joseph Herman, 93 Lucerne street, Ward 14; Jacob Isgur, 82 Lorna road, Ward 18; Max Jacobs, 49 Chambers street, Ward 3; David B. Kaplan, 93 Lawrence avenue, Ward 14; Charles Keane, 24 Upland road, Ward 22; Joseph B. Keck, 9 Lexington avenue, Ward 18; James P. Keliher, 22 Leamington road, Ward 21; Bronis Kontrim, 120 Marine road, Ward 7; Mark H. Krafus, 447 Norfolk street, Ward 14; Nathan Kravitsky, 306 Washington street, Ward 14; Abraham Landfield, 46 Mascot street, Ward 14; Maurice Levine, 109 Erie street, Ward 14; Anthony Luongo, 381 Frankfort street, Ward 1; Salvatore Maffei, 125 Faywood avenue, Ward 1; Isie Martin, 12 Ashton street, Ward 14; William J. McCorkle, 50 Rockne avenue, Ward 16; John T. McGovern, 42 Worcester square, Ward 8; James J. McNamee, 26 Burton street, Ward 22; William P. Miles, 11 Groom street, Ward 7; Frank A. Mitchell, 7 Bruce street, Ward 16; Bernard M. Mullen, 4 Neptune road, Ward 1; Edward Ober, 95 Nightingale street, Ward 14; Michael W. Ober, 27 Westmore road, Ward 14; Louis H. Oppenheim, 7 Mt. Hood road, Ward 21; Frederick Partridge, 107 West Cottage street, Ward 8; Nachman Perlman, 951 Blue Hill avenue, Ward 14; James G. Peters, 107 Sawyer avenue, Ward 13; Carl L. Petterson, 4 Hooper street, Ward 17; Phillip S. Phillips, 829 Blue Hill avenue, Ward 14; George N. Pierce, 296 Dudley street, Ward 8; Edward J. Potter, Jr., 65 Winthrop street, Ward 2; Max Rabinovitz, 74 Mora street, Ward 17; Louis Richmond, 111 Waumbek street, Ward 12; William T. Rosengarten, 130 Devon street, Ward 14; Almerindo Sarno, 1 Cedar square, Ward 9; Jacob E. Schrank, 227 Harvard avenue, Ward 21; Samuel Shain, 32 Brookledge street, Ward 12; Frank Shaw, 3 Stockton street, Ward 17; Sidney J. Sheinfeld, 166 Rosseter street, Ward 14; Isaac Shulman, 128 Devon street, Ward 14; Joseph L. Shurtleff, 504 Massa-

chusetts avenue, Ward 9; Joseph Simansky, 77 Nightingale street, Ward 14; Henry J. D. Small, 14 Windermere road, Ward 13; Leon Small, 72 Elm Hill avenue, Ward 12; Frank J. Staula, 227 Wood avenue, Ward 18; Walter J. Stewart, 47 Fort avenue, Ward 11; Jerome Suvalle, 19 Owen street, Ward 18; Benjamin J. Tackeff, 52 Columbia road, Ward 14; David Tobey, 88 Olney street, Ward 15; Francis J. Tobin, 29 Parsons street, Ward 22; Joseph Todisco, 149 Paris street, Ward 1; Joseph M. Torr, 67 Worcester street, Ward 9; Aber Uckerman, 42 Estrella street, Ward 14; Roman J. Vasil, 11 Granada avenue, Ward 18; Harry A. Webber, 167 Huntington avenue, Ward 4; David Weir, 11 Fenelon street, Ward 14; Frank F. Wennerstrand, 219 Belgrade avenue, Ward 20; William D. Whitmore, 25 Queensberry street, Ward 5; Sidney Williams, 7 Greenville street, Ward 12; John A. Wragg, 62 Shepton street, Ward 16; Louis Yacker, 1071 Blue Hill avenue, Ward 14; Maurice Zeeman, 49 Orkney road, Ward 21. (Document 43.)

Laid over for one week under the law.

ANNUAL LIST OF MINOR OFFICERS.

The following was received:

City of Boston,
Office of the Mayor, April 15, 1940.
To the City Council.

Subject to confirmation by your Honorable Body, I make the following appointments of minor officers paid by fees for the term of one year beginning with the first day of May, 1940. The appointments of all such officers not named herein are hereby revoked from and after April 30, 1940.

Respectfully,
MAURICE J. TOBIN, Mayor.

(The list of persons appointed is contained in City Document No. 44.)
Laid over for one week under the law.

APPROPRIATION FOR STUDY OF BOSTON ELEVATED.

The following was received:

City of Boston,
Office of the Mayor, April 15, 1940.
To the City Council.

Gentlemen,—I submit herewith an order for appropriation for \$20,000 from the Contingent Fund to the Boston Finance Commission for the purpose of carrying to completion the study of the Boston Elevated Railway Company. To date, the Finance Commission has expended \$15,000 for this purpose. In order to continue its studies it is necessary to provide additional funds.

The importance of this study should be apparent to the members of your Honorable Body when it is considered that for nine successive years during the past decade there has been substantial deficits in the operation of the Boston Elevated Railway system. In 1939 the deficit assessed upon the City of Boston was \$2,055,645. For the year 1940 the State Tax Commissioner has certified an assessment upon Boston amounting to \$1,940,240.

I strongly urge that for the best interests of the city your Honorable Body give approval to the accompanying order.

Respectfully,
MAURICE J. TOBIN, Mayor.

Ordered, That the sum of \$20,000 be appropriated, to be expended under the direction of the Finance Commission in connection with its study and investigation of the Boston Elevated Railway Company, same to be charged to the Contingent Fund.

Referred to the Executive Committee.

SALE OF OBSOLETE X-RAY FILMS.

The following was received:

City of Boston,
Office of the Mayor, April 15, 1940.
To the City Council.

Gentlemen,—I submit herewith for your approval an order authorizing the trustees of the Boston City Hospital to sell their obsolete X-ray films no longer needed in the Hospital Department. It is customary from time to time to sell material of this kind whenever there is no further public use for the same. The Hospital Trustees will advertise in the City Record for bidders.

I respectfully recommend adoption of the accompanying order by your Honorable Body.

Respectfully,
MAURICE J. TOBIN, Mayor.

Ordered, That the trustees of the Boston City Hospital be, and hereby are, authorized to sell approximately 5,072 pounds of obsolete X-ray films, not required by the Hospital Department, after inviting bids therefor by advertisement in the *City Record*.
Referred to Executive Committee.

EXPENDITURES FOR PLAYGROUNDS AND JUVENILE COURTS.

The following was received:

City of Boston,
Office of the Mayor, April 15, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Budget Commissioner relative to your order of March 18, 1940, concerning the total expenditures yearly during 1937, 1938, and 1939 for repairs to and equipment for all of the playgrounds in the city, and also for maintenance of the juvenile courts in the city.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Budget Department, April 15, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.
Dear Sir,—I am returning herewith copy of Council order dated March 18, 1940, and reading as follows:

"Ordered, That the Budget Commissioner be requested, through his Honor the Mayor, to inform the City Council:

1. The total expenditures yearly during 1937, 1938 and 1939 for repairs to and equipment for all of the playgrounds in the city.
2. The total expenditures yearly during 1937, 1938 and 1939 for maintenance of the juvenile courts in the city."

The information requested is given below.

1. The expenditures for repairs to and equipment for all of the playgrounds in the city are as follows:

1937	\$119,230 04
1938	150,605 20
1939	71,154 13
2. The expenditures for the Boston Juvenile Court are as follows:	
1937	\$29,817 32
1938	29,192 70
1939	29,173 20

Very truly yours,
FRANCIS X. LANG,
Budget Commissioner.

Placed on file.

RE-ESTABLISHING ROWING AS HIGH SCHOOL SPORT.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Boston School Committee Secretary relative to your order of March 25, 1940, concerning the advisability of "re-establishing rowing as one of the sports in the high schools of Boston."

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
School Committee, April 6, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—At last evening's conference the School Committee received the order passed by the City Council in meeting March 25, 1940, requesting the School Committee, through your Honor, to consider the advisability of "re-establishing rowing as one of the sports in the high schools of Boston."

The Committee has asked me to say that the Committee is not unsympathetic to the proposal suggested, but in view of the present financial situation, the Committee feels it would not be feasible to take on rowing as a regular school activity.

The Committee has, however, given some thought to making provision for the building of boats through the Manual Arts Department, which boats the boys would be able to row and thus profit by their own labor in the schools. This proposition will be discussed again this year in connection with the budget.

Very truly yours,
ELLEN M. CRONIN, Secretary.

Placed on file.

WAGE SYSTEM FOR UNAPPOINTED TEACHERS.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Boston School Committee Secretary relative to your order of March 18, 1940, concerning the possibility of working out a more equitable wage system for those unappointed teachers who, although they have been teaching steadily for several years, are denied both the security and the salary of permanent appointees.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
School Committee, April 2, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.
Dear Sir,—At a conference of the School Committee held last evening, the Committee received the order passed by the City Council March 18, 1940, requesting the School Committee, through your Honor, to "study the possibility of working out a more equitable wage system for those unappointed teachers who, although they have been teaching steadily for several years, are denied both the security and the salary of permanent appointees."

The School Committee has asked me to say that the question of compensation for the group of temporary teachers referred to in the City Council order, as before the School Committee at the present time.

Very truly yours,
ELLEN M. CRONIN, Secretary.

Placed on file.

SANDING OF SAVIN HILL BEACH.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of March 18, 1940, concerning the sanding of Savin Hill Beach.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, April 8, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Sir,—I have your memorandum of March 28, with inclosure, order of the City Council that the Park Commission be requested to start work immediately on the W. P. A. project of sanding Savin Hill Beach.

Please be informed it would be very inadvisable to start sanding a beach at this time of year, with two feet of frost in the ground. This project is operating at the present time and the beach will be cared for and the sand spread on same just as soon as the weather permits.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

TRAFFIC SIGNALS, BLUE HILL AVENUE.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of January 29, 1940, concerning the installation of automatic traffic signals at the following intersections in Ward 14:
Blue Hill avenue and Glenway street; Blue Hill avenue and American Legion Highway; Blue Hill avenue and Talbot avenue.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, March 15, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—I have the honor to acknowledge receipt of Council order dated January 29, 1940, which reads as follows:
"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to provide for the installation of automatic traffic signals at the following intersections in Ward 14:

Blue Hill avenue and Glenway street; Blue Hill avenue and American Legion Highway; Blue Hill avenue and Talbot avenue."

It is the intention of this commission to place underground conduit at Blue Hill avenue and American Legion Highway, and Blue Hill avenue and Glenway street during the time the street changes are being made in Blue Hill avenue.

If money is made available for the purchase of traffic signals, these intersections will be signalized upon the completion of the work.

Regarding the signalizing of Blue Hill avenue and Talbot avenue, please be advised that no funds are available at the present time.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.
Placed on file.

MAXIMUM NUMBER OF WORK DAYS FOR WELFARE RECIPIENTS.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Public Welfare Secretary relative to your order of March 4, 1940, concerning the advisability of limiting the maximum number of days for welfare recipients to work in any or all departments to four days in any one week in order that they may have an opportunity to seek private employment.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Overseers of the Public Welfare,
April 5, 1940.

Hon. Maurice J. Tobin,
Mayor of Boston.
Attention of Mr. William T. Doyle.
Dear Sir,—This department has received your communication with inclosed copy of an order from the City Council, dated March 4, 1940, reading as follows:

"Ordered, That the Overseers of Public Welfare be requested, through his Honor the Mayor, to study the advisability of limiting the maximum number of days for welfare recipients to work in any or all departments to four days in any one week in order that they may have an opportunity to seek private employment."

May I report that the Board of Overseers of Public Welfare feels that the practice of allowing welfare recipients time off to look for work which is followed at present is the fairest manner in which the matter can be handled.

Respectfully yours,
WILLIAM G. O'HARE, Secretary.

Placed on file.

ABOLISHING LIST OF PHARMACISTS.

The following was received:

City of Boston,
Office of the Mayor, April 10, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the President of the Board of Trustees of the Boston City Hospital relative to your order of March 25, 1940, concerning the reason ascribed by the Civil Service Commission for abolishing the list of pharmacists.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Hospital Department, April 5, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—At a meeting of the Board of Trustees held today, an order of the City Council, passed March 25, 1940, was presented, concerning the reason ascribed by the Civil Service Commission for abolishing the list of pharmacists.

This is a matter over which neither the trustees nor the superintendent had any direct control. We acted in accordance with Civil Service rules as explained and described to us by the Director of Civil Service.

Respectfully yours,
CARL DREYFUS,
President, Board of Trustees.

Placed on file.

RESURFACING FAIRMOUNT AVENUE, WARD 18.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of March 11, 1940, concerning the resurfacing that section of Fairmount avenue, from Logan square to Fairmount Hill, Ward 18, under the W. P. A. type of construction.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 10, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works resurface with smooth paving that section of Fairmount avenue, from Logan square to Fairmount Hill, Ward 18, under the W. P. A. type of construction.
Please be advised that this street will be submitted for approval on a W. P. A. project for construction this year.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

SIDEWALKS, MYRTLE STREET, WARD 19.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of March 18, 1940, concerning the reconstruction and placing a tar surface on the sidewalks along both sides of Myrtle street, Ward 19, under the W. P. A. type of construction.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 1, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works reconstruct and place a tar surface on the sidewalks along both sides of Myrtle street, Ward 19, under the W. P. A. type of construction.
Please be advised that this street will be submitted for approval on a W. P. A. project for construction this year.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

LIGHTING, WEST PARK AND MARLIN STREETS, WARD 17.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of March 25, 1940, concerning the replacing of the present gas lamp at the corner of West Park and Marlin streets, Ward 17, with an electric light.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 3, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works replace the present gas lamp at the corner of West Park and Marlin streets, Ward 17, with an electric light.

A survey of this section has been made and I find that same is strictly residential and the gas lamps are spaced as well on this street as any of the same type.

If a large electric light was placed at this location, the residents would, no doubt, want all electric lights which, due to the lack of funds available in the budget, would not be possible.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

RECONSTRUCTION OF CUMBERLAND STREET, WARD 4.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of March 25, 1940, concerning the reconstruction of Cumberland street, Ward 4, with a smooth type of asphalt surface.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 5, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works reconstruct Cumberland street, Ward 4, with a smooth type of asphalt surface, under the W. P. A. plan of construction.

I find, upon investigation, that the portion of Cumberland street, between St. Botolph street and the railroad, is in very good condition and in no immediate need of construction. The portion between St. Botolph street and Huntington avenue is in poor condition. However, it would not be advisable to construct this part at this time as the subway work is going on at the present time. Later on in the season I will have this section submitted for approval on a W. P. A. project.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

REPAVING OF WARD 13 STREETS.

The following were received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of March 4, 1940, concerning the repaving with smooth pavement, as W. P. A. projects, the following streets in Ward 13: Victor street, Brook avenue.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 4, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works repave with smooth pavement, as W. P. A. projects, the following streets in Ward 13: Victor street, Brook avenue.

Relative to Brook avenue, please be advised that this street will be submitted for approval on a W. P. A. project for construction this year. In regard to Victor street, I find, upon investigation, that this street is in no immediate need for reconstruction at this time.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of March 18, 1940, concerning the repaving with smooth pavement as W. P. A. projects the following streets in Ward 13: Hartland street, Dacia street, Dewey street, Newport street.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 4, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works repave with smooth pavement as W. P. A. projects the following streets in Ward 13:

Hartland street, Dewey street, Dacia street, Newport street.

Relative to the above named streets, please be advised as follows:

Hartland street, upon investigation, is found to be in no immediate need of reconstruction. Dewey street, I will endeavor to have this street submitted for approval on a W. P. A. project later on in the year.

Dacia street will be submitted for approval on a W. P. A. project very shortly. Newport street, work has already been started on this street.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Severally placed on file.

REPAVING OF WARD 17 STREETS.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to

your order of March 25, 1940, concerning the resurfacing with smooth paving the following streets in Ward 17, under the W. P. A. type of construction:

Medway street, River street, Old Morton street, Cedar street, Whitfield street, Fairmount street, from Morton street to Milton avenue, Thetford avenue, Alpha road, Athelwold street.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 5, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in the City Council that the Commissioner of Public Works resurface with smooth paving the following streets in Ward 17, under the W. P. A. type of construction:

Medway street, River street, Old Morton street, Cedar street, Whitfield street, Fairmount street, Morton street to Milton avenue, Thetford avenue, Alpha road, Athelwold street.

The following named streets will be submitted for approval on a W. P. A. project for construction this year:

Medway street, Fairmount street, Milton avenue to Morton street, Thetford avenue, Cedar street.

An inspection of the following named streets has been made and it is found that they are in no immediate need of reconstruction:

Old Morton street, River street, Whitfield street, Alpha road, Athelwold street.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

REMOVAL OF SNOW, WILLIAM CARTER PLAYGROUND.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 1, 1940, concerning the removing of snow which was dumped on the William Carter Playground by persons engaged in snow removal work for his department, and to put grounds and fences back in their original condition.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 6, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works remove immediately the snow which was dumped on the William Carter Playground by persons engaged in snow removal work for his department, and to put the ground and fence back in their original condition, in order that the playground may be available for use at the earliest possible opportunity.

This will advise you that the contractor who dumped snow at this location has been notified that no final payment will be made until such time as conditions are remedied which, you may rest assured, if not already taken care of will be taken care of without delay.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

REPAVING ELLINGWOOD STREET, WARD 10.

The following was received:

City of Boston,
Office of the Mayor, April 10, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of March 25, 1940, concerning the repaving with smooth pavement as a W. P. A. project Ellingwood street, Ward 10.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 9, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle, I return herewith order in City Council that the Commissioner of Public Works repave with smooth pavement as a W. P. A. project Ellingwood street, Ward 10,

I find upon investigation that this street is in good condition and in no immediate need of resurfacing.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

REPLACING OF SIDEWALKS, WARD 4.

The following was received:

City of Boston,
Office of the Mayor, April 10, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works relative to your order of March 11, 1940, concerning the replacing of the red brick sidewalks at the following locations in Ward 4 with artificial stone: West Brookline street, near corner of Tremont street; Boylston street, at the corner of St. Cecilia street.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 1, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works replace the red brick sidewalks at the following locations in Ward 4 with artificial stone, the work to be done as a W. P. A. project: West Brookline street, near the corner of Tremont street; Boylston street, at the corner of St. Cecilia street.

Please be advised that these sidewalks will be replaced with artificial stone when weather conditions permit.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

LIGHTING CONDITIONS, CLEVELAND PLACE, WARD 3.

The following was received:

City of Boston,
Office of the Mayor, April 10, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 1, 1940, concerning the making of a survey of the lighting conditions on Cleveland place, Ward 3.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 8, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I return herewith order in City Council that the Commissioner of Public Works make a survey of lighting conditions on Cleveland place, Ward 3, and arrange for additional lighting on that street.

There was a bracket lamp in Cleveland place, at No. 19, and as the building at this location was razed the lamp had to be removed.

An order has been sent to the Edison Company to reinstall the lamp on the building at No. 17.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

CLEANING OF EAST BOSTON STREETS.

The following was received:

City of Boston,
Office of the Mayor, April 10, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 1, 1940, concerning the immediate cleaning of all streets in the East Boston district.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 8, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 4, attaching order in Council, under date of April 1, as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to immediately clean all streets in the East Boston section."

From the date of the snowstorm, February 14, 1940, until April 1, the street cleaning force in East Boston were engaged in snow removal and picking ice. Since April 1 the street cleaners have been able to resume their regular work; and at this writing, the section from Day square to the waterfront has been cleaned.

There now remains the section from Day square to Orient Heights, which will be completed within a few days. After that, regular street cleaning schedule may be expected.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

RESURFACING SOUTH BOSTON STREETS.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 1, 1940, concerning the resurfacing of the following streets:

Silver street, East Sixth street, West Fifth street, West Fourth street, East Fourth street, B street, East Second street, East Seventh street, N street, West Seventh street.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 10, 1940.

Mr. William T. Doyle,

Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works resurface with smooth pavement, as W. P. A. projects, the following-named streets in Ward 6:

Silver street, East Sixth street, West Fifth street, West Fourth street, East Fourth street, Ward 6; B street, East Second street, East Seventh street, Ward 6; N street, West Seventh street, Ward 6; and install bituminous sidewalks on Farragut road, East First street to East Sixth street; and Columbia road, O street to East Seventh street, Ward 6.

Please be advised that all the street and sidewalk work requested above, with the exception of East Sixth street, will be submitted on a W. P. A. project for approval for construction this year.

Relative to East Sixth street, upon investigation, I find that this street is in good condition and in no immediate need of reconstruction.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

CLEANING EAST BOSTON PLAY- GROUNDS.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department chairman relative to your order of April 1, 1940, concerning the taking of immediate steps to clean, grade, etc., all playgrounds in East Boston.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, April 6, 1940.
Mr. William T. Doyle,

Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 4, requesting the Park Department to take immediate steps to clean, grade, etc., all playgrounds in East Boston, as a W. P. A. project.

The Federal Government would not receive a project of this kind as it is maintenance. I will, however, be pleased to have the department force take care of these playgrounds at the earliest possible moment.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

RECONSTRUCTION, WARD 7 STREETS.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from Public Works Commissioner relative to your order of March 25, 1940, concerning the reconstruction of various streets in Ward 7 and the installation of sidewalks thereon, as a W. P. A. project.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 3, 1940.

Mr. William T. Doyle,

Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works reconstruct the following streets in Ward 7, and install sidewalks thereon, as a W. P. A. project.

Ellery street, Southampton to Boston streets, roadway and sidewalks.

West Sixth street, F to Dorchester streets, roadway and sidewalks.

East Fourth street, Dorchester to K streets, on sidewalks, and I to K streets, on roadway.

N street, East Seventh street to Columbia road, roadway and sidewalks.

East Seventh street, N street to Columbia road, roadway and sidewalks.

Old Harbor street, Dorchester to Telegraph streets, roadway and sidewalks.

Rogers street, Preble street to Devine way, roadway and sidewalks.

West Seventh street, F to Dorchester streets, roadway and sidewalks.

O street, East Seventh street to Columbia road, black bituminous sidewalks.

Howell street, sidewalks.

Bellflower street, roadway and sidewalks.

Dorset street, roadway and sidewalks.

Roseclair street, roadway and sidewalks.

Washburn street, concrete sidewalks.

Daves street, roadway and sidewalks.

Thomas park, concrete sidewalks and roadway.

This will advise you that Ellery street,

West Sixth street, N street, Old Harbor street, Rogers street, Bellflower street, Roseclair street have been submitted on a W. P. A. project.

In regard to East Fourth street, East Seventh street, West Seventh street, O street, Howell street, Dorset street, Washburn street, Daves street, Thomas park, please be advised that a survey is now being made to determine just what work will be necessary on these streets. If the necessary funds are available during the latter part of the year, I will endeavor to have these streets submitted on a W. P. A. project.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

WELFARE UNIT, GEORGE STREET SCHOOL.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Welfare secretary relative to your order of March 11, 1940, concerning the establishing of a welfare unit at the George Street School on George street, Ward 8.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Overseers of the Public Welfare,
April 5, 1940.

Hon. Maurice J. Tobin,

Mayor of Boston.

Attention of Mr. William T. Doyle.

Dear Sir,—This department has received your communication with inclosed copy of an order from the City Council, dated March 11, 1940, reading as follows:

"Ordered, That the Director of the Overseers of the Public Welfare be requested, through his Honor the Mayor, to establish a welfare unit at the George Street School on George street, Ward 8."

May I state that the Board of Overseers of the Public Welfare has designated a Committee of the Board which will shortly make an inspection tour of the district in which the George Street School is located, and report back to the full Board as to the possibility and advisability of establishing therein a new unit for the Public Welfare Department.

Respectfully yours,

WILLIAM G. O'HARE, Secretary.

Placed on file.

INCREASE OF SUPPLEMENTARY AID.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Welfare secretary relative to your order of March 4, 1940, concerning the matter of increasing the supplementary aid to those individuals or families who are employed in

private industry at very low rates of pay and are absolutely unable to provide the bare necessities of life out of their meager earnings.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Overseers of the Public Welfare,
April 5, 1940.

Hon. Maurice J. Tobin,
Mayor of Boston.

Attention of Mr. William T. Doyle.

Dear Sir,—This department has received your communication with inclosed copy of an order from the City Council, dated March 4, 1940, reading as follows:

"Ordered, That the Overseers of Public Welfare be requested, through his Honor the Mayor, to immediately look into the matter of increasing the supplementary aid to those individuals or families who are employed in private industry at very low rates of pay and are absolutely unable to provide the bare necessities of life out of their meager earnings."

May I state that a short time ago a check-up was made on this very matter. It was found that in addition to those whose W. P. A. wages were being supplemented, supplementary aid was being given to 982 persons whose individual or family income was so meager as not to allow them to provide for the bare necessities of life.

Respectfully yours,
WILLIAM G. O'HARE, Secretary.

Placed on file.

PEDESTRIAN STOP LIGHTS, WARD 9.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of March 4, 1940, concerning the installation of automatic stop signs which might be operated by pedestrians at the junction of Davenport street and Columbus avenue, Ward 9.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, March 15, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—I have the honor to acknowledge receipt of Council order dated March 4, 1940, which reads as follows:

"Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic stop signs which might be operated by pedestrians at the junction of Davenport street and Columbus avenue, Ward 9."

At the present time there are no funds available to this commission for the installation of traffic signals at Columbus avenue and Davenport street.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

RANDOLPH STREET PLAYGROUND.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of March 18, 1940, concerning the removing of the foundation of the old building at the Randolph Street Playground, as it is a menace to the boys playing baseball there, and to resurface the entire playground with loam.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, April 3, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of March 28, with inclosure, order of the City Council regarding the removal of the foundation of the old building at Randolph Street Playground and resurfacing the playground with loam.

Please be informed that the project has been accepted by the Federal Government to regrade and fill the entire playground area, erect fences, remove the old foundation and even the old shelter. This work will be started just as soon as the weather permits.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

BRIDGE CURBING, COLUMBIA CIRCLE, WARD 7.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your

order of March 25, 1940, concerning the raising of the curbing on the bridge over the railroad tracks at Columbia Circle, Ward 7.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, April 3, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of March 27 with inclosure, order of the City Council regarding the raising of the curbing on the bridge over the railroad tracks at Columbia Circle.

At the present time this curbing is 13 inches above the grade of the road. The sidewalk is 5 inches above the grade and the curbing is 8 inches higher than the sidewalk. To raise this curbing any higher would be dangerous for persons leaving the station. In other words, it would be too high to step over.

There are certain repairs that will of necessity be required which will be taken care of at the earliest possible moment.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

COLUMBUS STADIUM AND STRANDWAY PARK.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 1, 1940, concerning the cleaning and grading of Columbus Stadium and Strandway Park, repair of locker building, etc., in order that they may be available for use as soon as possible.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, April 6, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 4, with inclosure, order from the City Council regarding the Stadium and Strandway and locker building on same, and asking that a W. P. A. project be made to comply with this order.

The Federal Government would consider the above maintenance work and would not allow a project of this kind to go through.

I will be pleased, however, to comply with the councilor's request and have the place put in condition just as soon as we can possibly do so by departmental forces.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

CLEANING OF VACANT LOTS.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of March 25, 1940, concerning the devising of some plan, if possible, whereby all vacant lots in the city, both publicly and privately owned, may be cleared of all objectionable debris.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 2, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—This is in reference to the following order that was passed in the City Council on March 25, 1940:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to devise some plan immediately, if possible, whereby all vacant lots in the city, both publicly and privately owned, may be cleared of all objectionable debris."

It would not be practical for this department to consider removing debris from either publicly or privately owned lots, as we have a difficult enough time to keep the public streets of the city in a clean condition.

The responsibility for removing objectionable debris from privately-owned lots rests with the owner of the particular piece of property, and, in the case of publicly-owned lots, with the department that has control over the particular lot.

For reasons as stated in this communication, I recommend the disapproval of the above-referenced order.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Antoine's Beauty Salon, Inc., for compensation for damage to property at 1941 Beacon street, caused by break in water main.

Alexander Beder, for compensation for damage to car by city truck.

Joe Bramante, for compensation for damage to car by city truck.

Mrs. J. Edward Butler, for compensation for damage to coat caused by an alleged defect at St. Stephen street and Symphony road.

Thomas J. Cunningham, for compensation for damage to property caused by break in water main.

John P. Curran, for compensation for damage to car caused by an alleged defect at 1464 Dorchester avenue.

Michael DeMattia, for compensation for injuries caused by an alleged defect in Parker street.

Hugh P. Doherty, to be reimbursed on account of accident which occurred in performance of duty.

Francis D. Donlan, to be reimbursed for execution issued against him.

George Ebenfield, for compensation for damage to car caused by an alleged defect in Euston road.

G. Fazio & Co., for compensation for damage to property at 92 Commercial street, caused by broken water pipe.

Fenton Brothers' Orchestra, for compensation for damage to car by fire truck.

Charles T. Hall, for compensation for damage to car caused by an alleged defect at 131 Dakota street.

Catherine F. Hernan, for compensation for injuries caused by an alleged defect at 52 Hancock street.

Mary A. Hughes, for compensation for damage to car by city truck.

Joe & Nemo, Inc., for compensation for damage to property at 26 Cambridge street, caused by stoppage in sewer.

Jerome M. Kaitz, for compensation for damage to car by snowplow.

A. S. Livermore, for compensation for damage to car caused by an alleged defect at 128 Northern avenue.

Martin A. Lombard, to be reimbursed as result of accident which occurred in performance of duty as fireman.

Duncan MacKillop, to be reimbursed for expenses incurred for sewer work.

Barbara Mahoney, for refund on dog license.

Emma C. Mahoney, for compensation for collapse of water boiler at 17 Greenville street.

Etta L. Morrison, for compensation for damage to property at 1102-1106 Blue Hill avenue, caused by snowplow.

William A. Murphy, for compensation for loss of teeth while working on snow removal.

T. & T. Market, Inc., for compensation for damage to car caused by an alleged defect in Forest Hills.

Jeannette M. Mitchell, for compensation for injuries caused by employee of Sanitary Division.

New England Newspaper Publishing Company, for compensation for damage to truck by city truck.

Mary Nowell for compensation for injuries caused by an alleged defect at 93 Train street.

Annie O'Callaghan, for compensation for injuries caused by an alleged defect in Dudley street.

William A. Rolfe, to be paid for transportation charges by Public Works Department.

John A. Ryan, to be reimbursed as result of accident which occurred in performance of duty.

Leo Silver, for compensation for damage to car by city team.

U Dryvit Auto Rental Company, Inc., for compensation for damage to truck by city truck.

United States Post Office, for compensation for damage to truck by city truck.

Walker-Condon South Boston Express, for compensation for damage to truck caused by an alleged defect at 6 and 8 Portland street.

F. B. Williams, Jr., for compensation for damage to truck by city truck.

Committee on Licenses.

Petitions for driveway openings, viz.:

Gulf Oil Corporation, 655-665 Commonwealth avenue, corner Granby street.

Boston Dispensary, Harvard street, Ward 3.

Louis DeSanctis, Bennington and Bremen streets, Ward 1.

Executive.

Petition of Mary E. Foster to be paid annuity on account of death of her husband, William J. Foster, late member of Fire Department.

NOTICE OF INTEREST IN CONTRACT.

Notice was received from James A. McElaney, secretary of Board of Appeal of Building Department, that Massachusetts Lime & Cement Company, of which he is president, has been awarded contract for furnishing masons' material and cement for Department of School Buildings, Norman street, and also city contract for furnishing cement to different departments for year 1940.

Placed on file.

SIDEWALK CONSTRUCTION.

Communications were received from the Commissioner of Public Works together with orders

assessing half cost of constructing artificial stone sidewalks to owners of record of estates bordering thereon, viz.:

	Half Cost.
Granby street, Ward 21.....	\$139 83
Bay State road, Ward 21.....	491 65
Ashby street, Ward 21.....	141 74

The orders were severally passed.

CHANGE OF STREET NAMES.

Notice was received from the Board of Street Commissioners of changing of names of public ways, effective March 1, 1940, as follows:

Codman Hill street, Roxbury district, from Codman park to Washington street; new name, Corliss street.

Lilac road, Hyde Park district, from Arlington street to Central avenue; new name, Laval street. Placed on file.

DESIGNATION OF CHAIRMAN OF ELECTION COMMISSIONERS.

Notice was received from the Mayor of designation of William A. Motley, Jr., of 22 Glenburnie road, West Roxbury, to be Chairman of Board of Election Commissioners for term ending March 31, 1941.

Placed on file.

DESIGNATION OF ACTING CORPORATION COUNSEL.

Notice was received from the Mayor of the resignation on April 6 of Henry Parkman, Jr., as Corporation Counsel, and designation of Wilfred J. Doyle, City Clerk, as Acting Corporation Counsel until a permanent appointment is made. Placed on file.

DIVIDENDS OF BOSTON ELEVATED RAILWAY.

Coun. TAYLOR offered the following:

Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to draft a bill for presentation to the Legislature providing that dividends to stockholders of the Boston Elevated Railway Company be abolished until such time as the Boston Elevated shows a profit instead of a deficit.

Coun. TAYLOR—Mr. President, I move a suspension of the rule, that the order may be put upon its passage. Many years ago, when the Legislature forced upon an unsuspecting public the Elevated Public Control Act, it was arranged in the bill that the stockholders of the Boston Elevated Railway Company be given a tentative 5½ per cent dividend, which was to be increased to 6 per cent and then, I think in 1931, during the beginning of the depression, the Legislature changed the bill, reducing the amount of the dividend from 6 per cent to 5 per cent. It is a very unusual situation to have a private concern, because of mismanagement being unable to make a profit, force upon the taxpayers of Boston and the surrounding towns a guaranty that the stockholders of the Elevated Railway shall receive such dividends. There are many other private enterprises which during the depression suffered just as severely as the Boston Elevated Railway Company, and the stockholders of such corporations has to take a loss, while the Elevated stockholders were assured this profit. It is rather peculiar, also, when you consider the situation of other similar companies. The Eastern Massachusetts, for example, which for twenty years never paid a dividend to its stockholders, has put its house in such order that on the last dividend date it paid its stockholders a dividend of one dollar on the common stock. That is, the Eastern Massachusetts, compelled to pull itself out of a hole by its own efforts, without such aid as has been afforded the Boston Elevated, was finally able to pay a dividend to its stockholders. But the Boston Elevated Railway Company still has to have the help of Boston and the surrounding municipalities under this guaranty of the payment of annual dividends to its wealthy stockholders. Such a thing is certainly unusual in any other private business. Where a corporation does not make money, dividends are not paid, and the stockholders take their chance. But here the responsibility is imposed on the people of Boston and the surrounding towns to pay this dividend. The Legislature reduced the guaranteed dividend from 6 per cent to 5 per cent in 1931, and from 1931 to date these 5 per cent annual dividends have been paid, in spite of the fact that the road has been running at a deficit, which this past year amounted to over \$2,000,000. There is no reason in the world why those who have charge of the Boston Elevated should pay this guaranteed dividend, while these deficits are going on. The Legislature has the legal right to take action reducing or even doing away with the dividend, where it is not being earned by the road, as is shown by its action in reducing the dividend from 6 per cent to 5 per cent in 1931. Therefore, in justice to the people of Boston, who with the people of other parts of the metropolitan district pay the bills, such a bill as I have suggested in this order should be drafted by the Corporation

Counsel for presentation to the Legislature, and I feel sure that if such a bill is presented to the Legislature, having the interests of the people at heart, it will enact such legislation.

The order was passed under suspension of the rule.

RESURFACING SPALDING STREET, WARD 11.

Coun. ENGLERT offered the following:

Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to resurface with smooth pavement Spalding street, Ward 11, under the W. P. A. plan of construction. Passed under suspension of the rule.

PLAYGROUND FACILITIES, WARD 17.

Coun. WICKES offered the following orders:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to cause to be erected a bubbler fountain at the back steps of the field house in Roberts Playground, Ward 17, and also that a sprinkler system to keep down the dust be installed at said playground, under W. P. A. type of construction.

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to cause to be constructed, as a W. P. A. project, a small children's playground (for children of twelve years and under) on the now unoccupied field in the rear of the Dorchester High School for Girls and owned by the School Buildings Department, under W. P. A. type of construction.

Coun. WICKES—Mr. President, these orders will not involve any large expense to the Park Commissioner. The first one proposes the erection of a bubbler fountain at the back steps of the field house in the Roberts Playground. The W. P. A. authorities already have an open ditch in the playground at the present time for other work, and consequently the city could put a one-inch water pipe in this ditch for the bubbler fountain and possibly also for the sprinkler system to keep down the dust in the playground. This sprinkler system could be installed under W. P. A. type of construction, thus saving time and expense which might be incurred at a later date. As to the second order, looking to the construction as a W. P. A. project of a small children's playground, for children of twelve and under, on the now unoccupied field in the rear of the Dorchester High School for Girls, owned by the School Buildings Department, this area, if improved as suggested, could be used during the school season as an outdoor gymnasium yard for the high school girls in the spring and fall. Miss Twigg, principal of the high school, who has been there for many years, informs me that there has been a conspicuous lack of such facilities for years—that is, a playground for small children. I hope, therefore, that the Council will pass these orders, so that the necessary work will be done out there.

The orders were passed under suspension of the rule.

IMPROVEMENT OF CHARLES STREET PLAYGROUND.

Coun. RUSSO offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to resurface the playground on Charles street and place the grounds in first-class condition for the use of adults and children during the summer months.

Passed under suspension of the rule.

RESANDING OF CHARLES STREET BEACH, WARD 3.

Coun. RUSSO offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to resand the beach on Charles street, Ward 3.

Passed under suspension of the rule.

SEWERAGE SYSTEM, SOUTH END.

Coun. HURLEY and D. H. SULLIVAN offered the following:

Ordered, That the Public Works Commissioner, through his Honor the Mayor, be requested to institute a W. P. A. program for the purpose of eliminating in the South End district of Boston the abominable conditions which have existed for many years because of the inadequacy of the sewerage system in that section of the city.

Coun. HURLEY—Mr. President, I have a letter here that I think will explain this order very thoroughly. It is a letter addressed to a former City Councilor representing my ward, from Division Engineer George W. Dakin, of the Sewer Division of the Public Works Department, under date of December 30, 1937. The letter is as follows:

"Dear Councilor,—The drainage system serving the South End District in question is one that has long been built, and nearly all the buildings in the district have been built fifty to seventy-five years or more, and consist at present mostly of apartment, store and business blocks and the district is thickly populated.

The drainage system is inadequate, in that it does not properly serve the district in question, and, I understand, has not done so for many years.

During dry weather and storm periods of lesser intensity, the sewerage system operates without giving trouble, but during periods of heavy rainfall and heavy downpours, particularly when these occur at high tides, the sewers and drains become overtaxed, resulting in the flooding of cellars by backing up through leaky drains inside and outside the buildings, and because many cellars that do get flooded have not the proper installations of back water valves, and lack private pumping equipment.

It should be borne in mind that the district in question is for the most part filled-in tidal lands, the streets are nearly level or have slight slopes, many of the yards are below the surface of the streets and alleys, and some of the several alleys are down near high water mark, which makes it impossible under present conditions to properly drain the district during the heavy rainfall periods as aforementioned, occurring approximately four or five times annually.

The district tributary to Union Park street used to be in a similar condition, as regards drainage until the Union Park street pumping station was built, and some new low level main sewers were constructed, leading to this pumping station.

In order to relieve the district in question, the one complained of, it will be necessary to construct a pumping system and also a drain or drains to furnish relief from flooding during the periods of heavy downpours at high tides.

I recommend consideration, first, of a 'Booster' pumping arrangement, to be located at Albany street near Concord street, and a connection made in Albany street, at East Dedham street leading from the East Dedham street sewer into the Union Park street pumping station.

In my opinion this project will relieve the low alleys and cellars, so that they will, in all probability, not be flooded during periods of heavy downpour at high tides.

The estimated cost of this project is \$200,000.

If, for any reason, this arrangement does not work out as we contemplate it will, it would be necessary to build, second, a pumping station similar to Union Park street and construct several lines of low level sewers and a force main leading to this new pumping station.

This would entail a considerably larger expenditure, approximately \$400,000.

The relief of this South End District has been under consideration by the Sewer Division for many years, but nothing definite has been done in making plans therefor, owing to the lack of available funds for construction of the project.

The district does merit relief as the writer contends, and the unsatisfactory drainage conditions must continue as at present until relief by pumping, as I have described above, has been furnished by the city.

Until this is accomplished, owners of buildings must of necessity, if they are to be relieved of floodings, tighten up their leaky house and yard drains and private sewers in alleys, and provide themselves with ejector pumps to handle the flood conditions in their cellars during periods when the backing up occurs.

In my opinion the South End property owners; long suffering, have just cause for complaint, and the drainage of the district ought to be improved and conditions remedied as soon as possible.

Respectfully,

GEORGE W. DAKIN,
Division Engineer."

I think that letter is self-explanatory, and I have also a communication here from Mr. Thomas Curley, of the South End House Association, asking me to introduce this order, and telling me that a survey of tuberculosis in the City of Boston has shown that this area in question has the highest tuberculosis rate of any section in the city. The association, which made this survey, contends that much of the T. B. trouble is caused by lack of proper sewerage facilities in the district. I believe what is proposed in this order is a very worthy project and that it should be taken care of as soon as possible. I trust that the order will pass.

Coun. D. F. SULLIVAN—Mr. President, speaking on the same order, I feel that the condition referred to is a public disgrace. It has been clearly shown that that is a section of the city where the sewerage system is totally inadequate. I have looked into the matter myself in the past two years, calling at homes and checking up on sewerage conditions, and I am convinced that this is a matter that must be taken care of. A checking up in the South End section—Wards 8, 9, 3 and 4—shows that in many cases, aside from a small section where new streets have been put in, bad sewerage conditions can only be eliminated by putting in new sewers. I trust most earnestly, therefore, that the order will pass and that these abominable sewerage conditions in the South End district will be relieved as soon as possible.

The order was passed under suspension of the rule.

AMBULANCE FACILITIES, CARNEY HOSPITAL.

Coun. LINEHAN and SCANNELL offered the following:

Ordered, That the Mayor request the Commissioner of Public Buildings to provide for proper ambulance facilities for the Carney Hospital, South Boston.

Passed under suspension of the rule.

CHESTER PARK IMPROVEMENTS, WARD 9.

Coun. D. F. SULLIVAN offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to take immediate steps to make the necessary improvements at Chester Park, such as sodding, planting of more trees, repairing benches, etc., either as a W. P. A. project or otherwise, said park being located on Massachusetts avenue, Ward 9.

Passed under suspension of the rule.

IMPROVEMENT OF BLACKSTONE PARK, WARD 9.

Coun. D. F. SULLIVAN offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to put Blackstone Park, located in the South End section of Ward 9, in proper condition for greater use by repairing the benches, setting off an area as a safe play area for children, and to furnish adequate supervision for this play area and the wading pool during the summer months.

Passed under suspension of the rule.

IMPROVEMENT OF MASSACHUSETTS AVENUE RESERVATION.

Coun. D. F. SULLIVAN offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to make the necessary improvements, such as reseeding, etc., on the reservation on Massachusetts avenue between Washington street and Columbus avenue, Ward 9.

Passed under suspension of the rule.

RESURFACING OF EASTBURN STREET, WARD 22.

Coun. M. H. SULLIVAN offered the following:

Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to resurface with smooth paving, Eastburn street, Ward 22, under the W. P. A. type of construction.

Passed under suspension of the rule.

SKELETON FORCE, CITY DEPARTMENTS, APRIL 20.

Coun. M. H. SULLIVAN offered the following:

Ordered, That his Honor the Mayor be requested to authorize a skeleton force of city workers in all departments, where permissible, on Saturday, April 20.

Passed under suspension of the rule.

REPORT OF FINANCE COMMISSION RE BEANO GAMES.

Coun. CHASE offered the following:

Ordered, That the Boston Finance Commission be requested, through his Honor the Mayor, to advise the Boston City Council as to whether the Attorney-General or District Attorney for Suffolk County were given a report of the findings made by the Boston Finance Commission relative to their investigation of Beano games in 1936.

Coun. CHASE—Mr. President, we have now in the Executive Committee of the Council an order requesting the Finance Commission to investigate Beano games. I have in my hand a report of the Boston Finance Commission of the results of its investigation into the operations of the promoters of Beano games in Boston, the report being made on August 13, 1936. The report is as follows:

"Hon. Frederick W. Mansfield, Mayor.

"Honorable Sir,—During the last few months the Finance Commission has received many complaints from responsible business and civic interests against the operations of the promoters of the so-called Beano racket in Boston.

"The complaints have been that this form of gambling particularly is undermining the morality of the community. Family well being is suffering and many a dollar that should and could be spent in family purchases in legitimate business houses is being diverted to a small group of racketeers, who have commercialized what began as a more or less harmless game of chance.

"Originally a church organization, a veteran's post or some other charitable organization would conduct a Beano game as a side attraction at a semi-occasional party as a means of raising money

for needy maintenance and developing and consolidating neighborhood good will.

"The profit to such a game became so great that soon all other attractions at these parties were abandoned and Beano became the sole attraction.

"A group of persons originally identified with no charity or church saw the possibilities of cutting in on the profits by specializing in managing the games. They furnished the paraphernalia with which the game is played, the prizes and the operators. In short order the church and charitable organizations turned their names and facilities over to the professional operators and were content to take a percentage of the profits. They left all the details of management to the small group who had commercialized the game.

"Under the guise of one charity or another, Beano games became established all over the community. The craze spread like midget golf of a few years ago, but unlike midget golf Beano offered some possibility of obtaining something besides exercise and it survived the partial collapse which came when the novelty of it first wore off.

"With its renewed life, development of it as a money-making possibility rapidly advanced. Where originally it was confined to club houses and church grounds in residential sections, it now is more or less firmly implanted in the downtown business sections. The promoters eagerly seek to obtain locations in the big shopping centers because they realize that it is to those sections that people go with money to spend. They offer all kinds of inducements to entice the spending public. They open their doors before the shops are open. They know that many who come to the shopping center will forget the shop and stay in the Beano parlor to gamble.

"The Finance Commission has been quietly gathering information about the manner in which licenses are obtained, the real beneficiaries of the game, and the conditions surrounding their operation. The commission is positively convinced that the game is 'a racket,' so called, in Boston today, and that racketeers control the operations and obtain most of the profit of the majority of games in operation.

"The commission is prepared to reveal to you and to the public at a public hearing evidence to substantiate this claim. It awaited your return because it doubted the authority or desire of the Acting Mayor to go beyond temporary palliative regulations.

"The commission has noted your statement in the newspapers from New York that you intend to take some action. On the action you take will depend the commission's decision to hold public hearings to bring into the public light the evidence the commission has found and to establish the truth of much gossip relating to the management and supervision of the games.

"The commission recognizes that the Legislature legalized Beano games. The benefits to charity, however, which the legislators were led to believe would come from legalized operation have not materialized. The names of church and charitable organizations have been brought into disrepute by the professional operators. The amount of money received by these organizations from the professional operators is negligible.

"Fraud and collusion is not only possible under the present scheme of operation, but actually is practiced. Political influence, not church or charitable organizations influence, now dictates the issuance of permits and the regulations of operators.

"Because of the demoralizing influence on the public and the paid agents of the public in the regulation of Beano, the Finance Commission believes the public good would be served best by absolute prohibition of it.

"Respectfully submitted,

E. MARK SULLIVAN, Chairman,
PHILIP A. CHAPMAN,
ROBERT ROBINSON,
JAMES E. MAQUIRE,
JOSEPH A. SCOLPONETTI,
The Finance Commission."

Now, Mr. President, in view of the fact that the Legislature has legalized Beano games on condition that the proceeds from those games shall be solely distributed to charity, for church work and like purposes, and in view of the fact that in 1936 the Finance Commission found that the proceeds from those games were going into the pockets of racketeers instead of for charitable purposes, I say that either the Attorney-General or the District Attorney for Suffolk County should have taken action before this; and I feel, inasmuch as the Finance Commission is costing the City of Boston \$50,000 a year, and that the City Council is in no small way charged with the responsibility of finding out the manner in which the money is spent, we are entitled to know more about what has been done with this report, namely, whether the Finance Commission notified the proper law-enforcing officers of the state and county of its findings relative to Beano games.

Coun. FISH—Mr. President, what is that order?

President GALVIN—It is an order that the Boston Finance Commission be requested, through his Honor the Mayor, to advise the Boston City Council whether the Attorney-General or District Attorney of Suffolk County were given a report on the findings made by the Boston Finance Commission relative to their investigation of Beano games in 1936.

Coun. FISH—It is not proposing another investigation?

President GALVIN—No. It is an order requesting the Finance Commission, through the Mayor, to advise us as to whether the Attorney-General or the District Attorney were given a report of the findings made by the Boston Finance Commission relative to their investigation of Beano games in 1936.

Coun. LINEHAN—Mr. President, I feel that the gentleman from the Back Bay (Coun. Chase) is wasting the time of the Council by introducing and speaking upon such an order, when the simple thing for him to do would be to personally request the Finance Commission for information in regard to the matter. I object to his wasting the time of the Council, when he could easily call up the Finance Commission and find out what he wishes to find out.

The question came on the passage of the order, but the Chair was in doubt on the voice vote, and Coun. CHASE asked for a roll call.

The clerk called the roll, and the order was rejected, yeas 4, nays 13:

Yeas—Coun. Chase, Kelly, Langan, Wickes—4.
Nays—Coun. Carey, Coffey, Englert, Fish, Galvin, Goode, Hurley, Hutchinson, Linehan, Russo, Scannell, D. F. Sullivan, Ward—13.

FEE TO NON-RESIDENTS, L STREET BATH HOUSE.

Coun. GOODE, SCANNELL and LINEHAN offered the following:

Ordered, That the Mayor of Boston, through the Park Commissioner, consider the advisability of charging the fee of twenty-five (25) cents to all outside residents using the facilities of the L Street Bath House.

Coun. GOODE—Mr. President, I have received information in the past few weeks indicating that the facilities of the L Street Bath House have been availed of to such an extent by outside residents that long lines of people have been kept waiting, nine-tenths of them Boston people, while people from outside cities and towns have been disporting themselves on the beach and in the water. I feel, in times like these, when the City of Boston is bearing so many financial burdens—the Elevated deficit, the Sumner Tunnel, and other white elephants, used in an undue proportion by people from outside the city—that some action should be taken recognizing the rights of our own citizens. I certainly feel, under the circumstances, referring to the use of the facilities of the L Street Bath House, where we see these long lines of citizens awaiting the convenience of outsiders, that the Mayor, through the Park Commissioner, should consider the advisability of charging a fee of 25 cents to all outside residents using those facilities. It seems to me that that is nothing but just.

Coun. WARD—Mr. President, I would move to amend the order by inserting in place of "twenty-five cents" "fifty cents."

Coun. FISH—Mr. President, if I recall, this matter came up in the Council last year. It certainly is a matter that has been considered for some time. As I recall it, at that time there was also the question of whether even a twenty-five cent fee to non-residents of Boston was sufficient. I think it is about time that we should take some action which will result in our obtaining some revenue from the use of the L Street Bath House facilities by outsiders. I believe that if even the twenty-five cent fee had been in effect last year the city would have derived from it something like \$50,000. I certainly hope that Councilor Ward's amendment will prevail, and that the order will be passed. I think that will be simply a matter of justice to our own people.

Coun. M. H. SULLIVAN—Mr. President, I think the same procedure might be adopted that is adopted in the town of Brookline, where those applying for the use of such facilities, before entering a swimming pool over there, are required to show a certificate to the effect that they are residents of Brookline. That is so whether they come from Brighton or anywhere else.

Coun. Ward's amendment, to charge a fee of fifty cents instead of twenty-five cents to non-residents, was adopted, and the order as amended was passed.

RETENTION OF COLONEL SULLIVAN AS DISTRICT W. P. A. MANAGER.

Coun. GALVIN offered the following:

Ordered, That his Honor the Mayor be requested to petition the authorities of W. P. A. to retain in his present position, Colonel Thomas F. Sullivan, who has performed such outstanding service as District Manager of W. P. A. in Boston.

Passed under suspension of the rule.

ELVEN ROAD, WARD 19.

Coun. LANGAN offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface Elven road, Ward 19, under the W. P. A. plan of construction.

Passed under suspension of the rule.

EMPLOYMENT OF NON-CITIZENS ON HOUSING PROJECTS.

Coun. CAREY offered the following:
Ordered, That the Boston Housing Authority be requested, through his Honor the Mayor, to advise the Boston City Council as to whether or not all persons employed on the construction of the four housing projects in Boston are citizens of the United States.

The question came on suspending the rule for the passage of the order.

Coun. CAREY—Mr. President, I have received a great number of complaints, as I dare say each member of the Body has, with regard to the help being employed in the construction of these four housing projects in Boston. The complaint I receive is that many of these employees are not citizens of the United States. I know right off that we are going to hear the argument that was made a year ago that, where a man is a member of a union, sometimes it makes no difference whether he is or is not a citizen of the United States, so far as the union is concerned. But you cannot tell me that within the confines of the City of Boston there are not plenty of men who can be employed for all forms of construction in housing projects, who are citizens of the United States, and citizens of Boston. This is work that is being paid for to a large extent by the taxpayers of the City of Boston, and there is, therefore, in my mind no reason why every man so employed should not be at least a citizen of the United States. Whether or not the complaints that have come to me in this respect are justified or not, I don't know definitely, and therefore I am asking that the Boston Housing Authority be requested, through his Honor the Mayor, to advise the Boston City Council as to whether or not all persons employed on the construction of the four housing projects in Boston are citizens of the United States. I believe we should have that information. I think that the Housing Authority should give us that information, that they should cooperate with the members of the City Council 100 per cent. We are being continually besieged by people in need of work, people who are citizens of Boston, and who feel that they have a right to be considered in work of this kind, and if there are any non-citizens employed on these projects I feel that they should be let out and that the work should be given to people who are citizens of the United States. I trust, therefore, that we will get an immediate response from the Housing Authority to this order, that the Housing Authority will cooperate with the Boston City Council, so that we may see whether each and every one employed in this work is a citizen of the United States.

Coun. COFFEY—Mr. President, I would suggest to amend the order so that it will recognize a 75 per cent preference on this work for citizens of Boston. The reason why I suggest this amendment is that I understand that 75 per cent preference is given in other places where such work is carried on.

Coun. CAREY—Mr. President, I most heartily concur in the suggestion offered by the gentleman from Ward 1 (Coun. Coffey). I am glad to go along most heartily on that.

The order was passed.

DIVISION OF TAX BILLS.

Coun. CAREY and FISH offered the following:
Ordered, That his Honor the Mayor be requested to consider the advisability of sending out four tax bills this year instead of one, viz.:

1. A bill showing the tax for expenditures of departments under the direct control of the Mayor.
2. A bill showing the tax for the state assessment against the City of Boston.
3. A bill showing the tax for county expenditures.
4. A bill showing the tax for school expenditures.

Coun. CAREY—Mr. President, of course the first thing to consider with reference to that order is the legality of it, and I trust that that question will be carefully considered, whether it is legal to render four bills instead of one. Then we come to the question of the expense of sending these bills out. Personally, I don't think the expense of sending out the four bills will be much greater than the expense of sending out one. There can be a saving by sending them out in one envelope. But the purpose of the order is to try to bring more forcibly to the attention of the taxpayers of the city the very excellent job that is being done by Mayor Tobin with the help of the City Council, in keeping down, as a matter of fact reducing, the tax load. We have various things to contend with in the tax rate of the City of Boston, and for only one of those things can the Mayor be held responsible. That is the tax for expenditures of departments under the direct control of the Mayor. Last year about a quarter of the amount raised in the tax rate was for items beyond the control of the Mayor, and I don't think, in fairness to him, that the criticism should be made, that has been made, of the Mayor and the City Council, even by taxpayers' organizations,

We have, for example, metropolitan district assessments levied, amounting to \$4.85 in the tax rate. Further, we have the expenditures of the County of Suffolk, over which the Mayor has no control whatsoever. The Mayor has no control over county officials or expenditures. Then, there are the expenditures for the School Department. I have not too much fault to find with the school expenditures, because I think the School Committee, particularly this year, is making every effort to reduce its budget. But I think it should be made clear that the Mayor has no real authority over the school expenditures. Then there is the tax for the state assessment against the city. These matters, which are charged against the City of Boston and over which we have no control, should be pointed out clearly to the taxpayers, and that can be done by sending out these four bills, as I have suggested in the order. The taxpayers will then have brought clearly to their minds the real situation, and it may result in a rebellion on their part and their bringing the situation and their feeling in regard to it to the attention of the Legislature. This may result later in an improved situation in the City of Boston with regard to the tax matters.

Coun. TAYLOR—Mr. President, while the purpose for which the order is offered is highly laudable, I feel that the order is an impractical one, and I don't think it would be legal. I don't believe it would be legal to send four bills in connection with one tax rate. I think, however, that the same purpose can be accomplished in another way, and I would suggest that the gentleman withdraw his order or change it in this respect, that one bill go to each taxpayer and that the various purposes for which the proposed expenditures are to be made be clearly itemized in that bill. I feel in that way that the purpose the gentleman has in mind will be accomplished, that the taxpayers will clearly see the purposes for which they are taxed, and that a large amount of the tax load is for something which is beyond the control of the Mayor and the City Council. To send out four bills, however, I believe is impractical, and I don't think it can be worked out. I feel that there is another and a better way of informing the taxpayers of the purposes for which the money is spent. It might be well, for instance, to point out the amount that is spent for our share of the Elevated deficit. In that way, that matter will be more clearly each year brought to the attention of the taxpayers, who will thus have a definite knowledge of the different figures which will assist them in voicing their objection to expenditures thus imposed upon the city.

Coun. FISH—Mr. President, I happened to see the order that Councilor Carey proposed to introduce, and I said that I would like very much to join in it. There is no intention on the part of Councilor Carey and myself to duck any issue that may be involved here. The people of Boston get a tax bill, and they have no way, without personal investigation, to find out the elements that enter into that tax bill. They simply see the rate, the \$39.90, or whatever it may be, and they may be inclined to improperly place the blame for what they consider a large tax bill upon the Mayor. Personally, I think that Mayor Tobin will have shown himself to be a financial wizard, under the conditions confronting him, if he can keep the tax rate at \$39.90. But I don't see why we should allow the implication to go forth that the Mayor is entirely responsible for the large tax rate. The Mayor has been confronted with a most discouraging job. He has by almost superhuman efforts kept the rate down to the lowest possible point. For that reason I think we should devise ways and means of letting the people know that we have no control over the school budget, that we have no control over the county finances, and that we have no control over the state assessments, and I believe when the people clearly learn that there will be less condemnation of the Council and of the Mayor.

The order was passed under suspension of the rule.

CONDITION OF PIPES IN STREETS.

Coun. CAREY offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to inform the City Council what tests, if any, are or can be made of sewer, water, and other pipes, to determine whether or not they are in need of repair, while streets are dug up for construction or resurfacing, in order that reopening and consequent impairment of such streets may be subsequently avoided.

Coun. CAREY—Mr. President, in my district last summer certain streets were repaired, and the repairing was hardly completed when the streets had to be reopened again because of breaks of water mains, sewer pipes, gas pipes, or something else. It was a pitiful waste of money. We see streets repaired or built, fine streets, and the work is hardly completed before they have to be opened up for more repairs. It is quite probable that some of this work is unavoidable, but I think something should be done in such cases to ascertain the condition of the various pipes in the street, in order that immediate tearing up again of the street may be avoided.

The order was passed under suspension of the rule.

ABOLITION OF PHARMACISTS' LIST, CITY HOSPITAL.

Coun. KELLY—Mr. President, I ask unanimous consent to make a statement. (There was no objection.) Mr. President and members of the Council, on March 25 I introduced the following preambles and order:

"Whereas, The civil service list of pharmacists expired on November 8, 1939; and

"Whereas, The Director of Civil Service extended said list on February 24, 1940, and submitted three names to the trustees of the Boston City Hospital from which one was to be selected for appointment; and

"Whereas, Each of the three persons certified notified the Directors of Civil Service in writing that he was willing to accept this work; and

"Whereas, Doctor Manary, Superintendent of the City Hospital, interviewed the three persons whose names were certified on March 4, 1940; and

"Whereas, On March 5, 1940, the Director of Civil Service declared the pharmacists' list abolished forthwith; therefore be it

"Ordered, That the trustees of the City Hospital be requested to inform the City Council, if possible, the reason ascribed by the Director of Civil Service for abolishing said list."

In response to that order I received this letter, with a lot of information in it, that I would like to read to the Council. (Reading letter accompanying message of Mayor Tobin in regard to the matter, submitted earlier in the meeting.)

I realize that I cannot introduce an order in the City Council to which this gentleman in the State House will pay any attention, and I also realize that in response to any resolution or order I may offer, Mr. Lupien will furnish no information. But it is a sad state of affairs when any member of this Body cannot ask this dictator at the State House, Mr. Lupien, why he committed a direct violation of the Civil Service laws, why he abolished this list on March 5, one day after the names of three on the list were submitted to the trustees of the Boston City Hospital, from which one was to be selected for appointment.

INSTALLATION OF PLAYGROUND EQUIPMENT.

Coun. HUTCHINSON offered the following:
Ordered, That the Park Commission be requested, through his Honor the Mayor, to install sand boxes, teeter boards and other playground equipment for small children on all playgrounds throughout the city.

Passed under suspension of the rule.

HOUSING UNIT, LOWER END OF SOUTH BOSTON.

Coun. SCANNELL and LINEHAN offered the following:

Ordered, That the Boston Housing Authority be requested, through his Honor the Mayor, to consider the advisability of erecting a Federal housing unit in the section known as the lower end of South Boston.

Passed under suspension of the rule.

SKELETON FORCE, APRIL 20.

Coun. D. F. SULLIVAN offered the following:
Ordered, That his Honor the Mayor be requested to instruct department heads to maintain a skeleton force in their respective departments on Saturday, April 20, due to the holiday on Friday, April 19.

President GALVIN—The Chair will have to rule that order out of order, as a similar order has already been passed.

WARD 18 IMPROVEMENTS.

Coun. GOODE offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface with smooth paving, under W. P. A. type of construction, Burmah street in Ward 18.

Ordered, That the Commissioner of Public Works be requested to finish construction of Milton avenue in the Ward 18 section of Boston, under W. P. A. construction.

Orders passed under suspension of the rule.

REPORT OF COMMITTEE ON LICENSES.

Coun. FISH, for the Committee on Licenses, submitted the following:

1. Report on petition (referred today) of Gulf Oil Corporation for driveway opening at 655-665 Commonwealth avenue, corner Granby street—recommending that leave be granted.

Report accepted; leave granted under usual conditions.

INCREASED MEMBERSHIP, BOSTON HOUSING AUTHORITY.

Coun. M. H. SULLIVAN offered the following:
Ordered, That his Honor the Mayor be requested to petition for legislation to increase the

membership of the Boston Housing Authority from five to six members, one member of which shall be a woman.

Coun. M. H. SULLIVAN—Mr. President, I might say that this idea does not originate with myself. It was first broached by Mary Driscoll of the Licensing Board a few weeks ago, and I believe that it is a very good suggestion. I think it is a very meritorious idea, and that we should do everything possible to go along in the matter. Although the members are very well fortified by reason of their business and professional standing to perform the work of the Housing Authority, I think there are ways in which a woman, as a member of that Housing Authority, could do very good work, because of her knowledge of housing and home conditions that should be taken into consideration. I have, therefore, introduced the order. The position is unpaid.

The order was passed under suspension of the rule.

RECESS.

The Council voted at 3:30 p. m., on motion of Coun. M. H. SULLIVAN, to take a recess subject to the call of the Chair. The members reassembled and were called to order by President GALVIN at 4:10 p. m.

President GALVIN called Coun. Kelly to the chair.

Coun. KELLY in the chair.

CONFIRMATION OF APPOINTMENT.

Chairman KELLY called up, under unfinished business, No. 1 on the calendar, viz.:

1. Action on appointment, submitted by the Mayor April 1, 1940, of Arthur S. Gorman, to be a Weigher of Coal.

The question came on confirmation. Committee, Coun. Taylor and Coffey. Whole number of ballots 12, yeas 11, nays 1, and the appointment was confirmed.

EXECUTIVE COMMITTEE REPORTS.

Coun. LANGAN, for the Executive Committee submitted the following:

1. Report on message of Mayor and order (referred today) that \$20,000 be appropriated to be expended by Finance Commission in connection with study and survey of Boston Elevated, same to be charged to Contingent Fund—recommending passage of order in accompanying new draft, viz.:

Ordered, That the sum of \$20,000 be appropriated to be expended under the direction of the Finance Commission in connection with its study and survey of the Boston Elevated Railway Company, same to be charged to the Contingent Fund.

The report was accepted and the question came on the passage of the order.

Coun. CAREY—Mr. President, the Mayor's communication to the Council today used the word "investigation." I don't see why there is any necessity to make a change in the wording of the order. After all, I don't know just why such a fine line is drawn between the word "investigation" and the words "study and survey." I think it would be well to leave the word "investigation" in the order, as it was presented by the Mayor, and I would so move.

Coun. HURLEY—Mr. President, I was in the conference today downstairs, and I heartily approve of the order. But other members, as well as myself, felt that the matter would be taken care of very nicely by substituting the words "study and survey" for "investigation." No question had come up about anything underhanded, any stool pigeon, and so forth, and I think the words "study and survey" will answer very nicely, and will better appeal to certain members of the Council than the word "investigation."

Coun. TAYLOR—Mr. President, while I appreciate that the word "investigation" may sound more severe than the words that have been substituted, in view of the situation with which we are confronted on the Boston Elevated Railway, I think the word "investigation" should stand.

Coun. WARD—Mr. President, so far as this order is concerned, I don't care how it is worded. I do think, however, that the public are entitled to have some investigation or survey, whatever you may call it, to determine why the amount of the Elevated deficit has gone up to \$2,250,000 this year. An investigation of the matter is one of the very constructive things that the Finance Commission can do, to determine whether there has been so much money mulcted by the Elevated company, and whether there is any way in which to relieve the burden of the taxpayers of this city. As far as the word that is to be used is concerned, you can put in any word you want, so far as I am concerned. I am perfectly willing to investigate or to make a study and survey of the Boston Elevated, of the Edison, the Boston Consolidated Gas Light Company or the Telephone Company, at any time.

The Council voted to substitute the word "investigation" as it appeared in the Mayor's order, for the word "survey" of the committee's report, and the order as amended was passed, yeas 18, nays 0.

2. Report on message of Mayor and order (referred today) that trustees of City Hospital be authorized to sell obsolete X-ray films—that same ought to pass.

Report accepted; said order passed.

3. Report on order (referred March 4) that City Censor allow churches or bona fide organizations to give as much as \$100 in prizes at Beano games—that same ought to pass.

The report was accepted and the question came on the passage of the order.

Coun. COFFEY—Mr. President, all kidding aside, this is a very serious matter. In my ward alone there have been two Beano games conducted for the last few years, the Moose and the Knights of Columbus, and in the past few weeks they have been abandoned because of the fact that the police were watching them, and they cannot give more than \$5 for a prize. This would allow the payment of up to \$100 for any one prize, would allow the Knights of Columbus, the Veterans and certain other organizations to conduct a Beano in Boston, giving a top prize of \$100, so that there would be no inducement for people to go outside of Boston to play for such a prize. These games are conducted by reputable organizations, and I certainly hope that the order will pass.

Coun. CHASE—Mr. President, I question the wisdom of this Body passing the order before a proper check is made on licensing of Beano games within the City of Boston, and I question the wisdom of doing so, particularly in view of the fact that there have been many stories of illegal games being conducted by racketeers under the cloak of charity. Most of the proceeds of the games are going into the pockets of racketeers, whereas under the law it has been understood that the proceeds should go solely for charity. I fear, Mr. President, that if we pass this order we are again allowing the racketeers to go forth and plunder as they have plundered in the past. I say that the only fair thing to do, in fairness to all concerned, is to request the Finance Commission to make an accurate check on each and every game and to find out whether the proceeds of the games are given to charity, as they are supposed to be given, under the law, or whether they go to the racketeers. Need I remind you that over in Middlesex County not long ago the Mayor of Somerville stopped Beano games because of the way they were being conducted, as I understand it because the racketeers were putting the proceeds of the Beano games into their own pockets. Why is the District Attorney of Middlesex County investigating Beano games in Watertown? It has been reported that in the past year \$150,000 was collected and that less than \$3,000 was given to charity. Who got the balance of the \$150,000? Mr. President, we have laws in this Commonwealth that should be abided by. We have law-enforcement agencies that should conduct these investigations and decide whether or not these games are being properly conducted. If these people are going to continue to violate the laws, we might as well give up. What is the use of passing laws unless the law-enforcing agencies see that they are carried out? We have these reports from responsible people that Beano games in Boston and in Suffolk County are not being properly conducted and that something should be done about it. I, for one, do not propose to be recorded in favor of this order, simply because I believe that these games are being run illegally by Beano operators who are racketeers.

Coun. GALVIN—Mr. President, I have been listening for a few weeks to the remarks made by the councilor from Ward 4 (Coun. Chase) relative to Beano, and I have noticed that all the time he has been trying to put something in the lap of the Democratic Attorney-General, apparently because that gentleman is a candidate for Governor. A few moments ago he named a city with a Democratic Mayor who had allowed, as he claimed, improper games to go on, and he has held up a Republican in another case on the other side, in contrast. He has not cited a place where a Republican Mayor or official has done what he thinks should not have been done, and he has overlooked certain cases that, from his point of view, might have reflected on the Republican party. While he is speaking of racketeers being back of some of these games, he has been very careful not to mention certain cases where Republicans might have been involved. I recall a few years ago when the Shriners conducted a raffle in the Garden, and I don't remember anything then being said about racketeers. In my section we have one Beano game, and that is run by the Knights of Columbus, and if he is going to refer to the Knights of Columbus as racketeers, I might also refer to the Shriners and others as racketeers. I think the councilor is out of order, and I am somewhat tired of having to listen to him on this matter for three or four weeks.

Coun. FISH and CHASE addressed the Chair. Chairman KELLY—The Chair will recognize Councilor Fish, he not having spoken.

Coun. FISH—Mr. Chairman, as Councilor Galvin says, we have been hearing a great deal about Beano for the past month. I would consider myself a most unworthy public servant if I were to sit here quietly and not raise my voice in protest when the councilor from Ward 4 casts aspersions on the Knights of Columbus and other fraternal and military organizations. If the measure which he favors passes today, the members of this Body will be guilty of casting aspersions on

honest fraternal and military organizations and on Catholic organizations throughout the city. We will be guilty of doubting three Legion Posts who have their headquarters in my district, and also one of the outstanding Councils of the Knights of Columbus of Massachusetts, a Council in which I proudly claim membership, the Redberry Council. Who am I, or who are you, any of you, to judge these organizations? If they should be placed on trial, every one of us knows that they would stand the most rigid investigation and come out of it more glorious than ever. But why these interferences? Is it because they run an innocent game? In doing so, is there an attempt to link them up with the racketeers? Is it because they provide an opportunity for hundreds of people to enjoy themselves and at the same time to contribute a great deal of much needed money to charity? Let me say this, Councilor Chase, that every penny of the Redberry money goes to charity. There has never been the slightest doubt of that. Is it a crime, is it criminal, to raise money for charity, especially when these organizations are legally licensed? I appreciate the fact that times may have changed since Mike Ward was a boy! However, they have not changed fundamentally. I grant the younger generation the right to their ideas, but I don't think they have yet proclaimed that charity is a sin. Why is there this continual interference, this continual casting of aspersions upon honorable men and organizations? There remains but one answer. I am sorry to get personal, but I doubt men who are forever suspicious and distrustful of others. I have much more that I might say, but I am going to wait until later before doing so. I think I have said enough upon this order, and that what I have said represents the views of most of the members of this Body. If anything more of this sort comes before the Body, I trust that it will be ruled out of order.

Coun. LINEHAN—Mr. President, several weeks ago I took the floor in regard to a proposed investigation at that time and expressed, I think clearly, my opinion in regard to some of the investigations that have been proposed or suggested in this Body. I said, for instance, that, so far as I had been informed, the members of the Housing Authority are decent, clean, upright citizens, and that until I found some evidence to the contrary I would vote against an investigation of housing. Getting down to Beano, the gentleman from Ward 16 (Coun. Fish), the gentleman from Ward 1 (Coun. Coffey) and also the gentleman from Ward 2 (Coun. Galvin) have brought out the charitable side of this Beano question. I also, as a representative of Ward 7, favor these games, particularly where they are honest games, from the charitable point of view. But I do say this, that if the gentleman from Ward 4 (Coun. Chase), from the Back Bay, comes in here to us, whether on the floor of the Council or in executive session, and shows us by one iota of evidence, one actual case backed up by testimony of honorable, decent citizens, that he knows whereof he speaks, something which he has not done up to today, I, for one, if I believe that evidence, if I believe that there is something dishonest in Beano, housing or anything else, will vote for such investigations as may be proposed. But until that time I will vote against every investigation. For that reason only I voted against the proposed investigation here a short time ago. I hate the word "investigation" unless it is very carefully used. I believe the word "survey" is much better. It does not have the stigma attached to it when you say there is to be a survey of a department. But, under the circumstances, I hope that the request of the councilor from Ward 4 (Coun. Chase) will be thrown out the window, until he brings us some evidence, disinterested evidence, of what he claims.

Coun. WICKES—Mr. President, I, too, would be the last man to cast unjust aspersions upon anybody or any organization. I would, however, be the first one in the Council to fight against anything that is wrong, provided I had the evidence that it is wrong. In Ward 17, the ward I am here to represent, we conduct Beanos under the auspices of the American Legion, for charity. I would not allow any member here to say, without reproof from me, that a member of that organization is a racketeer, and I certainly trust that that Post will be allowed to continue to run that Beano for charity.

Coun. CAREY—Mr. President, there is no doubt in my mind that a great deal of good and charitable work has come through Beano. However, within the last few weeks there was certain information that came to my attention in regard to a Beano party being conducted in the Roxbury area. It happened that a participant there won the prize for the night, \$100. Immediately, when he won the prize, however, one of the men working there in the hall, connected with those conducting the Beano, went on the platform, had some very harsh words with the man, and then the man had to withdraw. You cannot tell me that there was not something a little shady there. I am 100 per cent for anything that is going to help the poor and unfortunate. This order asks for the authorization of prizes of \$100 value to be given by charitable organizations. I believe there is a great deal in what has been said by the gentlemen from Ward 12 and Ward 16 in favor of bona fide organizations. But the word "bona fide" covers a great area, and I think before we take action here we should have before us the City Censor, to acquaint us with the

organizations which are carrying on this game weekly, and that we should have present with us the Acting Corporation Counsel to tell us how far we can go in regulating the Beano situation. I move, therefore, that the matter be laid upon the table until such time as the Censor and the Acting Corporation Counsel can come before us.

Coun. CHASE—Mr. President—The motion to lay on the table is not debatable.

The Chair put the question on laying the order on the table, and, being in doubt, ordered a roll call.

The motion to lay on the table was lost, yeas 9, nays 10:

Yeas—Coun. Carey, Chase, Hutchinson, Kelly, Linehan, Lyons, Scannell, M. H. Sullivan, Taylor—9.

Nays—Coun. Coffey, Englert, Fish, Galvin, Goode, Hurley, Russo, D. F. Sullivan, Ward, Wickes—10.

The order was passed, yeas 11, nays 5:

Yeas—Coun. Coffey, Englert, Fish, Galvin, Goode, Hurley, Kelly, Russo, D. F. Sullivan, Ward, Wickes—11.

Nays—Coun. Carey, Chase, Linehan, Lyons, Scannell—5.

OPENINGS IN STREETS BY PUBLIC UTILITIES.

Coun. LYONS offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to compel all public service corporations who make openings in our streets to restore the streets to their original condition.

Passed under suspension of the rule.

ACCEPTANCE OF CUSHING STREET, WARD 20.

Coun. LYONS offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out Cushing street, Ward 20, as a public highway, under the W. P. A. plan of construction.

Passed under suspension of the rule.

TAX ON HORSES.

Coun. FISH offered the following:

Ordered, That his Honor the Mayor be requested to oppose any legislation which will place a tax on horses, or to prohibit their use as a means of transportation on the streets of the City of Boston.

Coun. FISH—Mr. President, I suppose when I have finished my few remarks some one in the Council with a keen sense of humor will probably rise and say that loyalty has reached great heights, when we have been listening to a Fish standing up for a horse! (Laughter.) However, I consider it a privilege at any time to raise my voice in defence of those who, because of their nature are unable to speak for themselves. And so I am now speaking not for man, but for the best friend that man has ever had, the American work horse, which has become the most recent target of our friend from West Roxbury, Eric Nelson. He is certainly a traitor to his race, when as a relation to the horse, a jackass, he attacks it; although it must be conceded that he is a mathematical wizard when on two occasions, once in the Mayor's office and once over at the Parker House recently, he could not grasp the idea that one and one make two, but explained for the edification of the people of Boston that one and one added together make 1½. He felt that Mayor Tobin and others should go back to school when they said that one and one are two. And this is the Eric Nelson who has interpreted the tax figures or Maurice Tobin! He wants a tax of \$10 placed on the horses on our public streets, on the good old American work horse, which has worked so hard to build our streets and which has always had the use of them. I have in mind a business man who cannot afford a truck, but who has to depend on a horse. He has to make his living in that way, and he is entitled to make it in that way. But I also have in mind quite a bit of pity for one horse in particular, poor old Jerry. Certainly ten cents would not be afforded for him, let alone ten dollars, in the dress parade in South Boston. There was a question as to whether he could even be insulted when "Knocko" rode him: Personally, I should have taken out a policy on "Knocko." But, to be a little more serious, I have introduced this order, which I trust will be passed, that the Mayor be requested to oppose any legislation which will place a tax on horses or prohibit their use as a means of transportation on the streets of the City of Boston. If the thing should come up as a proposed license fee for horses, it naturally will be referred to the Committee on Licenses, when I certainly would oppose it. But if any such tax is levied, I certainly trust that a tax on the jackass who originally opposed it will be included.

The order was passed under suspension of the rule.

INTERPRETATION OF CIVIL SERVICE LAWS BY ATTORNEY-GENERAL.

Coun. KELLY offered the following:

Resolved, That the Boston City Council respectfully request that the Attorney-General interpret the civil service laws for the present Director of Civil Service.

Coun. KELLY moved a suspension of the rule for the passage of the order.

Coun. WARD—Mr. President, speaking on this resolution, there seemed to be in the past month or so many people, including the genial councilor from Ward 12 (Coun. Taylor), who have seriously questioned the interpretation of the civil service laws by the present Director of Civil Service. We have thought in the past that the department heads of the City of Boston had some say in determining who should be employed in this city under the present civil service laws, but we find that the present Civil Service Director is not interpreting those laws as we thought they should be interpreted. When I served in the Massachusetts Senate a few years ago, I was a member of the Committee on Civil Service Laws in that honorable body. Practically all the laws and amendments thereto were considered and made by that committee and reported back to the Legislature for approval and enactment into what are now the civil service laws. As a member of the committee, I know that the intent of the committee was to determine definitely what those laws, to be observed and carried out by the Director of the Civil Service, were to be, and if it had not been felt that such was the case the laws would never have been approved by the Legislature at that time. So I say that we need a greater mind and a legal mind to interpret what the Legislature meant when they sent those laws to the Civil Service Commission, and it was taken for granted that it was the duty of the Civil Service Commission to interpret the laws as the Legislature intended that they should be. So I say that we have a right to request, as a Democratic body—because, after all, there is only one of our two Republican members here today—the Attorney-General to interpret the civil service laws for the present Director of Civil Service. The legal questions involved in the interpretation of the civil service laws are not for the director himself to interpret. I say, therefore, that we should send this request to the Attorney-General, asking him to step in and interpret what the Legislature meant. I listened with interest to the remarks of Councilor Fish. I have an idea that a horse on the Suffolk Downs track once double-crossed Mr. Nelson. But, speaking to the resolution, I think we should ask the Attorney-General to interpret the civil service laws for the present Director of Civil Service.

Coun. TAYLOR—Mr. President, I am very happy to see the distinguished councilor from Brighton and also from the lower Back Bay half of the district, changing his mind.

Coun. WARD—The higher half of the Back Bay district! (Laughter.)

Coun. TAYLOR—I am glad that he has finally come back into the fold. It was not so long ago, when I presented a resolution in the Council condemning Lupien for his action as Civil Service Director and when I expected the support of the distinguished councilor, that I was surprised to see that he did not back that resolution. But I guess, as he is getting older and has had certain experience, that he is beginning to find that the gentleman to whom he had referred is unfit to interpret the civil service laws. I am, therefore, glad to see that he is now back of this resolution, where he belongs.

The resolution was passed under suspension of the rule.

USE OF WHITE FUND FOR RECREATIONAL CENTERS.

Coun. LINEHAN offered the following:

Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to inform the City Council if the opinion, requested January 29, relative to the legality of using the George R. White Fund income for recreational centers is ready for submission to the City Council.

The question came on the passage of the order.

Coun. LINEHAN—Mr. President, within the last two weeks the councilor from Ward 6 (Coun. Scannell) and myself have been touring the different organizations and clubs in South Boston to ascertain their sentiment as to whether or not our district should receive a recreational center, to be built out of the White Fund or as a W. P. A. project. What has been attempted so far has not reached any successful conclusion, but I trust that we will get somewhere. On January 29, 1940, Councilor Scannell myself filed an order asking the Corporation Counsel, through his Honor the Mayor, to inform the City Council whether the income from the George Robert White Fund can be used for the construction of a recreational center or gymnasium in the South Boston district. The date of the introduction of that order happens to be about ten weeks ago. Ordinarily when such orders are passed, we get a response within a week or two. But I now want to call the attention of the members of the City Council to the fact that that order was passed in this Body on January 29, and that this is April 15, 1940, and we have

had no response. In the meantime, we have recently seen an article in the Boston Post of April 11, 1940, by Bill Cunningham, which purports to be an article which "clarifies views on White Fund." In that article, in about the middle of the page, he speaks of different groups who have ideas as to how the White Fund should be spent. He first talks about the stadium group, and I dare say that in that general group at the present time is the gentleman from Brighton who advocates a stadium. Then he goes on to the next group, taking up "the cause of poor and underprivileged children and the underprivileged classes in general. They demanded that the money be built into more and bigger recreation centers, public bath houses, more and better tennis courts. Nobody wants to belittle the lot of the playground kids or the underprivileged in general, but as a matter of strict honesty, no such issue actually exists in Boston."

Mind you, that gentleman makes that statement! "Under Bill Mullins and Park Commissioner Long, we have the finest public playground system, not in America, but in the world, right here in Boston."

Well, in that respect I certainly do not believe Bill Cunningham, and I don't think the other members of this Council believe him.

Our Community Fund does the rest. You can always improve anything. We could build more playgrounds, more tennis courts and even more bath houses, but any impartial judge might actually question our need of them."

I don't know how many "judges" he has in mind, but I certainly feel that the members of this City Council do not agree with him in that respect, that we do not need more playgrounds, more tennis courts and more bath houses for the under-nourished and even the well-nourished children. He continues:

"Those are not the types of things the late Mr. White meant in his will, anyhow. He plainly specified things the city couldn't ordinarily build." The city ordinarily builds those."

Well, when you come to things that the city "wouldn't ordinarily build," I don't think there is a real recreational building in the City of Boston; so I think a recreational center would come under the heading of something that the city would not ordinarily build.

"But, here's the killer on that one, and all proposals like it. All such call for additional and expensive upkeep. Upkeep does come straight out of the taxpayer. People calling for more such 'improvements' are calling for bigger city expenses. It won't take much more expense to put us in bankruptcy."

He does not say that a big stadium would be a white elephant that would cost the city plenty as time went on for administration. Then, getting down to the last paragraph, he says:

"So, in last analysis, it boils down to the fact that if the revenue from the White Fund—and this is revenue, not the fund itself, which goes on intact, and that's another point the critics seem to miss—is spent for anything but—and he capitalizes the "but"—a municipal stadium, the taxpayers should arise in a body and with fire in their eyes."

Well, as far as that statement by Bill Cunningham is concerned, that is another point that he seems to miss. If the gentleman from Ward 6 (Coun. Scannell), the gentleman from Ward 7 (Coun. Linehan), or a gentleman from any other ward, takes any position on how White Fund money is to be spent, the word "income" of the fund is always used. I and other members have always mentioned the word "income," and simply income. In using this language in his particular column, saying that this proposition should be kicked out, I don't know whether he is trying to influence other newspapers, and in speaking here today I want it distinctly understood that I am not taking a crack at the Post, but simply this particular writer. As a matter of fact, I think every paper in Boston except the Post has agreed that we need a recreational center, not only in South Boston, but in other parts of the city. But that is his parting shot, that if the revenue from the White Fund is spent for anything but a municipal stadium, the taxpayers should arise in a body and with fire in their eyes. Can you imagine that, gentlemen? Why, the members of this Body have never advocated the expenditure of anything but the income of the George Robert White Fund, and that fund has already been used practically for health centers, and we have not heard the taxpayers complain about that. I have not heard any complaints from the taxpayers against the White health centers, and I believe health centers are along the same line as recreational centers. They are both intended to care for and build up the health of the community, and we already have some five or six health centers in the city. And we all know that the citizens of Boston are getting full value out of them. If we have recreational centers—that is something along the same line. I am thirty-five, close to thirty-six and I know I am getting too much "tummy," and that with a recreational center handy it might be of value to me. I see that the gentleman from Brighton (Coun. Ward) is getting ready to answer! I just want to say one word more in answer to Bill Cunningham. I do not believe that if Bill Cunningham, with whatever influence he possesses—and I believe he has quite a good deal in some circles—could get 100 taxpayers to come to the City Council and say, "We don't want the income of the George Robert White Fund used for

the construction of recreational centers." It would be well, in my opinion, if the city itself could spend money for recreational centers. As a matter of fact, I think Mayor Maurice Tobin realizes that the City of Boston might well do so, but unfortunately at this time he claims, and many agree with him, that, due to the financial condition of the city, it cannot afford it. But he personally would like to see construction in Boston of such a center, if the city did not have to pay for it. That is my answer to Bill Cunningham's article in the Boston Post of April 11, 1940. But apparently every newspaper in Boston, with the possible exception of the Boston Post, has recommended that the income of the George Robert White Fund be spent for recreational centers. If the Corporation Counsel says that the money cannot be so used, and later on it is proposed to spend it for a white elephant in the form of a big stadium, I say to you, Bill Cunningham, that that is the time when you are going to have the taxpayers come down and crack you on the neck. I certainly trust that this order will pass and that next week we will have an opinion rendered on the matter by the Acting Corporation Counsel.

Coun. WARD—Mr. President, I was not in the chamber when the order was introduced, but I think I probably know what it is. I don't think Bill Cunningham needs any defence of his opinion from me. I believe he is able to take care of himself, he always has done so in the past. But I do believe this, that Bill Cunningham, before he wrote the article, read the George Robert White will. I cannot quote verbatim from that will, but I will go on record as saying that when the City of Boston accepted the five millions or more under the will, it accepted all the stipulations and provisions of the will, and as I understand it,—if I am wrong, I shall be glad to be corrected,—the money was to be used for no purpose that the city was morally obligated to take care of itself. That was one of the stipulations in the will, as I understand it. It was not to be used, for example, for Fire Department buildings, municipal buildings, bath houses, that sort of thing, those being facilities that the city itself was supposed to supply to its citizens. Also, the building of playgrounds for children was an obligation of the city. I personally would like to see certain things done, if it were possible that they could be done, with this money. If we got an interpretation of the provisions of the will from the Supreme Court, it might be possible that the money could be utilized for municipal buildings, for bath houses, for playgrounds and other things that the city is ordinarily supposed to take care of itself. But I believe that the Corporation Counsel—whether it be our genial City Clerk or a new Corporation Counsel—must interpret that will in the way I have been given to understand it should be interpreted, that the money is to be spent for nothing that the city has a moral obligation to take care of itself.

Coun. LINEHAN—Mr. President, will the gentleman yield for a question?

Coun. WARD—Yes.

Coun. LINEHAN—I would ask if the gentleman from Brighton can show me anything specific or to be inferred from the George Robert White will, to the effect that the money can be spent for a municipal stadium? The gentleman says that under the will the money cannot be spent for a recreational center. Well, under the will, could it be spent for a stadium? What is the difference? Is a municipal stadium something that the city could not construct itself?

Coun. WARD—I say, Mr. President, that a municipal stadium is not a thing that the City of Boston is ordinarily obligated to put up for the people of Boston. I don't think an interpretation of the George Robert White will, to the effect that the money should not be spent for something that the city would ordinarily construct, would cover a stadium. Does that answer the question of the gentleman from South Boston?

Coun. LINEHAN—Will the gentleman yield again?

Coun. WARD—Yes.

Coun. LINEHAN—I simply want to bring to the attention of the gentleman from Brighton—

Coun. WARD—And the upper Back Bay. (Laughter.)

Coun. LINEHAN—the fact that there is no stipulation in this will that favors a stadium in preference to a recreational center, and I think personally that a stadium would have about the same status under the will as a recreational center. There is a question, of course, as to which one of the two might be selected, but I don't believe, frankly, so far as a stadium and a recreational center are concerned, that one has preference over the other. As far as the will is concerned, they are on the same plane. But I do say that there is not really one good recreational center in the City of Boston, and I take it from that that the City of Boston has not up to date thought of constructing a recreational center itself for the youngsters of the City of Boston. In fact, it seems clear that that is one of the things that might well be allowed under the White will.

Coun. WARD—Mr. President, I have sat here on and off—mostly off!—for many years, and I have heard gentlemen take diverse positions upon many questions. I was recently in Councilor Langan's ward at a meeting of the St. Andrew's Catholic Club, where civic questions were being discussed. One gentleman thought there should be fifty additional libraries, five additional playgrounds, and he wrote out a long list of items for

which he thought the city should spend money. I asked that gentleman, "Would you sign a petition to the Mayor and the City Council that these things be done?" He said, "I would." And would you also sign a petition for an \$80 tax rate?" He said, "I would not." Well, there you are. You can't ride two horses going in different directions at the same time. You can't have all these things that you would like and at the same time reduce the tax rate, and if you have things that will cost many millions of dollars you must be prepared to increase your tax rate \$15 or \$20. In the past, the George Robert White Fund has been utilized for certain specific things for which the city would not or could not ordinarily spend the money. For example, through that fund health units have been established in every section of Boston. I would like to ask the gentleman from South Boston, if we should establish recreational centers that would involve the employment of many men for maintenance, to be paid for by the city, how much would that add to our tax rate? As far as a municipal stadium is concerned, that is not going to be an expense to the city for maintenance. In fact, I believe the maintenance cost would be practically nothing, that ultimately the city would get revenue from a municipal stadium. But we have to look out for these things which may be constructed without expense to the city, but which ultimately will add a great deal to the burden of the already over-burdened taxpayer. When you say you want a municipal recreational center, I too am in favor of it, provided it comes within the intent of the donor of the fund. At the present time, however, I am satisfied that such use of the money as proposed here was not intended by the donor, that it was not intended for things that the city was morally supposed to take care of itself.

Coun. LINEHAN—Mr. President, I just want to take a little more of the time of the Council in answering the last speaker. He has inferred that he has been in communication with legal minds in Boston on the question of what this money could be legally spent for. But that, Mr. President, does not determine how the income of the White Fund should be spent. Let me tell the gentleman that I happen to be a lawyer, and that there are a few other lawyers in this Body. We have sitting with us in this chamber one of the finest lawyers in the City of Boston. We have a gentleman managing the White Fund who was a former Congressman. Let me inform the gentleman from Brighton that this matter should be taken up and decided definitely, once and for all, and we will then know just where we stand.

Coun. WARD—Mr. President, if the gentleman from South Boston has an opinion, I would like to hear it, the same as I would like to hear the opinions of the other legal gentlemen in the Body.

Coun. LINEHAN—The opinions given to me were not in writing. The gentleman from Brighton has given his opinion from memory. I am not doubting his statement in any way whatsoever, but if he wants to have a check-up, which would be brought about under this order, he will find out the real situation. At the present time we are not sure as to just how the White Fund income should be spent under the law.

Coun. WARD—Does the opinion of the gentleman from South Boston as to how the money should be spent supersede the opinions of some of the other gentlemen of legal ability who have considered the question?

Coun. LINEHAN—I am merely going along on the same assumption as the gentleman. He has filed an order to construct a big stadium in Brighton.

Coun. WARD—Did the gentleman from South Boston vote for that order?

Coun. LINEHAN—I suppose I did. I have voted for quite a few things for recreational purposes.

Coun. WARD—Then, the gentleman admits that a stadium is a recreational center?

Coun. LINEHAN—I did not say recreational center, but recreational purposes.

Chairman KELLY—The Chair will ask the members to speak to the order.

Coun. LINEHAN—Mr. President, may I say one more thing? May I inform the gentleman from Brighton of my own experience in connection with the gathering of about forty persons in the Brighton High School about three weeks ago. I was one of the invited guest speakers, to speak on legislation, and I wish to say this to the councilor from Brighton. I thought the money should be spent for recreational centers. Along that line I talked with practically every one of the forty, and five-sixths of them said they did not think the money should be spent for a stadium rather than for a recreational center in South Boston. And that was from Brighton itself.

Coun. WARD—When the gentleman speaks of forty gentlemen being present, there were certain representative men who were not there. Councilor Sullivan was not there.

Coun. LINEHAN—Well, Representative Crowley was present and heard everything that I said.

Chairman KELLY—Well, I am afraid that the discussion is getting away from the order. The question is on the passage of the order.

Coun. SCANNELL—Mr. President, about ten weeks ago, Councilor Linehan and myself presented an order to this Council, reading as follows:

"Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to inform the City Council as to whether the income from the George Robert White Fund can be used for the

construction of a recreational center or gymnasium in the South Boston district."

That was ten weeks ago, and there has up to the present time been no opinion rendered by the Corporation Counsel as to whether this money can be spent for a recreational center. I have presented two more orders in this Body since, and no opinions have come down upon those orders. I wonder what the Corporation Counsel is doing up there, when City Councilors of the City of Boston ask for such opinions? I hope that at the next meeting we will have an opinion as to whether the George Robert White Fund can be used for a recreational center or a gymnasium.

Chairman KELLY—Councilor Linehan asks a suspension of the rule and the passage of the order.

The order was passed under suspension of the rule.

LICENSEES CONDUCTING BEANO GAMES.

Coun. CHASE offered the following:

Ordered, That the City Censor be requested, through his Honor the Mayor, to submit a complete and adequate report of the names and addresses of the various licensees of Beano games in Boston and also the costs and proceeds of the Beano games conducted by these licensees for the year 1939; and be it further

Ordered, That the City Censor be requested to submit to the City Council the amounts of money given to charity by these licensees for the year 1939; and be it further

Ordered, That the City Censor submit the names and addresses of persons employed by these licensees to conduct the games for the year 1939.

The question came on suspension of the rule and passage of the order.

Coun. CHASE—Mr. President, I wish to take occasion to thank hard-working City Councilor Carey of Ward 10 for his position on this matter, and I trust that some day I will be given an opportunity to reciprocate by supporting him on one of his measures. I exceedingly regret that some of the members of this Body saw fit to draw a red herring through the matter today. I sincerely regret the talk about the Knights of Columbus and the Shriners, put in such a way that one would think I was in opposition to the Knights of Columbus. I never thought that I, as a member of the City Council, would have to hear such language with regard to me from my colleagues. I am very sorry to see them stooping to such tactics. One of the reasons why I have desired an investigation of Beano games is because of many people who have been to me, responsible people, and have told me stories that merited an investigation. One of the people, incidentally, was a prominent Knights of Columbus man. I trust that some day when we hear these stories, these persistent stories based on some claim of irregularity, the proper law-enforcing agency will check them, and I trust also that some day the members of this Body will not stoop to the low point we have seen today. Nothing can be gained by such tricks. My purpose in introducing the order for a Beano investigation was a sincere purpose. There was no political purpose back of it. And so I repeat that some day I hope the members of the Body will appreciate the fact that I was right, that there will be an investigation of Beano games and that men who deserve it will go to jail.

Coun. GALVIN—Mr. President, just a word, speaking for my own district. The gentleman has referred to racketeers in Beano games. There is only one game conducted in Charlestown, by one of the oldest councils of the Knights of Columbus in Massachusetts, Bunker Hill 102. No one familiar with my district can call any of the members of Bunker Hill 102 racketeers. I am here to defend them, to say that they are not racketeers.

Coun. FISH—Mr. President, the gentleman from Ward 4 has recently been reiterating statements in regard to things that he claims are going on in this community, and demanding investigations. Mr. President, we in this Body should exercise a little more toleration and a little more care in making charges. We continually hear condemnation of this or that person or organization without cause and without evidence. We are often guilty here in that respect, and that is most noticeable in the way in which we harp on fraud and dishonesty in certain quarters, in an entirely irresponsible way. Investigation seems to be our weekly diet. Personally I am nauseated, fed up on it. I hope the diet will soon change. I detest being called upon here week after week to vote for this or that investigation, based on orders introduced into the Body by one who apparently has a mind that seems to be eternally cloaked in suspicion, a distrust of all mankind. It is human at times to question the doings of individuals or groups, and there is no harm in that if there is shown to be some reason behind it. It is only natural to want to know the motives of people, but there is a right way of getting at it, and that right way is not to place a heavy dark cloud of public suspicion over those who in practically every case, after the testimony has been received, are proven innocent. To me, that is a cowardly way to act, the ignorant way. Ignorance, as we all know, is the mother of suspicion, and suspicion is the only outstanding virtue of a coward. Gentlemen, this sort of

thing is wrong. If a doubt exists in my mind as to whether or not city finances are being properly managed or are being mismanaged, that is my personal doubt, and I have a right to find out. In fact, it is my duty to find out. But I have no right to ask the twenty-one other members of this Council to share that doubt. A letter from me to the Finance Commission is all that is necessary. It requires no Council order. If the matter is brought before the Finance Commission in that way, and they find a certain individual or group guilty, they will be only too happy to prosecute. But when we consider that in practically every one of these cases, placed before the public in this way through Council orders, the parties are found innocent, it shows that it is much better to follow the honorable way, submitting any questions we may have as individuals to that commission and sparing those whom we attack, and whose reputations we are in duty bound to protect from unfortunate publicity. In conclusion, let me quote this thought,—a reputation is gained only by the little things we do during life. Once broken it can never be fully regained in the eyes of the world, which are fixed on the spot where the crack once was.

The order was referred to the Executive Committee.

USE OF WHITE FUND FOR RECREATIONAL CENTERS.

Coun. CAREY offered the following:

Ordered, That the trustees of the George Robert White Fund be invited to appear before the Executive Committee at its next meeting for the purpose of discussing the use of the White Fund for the construction of recreational centers in the City of Boston.

Coun. CAREY—Mr. President, there are certain courtesy orders passed in this Body under suspension of the rule, and I trust that this order will be treated in that way. This is a matter upon which there is doubt in the minds of some of our members, and I think the question of the use of the White Fund for the construction of recreational centers in the city should properly be discussed with the trustees of the fund. I believe there are few members who feel that a municipal stadium is a good thing, or the best thing for the city, in considering the expenditure of the White Fund income. I know that in my district I am constantly being besieged by youngsters and older people for certain things, such as swimming pools, for instance, from which they might obtain a little enjoyment. I know that Ward 9, the district formerly represented by Councilor Ward, has a swimming pool constructed out of White Fund money. While that is a small thing, it is typical of what might be done with that money. Each and every section of the city is entitled to such treatment through the fund, and I think if we get the trustees of the fund in here and discuss the matter with them, from the point of view of recreational centers, we may get somewhere, perhaps starting recreational centers in every district.

The order was referred to the Executive Committee.

REPORT OF COMMITTEE ON CLAIMS.

Coun. SCANNELL, for the Committee on Claims, submitted the following:

1. Report on petition (referred March 18) of Walter A. Gavin to be reimbursed for amount of execution issued against him on account of his acts as operator of motor vehicle belonging to Fire Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of one hundred dollars (\$100) be allowed and paid to Walter A. Gavin in reimbursement for amount of judgment issued against him on account of his acts as operator of a motor vehicle belonging to the Fire Department, said sum to be charged to the Contingent Fund.

Report accepted; said order passed.

2. Report on petition of John J. Mahoney (referred March 25) to be reimbursed for amount of execution issued against him on account of his acts as operator of motor apparatus belonging to Fire Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of seven hundred and fifty dollars (\$750) be allowed and paid to John J. Mahoney in reimbursement for amount of execution issued against him on account of his acts as operator of motor apparatus belonging to the Fire Department, said sum to be charged to the Contingent Fund.

Report accepted; said order passed.

CLEANING OF WARD 13 STREETS.

Coun. HUTCHINSON offered the following: Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to provide for the cleaning of all streets in Ward 13 as soon as possible.

Passed under suspension of the rule.

RESURFACING OF INGLESIDE STREET.

Coun. HUTCHINSON offered the following: Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface Ingleside street, Ward 13, and install sidewalks thereon, as a W. P. A. project.

Passed under suspension of the rule.

Adjourned, on motion of Coun. CHASE, at 5.31 p. m., to meet on Monday, April 22, 1940, at 2 p. m.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

PUBLIC HEALTH SOCIAL WORK SUPERVISOR (CRIPPLED CHILDREN), STATE HEALTH DEPARTMENT, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

The entrance salary is \$2,040 a year; the maximum salary is \$2,400 a year.

Duties: To carry on a program of public health social service for crippled children. To generally supervise medical public health social care of clinic patients, both at clinics and in the field. To coordinate health, welfare, school and educational resources through close co-operation with representatives of those agencies. To consult with other health and with welfare agencies. To maintain careful records, which are confidential, and filed in the Department of Public Health. To perform medical social case work, including a complete social study of the family of each patient applying for admission to clinic, as well as case work, as occasions arise during the period the patient is under care.

Applicants should have a thorough understanding of the Federal and State laws relating to the Crippled Children's Program under the Social Security Acts, as well as knowledge of the general health and welfare services of the State of Massachusetts.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

SENIOR ENGINEERING AID (MECHANICAL ENGINEER), METROPOLITAN DISTRICT COMMISSION, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

The entrance salary is \$1,680 a year; the maximum salary is \$2,160 a year.

Duties: Under supervision, to assist on engineering work by performing assigned tasks in the field or office, involving some knowledge and training in mechanical engineering practice, but not of full professional rank or responsibility; and to perform related work as required.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

PROCEEDINGS OF SCHOOL COMMITTEE.

April 1, 1940

A regular meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon street, at 7:30 P. M., the Chairman presiding.

Present: Messrs, Lee, McDevitt, Norton, and White.

APPROVAL AND AMENDMENT OF MINUTES

The reading of the records of the previous meeting was omitted, the Committee approving them as printed.

On motion, the minutes of Feb. 12, 1940, were amended on page 19 to provide that the assignment of Grace D. Lennon, assistant, elementary, Agassiz District, to the Disciplinary Day School, shall take effect Feb. 26, 1940.

APPROVAL OF APPOINTMENTS

The Chairman stated the question was on approving the appointments of teachers, as reported by the Superintendent and laid over at the previous meeting.

The appointments were approved.

DEATHS

The Superintendent reported the deaths of the following-named teachers:

Edmund P. Tileston District—Florence A. Dunbar, master's assistant, Mar. 29, 1940

Harvard District—Teresa L. Carlin, master's assistant, Mar. 19, 1940
Placed on file.

The Superintendent reported the death of the following-named teachers who had been retired on pension:

Dorchester High School—Laura E. Hovey, Mar. 26, 1940.

Dillaway District—Caroline Swift, Mar. 20, 1940.

Thomas N. Hart District—Helen M. Canning, Mar. 4, 1940.

Placed on file.

RESIGNATION

The following resignation, reported by the Superintendent to take effect on the date stated, was presented:

Julia Ward Howe District—Mary B. Finn, assistant, elementary, Mar. 8, 1940.

Accepted.

RETIREMENT ON PENSION

The Superintendent offered the following:

ORDERED, That the following-named teacher is hereby retired on pension in accordance with the provisions of Chapter 589 of the Acts of 1908, as amended by Chapter 617 of the Acts of 1910, Chapter 569 of the Acts of 1912, and Chapter 304 of the Special Acts of 1915, the date of retirement and rate of pension to be as hereinafter specified:

Department of Music—Blanche A. Tibbitts, assistant in music, Mar. 26, 1940, \$600.

Passed, the four members present voting in the affirmative.

LIST OF TEACHERS APPROVED FOR TEMPORARY SERVICE

The Superintendent submitted, under the provisions of Section 265, paragraph 2 of the regulations, the following additions to the list of teachers approved by him from which assignments may be made for temporary service:

Day High Schools—Sydney Jaffe, Abraham S. Levenson, Helen E. Murphy, Eleanor J. Tahaney.

Day Intermediate Schools—George T. Carroll, Samuel Goldring, Rose A. Torredimare, Zelda R. Weinberger.

Day Elementary Schools—Edna G. Mackenzie.

Kindergartens — Catherine B. Healy

Approved.

Teaching Assistant

Day High Schools—Alice M. Dwyer.

Approved.

TEMPORARY TEACHERS

Brighton High School—Edmund Tarallo, co-operative instructor, Mar. 20, 1940.

Dorchester High School for Boys—Felix J. Consilvio, instructor, mechanic arts, Mar. 18, 1940; Philip E. Wollock, instructor, mechanic arts, Mar. 20, 1940.

PROCEEDINGS OF SCHOOL COMMITTEE.

(Continued from page 591.)

Hyde Park High School — at Stony Brook Reservation, Monday, May 6, 1940.

Roslindale High School—at Falcon Field, Tuesday, May 7, 1940.

Mechanic Arts High School—at 101st Infantry Armory, Friday, May 10, 1940.

Lewis, Washington Irving, William Howard Taft, William Blackstone Intermediate Schools—at 101st Infantry Armory, Monday, May 13, 1940.

Michelangelo, Patrick T. Campbell, Theodore Roosevelt, Thomas A. Edison, Thomas N. Hart Intermediate Schools—at 101st Infantry Armory, Tuesday, May 14, 1940.

Abraham Lincoln, Mary E. Curley, Solomon Lewenberg and Woodrow Wilson Intermediate Schools—at 101st Infantry Armory, Wednesday, May 15, 1940.

Bigelow, Clarence R. Edwards, Donald McKay, Grover Cleveland and William Barton Rogers Intermediate Schools—at 101st Infantry Armory, Thursday, May 16, 1940.

Frank V. Thompson, James P. Timilty, Joseph H. Barnes, Oliver Wendell Holmes and Robert Gould Shaw Intermediate Schools—at 101st Infantry Armory, Friday, May 17, 1940.

Annual Street Parade—Tuesday, June 4, 1940.

GARDENING, SEASON OF 1940

The Superintendent offered the following five orders:

ORDERED, That the Superintendent is hereby authorized to conduct instruction in gardening during the season 1940 from March 1 to December 31, the summer term of which shall coincide with the summer vacation period.

ORDERED, That the Superintendent is hereby authorized to appoint teachers of gardening to the following ranks for service during the season 1940:

- Supervisor of gardening.
- Garden teacher.
- Garden assistant.
- Assistant in school gardens.

ORDERED, That the Superintendent is hereby authorized to make such emergency appointments as may be necessary for service in gardens during the season 1940.

ORDERED, That any teacher of gardening appointed for the season 1940 may be transferred by the Superintendent from one position to another for which said teacher holds the required license, and said teacher shall be paid according to the schedule established for the position actually filled during any session certified to by the Associate Director of Manual Arts.

ORDERED, That the hours of service of teachers and custodians employed in gardening during the season 1940, unless otherwise specified, shall be such portion of the time between eight o'clock A. M.

and eight o'clock P. M. as the Superintendent may direct.
The five orders passed.

ATTENDANCE AT CONVENTION

On motion of the Superintendent, it was

ORDERED, That Edward J. Rowse, Commercial Coordinator, is hereby authorized to attend the annual meeting of the Eastern Commercial Teachers Association, held at Atlantic City, N. J., Mar. 20 to 23, 1940, inclusive, at an expense to the city not to exceed thirty-five dollars (\$35).

On motion of the Superintendent, it was

ORDERED, That Bernice A. Hill, first assistant kindergarten, Bennett District, is hereby granted leave of absence without loss of pay for the period Apr. 29 to May 3, 1940, to attend the annual meeting of the National Association of Childhood Education to be held at Milwaukee, Wisconsin.

A communication was received from the Superintendent, under date of Apr. 1, 1940, submitting, in accordance with the provisions of Section 3 of Chapter 274 of the Acts of 1914, report on his attendance at the annual meeting of the American Association of School Administrators of the National Education Association held at St. Louis, Mo., Feb. 22 to Mar. 1, 1940.

Placed on file.

A communication was received from the Superintendent, under date of Apr. 1, 1940, submitting, in accordance with the provisions of Section 3 of Chapter 274 of the Acts of 1914, report of Thomas Sheahan, Master, Bigelow District, on his attendance at the annual meeting of the American Association of School Administrators of the National Education Association, held at St. Louis, Mo., Feb. 26 to Mar. 1, 1940.

Placed on file.

A communication was received from the Superintendent, under date of Apr. 1, 1940, submitting, in accordance with the provisions of Section 3 of Chapter 274 of the Acts of 1914, report of John P. Sullivan, Supervisor of Health Education and Safety Education, on his attendance at the annual meeting of the American Association of School Administrators of the National Education Association, held at St. Louis, Mo., Feb. 26 to Mar. 1, 1940.

Placed on file.

TERMINATION OF SERVICE

A communication was received from the Superintendent, under date of Apr. 1, 1940, reporting that subject to the approval of the School Committee, he has terminated the service of Elizabeth L. W. Burns as lunchroom attendant in the James P. Timilty Intermediate School, as of Mar. 25, 1940.

Placed on file and the termination of service approved from the date stated.

ANNUAL REPORT OF THE SUPERINTENDENT

A communication was received from the Superintendent, under date of Apr. 1, 1940, submitting the fifty-seventh annual report of the Superintendent of Public Schools. The report covers the school year ending Aug. 31, 1939.

The report was accepted.

On motion, it was

ORDERED, That this Committee hereby adopts as its Annual Report for the year 1939, the Annual Report of the Superintendent, being School Document No. 10, 1939.

AMENDMENTS TO RULES

A communication was received from the Board of Superintendents, under date of Apr. 1, 1940, recommending the passage of accompany orders amending the rules to provide:

(a) For the establishment of the rank of "senior assistant," Trade School for Girls, with certificate qualifications therefor.

(b) To define the requirements for Certificate IV, High School for candidates who major in Freehand Drawing to correspond with the requirements for candidates in Freehand Drawing under Certificate XI. Special: Valid in Day High Schools.

(c) To discontinue provision for Certificate XI. Special: Valid in Day High Schools in Physical Education.

Placed on file.

The following was offered:

ORDERED, That the rules are hereby amended as follows:

Section 80, paragraph IV. Insert in the twelfth line the words "senior assistants, Trade School for Girls," so that the paragraph shall read as follows:

IV. High School: To masters, junior masters, first assistants and assistants in Latin and day high schools, to junior masters (military drill), to assistants (physical education) in Latin and day high schools; to assistant professors, physical education (women) in The Teachers College of the City of Boston; to senior instructors and senior assistants in the Boston Clerical School; to assistants, senior assistants, senior instructors, and heads of divisions, Continuation School; to senior trade assistants, Continuation School and Trade School for Girls; to senior assistants, Trade School for Girls; to instructors, senior instructors and vice-principal, Boston Trade School; and to senior assistants in the Day School for Immigrants.

Section 299, paragraph 1. Insert in the fourth line the words "senior assistants," so that the paragraph shall read as follows:

Teachers in the Trade School for Girls shall consist of a principal, holding the rank of master; a master's assistant; heads of departments; vocational assistants; senior assistants; assistants; senior trade assistants; and trade assistants.

Laid over.

The following was offered:

ORDERED, That the rules are hereby amended as follows:

Section 80, paragraph IV. Insert on page 23 the following new paragraph:

A candidate who elects the group in which Free-Hand Drawing is the major subject shall offer graduation from an art school approved by the board of superintendents, or evidence of equivalent academic education, and shall offer evidence of two years' successful experience in teaching Free-Hand Drawing in a regular graded day school approved by the board of superintendents.

Laid over.

The following was offered:

ORDERED, That the rules are hereby amended as follows:

Section 80, paragraph XI. Special: Valid in Day High Schools. Under "Certificates Valid in Day High Schools" strike out the paragraph which provides "For the special certificate in physical education;" and insert in place thereof the words "Certificate discontinued September 1, 1938."

Laid over.

RE-ELECTION OF ASSISTANT SUPERINTENDENT

The Chairman stated that the term of office of Assistant Superintendent Mary C. Mellyn expires Aug. 31, 1940. The election of an Assistant Superintendent is therefore in order.

The Committee proceeded to the election of an Assistant Superintendent of Schools for the term beginning Sept. 1, 1940.

For MARY C. MELLYN—Messrs. Lee, McDevitt, Norton, and White—4.

ABSENT—Mr. Sullivan—1.

The Chairman stated that Mr. Sullivan has asked that the Chair announce that although he could not be present at this meeting, he desires to be recorded in favor of the re-election of Miss Mellyn who has contributed so much to the success of the Boston school system over a long period of years.

The Chair declared Mary C. Mellyn unanimously re-elected Assistant Superintendent for the term specified.

RETIREMENT ON PENSION

A communication was received from the Schoolhouse Custodian, under date of Apr. 1, 1940, reporting the retirement from active service of the following member of the Boston Retirement System because of ordinary disability, to take effect on the date stated:

William P. Flanagan, custodian, Capen School-house, Mar. 31, 1940.

Placed on file.

TRANSFERS OF CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Apr. 1, 1940, recommending that the following-named custodians, who stand at the head of their respective lists, be appointed as indicated, to take effect Apr. 7, 1940:

Peter J. Kelley, from regular substitute custodian, to the custodianship of the Capen School-house.

George S. Lidback, from regular substitute custodian to the custodianship of the Dante Alighieri School-house.

Walter R. Mungoven, from the Henry Grew to the custodianship of the Elihu Greenwood School-house.

Placed on file and the transfers approved, to take effect on the date stated.

IMPORTANCE OF SCHOOL COMMITTEE BUDGET IN AIDING BOSTON'S FINANCIAL PROBLEMS

Mr. Lee: It has been our custom often and in some cases it is our rule, to bring a matter up at one meeting in order to have consideration of it and final decision at a later meeting.

I should like to bring a matter up here, somewhat in the same way, with the thought of laying it over for further consideration.

The thought comes to me upon reflecting on this situation: Today, for example, in our conference, we had three letters from members of the City Council, making suggestions about different features of the School System, all of which we were very glad to get.

We also know that there is a report from the Finance Commission requesting that an absolute veto power be given to the Mayor over items in the School Committee budget. We recall a bill to that effect about two years ago.

I am wondering whether we perhaps should not have a provision that the School Committee have a veto power over the City Hall budget.

I would like to ask that we examine that suggestion.

The Mayor and City Council are responsible for the adult citizen, as distinct from ourselves, who are more responsible for the future citizens or citizens now growing up. It happens that there is little that the adult citizen can do to improve the financial state of affairs in our city. The adult today is rather the victim of circumstances in the economic order, over which he has very small control.

Our youngsters are the one element of the population to whom we can look, who have in their hands a possible opportunity of dealing with Boston's problems and facing Boston's future.

One of my colleagues has been quoted as saying that the American school system has a feeder pipe into the heart of the community's problems, and I believe we have not utilized that opportunity.

How has the Boston School System, as distinguished from City Hall, been moving to try to meet the general problem of the City's financial condition, the City's whole problem of prosperity? I say we have been doing excellent work, very constructive work, along three fronts.

For years we have been having—as a single example—co-operative courses, where the youngster has a week in school and a week in industry, another week in school and another week in industry, and

when he graduates he is soldered right into a paying position.

Along that line we have our Trade School and other schools trying to fit the youngster for a place in the community, where he will be a help to the city as a bringer-home of income.

Two years ago the School Committee authorized a WPA project to find out what jobs there were in Boston and what the employers thought were the qualifications for those jobs. Owing to an unfortunate episode, that fell through, but under Mr. Gould our own personnel and the heads of departments in our technical schools have been seeking to launch a similar study which will be brought before the Committee very soon for adoption.

There is a comprehensive plan to study what promise there may be in Boston's employment opportunities. We have had the amalgamation of departments before us, touching on this vocational field.

Third, the School Committee has realized that our problems no longer reside at City Hall but more at the White House. The economic depression is one that must be resolved by the financial policies and the credit policies of the Washington Government. To meet that the School Committee has authorized the preparation, I think, of no less than three courses in economics and money problems, which are virtually drawn up and which, while not yet approved, will come before the Committee for approval.

The Boston School System has been going ahead and has had the opportunity to go ahead with the younger generation to meet these very problems.

If we look at the figures we find that the income of the citizens of Boston collectively was about \$700,000,000 in good times. During the depression it has slumped to about \$400,000,000. The average citizen pays about one-fourth of his income for rent, and the landlord pays about one-third of that into taxes on the basis of \$4 a hundred, so that about one-twelfth of the citizen's income, or one month's work each year, goes to supporting the City's expenses. That squares with our \$80,000,000 budget, which represents about one-twelfth of the collective income of our citizens, except that we have some taxpayers who live outside the city and pay taxes, so that the City's budget is a little higher than if we were taking one-twelfth only from Boston's population.

Inasmuch as the whole of the City's expenses represents only one dollar out of \$12, compared to the income of our citizenry, not a great deal can be done by further reducing that dollar, although City Hall is trying to do that. But they have not succeeded in any registered decrease of the budget. Even if it is done it simply represents a reduction in the \$1 out of the \$12, and the big thing is to add to the \$12, to increase the income of our citizens. And that is where the schools come in. We are a department that is doing that very actively.

I think men like ex-President Lowell of Harvard, who have been active on the economy side of the ledger, might note that our fourth

grade children learn in commercial geography to see Boston's place in the world of commerce, and to realize to what extent we supply those goods and services to the world, which yield the income on which our citizens live. Our schools do look on the positive side of the thing.

At our last meeting I said that it seemed to me it might be well to consider spending a million dollars on this vocational question, to make sure that the School System's opportunities to equip men to earn income are utilized to the fullest, because that is the one positive side of the picture.

Lest the income of your citizens falls so low as not to be able to maintain a tax to support a city or school budget at all, I think we ought to consider the worthwhileness of such an expenditure as may be necessary, large as it seems, to increase the earning power and usefulness of our citizens, because that is the only bright prospect on the horizon, and we are the only city department that is going ahead progressively and constructively to cope with the positive side of the question.

Going back to the point at which I began we might consider further whether it would not be well to permit the School Committee to have a look at the Mayor's budget or to have the Mayor's budget submitted to the School Committee, to see if there are any policies or expenditures that are not necessary in the City Hall budget, and to see whether there are any policies or expenditures which stand in the way of our continuing to make a future community in which the growing Boston citizens can subsequently live.

I am simply asking for a recognition of the uniquely vital place which the School Department holds in this whole economic picture. We are the one department which has the positive side on which everything rests, which has the opportunity of equipping our citizens to earn income and revenue on which the whole ship of municipal expenditure must float.

I, therefore, suggest that we consider, either at this meeting or at a later meeting, to what extent it is good economy to spend more money on some of our vocational work, and to what extent it would be wise to ask the Mayor and the City Council to submit their budget to us to see if we can get the closest possible collaboration in working out Boston's future, in which we hold a very constructive hand.

Mr. Norton: Why not carry two steps further the theory of submitting the Mayor's budget to the School Committee? Why not submit the State budget and the Federal budget to the Boston School Committee? I think we are getting the cart before the horse.

I fully appreciate the line of argument that the schools are preparing the children for the world of tomorrow and that these children that we have in our schools have something at stake in this budgetary business. At the same time, I do not think that we can be such a factor in this international economic catastrophe that

faces the world, as some people believe we can be.

I believe every member of the School Committee feels that vocational training is a marvelous thing, and in this dark night of unemployment which inundates the whole world, anything that helps toward employment is good. And we point with satisfaction to the splendid vocational courses that are now being conducted in the Boston schools, notably in the Girls' Trade School and the Boys' Trade School, where 80 per cent of the pupils go to work. It is a marvelous thing. If we had a million dollars there is not a member of this Committee who would not say, "Spend it and have more vocational training and more jobs for these students." The problem is, "Where is the money coming from with large numbers of our people to be fed, with armies of unemployed, with the most acute economic problem the city has ever known, with three downtown wards paying more in taxes toward the \$80,000,000 that it costs the City for a year, than is paid by the other nineteen wards." And at the same time you can buy any building, outside of a public utility or government building, in those three downtown wards, at 50 cents or less on the dollar. That shows the precarious financial structure that we are operating on.

This problem is not one that can be placed wholly upon the schools. It is a group responsibility and it is not one that is particularly indigenous to the City of Boston. It is world wide. It is the most acute collapse that the economic system called the capitalistic civilization has ever known. We have had ten long years of it and it is getting more progressive each year. I think it is a problem that is beyond the reach of the Boston School System.

Still, there are many elements in that problem that we can try to do something about in our own way, and one is through the furtherance of vocational training and the introduction of radio and other modern methods in our schools.

Mr. Lee: I might just comment that as far as the City Hall budget, compared with the School Department budget, is concerned, they both occupy the same governmental unit, the same geographic unit, as contrasted with the State and Federal Governments which occupy quite a different geographic unit.

I realize the difficulty of any City department or any section of our population's being able to bring order or prosperity out of the present economic situation. But I say the hope lies, as it always lies, with youth and with the chance to put the younger generation in readiness to do all that human beings can do to cope with this problem.

If our light is not a bright light, our light is the only light in sight. If coping with these problems is beyond the scope of the School System it is even further beyond the scope of the government at City Hall, because it is only through a long-range proposition where your generation grows up with a better acquaintance with the problems, that you can hope in the long

run to get any advance in the way out of the present situation.

My first thought was, and my last thought is, that we can bring a great deal to bear on the budget at City Hall, if they care to submit it to us, because, not having the handling of growing children at City Hall, as we do in the School Department, the effort at City Hall is almost bound to be a negative effort; not but what it is a valuable one, but it is negative in the sense that it must deal on the side of retrenchment, on the negative side, rather than on the positive side. I think the economy groups, who have made their voices heard in our government—as they properly should—should also stress the positive side on which all city expenditures rest, and they have stressed only the negative side.

As I think Mr. Norton probably agrees, we want to see that positive side, the constructive side, of the financial picture, the picture of the City's prosperity, comprehended and included in the total budget of Boston which the taxpayer meets.

Mr. Norton: In order not to prolong this interesting discussion; while geographically Boston is close to us, I would say that logically, if you are going to bring the City budget here you should bring the State budget and the Federal budget, as the fact remains today that we are operating as a city only because of the beneficence of the Federal Government. It is their WPA funds and their loans that are allowing our old city to sail ahead tonight. So the Federal Government has a very important stake here.

Chairman: The Chair would like to say that he feels that the School Committee are jealous of the powers vested in this body by the Legislature, and that as a School Committee we are shouldering our responsibility and running the school system to the best of our ability. If we do that, I feel that we accomplish the purposes for which the Legislature established this body and determined our powers.

I feel not only that it is not our responsibility to have the permission of the Mayor to go over his budget, but that our immediate responsibility is to do the kind of job that the Legislature imposed on us. I think that we should limit ourselves to accomplishing the purposes for which we were established and in respect to which we have been minding our own business and doing our job well.

Mr. Lee: From your remarks I take it that at least you do not feel that the authorities at City Hall should lop off or prune away or take from us the responsibilities which the Legislature has given us?

Chairman: I believe we should not submit to giving to the Mayor complete veto power.

Mr. Lee: You know that our studies in the Boston schools, more particularly these further courses in economics and money problems which the School Committee will have submitted to it, do reach out to national problems of trade and national problems of finance and

credit, so that our youngsters will be able to focus on problems which are jointly theirs as well as being the problems of other cities.

Mr. Norton: The principal problem is what are we going to do with 30,000 youngsters, graduates of our schools, who have been walking the streets for three or four years.

Mr. Lee: Through these years of enforced inaction on the part of our school graduates who are out of work, I think the Chairman and Mr. Gould believe that the School System has been doing its level best to find out to the utmost how we might give these youngsters a boost or an equipment which would send them into the several occupations which Boston, by its position and by its natural advantages, is or should be able to afford, so that at least as the possibilities occur we can find openings for the number of youngsters which you have referred to.

Mr. Norton: It is a world-wide problem, Mr. Chairman.

Chairman: If there are no further comments, I move that we adjourn.

The Committee adjourned.

Attest:

ELLEN M. CRONIN,
Secretary.

LAND-TAKING IN HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for sewerage works to be constructed as follows:

The right and easement is taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city; trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within sixty days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are in that part of Boston formerly Hyde Park and are bounded as follows:

A parcel of land, supposed to belong to the City of Boston, bounded and described as follows:

Easterly by Belnel road, eight feet; southerly by other land of said city, one hundred one and 50-100 feet; westerly by land of owner or owners unknown, eight and 50-100 feet and northerly by other land of said city, one hundred and 38-100 feet, containing eight hundred and seven square feet, more or less.

The sewerage works to be constructed are as follows: One hundred linear feet of twenty-four inch pipe surface drain.

No betterments are to be assessed for the making of the aforesaid improvement.

CIRCULAR LETTER NO. 2.

CITY OF BOSTON,
MAYOR'S OFFICE, April 18, 1940.

To the Heads of Departments.

GENTLEMEN,—You are hereby directed to grant leave of absence without loss of pay, to employees of the city who are of Jewish faith for their observance of the Feast of the Passover, Tuesday, April 23, and Wednesday, April 24.

Respectfully,

MAURICE J. TOBIN, Mayor.

STATE VALUATIONS IN 1937.

Total assessed value of real estate on January 1, 1937, in the thirty-nine cities and 316 towns of Massachusetts, \$5,742,161,541 (\$18,194,654 less than on January 1, 1936), of which 65.62 per cent applied to buildings and 34.38 per cent to land; of personalty, \$525,039,493; aggregate valuation, \$6,267,201,034 (2.74 per cent decrease from 1936), on which the total tax was \$222,184,422. To raise this amount of taxes on the property assessed at a uniform rate throughout the State would have required a tax rate of \$35.45+ on \$1,000 valuation. Boston's valuation, \$1,590,544,700, equal to 25.38 per cent of total valuation in the State.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR CLEANSING, STERILIZING AND RECONDITIONING FOOTBALL EQUIPMENT FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for cleansing, sterilizing and reconditioning football equipment for the Boston public schools. Proposal forms, for which a charge is made, are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Cleansing, Sterilizing and Reconditioning Football Equipment." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for \$50, payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Tuesday, May 7, 1940. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The School Committee reserves the right to reject any or all bids and to accept such bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than 50 per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,
Business Manager of the School Committee.
(April 27.)

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about forty-two hundred eighteen (4,218) square feet of land on the southeasterly side of High View avenue, West Roxbury, being lot 48, and more fully described in a tax deed dated June 18, 1935, and registered July 20, 1935, as Document No. 125850 with Certificate No. 28472, Suffolk Registry District of Land Court, on Wednesday, May 1, 1940, at 11 a. m., on the premises, at a minimum price of one hundred dollars (\$100).

A deposit of twenty-five dollars (\$25), in cash or certified check, is required at the time and place of sale, and the balance to be paid in thirty (30) days. Further particulars from the Custodian of Foreclosed Real Estate, 1008 City Hall Annex, Boston, Mass.

DANIEL M. DRISCOLL,
Custodian of Foreclosed Real Estate.
(April 20-27.)

CITY OF BOSTON.

(April 20-27.)

WILLIAM P. HICKEY,
Commissioner.

W. P. A.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING FIRE HOSE TO THE BOSTON FIRE DEPARTMENT.

The Supply Department of the City of Boston invites proposals for furnishing fire hose to the Boston Fire Department, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR FIRE HOSE." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Monday, May 6, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

(April 27.) JOHN A. BREEN,
Superintendent of Supplies.

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about four hundred and fifty (450) square feet of land on the southwesterly side of Francis street, Roxbury, numbered eight (8) in the present numbering of said street, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5140, page 241, on Wednesday, May 1, 1940, at 10 a. m., on the premises, at a minimum price of two hundred dollars (\$200).

This property is subject to restrictions or easements, if any.

A deposit required at the time and place of sale of fifty dollars (\$50), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 1008 City Hall Annex, Boston, Mass.

(April 20-27.) DANIEL M. DRISCOLL,
Custodian of Foreclosed Real Estate.

READVERTISEMENT.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO LUMBER AND BUILDING FINISH DEALERS.

The Superintendent of Construction of the Department of School Buildings of the City of Boston invites sealed proposals for furnishing and delivering, for the year 1940, various sizes of window sash, for the Department of School Buildings, for W. P. A. use, at various schools, of the kind and quality as per specifications, and giving bond of a surety company, satisfactory to the Superintendent of Construction therefor, in the sum of \$1,000. Only proposals obtained at the office of the Superintendent of Construction, 26 Norman street, Boston, Mass., signed by the bidder and left before 2 p. m. of Monday, May 6, 1940, at said office, with a certified check for \$200, payable to the city if the proposal is not carried out, will then and there be publicly opened and read.

The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for the opening of proposals. The Superintendent of Construction reserves the right to reject any or all proposals.

(April 27.) JAMES J. MAHAR,
Superintendent of Construction.

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about fifty-five hundred thirty-seven (5,537) square feet of land with buildings thereon, on the southwesterly side of Chilcott place, West Roxbury, numbered one (1) in the present numbering of said street, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5217, page 24, on Wednesday, May 1, 1940, at 10.30 a. m., on the premises, at a minimum price of twenty-five hundred dollars (\$2,500).

A deposit required at the time and place of sale of three hundred dollars (\$300), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 1008 City Hall Annex, Boston, Mass.

(April 20-27.) DANIEL M. DRISCOLL,
Custodian of Foreclosed Real Estate.

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about six thousand four hundred and sixty-seven (6,467) square feet of land with buildings on the southerly side of East Eighth street, numbered 521 in the numbering of said East Eighth street, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5481, page 280, on Thursday, May 2, 1940, at 10 a. m., on the premises, at a minimum price of seven hundred and fifty dollars (\$750).

A deposit required at the time and place of sale of one hundred dollars (\$100), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 1008 City Hall Annex, Boston, Mass.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

HOME ECONOMIST, DEPARTMENT OF PUBLIC WELFARE, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

Requisition is for a female, but the examination is open to both males and females.

The entrance salary is \$2,760 a year; the maximum salary is \$3,300 a year.

Duties: Under the direction of the Commissioner of Public Welfare and the immediate supervision of the Chief Supervisor of Social Service, to develop budget standards on the basis of individual needs which may be used to determine the amount of assistance with due regard to local conditions and prices; to develop forms to be used to calculate individual budgets and to record factual data in relation to financial needs and resources of individual applicants; to supervise periodic reviews of local budget programs and to promote a better understanding of budget methods by the staff and by local welfare boards; to develop policies in relation to application of income or other resources to budgets; and to perform related work as required.

Entrance Requirements: Applicants must have six (6) years within the last ten (10) years of satisfactory, full-time, paid experience in the field of home economics either in a public or private social work or health agency adhering to acceptable standards, or in an agriculture extension service or in Farm Security Administration. In addition, two (2) years of the above experience must have been in a capacity which involved preparation of low income budget standards, formulation and execution of training programs to professional and lay groups.

Substitution of Education: Except for the two (2) years' experience mentioned above, education may be substituted for experience, year for year of graduate study in a related field and one year of undergraduate college for six months of experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

PUBLIC WELFARE PHYSICIAN, DEPARTMENT OF PUBLIC WELFARE, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

This examination is open to males only.

The entrance salary is \$3,780 a year; the maximum salary is \$4,500 a year.

Duties: Under the direction of the Commissioner of Public Welfare and the immediate supervision of the Chief Supervisor of Social Service, to assist in the formulation of departmental

policies relative to medical care and the manner and method to be followed in granting assistance for such care, and in securing State and Federal reimbursement thereon; to prepare a departmental manual and forms to be used in granting assistance for medical care; to recommend a schedule of fees for all medical care for which State reimbursement is asked; to examine requests for reimbursement on dentures and prosthetic devices and other extraordinary allowances to individual recipients for medical care; to establish cooperative agreements for the use of special medical facilities; and cooperative relationships with professional organizations; and to perform related work as required.

As a condition to appointment to this position, it shall be agreed by the appointee that he shall not engage in the private practice of medicine during his service with the department.

Entrance Requirements: Applicants must be registered physicians under the State Board of Registration in Medicine.

Applicants must have at least five years' experience in the practice of medicine, at least one year of which shall have been spent as an interne in a hospital approved for internship by the American Medical Association.

(a) *Substitution:* Satisfactory full time experience in a medical administrative capacity in a hospital, public health organization, department of public health, or department of public welfare within the past five years, may be substituted year for year for the years of experience required in the practice of medicine, except for the year of internship.

(b) *Substitution of Education:* Education may be substituted for experience, year for year of graduate study in a school of public health.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

SOCIAL WORKER, DEPARTMENT OF CORREC- TION, MAY 18, 1940.

Last date for filing applications, Saturday, May 4, 1940, at 12 noon.

This examination is open to both males and females.

The entrance salary is \$1,440 a year; the maximum salary is \$2,160 a year.

Duties: Under supervision, to perform social service case work in connection with the care and treatment of inmates of the penal institutions; to interview subjects and make field investigations for the completion of case histories; to attend to personal and business affairs of inmates; and to perform related work as required.

Entrance Requirement: Applicants who have not reached their twenty-first birthday will not be eligible to apply. A certificate of date of birth must be filed with the application, *unless* one has been filed with a previous application.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

INDUSTRIAL INSTRUCTOR (ELECTRICIAN), MASSACHUSETTS REFORMATORY, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

The entrance salary is \$1,680 a year; the maximum salary is \$2,160 a year.

Duties: To instruct a class of inmates in electrical wiring in connection with the trade school at the Reformatory. To assist regular electrician in repairs about institution and buildings. To perform related work as required.

Entrance Requirement: Applicants must possess a journeyman electrician's license.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

INDUSTRIAL INSTRUCTOR (FOUNDRY), STATE PRISON, DEPARTMENT OF CORRECTION, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

The entrance salary is \$1,680 a year; the maximum salary is \$2,160 a year.

Duties: To supervise and instruct inmates in the production of iron, brass and aluminum castings. To perform related work as required.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

INDUSTRIAL INSTRUCTOR (METAL), STATE PRISON, DEPARTMENT OF CORRECTION, MAY 11, 1940.

Last date for filing applications, Saturday, April 27, 1940, at 12 noon.

The entrance salary is \$1,680 a year; the maximum salary is \$2,160 a year.

Duties: To instruct inmates in the process of manufacturing automobile license tags, in the proper operation of roining and stamping presses, in the proper operation of dipping and baking ovens used in connection with the application of enamel to the license plates, and in the proper use of coating machines. To perform such other duties as may be legally required by the proper authorities.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 32.

SATURDAY, MAY 4, 1940.

NO. 18

MAYOR TOBIN JOINS WITH BOSTON BUSINESS MEN IN PAYING TRIBUTE TO NESTOR OF BASEBALL, "GENIAL" BOB QUINN, AND NATIONAL LEAGUE BASEBALL CLUB—URGES ALL CITIZENS TO STAND BEHIND AND SUPPORT GAME IN CITY BOTH AS BUSINESS PROPOSITION AND A BOLSTER FOR THE MORALE OF THE PEOPLE—PREDICTS VICTORY FOR TEAM IF CITY SHOWS SPIRIT OF LOYALTY AND BECOMES BOOSTER OF TEAM AND THOSE WHO HAVE CHARGE OF ITS DIAMOND CAREER.

The following is the address of Mayor Tobin at the "Bees' Dinner," in Honor of J. A. (Bob) Quinn, at the Boston Chamber of Commerce, on Saturday, April 27:

Mr. Toastmaster, Distinguished Guests, Friends of Boston Who are Friends of the Bees.

Tonight you have revised an old rule. "Business Before Pleasure" remains a good maxim, but you have improved it. Your slogan on this occasion seems to be "Business with Pleasure"; and I ask, Why is that not a maxim still better? Men do, at their best, only what they do with zest.

Certainly, for my own part, I find it a very real pleasure to come here tonight and see one of Boston's oldest and cleanest agencies of popular sport fittingly honored by this ancient and upright institution of the city's working life — the Boston Chamber of Commerce.

This is indeed a good welding of "Business with Pleasure," and as Mayor of the City I wish to congratulate President Haussermann and the Chamber of Commerce for their constructive enterprise in planning this dinner.

The boys of Boston, in the days of our fathers and grandfathers, delighted in the game of "four-old-cat." And it continues to be one of the city man's most enjoyable and readily available diversions to go watch a cracking good game of baseball when he is sick and tired of watching the stock ticker.

Pleasure and Business.

For the spectator the game is a pleasure. For the players and manager it is also a business. And, likewise, for the City of Boston, baseball is important as a business. People come here from points near and far especially for the purpose of seeing the game. They spend money when so engaged, and many of them patronize our transportation lines in going and coming. The players, who live here during a good part of the year, and all the staff of employees maintained by the ball parks, make a very real contribution to Boston's prosperity.

Most assuredly the Chamber of Commerce does well to recognize this contribution, to encourage it in the present hour, and to help sustain it throughout the future.

And the good American way of welding business with pleasure has values which cannot be calculated in dollars and cents. The ideals of sportsmanship raise up the ideals of citizenship. They make for healthy living, both private and public. They strengthen a people's morale.

The other day I came across two lines of verse spoken in Boston 130 years ago, which need only a little tinkering to bring them up to date. By your leave, Mr. Toastmaster, I quote them now in a revised version:

"No foe dare molest, where in union are joined
The glove, bat and baseball, with commerce combined."

If that assurance seems a little far-fetched, let me remind you that although the modern game of baseball had its birth 101 years ago, it was during the Civil War that recreation with baseball and bat, in the camps and training posts of the Union armies, so popularized the game that it became the American national sport.

But it was not until 1876, just 100 years after the Declaration of Independence, that the National League was organized as we know it today. And in the forefront of that great first organization of the professional ball players stood Boston. In 1876 the president of the Boston Nationals was N. T. Appolonio and after him came Arthur H. Soden, and then George and John Dovey. Together they ruled the club's destiny until 1911. You will find more familiar the names of the presidents since that time: Hepburn Russell, John Ward, James Gaffney; the great Harvard coach, Percy Haughton; followed by George Grant, the peerless Christie Mathewson, and Judge Fuchs.

(Continued on page 511.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"
From Boston Centennial Poem by
NATHAN HASKEL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, May 6, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables slaughter-houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made

to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, 73 City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending April 27, 1940.
Population as of July, 1940, Massachusetts State Census, 817,713; population estimated, July, 1940, United States Census Bureau, 815,128; number of deaths (stillbirths excluded): Residents, 185; nonresidents, 61; total, 246.

Death rate per 1,000 of population: All deaths, 15.69; nonresidents deducted, 11.80.

Death rate per 1,000 of population:

Last week, 14.67; corresponding week last year, 16.27.

Deaths by age periods, sex, etc.: Under one year, 16; one year to four years, inclusive, 4, sixty years and over, 149. Total deaths: Male, 137; female, 109; deaths in hospitals and institutions, 162; deaths of colored, 9.

ADDRESS OF MAYOR TOBIN.

(Continued from page 509.)

PRESENT DAY BEES.

That is the roster that brings us to the president of the Bees today—one of the most resolute and courageous leaders the club has ever had, and, above all, a man of big heart—Bob Quinn.

Of him one may quote Ralph Waldo Emerson without amendment:

"A day for toil, an hour for sport,
But for a friend life is too short."

Mr. Toastmaster, I think it is true that one good root deserves another. Bob Quinn has always been a hearty rooter for Boston, its business and industry. Now the Chamber of Commerce does well to show itself a rooter for Quinn!

I especially welcome and appreciate the fact that your rooting comes not at a time when the bases are full and an easy victory seems in hand, but at a time when Bob Quinn and the Bees face an uphill fight. That's the time when men need the cheers of their friends. In fact, the Bees have had hard going for many years, and there's no use in blinking that truth. On the contrary, the very difficulties of their position offer a good measure of the perseverance and courage with which these men are carrying on the fight. They can yet win, as they have won in the past.

Boston won the National League Championship in '77 and '78 and again in 1883. Five times the old Braves won the pennant in the Gay Nineties, with Frank Seeley as manager.

In 1914, they won again under Stallings, and that was a great uphill fight, for the Boston team was in last place as late in that season as July 4. Yet Boston not only took the League pennant, but was the first club in history to win the World Series in four straight games, defeating the proud Athletics under Connie Mack.

It's early in the season now, and I know that Bob Quinn and "Casey" Stengel are going to have the full-hearted support of every man on the team. I am confident that they will march to the front, if we rooters march with them, and if we keep ourselves out in front on their behalf.

To the members of the Chamber of Commerce, I offer again my thanks and commendation for the enterprise and good will which you are showing the Boston Bees tonight. We have waited a long time for such an occasion and now you have made a first-rate start. We're on the way to victory. Let's keep going!

EXTRA WORK UNDER CONTRACT.

Baker & Co. have been directed to perform the following extra work under the contract for placing high curbs on Summer Street Bridge over Fort Point Channel; Summer Street Bridge over Reserved Channel and Meridian Street Bridge over Chelsea Creek, dated February 2, 1940. Items ordered: Remove and replace approximately 175 linear feet of hard pine curb sticks on draw span of Meridian Street Bridge. Properly align and shim high curb on Meridian Street Bridge approaches. The renewal of hard pine curb sticks on draw was made necessary by the poor condition of the present curb sticks. The present granite curb on the approaches is so irregular for both line and grade that it is advisable to do additional shimming to protect the public. Estimated cost of extra work, \$520.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

PUBLIC WORKS DEPARTMENT.

Upon April 24 the Mayor approved a contract with Appel & O'Toole Company, the lowest bidder, for earth excavation and refilling to allow the Water Division employees to install, regulate or repair Water Division structures in City Proper, South Boston, East Boston, Charlestown and Roxbury districts at an estimated cost of \$5,340. The work to be done under this contract is to be completed December 1, 1940. The following bids were received April 12:

Appel & O'Toole Company, \$5,340; Keystone Engineering and Contracting Company, \$6,630; William F. Driscoll, \$7,140; Earl M. Carriere, \$8,100; Edward M. Matz, Incorporated, \$8,100; Baker & Co., \$8,640; Martin J. Kelly, \$9,690.

Upon April 24 the Mayor approved a contract with Appel & O'Toole Company, the lowest bidder, for earth excavation and refilling to allow the Water Division employees to install, regulate or repair Water Division structures in Dorchester district, at an estimated cost of \$5,600. The following bids were received April 12:

Appel & O'Toole Company, \$5,600; Baker & Co., \$6,075; Joseph A. Sprissler, \$6,100; Edward M. Matz, Incorporated, \$6,750; Earl M. Carriere, \$6,750; Martin J. Kelly, \$6,750; D. F. McLaughlin, \$13,250.

Upon April 24 the Mayor approved a contract with Frank J. Jacobs Company, the lowest bidder, for earth excavation and refilling to allow the Water Division employees to install, regulate or repair Water Division structures in the West Roxbury district, at an estimated cost of \$3,775. The following bids were received April 12:

Frank J. Jacobs Company, \$3,775; William F. Driscoll, \$5,450; Appel & O'Toole Company, \$5,600; Hancock Construction Company, \$6,125; Edward M. Matz, Incorporated, \$6,750; Earl M. Carriere, \$6,750; Martin J. Kelly, \$6,750; Baker & Co., \$6,800; Roslindale Contracting Company, \$9,045.

Upon April 29 the Mayor approved a contract with Angelo Grande, the lowest bidder, for new tide gates in Dorchester brook sewer at Massachusetts avenue, at an estimated cost of \$3,900. The following bids were received April 17:

Angelo Grande, \$3,900; McCulloch Manufacturing Company, \$3,990; Frank J. Jacobs Company, \$4,300; Baker & Co., \$4,474; Charles Struzziery, \$5,650; N. Cibotti & Co., \$5,900; A. Baruffaldi Company, \$6,350; V. Barletta Company, \$17,578.

SUPPLY DEPARTMENT.

Upon April 3 the Mayor approved a contract with J. P. O'Connell Company for furnishing reinforced concrete pipe, etc., for the Sewer Division, Public Works Department. The amount of the contract was \$1,169.13, less 2 per cent cash discount for payment in ten days. Bids, opened April 3, were as follows:

72 Linear Feet 15-Inch Reinforced Concrete Pipe, 4-Foot Lengths, Per Foot.—New England Concrete Pipe Corporation, \$1.10; J. P. O'Connell Company, \$1.10.*

248 Linear Feet 18-Inch Reinforced Concrete Pipe, 4-Foot Lengths, Per Foot.—New England Concrete Pipe Corporation, \$1.50; J. P. O'Connell Company, \$1.50.*

248 Linear Feet 21-Inch Reinforced Concrete Pipe, 4-Foot Lengths, Per Foot.—New England Concrete Pipe Corporation, \$1.90; J. P. O'Connell Company, \$1.90.*

10 Only Reinforced Concrete Y's, 4 Feet 18 Inches by 6 Inches, Each.—New England Concrete Pipe Corporation, \$9; J. P. O'Connell Company, \$9.*

2 18-Inch by 10-Inch Reinforced Concrete Y's, 4 Feet, Each.—New England Concrete Pipe Corporation, \$9; J. P. O'Connell Company, \$9.*

9 21-Inch by 6-Inch Reinforced Concrete Y's, 4 Feet, Each.—New England Concrete Pipe Corporation, \$11.40; J. P. O'Connell Company, \$11.40.*

2 21-Inch by 10-Inch Reinforced Concrete Y's, 4 Feet, Each.—New England Concrete Pipe Corporation, \$11.40; J. P. O'Connell Company, \$11.40.*

1 21-Inch by 18-Inch Reinforced Concrete Tee.—New England Concrete Pipe Corporation, \$13.30; J. P. O'Connell Company, \$13.33.*

Total.—New England Concrete Pipe Corporation, \$1,169.10; J. P. O'Connell Company, \$1,169.13.

Cash Discount, Ten Days.—New England Concrete Pipe Corporation, 2 per cent; J. P. O'Connell Company, 2 per cent.

* Contract awarded.

Upon April 3 the Mayor approved a contract with bidders as indicated for furnishing 90 drums 95 per cent ethyl alcohol, 4,860 gallons, for the city departments, as required, from April 1, 1940, to June 30, 1940. As the three bidders quoted the same prices, the 90 drums, 4,860 gallons, 95 per cent ethyl alcohol were divided equally among the three concerns. The approximate totals of awards were as follows:

United States Industrial Chemicals, Incorporated, \$534.60; Commercial Solvents Corporation, \$534.60; New England Alcohol Company, \$534.60. Total, \$1,603.80.

As the total award to each concern did not amount to \$1,000, no formal written contracts were made out. Bids, opened March 27, were as follows:

Approximately 90 Drums 95 Per Cent Ethyl Alcohol, 190 Proof, 54 Gallons to Drum, 4,860 Gallons, Per Gallon.—United States Industrial Chemicals, Incorporated, 26.5 cents, carload delivery; 30 cents,* nineteen-drum delivery; 33 cents,* one to eighteen drum delivery; Commercial Solvents Corporation, 30 cents,* nineteen drums or over (one delivery); 33 cents,* one to eighteen drum delivery; New England Alcohol Company, 30 cents,* nineteen-drum delivery; 33 cents,* one to eighteen drum delivery.

* Contract awarded.

Upon April 18 the Mayor approved a contract with the Lee Tire and Rubber Company for furnishing twenty-four solid tires to be delivered to 70 Bristol street, Fire Department, at a price of \$36.07 each, less 2 per cent cash discount for payment in ten days. The approximate total of the award was \$865.68, and as this amount is less than \$1,000 no formal written contract was made out. Bids, opened April 9, were as follows:

* Contract awarded.

Upon April 18 the Mayor approved a contract with Standard Brands, Incorporated, for furnishing coffee from April 1, 1940, to May 31, 1940, inclusive.

Your attention is directed to the following clause in the proposal of Standard Brands, Incorporated:

"Quality of coffee which bidder proposes to furnish guaranteed to exceed in every respect the specifications outlined. Method of packaging: One-pound sealed packages.

Delivery: Regular, frequent deliveries, or when wanted.

Service: Assistance of their coffee experts should they be required. Will make periodical check of the coffee equipment and method of making in the various institutions."

The approximate amount of the contract (20,050 pounds at 13 cents per pound) was \$2,606.50. Bids, opened March 26, were as follows:

CINCINNATI'S NEW SPORTS FIELD.

Cincinnati's outstanding recreational event of the past year has been the opening of its 200-acre Airport Sports Field—an instantaneous success. Although far from completion and lacking in many necessary facilities, it is already paying its own way. *American City Magazine.*

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, April 25:

BOSTON HOUSING AUTHORITY ANNOUNCES SITE FOR DEVELOPMENT IN JAMAICA PLAIN DISTRICT—FIRST SUCH SELECTION IN CONTINUANCE OF AUTHORITY'S PROGRAM—SUM SET ASIDE PLACED AT \$2,721,000 AND WILL PROVIDE FOR ERECTION OF SOME 400 MULTIPLE UNIT TYPE DWELLINGS.

Chairman John A. Breen of the Boston Housing Authority, on April 29, announced the location of the first site chosen for development by the Authority in a continuance of its program.

The site chosen is located in Jamaica Plain in the vicinity of Heath street, Bickford street, Walden street and Arklow street. The total sum set aside for development of this project is \$2,721,000. The tentative plans for the development in Jamaica Plain call for the erection of between 400 and 425 dwellings of the multiple unit type.

Chairman Breen pointed out that the plans for the development of the site were tentative and depended upon the ability of the Authority to acquire the land within the maximum price limit allowed under the Loan Contract with the United States Housing Authority for the development of this area. Continuing, the chairman stated that notice of the plan of the Authority had been sent to all property owners in the area. Representatives of the Authority will visit owners to discuss the plans of the Boston

Housing Authority with them. Appraisal work started this morning, and it is expected that surveys will start this week.

In making the announcement, Chairman Breen commented that the four projects presently under construction were proceeding according to schedule.

It is expected that the first project to be opened for tenancy will be that in Charlestown, where the first tenants are expected to move in in mid-summer. Present plans for occupancy of the new South Boston project indicate that the first tenancy will take place about September, with the Mission Hill project initial occupancy following some time in October, and the Ward 9 Roxbury project in the Lenox street area scheduled for completion in December.

Chairman Breen further stated he hoped to be able to announce the rents on the Charlestown project within a few weeks and to indicate income limitations and where and when applications for tenancy in the new projects will be accepted.

CHILD HEALTH PROGRESS IN BOSTON.

Upon April 30 Mayor Tobin called public attention to child health work in Boston by issuance of the following statement:

"Every Day is Child Health Day in Boston." May the first has been for a number of years designated nationally as Child Health Day. The purpose in mind was to focus attention upon the possibilities which exist for the conservation of child health and the possibilities for the prevention of disease among our young. This has brought fruitful results in lowered mortality and the prevention of many illnesses among the child population of America.

Every day is Child Health Day in Boston. Supplementing in a material manner the preventive work of the medical profession, the city has maintained for a number of years eighteen child health stations located particularly in the congested sections of Boston, where the economic level is low and illness more prevalent. Pediatricians from the Harvard, Tufts and Boston University Medical Schools staff the clinics and their efforts are concentrated upon teaching mothers the prevention of disease and the promotion of health.

The slogan of the Child Hygiene Service of the Health Department is to "Keep Well Children Well." That they have succeeded is proven by the remarkable reduction in infant mortality in our community. At the beginning of this century one out of every seven babies born in Boston did not survive the dangerous first year of life. In 1939 but one out of every twenty-four born, died during the first year of life. Since 1924, when the municipality took over

the baby stations maintained until then by private agencies, the number of deaths of babies has been cut in half. School medical inspection was historically first begun in the Boston Health Department in 1894.

Today an excellent program for the protection of the health of children in the public schools is carried on under the efficient leadership of Doctor Keenan. The health of the children in our parochial schools is the responsibility of the Boston Department of Health. Citizens will find much justification for the support of child health work in the realization that the boys and girls of today are the men and women of tomorrow and that there are real values in rearing boys and girls "with healthy minds in healthy bodies." Expenditures for the conservation of the health of children is a sound investment indeed in proper future citizenship.

MAURICE J. TOBIN,
Mayor of Boston.

RECEIPTS OF MILK IN BOSTON BY RAIL. STATISTICS FOR YEAR 1937.

Total, 201,115,222 quarts (including 21,533,437 quarts of cream) or 190,884,037 by the Boston & Maine Railroad; 9,304,589 by New York, New Haven & Hartford Railroad; 926,596 by Boston & Albany Railroad.

The said total exceeds that of 1936 by 2,233,863, but is 35,786,309 below the receipts in 1931 which was the highest on record.

The receipts in 1937 of the Boston & Albany Railroad are the lowest on record for that railroad.

The maximum receipts of milk and also of cream in 1937 were in August; the minimum in February.

MASSACHUSETTS CIVIL SERVICE EXAMINATIONS.

BUILDING INSPECTOR, BOSTON BUILDING DEPARTMENT, MAY 18, 1940.

Last date for filing applications, Saturday, May 4, 1940, at 12 noon.

Salary: \$2,200 a year.

Duties: To supervise the laying out of lot lines, building lines, establishment of grades, etc. To examine premises where applications have been made for permits to erect, enlarge, alter, repair or raze buildings before approval of permits for work on such applications is given. To inspect every building or structure or anything attached to or connected therewith which he has reason to believe is not provided with sufficient means of egress in case of fire or other emergency and also to decide whether or not the structure is structurally unsafe or dangerous to life, limb or adjoining property. To set forth in writing for the establishment of permanent public records, incontestable opinions based upon his own inspections.

Applicants should have a thorough knowledge of all the materials that are used in the various types of buildings, and also of construction methods. Applicants should also have a knowledge of the formation of soils and their capacity for carrying loads imposed upon them.

Entrance Requirement: Applicants must have at least five years' experience as a builder, civil engineer, or architect, or as a superintendent or foreman or a competent mechanic in charge of construction.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

POLICE DEPARTMENT ORDERS.

General Order No. 471.

Sergt. Joseph F. Condon, Patrolmen Salvatore DiNatale, William J. Crowley, Leo F. O'Neil and Stanley A. Slack, all attached to the Bureau of Criminal Investigation, are commended for meritorious duty performed on April 22-23, 1940, in connection with the arrest of two brothers who had committed a series of armed robberies and larceny of automobiles in this city during the past few weeks.

The commissioner is pleased to recognize and commend these officers for their diligence and devotion to duty shown in accomplishing the arrest of these two daring and dangerous criminals.

The Acting Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

CIVIL SERVICE EXAMINATIONS.
(STATE.)

STATE EXAMINERS OF ELECTRICIANS, 1940.

Examinations will be held at the following points and on the following dates:

Boston, Wednesday, June 5.
 Boston, Wednesday, September 11.
 Worcester, Thursday, September 12.
 Springfield, Wednesday, October 16.
 Pittsfield, Thursday, October 17.
 Boston, Wednesday, November 13.
 Lowell, Thursday, November 14.
 Boston, Wednesday, December 4.
 New Bedford, Thursday, December 5.
 New Bedford, Friday, December 6.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes. Examination shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
 WALTER F. DOWNEY,
 ULYSSES J. LUPIN,
 ALBERT FRANK,
 WALTER J. KENEFICK,

State Examiners of Electricians.

For application blanks or other information apply to State Examiners of Electricians, Room 303, 14 Beacon street, Boston, Mass.

FOR AIDING BOYS.

In an effort to lend a helping hand to misfit and underprivileged boys and to stem the alarming flow of young men into penal institutions and lives of crime, Big Brother Bureaus are being organized by the police departments of various cities. The International Association of Chiefs of Police urges all police jurisdictions to join the Big Brother League.

REVENUE BOND ACTS.

The 1936 issue of the "Municipal Index" contains a detailed study of the revenue bond acts in the thirty-three states which have enabling acts, and reports of all forty-eight states, showing what advantage has been taken of these acts by cities to finance the construction, operation and maintenance of sewerage systems and sewage treatment plants by service charges.

The table shows the status of revenue bond acts and other enabling acts in the different states, the dates when the acts became effective, and whether or not cities have taken advantage of the opportunity offered for financing bonds by service charges. In the case of states with no enabling acts, the table shows whether cities are charging sewer rentals under some other authority.

POLICE DEPARTMENT (STATISTICS FOR YEAR 1937).

Number of police force, December 1, 1937, was 2,262 (152 more than in 1936), viz.: the superintendent, 4 deputy superintendents, 27 captains, 67 lieutenants, 6 lieutenant-inspectors, 187 sergeants, 1,965 patrolmen and 5 patrolwomen, distributed in eighteen divisions, including the Traffic Division. Signal servicemen, 18; clerks, janitors, etc., 160, making the grand total personnel 2,444.

The cost of maintenance for calendar year 1937 was \$6,042,355, or \$202,702 more than in 1936.

Total number of arrests in year ending November 30, 1937, 95,948 (88,185 males and 7,763 females), or 14,600 more than in 1936; persons arrested on warrants, 14,212; without warrants, 58,052; summoned by the courts, 23,684; persons prosecuted, 58,391; of those arrested, 35,374 were released by probation officers or discharged at station houses and 2,183 were delivered to outside authorities, all others being held for trial; foreign-born persons arrested, 14,185, or about 14.78 per cent of the total; boys under seventeen years of age, 2,522; women and girls, all ages, 7,763; non-residents, 24,790, or 25.83 per cent of all arrested; minors, 8,402.

Drunkenness was the cause of 45,734 arrests, an average of 125 per day, or 47.67 per cent of total. This is 5,061 more than the number of such arrests in 1936 and 12,430 more than the average for the past five years. The prosecutions by the Homicide Division numbered 201; arrests for refusing to support family, 992; violation of City ordinances, 280; violation of traffic regulations, 10,194, or 5,482 more than in 1936; suspected persons, 5,426.

Sick and injured persons assisted, 9,281; insane persons taken in charge, 488; lost children restored to homes, 1,620; persons imprisoned, 6,935; persons fined, 17,556, the fines amounting to \$184,801; stolen property recovered, \$512,559; licenses issued, 21,897 (including 12,521 for dogs and 5,358 for vehicles and drivers), for which \$69,954.75 was received. Of 2,597 applications for license to carry loaded revolvers, 2,433 were granted.

Accidents from all causes in the streets, parks and squares caused death of 123 persons and injury to 6,985, or 7 less killed and 40 more injured than in 1936. Automobile accidents killed 86 and injured 4,413 or 11 less killed and 89 more injured than in 1936. The automobile fatalities were 69.9 per cent of total.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the Revised Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 1, 1940:

Section 16 is amended so as to read as follows:

No driver shall stop, stand or park a vehicle, other than a bus operated by the public service corporation to which a bus stop permit has been issued, in a bus stop during the hours for which the bus stop permit has been issued, when such bus stop is designated by two (2) signs, marking the bus stop limits, bearing the legend "No Stopping—Bus Stop—Boston Traffic Commission", and indicating the hours for which the bus stop permit has been issued.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be thirty (30) days, vehicles are excluded from the following streets, effective April 30, 1940:

Calumet Street, Roxbury.
From Hillside street to Parker Hill avenue.

Havre Street, East Boston.
From Bennington street to Sumner street.
Primrose Street, West Roxbury.
From Fairview street to Walter street.
Stratford Street, West Roxbury.
From Anawan avenue to Bellevue Hill road.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be two (2) weeks, the following rules are effective April 29, 1940:

Parking of vehicles is prohibited in the following streets:
Gurney Street, Roxbury.
South and west side, from Parker street to Tremont street.
Tremont Street, Roxbury.
Southwest side, from Carmel street to Morton place.

The following street is one way in the direction indicated:
Gurney Street, Roxbury.
From Parker street to Tremont street.
Vehicles are excluded from the following street:
Parker Street, Roxbury.
From Gurney street to Tremont street.

PROCEEDINGS OF CITY COUNCIL.

Monday, April 22, 1940.

Regular meeting of the City Council in the Council Chamber, City Hall, at two p. m., President GALVIN in the chair. Absent, Coun. Shattuck.

CONSTRUCTION OF SIDEWALKS, WARD 6.

The following was received:

City of Boston,
Office of the Mayor, April 22, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 1, 1940, concerning the construction of artificial stone sidewalks in place of the present sidewalks on certain streets in Ward 6.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
April 15, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works construct artificial stone sidewalks in place of the present sidewalks on the following streets in Ward 6:

B street, West Broadway to West First street; West Fourth street, between Dorchester avenue and D street; Silver street, D street to 225, west of E street; West Fourth street, Dorchester avenue to bridge abutment; West Sixth street, Dorchester to E streets; East Fifth street, between I street and K street; East Fourth street, Dorchester to K streets; East Second street, Dorchester to K streets; East Seventh street, N street to Columbia road; N street, East Broadway to East Fourth street; West Seventh street, E street to Dorchester street; O street, First street to Columbia road.

It is the intention of this department to remove the present brick sidewalks on the above-named streets where same are in poor condition and replace them with artificial stone sidewalks provided sufficient funds are available to do the work.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

USE OF INCOME OF GEORGE ROBERT WHITE FUND.

The following was received:

City of Boston,
Office of the Mayor, April 22, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Acting Corporation Counsel relative to your order of January 29, 1940, concerning whether or not the income from the George Robert White Fund can be used for the construction of a recreational center or gymnasium in the South Boston district.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Law Department, April 18, 1940.

Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—This is in answer to the order of the City Council requesting the Corporation Counsel to inform that body whether the income from the George Robert White Fund can be used for the construction of a recreational center or gymnasium in the South Boston district.

Under the terms of the will the purposes for which the income of the fund may be expended are subject to several restrictions. One is that it is only to be used for creating works of public utility and beauty; and another is that it shall not be used for any purpose which it is the duty of the city in the ordinary course of events to provide.

The question as to whether or not a proposed expenditure comes within the terms of the will is, in my opinion, primarily a question of fact to be determined by the trustees of the Fund, subject, in case of doubt, to recourse to the Court. That being my understanding of the situation it seems somewhat intrusive for the Law Department to submit an opinion in advance upon a theoretical question unless the trustees have indicated that they intend to give the matter the three months' serious consideration required by the will and desire the assistance of the department.

However, I see no great objection to furnishing the Council with the information, which, of course, has no binding effect on the trus-

tees, that it seems fairly reasonable to assume that the construction of a municipal gymnasium from the income of the White Fund would be a violation of the restriction against using the money for something which the city furnishes in the ordinary course. The city has already provided some eleven gymnasiums in various districts, and the construction of such buildings is one of the purposes for which all cities are authorized by the Legislature to expend money raised by taxation.

The words "recreational center" have no definite meaning. Such a term might denote the collection in one place of various functions ordinarily provided by the city, or it might mean something entirely new. Without a definition it appears useless to speculate as to whether or not a recreational center would come within the terms of the will. When some concrete proposal for such an expenditure is presented to the trustees of the White Fund no doubt their decision will depend to some extent on what particular activities are to be included.

Respectfully,

W. J. DOYLE,
Acting Corporation Counsel.

Placed on file.

GRADING OF LAND AT ROXBURY AND KING STREETS.

The following was received:

City of Boston,
Office of the Mayor, April 22, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Boston School Committee Secretary relative to your order of March 25, 1940, concerning the taking of immediate steps to eliminate the danger of injury to small children by leveling off the lot of land owned by the School Department at the corner of Roxbury and King streets, the work to be done as a W. P. A. project.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
School Committee, April 16, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—At a meeting of the City Council on March 25, 1940, an order was passed requesting the School Committee, through your Honor, to take immediate steps to eliminate the danger of injury to small children by leveling off the lot of land owned by the School Department at the corner of Roxbury and King streets, the work to be done as a W. P. A. project.

The City Council order was referred by the School Committee to the Superintendent of Construction, Mr. James J. Mahar, and Mr. Mahar has now replied, pointing out that this lot is included in the list of properties which the School Committee has voted to sell; that it is therefore in the hands of the Board on Sale of Land or Buildings. Mr. Mahar doubts that he has any legal right to spend School Department funds for grading this lot for general playground purposes.

The records show that at a meeting of the Board on Sale of Land held on July 7, 1937, question was raised as to the advisability of turning this lot over to the Park Department for a public playground. It was then explained that legislative action would be necessary to carry out the suggestion and nothing further was done about the matter.

It therefore seems to the School Committee that the recommendation of the City Council may not be carried into effect at this time.

Respectfully yours,

ELLEN M. CRONIN, Secretary.

Placed on file.

RECREATION AREA, CODMAN SQUARE.

The following was received:

City of Boston,
Office of the Mayor, April 22, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Boston School Committee Secretary relative to your order of November 20, 1939, concerning a Federal project which will complete recreation area at the rear of the Dorchester High School for Girls in Codman square.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
School Committee, April 9, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—The City Council in meeting, November 20, 1939, passed an order requesting your Honor to make every effort to assure a Federal project which will complete recreation area at the rear of the Dorchester High School for Girls in Codman square.

The Committee is in receipt of a communication from the Superintendent of Construction, Mr. James J. Mahar, reporting that the work of installing a wall and fence about the area in question has just been completed. The lot has been cleaned up and roughly graded. Mr. Mahar plans to install asphalt surface in the area in the next project.

Very truly yours,

ELLEN M. CRONIN, Secretary.

Placed on file.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments for the term beginning May 1, 1940, viz.:

Weights of Coal: Frederick Manchester, 71 Beacon street, Hyde Park, Mass.; William L. Harlow, 920 Metropolitan avenue, Hyde Park, Mass.

Weights of Goods: Frederick Manchester, 71 Beacon street, Hyde Park, Mass.; William L. Harlow, 920 Metropolitan avenue, Hyde Park, Mass.

Severally laid over a week under the law.

APPOINTMENT OF CONSTABLES.

The following was received:

City of Boston,
Office of the Mayor, April 22, 1940.
To the City Council.

Gentlemen,—Subject to confirmation by your Honorable Body, I hereby appoint the following-named persons constables of the City of Boston for the term of one year, beginning with the first day of May, 1940, without power to serve civil process and to serve without bond.

The commissions of all constables not named herein expire on April 30, 1940, and such constables are hereby removed from office from and after May 1, 1940, for the good of the service.

Respectfully,
MAURICE J. TOBIN, Mayor.

Constables.

Joseph Altobello, 7 Oak place, Ward 18; James Baxter, 10 Woodlawn avenue, Ward 18; Edward Bickerton, 190 Eustis street, Ward 8; Charles Boyce, 4 Neptune road, Ward 1; Joseph Brogna, 165 Endicott street, Ward 3; Andrew Bruschette, 45 Chelsea street, Ward 1; Edward A. Burke, 68 Leonard street, Ward 15; Joseph Carr, 169 Bowdoin street, Ward 15; Joseph P. Casey, 43 Marcella street, Ward 11; Francis Chaisson, 1112 Dorchester avenue, Ward 15; Joseph Cohen, 65 Homestead street, Ward 12; Robert Connolly, 20 Thomas street, Ward 19; John H. Coughlin, 59 King street, Ward 16; Edward N. Couzens, 88 Humboldt avenue, Ward 12; John DiMare, 42A Green street, Ward 3; John Donahoe, 468 Saratoga street, Ward 1; Edward Donovan, 336 Geneva avenue, Ward 15; Charles E. Dowd, 102 Gainsborough street, Ward 4; John F. Doyle, 14 Dewey street, Ward 18; Joseph L. Duffly, 15 Spencer street, Ward 17; John J. Duffy, 27 Green street, Ward 2; Manus Eyges, 508 Harvard street, Ward 14; George M. Fitzgerald, 200 Weld street, Ward 20; Cornelius Fitzpatrick, 17 King street, Ward 16; James J. Flanagan, Jr., 1421 Columbus avenue, Ward 11; Charles L. Forristall, 40 Pinckney street, Ward 5; John F. Ganley, 98 Topliff street, Ward 15; Gerard Gifun, 264 Maverick street, Ward 1; David Gordon, 33 McLean street, Ward 3; Henry J. Gurl, 183 Huntington avenue, Ward 4; Charles G. Haddad, 34 Bradford street, Ward 3; Murray Harris, 11 Kingsdale street, Ward 14; William J. Hayes, 15 Shannon street, Ward 22; Edward Hines, 152 Westville street, Ward 15; John Jennings, 21 Walton street, Ward 17; Leo Kelly, 75 Pontiac street, Ward 10; Joseph Kenneally, 679 Washington street, Ward 11; Henry J. Lawlor, 95 McBride street, Ward 11; Edward J. Leary, 90 Fenway, Ward 4; Wilbur F. Lewis, 645 East Fifth street, Ward 6; Joseph P. Lydon, 19 Windermere road, Ward 18; Andrew Martin, 28 Maynard street, Ward 18; Arthur R. Matthews, 33 Lourdes avenue, Ward 11; Bernard McCabe, 128 Colberg avenue, Ward 20; John C. McCarthy, 28 Quincy street, Ward 12; Paul McCarthy, 316 Hyde Park avenue, Ward 19; Patrick McGovern, 4 Tremont street, Ward 2; Charles J. McGrath, 46 Columbia road, Ward 14; William J. McGregor, 33 Grampian way, Ward 13; Archibald McNeil, 14 Blanche street, Ward 16; Leo T. McNeil, 1395 Commonwealth avenue, Ward 21; Joseph Monahan, 57 High street, Ward 2; William F. Nicholson, 1580 Tremont street, Ward 10; Edward J. Noonan, 1295 Commonwealth avenue, Ward 21; William F. Nyhan, 1174 Columbus avenue, Ward 9; John F. O'Brien, 761 East Seventh street, Ward 7; Willard F. O'Brien, 5 Orchard street, Ward 19; David F. O'Connor, 15 Iroquois street, Ward 10; Edward B. O'Neil, 411 East Fifth street, Ward 7; Leonard Pike, 54 Wil-

mington avenue, Ward 17; John J. Rea, 68 Russell street, Ward 2; Timothy F. Regan, 56 Eliot street, Ward 19; James J. Reilly, 44 Francis street, Ward 10; Timothy Scannell, 272 West Third street, Ward 6; Francis J. Shea, 39 Belmont street, Ward 2; Hyman Slate, 28 Phillips street, Ward 5; John Smyth, 28 Kempton street, Ward 10; Daniel Sugrue, 52 Athol street, Ward 22; Patrick E. Sullivan, 122 Parker Hill avenue, Ward 10; Herbert C. Timson, 117 Beacon street, Ward 18; William A. Walsh, 69 Maverick street, Ward 1; Thomas White, 87 Washington street, Ward 2; Earl F. Wickes, 14 Rosedale street, Ward 17.

With Animal Rescue League.

Joseph E. Connaghton, 14 James street, Ward 8; Frederick O. Houghton, 363 Adams street, Milton; Archibald C. McDonald, 710 East Sixth street, Ward 6.

With Massachusetts S. P. C. T. A.

Harry L. Allen, 180 Longwood avenue, Ward

Van Drivers Appointed by the Court.

Patrick A. Gargan, 80 Fairbanks street, Ward 22; Charles M. Shea, 33 Hillside street, Ward 10.

Laid over a week under the law.

TRANSFER IN PENAL INSTITUTIONS DEPARTMENT APPROPRIATION.

The following was received:

City of Boston,
Office of the Mayor, April 15, 1940.
To the City Council.

Gentlemen,—The attached request for transfer within the appropriations for the Office Expenses of the Penal Institutions Department is necessary because of the pensioning of an employee of that department, not a member of the Retirement System, pensioned under the provisions of chapter 32 of the General Laws. This pension was not approved until after submission of the budget to your Honorable Body and could not have been anticipated.

I am forwarding herewith a transfer order in the sum of \$1,072.50 from the A, Personal Service group to the F, Special Items group in the budget of the Penal Institutions Department, Office Expenses, and recommend its adoption by your Honorable Body.

Respectfully,
MAURICE J. TOBIN, Mayor.

Ordered, That under authority of chapter 261 of the Acts of 1893 the City Auditor be, and hereby is, authorized to make the following transfer in the appropriations for Penal Institutions Department, Office Expenses:
From the appropriation for A, Personal Service, \$1,072.50, to the appropriation for F, Special Items, \$1,072.50.

Referred to Executive Committee.

TRANSFER OF PROPERTY AT 243 DOVER STREET.

The following was received:

City of Boston,
Office of the Mayor, April 20, 1940.
To the Honorable the City Council.

Gentlemen,—I transmit herewith an order for the transfer of a parcel of foreclosed tax title property situated at 243 Dover street from the care, custody, management and control of the Custodian of Foreclosed Real Estate to the Fire Department of the City of Boston.

The land in question is adjacent to the Bristol Street Fire Station of the Fire Department and contains about two thousand three hundred sixty (2,360) square feet of land. This land is ideally situated for use by the Fire Department as it will provide the advantages of an additional entrance and exit to the Fire Station, as well as parking facilities for Fire Department vehicles.

I recommend passage of the accompanying order by your Honorable Body.

Respectfully,
MAURICE J. TOBIN, Mayor.

Whereas, The City of Boston by a decree of the Land Court, Suffolk Registry District, dated October 23, 1939, foreclosed a right of redemption under a tax deed recorded with Suffolk Deeds, Book 5549, page 501, on about two thousand three hundred sixty (2,360) square feet of land on the southeasterly side of Dover street, numbered two hundred forty-three (243) in the numbering of said Dover street, adjoining property of the City of Boston in the control of the Fire Department of the City of Boston; and

Whereas, The Commissioner of the Fire Department of the City of Boston is desirous of using the said premises for Fire Department purposes; now, therefore, it is hereby

Ordered, That the Custodian of Foreclosed Real Estate of the City of Boston be, and he

hereby is, authorized, with the approval of the Mayor of Boston, to transfer the care, custody, management and control of the said premises to the Fire Department of the City of Boston.

Referred to Executive Committee.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Boston Biscuit Company, for compensation for damage to truck by city truck.

Charles K. Butler, for refund on plumbing permit.

Daniel J. Collins, to be reimbursed as result of accident which occurred while in performance of duty as patrolman.

Franklin Park Hay and Grain Company, for compensation for damage to truck by city truck.

Edward A. Friedberg, for compensation for damage to car by fire engine.

Patrick H. Furey, to be reimbursed as result of accident on account of acts as employee of Public Works Department.

Helen F. Harlow, for compensation for injuries caused by an alleged defect at Arlington and Providence streets.

Thomas Hartwell, for compensation for damage to property by East Boston Tunnel No. 2 car.

Martin A. Lombard, to be reimbursed on account of accident which occurred in performance of duty as fireman.

The R. A. Company, for compensation for damage to car by city car.

Timothy P. Sullivan, to be reimbursed for accident which occurred while in performance of duty as patrolman.

Executive.

Petitions for children under fifteen years of age to appear at places of public amusement, viz.:

Coimar Club, Inc., East Boston High School, May 27.

Marie Ryan Livingston, Eliot Hall, May 22.

Katherine D. O'Gorman, Repertory Theatre, May 25.

Howard Wilson, Johnson Memorial Hall, June 3, 4.

Committee on Licenses.

Applications for driveway openings were received, as follows:

Socony-Vacuum Oil Company, Inc., at East Eagle street, East Boston.

Arthur F. Phinney, at 43 and 50 Spring street, Ward 20.

MINORS' LICENSES.

Applications were received from fifty-one newsboys and five bootblacks for minors' licenses. Permits granted under the usual conditions.

TRANSIENT VENDORS' LICENSES.

Notice was received of the issuing of transient vendors' licenses, as follows:

Albert Hassman, for sale of hair shampoo and hair pomade, at 349 Washington street.

Fausto R. Yznaga, for sale of foot and cold remedies, at 349 Washington street.

Placed on file.

CONFIRMATION OF CONSTABLES.

Coun. SULLIVAN called up, under unfinished business, No. 1 on the calendar, viz.:

1. Action on appointments submitted by the Mayor April 15, 1940, of Constables authorized to serve civil process upon filing bonds, being the annual list as contained in City Document 43.

The question came on confirmation.

Coun. SULLIVAN—Mr. Chairman, for the Committee on Constables, I ask that the names in Document 43 be confirmed with the exception of Paul R. Gast, who has resigned, and Francis W. Gildea and Joseph L. Shurtleff.

Coun. TAYLOR—Mr. President, as a member of the Constables Committee, there is just one thing that I want to say. Out of the whole group of constables there are probably ten or a dozen who are also doing work for the City of Boston. As I stated at the meeting of the Committee on Constables last week, it is the desire of the committee—and I think a majority of the Council were present—to prevent a repetition of a certain practice that has gone on in the past. I might reiterate the statement made at that meeting—that any of those constables who are serving as a collecting agency for the city should take heed of the warning that they should take no action on taxes, personal or excise, previous to the year 1935 because, as I have stated here

before, these taxes in most cases have been collected by one constable or another, and we do not wish to embarrass any of the people who did not keep their receipts for a longer period than that. I think it is the desire of the committee and also of the members of the Council that if any of these constables violate that understanding they will have a good chance to lose their commission another year.

The question came on confirmation of the appointments. Committee, Coun. Goode and Russo. Whole number of ballots 15, yeas 14, nay 1, and the appointments were confirmed.

President GALVIN called up, under unfinished business, No. 2 on the calendar, viz.:

2. Action on appointments submitted by the Mayor April 15, 1940, of weighers of coal, etc., and other minor appointments, being the annual list as contained in City Document 44.

The question came on confirmation. Committee, Coun. Wickes and Hurley. The appointments were confirmed, yeas 14, nay 1.

CORPORATION COUNSEL'S OPINION ON WHITE FUND.

Coun. LINEHAN—Mr. President, with unanimous consent I would like to make a statement. (No objection.) Mr. President, I want to thank the Acting Corporation Counsel for preparing and rendering what I think is at least a fair opinion as to the ways in which the George Robert White Fund should be spent. Although, frankly, part of that opinion is not going to be of very much assistance at the present moment to those of us who are looking for a gymnasium through this fund, there are other parts of the opinion which, I believe, will be of help to us in considering the proper action to take. For the benefit of the other members of the Body, who would like some information upon the matter, I think it is proper for me to read the opinion in full at this time.

(Coun. Linehan here read in full the opinion of the Acting Corporation Counsel, submitted by the Mayor today, in regard to "Use of Income of George Robert White Fund.")

At the outset, I want to say this, that I think the other members of the Council interested in the matter and myself will probably have to abide by the ruling, if it is called a ruling, of the Acting Corporation Counsel. He came to a conclusion with which I think I agree, in the matter of gymnasiums, because of the fact that we already have eleven gymnasiums, I believe, in the City of Boston. I think it is probably fairly reasonable, therefore, to say that they do not come within the will. But there is something of which we should take notice in the last paragraph, in which he says:

"The words 'recreational center' have no definite meaning. Such a term might denote the collection in one place of various functions ordinarily provided by the city, or it might mean something entirely new. Without a definition, it appears useless to speculate as to whether or not a recreational center would come within the terms of the will."

Then he goes on to say:

"When some concrete proposal for such an expenditure is presented to the trustees of the White Fund, no doubt their decision will depend to some extent on what particular activities are to be included."

I realize, Mr. President, that last week when I took the floor of the Council perhaps I was doing something that would, you might say, bring me within the realms of publicity that some may occasionally desire. I think we all like to get credit for doing something in the interests of the people, and if we don't it is our tough luck. I want to say at the outset, however, that this is no new interest of mine. I took it up when I was in the Legislature. I am not now pursuing the matter as the result of any promise I have made to the citizens of South Boston or of Dorchester, whom I represent, because I did not promise them one thing except to serve the interests of the district to the best of my ability, decently, intelligently and honestly, so far as lay in my power. That is all I promised. I did not say that I hoped to get a gymnasium or a recreational center. I mentioned nothing about it. When I was in the Legislature, I attempted to have money from the George Robert White Fund spent for a recreational center, but, unfortunately, being a member of the lower branch, I did not get action. As a member of the City Council I thought it my duty to take the floor and fight for this, not as something that concerned simply my district, but also something which should interest the different members of the Council and the citizens of Boston generally. When I said that we needed a recreational center in South Boston, I had clearly in mind that something of the sort should be provided for other sections of the city also. South Boston being simply one of the geographical centers of this town. I don't know of any part of the City of Boston that might not well have what we might call a

recreational center, although, as the Acting Corporation Counsel says, we cannot now say exactly what such a recreational center might include. It might include many things that the city otherwise would never provide for. I think, therefore, that I and my colleague from Ward 6 (Coun. Scannell), and perhaps other members interested in recreational centers, may be able to get together and bring forth some plan for a recreational center that will come within the provisions of the will. I think the opinion of the Acting Corporation Counsel has at least given us an opportunity to see if we cannot work out something that would mean a proper expenditure and have standing under the provisions of the George Robert White Fund will. This being the last shot that I will make for the time being at this recreational center, perhaps I may be excused for taking a little time of the Council. As I told you several months ago, and have repeated since, South Boston needs a center that might be called a recreational center, the same as such a center is needed in a lot of other districts of the city, and if we make a concerted effort to arrive at something of this kind, that will serve the people of Boston and at the same time come within the provisions of the George Robert White will, very probably something concrete can be accomplished. We all have the interests of the kiddos, and also of the grown-ups, at heart, and I think nobody can take the floor of the Council and object to the expenditure of money for such a purpose. I have here a little pamphlet that shows me who the members of the trustees of the George Robert White Fund are, and three or four of them, at least, are men with whom we are all familiar. At the head is the Hon. Maurice J. Tobin, as chairman of the George Robert White Fund Trustees, and I might add right here that I know from certain interviews with the Mayor that, so far as South Boston and other districts are concerned, he would like very much to see recreational centers for the people. The next member of the Board of Trustees is Charles J. Fox, City Auditor, and I think that he would be with us so far as he could, within the provisions of the will. The next gentlemen are our President, William J. Galvin, whose voice is always heard, as representing Charlestown or other districts of the city, on matters so vitally concerning the welfare of our citizens. I know that we could depend upon his vote if we needed it, and if it could be cast legally in favor of such a project. The next member I do not know—Oscar W. Haussermann, President of the Chamber of Commerce, and the next is Frederic H. Chase, President of the Bar Association of the City of Boston. Those are the five men to whom we have to look, we in South Boston and in other sections of the city, for the construction of the will of George Robert White as it concerns recreational centers for our district and for other districts of the city. If we go before them with a proposition, setting forth what we want, and they show us that it is not a proper subject for expenditure within the provisions of the will, we would be out of luck. But we might together arrive at a plan that would be upheld by the trustees. But if they should decide against us, while we might go to court, I think that the court would probably uphold the trustees. So it probably means throwing the whole thing, in the final analysis into the lap of these five trustees, and the only recourse we now have is to bring the matter to their attention. As I have said, however, they include Maurice J. Tobin, Charles J. Fox and William J. Galvin. I think I am correct in saying that they will have something before them in a short time, and I sincerely trust that they will give to us every consideration possible and try to read something into the will that will give them an opportunity to hang their coat and hat on and that will lead to the construction of these recreational centers. Some time ago there was a movement in favor of health centers, and it was thought that this money could not be spent for that purpose. But it has been done, and I now feel sure, in the light of the opinion we have received, that if we can suggest something that would not be what the city would ordinarily be expected to provide, it will at least be given earnest consideration by the trustees. I want to say in conclusion that I appreciate the fact that everybody here has been so patient with me, that the newspapers, which have not said anything against me or for me, have at least maintained a friendly attitude, and that my colleagues have shown me every consideration. I want also to thank the Acting Corporation Counsel for at least bringing in something which may result in future action along this line being taken. Let us put our heads together and see if something cannot be devised that will not violate the conditions of the will and that will afford to our citizens some benefit along the line of recreational centers. Let the fight go on.

Coun. WARD—Mr. President, will the gentleman describe what a recreational center is? What does he mean by a recreational center?

President GALVIN—The gentleman has not yielded, as the Chair understands.

Coun. WARD—I bow, Mr. President, I ask unanimous consent.

Coun. LINEHAN—I yield to the gentleman from Brighton.

Coun. WARD—And I withdraw my question, Mr. President.

President GALVIN—The Chair has a statement to make,—that the trustees of the George Robert White Fund met last Thursday, and at that meeting there was a motion made and carried that the trustees hold a meeting with the Council some time about the first of June, in order to determine what is to be said in regard to recreational centers.

MARY DOHERTY SQUARE.

Coun. GOODE offered the following:

Ordered, That the Board of Street Commissioners, through his Honor the Mayor, consider naming the junction of Freeland street and Standard street, in the Mattapan section of Ward 18, after the deceased Mary Doherty, World War nurse, this junction to be known as Mary Doherty square.

Passed under suspension of the rule.

CANTERBURY STREET IMPROVEMENTS, WARD 18.

Coun. GOODE offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface the roadway and install sidewalks on Canterbury street, from Mt. Calvary road to Cummins Highway, in the Mount Hope section of Ward 18.

Passed under suspension of the rule.

RESURFACING OF WARD 15 STREETS.

Coun. KELLY offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface the following streets in Ward 15 as W. P. A. projects:

Maryland street, Clarkson street, Longfellow street, Fox street, from Adams to Percival streets.

Passed under suspension of the rule.

SIDEWALK ON NORTON STREET, WARD 15.

Coun. KELLY offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to install a black tar sidewalk on Norton street, from No. 35 to the rear of No. 23 Inwood street, Ward 15.

Passed under suspension of the rule.

INFORMATION RE SNOW REMOVAL.

Coun. GOTTLIEB offered the following:

Ordered, That the Public Works Commissioner, through his Honor the Mayor, be instructed to furnish the City Council, on or before the next regular meeting thereof, with the following information relative to snow removal:

1. The names and addresses of all contractors engaged in the removal of snow during the recent storm.
2. The number of trucks or snow-loaders hired by the City of Boston from each contractor, and the total number of days and/or hours each contractor worked.
3. The amount of money paid or due to each contractor.
4. The price paid to each contractor per cubic yard.
5. The specific area covered by each contractor and the distance between the loading and dumping zones in the area where each contractor worked.
6. The number of cubic yards removed by each contractor.
7. The exact locations where each contractor loaded and dumped the snow.
8. The time records, setting forth when each contractor loaded and dumped each truckload of snow.
9. The names and addresses of all inspectors used in snow removal work, whether regular city employees or otherwise.

Referred to the Executive Committee.

REMOVAL OF PAVING BLOCKS, DUDLEY AND WASHINGTON STREETS.

Coun. D. F. SULLIVAN offered the following:

Ordered, That the trustees of the Boston Elevated Railway be requested, through his Honor the Mayor, to have removed the paving blocks on the roadway in the vicinity of Dudley and Washington streets, Ward 9, as they are creating a traffic hazard.

Passed under suspension of the rule.

REOPENING ROXBURY CROSSING BRANCH LIBRARY.

Coun. D. F. SULLIVAN offered the following:

Ordered, That the trustees of the Boston Public Library be requested, through his Honor the Mayor, to reopen the Roxbury Crossing Branch Library which was located at the corner of Ruggles and Tremont streets, Ward 9.

Coun. D. F. SULLIVAN—Mr. President, some twenty-one months ago, in an economy move, the trustees of the Public Library closed the Roxbury Crossing branch, located at the corner of Ruggles and Tremont streets, Ward 9. That branch library had been there for a good many years, but after submitting a list of libraries to be closed in various parts of the city, in spite of protests the Roxbury Crossing Branch Library, at the corner of Ruggles and Tremont streets, was closed. It was a large and well-patronized library, convenient for those coming through Ruggles street, from the Boston Latin School, the High School of Commerce, the Girls' Latin School, Notre Dame, the Girls' Trade School, and others. Children coming home from school have been able to use that library on Ruggles street. It seems to me particularly important, in the unemployment times through which we are now going when people are looking for some way in which they can spend their time profitably along educational lines, that particular attention should be given to such facilities as are afforded by a good branch library. Speaking of the economy argument, shortly after it was closed Mr. Lord, the Director of the Library, had his salary increased from \$7,500 to \$10,000. If that is economy, I would like to know how it is practiced. I certainly hope that the order will pass and that the trustees will reopen the library.

The order was passed under suspension of the rule.

SUMNER TUNNEL FEES.

Coun. GOODE offered the following:

Ordered, That the Mayor of Boston consider the advisability of charging all outside residents who use the Sumner Tunnel a fee of 25 cents and retain the present fee of 15 cents for residents of Boston only.

Coun. GOODE—Mr. President, I introduce this order at this time as a means of bringing in additional revenue to relieve the taxpayers of the City of Boston, who today are bearing the entire burden of the deficit incurred in the operation of the Sumner Tunnel. In a few weeks the Registrar of Motor Vehicles will issue stickers for every car in the state, and the registrar will then be able, if requested in a matter of this kind, to give a colored sticker to the operators of motor vehicles by which those belonging in the City of Boston may be distinguished from those coming from outside parts of the state, as they go through the tunnel and fees are collected from the operators. There can thus be a distinction made between those belonging in the City of Boston and those coming from outside the city, going through the tunnel. I think the present fee for non-residents of Boston going through Sumner Tunnel is inadequate, and I hope that this order will pass.

The order was passed under suspension of the rule.

REPAIRS, CAROLINA AVENUE PLAYGROUND, WARD 19.

Coun. LANGAN and ENGLERT offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to make needed repairs to the benches on the playground at Carolina avenue, Ward 19.

Passed under suspension of the rule.

CONSTRUCTION OF WARD 19 STREETS.

Coun. LANGAN offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the

Mayor, to accept and lay out the following-named streets in Ward 19 under the W. P. A. plan of construction:

Southbourne road, 400 feet southeasterly from Hyde Park avenue, Halliday street, Herbert street, Westbourne road, Chestnut square, Eastland road.

Passed under suspension of the rule.

SUBWAY STATION, ARUNDEL AND ABERDEEN STREETS.

Coun. WARD offered the following:

Ordered, That the Transit Commissioners determine the advisability of erecting a subway station at Arundel and Aberdeen streets at Beacon street as a W. P. A. project.

Passed under suspension of the rule.

SIDEWALKS, CLEVELAND CIRCLE PLAYGROUND.

Coun. WARD offered the following:

Ordered, That his Honor the Mayor direct the Park Commissioner to provide for sidewalks around the Cleveland Circle Playground.

Passed under suspension of the rule.

ADDITIONAL LIGHTING, WARD 21.

Coun. WARD offered the following:

Ordered, That his Honor the Mayor direct the lighting department to put in additional lighting service on Park Drive, Queensberry and Peterborough streets in Ward 21.

Passed under suspension of the rule.

ADDITIONAL LIGHTING, COMMONWEALTH AVENUE, BRIGHTON-ALLSTON.

Coun. WARD offered the following:

Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to install additional lights on Commonwealth avenue in the Brighton-Allston district.

Passed under suspension of the rule.

RECESS.

A recess was taken by direction of the Chair at 3.06 p. m., subject to the call of the Chair. The members reassembled and were called to order by President GALVIN at 4.10 p. m.

EXECUTIVE COMMITTEE REPORTS.

Coun. LANGAN, for the Executive Committee, submitted the following:

1. Report on petitions (referred today) for children under fifteen years of age to appear at places of public amusement, viz.:

Coimar Club, Inc., East Boston High School, May 27; Marie Ryan Livingston, Eliot Hall, May 22; Katharine D. O'Gorman, Repertory Theatre, May 25; Howard Wilson, Johnson Memorial Hall, June 3, 4,—recommending that leave be granted under usual conditions.

Report accepted; leave granted under usual conditions.

2. Report on order (referred today) asking Public Works Commissioner to furnish information relative to snow removal—that same ought to pass.

Report accepted; order passed.

3. Report on message of Mayor and order (referred today) for transfer of property at 243 Dover street from Custodian of Foreclosed Real Estate to Fire Department—that same ought to pass.

Report accepted; said order passed.

4. Report on message of Mayor and order (referred today) for transfer within appropriation for Office Expenses of Penal Institutions Department—that same ought to pass.

Report accepted; said order passed, yeas 19, nays 0.

SOLDIERS' RELIEF.

Coun. ENGLERT, for the Committee on Soldiers' Relief, submitted report recommending passage of order for payment of aid to soldiers and sailors and their families in the City of Boston for the month of April.

Report accepted; said order passed.

REPORT OF COMMITTEE ON ORDINANCES.

Coun. LYONS, for the Committee on Ordinances, submitted the following:

1. Report on message of Mayor and ordinance (referred April 1) for increase in number of members of City Planning Board—that same ought to pass.

Report accepted; said ordinance passed.

2. Report on message of Mayor and ordinance (referred April 1) modernizing methods and procedure of Water Income Division of Public Works Department—that same ought to pass.

The report was accepted and the question came on the passage of the ordinance.

Coun. CHASE—Mr. President, will you please read the ordinance?

President GALVIN—The Chair suggests that the order is such a long one that it would probably be well to assign it to the meeting and have it printed, so that copies can be furnished to the members, who will have a further opportunity to study it. The Chair will receive a motion to assign the ordinance to the next meeting.

On motion of Coun. LYONS, the ordinance was assigned to the next meeting.

Coun. COFFEY—And each member of the Council to have a copy?

President GALVIN—That is the suggestion of the Chair.

LEO MCCARTHY PLAYGROUND, CHARLESTOWN.

Coun. GALVIN offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to name the playground on Mead street, Charlestown, the "Leo McCarthy Playground," in memory of Leo McCarthy, a life-long resident of Charlestown, who distinguished himself in the military service of the United States during the World War.

Passed under suspension of the rule.

DISPLAY OF FOREIGN FLAGS.

Coun. GALVIN offered the following:

An Ordinance Concerning the Display of Foreign Flags.

Be it ordained, etc.

Section 1.—No person shall display the flag, or emblem, of a foreign nation from any building in the City of Boston unless at the same time it is accompanied by the display of the United States Flag in a superior position.

Section 2.—Any person violating the provisions of this ordinance shall be punished by a fine not exceeding twenty dollars for each offense.

Referred to the Committee on Ordinances.

Coun. RUSSO in the chair.

ADDITIONAL ELEVATED NIGHT TRAIN FROM EVERETT.

Coun. LYONS offered the following:

Ordered, That the trustees of the Boston Elevated Railway Company be requested, through his Honor the Mayor, to consider the advisability of running an additional train at about 1.15 a. m. from Everett for the convenience of night workers who are unable to make connection with the last train on the present operating schedule.

Passed under suspension of the rule.

REPORT OF COMMITTEE ON LICENSES.

Coun. FISH, for the Committee on Licenses, submitted the following:

1. Report on petition of Louis DeSanetis (referred April 15) for driveway opening at Bennington and Bremen streets—that leave be granted.

Report accepted; leave granted under usual conditions.

CAR STOP SAFETY ZONE, WARD 15.

Coun. KELLY offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to confer with the trustees of the Boston Elevated Railway Company with reference to establishing a safety zone at the car stop at the intersection of Columbia road, Richfield and Hamilton streets, Ward 15, to enable patrons of the Boston Elevated to cross Columbia road and hand street cars on the reservation.

Passed under suspension of the rule.

SNOW REMOVAL SITUATION.

Coun. KELLY—Mr. President, I ask unanimous consent to make a statement. (No objection.) Mr. President and members of the Body, about three weeks ago I introduced an order, "That the Boston Finance Commission be requested, through his Honor the Mayor, to furnish the City Council with more specific information regarding impeding of the work of city officials, the designation of men to be hired for shoveling, the equipment to be hired, and the appointment of inspectors and supervisors to be employed in connection with recent snow removal work." The reason why I introduced that order was that in the Sunday newspapers of the day before there was a front page article stating:

"The Boston Finance Commission in an unprejudiced report on the St. Valentine's Day storm and the snow removal problem that followed it gives a clean bill to Boston city officials and criticizes members of the Boston City Council, members of the Legislature, and persons influential in political organizations, for impeding the work of city officials, trying to designate the men to be hired for shoveling, the equipment to be hired for removal, and the inspectors and supervisors to be employed in the work."

The Finance Commission made a report, under date of March 27, with regard to snow removal which certainly left a suspicion in the minds of residents of the City of Boston in regard to the position of the City Council in the last snowstorm. So we invited the members of the Finance Commission to appear here last week, and in reply to that invitation the following letter was received, under date of April 10, 1940, by Councilor Langan, the Chairman of the Executive Committee of the City Council:

"Dear Sir,—The Finance Commission has authorized me to acknowledge receipt of a notification by the Clerk of Committees that your committee requests the members of the Finance Commission and members of the staff to appear before you in regard to the commission's snow removal report, so called.

It has never been customary for members of the Finance Commission to appear before the City Council or its committees to discuss or debate the findings of the commission in a particular investigation. The commission can see no good reason for making an exception in this case. The administration of the work of snow removal is under the exclusive authority of the Mayor and officials responsible to him.

The commission has noted that the Mayor has already started action along the lines suggested by the Finance Commission.

Respectfully yours,

CHARLES M. STOREY, Chairman."

That letter of the Finance Commission is very amusing, to say the least, because I remember, about sixteen months ago, when the twenty-two members of this Council received registered letters from the office of the Finance Commission, calling upon us, even getting us out of bed, to appear before them, upon an investigation of the members of the Body. I can also remember getting the Attorney-General's opinion in regard to the authority that the Finance Commission had to require us to appear before them. His report was that we didn't have to appear if we did not want to do so. I wonder what would have happened if we had ignored the command to appear before the Finance Commission at that time, as apparently we had the right to do, and I wonder, when the Finance Commission wanted me to assign reasons for having members of the Council in my own house, how they would have felt if I had asked them about their practice of meeting around among themselves in their homes, spending the evening. When they wondered if it was not unusual for me to have members of the Council in my home of an evening, I might have asked the same question back, if it was unusual for members of the Finance Commission to spend an evening in the homes of their fellow members. While it was not unusual for members of that commission to be seen at the homes of other members any night in the week, it was very unusual for me to have ten or eleven members at my house on one evening. Oh, it is a sad state of affairs when the Finance Commission is asked to come before our Body, the City Council, to make an explanation of its baffling statement in the newspapers of three weeks ago, and refuses to come, and when it commanded the presence of twenty-two members of this Body before that commission because some of the members of the Council were at my house on a particular evening, I say that the Boston Finance Commission is not consistent in demanding that we appear before them at such a time, and then, when they make a very baffling statement in the papers and we desire enlightenment upon it, they write a letter to us stating that "it has

never been customary for members of the Finance Commission to appear before the City Council or its committees to discuss or debate the findings of the commission in a particular investigation."

Coun. COFFEY—Mr. President, I ask unanimous consent to make a statement. (No objection.) I recently filed an order to investigate snow removal, because of the action of the City Grader, "Lulu" Bruns, in connection with the snow removal, following the recent snowstorm. He has recently come over to my ward, where he is a resident. Although he has not been registered for the past forty-five years, he has now become a registered citizen since he has obtained a job with the city. I asked for an investigation, because I felt that his action in distributing snow buttons should be investigated, and I asked for an investigation by the "Fin. Com." But I want to say right now that I am not going to pay any more attention to the Finance Commission. I am not going to recognize that there is any such thing as a Finance Commission. I will ignore them for the next twenty months, and I shall always ignore them and refuse any recognition to them as an existent body, so far as I am concerned, in the future. As far as the last pamphlet we received from the "Fin. Com." is concerned, purporting to give the results of what they termed an investigation, I am convinced that all they knew of what took place was from what they read in the newspapers. Here is a twenty-five-page report which they sent out, and in the first ten pages they talk only of weather conditions in connection with the snowstorm, and from there on the language of the report shows that the whole thing was attended with the greatest confusion in their minds. They have a good deal to say about the planning that had been made for the winter, of the requirements of the contract, about the rules in connection with the plowing, the lack of equipment, all that sort of thing, and about the confusion attendant on the job, paying their respects to members of the City Council, the Legislature, and others influential in political organizations, who "greatly impeded the work of the regular city executives." Let me say, as a member of the Council, that I have not yet seen a snow button. As far as putting anybody to work is concerned there was an invitation from the Commissioner of Public Works to each councilor to furnish three inspectors. Two weeks ago I made a motion to have the secretary of the Finance Commission brought up here for questioning, and everybody knows what took place. He is the executive officer of the commission, and is presumed to know something about what it is doing or proposes to do. I believe he is the oldest member of the staff. But when he was questioned, he said he would have to take the matter up with the Finance Commission. I asked him how many checks were uncalled for in the treasurer's office, and he said he didn't know. I asked him how many men worked under different names, and he said he didn't know. I asked him about the amount of money left in the treasurer's office by men who had fictitious names and who did not call for their checks, and he didn't know. And yet they came out with a twenty-five-page report condemning members of the City Council, accusing them of impeding the work of snow removal, although apparently they themselves knew nothing at all about what had gone on. Mr. Cunniff is the executive officer of that commission, and still when I asked him three legitimate questions, he didn't know the answers to any of them. As a result, the councilor from Ward 15 introduced an order requesting the members of the Finance Commission to come before the members of the Council in executive meeting. That invitation was sent out Tuesday Morning, and on April 10 there was this letter from the Finance Commission sent to the Chairman of the Executive Committee, the letter which has been read here today, which is signed by Charles M. Storey, the Chairman of the Commission, saying that the commission can see no good reason for appearing before the City Council, and going on to say that "the administration of the work of snow removal is under the exclusive authority of the Mayor and of officials responsible to him." Of course, everybody understands that. But, after stating that he did not know, in answer to the questions put to him in committee, Mr. Cunniff took a run-out powder. The reason why the commission did not come down here is because they did not have the facts, and therefore did not have the guts to come down and face the questions we would have to ask them. If I am not mistaken, they simply got together at a small banquet, with plenty of booze, liquor, perhaps furnished by the contractors of the City of Boston.

Coun. WARD—Mr. President, so far as the Finance Commission is concerned, it is es-

tablished by statutory law. Under that law they are responsible to the Governor, and to the Governor alone. If I were a member of the Finance Commission, which I shall not be, I think I would use a little stronger language in telling the City Council that I would not come down here. You cannot require the Finance Commission to come before this Body and you can't blame them for not coming. I have been somewhat familiar with the operations of that commission for some years. I have been listening continually to political speeches in regard to the Finance Commission on every street corner and byway in Boston. Men have said over and over again that they want home rule for Boston and want to abolish the Finance Commission. Still, the Finance Commission is with us, in spite of the fact that during this time when so many complaints have been made about it, there have been three Democratic Governors who have gone to the State House and who have had an opportunity to save the taxpayers' money by abolishing this commission, as they could easily have done. We have now come back again to a Republican Governor, and the Finance Commission still remains with us, in spite of all the talk on the street corners and elsewhere. I have heard this complaint about the Finance Commission for many years. I know what their powers are, and whether a Governor is Republican or Democrat makes no difference, the Finance Commission goes on. They are responsible under the statute to the Governor, and the Governor alone, and we in this Council have no right to demand their presence here. They are entirely within their rights in refusing to accept such an invitation from this Body.

Coun. COFFEY—Mr. President, I again ask unanimous consent to make a statement to the Council. (No objection.) I agree with the councilor from Ward 21 or 22—

Coun. WARD—Ward 21.

Coun. COFFEY—that under the administration of former Governors there was that opportunity, but it was not taken advantage of. But I say now that for the rest of my political life I will fight them when they take such an attitude as they have taken with regard to this Body. I don't care who they are, or whether they are responsible to the Mayor or to the Governor. When they throw a black cloak of suspicion over me, and over the members of this Council, a commission from whom, as a body that is paid by the City of Boston, we have a right to expect some courtesy and consideration, I will keep after them for the next two years, until Storey answers or wishes that he did answer.

ANNUAL SALARIES FOR PERMANENT SUBSTITUTE TEACHERS.

Coun. M. H. SULLIVAN offered the following:

Whereas, The Boston School Committee is to consider today the advisability of placing permanent substitute teachers in the Boston elementary schools on an annual salary basis of \$1,200 per year; and

Whereas, The present \$5.00 per day wage gives to such teachers an annual amount that is hardly more than a relief wage; therefore, be it

Resolved, That the Boston City Council favors the adoption of an order by the School Committee providing for the payment of an annual salary of \$1,200 to said teachers who have been teaching in the Boston schools for five years or longer.

Coun. M. H. SULLIVAN—Mr. President, you may recall that I started this discussion in the Council about a month ago. I am anxious to bring to the attention of the public of Boston the fact that these permanent substitute teachers are underpaid and that they should be placed on an annual salary basis of \$1,200 a year, in place of the present \$5.00 a day wage given them. The situation is well set forth in an editorial in today's *Boston Post*, an editorial which I would like to have included in the minutes. These teachers, who are called substitute teachers, are really permanent substitute teachers, on the \$5.00 a day basis for each school session now receiving a total of no more than \$900 a year. There are about 150 of them with five years or more of service and they should receive an annual salary instead of the daily wage, a salary of \$1,200 instead of between \$800 and \$900 as at present. Also, on that present basis they do not receive the three months' vacation in the summertime. During all those days they receive no salary. These teachers are really on a probational basis, and have to live and dress accordingly, and many of them have fathers, mothers, brothers and sisters at home, to support. I know of several cases where, because of the small amount they receive, they are obliged to do overtime work. I do not go along with Joseph Lee on this matter. Looking at it

purely from a financial basis, there is not much money saved by the School Committee, and a gross injustice is being done to these teachers. The amount necessary to place them on a proper basis, as suggested in this order, would total but about three cents on the tax rate, and I believe the taxpayers of Boston, realizing the present injustice, would unanimously consent to having it remedied. The School Committee meets tonight, and I trust that a copy will be forwarded to the committee, if possible, in time for its meeting.

(The editorial in the *Boston Post* of April 22, 1940, referred to by Coun. M. H. Sullivan, is as follows:

"NOW IS THE TIME.

The School Committee will act on the petition of the Junior Elementary Teachers' Club for a \$1,200-a-year salary and pension privileges some time this week, possibly tonight.

It is to be hoped that the members of the Committee will see the plain justice of the case of these young women.

They now receive \$5.00 a day for each school session, and a total of no more than \$900 a year.

They are not substitute teachers. They all have regular classes. Their positions are just as permanent as the other teachers in the schools.

Yet, for doing exactly the same work, they receive \$600 (minimum) less than the technically permanent teachers in the same schools. This is plainly a great injustice.

No one will contend that there is any fairness in this great discrepancy in salaries.

One objection recently raised is that there are certain small groups in the various grades who receive but \$6.00 a day, and a very few who receive but \$5.00 a day.

Therefore, the claim is that the large group of Junior elementary teachers ought not to receive a justified increase in pay unless the others do.

But this is a specious argument. The junior elementary teachers certainly would gladly favor increases for all underpaid teachers.

Also the public would approve.

However, why should the large group of junior elementary teachers be compelled to wait indefinitely because the pay of small groups cannot be acted upon at the present time?

When injustices are flagrant a start should be made to end them. The only case before the Committee at present is the petition of the junior elementary teachers. Therefore, the granting of their petition is the proper way in which to begin remedying unjust situations.

The report of the Board of Superintendents, who opposed the petition, did not touch the chief point in the whole issue on which the case of these teachers rests—inadequate pay.

They did not touch on it because they could not defend it.

Instead, they raised certain technical objections, none of which touched the actual tenure of these teachers. Nothing the Board said could deprive them of their jobs.

That being so, what reason is there left for not paying them a decent salary?

We trust the School Committee will not allow this in justice to continue any longer."

The order was passed under suspension of the rule.

A TRIBUTE TO MAYOR TOBIN.

Coun. LANGAN—Mr. President, I ask unanimous consent to make a statement. (No objection.) Those in political life more or less expect criticism, and it is true that few people, no matter how deserving and worthy of praise their efforts may be, escape it in full measure—and, too often, carping and unjust criticism. On the other hand, too seldom do men in important administrative office, men who perform their duty as they see it ably, efficiently and faithfully, receive as an offset to the too frequently ready criticism, the praise and commendation that is their just due. That is one of the penalties that goes with public office. Because such officials receive the salaries that go with the office, many people seem to think, no matter how well the duties are performed, that they are at liberty to give full play to the most caustic and ill-deserved criticism. When, therefore, a leading political commentator on the radio and in the press, a man who does not live in our community and who is not animated by any local prejudices, goes out of his way to speak in terms of highest admiration and praise of our Chief Magistrate, Hon. Maurice J. Tobin, I think it is a matter of which we may well take public cognizance in this Body as men in a position to appreciate and recognize the justice of such a tribute. It is something which we may well bring to the attention of the people of Boston. Books Carter last week at an "off the record" luncheon, with local newspaper men and others present, met the Mayor and

heard him graphically present his problems as chief executive with the help of a blackboard. Mr. Carter set forth in an article in the *Boston Globe* (which I would like to have incorporated in our minutes) the remarkable impression which the experience made on his mind and his resulting admiration for our Mayor, a feeling all the more significant because of Mr. Carter's contacts with leading public men all over the United States. He states in the article, that "Maurice Tobin is 'doing a job' for Boston. It is a job that is a welcome sight for these sore eyes, for I have passed through hundreds of United States towns and view with increasing dismay the spirit of defeatism in city governments. In two years' administration, Mayor Tobin has clipped the city's funded debt, installed economics, boosted confidence in buyers of the city's bonds and debentures, extracted due city taxes from reluctant taxpayers—all without causing any public outcry or vested interest squeals." That is a portion of the article and I ask unanimous consent of the Body to incorporate the article in its entirety into the records of this Body. The article concludes: "But the chief point of all is that where there's a will there's a way—even in government. When the will is to be realistic, be decent and be businesslike—well, a few hundred other cities in the United States will do no harm to themselves if they send delegations to City Hall, Boston, Mass., to learn how it can be done and then return home and—do it."

The Chair—The article will be incorporated in our minutes.

(The article, which appeared in the *Boston Evening Globe* of April 15, is as follows:

BOAKE CARTER MEETS MAYOR TOBIN.

"Boston—Every now and then one runs into a politician who believes in application of business principles to the management of government.

When this conviction is buttressed by a set of fixed principles, plus youthful determination to 'do a job' come what may, a municipality is likely to discover that good government is possible.

Without any fanfare and without merchandising, Boston is getting good government after years of loose management. While New York's record under LaGuardia has been trumpeted far and wide, Boston's progress away from the national menace of deficit government, under the guidance of Mayor Maurice Tobin, goes on steadily and quietly. Perhaps this may be because of traditional New England reticence about trumpet blowing.

The Mayor of this town is young, as Mayors may go in age. He is thirty-eight. Tall, athletic in appearance and good looking. Maurice Tobin is 'doing a job' for Boston. It is a job that is a welcome sight for these sore eyes, for I have passed through hundreds of United States towns and view with increasing dismay the spirit of defeatism in city governments.

In two years' administration, Mayor Tobin has clipped the city's funded debt, installed economics, boosted confidence in buyers of the city's bonds and debentures, extracted due city taxes from reluctant taxpayers—all without causing any public outcry or vested interest squeals.

With local newspapermen gathered at an 'off the record' luncheon, I sat and listened to Boston's chief executive. The Mayor figures he's done a good job in two years.

But, like all persons charged with responsibility of effective operation of a vast enterprise, he had been rapped from time to time by local editorial writers. Why not more economy in this and that department, they demanded.

With complete grace and uncommon good sense, this Mr. Mayor deemed the smartest thing he could do would be to tell the city's editors first, write his story on blackboards, then take his 'hair' down and say, in effect, 'Look, boys, here's my problem. This is what I inherited. This is what I've done. Now shoot me your questions—and don't bother about me, but give the city a break.'

I think a good many of us learned more in two hours about the problems that face the Mayor of a large city than we knew all our lives! At any rate, even though I've read through a heap of budgets in past years, I confess I learned—plenty!

But what impressed the most was the method this municipal Mayor has utilized to achieve his gains. It is simple. He applied business principles to the problems of government!

Large accounting firms loaned him their best men. He established a board of business advisers. They surveyed, analyzed and reported on every phase of city government. They made recommendations. These recommendations were simply suggestions of a nature that any businessman would institute in his own private establishment.

Mayor Tobin executed the majority of those proposals. He did it gently, but with inexorable firmness.

The city's descent toward the bankruptcy court stopped. Townsmen began to believe their young Mayor actually meant what he said. They looked for the kink in his armor. They found none. The worst they have been able to say is that he is a 'young man out to make a name for himself.'

But, that is a boost, not a knock. For the name achieved would be a name associated with good, business-like government. That is something many people in America hope for. But they hope mostly in vain. They ask for common sense in government and they are given mostly handouts and deficits.

A possible inducement may be the fact that in Boston, a Mayor is now permitted by popular plebiscite amendment to the charter to succeed himself. With an inherently earnest and sincere man, this may be true. But sometimes the principle that a single term will lend courage to a public official to perform a forthright job for his fellow citizens does not always follow. Administrations of single terms often gives cities a government which is a local circus with a national tench.

But the factor which seems to distinguish the efforts of Tobin to give good government to his city is primarily a set of principles. Thirty-eight-year-old Mr. Tobin is still a man with a set of principles No watch will run unless it has a sound mainspring.

Rubbing elbows with the charlatans, demagogues, sophists and just plain thieves to be found plastered to the public pay rolls, seems not to have dimmed these principles. On the contrary, his experiences seem to have greatly strengthened them.

These, then, may be the real explanation of his obvious sincerity, earnestness and determination to 'do a job.'

To be sure it should be said that he might have not done as well as he has so far were it not for help received from many civic-minded business men, his own Councilmen and a basic civic pride of Bostonians.

But the chief point of all is that where there's a will, there's a way—even in government. When the will is to be realistic, be decent and be businesslike—well, a few hundred other cities in the United States will do no harm to themselves if they send delegations to City Hall, Boston, Mass., to learn how it can be done and then return home and—do it.")

PAYMENT OF TAXES BY NEW YORK, NEW HAVEN & HARTFORD RAILROAD.

Coun. M. H. SULLIVAN offered the following:

Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to confer with the Second District Court of New York and request that Court to bring contempt proceedings against the New York, New Haven & Hartford Railroad in the event that the Railroad Company fails to comply with the order of the Court to pay its 1939 taxes at once.

Passed under suspension of the rule.

INCREASE IN FEDERAL WORKS AGENCY BUDGET.

Coun. M. H. SULLIVAN offered the following:

Whereas, A further reduction of ten to twelve thousand workers from the W. P. A. personnel in Massachusetts is anticipated effective as of May 1, 1940; and

Whereas, This cut in personnel comes as the direct result of lack of funds for the maintenance of the program in this state; and

Whereas, The dismissal of these workers will definitely increase the welfare burden of every city and town in Massachusetts; therefore, be it

Resolved, That each member of the Massachusetts delegation in Congress be requested to vote for an increase in the Federal Works Agency budget for the ensuing year when such measure comes before Congress for approval.

Passed under suspension of the rule.

IMPROVEMENTS, M STREET, WARD 6.

Coun. SCANNELL offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface the roadway and install sidewalks on M street, from East Sixth street to First street, Ward 6, as a W. P. A. project.

Passed under suspension of the rule.

APPEARANCE OF GEORGE ROBERT WHITE FUND TRUSTEES.

Coun. CAREY offered the following:

Ordered, That the trustees of the George Robert White Fund be requested, through his Honor the Mayor, to inform the City Council if it will be possible for the members of the Council to be invited to appear before them at their next meeting, at which time probable plans for the construction of recreational centers may be discussed.

Passed under suspension of the rule.

THE NEXT MEETING.

Coun. COFFEY—Mr. President, I move that the Council do now adjourn.

Coun. WARD—Mr. President, on the motion to adjourn, a week from tomorrow is Election or Primary Day, and there are four or five members of the Council who are on the ballot for that day. The councilor from the Back Bay, for example (Coun. Chase) will probably be very active on that day, as well as four other members of the Council. I think, therefore, it might be well to adjourn for two weeks.

Coun. TAYLOR—Mr. President, I think a great injustice will be done, if we adjourn for two weeks, to the constables who would lose a week's pay by reason of our so doing. I should certainly hate to see anything like that. I think, therefore, that we should meet next Monday.

The Council voted that when it adjourned it should be to meet on Monday, April 29, at 2 p. m.

Adjourned, on motion of Coun. COFFEY, at 4.51 p. m., to meet on Monday, April 29, 1940, at 2 p. m.

STATE VALUATIONS IN 1937.

Total assessed value of real estate on January 1, 1937, in the thirty-nine cities and 316 towns of Massachusetts, \$5,742,161,541 (\$18,194,654 less than on January 1, 1936), of which 65.62 per cent applied to buildings and 34.38 per cent to land; of personalty, \$525,039,493; aggregate valuation, \$6,267,201,034 (2.74 per cent decrease from 1936), on which the total tax was \$222,184,422. To raise this amount of taxes on the property assessed at a uniform rate throughout the State would have required a tax rate of \$35.45+ on \$1,000 valuation. Boston's valuation, \$1,590,544,700, equal to 25.38 per cent of total valuation in the State.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING AUTOMOBILE TIRES AND TUBES.

The Supply Department of the City of Boston invites proposals for furnishing automobile tires and tubes for city departments, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR TIRES AND TUBES." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Monday, May 13, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(May 4.) Superintendent of Supplies.

SUPPLY DEPARTMENT.

The City of Boston invites proposals for furnishing fruits, vegetables, meats, butter, eggs and cheese.

Proposals for furnishing fruits and vegetables close at 11 a. m. daily at the Supply Department. Proposals for furnishing meats and butter, eggs and cheese close every Thursday at 2 p. m. Proposals for furnishing manufactured meat products close the last Thursday of each month at 2 p. m.

Proposals and specifications for the above may be obtained in Room 1001, City Hall Annex.

JOHN A. BREEN,
Superintendent of Supplies.

CITY OF BOSTON.

INSTITUTIONS DEPARTMENT.

PROPOSALS FOR ERECTION AND COMPLETION OF A MEN'S DORMITORY ON LONG ISLAND, BOSTON HARBOR.

The Commissioner of Institutions of the City of Boston invites sealed proposals for the erection and completion of a men's dormitory on Long Island, Boston Harbor. Forms of proposals may be obtained at the office of the Commissioner, Room 809, City Hall Annex. Each proposal must be signed by the bidder, placed in an envelope, properly sealed, and marked "Proposal for Erection and Completion of a Men's Dormitory on Long Island, Boston Harbor," and left at the office of the Commissioner, Room 809, City Hall Annex, before 12 noon, May 23, 1940, accompanied by cash or a certified check on, or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$10,000 to become and to be the property of the City of Boston as liquidated damages if, after an award is made to him, the bidder shall fail to enter into the contract therefor within ten days after notice of said award has been mailed to him. Bid bonds will not be accepted. Said proposals will then and there be publicly opened and read. Proposals must be made in duplicate, one with cash, certified check or certificate of deposit to be left as above, the other without cash, certified check or certificate of deposit to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained without cost upon application therefor at the office of the Commissioner, Room 809, City Hall Annex. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. Plans and specifications may be obtained at the office of the Commissioner of Institutions, Room 809, City Hall Annex, Boston, on or after May 6, 1940. All plans and specifications must be returned in good condition to said office at the time of filing bids. A deposit of fifty dollars (\$50) in cash will be required for each set of plans and specifications taken out for estimating, said deposit to be refunded on the return of the plans and specifications in good condition. A bond of a surety company, approved by the Commissioner, in the full amount of the contract, to secure the due performance of the contract and the full protection of the city, will be required. The Commissioner reserves the right to reject any or all bids if it be in the public interests so to do. The Commissioner also reserves the right to reject all sub-bids on any item or items, provided that it is agreed by and between the bidders and the Commissioner that none of such bids represents the bid of a person or firm competent to perform the work as specified, or that only one such bid was received and that the price is not reasonable for acceptance without competition.

HUGH J. CAMPBELL,
Commissioner of Institutions.
(May 4-11.)

W. P. A.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO BOILER MANUFACTURERS.

The Superintendent of Construction of the Department of School Buildings of the City of Boston invites sealed proposals for furnishing and delivering horizontal return tubular boilers at the Roger Clap School, Harvest street, near Dorchester avenue, Dorchester, and giving bond of a surety company, satisfactory to the Superintendent of Construction therefor, in the full amount of the contract price. Only proposals obtained at the office of the Superintendent of Construction, 26 Norman street, Boston, Mass., signed by the bidder and left before 2 o'clock p. m. of Wednesday, May 15, 1940, at said office, with a certified check for \$300, payable to the city if the proposal is not carried out, will then and there be publicly opened and read. The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for opening proposals. The Superintendent of Construction reserves the right to reject any or all proposals.

JAMES J. MAHAR,
Superintendent of Construction.
(May 4.)

CITY OF BOSTON.

POLICE DEPARTMENT.

OFFICE OF THE POLICE COMMISSIONER,
154 BERKELEY STREET, May 3, 1940.

In accordance with the provisions of section 1 of chapter 392 of the Acts of 1930 as amended, the Rules and Regulations heretofore established by the Police Commissioner for the City of Boston are hereby amended by striking out of Section 2A, which section was promulgated to take effect on February 1, 1940, that portion of said section which follows the word "white" as said word appears in sub-paragraph (5) of the first paragraph of said section, and by striking out the heading preceding said Section 2A and substituting therefor the heading "Form of Medallion." Said amendments to take effect May 6, 1940, at 4 a. m., so that said Section 2A and the heading preceding same shall read as follows:

Form of Medallion.

Section 2A. Every licensed hackney carriage operating as a taxicab shall bear a medallion number assigned by the Police Commissioner. The medallions bearing such numbers shall be furnished by the Police Commissioner and shall be made of different colors according to the following table:

- (1) All medallions bearing the numbers 1, 6, 11 and every other number ascertained by adding 5 or a multiple of 5 to the number 1 shall be colored RED.
- (2) All medallions bearing the numbers 2, 7, 12 and every other number ascertained by adding 5 or a multiple of 5 to the number 2 shall be colored YELLOW.
- (3) All medallions bearing the numbers 3, 8, 13 and every other number ascertained by adding 5 or a multiple of 5 to the number 3 shall be colored BLUE.
- (4) All medallions bearing the numbers 4, 9, 14 and every other number ascertained by adding 5 or a multiple of 5 to the number 4 shall be colored GREEN.
- (5) All medallions bearing the numbers 5, 10, 15 and every other number ascertained by adding 5 or a multiple of 5 to the number 5 shall be colored WHITE.

JOSEPH F. TIMILTY,
Police Commissioner for the City of Boston.
(May 4.)

CITY OF BOSTON.

HOSPITAL DEPARTMENT.

TO PURCHASERS OF OLD X-RAY FILMS.

The Trustees of the Boston City Hospital invite sealed proposals for the purchase of approximately 5,072 pounds of old X-ray films from the Boston City Hospital. Bids are invited only from those who are prepared to pay cash before removal of films from the Hospital. In their proposals bidders must quote price per pound. Proposals are to be addressed "The Boston City Hospital, Proposal for Purchase of Old X-Ray Films," and are to be left at the office of the Superintendent of the Boston City Hospital, 818 Harrison avenue, Boston, before 12 o'clock noon of Wednesday, May 15, 1940, at which time and place said proposals will be publicly opened and read. A deposit of \$50 cash must accompany each bid. The Trustees reserve the right to reject any and all proposals.

TRUSTEES OF THE BOSTON CITY HOSPITAL,
CARL DREYFUS, *President.*
(May 4.)

NOTICE TO CONTRACTORS.

HELP ABSORB THE UNEMPLOYED.

Workers for all branches of industry or business can be secured at the Municipal Employment Bureau, 25 Church street, Boston. Tel. LiBerty 8607-08-09. STEPHEN J. HUGHES, *Director.*

CITY OF BOSTON.

HEALTH DEPARTMENT.

PROPOSALS FOR FURNISHING LAUNDRY AND SERVICE.

The Health Department of the City of Boston invites proposals for furnishing laundry and service, as per specifications contained in proposals which may be obtained at the office of the Health Department, Room 1109, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR LAUNDRY AND SERVICE." The bids will be publicly opened and read Wednesday, May 15, 1940, at 12 m., at Room 1109, City Hall Annex. The successful bidder must furnish a bond for one thousand dollars (\$1,000) with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Commissioner reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

H. F. R. WATTS, M. D.,
Health Commissioner.
(May 4.)

POLICE DEPARTMENT.

OFFICE OF THE POLICE COMMISSIONER,
154 BERKELEY STREET, May 3, 1940.

In accordance with the provisions of section 1 of chapter 392 of the Acts of 1930 as amended, the Rules and Regulations heretofore established by the Police Commissioner for the City of Boston are hereby amended by adding at the end of Section 7 the following new paragraph, said amendment to take effect May 6, 1940, at 4 a. m.:

All hackney carriages shall be thoroughly cleaned, inspected and repaired by the owner at least once each week. On the first of each month, the owner of each hackney carriage shall file with the Inspector of Carriages a report, on a form supplied by said Inspector of Carriages, certifying under the penalties of perjury the fact that said hackney carriage was thoroughly cleaned, inspected and repaired at least once in every week of the preceding month and setting forth the results of said inspections and the repairs made.

JOSEPH F. TIMILTY,
Police Commissioner for the City of Boston.
(May 4.)

POLICE DEPARTMENT.

PROPOSALS FOR SIGNAL CABLE.

The Police Department of the City of Boston invites proposals for furnishing and delivering signal cable. The bidder must use the form of proposal to be obtained at the office of the Property Clerk, Room 105, 154 Berkeley street, Boston, and deposit with his bid, at the office of the Police Commissioner, a properly certified check for \$200, payable to and to become the property of the Police Commissioner for the City of Boston if the proposal is not carried out. Proposals will be publicly opened and read on Friday, May 10, 1940, at 12 o'clock noon, at the office of the Police Commissioner, 154 Berkeley street, Boston, Mass. The Police Commissioner reserves the right to accept or reject any or all proposals, or any part of a proposal, and to award the contract as he deems for the best interests of the Police Department of the City of Boston. Surety bond will be required of the successful bidder in an amount equivalent to 50 per cent of the estimated contract amount.

JOSEPH F. TIMILTY,
Police Commissioner.
(May 4.)

METROPOLITAN WATER WORKS. STATISTICS FOR YEAR 1936.

The Metropolitan Water Works, controlled and operated by the State and costing, since inception in 1895, about \$45,100,000 for construction and about \$1,100,000 for maintenance, supply ten cities and ten towns of the Metropolitan District (including Boston), covering an area of 174 square miles, the distribution pipe lines being 175 miles in length. Total gallons of water in the nine storage reservoirs on January 1, 1937, 57,681,274,000, or 8,141,174,000 more than on January 1, 1936; total capacity of same 82,544,600,000 gallons. Of all used, about 80 per cent comes from Wachusett reservoir in Clinton. There are also twelve distribution reservoirs with capacity of 2,400,680,000 gallons and five distribution pumping-stations in which 23,392,071,229 gallons of water were pumped during the year 1936, an increase of 249,491,815 gallons over 1935.

Daily average amount of water used in Boston during 1936, 90,112,100 gallons, or about 109 per capita. Net water debt on December 31, 1936, \$943,000, which includes \$705,000 on W. P. A. Projects. The Hyde Park Water debt was decreased by \$16,000 during the year.

RECEIPTS OF FRESH FISH IN BOSTON. STATISTICS FOR YEAR 1937.

Total pounds landed in year, 324,593,127, or 14,568,267 pounds less than in 1936 (the 1936 total has been revised, it having been 61,275 pounds too many), value of same, \$8,467,716 (wholesale), or \$1,115,456 less than in year before. Largest in amount, 129,921,435 pounds haddock (5,842,874 pounds less than in 1936); next in amount, 85,877,488 pounds cod (16,022,146 more than in 1936); third, 7,485,218 pounds of mackerel (13,527,488 less than in previous year).

Of the more expensive kinds, there were 1,937,638 pounds halibut (122,245 less than in 1936) and 1,090,618 pounds swordfish (104,902 less than in year before). Pollock, hake and cusk totaled 32,138,522 pounds (3,385,575 more than in 1936). Other fish, usually included in miscellaneous, were rosefish, 41,175,252 pounds (8,243,762 less than in 1936); flounders, 16,679,582 pounds (2,799,018 more than in 1936) and whiting, 6,213,064 pounds (8,689,289 less than in year before).

In addition to the fresh fish, 6,400 pounds of salted cod, valued at \$269, were received.

POLICE MOTOR BUSINESS IN JERSEY CITY.

The motor police of Jersey City, N. J., are concentrated in the Traffic Bureau and the Motor Patrol Bureau. The rolling equipment consists of thirty-three motorcycles, thirty-five automobiles, three emergency trucks, seven patrol wagons, an armored payroll car, two wreckers, and a touring car for distinguished visitors.

The Traffic Bureau has charge of the motorcycles, all Harley-Davidsons of 1928-33, which are attached to the eight precincts. Eighteen of these are on duty sixteen hours per day, 8 a. m. to midnight; two are on duty from midnight to 8 a. m. They patrol the heavy-duty highways and the Pulaski Skyway from the Holland vehicular tunnel under the North river.—*American City Magazine*.

The American City.

MAYORS' COMMITTEE ON FEDERAL LEGISLATION.

As President of the United States Conference of Mayors, Mayor F. H. LaGuardia of New York has appointed the Mayors of fourteen cities as an advisory board on Federal legislation affecting municipalities. The list comprises:

Watkins Overton, Memphis, Tenn., Chairman; Harold H. Burton, Cleveland, Ohio; Joseph K. Carson, Jr., Portland, Ore.; R. E. L. Clancy, Tampa, Fla.; Frank Couzens, Detroit, Mich.; Harry D. Durst, Springfield, Mo.; Meyer C. Ellenstein, Newark, N. J.; Thomas Gamble, Savannah, Ga.; Oscar F. Holcombe, Houston, Texas; Hilary E. Howe, Nashville, Tenn.; James R. Law, Madison, Wis.; J. Fred Manning, Lynn, Mass.; Roy N. Towl, Omaha, Neb.; George J. Zimmermann, Buffalo, N. Y.—*American City Magazine*.

INDUSTRIAL STRIFE; PEACE BOARDS.

Two large cities, Philadelphia and Toledo, have "peace boards" operating for conciliation between capital and labor in the local field, the magazine "Public Management," official organ of the International City Managers' Association, points out. Mayor Fiorello H. LaGuardia has just appointed such a board for New York City and Newark's Commission has just created by ordinance a Municipal Labor Relations Board.

Toledo's Peace Board has eighteen members; five named by the Central Labor Union, five by the Chamber of Commerce and eight selected at large. Representatives at large include two judges, two attorneys, a Catholic monsignor, a Jewish Rabbi, a merchant and the county relief director, all serving without pay.

FINANCING SEWAGE WORKS BY SPECIAL ASSESSMENT IN IOWA.

The cost of constructing sewage disposal plants in a number of states, and in Iowa in particular, may be levied against the various lots, parts of lot or parcels of ground draining to, or susceptible to drainage to, the site of the disposal plant. Such assessments must be in proportion to the benefits to each property and must not, in any case, exceed one-fourth of the fair value of the property in question. These special assessments are payable in the same manner as other municipal improvement costs; that is, in ten annual equal installments, paid at the same time and place as the March 1 installment of ordinary taxes in Iowa. Any property owner may pay off the unpaid portion of such tax at any time. Interest on the deferred payment must not exceed 6 per cent.

POPULATION OF UNITED STATES, NEW ENGLAND AND MASSACHUSETTS.

Continental United States (i. e., 48 states and the District of Columbia) in 1930, 122,775,046; outlying possessions, 14,233,389; total, 137,008,435; New England, 8,166,341; Massachusetts, 4,249,614 or 52.04 per cent of New England and ranking eighth in the Union. In density of population Massachusetts ranks second, i. e., 528 per square mile of land, Rhode Island ranking first, with 644 per square mile of land.

Population of the other New England States in 1930, ranking from the highest total: Connecticut, 1,606,903; Maine, 797,423; Rhode Island, 687,497; New Hampshire, 465,293; Vermont, 359,611. Density for New England, 132 per sq. m.; for U. S. (48 states and the District of Columbia) 41 per sq. m.

The population of the United States increased 16.1 per cent since 1920; that of New England 10.3 per cent and that of Massachusetts 10.3 per cent.

No. 19

MAYOR TOBIN JOINS WITH BUSINESS MEN AND OTHER BOSTON CITIZENS IN TRIBUTE TO RED SOX BASEBALL TEAM — PRAISES SPIRIT OF ORGANIZATION THAT HAS MADE NEW ENGLAND SO BASEBALL-MINDED IN THESE EARLY DAYS OF 1940 PENNANT RACE BY BRAND OF GAME BEING PLAYED — SPECIAL PRAISE GIVEN TO MANAGER JOE CRONIN FOR INFUSING SO MUCH OF OWN CONFIDENCE INTO TEAM AS TO MAKE IT STRONG CONTENDER FOR LEAGUE LEADERSHIP AND PENNANT.

At the dinner in honor of the Boston American League Baseball Club at the Chamber of Commerce on Tuesday, May 7, Mayor Tobin delivered the following address:

Mr. Toastmaster, Governor Saltonstall, Distinguished Guests, the Red Sox of Baseball and the Blue Stockings of Business.

There was once a great statesman famous for his eloquence, and famous also for his wisdom — “He knew the precise psychological moment when to say nothing.”

President Haussermann, as I have often observed, has that quality. He knows when to be silent. But he has won my profound admiration tonight for still another quality of his wisdom. He certainly knows the psychological moment when to give a dinner for Boston's Red Sox!

Mr. Toastmaster, if all of your hard-working business men in the Chamber of Commerce could pick a winning trend in the stock market the way you have chosen the time for this celebration, what a cinch you would have! You could retire from all daily cares and spend every afternoon at the Ball Park.

That's where every man in this room no doubt wished to be, six hours ago, when the Indians went to the plate, to see if they could tomahawk the Red Sox out of first place in one of the hardest pennant battles the American League has ever known, as I am now sure this 1940 season will turn out to be.

Spring in Blood.

This year I began to feel spring in my veins on the very day, last March, when spring begins according to the calendar makers. But that eager feeling did not come to me from reading the almanac. I “got that way” when I opened the “Saturday Evening Post” seven weeks ago tonight, and saw that article by Joe Cronin entitled “We'll Beat the Yanks.”

There was something in the boldness, the courage and firmness of that headline which caught my attention and roused my fighting blood.

And then, when I read on into the text and saw how calm and reasonable Joe Cronin was in his argument, how free from mere boasting and swagger he was, I went overboard completely. I said to myself, “I'm betting he's right. *We'll Beat the Yanks!*”

That article was published just after the ides of March, and a lot has happened since. The force of Joe Cronin's prediction put heart and faith into the Red Sox fans here in Boston, and it accomplished something else, which is perhaps still more important. The managers of all the American League teams saw Cronin's words, and took them as a challenge.

What Tom Yawkey and Joe Cronin felt that they could do with the Boston Club, the other managers began to feel that they also could do — or, at least, might do! They began to realize that it isn't necessary for the Yankees, having won four times, to win forever!

All the American League teams have felt the influence of the new confidence, and fighting spirit, that now fill the hearts of the Red Sox.

Cronin Prophecy.

It was in March that Joe made his prophecy, but to McCarthy and the Yanks the right words at this moment seem to be: “Beware the Ides of *May*.”

During three of the past four seasons, the team from New York has climbed to the top of the ladder by the middle of May, and has sat comfortably on the topmost rung, almost without competition, to the very end of the season.

In 1936 the Yanks went to top place on May 10, and stayed there ever after. In 1937 they reached the top by May 23 and were never headed until the very end. In 1939, again it was the tenth day of May that saw the Yanks sitting pretty, leading the League from that time forth until some kind friends came along and handed them the pennant.

(Continued on page 535.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"
From Boston Centennial Poem by
NATHAN HASKEL DOLE.

CITY RECORD.

Published weekly in Boston by the Board of Trustees of the Statistics Department of the City of Boston, under the direction of the Mayor, in accordance with legislative act and city ordinance.

LEO D. WALSH, *Editor*, Room 40, City Hall.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, May 20, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables slaughter-houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made

to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, 73 City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending May 4, 1940.

Population as of July, 1940, Massachusetts State Census, 817,713; population estimated, July, 1940, United States Census Bureau, 815,128; number of deaths (stillbirths excluded): Residents, 164; nonresidents, 54; total, 218.

Death rate per 1,000 of population: All deaths, 13.9; nonresidents deducted, 10.5.

Death rate per 1,000 of population:

Last week, 15.69; corresponding week last year, 14.48.

Deaths by age periods, sex, etc.: Under one year, 19; one year to four years, inclusive, 1, sixty years and over, 133. Total deaths: Male, 112; female, 106; deaths in hospitals and institutions, 136; deaths of colored, 7.

ADDRESS OF MAYOR TOBIN.

(Continued from page 533.)

Two years ago, in 1938, it was a somewhat different story. The Indians went out on the warpath, and they held the League for two months and a half. It was not until July 12 that the Yanks caught up. They took first place on that day in mid-July and, as usual, they held it.

How splendidly different the picture is now in the early days of May! If the Red Sox could have opened as well last year as they have in this brilliant season, most certainly they would have achieved a permanent victory, or something very close to it, in 1939.

Do I need to remind you of the remarkable work done by the Red Sox last July, when they beat the Yankees five straight times in three days? As Joe Cronin has said, they "had everything in that series—tight pitching, timely hitting and air-tight defense."

But in the season of 1939 those victories came a little too late. There was no unseating the Yanks from their comfortable spot at the top of the flagpole, which they occupied in 1939 as early as May 10.

Tonight, on the seventh day of May, 1940, that situation is exactly reversed. The Boston Club has taken the lead. It has shown the kind of mettle that the Red Sox proved they had in 1918 when they won the World Series.

For my own part, I have great confidence that as the team has begun, so it will forge ahead to the end. They have the right fighting leaders in Tom Yawkey, Eddie Collins, and Joe Cronin. They have the right men in the field, and in the pitching box, and no one need have any doubt, as yet, of their prowess at batsmen.

As Mayor of the City, I am more than delighted by the prospect and I fully expect its entire fulfillment. The members of the Chamber of Commerce are to be congratulated upon their enterprise and enthusiasm in giving this dinner to their friends in baseball tonight, for the Chamber has helped to encourage a result, which may carry Boston onward to a niche of fame which it has too long left to rival cities.

Whatever the remaining months may bring forth, let us stand by Boston's baseball teams and stand by them as true sportsmen.

Above all, let us keep that spirit of Joe Cronin's, which so aroused us all when he uttered his courageous prediction last March, regardless of the opinions of every other person on earth.

You recall the poet's way of paying tribute to such a resolute spirit:

In battle or in business, whatever the game,
In law or in love, it is ever the same;
In the struggle for power, or the scramble for pelf,

Let this be your motto,—Rely on yourself!

For, whether the prize be a ribbon or throne,

The victor is he who can go it alone!

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, May 9:

COLLECTING DEPARTMENT.

Approval has been given for the continued temporary employment of the following-named bookkeepers at \$4 per day until the dates shown:

Joseph Levy, from April 14 to May 27; Reuben Godes, John E. Walsh, Thomas E. Walsh, Walter V. Driscoll, Israel B. Nirenberg, Timothy E. Coffey, Abraham A. Wecker, William J. Hennessey, from April 14 to May 28; Leo Sadow, from April 14 to June 4; George E. Hession, from April 14 to June 5; Walter McKinnon, from April 14 to April 22.

PUBLIC WORKS DEPARTMENT.

Approval has been given for the additional emergency employment of the following as clerk-typists at \$3.50 a day, in making out checks for the payment of emergency employees engaged on snow removal: Tony Meiziz, 59 Florida street, Dorchester, for five days; Rita Coikly, 226 Saratoga street, East Boston, for twelve days.

The Mayor has approved the following appointments:

ASSESSING DEPARTMENT.

John Pugliesi, 66 Bromley street, Roxbury, Simplex accounting machine operator, \$4 a day.

Anne Hogan, 528 East Ninth street, South Boston, Simplex accounting machine operator, \$4 a day.

Sybella Brewster, 133 Peterborough street, Boston, Simplex accounting machine operator, \$4 a day.

Mary Hart, 52 Copeland street, Boston, Simplex accounting machine operator, \$4 a day.

Mary Quinn, 18 Stadium place, Allston, Simplex accounting machine operator, \$4 a day.

Katherine Cullen, 139 Perham street, West Roxbury, Simplex accounting machine operator, \$4 a day.

Albert Mazzarella, 101 Leyden street, East Boston, Simplex accounting machine operator, \$4 a day.

Leo D'Angelo, Old Harbor Village, Dorchester, Simplex accounting machine operator, \$4 a day.

Anthony D'Angelo, 13 Grant street, Dorchester, Simplex accounting machine operator, \$4 a day.

Betty Magilavy, 56 Goodale road, Dorchester, Simplex accounting machine operator, \$4 a day.

William Bogner, 378 Blue Hill avenue, Roxbury, Simplex accounting machine operator, \$4 a day.

COLLECTING DEPARTMENT.

Walter E. McKinnon, 46 Francis street, Roxbury, temporary bookkeeper, \$4 a day.

Reuben Godes, 655 Morton street, Mattapan, temporary bookkeeper, \$4 a day.

George R. Hession, 78 Edgewood street, Boston, temporary bookkeeper, \$4 a day.

Leo Sadow, 31 Holborn street, Roxbury, temporary bookkeeper, \$4 a day.

Walter V. Driscoll, 132 King street, Dorchester, temporary bookkeeper, \$4 a day.

Abraham A. Wecker, 207 Magnolia street, Dorchester, temporary bookkeeper, \$4 a day.

William J. Hennessey, 58 Solely street, Charlestown, temporary bookkeeper, \$4 a day.

John E. Walsh, 86 Regent street, Roxbury, temporary bookkeeper, \$4 a day.

Thomas E. Walsh, 57 Walden street, Jamaica Plain, temporary bookkeeper, \$4 a day.

Timothy F. Coffey, 72 Hancock street, Dorchester, temporary bookkeeper, \$4 a day.

Joseph Levy, 77 Fayston street, Roxbury, temporary bookkeeper, \$4 a day.

Israel B. Nirenberg, 74 Ashton street, Dorchester, temporary bookkeeper, \$4 a day.

HOSPITAL DEPARTMENT.

Mary F. Murphy, 20 Faulkner street, Dorchester, laundress, \$17 a week.

Mary A. Murray, 39 Folsom street, Dorchester, laundress, \$17 a week.

Magaret M. Driscoll, 3 Presby place, Roxbury, laundress, \$17 a week.

Mabel H. Doherty, 200 Warren avenue, Boston, laundress, \$17 a week.

Dorothy E. Travers, 87 Elmwood street, Roxbury, laundress, \$17 a week.

Margaret F. Sutherland, 342 Cummins Highway, Roslindale, laundress, \$17 a week.

Loretta Mary DuBois, 11 Ridge road, Belmont, floor duty nurse, \$1,200 a year.

Rosemary L. Griffin, 27 Fawndale road, Roslindale, part time stenographer (permanent), \$12 a week.

Eva L. Durgin, 50 Chester street, Allston, floor duty nurse, \$1,200 a year.

John J. Lynch, 1620 Dorchester avenue, Dorchester, center orderly, \$11.50 a week.

John J. Sullivan, 61 Neponset avenue, Dorchester, Sunday and holiday laundryman, \$17.50 a week.

Hugh E. Tate, 94 Harrison avenue, Boston, Sunday and holiday laundryman, \$17.50 a week.

John Bisazza, 10 Pompeii street, Roxbury, Sunday and holiday laundryman, \$17.50 a week.

HOSPITAL DEPARTMENT (Sanatorium Division).

Eleanor C. McManaman, 85 C street, South Boston, permanent wardmaid, \$10.50 a week and maintenance.

Cathleen McGrath, 15 Fountain street, Roxbury, temporary nurse, \$1,020 a year.

John Daly, 5 Duxbury road, Mattapan, temporary supervisor, \$4 a shift.

John Daly, 5 Duxbury road, Mattapan, temporary relief supervisor (desk), \$4 a shift.

Olive T. Keyes, 12 Sterling square, Boston, permanent intermittent relief telephone operator, \$3 a shift.

INSTITUTIONS DEPARTMENT.

Dr. James V. Sacchetti, 457 Gallivan Boulevard, Dorchester, Medical Director, \$1,500 a year and maintenance at Long Island.

Helen S. McCann, 107 Centre street, Roxbury, assistant storekeeper (Clothing Room), \$1,000 a year.

Dr. H. William Fink, Wilmington General Hospital, Wilmington, Delaware, assistant resident physician, \$1,200 a year and maintenance at Long Island.

Dr. Leo Klabinsky, Louisville City Hospital, Louisville, Ky., assistant resident physician, \$1,200 a year and maintenance at Long Island.

P.

POLICE DEPARTMENT ORDERS.

General Order No. 474.

The police officers hereinafter listed having arrived at the age of sixty-five years and more, and having performed faithful service in the Police Department for the number of years respectively stated, it is hereby

Ordered, His Honor the Mayor having approved the same, that they be retired from active service and their names placed upon the department pension roll with pay at the rate in each case respectively set out; said sum being one half of the amount of compensation received by each in the office from which he is retired; effective at 7.45 o'clock a. m., Monday, May 13, 1940.

SERGEANTS.

(Amount of pension, \$1,250 each per annum; payable monthly.)

James W. Lewis, Division 1, age, 65 10-12 years, length of service, 32 10-12 years.

Stephen K. Higgins, Division 2, age, 66 years, length of service, 36 11-12 years.

PATROLMEN.

(Amount of pension, \$1,050 each per annum; payable monthly.)

Francis S. Duffin, Division 3, age, 68 2-12 years, length of service, 37 1-12 years.

James J. Hughes, Division 4, age, 68 4-12 years, length of service, 38 6-12 years.

John F. McGillicuddy, Division 2, age, 67 8-12 years, length of service, 38 6-12 years.

James F. Murphy, Division 2, age, 66 1-12 years, length of service, 39 years.

Frederick M. Rooney, Division 10, age, 68 2-12 years, length of service, 41 6-12 years.

Wayland F. Tripp, Division 13, age, 65 8-12 years, length of service, 35 6-12 years.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be thirty (30) days, vehicles are excluded from the following streets, effective May 7, 1940:

B Street, South Boston.

From West Broadway to West First street.

Sackville Street, Charlestown.

From Bunker Hill street to Medford street.

Wainwright Street, Dorchester.

From Centre street to Welles avenue.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective May 10, 1940:

Alarie Street, West Roxbury.

From Centre street to Spring street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of bridge repairs, estimated to be thirty (30) days, the following street is one way in the direction indicated, effective May 8, 1940:

Broadway, Boston and South Boston.

From Dorchester avenue to Albany street.

BOSTON HOUSING AUTHORITY DENIES APPROVING TRANSFER OF CLUB LIQUOR LICENSE.

All the members of the Boston Housing Authority, Chairman John A. Breen, Vice Chairman Rev. Thomas R. Reynolds, Bradbury F. Cushing, Harold Field Kellogg and John Carroll, at a meeting on May 8, categorically denied that any one of them had ever been on the premises of the Czechoslovak Club, South Boston. The members also denied that any action had ever been taken by the Authority with respect to an application of transfer of a club liquor license. The members of the Authority also stated that the Authority had never received notice of an application for a transfer of the license or of any hearing before the Licensing Board of the City of Boston with respect to such transfer.

NO DAMAGES SUSTAINED.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That this Board determines that no person sustains damages in his estate by the taking of an easement for sewerage purposes in private land off Belnel road, Hyde Park district, under the order of the Board of April 11, 1940, and awards no damages therefor.

REPORT OF EDWARD J. ROWSE, COMMERCIAL CO-ORDINATOR, ON ATTENDANCE AT THE ANNUAL MEETING OF THE EASTERN COMMERCIAL TEACHERS ASSOCIATION, AT ATLANTIC CITY, MARCH 20 TO 23, 1940, INCLUSIVE.

The School Committee has approved the following report on attendance at convention, Atlantic City, March 20 to 23, 1940, by Edward J. Rowse, Commercial Co-ordinator:

I attended the convention of the Eastern Commercial Teachers Association held in Atlantic City, from March 20 to 23.

I arrived at Atlantic City late in the afternoon of March 20 and first interviewed three of the members of the Executive Board in the effort to induce the 1941 convention to come to Boston. Late on Wednesday evening, a representative of the Hotel Statler, a representative of the Chamber of Commerce, Mr. Hoffacker and myself appeared before the Executive Board and formally presented the invitation to come to Boston. We were informed on the following morning that they had decided on Boston for the 1941 convention.

On Thursday morning I listened to a very stirring address by Prof. T. V. Smith of the University of Chicago and the Congressman-at-large from Illinois. He glorified the typewriter as a vehicle of self-expression and discussed elements of personality and the important part which they play in government.

On Thursday afternoon there was a panel discussion in which I took part. A Commission on Business Education was appointed last November, consisting of Directors of Commercial Education of New York State, New Jersey, Philadelphia, Newark and Baltimore, a professor from Harvard, one from New York University, one from Teachers' College, Columbia, a representative of the Office of Education in Washington and myself. In two meetings in New York, this commission had formed some basic guiding principles, which are on file in the superintendent's office. I had submitted the section concerning Distributive Education and had to defend some of these principles in the panel. There were also other principles in the list to which I publicly took exception.

On Thursday evening I listened to a very fine address by Dr. Amos O. Squire, Medical Examiner of Westchester County, in which he discussed "Crime and Its Prevention." He emphasized the fact that such a large percentage of criminals are recent members of our public schools and the need of sympathetic and intelligent guidance by teachers.

Friday was given over to sectional meetings, at which time Miss Grace Brennan, Co-ordinator in the New York City Public Schools, gave a very interesting talk concerning their cooperative work in the high schools of New York; also Mr. Ernest B. Lawton, Personal Manager of R. H. Macey & Co., presented the subject of Cooperative Plans from the Standpoint of the Employer.

As chairman of the Nominating Committee I presented to the convention on Saturday morning the list of nominees. They were unanimously elected. John Kirk, Director of Commercial Education of Philadelphia, was named president for the coming year.

E. J. ROWSE.

POLICE DEPARTMENT ORDERS.

General Order No. 472.

For the information of the department, the Hackney Carriage Rules and Regulations have been amended, as follows:

In accordance with the provisions of section 1 of chapter 392 of the Acts of 1930 as amended, the Rules and Regulations heretofore established by the Police Commissioner for the City of Boston, and as contained in General Order No. 426, dated January 5, 1940, are hereby amended by striking out of Section 2A, which section was promulgated to take effect on February 1, 1940, that portion of said section which follows the word "white" as said word appears in sub-paragraph (5) of the first paragraph of said section, and by striking out the heading preceding said Section 2A and substituting therefor the heading "Form of Medallion." Said amendments to take effect May 6, 1940, at 4 a. m., so that said Section 2A and the heading preceding same shall read as follows:

Form of Medallion.

Section 2A. Every licensed hackney carriage operating as a taxicab shall bear a medallion number assigned by the Police Commissioner. The medallions bearing such numbers shall be furnished by the Police Commissioner and shall be made of different colors according to the following table:

(1) All medallions bearing the numbers 1, 6, 11 and every other number

ascertained by adding 5 or a multiple of 5 to the number 1 shall be colored *Red*.

(2) All medallions bearing the numbers 2, 7, 12 and every other number ascertained by adding 5 or a multiple of 5 to the number 2 shall be colored *Yellow*.

(3) All medallions bearing the numbers 3, 8, 13 and every other number ascertained by adding 5 or a multiple of 5 to the number 3 shall be colored *Blue*.

(4) All medallions bearing the numbers 4, 9, 14 and every other number ascertained by adding 5 or a multiple of 5 to the number 4 shall be colored *Green*.

(5) All medallions bearing the numbers 5, 10, 15 and every other number ascertained by adding 5 or a multiple of 5 to the number 5 shall be colored *White*.

In accordance with the provisions of section 1 of chapter 392 of the Acts of 1930, as amended, the Rules and Regulations heretofore established by the Police Commissioner for the City of Boston are hereby amended by adding at the end of Section 7 the following new paragraph, said amendment to take effect May 6, 1940, at 4 a. m.:

All hackney carriages shall be thoroughly cleaned, inspected and repaired by the owner at least once each week. On the first of each month, the owner of each hackney carriage shall file with the Inspector of Carriages a report, on a

form supplied by said Inspector of Carriages, certifying under the penalties of perjury the fact that said hackney carriage was thoroughly cleaned, inspected and repaired at least once in every week of the preceding month and setting forth the results of said inspections and the repairs made.

The Acting Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 473.

Lieut. James V. Crowley, Patrolmen Thomas J. Conaty, William A. Philbrick, William J. McCarthy and John F. Manning, all attached to the Bureau of Criminal Investigation, are commended for meritorious police duty performed on April 7, 1940, in connection with the apprehension of four men who were wanted for an armed holdup and robbery of a pay roll committed in Cambridge, Mass., on April 6, 1940.

The commissioner is pleased to recognize and commend these officers for their keen observation and initiative shown in accomplishing the arrest of these dangerous felons.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, vehicles are excluded from the following streets, effective May 3, 1940:

Lawrence Street, Charlestown.

From Austin street to Benedict street.

Roseclair Street, Dorchester.

From Dorchester avenue to Boston street.

P. W. A. OPEN HOUSE FOR VISITORS PLANNED.

Upon May 3 Mayor Tobin issued the following statement:

During the week of May 20th to the 25th the Works Project Administration will present for public inspection throughout the country a program showing the accomplishments of its professional and service groups.

For the past two years it has been necessary for me to submit these projects for approval and I am, therefore, very familiar with their value to the citizens of Boston.

As Mayor of the City of Boston, I extend a most cordial invitation to all our citizens to visit any of these projects during working hours of that week, in order that they may see at first hand the splendid results obtained by the white collar and service workers on the Federal Relief Program.

A statement will be issued prior to May 20th setting forth the locations of public exhibits.

MAURICE J. TOBIN,
Mayor of Boston.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A sanitary sewer of 30-inch by 42-inch and 36-inch by 48-inch concrete (W. P. A. Project 665-14-2-1167, Work Project 20303) in Tremont street, between Lenox street and 40 feet northeast of Camden street, in the City Proper district, at an estimated cost of \$18,019.

BUILDINGS RAZED.

The Mayor has approved the request of the Building Commissioner to raze the following structures as fire menaces or nuisances:

The building at 25-29 Wapping street, Ward 2, owned by the City of Boston.

The building at 9 James street, Ward 8, owned by Lena B. Wade.

The building at 8 James street, Ward 8, owned by the City of Boston.

On Saturday, April 6, 1940, portions of the rear brick walls of the building at 20 and 22 Newcomb street, Ward 8, fell into yard, leaving the remainder of the structure in danger of collapse, and causing an emergency requiring immediate attention. Without delay, John Cavanagh & Son, 473 Dorchester avenue, were ordered to shore the floors and remaining portions of the walls, and also the party walls of the two adjoining buildings, 18 and 24 Newcomb street, in order to safeguard the lives of the public.

CIVIL SERVICE EXAMINATIONS.
(STATE.)

STATE EXAMINERS OF ELECTRICIANS, 1940.

Examinations will be held at the following points and on the following dates:

Boston, Wednesday, June 5.
 Boston, Wednesday, September 11.
 Worcester, Thursday, September 12.
 Springfield, Wednesday, October 16.
 Pittsfield, Thursday, October 17.
 Boston, Wednesday, November 13.
 Lowell, Thursday, November 14.
 Boston, Wednesday, December 4.
 New Bedford, Thursday, December 5.
 New Bedford, Friday, December 6.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes. Examination shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
 WALTER F. DOWNEY,
 ULYSSES J. LUPIN,
 ALBERT FRANK,
 WALTER J. KENEFICK,

State Examiners of Electricians.

For application blanks or other information apply to State Examiners of Electricians, Room 303, 14 Beacon street, Boston, Mass.

FOR AIDING BOYS.

In an effort to lend a helping hand to misfit and underprivileged boys and to stem the alarming flow of young men into penal institutions and lives of crime, Big Brother Bureaus are being organized by the police departments of various cities. The International Association of Chiefs of Police urges all police jurisdictions to join the Big Brother League.

OFFICERS OF PUBLIC WELFARE.

At the annual meeting of the Board of Overseers of the Public Welfare in the City of Boston held at 43 Hawkins street on Monday, May 6, 1940, the following officers were chosen to serve for the ensuing year:

John J. Walsh, 15 Pond View avenue, Jamaica Plain, Attorney-at-Law in the City of Boston and President of the Metropolitan Central Council of the St. Vincent de Paul Society, was re-elected as Chairman. Mr. Walsh had served during the last year as Chairman since the death of Mr. Clifford P. Warren. Mr. Walsh has been very active in both public and private charity work for several years.

Mrs. Margaret J. Gookin, 356 Seaver street, Dorchester, was re-elected as Vice Chairman of the Board. Mrs. Gookin's length of service as an Overseer of Public Welfare dates back to May 1, 1908, and this new term upon which she is just entering marks her eleventh successive appointment to a three-year term on the Board. In addition to her work in this department, Mrs. Gookin is Vice President of the Boston Council of Social Agencies and she has ever shown an intensive interest in her fellow human beings.

Edward H. Willey, 701 Broadway, South Boston, an outstanding pharmacist in his district, was re-elected as Treasurer of the Board, in which capacity he has served faithfully and well for many years. His original appointment to the Board was made in December, 1926, and the accuracy of detail he has given to the trying work of Treasurer of the Board during the years has made his service invaluable.

William G. O'Hare was re-elected as Secretary to the Board.

BOSTON'S POPULATION ON APRIL 1, 1930, BY WARDS.

Ward 1, 61,454; Ward 2, 31,663; Ward 3, 66,219; Ward 4, 31,010; Ward 5, 30,571; Ward 6, 34,689; Ward 7, 32,482; Ward 8, 31,943; Ward 9, 30,362; Ward 10, 29,694; Ward 11, 29,938; Ward 12, 36,123; Ward 13, 29,019; Ward 14, 55,914; Ward 15, 27,729; Ward 16, 31,329; Ward 17, 30,099; Ward 18, 41,152; Ward 19, 27,519; Ward 20, 31,540; Ward 21, 29,752; Ward 22, 30,987.

Total population by U. S. Census, 781,188.

BUDGETARY CONTROL.

Prior to installing the present system of budgetary control, effective as of January 1, 1939, the city of Newark had no centralized accounting control over its budget commitments. The city's general ledger contained accounts for the various budget appropriations, and reflected disbursements out of the appropriations. However, commitments for work and material were not recorded in the city's accounts until after bills submitted by the vendors had been approved for payment by the Board of Commissioners. Consequently, financial reports could only show the amount of appropriated moneys that had not been disbursed out of any account. No recognition could be given in these reports to the unpaid purchase commitments, since the amount was not known. *The American City.*

TAUNTON'S ASPHALT PLANT.

One of the functions of a city public works or street department is to operate as effectively as possible in the construction and maintenance of its streets and sidewalks and to produce the necessary materials for paving at the lowest possible cost. In some cities this is effected by the purchase of all paving materials in either the raw or the mixed stage. Taunton has used a city-owned 100-ton asphalt plant for street paving and maintenance and for sidewalk construction for ten years. Located in the city yard with the equipment repair shop and garage, the plant is housed in a 60 by 90 foot building with a 30 by 100 foot wing, which was formerly used as a foundry. *The American City.*

STATE VALUATIONS IN 1937.

Total assessed value of real estate on January 1, 1937, in the thirty-nine cities and 316 towns of Massachusetts, \$5,742,161,541 (\$18,194,654 less than on January 1, 1936), of which 65.62 per cent applied to buildings and 34.38 per cent to land; of personalty, \$525,039,493; aggregate valuation, \$6,267,201,034 (2.74 per cent decrease from 1936), on which the total tax was \$222,184,422. To raise this amount of taxes on the property assessed at a uniform rate throughout the State would have required a tax rate of \$35.45+ on \$1,000 valuation. Boston's valuation, \$1,590,544,700, equal to 25.38 per cent of total valuation in the State.

REVENUE BOND ACTS.

The 1936 issue of the "Municipal Index" contains a detailed study of the revenue bond acts in the thirty-three states which have enabling acts, and reports of all forty-eight states, showing what advantage has been taken of these acts by cities to finance the construction, operation and maintenance of sewerage systems and sewage treatment plants by service charges.

The table shows the status of revenue bond acts and other enabling acts in the different states, the dates when the acts became effective, and whether or not cities have taken advantage of the opportunity offered for financing bonds by service charges. In the case of states with no enabling acts, the table shows whether cities are charging sewer rentals under some other authority.

POLICE DEPARTMENT (STATISTICS FOR YEAR 1937).

Number of police force, December 1, 1937, was 2,262 (152 more than in 1936), viz.: the superintendent, 4 deputy superintendents, 27 captains, 67 lieutenants, 6 lieutenant-inspectors, 187 sergeants, 1,965 patrolmen and 5 patrolwomen, distributed in eighteen divisions, including the Traffic Division. Signal servicemen, 18; clerks, janitors, etc., 160, making the grand total personnel 2,444.

The cost of maintenance for calendar year 1937 was \$6,042,355, or \$202,702 more than in 1936.

Total number of arrests in year ending November 30, 1937, 95,948 (88,185 males and 7,763 females), or 14,600 more than in 1936; persons arrested on warrants, 14,212; without warrants, 58,052; summoned by the courts, 23,684; persons prosecuted, 58,391; of those arrested, 35,374 were released by probation officers or discharged at station houses and 2,183 were delivered to outside authorities, all others being held for trial; foreign-born persons arrested, 14,185, or about 14.78 per cent of the total; boys under seventeen years of age, 2,522; women and girls, all ages, 7,763; non-residents, 24,790, or 25.83 per cent of all arrested; minors, 8,402.

Drunkenness was the cause of 45,734 arrests, an average of 125 per day, or 47.67 per cent of total. This is 5,061 more than the number of such arrests in 1936 and 12,430 more than the average for the past five years. The prosecutions by the Homicide Division numbered 201; arrests for refusing to support family, 992; violation of City ordinances, 280; violation of traffic regulations, 10,194, or 5,482 more than in 1936; suspected persons, 5,426.

Sick and injured persons assisted, 9,281; insane persons taken in charge, 488; lost children restored to homes, 1,620; persons imprisoned, 6,935; persons fined, 17,556, the fines amounting to \$184,801; stolen property recovered, \$512,559; licenses issued, 21,897 (including 12,521 for dogs and 5,358 for vehicles and drivers), for which \$69,954.75 was received. Of 2,597 applications for license to carry loaded revolvers, 2,433 were granted.

Accidents from all causes in the streets, parks and squares caused death of 123 persons and injury to 6,985, or 7 less killed and 40 more injured than in 1936. Automobile accidents killed 86 and injured 4,413 or 11 less killed and 89 more injured than in 1936. The automobile fatalities were 69.9 per cent of total.

VOTE OF METROPOLITAN DISTRICT IN 1936.

In the election of 1936 for Governor, the 43 municipalities (including Boston) cast 371,481 Republican votes and 418,341 Democratic, showing a Democratic excess of 46,860. The eight cities, *i. e.*, Boston, Cambridge, Chelsea, Everett, Lynn, Revere, Somerville and Woburn, and the towns of Canton, Hull, Norwood and Watertown, showed a Democratic plurality of 125,064 while the six other cities and all but the four above-mentioned towns opposed with a Republican plurality of 78,204.

DEBTS AND ASSESSMENTS OF SPECIAL DISTRICTS. STATISTICS FOR YEAR 1937.

The gross Metropolitan debt (included in contingent debt of State) for water, parks, sewers and Charles River Basin improvements on July 1, 1937, amounted to \$87,494,640; sinking funds, \$38,059,240; net debt, \$49,435,400, or \$1,418,176 more than on July 1, 1936. The division of this net debt was: Water District, \$39,895,469; Sewer District, \$6,263,644; Park District, \$1,848,093; Charles River Basin, \$1,428,194. Of the latter \$228,503 is paid by Boston for Charles River Bridge. Besides the net Metropolitan debt shared by the forty-three cities and towns, a net debt of \$18,397 was shared by the counties of Norfolk and Plymouth and by the Bay State Street Railway Company. Total Metropolitan assessments in year 1937 for debt requirements and maintenance, \$9,155,444, of which Boston paid 51.90 per cent, the thirteen other cities paid 30.30 per cent, the towns 17.80 per cent. Boston paid 63.45 per cent of Metropolitan Water assessment; 43.74 per cent of Parks and Boulevards assessments; 26.92 per cent of Sewer (North and South Systems) assessments and 48.83 per cent of Charles River Basin assessment.

PUBLIC DEBT, JANUARY 1, 1938.

Gross funded debt, January 1, 1938, \$153,803,833.27 (including \$25,333.27 issued by State); sinking funds, \$23,647,516.77 (no other redemption means); net debt, \$130,156,316.50, or \$3,235,023.31 less than on January 1, 1937. Of said net debt, \$65,668,308.01, or 50.45 per cent, was City debt; \$43,145,191.76, or 33.15 per cent, Rapid Transit debt (representing 4½ per cent investment); \$1,542,333.27, or 1.18 per cent, County debt; \$852,000, or 0.65 per cent, Water debt; \$18,948,483.46, or 14.57 per cent, Traffic Tunnel debt.

The City debt includes \$6,055,000 for W. P. A. Projects; the County debt includes \$1,100,000 for W. P. A. Projects and the Water debt includes \$664,000 for W. P. A. Projects.

Debt paid in 1937 was \$13,579,166.67 and there was a decrease in total gross debt of \$6,372,166.67.

Net debt per capita, \$161.31 (approximate); net debt, exclusive of Rapid Transit debt, \$87,011,124.74, or \$107.84 per capita (approximate).

Per capitas are based on United States Census Bureau's estimated population (806,848) on January 1, 1938.

Loans authorized but not issued (within debt limit), \$613,000; same outside of tax limit, \$1,399,963; total \$2,012,963.

PROCEEDINGS OF CITY COUNCIL.

Monday, April 29, 1940.

Regular meeting of the City Council, held in the Council Chamber, at 2 p. m., President GALVIN presiding. Absent, Coun. Fish.

AUTHORITY TO FURNISH FREE WATER.

The following was received:

City of Boston,
Office of the Mayor, April 29, 1940.
To the City Council.
Gentlemen,—I transmit herewith an answer to a recent order of your Honorable Body, an opinion of the Acting Corporation Counsel relative to the authority of the city to furnish free water to any private user, whether engaged in charitable or other undertakings.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Law Department, April 25, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—This is in answer to the order of the City Council which reads as follows: "Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to advise the City Council as to the constitutionality of excepting parochial schools from charges for water consumption."

It is my opinion that such an exception would be in violation of section 2 of the 46th Amendment to the Constitution of Massachusetts which provides in part that—

"... no grant, appropriation or use of public money or property or loan of public credit shall be made or authorized by the commonwealth or any political division thereof for the purpose of . . . aiding . . . any . . . school, or any college, infirmary, hospital, institution, or educational, charitable or religious undertaking which is not publicly owned and under the exclusive control, order and superintendence of public officers, or public agents authorized by the commonwealth or federal authority or both . . ."

Even without this express prohibition I am of the opinion that the city has no right to furnish water free to any private water users whether or not such users may be engaged in charitable or other meritorious undertakings.

These conclusions are in agreement with several opinions rendered by the Law Department on prior occasions.

Respectfully,
W. J. DOYLE,
Acting Corporation Counsel.

Placed on file.

INFORMATION RE WELFARE RECIPIENTS.

The following was received:

City of Boston,
Office of the Mayor, April 29, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Welfare Secretary relative to your order of January 29, 1940, concerning the numbers of able-bodied unemployed laborers and skilled tradesmen receiving welfare and soldiers' relief assistance to the City Council.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Overseers of the Public Welfare,
March 27, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—In reply to the City Council order of January 29, 1940, concerning the submitting of a list of the numbers of able-bodied unemployed laborers and skilled tradesmen receiving welfare and soldiers' relief assistance to the City Council, I submit the following regarding welfare recipients:

Laborers	1,990
Skilled workers.....	517
Miscellaneous.....	1,308

Total

3,815
The miscellaneous group consists principally of factory workers, restaurant workers and clerical workers.

Very truly yours,
WILLIAM G. O'HARE, Secretary.

Placed on file.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments, viz.:

Constables for term of one year, beginning with first day of May, 1940, with authority to serve civil process upon filing of the necessary bond:

Bert Oppenheim, 9 Egremont road, Ward 21; John J. Miller, 45 Nottingham road, Ward 21; Louis Budd, 23 Stow road, Ward 18; William Galley, 9 Cheverus road, Ward 16; Arthur M. Bolt, 211 West Canton street, Ward 4; Jacob Goldberg, 21 Erie street, Ward 14; Myers Rosenberg, 576 Blue Hill avenue, Ward 14; John A. Pulsinelli, 71 Woodcliff street, Ward 13; William H. Cufflin, Jr., 4 Saybrook street, Ward 22; Anthony J. Kastick, 490 Western avenue, Ward 22.

Weigher of Goods: Theron Briggs, 454 Massachusetts avenue, Cambridge, Mass.

Severally laid over a week under the law.

TRANSFER OF UNUSED SCHOOL LAND FOR PLAYGROUND.

The following was received:

City of Boston,
Office of the Mayor, April 29, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Acting Corporation Counsel relative to a recent order passed by your Honorable Body concerning the proper procedure to enable a parcel of unused school land to be transferred to the Park Department for playground facilities.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Law Department, April 29, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—The Law Department has been requested by an order of the City Council to inform that Body as to the proper procedure to enable a parcel of unused school land to be transferred to the Park Department for playground facilities. A similar question was passed upon by the Law Department in 1931 in connection with the establishing of the Dunbar Avenue Playground. It was then decided that it was necessary to obtain legislative authority to enable the School Committee to relinquish for some other municipal purpose property acquired for school purposes, and in that particular case such authority was obtained by chapter 229 of the Acts of 1931.

In the circumstances set forth in the City Council order, I concur in the opinion of the former Corporation Counsel that it will be necessary to obtain legislative authority to accomplish the desired purpose.

Yours very truly,

W. J. DOYLE,
Acting Corporation Counsel.

Placed on file.

"SLOW" SIGNS, COLUMBUS AVENUE.

The following was received:

City of Boston,
Office of the Mayor, April 29, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of March 4, 1940, concerning the arranging for the erection of "Slow" signs on Columbus avenue, Ward 9, between Camden street and Burke street, at the Carter Playground.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, April 22, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—I have the honor to acknowledge receipt of Council order dated March 4, 1940, which reads as follows:

"Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to arrange for the erection of "Slow" signs on Columbus avenue, Ward 9, between Camden street and Burke street, at the Carter Playground."

A survey of the area between Ruggles street and Camden street shows that there have been a great many accidents in this area in the past four years, many of which could be attributed to poor street lighting.

A plan is being prepared, and will be submitted to Public Works Commissioner George G. Hyland, for the widening of the roadway in Columbus avenue, from Ruggles street to the street car track that makes the turn into the old Lenox Street car barn. Commissioner Hyland has tentatively agreed to reconstruct this street and build the divisional island in this street. After this has been done we

expect that a scheme of center lighting, located on the island, can be established and the speed of vehicles using Columbus avenue would be materially reduced.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

TRAFFIC LIGHTS, WALK HILL ROAD—AMERICAN LEGION HIGHWAY.

The following was received:

City of Boston,
Office of the Mayor, April 29, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of March 18, 1940, concerning the installation of traffic lights at the intersection of Walk Hill road and American Legion Highway.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, April 2, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—I have the honor to acknowledge receipt of Council order dated March 18, 1940, which reads as follows:

"Ordered, That the Traffic Commissioner, through his Honor the Mayor, be requested to install traffic lights at the intersection of Walk Hill road and American Legion Highway, where six persons were badly injured today."

At the present time there are no funds available to this commission for the installation of traffic lights.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

PAINTING OF CROSSWALKS, WARD 10.

The following was received:

City of Boston,
Office of the Mayor, April 29, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of March 18, 1940, concerning the painting of crosswalks at the approaches to all churches and schools in Ward 10.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, April 2, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—I have the honor to acknowledge receipt of Council order which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to paint crosswalks at the approaches to all churches and schools in Ward 10."

Our painting program is just under way and it is our intention to paint crosswalks in Ward 10 as soon as possible.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

TRAFFIC SIGNALS, WARD 13.

The following was received:

City of Boston,
Office of the Mayor, April 29, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of March 25, 1940, concerning the installation of traffic signals at the following locations in Ward 13:

Savin Hill and Dorchester avenues, Blue Hill avenue and Quincy street, Dorchester and Crescent avenues.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, April 2, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—I have the honor to acknowledge receipt of Council order dated March 25, 1940, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install automatic traffic signals at the following locations in Ward 13:

"Savin Hill and Dorchester avenues, Blue Hill avenue and Quincy street, Dorchester and Crescent avenues."

There are no funds available to this commission at the present time for the installation of traffic signals.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

LIST OF TAX-EXEMPT PROPERTIES.

The following was received:

City of Boston,
Office of the Mayor, April 29, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the chairman of the Board of Assessors relative to your order of March 25, 1940, concerning the furnishing of a list of tax-exempt properties in Boston, excluding churches.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Assessing Department, March 29, 1940.
Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—This is in reference to the order of the City Council of March 25, asking to be furnished a list of tax-exempt properties in Boston, excluding churches.

It is perhaps not a matter of common knowledge that a complete list of tax-exempt properties is on file in this office and a duplicate in the office of the Tax Commissioner, containing the information requested; and as these lists are public records and open to inspection at any time by the City Council or its members, it hardly seems necessary or advisable to make an additional copy of a large volume containing over 14,000 items.

Very truly yours,
EDWARD T. KELLY, Chairman.

Placed on file.

TRANSFER FROM PARKMAN FUND INCOME.

The following was received:

City of Boston,
Office of the Mayor, April 29, 1940.
To the City Council.

Gentlemen,—I am in receipt of the attached communication from the Board of Park Commissioners requesting the transfer of the sum of \$70,000 from the income of the George F. Parkman Fund to the Maintenance and Improvement of the Common and Parks in Existence on January 12, 1887.

I submit herewith an appropriation order and respectfully recommend its passage by your Honorable Body.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, April 17, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—By vote of the Board of Park Commissioners you are respectfully asked to request the City Council to transfer from the income of the George F. Parkman Fund the sum of \$70,000 which is now available, to be expended under the direction of the Board of Park Commissioners as follows:

Common and Parks in Existence on
January 12, 1887, Maintenance and
Improvement of.....\$70,000

When making up the budget estimates for the year 1940, a sum equal to the total yearly income of the George F. Parkman Fund was deducted from Item A-1. Permanent Employees, with the understanding that this deduction was to be replaced by the total yearly income of said Parkman Fund for 1940, to be transferred as it accrued from time to time during the year to the regular maintenance appropriation of the Park Department.

Respectfully yours,
WILLIAM P. LONG, Chairman.

Ordered, That the sum of \$70,000 be, and hereby is, appropriated from the income of the George F. Parkman Fund, to be expended under the direction of the Park Commissioners, for the Maintenance and Improvement of the Common and Parks in Existence on January 12, 1887, as follows:

Common and Parks in Existence on
January 12, 1887, Maintenance and
Improvement of.....\$70,000
Referred to Executive Committee.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Bourne's Transportation Company, for compensation for damage to truck by city truck.
Jesse R. Croxford, for refund on expenses incurred in digging sewer at Robinwood avenue, Jamaica Plain.

Carr, William K. Coburn, Sydney Cohen, John M. Crawford, Charles M. Daley, Walter A. Donlan, Louis Franzosa, Lewis Gilbert, Samuel Goldkrand, Meyer Goldstein, Salvatore Grassa, Joseph Herman, Jacob Isgur, Max Jacobs, Bronis Kontrim, Mark H. Krafur, Nathan Kravitsky, Maurice Levine, William J. McCorkle, John T. McGovern, Bernard M. Mullen, Louis H. Oppenheim, Frederick Partridge, Phillip S. Phillips, George N. Pierce, Louis Richmond, William T. Rosengarten, Almerindo Sarno, Samuel Shain, Frank Shaw, Isaac Shulman, Joseph Simansky, Frank J. Staula, Joseph M. Torr, Roman J. Vasil, Harry A. Webber, David Weir, William D. Whitmore, John A. Wragg, Louis Yacker, Maurice Zeeman.

RETIREMENT OF WILLIAM J. WALSH.

Notice was received from the Boston Retirement Board that at meeting held on April 15, 1940, the retirement from active service of William J. Walsh, employed as Assistant City Messenger, was approved, to become effective at close of business April 30, 1940.

Placed on file.

SALE AND USE OF AIR RIFLES, ETC.

Coun. SCANNELL offered the following:

Ordered, That the Law Department be requested, through his Honor the Mayor, to advise the City Council whether or not it is within the power of the City Council to adopt an ordinance prohibiting the sale and use of air rifles, sling shots, darts and other toys which might be deemed a menace to the safety of the men, women and children of Boston and if so to submit a draft of such an ordinance for the Council's consideration.

Coun. SCANNELL—Mr. President, I am presenting this order after reading an account of an accident in the newspaper. I have seen the victim at the Boston City Hospital, where a young girl of fourteen was shot through the eye and it is a question whether her eye will have to be taken out or not. I think at this time we should pass this order, because we members of the City Council are responsible to the people of Boston, and I think we should pass the order for the safety of the men, women and children of this city. I don't know whether or not we have the power to pass an ordinance of this kind. I hope this order will pass, and that at a future date we will pass an order so that there will be an ordinance which will prohibit the use of air rifles, darts and anything that is detrimental to the people of our city.

The order was passed under suspension of the rule.

IMPROVEMENT OF WARD 9 PARKS.

Coun. D. F. SULLIVAN offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to restore the Alvah Kittredge Park, Highland street, Ward 9, to its original condition as a public park by reseeding the grounds, planting trees and shrubbery, and inclosing the grounds with an adequate fence; and be it further

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to place in satisfactory condition the Cedar Square Park, Cedar street, Ward 9, by reseeding grounds, erecting benches and constructing a sidewalk around the grounds; and be it further

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to reseed the grounds of Madison Park and Linwood Park in Ward 9.

Coun. D. F. SULLIVAN—Mr. President, on that first order, relative to putting Kittredge Park, which is located on Highland street, in first-class condition, this park has been an eyesore for the last three or four years. It is known up in that section as the desert. This spot was originally meant to be a park. The last few years the Park Department has not been taking care of it, and that is the reason I have introduced this order. It is dry dirt, and on a windy day that dirt blows into the houses there in that particular section, causing insects also to come in. The people there have a problem on their hands in keeping their homes clean. I hope that the Park Department will reseed this ground, and also erect and plant new trees, and also shrubbery, and also put in a new fence. I hope the order will pass.

The order was passed under suspension of the rule.

WARRANT FOR PAYMENT OF ELEVATED DEBIT.

Coun. TAYLOR, FISH and KELLY offered the following:

Resolved, That in the opinion of the Boston City Council the Governor's Council should refrain from approving the warrant for payment of the deficit to the Boston Elevated Railway Company.

Resolved, That a copy of this resolution be forwarded to the Governor's Council, State House, Boston.

Coun. TAYLOR—Mr. President, about two weeks ago I submitted an order before this Council requesting his Honor the Mayor to refrain from paying the city's share of the Elevated deficit to the Commonwealth of Massachusetts so that a bill in equity might be brought in the courts in an attempt to compel the City of Boston to pay this deficit of the Boston Elevated Railway Company, and at that time we would have the legality of the Public Control Act threshed out in the Supreme Court of Massachusetts. But I learned through the medium of the newspapers that there is still another bar, or another club that can be used, in so far as that deficit is concerned. This is something that I did not know before. That is, it is within the jurisdiction of the Governor's Council to approve the warrant for payment of this Elevated deficit by the Commonwealth to the Boston Elevated Railway Company. I know that the men who serve in the Governor's Council—several of them come from districts that are forced to pay this

Elevated deficit annually—are in the fullest sympathy with the people who live in the City of Boston and the fourteen surrounding towns. The matter is in their power, particularly at this time, during an investigation of the Finance Commission, which I am sure is going to bring forth facts that are going to startle the people of the City of Boston, in so far as the mismanagement of the Boston Elevated Railway is concerned. I think that all of us should be in hearty accord on this resolution.

Coun. KELLY—Mr. President, in regard to the order just submitted, last Wednesday, after a protest from various citizens of this Commonwealth, the Executive Council voted eight to one to lay this matter on the table until next Wednesday. Now, in the Boston *Globe* of this morning, I read an article saying that the Boston Finance Commission, in regard to its investigation of the Boston Elevated Company, at a meeting yesterday afternoon, considered the request of the Governor's Council for information regarding the Boston Elevated deficit, but no decision was then made as to what they will say, and that the Finance Commission adjourned without setting any date to reassemble. Now, Mr. President, his Honor the Mayor cannot have all the details on the Elevated situation until he gets that report from the Finance Commission, and the Finance Commission informs us that this report is not even in sight. So that I say, until this report is submitted, we members of the City Council ought to hold up the payment of this deficit.

Coun. SHATTUCK—Mr. President, I move that we amend the order by adding the words, at the end of the order, "if payment legally should not be made." Mr. President, I offer that amendment because I believe that, regardless of the persons, whether we like them or not, no matter what we feel about them, we should pay our legal debts. Now, if this is a legal debt it should be paid; if it is not a legal debt of course it should not be paid. I don't think we should demand or request that payment be refused if the payment is legal and proper under the law.

Coun. TAYLOR—Mr. President, with respect to the amendment submitted by the councilor, I am wholly opposed to it because it is not up to us to determine whether or not the payment is legal or illegal, and I submit that if the facts come out, as I think they are going to come out, there will be no question in anybody's mind that such a payment will be illegal, because it has been a fraud upon the public for many years, and in my opinion I think it should cease.

Coun. KELLY—Mr. President, of course I was glad to see last Wednesday that the members of the Executive Council are finally awake to the idea that there is quite an agitation going on on the part of the citizens of the Commonwealth against this Elevated deficit, and there is a question in my mind, Mr. President, whether this deficit can be paid unless it is approved by the Governor's Council. Of course, we hear a lot of stories that anybody can look into the books of the Boston Elevated Railway Company, but I happened to ask a member of the Governor's Council, who happens to be a member of my family, a couple of years ago, what right any citizen in the Commonwealth had to study the Boston Elevated books, and he informed me, Mr. President, that the Boston Elevated report that was brought up to the members of the Governor's Council would take at least thirty-six hours to go over and read and understand, and that he was given forty minutes before he approved it or disapproved it.

The question came on the passage of Coun. Shattuck's amendment. The amendment was declared lost. Coun. SHATTUCK doubted the vote, and asked for the yeas and nays.

Coun. CHASE—Mr. President, I move that the matter be referred to the Executive Committee.

President GALVIN—The gentleman is out of order. The question is on the amendment, and the clerk will call the roll.

The roll was called, and the amendment was lost, yeas—Coun. Shattuck—1; nays—20.

The question then came on the passage of the order. The order was passed.

INFORMATION RE ANDREW WESSELING.

Coun. TAYLOR offered the following:
Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to inform the City Council as to whether Andrew Wesseling, deputy tax collector of the City Collector's office, is legally holding his position.

Coun. TAYLOR—Mr. President, I bring this order before the Council because of what happened at the meeting of the constables' committee. It seems rather strange, but last year there was a constable by the name of Andrew Wesseling, who was also making collections of taxes for the city of Boston.

It would appear that there had been very many complaints against this gentleman, and there was some doubt as to whether or not the City Council would confirm his appointment this year, and the Collector of Taxes, Mr. Thompson, having this in mind, made him a deputy tax collector without any pay. I am informed that the deputy tax collectors who are now employed by the City of Boston are paid an annual salary and that they have civil service rating. This gentleman has no civil service rating. He is the fair-haired boy who is picked out by Collector Thompson in order to collect taxes, whereas the rest of the constables who are also designated to collect taxes are not given the same fair proportion of the taxes to be collected. Now, this is a very responsible position. Any man to hold this job must collect money from people, giving them receipts and turning the money into the city's treasury. I regret to say that there have been many of these gentlemen who have not seen fit to do so in the past. Some of them have been sent to jail, others have been fired. So that we must be very strict, so far as character is concerned, as to any individual who is collecting taxes for the City of Boston, in order to protect the people from whom he collects and also protect the treasury of the City of Boston. Now, the question comes in my mind, whether or not Collector Thompson knew of this gentleman's preference over all the others. I have had occasion to check into this man's record. His financial status has been such that there is some doubt in my mind if he is qualified to go out and collect taxes for the City of Boston, in view of the fact that in the past other constables or tax collectors have taken moneys and not turned them in. Mr. Wesseling several years ago filed a petition in bankruptcy, and after he received his discharge in bankruptcy he started again to incur bills which he never paid, and five or six times he has been over, within the last few years, in the West Roxbury court asking to take the poor debtor oath. Now, this gentleman who owes everybody else money is the man who is going out in an attempt to get other people to pay to the City of Boston taxes as far back as 1929 and 1930. I do not believe that this gentleman has any proper place in the City Collector's office, and I do not think he is holding his position properly. I think it is a civil service position. I am asking the Corporation Counsel for an opinion on that matter.

The order was passed under the suspension of the rule.

REAR SEATS, RINGLING BROTHERS CIRCUS.

Coun. TAYLOR offered the following:
Ordered, That his Honor the Mayor request the officials in control of the Ringling Brothers Circus and the Boston Garden to refrain from selling admission tickets to the circus for seats situated in the rear rows of the balcony.

Coun. TAYLOR—Mr. President, I bring this order before the Council because of constant complaints that I have received from people who have attended the circus in the past. They pay their good money to go and get in the balcony, and as you all know, who have ever had seats in the Boston Garden, there is a main floor, then there is a stadium, and a balcony, which is covered up by a gallery. Those people who are sitting in the back rows of the balcony have their view obstructed by the roof of the gallery. As a result, all the aerial acts that are taking place in the Garden cannot be seen by many of the men, women and children who come there for the express purpose of seeing them. I think it is a fraud upon the public to allow the Garden to sell tickets to anybody who will have a seat but be unable to see the act. I know that you will be interested in this and will take some action.

The order was passed under suspension of the rule.

APPLICATION FOR NON-SUPPORT BY WELFARE APPLICANTS.

Coun. HUTCHINSON offered the following:
Ordered, That the Overseers of Public Welfare be requested, through his Honor the Mayor, to instruct their visitors not to suggest to welfare applicants, or require, that they apply for non-support warrants against their husbands in order that they may be eligible to receive welfare aid.

Coun. HUTCHINSON—Mr. President, I had a case in my ward where a man left home to try to secure work some place. He has a wife and two children. The welfare investigator in the district told his wife that she would have to bring a non-support warrant or she would not receive aid. It seems to me that any welfare investigator should realize that the family is the foundation of our community,

and that it is the bulwark of our state, nation and city, and when they require a person to break up that family so that they can receive aid it seems to me that is against the purpose of the Welfare Department. I talked to Mr. O'Hare, the Director, and he agreed with me, but it seems that there are investigators in the city who do it without his consent, and I think that we in the Council should have these investigators up before the Committee on Public Welfare if they continue to advise their recipients to make out these non-support warrants and put these men in jail. This person that I am speaking of was given a six months' sentence, and if he ever takes a civil service examination that has to go on to his application. It is the first record he ever had in his life, and, of course, the investigator in the department required the wife to do it, as otherwise she would not have received anything to feed her children.

The order was referred to the Committee on Public Welfare.

CONSTRUCTION OF HESSTON TERRACE, WARD 13.

Coun. HUTCHINSON offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to construct Hesston terrace, Ward 13, as a W. P. A. project.

Passed under suspension of the rule.

CONSTRUCTION OF WHITBY TERRACE, WARD 13.

Coun. HUTCHINSON offered the following:
Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out Whitby terrace, Ward 13, as a public highway, under the W. P. A. plan of construction.

Passed under suspension of the rule.

FENCE AT WILLIAM AMERENA PLAYGROUND.

Coun. COFFEY offered the following:
Ordered, That the Park Commissioner, through his Honor the Mayor, be requested to erect a wire fence around William Amerena Playground, in the Jeffries Point section of East Boston.

Passed under suspension of the rule.

SEA WALL, EAST BOSTON.

Coun. COFFEY offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to make a survey of the area along the waterfront section of East Boston with a view to erecting a sea wall, or taking such other steps as may be necessary to prevent the flooding of adjacent properties by exceptionally high tides.

Passed under suspension of the rule.

CULVERT, BENNINGTON STREET, WARD 1.

Coun. COFFEY offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to construct a culvert along Bennington street, from Westbrook street to Orient Heights Station, Ward 1.

Passed under suspension of the rule.

ARC LIGHT, WARD 15.

Coun. KELLY offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to install an arc light at the corner of Fox and Percival streets, Ward 15.

Passed under suspension of the rule.

KING'S CHAPEL AND OLD GRANARY BURYING GROUNDS.

Coun. KELLY offered the following:
Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to oppose the enactment of any bill at the next session of the Legislature which will provide for the erection of buildings on King's Chapel and Old Granary Burying Grounds and the removal of the remains of persons buried therein to some other location.

Coun. KELLY—Mr. President, I was amazed about a couple of weeks ago to read in a printed page of a Boston newspaper that a

bill was to be introduced by Representative Francis X. Coyne of Dorchester, who happens to come from the same ward that I do. This bill which he is going to introduce in the coming Legislature is to abolish the two cemeteries on Tremont street, namely, the King's Chapel Burying Ground and the Old Granary Burying Ground. He contends that these ought to be turned into business sections. I wonder if the Representative realizes who is buried in the King's Chapel Burying Ground. The first burial was in 1630, and in that burying ground lie the remains of Governor John Winthrop, Lady Andros, wife of Governor Andros, John Cotton, Governor Shirley, Davenport, Oxenbridge, and other notables. In the Old Granary Burying Ground are the remains of eight early Governors, Beltingham, Endicott, Dummer, Hancock, Adams, Bowdoin, Eustis, Sumner, as well as Peter Faneuil and Paul Revere, the parents of Benjamin Franklin, the victims of the Boston Massacre, Robert Treat Paine, John Phillips, first Mayor of Boston, and many others. Of course, I realize, Mr. President, a lot of persons don't know about what I am going to say, but over 40 per cent of all the land is zoned for business purposes in the City of Boston, when we need only 10 per cent. I say to this gentleman who is seeking this type of publicity that there is a question in my mind, after three hundred years, what the remains are, and I wonder, if the gentleman had any of his ancestors buried in those burying grounds, if he would want their remains disturbed. I ask to have this order passed under suspension of the rule.

The order was passed under suspension of the rule.

CHARLES STREET BEACH.

Coun. RUSSO offered the following:
Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to make a survey of the conditions at the Charles Street Beach, Ward 3, and make recommendations for the erection of lockers for the use of the bathers.

Coun. RUSSO—Mr. President, I have introduced this order for the simple reason that for several years, ever since the Charles Street Beach was established, persons have gone down on that beach and the people have been forced to take their clothes off and leave them anywhere around the beach. There has been no place where the bathers may go to put their clothes in a safe place. It seems to me that it is about time now that some lockers should be erected so that the persons who go there for bathing may have a proper place where they will be able to put their clothes. And I am in hopes that the Park Department will make that beach more safe than it has been in the past, because we have had quite a few accidents down there, and I hope they will not occur again.

The order was passed under suspension of the rule.

WADING POOL, WARD 3.

Coun. RUSSO offered the following:
Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to formulate plans for the erection of a wading pool on the grounds adjacent to the North Bennet Street Bath House, Ward 3.

Passed under suspension of the rule.

INQUIRY INTO BEANO LICENSES.

Coun. CHASE offered the following:
Ordered, That the Boston Finance Commission be requested, through his Honor the Mayor, to make inquiry into the administration of the licensing function and the enforcement of the terms and conditions of all Beano game licenses granted in the City of Boston.

Coun. CHASE—Mr. President, a few weeks ago I introduced an order asking his Honor the Mayor to request the Finance Commission to investigate all Beano licenses granted in the City of Boston. That order was referred to the Executive Committee, and it was ruled out of order by the chairman of the Executive Committee. Now, Mr. President, the former Corporation Counsel made a ruling, upon a request made by the Executive Committee on that order, and on April 4 he sent the following letter to Mr. Green, Clerk of Committees, in which he stated:

"April 4, 1940.

Robert E. Green, Esq., Clerk of Committees, Boston City Council.

Dear Mr. Green,—You recently advised me that the following order has been introduced in the Boston City Council:

"Ordered, That the Boston Finance Commission be requested, through his Honor the

Mayor, to conduct a complete investigation of all Beano games licensed in the City of Boston."

I understand that this order was referred to the Executive Committee, and that the Executive Committee now desires my opinion as to the legality of the Finance Commission checking on Beano in Boston."

The powers of the Finance Commission are to be found in section 18 of chapter 486 of the Acts of 1909, which reads as follows:

"It shall be the duty of the finance commission from time to time to investigate any and all matters relating to appropriations, loans, expenditures, accounts, and methods of administration affecting the city of Boston or the county of Suffolk, or any department thereof, that may appear to the commission to require investigation, and to report thereon from time to time to the mayor, the city council, the governor, or the general court. The commission shall make an annual report in January of each year to the general court."

The conduct or promotion of the game commonly called 'Beano' is regulated by the provisions of section 22A of chapter 271 of the General Laws (Ter. Ed.), by which 'Beano' games are authorized under certain limitations and under license by the mayor or selectmen.

The licensing of Beano is in my opinion a 'method of administration affecting the city of Boston' and as such the investigating of the administration of the licensing of Beano games is within the powers of the Finance Commission.

Your order goes further, however, in suggesting that the Finance Commission 'conduct a complete investigation of all Beano games.' In my opinion the Finance Commission has authority to investigate Beano games only so far as incidental to the inquiry into the administration of the licensing function and the enforcement of the terms and conditions of licenses granted. How far such an inquiry might lead into the actual conduct of the games themselves I am unable to express an opinion on the limited facts before me. It would seem to be a matter for the Finance Commission to determine in the course of any investigation that body might undertake.

Very truly yours,

HENRY PARKMAN, JR.,
Corporation Counsel."

Now, Mr. Chairman, you will note that I have phrased this particular order in the identical language used by the Corporation Counsel when he made his ruling that the Boston Finance Commission has power to investigate Beano games in Boston, and I trust, Mr. President, that this Honorable Body, in view of the many rumors that many of these Beano games which are licensed in the city are conducted by racketeers and that many of these people are not giving much of the proceeds to charity, will see fit to pass my order in order to ascertain and to furnish the public of Boston the information which they seek. Now, Mr. President, it is not necessary for me to mention to the Council that practically every newspaper in Boston has written editorials requesting the information as to whether or not the racketeers are in back of many of these Beano games. I believe it is not necessary for me to mention to the Council that many of them have heard this personally from their own constituents, that many of these Boston Beano games are conducted by racketeers. And I say, Mr. President, in view of the fact that the General Laws, which regulate Beano games, provide that the entire proceeds from these games shall be given solely to charity, church functions and the like, that the law-enforcement agencies and the law-making agencies of Boston and of the state should see that that law is carried out. I trust, Mr. President, the Council will pass the order.

The order was referred to the Executive Committee.

DUST NUISANCE, HUNTINGTON AVENUE.

Coun. CHASE offered the following:
Ordered, That the Transit and Public Works Commissioners be requested, through his Honor the Mayor, to use every possible effort to abate the dust nuisance on Huntington avenue between Exeter street and the Boston Opera House; and be it further

Ordered, That the Transit and Public Works Commissioners be requested, through his Honor the Mayor, to arrange to have a street water sprinkler working on said thoroughfare hourly, twenty-four hours a day.

Coun. CHASE—Mr. President, there is a condition existing today on Huntington avenue between Exeter street and the Boston Opera House which is very discouraging to the residents and business men of that district. There is a continuous dust cloud hanging in

that particular section, and street cars and automobiles moving on the street cause clouds of dust to hang in the air, which permeates into the apartment houses and into the stores, damaging people's furniture, draperies, and the like, and doing thousands of dollars' damage to the merchandise in the stores. People are unable to breathe clean fresh air, all because of this nuisance. A very simple remedy would be to have a street sprinkler go up and down that street once an hour for twenty-four hours, until that condition has been remedied by the construction of a new street. Now, Mr. President, I don't intend to go into it much further on this particular order, but it is a very live issue in my district, and as a matter of fact a number of the councilors commented today that in going through that section in their automobiles they could readily appreciate what a terrible nuisance it is. I sincerely hope, Mr. President, that the Council will pass the order.

The order was passed under suspension of the rule.

SALUTE TO FLAG AT COUNCIL OPENINGS.

Coun. M. H. SULLIVAN offered the following:

Whereas, Patriotism and love and respect for the American Flag is always important and particularly important to the people of Boston united in the desire for abiding peace for their City, State and Nation; and

Whereas, It is the traditional privilege of Boston to take leadership in all matters pertaining to the protection and perpetuation of our American liberty and freedom; be it

Resolved, That the City Council of Boston hereby goes on record in favor of opening all future sessions of this Body with a salute to the Flag.

Passed under suspension of the rule.

APPOINTMENT OF NON-RESIDENT.

Coun. M. H. SULLIVAN offered the following:

Ordered, That the Budget Commissioner, through his Honor the Mayor, be requested to withhold approval of the appointment of a non-resident as Superintendent of the Index Commissioners.

Coun. M. H. SULLIVAN—Mr. President, I understand that there is now before the Budget Commissioner the question of the filling of a job up at the courthouse, under the jurisdiction of the Board of Index Commissioners, the official position being that of Superintendent. I understand that it is a part-time position, paying \$1,800 a year, and that the position was formerly held by one Mr. Kurth of Milton, and that the Board of Index Commissioners have decided to appoint that gentleman's son, likewise a resident of Milton, to that \$1,800 a year position. Since the first day I was on this Council I have constantly criticized the appointment of men from outside the county to work in any county jobs. It seems to me that the persons who have the authority to appoint to city or county positions should have a little consideration for the taxpayers of the city or county. There is no rhyme, reason or justice in the appointment of non-residents to any position in the county service. If the county is not good enough to live in, it should follow that it is not good enough to work in. But it is a strange thing how anxious some of our non-residents are to get on the county pay roll. I don't know just how much power the Budget Commissioner has to refuse to approve this appointment, but I say to him and to the appointing officials of the county,— "Go slow in this kind of appointments." The people of this county are up in arms about this influx of non-residents whose salaries we must pay, but who contribute nothing to the upkeep of our local governments. I don't think that the people who carry the load on their backs will tolerate it much longer. In my opinion, it is a crying shame, and this Body should band together so that these positions will go to our own residents and taxpayers. I think that the Budget Commissioner should be requested to attend the Executive Committee meeting this afternoon.

The order was referred to the Executive Committee.

ACCEPTANCE OF PRIVATE WAY, COMMONWEALTH AVENUE.

Coun. WARD offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out the private way next to 2008 Commonwealth avenue, under the W. P. A. plan of construction.

Passed under suspension of the rule.

PORTINA ROAD, WARD 21.

Coun. WARD offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out Portina road, Ward 21, as a public highway, under the W. P. A. plan of construction.

Passed under suspension of the rule.

ACCEPTANCE OF GROVER STREET, WARD 19.

Coun. LYONS, for Coun. Langan, offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out Grover street, Ward 19, as a public highway, under the W. P. A. plan of construction.

Passed under suspension of the rule.

SIDEWALKS, ENFIELD STREET, WARD 19.

Coun. LYONS, for Coun. Langan, offered the following:

Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to install sidewalks on Enfield street, Ward 19, under the W. P. A. plan of construction.

Passed under suspension of the rule.

FIELD HOUSE, DORCHESTER PARK.

Coun. WICKES offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to open the field house at Dorchester Park, Dorchester avenue, Ward 17, daily, and also to provide swings for small children and sand boxes.

Passed under suspension of the rule.

SIDEWALK, BURNEY STREET, WARD 10.

Coun. CAREY offered the following:

Ordered, That the Commissioner of Public Works make a sidewalk along Burney street (both sides), from Tremont street to Delle avenue, Ward 10, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone, with granite edgestones, under the provisions of chapter 196 of the Special Acts of 1917.

Passed under suspension of the rule.

AMORY STREET, WARD 11.

Coun. ENGLERT offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to widen and construct Amory street, at the northwesterly corner of Green street, Ward 11, either as a W. P. A. project or otherwise.

Passed under suspension of the rule.

ELECTRIC LIGHTS, CHILCOTT PLACE, WARD 11.

Coun. ENGLERT offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to substitute electric lamps for the present gas lamps on Chilcott place, Ward 11.

Passed under suspension of the rule.

ADAMS TERRACE, WARD 16.

Coun. HURLEY, for Coun. Fish, offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out as a public highway, under the W. P. A. form of construction, Adams terrace, Ward 16.

Passed under suspension of the rule.

ASSIGNMENT OF STATE TROOPERS FOR BOSTON VOTING.

Coun. D. F. SULLIVAN offered the following:

Resolved, That it be the sense of this Body that the chairman of the Democratic State Committee impart to this Body whatever information he may have in his possession relative to the necessity for state troopers

to be assigned to the City of Boston during the voting hours from 8 a. m. till 8 p. m. on Tuesday, April 30, 1940; and be it further

Resolved, That the City Council go on record in favor of home rule for Boston and against the usurpation of police powers by any resident of Hatfield or any other whistle stop.

Coun. D. F. SULLIVAN—Mr. President, my advice is that the chairman of the Democratic State Committee has asked for "Storm Troopers" to come into the Tenth Congressional District, where there is a slate opposing his slate, a slate that is 100 per cent in back of Franklin Delano Roosevelt for a third term. This dictator, the chairman of the Democratic State Committee, whoever appointed him used very poor judgment; he is known up in Hatfield as the "onion picker"—why should he come here to Boston and come into the Tenth Congressional District and as his original slate select two men from outside the Tenth Congressional District, who have just moved into the district a few years ago? It was not at all the men elected to public office, who should have the right to say who are going to be the delegates to the Democratic National Convention. This man here has the audacity to insult the intelligence of the people of the Tenth Congressional District by asking the governor to send state troopers into the district to control the election. I would like to have Mr. Burke give us any information that he may have that anything will be wrong in the election tomorrow. Long before Mr. Burke was started off, we had many bitter contests out in that district. I had three of them, and I never screamed to the cops, and I never intend to screech to the cops, because I will always take my lickings with a smile. I hope that this order will pass.

Coun. WARD—Mr. President, I would hate to even think of bringing politics into this Honorable Body, but when the intelligence of the people of Wards 4 and 5, which Councilor Chase and Councilor Shattuck so ably represent, and 9, 10, 11, 12, 19, 20 and 21—when this individual who assumes in his own picaresque way the same authority as Herr Hitler or Stalin in Europe, when he assumes a dictatorship of the Democratic Party and asks the taxpayers of Boston to be further compelled to pay for state troopers to come in here and supervise an election, I feel that the duly elected representatives of the people in the City of Boston should go on record and inform the dictator that in the Tenth District we are capable of policing our own district. Some time ago the chairman of the State Committee, in a dictatorial attitude, chose a slate of delegates to represent the 66,000 registered Democrats in that district at the Chicago convention. Consulting only one gentleman, he chose a slate that was as unrepresentative of the people as anything that Hitler could give us over here. There was no interest in this contest to speak of. We know the importance of nominating a man for President, but the people do not see fit to take the interest in the nomination of a person that they do in a common, ordinary City Council fight or a local representative fight. So that in the past few days a certain former high office holder sent a letter to the voters of the Tenth District in which he spoke of race, creed, color, prejudice, discrimination, and, of all things, equality of opportunity. Disregarding the usual red herring that this gentleman customarily draws across the trail, it is rather amusing that the focal point of his letter centers on equality. Briefly, it was necessary that the real leaders of the Tenth District organize a slate independent of the one jointly chosen by this man and the Chairman of the State Committee, as that equality of opportunity was entirely forgotten and ignored by them. Equality means equal rights and justice for all, and no preferential treatment for anybody. Equality of opportunity must, in the mind of this gentleman, have a strange meaning when it is recalled that, in addition to his own candidacy as delegate, he attempted to jam down the throats of the voters of the Tenth District the candidacy of one of his own sons, who has never been known to do anything other than assist in his own father's political contests for political office. And there stands "Hitler," chairman of the State Committee. Now "Hitler" insults the intelligence of the people of the Tenth District by asking that storm troopers go in tomorrow. I would say that he has as much justice in doing that as the City Council would have in passing a resolve in this Body asking that the state troopers go into Hatfield to insure honesty in the election of the State Chairman.

Coun. TAYLOR—I, too, Mr. President, wish to concur with the two speakers with reference to what I call cheap publicity. It is cheap in two senses. First, it is cheap because he gave them a copy and the radio report coming over the radio this morning stated that the chairman of the State Democratic Committee had requested that the state police

intercede in the contest in the Tenth Congressional District. And, secondly, it is cheap in the sense that it reflects upon the integrity of the people who live in that particular district. I, as a resident of that district, know, particularly in this type of contest where there is no interest whatsoever displayed, that there is no need for any intervention, not only of state police but of any other police. Because of the lack of interest nobody cares whether or not one set of delegates is elected or the other. But the reason for it is very plain and evident. The reason for the insult to these people is because they know that Mr. Burke's hand-picked slate, about which he never consulted with anybody at all as to who should be elected candidates or delegates, and when they originally picked them out, as the previous councilor stated, they came from districts that had been no part of Boston and were just residents for a very short time. Knowing in their hearts and souls that these delegates elected by them might be defeated, they resorted to this cheap publicity, which is a reflection upon the integrity of the people of that district. And he has no right to ask for the intervention of state police in a district which is capable of handling its own situation.

The order was passed under suspension of the rule.

RECESS.

On motion of Coun. LYONS the Council voted at 3.22 p. m. to take a recess, subject to the call of the Chair. The members reassembled and were called to order at 4.10 p. m.

CONFIRMATION OF APPOINTMENTS.

President GALVIN called up, under unfinished business, No. 2 on the calendar, viz.:

2. Action on appointments submitted by the Mayor April 22, 1940, of constables connected with official positions, as contained in City Document 45.

The question came on confirmation, and the roll was called, yeas 18, nays 0, and the appointments were confirmed, viz.:

Yeas—Coun. Carey, Chase, Coffey, Englert, Galvin, Goode, Gottlieb, Hurley, Hutchinson, Kelly, Linehan, Russo, Scannell, Shattuck, D. F. Sullivan, M. H. Sullivan, Ward, Wickes—18.

Nays—0.

President GALVIN called up Nos. 1 and 3 on the calendar, under unfinished business, viz.:

1. Action on appointments submitted by the Mayor April 15, 1940, of Francis W. Gildea and Joseph L. Shurtleff to be constables authorized to serve civil process upon filing bonds.

3. Action on appointments submitted by the Mayor April 22, 1940, of Frederick Manchester and William L. Harlow, to be Weighers of Coal and Weighers of Goods.

Coun. CAREY—I move on No. 1 that the name of Francis W. Gildea be held up. I ask, therefore, that they be separated.

President GALVIN—If there is no objection, Mr. Gildea's appointment will be held up until the next meeting.

The question came on the name of Joseph L. Shurtleff in No. 1 and on Frederick Manchester and William L. Harlow in No. 3 on the calendar. Committee, Coun. M. H. Sullivan and Coffey. Yeas 13, nays 0, and the appointments were confirmed.

EXECUTIVE COMMITTEE REPORTS.

Coun. LANGAN, for the Executive Committee, submitted the following:

1. Report on message of Mayor and order (referred today) that \$70,000 be appropriated from income of Parkman Fund to be expended under direction of Park Commissioners—that same ought to pass.

2. Report on petitions (referred today) for children under fifteen years of age, to appear at places of public amusement, viz.:

Jewish Children's School, Sidney Weinstein, Peabody Playhouse, May 5; Lucille Perry Hall, Repertory Theatre, May 20; Jean Paige, Brighelmstone Hall, May 27,—recommending that leave be granted under usual conditions.

Report accepted; leave granted under usual conditions.

3. Report on order (referred today) that Budget Commissioner withhold approval of appointment of non-resident as Superintendent of Index Commissioners—that same ought to pass.

Report accepted; said order passed.

4. Report on order (referred today) that Finance Commission be requested to make inquiry into administration of licensing function and enforcement of terms and conditions of all Beano game licenses—that same ought not to pass.

The report was accepted and the question came on the passage of the order.

Coun. CHASE—Mr. President, I desire to remind the Council once more that, in view of the many persistent rumors, which many members of the Council have heard, about racketeers being in control of many of the Boston Beano games, I believe that the Boston Finance Commission should investigate the various Beano games licensed within the City of Boston, and I believe, Mr. President, that inasmuch as this Body has seen fit to grant \$20,000 additional to the Finance Commission to investigate the Boston Elevated, and inasmuch as this Body has seen fit on many other occasions to request the Finance Commission to investigate different things which merited investigation, things which were asked to be investigated, on rumors far less serious than this proposition, that the Council should go on record requesting his Honor the Mayor to request the Finance Commission to investigate the Beano games. I trust that the members will see fit to pass this order.

The question came on the passage of the order. The motion was declared lost. Coun. CHASE doubted the vote and asked for the yeas and nays. The roll was called, and the motion was lost, yeas 5, nays 10:

Yeas—Coun. Carey, Chase, Linehan, Russo, Shattuck—5.

Nays—Coun. Coffey, Englert, Galvin, Goode, Hurley, Kelly, Lyons, Scannell, D. F. Sullivan, Wickes—10.

Coun. GOTTLIEB in the chair.

REPORT OF COMMITTEE ON LICENSES.

Coun. LYONS, for the Committee on Licenses, submitted the following:

Report on petition for driveway opening, viz.:

Petition of Boston Dispensary (referred April 15) for opening at Harvard street—recommending that permit be granted.

Report accepted; said permit granted.

WARD 20 IMPROVEMENTS.

Coun. LYONS offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to arrange for a W. P. A. project for the repair of defective sidewalks in Ward 20.

Ordered, That the Park Commission be requested, through his Honor the Mayor, to consider the advisability of establishing a playground on city-owned land, known as Prouty's Hill, at the corner of Centre and Weld streets, Ward 20.

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install a spotlight in front of St. Theresa's Church on Centre street, Ward 20, for the safety of the traffic officer.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to arrange for a blanket W. P. A. project for the installation of sidewalks in Ward 20.

Severally passed under suspension of the rule.

ERECTION OF BILLBOARDS.

Coun. D. F. SULLIVAN offered the following:

Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to inform the City Council what authority, if any, the city has to regulate control or limit the erection or location of billboards in the City of Boston.

Passed under suspension of the rule.

TRAFFIC SIGNALS, WARD 14.

Coun. GOTTLIEB offered the following:

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install automatic traffic signals at the junction of Woodrow avenue and Blue Hill avenue, Ward 14.

Passed under suspension of the rule.

BLEACHERS FOR WARD 22 PLAY-GROUNDS.

Coun. M. H. SULLIVAN offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to make a survey as to the advisability of constructing bleachers on the various playgrounds in Ward 22.

Passed under suspension of the rule.

BRIDGE ON RIVER STREET.

Coun. GOODE offered the following:

Ordered, That his Honor the Mayor request the authorities of the New York, New Haven & Hartford Railroad to keep the bridge on River street, at Gordon avenue, in suitable repair, as required by law, and to maintain it in a condition which will assure the safety of motorists and pedestrians using this bridge.

Passed under suspension of the rule.

ENLARGEMENT OF WAYFARERS' LODGE.

Coun. GALVIN offered the following:

Ordered, That the Overseers of the Public Welfare Department be requested, through his Honor the Mayor, to consider the advisability of enlarging the facilities at the Wayfarers' Lodge and to formulate plans which will provide for the care of a larger number of persons at the Lodge.

Coun. GALVIN—Mr. Chairman, I ask that that be sent to the Committee on Public Welfare. About a year ago I introduced an order somewhat similar to Councilor Hutchinson's, relative to the attitude or the action of the visitors from the various wards in the Welfare Department. It seems to me as though every summer or early spring there is a campaign on in Boston to keep Boston clean, to open up everything, and the result is that as you go through Boston Common you will find the poor unfortunates asleep on the benches. You and I know that any person who is a resident of Boston is entitled to food and shelter, but due to unfortunate circumstances, which I believe are caused mostly by unfair visitors in the various districts in the Welfare Department, these people are without residences. They cannot receive weekly aid from the Welfare Department or go into the Wayfarers' Lodge, and I believe that one of the worst marks against Boston is to look upon Boston Common in the early hours of the morning and find fifteen or twenty people sleeping on benches and shaving in the Frog Pond. I believe the Welfare Department should be brought up and action taken on these people who have no homes. They are residents of our city despite the fact that they are sleeping on park benches. And I believe that they should go to the Public Welfare Department and they should have a showdown with the visitors as to what they should be given.

The order was referred to the Committee on Public Welfare.

THE NEXT MEETING.

Coun. COFFEY—I move that we adjourn.

Coun. M. H. SULLIVAN—I move that when the Council adjourn it be to meet on Monday, May 13.

Coun. CHASE—Mr. President, I have an order laid on the table, and I believe that we should get just as soon as possible the information from the City Censor pertaining to the names and addresses of the licensees of Beano games, the amounts of money being given to charities by the operators of these Beano games, and many other questions to be answered in that order. Now, I feel, Mr. President, that inasmuch as the Council saw fit to lay that order on the table or to adjourn without considering my order, we ought to go back into executive session and pass on the order before we vote on the adjournment.

Chairman GOTTLIEB—The question comes on Coun. Sullivan's motion to adjourn for two weeks.

The motion was declared carried. Coun. CHASE doubted the vote and asked for the yeas and nays. The roll was called, and the motion lost, yeas 8, nays 8:

Yeas—Coun. Englert, Hutchinson, Lyons, Scannell, Shattuck, M. H. Sullivan, Taylor, Ward—8.

Nays—Coun. Carey, Chase, Coffey, Gottlieb, Kelly, Linehan, Russo, D. F. Sullivan—8.

Coun. CHASE—Mr. President, I move that we go back into executive session for the consideration of my order.

Chairman GOTTLIEB—The councilor is out of order. A motion to adjourn is before the house.

Coun. CHASE—Mr. President, I appeal from your ruling that my motion is out of order.

Chairman GOTTLIEB—The question is on Councilor Coffey's motion to adjourn.

Coun. CHASE—Mr. President, I appeal from the ruling that I was out of order and am requesting that we go back into executive session.

Chairman GOTTLIEB—The Chair hears no second. There is a motion before the Body that we adjourn.

Adjourned, at 4.27 p. m., on motion of Coun. COFFEY, to meet on Monday, May 6, 1940, at 2 p. m.

FELLOWSHIP STUDIES IN TRAFFIC CONTROL.

Fifteen graduate fellowships, each with a stipend of \$1,200-plus up to \$200 for travel and field investigation have been announced by the Bureau for Street Traffic Research of Harvard University. The regular annual tuition fee of \$400 will be deducted from the fellowships, which have been made available through a gift to the University by the Automobile Manufacturers' Association. The officers of instruction are Miller McClintock, Director of the Bureau, and Maxwell Halsey, Assistant Director. Each of two full courses in street and highway traffic control consists of three one-hour periods a week, and additional problems, assignments and field work.

RECEIPTS OF MILK IN BOSTON BY RAIL. STATISTICS FOR YEAR 1937.

Total, 201,115,222 quarts (including 21,533,437 quarts of cream) or 190,884,037 by the Boston & Maine Railroad; 9,304,589 by New York, New Haven & Hartford Railroad; 926,596 by Boston & Albany Railroad.

The said total exceeds that of 1936 by 2,233,863, but is 35,786,309 below the receipts in 1931 which was the highest on record.

The receipts in 1937 of the Boston & Albany Railroad are the lowest on record for that railroad.

The maximum receipts of milk and also of cream in 1937 were in August; the minimum in February.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING WHITE TRAFFIC PAINT.

The Supply Department of the City of Boston invites proposals for furnishing white traffic paint to the Boston Traffic Commission, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids.

ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR WHITE TRAFFIC PAINT."

There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Friday, May 17, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(May 11.) Superintendent of Supplies.

SUPPLY DEPARTMENT.

The City of Boston invites proposals for furnishing fruits, vegetables, meats, butter, eggs and cheese.

Proposals for furnishing fruits and vegetables close at 11 a. m. daily at the Supply Department. Proposals for furnishing meats and butter, eggs and cheese close every Thursday at 2 p. m. Proposals for furnishing manufactured meat products close the last Thursday of each month at 2 p. m.

Proposals and specifications for the above may be obtained in Room 1001, City Hall Annex.

JOHN A. BREEN,
Superintendent of Supplies.

CITY OF BOSTON.

INSTITUTIONS DEPARTMENT.

PROPOSALS FOR ERECTION AND COMPLETION OF A MEN'S DORMITORY ON LONG ISLAND, BOSTON HARBOR.

The Commissioner of Institutions of the City of Boston invites sealed proposals for the erection and completion of a men's dormitory on Long Island, Boston Harbor. Forms of proposals may be obtained at the office of the Commissioner, Room 809, City Hall Annex. Each proposal must be signed by the bidder, placed in an envelope, properly sealed, and marked "Proposal for Erection and Completion of a Men's Dormitory on Long Island, Boston Harbor," and left at the office of the Commissioner, Room 809, City Hall Annex, before 12 noon, May 23, 1940, accompanied by cash or a certified check on, or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$10,000 to become and to be the property of the City of Boston as liquidated damages if, after an award is made to him, the bidder shall fail to enter into the contract therefor within ten days after notice of said award has been mailed to him. Bid bonds will not be accepted. Said proposals will then and there be publicly opened and read. Proposals must be made in duplicate, one with cash, certified check or certificate of deposit to be left as above, the other without cash, certified check or certificate of deposit to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained without cost upon application therefor at the office of the Commissioner, Room 809, City Hall Annex. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. Plans and specifications may be obtained at the office of the Commissioner of Institutions, Room 809, City Hall Annex, Boston, on or after May 6, 1940. All plans and specifications must be returned in good condition to said office at the time of filing bids. A deposit of fifty dollars (\$50) in cash will be required for each set of plans and specifications taken out for estimating, said deposit to be refunded on the return of the plans and specifications in good condition. A bond of a surety company, approved by the Commissioner, in the full amount of the contract, to secure the due performance of the contract and the full protection of the city, will be required. The Commissioner reserves the right to reject any or all bids if it be in the public interests so to do. The Commissioner also reserves the right to reject all sub-bids on any item or items, provided that it is agreed by and between the bidders and the Commissioner that none of such bids represents the bid of a person or firm competent to perform the work as specified, or that only one such bid was received and that the price is not reasonable for acceptance without competition.

HUGH J. CAMPBELL,
Commissioner of Institutions.
(May 4-11.)

NOTICE TO CONTRACTORS.

HELP ABSORB THE UNEMPLOYED.

Workers for all branches of industry or business can be secured at the Municipal Employment Bureau, 25 Church street, Boston. Tel. LIBerty 8607-08-09. STEPHEN J. HUGHES, *Director.*

Male and female help furnished on short notice with service that will satisfy any employer. Office, mechanical, factory, domestic, hotel, restaurant, hospital, skilled, and unskilled.

FREE SERVICE TO EMPLOYERS AND APPLICANTS.

CITY OF BOSTON.

POLICE DEPARTMENT.

PROPOSALS FOR FUEL OIL.

The Police Department of the City of Boston invites proposals for furnishing this department with fuel oil. The bidder must use the form of proposal to be obtained at the office of the Property Clerk, 154 Berkeley street, Boston, and deposit with his bid, at the office of the Police Commissioner, a properly certified check for \$200, payable to and to become the property of the Police Commissioner for the City of Boston if the proposal is not carried out. Proposals will be publicly opened and read, on Friday, May 17, 1940, at 12 o'clock noon, at the office of the Police Commissioner, 154 Berkeley street, Boston. The Police Commissioner reserves the right to accept or reject any or all proposals, or any part of a proposal, and to award the contract as he deems for the best interests of the Police Department of the City of Boston. Surety bond will be required from the successful bidder in an amount equivalent to 50 per cent of the estimated contract amount.

JOSEPH F. TIMILTY,
Police Commissioner.
(May 11.)

CITY OF BOSTON.

BOSTON HOUSING AUTHORITY.

PROPOSALS FOR FURNISHING COAL TO OLD HARBOR VILLAGE.

The Boston Housing Authority invites proposals for furnishing and delivering semi-bituminous, nut and slack coal for Old Harbor Village, on forms to be obtained at the office of the Boston Housing Authority, 18 Oliver street, each proposal to be accompanied by a certified check in the sum of \$1,000, payable to and to become the property of the Boston Housing Authority if the proposal is not carried out. Proposals will be publicly opened and read on Friday, May 17, 1940, at 12 o'clock noon (Daylight Saving Time), at said office of the Boston Housing Authority. The Boston Housing Authority reserves the right to accept or reject any or all proposals, or any part thereof, or to award a contract as it deems for its best interests. A surety company bond will be required for 25 per cent of the total estimated amount of the contract. A charge of \$1 will be made for each proposal taken.

JOHN A. BREEN, *Chairman.*
(May 11.)

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about twenty-nine thousand eight hundred ninety-one (29,891) square feet of land, with buildings thereon, on the westerly side of Dorchester avenue, South Boston, numbered 421 and 423 rear in the present numbering of said street, and more fully described in tax deeds recorded with Suffolk Deeds, Book 5366, pages 497 and 496, on Tuesday, May 21, 1940, at 10 a. m., on the premises, at a minimum price of five thousand dollars (\$5,000).

A deposit required at the time and place of sale of two thousand dollars (\$2,000), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 47 City Hall, Boston, Mass.

DANIEL M. DRISCOLL,
Custodian of Foreclosed Real Estate.
(May 11-18.)

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO ASPHALT DEALERS AND GENERAL CONTRACTORS.

The Superintendent of Construction of the Department of School Buildings of the City of Boston invites sealed proposals for furnishing and delivering, for the year 1940, various types of asphalt material, etc., for the Department of School Buildings, for W. P. A. use, at various schools, of the kind and quality as per specifications, and giving bond of a surety company satisfactory to the Superintendent of Construction therefor, in the sum of \$2,000. Only proposals obtained at the office of the Superintendent of Construction, 26 Norman street, Boston, Mass., signed by the bidder and left before 2 p. m. of Monday, May 20, 1940, at said office, with a certified check for \$200, payable to the city if the proposal is not carried out, will then and there be publicly opened and read.

The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for the opening of proposals. The Superintendent of Construction reserves the right to reject any or all proposals.

JAMES J. MAHAR,
(May 11.) *Superintendent of Construction.*

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING COFFEE.

The Supply Department of the City of Boston invites proposals for furnishing coffee for city departments, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR COFFEE." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Monday, May 20, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(May 11.) *Superintendent of Supplies.*

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING HAY, GRAIN, STRAW AND DAIRY RATIONS.

The Supply Department of the City of Boston invites proposals for furnishing hay, grain, straw and dairy rations for city departments, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR HAY, GRAIN, STRAW, ETC." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Monday, May 20, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 32.

SATURDAY, MAY 18, 1940.

No. 20

KEEP UNITED STATES OUT OF EUROPEAN WAR UNTIL COUNTRY'S INTERESTS ARE VITALLY THREATENED, MAYOR TOBIN URGES DURING DEDICATORY EXERCISES AT WILLIAM F. O'BRIEN SQUARE, DORCHESTER — DURING CEREMONIES IN NAMING SPOT FOR BOSTON HERO, HE ALSO HOPES ANY VICTORY WON BY UNITED STATES IN BATTLE SHALL BE OF LASTING BENEFIT TO NATION IN TIME OF PEACE — AS SYMBOL OF SUCH HOPE AND IN GRATEFUL REMEMBRANCE HE OFFICIALLY DEDICATED SQUARE IN NAME OF NOTABLE DORCHESTER CITIZEN.

At the dedication of William F. O'Brien square, Quincy street and Columbia road, Dorchester, on Sunday, May 12, Mayor Tobin spoke, in part, as follows:

We have come to mark a plot of ground in Old Dorchester, that it may be known for all time by the name of one of her native sons who served his country well.

The late William F. O'Brien wore two uniforms of the United States — both with honor. In time of war he donned the soldier's khaki and fought for the flag overseas. In time of peace, for twenty-two years, he wore the mailman's welcome gray-blue.

On both scores there is special significance in our act of commemoration today. The land we now dedicate is the first to be named for a member of the 55th Artillery, American Expeditionary Forces. Likewise, it is the first square, anywhere in the United States, to take the name of a letter carrier.

So is William F. O'Brien doubly worthy of honor — upon his own record and as a symbol of the service of others. He was a leader among America's host of veterans in time of crisis; and, in the humdrum world, he kept a stalwart place within the legion of faithful men who see that the United States mail goes through and never fails.

First in Nation for Post Office Employee.

As we name this square in his memory, the first so marked in the nation, I am glad that the occasion happens in Dorchester. It is, in every way, right. In Dorchester, at Fields Corner, William F. O'Brien was born, on June 28, 1895. Here he always made his home; and here his father, before him, lived all the days of his life.

As a boy, William O'Brien attended the Mather School — that earliest stronghold of free education for Democracy's children. Later, he attended the Mechanic Arts High School, and ran a good race both in and out of the classroom. He was a leader on the track, and in the Irish-American Athletic Club he became a champion ten-miler.

After leaving school William O'Brien — speedily and quite naturally — put on a uniform. His father had been associated with the Boston Elevated for thirty-three years; so there could be no surprise when his son, in early youth, became a conductor in the same service.

At that post of duty William O'Brien heard the call of a higher duty. The United States having entered the World War, he enlisted at Boston in July, 1917, of his own free will. Eight months later he found himself in France, 3,000 miles from home, and there he remained with our troops from *March 25, 1918*, until *January 22, 1919*.

Hero on Battlefield.

On the battlefield William O'Brien was wounded and gassed; and the death of this hero, on *March 25, 1939*, came as a result of the injuries received in the campaign overseas begun exactly twenty-one years before — in his case, to the very day.

In the fighting that brought victory to the United States, William O'Brien's outfit was the 55th Artillery Regiment of the Coast Artillery Corps, A. F. That regiment received many citations for its excellent service, both from the French and the British Army headquarters and from the American commander-in-chief, General Pershing.

As Sergeant O'Brien of Battery B, this Dorchester boy received his honorable discharge on February 6, 1919. In the years that followed, his loyal devotion to the 55th Artillery never waned. Indeed, he was one of the most active spirits in the Veterans' Association formed by this regiment, more than half of whom had been recruited from Massachusetts. This splendid organization, at one time, made him its president.

Brave and faithful as a soldier, so William O'Brien lived as a citizen. He met his obligations well — in the community and at home as a husband and father.

At the Supreme Command, he has been called from amongst us long before his time of old age had begun. It is for us — in youth, in the prime of life, and at its eventide — to remember the gift made to us all by William O'Brien and by thousands upon thousands of American boys who served with him in the World War.

In the conflict now raging abroad, and in the tragic news of human suffering which now again comes to us from the Old World, it is easy to say that this gift by William O'Brien, and by his fellow Americans, twenty-one years ago, went for naught.

But any such statement is false. The gift had great consequence, if only by teaching us that the United States should hold aloof from deadly combat unless and until the vital interest of this nation is directly challenged, and unless and until the situation shall seem to us one in which victory won by the United States in war can be preserved to the lasting benefit of this nation in time of peace.

William F. O'Brien offered up his life in that hope. It is as a symbol of such hope, and in grateful remembrance, that I now dedicate this public square in his name.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"
From Boston Centennial Poem by
NATHAN HASKEL DOLE.

CITY RECORD.

Published weekly in Boston by the Board of Trustees of the Statistics Department of the City of Boston, under the direction of the Mayor, in accordance with legislative act and city ordinance.

LEO D. WALSH, Editor, Room 40, City Hall.
JOSHUA H. JONES, JR., Associate Editor.

Single Copies 10 cents

IN ADVANCE.

STREET AGENCIES.

Old South News Stand, Old South entrance to subway. Also New Stand first floor, City Hall Annex.

Advertising.

A rate of \$2 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by Thursday of each week to insure its publication in the Saturday issue.

Copies for sale at the Statistics Department, 73 City Hall.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, May 20, at 2 p. m.
Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables slaughter-houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made

to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, 73 City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MAYOR TOBIN JOINS IN TRIBUTE TO PRESS OF COUNTRY DURING "NEWSPAPER WEEK" OBSERVANCE — GLORIES, DURING BROADCAST, IN THAT LIBERTY WHICH HAS GUARANTEED TO US OF AMERICA THE FREEDOM OF THE PRESS — CALLS ATTENTION OF CITIZENS TO BLESSINGS TOO OFTEN TAKEN FOR GRANTED AND WHICH HAVE BEEN DENIED CITIZENS OF EUROPE UNDER THE HEEL OF THE DICTATOR, WHERE RIGID CENSORSHIP REIGNS — FREE PRESS, HE MAINTAINS, IS PROTECTION OF DEMOCRATIC FORM OF GOVERNMENT.

During a radio broadcast for "Newspaper Week," at WBZ studios, Hotel Bradford, on Tuesday, May 14, Mayor Tobin spoke, in part, as follows:

The Governor has done well to proclaim "Newspaper Week." He calls the public's attention to blessings too often taken for granted. Men often fail to appreciate the good things they daily enjoy, and that condition creates a risk for democracy.

A free press, with all the news of the world, is delivered to every American at his breakfast table, and it is his companion every evening, as close at hand as his pipe or his bed slippers.

Accepting his newspaper as a mere commonplace, the danger is that he may never rightly understand its worth until a dictator walks in at his front door and snatches a full and fair report of the day's news right out of his hands.

Through five centuries European civilization labored to establish and develop the freedom of the press, yet now, in a twinkling, that liberty has been cast down. Across the face of half the world a rigid censorship reigns. In country after country, the newspapers are again bound by slavish chains, forced to print only such news — whether true or false — as may please a small group of their rulers.

FREE PRESS HERE.

Here in America, where we still enjoy a free press, we may not be properly grateful either for the contents of our newspapers or for the technical excellence with which those contents are printed.

That fact came vividly before my mind the other day, when I was reading an anecdote of Boston's great early printer, Benjamin Franklin.

In October, 1779, Franklin was on foreign service for his country in Paris, and a niece, living in Boston, had just sent him some daily journals such as were published in this town a hundred and sixty-one years ago.

Benjamin Franklin wrote to her, and I quote the words of his letter:

"I thank you for the Boston Newspapers, tho' I see nothing so clearly in them as that your printers do indeed want new Letters. They perfectly blind me in endeavouring to read them. If you should ever have any Secrets that you want to be well kept, get them printed in those Papers."

Since Benjamin Franklin wrote that sharp but humorous criticism, how immense is the progress accomplished! The

great dailies of Boston print more news in a day than the early American press published in the space of one whole year. Some time ago an American newspaper decided to show its readers just what a single edition would look like if published in book form. The reading matter alone, without any advertising, made a volume of more than three hundred pages.

Everyone knows the vast extent of the news services built up by American newspapers. They gather instant reports culled from the daily lives of 130,000,000 Americans. And, as though that were not enough, American reporters cover the whole civilized world so thoroughly that readers in Boston and New York often know better what is going on abroad than do the people who live in the countries where the news happens.

HAS SHORTCOMINGS.

Of course the American press has its shortcomings, but I would warn you against any tendency to minimize its great values and exaggerate its defects.

On this score a statement made by a famous student of the history of printing is significant. He points out that whenever a change of style has come to pass in the use of type for printing, the reason

has been always the same. One generation of printers had grown so familiar with the defects of a certain kind of type that they had forgotten its virtues. They welcomed a change, as being all for the better, only to discover, as time went on, that with the merits of the new style there were defects also. Finally, the disadvantages of the new form began to outweigh, in their eyes, the merits of the established form, and so, again a change came to pass.

As we note the defects of democracy, including its sometimes slow and cumbersome ways of action, let us be on our guard against any tendency to forget the immensity of its virtues. Only in a democracy can justice for the common man be preserved.

And the instrument which makes possible that protection is the daily press free and untrammelled! Once put a muzzle on this nation's press, and straightway the people may find themselves looking down the muzzle of a dictator's gun.

My fellow Americans, stand firm for the rights of America's press, as our forefathers fought to establish them, and your own rights will be saved — and the blessed heritage of Liberty will pass unimpaired to your children and your children's children.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, May 16:

HOSPITAL DEPARTMENT.

The following nurses were employed as substitutes for nurses out ill at the rate of \$1,200 a year:

Ann Cooley, 32 Mozart street, for Evelyn Sacaleau, Dorothy McAndrew. Total, 6 days.

Mary M. Flaherty, 10 Bayside street, for Elizabeth Costello, Ellen Sereque. Total, 1 week.

Florence DeLuca, 559 Massachusetts avenue, for Mary P. Flaherty, Helen Connors, Evelyn Sacaleau, Leyla Herrmann. Total, 6 days.

Katherine Kennedy, 511 East Third street, for Helen Burton. Total, 1 week.

Etta Liberty, 3 Nottingham street, for Evelyn Sacaleau. Total, 1 day.

Mary Murphy, 113 Williams street, for Lucille Charest, Dora Barretto, Helena Messina. Total, 6 days.

Frances Quinn, 559 Massachusetts avenue, for Clare Finnegan, Evelyn Sacaleau. Total, 2 days.

Alma Mangott, 559 Massachusetts avenue, for Leyla Herrmann. Total, 1 day.

Alyce Nedelcoff, 559 Massachusetts avenue, for Ellen Sereque, Evelyn Sacaleau, Sarah Gallagher. Total, 3 days.

Edith McLaughlin, 2 Oakdale street, for Ethel Clifford. Total, 2 days.

Clare Bosworth, 35 Walter street, for Madeline McCaul. Total, 2 days.

The following persons have terminated their services in the Hospital Department:

Dr. James Sacchetti, executive assistant physician, \$2,300 a year, transferred

to Long Island; Jennie Krawcenski, floor nurse, \$1,200 a year, resigned; Anna A. Murphy, assistant seamstress, \$15 a week, resigned.

South Department.

Nora McCann, diet cook, \$17 a week, retired; Mary Brickley, cleaner, \$15 a week, resigned.

The following student nurses were employed:

Arlene Archambault, Grace Kennedy, \$12.50 a month; Priscilla Blake, \$15 a month; Gertrude Wahlberg, \$12.50 to \$16.67 a month.

The following special nurses have been employed at \$450 a day:

Illa Allen, 702 Massachusetts avenue, 3 days; Virginia Belmore, 690 Massachusetts avenue, Mary Curley, Wakefield, 2 days; Charlotte Doherty, 106 Warren street, 1 day; Mary Doherty, 16 Emerald

street, 7 days; Marion Donovan, West Quincy, 2 days; Joseph Doran, Brookline, Sarah Driscoll, Belmont, 1 day; Emma Errara, Arlington, 4 days; Anna Ferrara, Lawrence, 2 days; Judith Gorman, Brookline, 3 days; Irene Griffin, 54 East Dedham street, Helen Grimley, Milton, 2 days; Marion Hampshire, 54 Dedham street, 1 day; Jean Lang, 92 Rockdale street, 2 days; Mary Lee, Belmont, 7 days; Margaret Lehman, 96 West Walnut park, 6 days; Mary B. McAuley, 121 Saratoga street, 1 day; Gladys Maccione, 21 Worcester street, 2 days; Alma Nobile, Revere, 3½ days; Daphne Parks, 51 Hammond street, 1½ days; Helen Paul, 11 Forest street, 7 days; Rose Pelletier, 17 Cumberland street, 4 days; Winfield G. Piper, 110 Gardner street, Mary Pursley, 94 Florida street, 1 day; Jeanette Roussie, 14 Worcester square, 2 days; Frances Smith, 5 Spaulding square, 1 day; Anna Stevenson, 817 Canterbury street, Frances Sullivan, 57 Falcon street, 3 days; Alice Travers, 69 Woodford street, 2 days.

OVERSEERS OF THE PUBLIC WELFARE.

Approval has been given for the continued temporary employment of the following persons as clerk-typists, for a period of three months from May 18, at \$900 a year:

Helen A. Daly, 72 Westville street, Dorchester; Hazel Murphy, 327 Huntington avenue, Hyde Park; Grace Nicosia, 534 Bennington street, East Boston; Rita L. Regan, 27 Union Park street, Boston; Mary E. Cunniff, 7 Bogandale road, West Roxbury.

Approval has been given for the continued temporary employment of the following clerk-typists, for a period of three months from May 15, at \$900 a year:

Alfred B. Schaff, 38 Thornton street, Roxbury; Joseph F. Amrhein, 120 Regent street, Roxbury; Natal J. Casella, 221 Leyden street, East Boston; John J. Connolly, 336 Medford street, Charlestown; Edward R. Donovan, 1326 Dorchester avenue, Dorchester; Frank J. Galvin, 389 Fourth street, South Boston; Frederick T. Hurley, 51 Austin street, Hyde Park; Charles J. McGahey, 31 Armstrong street, Jamaica Plain; James P. Ryan, 63 Archdale road, Roslindale; Anthony Santino, 72 Dix street, Dorchester; Francis J. Sokari, 31 Priscilla road, Brighton; William L. Barry, 17 Huckins street, Roxbury; Clarence L. Marcy, 31 Verdun street, Dorchester.

Approval has been given for the continued temporary employment of the following persons as clerk-typists, for a period of three months from May 29, at \$900 a year:

Anna L. Aicardi, 99 Old Harbor street, South Boston; Sophie Beckwith, 28 Wilder street, Dorchester; Helen S. Bloom, 50 Fowler street, Dorchester; Eleanor Lighter, 170 Magnolia street, Dorchester; Eileen Moore, 858 East Fourth street, South Boston; Andronikie Pappas, 74 Field street, Boston; Anne Robinson, 77 Maple street, Roxbury; Helen Rudin, 47 Deering road, Mattapan; Mary G. Sullivan, 164 Calumet street, Roxbury; Gladys Nathanson, 16 Ransom road, Brighton.

Approval has been given for the continued temporary employment of the

following persons as clerk-typists, for a period of three months from May 22, at \$900 a year:

Helen M. Agnew, 116 Lonsdale street, Dorchester; Mary M. Badessa, 58 Dickens street, Dorchester; Carmela E. Conroy, 31 Moraine street, Jamaica Plain; Helen L. EXTENSION OF LEASE.

The Mayor has approved the following request of the Park Department:

BOSTON, May 1, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR SIR.—Your approval is respectfully requested to extend the lease of the refreshment concession at the George Wright Golf Course Club House, Hyde Park, to James P. Hoar, 1662 Columbia road, South Boston, for a term of one year from April 1, 1940, to March 31, 1941, for the sum of \$600 per year.

This is the same rental paid by Mr. Hoar for the one-year lease on this concession which has just expired.

This concession has been conducted by Mr. Hoar in a very satisfactory manner and the members of the George Wright Golf Club and those playing at the course have been high in their praise of the manner in which this concession has been conducted. Mr. Hoar has had charge of concessions in this department as well as in the School Department and he is recognized as a leader in this particular field, with a reputation for serving high-grade products and rendering satisfactory service.

In view of his qualifications and experience, the Board of Park Commissioners requests that for the best interests of the city this concession be extended for another year to Mr. Hoar.

Very truly yours,

WILLIAM P. LONG,
Chairman.

ASSESSMENT ABATED.

The Mayor has approved the following order of the Board of Street Commissioners:

In the matter of the application for revision of assessment levied on account of the construction of sewerage works the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said application,

Ordered. That the amount hereinafter specified, being the annual apportionment of said assessment for the year specified below, be, and the same is hereby, abated.

Anna Marie Busch, Johnson street, West Roxbury, lot 8, 1939 apportionment, assessed July 27, 1934, \$20.40.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

DEPARTMENT OF SCHOOL BUILDINGS.

Upon May 8 the Mayor approved a contract with Baker & Co. to hire on an hourly basis a 1½-ton roller. This roller is to be used in the resurfacing of schoolyards where the Federal Government is supplying the asphalt. The following were the open bids received:

Rental, One and One Half Ton Roller With Operator, Per Hour.—Baker & Co., \$2.25; Samuel J. Tomasello Corporation, \$2.73; Martin J. Kelly, \$2 80; John McCourt Company, \$3.

Haulage Charge, Excess Trips Only, Per Trip.—Baker & Co., \$5; Samuel J. Tomasello Corporation, \$10; Martin J. Kelly, \$10; John McCourt Company, \$6.

Upon May 8 the Mayor approved contracts as indicated with Bailey & Weston, Incorporated, the lowest bidder, for furnishing and delivering for the year 1940, shade cloth, Items 1 to 9. These items to be ordered when, as and if needed in connection with our W. P. A. program: On the items extra heavy opaque, 1-A to 9-I; on the items duplex black fawn, 10-A to 18-I; on the items triple fawn, black fawn, 19-A to 27-I.

To the Andrew Dutton Company the following items: 2-B, 4-D, 6-F, 8-H, extra heavy opaque; 10-A, 12-C, 14-F, 16-G, 18-I, duplex black fawn; 20-B, 22-D, 24-F, 26-H, triple fawn, black fawn.

To the Reliable Shade Screen Company the following items: 1-A, 3-C, 5-E, 7-G, 9-I, extra heavy opaque; 11-B, 13-D, 15-F, 17-H, duplex black fawn; 19-A, 21-C, 23-F, 25-G, 27-I, triple fawn, black fawn.

Bids were as follows:

for furnishing approximately forty-four tons reinforcing steel to be delivered to the Harbor Police, 521 Commercial street, Police Department, at a price of \$44.40 per ton, less one half of 1 per cent cash discount for payment in ten days. The approximate amount of the contract was \$1,953.60. Bids, opened April 8, were as follows:

Approximately Forty-Four Tons Round Deformed Reinforcing Steel, Three Quarter Inch to One and One Half Inches, to be Bent as Per Plan at Supply Department and to be Delivered as Required.

New Billet Steel, Per Ton.—Truscon Steel Company, \$49; total, \$2,156; Bethlehem Steel Company, \$49; total, \$2,156.

Alternate Bid, Rail Steel, Per Ton.—Northern Steel Company, \$44.40; total, \$1,953.60; Bethlehem Steel Company, \$46; total, \$2,024.

Cash Discount, Ten Days.—Northern Steel Company, one half of 1 per cent; Truscon Steel Company, one half of 1 per cent; Bethlehem Steel Company, one half of 1 per cent.

Bethlehem Steel Company, $\frac{3}{4}$ inch to $1\frac{1}{2}$ inches crossed out, as per drawing dated January 25, 1940.

Upon May 8 the Mayor approved a contract with Joseph Columbo & Son for furnishing approximately 2,500 tons of granite or rubble stone to be delivered at Bussey street, West Roxbury, Paving Division, Public Works Department, at a price of 90 cents per ton, less 3 per cent cash discount for payment in ten days. The approximate amount of the contract was \$2,250. Bids, opened April 12, were as follows:

Approximately 2,500 Tons of Granite or Rubble Stone With Sufficient Quarry Face to be Used in the Construction of a Wall

on Bussey Street, West Roxbury, No Stone to Weigh More Than 600 Nor Less Than 200 Pounds, Per Ton.—Michael W. Loch, \$1; total, \$2,500; Roslindale Contracting Company, \$1.27; total, \$3,175; David M. Biggs & Co., \$1.50; total, \$3,750; H. E. Fletcher Company, \$3; total, \$7,500; Frank J. Jacobs Company, \$1.15; total, \$2,875; Joseph Columbo & Sons, 90 cents; total, \$2,250; William J. Barry Company, \$1.25; total, \$3,125.

Cash Discount, Ten Days.—Michael W. Loch, 7 per cent; Roslindale Contracting Company, 3 per cent; David M. Biggs & Co., 2 per cent; Frank J. Jacobs Company, 2 per cent; Joseph Columbo & Sons, 3 per cent; William J. Barry Company, 2 per cent.

Approximate Net Total.—Michael W. Loch, \$2,325; Roslindale Contracting Company, \$3,079.75; David M. Biggs & Co., \$3,675; H. E. Fletcher Company, \$7,500; Frank J. Jacobs Company, \$2,817.50; Joseph Columbo & Sons, \$2,182.50; William J. Barry Company, \$3,062.50.

Upon May 8 the Mayor approved a contract with the Berger Metal Culvert Company of New England, Incorporated, for furnishing sixteen steel forms to be delivered to the East Eagle Street Yard, East Boston, Paving Division, Public Works Department, for use on Bennington street, at a price of \$49.20 each, less 2 per cent cash discount for payment in ten days. The approximate total of the award was \$787.20, and as this amount is less than \$1,000 no formal written contract was made out. Bids, opened April 29, were as follows:

16 Steel Forms Exactly as Per Specifications, Each.—Hub Steel and Iron Works, Incorporated, \$69, conventional; total, \$1,104; \$105, alternate; total, \$1,680; Berger Metal Culvert Company of New England, Incorporated, \$49.20, conventional design; total, \$787.20; \$67.24, alternate design as shown on plan; total, \$1,075.84; A. L. Smith Iron Company, \$74.63; total, \$1,194.08; \$84.13, alternate bid as per drawings submitted; total, \$1,346.08; Massachusetts Welding Company, \$58.125; total, \$930; Arthur C. Harvey Company, \$82, conventional type anchors as per B. P.; total, \$1,312; Groisser & Shlager Iron Works, \$99; total, \$1,584.

Cash Discount, Ten Days.—Berger Metal Culvert Company of New England, Incorporated, 2 per cent; A. L. Smith Iron Company, 1 per cent; Massachusetts Welding Company, one half of 1 per cent; Arthur C. Harvey Company, one half of 1 per cent; Groisser & Shlager Iron Works, one half of 1 per cent.

Net Total.—Hub Steel and Iron Works, Incorporated, \$1,104, conventional; \$1,680, alternate; Berger Metal Culvert Company of New England, Incorporated, \$771.45, conventional design; \$1,054.33, alternate design as shown on plan; A. L. Smith Iron Company, \$1,182.14; \$1,332.62, alternate bid as per drawings submitted; Massachusetts Welding Company, \$925.35; Arthur C. Harvey Company, \$1,305.44; Groisser & Shlager Iron Works, \$1,576.08.

Upon May 8 the Mayor approved a contract with Harry M. Condit, Jr., Company for furnishing "No Crete," or equal, conduit and couplings to be delivered to the Fire Alarm Shop, Fire Department. The amount of the contract was \$1,320.90. Bids, opened April 26, were as follows:

10,000 Feet Conduit, 3-Inch "No Crete," or Equal, Per Foot.—Wetmore-Savage

Division Westinghouse Electric Service, 12.9 cents; Johns-Manville Sales Corporation, 12.8 cents; Harry M. Condit, Jr., Company, 12.9 cents*; General Electric Supply Corporation, 12.9 cents; Graybar Electric Company, Incorporated, 12.9 cents.

300 3-Inch Couplings, "No Crete," or Equal, Each.—Wetmore-Savage Division Westinghouse Electric Service Company, 10.3 cents; Johns-Manville Sales Corporation, 10.2 cents; Harry M. Condit, Jr., Company, 10.3 cents*; General Electric Supply Corporation, 10.3 cents; Graybar Electric Company, Incorporated, 10.3 cents.

Total.—Wetmore-Savage Division Westinghouse Electric Service Company, \$1,320.90; Johns-Manville Sales Corporation, \$1,310.60; Harry M. Condit, Jr., Company, \$1,320.90; General Electric Supply Corporation, \$1,320.90; Graybar Electric Company, Incorporated, \$1,320.90.

Cash Discount, Ten Days.—Johns-Manville Sales Corporation, 2 per cent.

If Bidding on Other Than "No Crete," Bidder Will State Trade Name and Manufacturer of Material which he Proposes to Furnish.—Johns-Manville Sales Corporation, Transite conduit, Johns-Manville Corporation.

*Contract awarded.

AMENDED DAMAGES.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of November 27, 1937, as amended, determining damages caused by the making of the public improvement consisting of the laying out and construction of Arbroth street, be, and the same hereby is, amended, by adding to said order the amount \$20 as an award to Mary Byrne; that the amount \$20 be, and the same hereby is, awarded to Mary Byrne for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of November 21, 1928, determining damages caused by the making of the public improvement consisting of the relocation and construction of River street, be, and the same hereby is, amended, by striking from said order the amount \$120 awarded to Bell and Nelson, Incorporated, in said order and inserting in place thereof the amount \$240; that the amount \$240 be, and the same hereby is, awarded to Bell and Nelson, Incorporated, for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of December 31, 1937, determining that no person sustains damages by the making of the public improvement consisting of the laying out and construction of Rich street, be, and the same hereby is, amended, by striking out in the first and second lines of said order the words: "that no person sustains in his estate," and by striking out in the last line of said order the word: "no." That said order be further amended by adding thereto Frederick H. Smith, \$75. That the amount \$75 be, and the same hereby is, awarded to Frederick H. Smith for the damages sustained by the making of the said improvement.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for sewerage works to be constructed as follows:

The right and easement is taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city; trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within sixty days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are in that part of Boston formerly West Roxbury and are bounded as follows:

A parcel of land, supposed to belong to the City of Boston (Arnold Arboretum), bounded:

Southerly by Bussey street, eight feet; westerly by other land of the City of Boston, one hundred and seventy-four feet; northerly by a brook, eight feet; and easterly by other land of the City of Boston, one hundred and seventy-four feet, containing thirteen hundred and ninety-two square feet, more or less.

The sewerage works to be constructed are as follows: One hundred and seventy-four linear feet of twelve-inch pipe surface drain.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this Board determines that no person sustains damages in his estate by the taking of an easement for sewerage purposes in private land off Bussey street, West Roxbury district, under the order of the Board of April 24, 1940, and awards no damages therefor.

EXTEND MARKET LIMITS.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the Superintendent of Markets be authorized to extend the Faneuil Hall Market limits so that they shall include the following locations during the period from May 13, 1940, until such time in the year 1940 as in his opinion public convenience so requires:

South side of Faneuil Hall square, from Merchants row to Congress street, from 6.30 p. m. to 7 a. m.

So-called island bounded by North street, Merchants row and North Market street. Farmers to occupy south side and east side from 6.30 p. m. to 7 a. m.

East side of Merchants row, from North Market street to Clinton street, from 6.30 p. m. to 7 a. m.

The said Superintendent of Markets shall direct and control the placing of the vehicles of said farmers and truck gardeners in the said extension of Faneuil Hall Market limits. He shall further require and cause the sidewalks in said area to be kept clear for the passage of pedestrians.

CIVIL SERVICE EXAMINATIONS.
(STATE.)

STATE EXAMINERS OF ELECTRICIANS, 1940.

Examinations will be held at the following points and on the following dates:

Boston, Wednesday, June 5.
Boston, Wednesday, September 11.
Worcester, Thursday, September 12.
Springfield, Wednesday, October 16.
Pittsfield, Thursday, October 17.
Boston, Wednesday, November 13.
Lowell, Thursday, November 14.
Boston, Wednesday, December 4.
New Bedford, Thursday, December 5.
New Bedford, Friday, December 6.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes. Examination shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
WALTER F. DOWNEY,
ULYSSES J. LAPIEN,
ALBERT FRANK,
WALTER J. KENEFICK,

State Examiners of Electricians.

For application blanks or other information apply to State Examiners of Electricians, Room 303, 14 Beacon street, Boston, Mass.

FOR AIDING BOYS.

In an effort to lend a helping hand to misfit and underprivileged boys and to stem the alarming flow of young men into penal institutions and lives of crime, Big Brother Bureaus are being organized by the police departments of various cities. The International Association of Chiefs of Police urges all police jurisdictions to join the Big Brother League.

POLICE DEPARTMENT ORDERS.

General Order No. 475.

A trial board consisting of Captains Mullen, McKinnon and Egan, having heard by reference a complaint made by Capt. John J. McArdle, Division 17, against James A. Fleming, patrolman, Division 17, for alleged violation of the Rules and Regulations of the Police Department, charging him with conduct unbecoming an officer, has reported to the commissioner a finding of guilty as charged.

The commissioner accepts the finding of the Trial Board and hereby orders that the said Patrolman James A. Fleming be suspended from duty for a period of sixty days, effective as of 7.45 a. m., February 8, 1940.

General Laws, chapter 31, section 46C, requires approval of the Director of Civil Service before reinstatement.

Chapter 31.

"Section 46C. An officer or employee of the commonwealth or of a city or town who has become separated from the classified civil service through fault or delinquency of his own shall, within thirty days after the filing of a written request by the appointing officer, be entitled to a hearing before the director. Upon good cause shown the director may, subject to section forty-six G, authorize his reinstatement in the same position or in a position in the same class and grade as that formerly held by him."

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 476.

By General Order No. 474, dated May 7, 1940, Patrolman Francis S. Duffin, Division 3, was retired from active service, effective as of May 13, 1940, at 7.45 o'clock a. m.

It is hereby ordered that the effective date of retirement of said Patrolman Duffin be postponed from May 13, 1940, to Tuesday, May 28, 1940, at 7.45 a. m., in order that said Patrolman Duffin may be allowed two weeks' vacation, commencing May 14, 1940, and ending at the hour stated, May 28, 1940.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 477.

The following transfers are hereby ordered to take effect Thursday, May 16, 1940, at 7.45 o'clock a. m.:

Patrolman Michael F. Quinlivan, from Division 1 to Division 6.

Patrolman Wendell A. McKinnon, from Division 6 to Division 1.

Patrolman John F. Dacey, from Division 7 to Traffic Division.

Patrolman Patrick J. McGrail, from Traffic Division to Division 2.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 478.

A trial board consisting of Captains Mullen, Donovan and Harvey, having heard by reference a complaint made by Capt. Francis M. Tiernan, Division 11, against Karl R. Wieck, patrolman, Division 11, for alleged violation of the Rules and Regulations of the Police Department, charging him with conduct unbecoming an officer, has reported to the commissioner a finding of guilty as charged.

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman Karl R. Wieck be suspended from duty for a period of fifteen days, effective as of 7.45 a. m., April 23, 1940, and at the expiration of said suspension he perform 210 hours' punishment duty.

General Laws, chapter 31, section 46C, requires approval of the Director of Civil Service before reinstatement.

Chapter 31.

"Section 46C. An officer or employee of the commonwealth or of a city or town who has become separated from the classified civil service through fault or delinquency of his own shall, within thirty days after the filing of a written request by the appointing officer, be entitled to a hearing before the director. Upon good cause shown the director may, subject to section forty-six G, authorize his reinstatement in the same position or in a position in the same class and grade as that formerly held by him."

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

LAND-TAKING REVOKED.

The Mayor has approved the following vote of the Board of Street Commissioners:

Whereas, An order of the Board of Street Commissioners, approved by the Mayor December 1, 1938, and recorded in Suffolk Registry of Deeds December 3, 1938, provided for the taking of an easement for sewerage purposes in Neilian Crescent and private land in the West Roxbury district and the construction of 1,010 linear feet of 10-inch pipe sanitary sewer, 700 linear feet of 3-foot 3-inch and 3-foot circular concrete surface drain and 400 linear feet of 10 and 12 inch pipe surface drain therein; and

Whereas, The Public Works Department, under date of May 6, 1940, has informed this Board it is unnecessary at this time for public necessity to construct sewerage works in that part of Neilian Crescent, beginning at a point approximately 225 feet northwest of Pond street and extending southwesterly and thence southeasterly to the southerly line of said taking; it is hereby

Ordered, That said part of said order providing for the construction of sewerage works in the above-mentioned portion of said taking, be, and the same hereby is, revoked and made void.

Ordered, That the assessment liens created by said order of December 1, 1938, be, and the same hereby are, canceled in part.

Approximate amount of contract, \$3,061.65. Discount, 2 per cent, ten days.

Respectfully yours,

JOHN A. BREEN, Superintendent of Supplies.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, parking of vehicles is prohibited in the following streets, effective May 10, 1940:

Athol Street, Brighton.

West side, from Brentwood street to

Holton street, 7 a. m. to 6 p. m.

Brentwood Street, Brighton.

South side, from Athol street to

Everett street, 7 a. m. to 6 p. m.

Holton Street, Brighton.

North side, from Athol street to

Everett street, 7 a. m. to 6 p. m.

Voted, That as urgently required by considerations of public safety and convenience, the temporary traffic regulation which was adopted May 7, 1940, for the period of bridge repairs, estimated to be thirty (30) days, and which was effective May 8, 1940, making Broadway, Boston and South Boston, a one-way street from Dorchester avenue to Albany street, is hereby amended by adding the following at the end:

The provisions of the above one-way rule do not apply to Boston Elevated Railway buses, which may be operated in both directions.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the following street is one way in the direction indicated, effective May 20, 1940:

Seminary Street, Charlestown.

From Lawrence street to Austin street.

Voted, That the Revised Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 27, 1940:

Section 13, Part 2, is amended so that it reads as follows:

2. Subject to sections 7, 8, 12, 16 and 18 and between the hours of 7 a. m. and 1 a. m., vehicles may park without time limit in the following place and in the manner specified:

Northern Avenue, South Boston.

Northeast side, from Sleeper street to a point fifteen hundred (1,500) feet southeast of Sleeper street; vehicles may be placed at an angle to the curb or edge of roadway, with right front wheel to the curb or edge of roadway.

Section 13A is amended by inserting after the numeral "8", in line 1, "8A", so that the first phrase in the first sentence reads as follows: Subject to sections 7, 8, 8A and 16.

Section 14 is amended by inserting after the numeral "8", in the first phrase of the preamble, "8A, 16 and 18", and by striking out the word "and" before the numeral "8", so that the preamble reads as follows:

Subject to sections 7, 8, 8A, 16 and 18, and between the hours of 7 a. m. and 6 p. m. of any day, except Sundays and public holidays, no vehicle shall be parked in the following street unless the same is in direct charge of a driver.

PROCEEDINGS OF CITY COUNCIL.

Monday, May 6, 1940.

Regular meeting of the City Council in the Council Chamber, City Hall, at two p. m., President GALVIN in the chair. Absent, Coun. Englert and Ward.

The members took the oath to the flag.

JURORS DRAWN.

Jurors were drawn, under the law, Coun. TAYLOR presiding at the jury box in the absence of the Mayor, as follows:

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments, viz.:

Constables for term of one year, beginning with first day of May, 1940, with authority to serve civil process upon the filing of the necessary bond: Samuel Creidenberg, 111 Queensberry street, Ward 21; Charles B. Broad, 94 Corey road, Ward 21; George W. Pierce, 296 Dudley street, Ward 8; Samuel Semiansky, 27 Havelock street, Ward 14.

Constable for term of one year, beginning with the first day of May, 1940, without power to serve civil process and to serve without bond: Dennis P. Glynn, 10 Linden Park street, Ward 9.

Weigher of Coal: Theodore W. Combis, 62A Willow avenue, Somerville, Mass.

Weighers of Goods: John T. Shanahan, 92 Berkshire street, Cambridge, Mass.; John Lowney, 8 Washington square, Charlestown, Mass.; Philip H. Sheridan, 70 Alder street, Waltham, Mass.

Severally laid over a week under the law.

ADDITIONAL LIGHTS, COMMONWEALTH AVENUE.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 22, 1940, concerning the installation of additional lights on Commonwealth avenue, in the Brighton-Allston district.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 2, 1940.

Mr. William T. Doyle,

Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of

Public Works install additional lights on Commonwealth avenue, in the Brighton-Allston district.

This will advise you that upon investigation I find that this street is well lighted and there is no immediate need for additional lights.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

RESURFACING BURMAH STREET, WARD 18.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 15, 1940, concerning the resurfacing with smooth paving, under W. P. A. type of construction, Burma street in Ward 18.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 1, 1940.

Mr. William T. Doyle,

Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works resurface with smooth paving, under W. P. A. type of construction, Burma street in Ward 18.

This will advise you that this street is a private way and should be accepted by the Board of Street Commissioners before this department can do any construction work therein.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

RESURFACING INGLESIDE STREET, WARD 13.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 15, 1940, concerning the resurfacing of Ingleside street, Ward 13, and install sidewalks thereon, as a W. P. A. project.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 2, 1940.

Mr. William T. Doyle,

Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works resurface Ingleside street, Ward 13, and install sidewalks thereon, as a W. P. A. project.

This will advise you that this street will be submitted for approval on a W. P. A. project for construction this year.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

RESURFACING EASTBURN STREET, WARD 22.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 15, 1940, concerning the resurfacing with smooth paving of Eastburn street, Ward 22, under the W. P. A. type of construction.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 2, 1940.

Mr. William T. Doyle,

Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works resurface with smooth paving Eastburn street, Ward 22, under the W. P. A. type of construction.

This will advise you that this street will be submitted on a W. P. A. project for approval for construction this year.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

CLEANING OF WARD 13 STREETS.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 15, 1940, concerning the cleaning of all streets in Ward 13 as soon as possible.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 2, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 29, concerning order in City Council, under date of April 15, 1940, as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to provide for the cleaning of all streets in Ward 13 as soon as possible."

In this connection, I find that all streets in Ward 13 have been cleaned at least once since April 11, 1940, and that, under present conditions, all streets will be cleaned every ten days, and main streets twice a week in this section.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

IMPROVEMENTS, CANTERBURY STREET, WARD 18.

The following was received:

City of Boston,
Office of the Mayor, April 30, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 22, 1940, concerning the resurfacing of the roadway and installing of sidewalks on Canterbury street, from Mt. Calvary road to Cummins Highway, in the Mount Hope section of Ward 18.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 2, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works resurface the roadway and install sidewalks on Canterbury street, from Mt. Calvary road to Cummins Highway, in the Mount Hope section of Ward 18.

This will advise you that a lien order for the installation of cement sidewalks in the above location has been approved by his Honor the Mayor and the roadway will be constructed at the time of the installation of the sidewalks.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

MILTON AVENUE, WARD 18.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 15, 1940, concerning the construction of Milton avenue, in the Ward 18 section of Boston, under W. P. A. construction.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 2, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works finish construction of Milton avenue, in the Ward 18 section of Boston, under W. P. A. construction.

At the present time there are two unfinished sections of this street and both are private

ways. The matter of acceptance is one which should be taken up with the Board of Street Commissioners, 401 City Hall Annex, Boston, as this department can do nothing in the matter of construction until these portions have been accepted.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

SIDEWALK, INWOOD STREET, WARD 15.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 22, 1940, concerning the installation of a black tar sidewalk on Norton street, from No. 35 to the rear of No. 23 Inwood street, Ward 15.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 2, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works install a black tar sidewalk on Norton street, from No. 35 to the rear of No. 23 Inwood street, Ward 15.

This will advise you that this work will be submitted for approval on a W. P. A. project for construction this year.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

ADDITIONAL LIGHTING, WARD 21.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 22, 1940, concerning the lighting department putting in additional lighting service on Park Drive, Queensberry and Peterborough streets, in Ward 21.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 2, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the lighting department put in additional lighting service on Park Drive, Queensberry, and Peterborough streets, in Ward 21.

This will advise you that upon investigation I find that the above-named streets are, at the present time, well lighted and there is no immediate need for any additional lights.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

RESURFACING WARD 15 STREETS.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 22, 1940, concerning the resurfacing of the following streets in Ward 15 as W. P. A. projects:

Maryland street, Clarkson street, Longfellow street, Fox street, from Adams to Percival streets.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 2, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works resurface the following streets in Ward 15 as W. P. A. projects:

Maryland street, Clarkson street, Longfellow street, Fox street, from Adams to Percival streets.

This will advise you that these streets have been considered for reconstruction this year

and will be submitted for approval on a W. P. A. project for reconstruction.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

WITHHOLDING OF APPROVAL OF APPOINTMENT.

The following was received:

City of Boston,
Office of the Mayor, May 5, 1940.
To the City Council.

Gentlemen,—I submit herewith letter from the Budget Commissioner relative to your order of April 29, 1940, concerning the withholding of the approval of the appointment of a non-resident as Superintendent of the Index Commissioners.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Budget Department, May 2, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—You have forwarded to this office for consideration and report order of the City Council, dated April 29, 1940, requesting that the Budget Commissioner, through his Honor the Mayor, withhold approval of the appointment of a non-resident as Superintendent of the Index Commissioners.

The following letter was sent to the Index Commissioners on April 24, 1940:

"Index Commissioners, Registry of Deeds, Court House, Pemberton Square, Boston. Attention Mr. Edward W. Bancroft, Chairman.

Gentlemen,—Receipt is acknowledged of your letter of April 18, 1940, concerning the proposed appointment of Frederick W. Kurth, 15 Wildwood road, Milton, as Superintendent of the Department of Index Commissioners. In view of the recent agitation for residential requirements for employees of the City of Boston and for the County of Suffolk, I would respectfully suggest that the Board give further consideration to the selection of a superintendent, and if at all possible, recommend a resident of the City of Boston and the County of Suffolk for this position.

Very truly yours,

FRANCIS X. LANG,
Budget Commissioner."

The City Council may rest assured that this matter will receive my complete attention.

Very truly yours,

FRANCIS X. LANG,
Budget Commissioner.

Placed on file.

PLAYGROUND, WARD 20.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 29, 1940, concerning the establishing of a playground on city-owned land, known as Prouty's Hill, at the corner of Centre and Weld streets, Ward 20.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 3, 1940.

Mr. William J. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 1, with inclosure, order from the City Council regarding the advisability of establishing a playground on Prouty's Hill, so called, and I regret to inform you this land is not under the jurisdiction of this department.

To the best of my knowledge and belief it is under the control of the Arnold Arboretum authorities, which have a lease of this area for 999 years and which would prohibit the use of the area for playground purposes.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

WADING POOL, WARD 8.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 29, 1940, concerning the formulating plans for the erection of a wading pool on the grounds adjacent to the North Bennet Street Bath House, Ward 8.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 2, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 1, with inclosure, order from the City Council regarding the construction of a wading pool on the grounds adjacent to the North Bennet Street Bath House.

I regret to inform you that the area is not large enough for a swimming pool. The terrain of the ground is not suitable and the fact it is adjacent to a schoolhouse, with the possibility of undermining same, I feel would be very inadvisable to construct a wading pool at this point.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

WILLIAM AMERENA PLAYGROUND, EAST BOSTON.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 29, 1940, concerning the erection of a wire fence around William Amerena Playground, in the Jeffries Point section of East Boston.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 3, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 3, with inclosure, order from the City Council to erect a wire fence around William Amerena Playground, in the Jeffries Point section.

I regret to inform you that the department has no funds available for this purpose. A number of changes will eventually be made in this section and when the project is submitted to the Federal Government, the fence will be added to the project, which may be accepted by the government.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

BLEACHERS ON WARD 22 PLAY- GROUNDS.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Chairman of the Park Department relative to your order of April 29, 1940, concerning the making of a survey as to the advisability of constructing bleachers on the various playgrounds in Ward 22.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 3, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 3, with inclosure, order from the City Council requesting the department to make a survey of the proposed bleachers on the various playgrounds in Ward 22.

Please be informed that a survey will be conducted immediately.

On one of the playgrounds in Ward 22 there will be objections from the abutters as the bleachers would have to be erected adjacent to their property.

In the William F. Smith Playground on Western avenue and the Rogers Park Playground on Lake street, surveys will be made.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

CHARLES STREET BEACH, WARD 3.

The following was received:

City of Boston,
Office of the Mayor, April 30, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Chairman of the Park Department relative to your order of April 29, 1940, concerning the making of a survey of the conditions at the Charles Street Beach, Ward 3.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 3, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 1, with inclosure, order from the City Council that the Park Department make a survey of the conditions on the Charles Street Beach, Ward 3, and make recommendations for the erection of lockers for the bathers.

I am pleased to inform you that the beach will be in readiness for bathing purposes on or about June 15.

There are no funds available for the erection of a locker building, but I will be pleased to have a survey made as to the cost of construction of a building of this kind.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

SIDEWALKS, CLEVELAND CIRCLE PLAY- GROUND.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 22, 1940, concerning the provision for sidewalks around the Cleveland Circle Playground.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, April 30, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 27, with inclosure, order from the City Council that the Park Department provide sidewalks around the Cleveland Circle Playground.

Please be informed the request will be immediately investigated and every consideration given to it.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

RESANDING CHARLES STREET BEACH, WARD 3.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 15, 1940, concerning the resanding of the beach on Charles street, Ward 3.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 1, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 29, with inclosure, order from the City Council concerning the resanding of the beach on Charles street.

The contract for resanding the beach has not expired, but it will be completed before June 15. The necessary amount of sand will have to be in position by that time.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

REPAIRS, CAROLINA AVENUE PLAY- GROUND.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 22, 1940, concerning the making of needed repairs to the benches on the playground at Carolina avenue, Ward 19.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, April 30, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 27, with inclosure, order from the City Council to repair benches on the Carolina Avenue Playground.

Please be assured it will be a pleasure to comply with the request of the councilors at the earliest possible moment.

We have about sixty-five playgrounds, the Common and various other places where seats

have to be repaired after the winter. The department forces are getting at them as fast as they possibly can.

A W. P. A. project to repair the seats in the department was turned down by the Federal authorities for the reason it is "departmental maintenance," and would not be recognized as a project.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

FIELD HOUSE, DORCHESTER PARK, WARD 17.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 29, 1940, concerning the opening of the field house at Dorchester Park, Dorchester avenue, Ward 17, daily, and also to provide swings for small children and sand boxes.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 2, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 1, with inclosure, order from the City Council concerning the opening of the field house at Dorchester Park, and providing swings, etc.

Please be informed the field house will be opened daily and the swings will be provided at the opening of the children's playground, which is supervised by the School Department.

Sand boxes are prohibited on any of our playgrounds, due to the danger of sand being thrown into the children's eyes and ears, etc.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

ADDITIONAL PLAYGROUND EQUIPMENT.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 15, 1940, concerning the installation of sand boxes, teeter boards and other playground equipment for small children on all playgrounds throughout the city.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 1, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 29, with inclosure, order from the City Council that the Park Department install sand boxes, teeter boards and other playground equipment for small children on all playgrounds throughout the city.

The installation of swings and teeter boards come under the School Committee and are established on the children's playgrounds; the work is done by the Park Department employees and paid for by the School Department.

This work is going on now as rapidly as possible. The sand boxes were discontinued many years ago and it is inadvisable to install same due to the number of injuries received by small children, the sand being thrown in their eyes, ears, etc.

Very truly yours,

WILLIAM P. LONG, Chairman.

Placed on file.

IMPROVEMENTS, CHESTER PARK, WARD 9.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 15, 1940, concerning the making of the necessary improvements at Chester Park, said park being located on Massachusetts avenue, Ward 9.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 1, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 29, with inclosure, order from the City Council that the Park Department renovate Chester Park.

Upon the completion of the proposed street widening, a project will be prepared to comply with the councilor's request.

Very truly yours,
WILLIAM P. LONG, Chairman.

MASSACHUSETTS AVENUE RESERVATION.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 15, 1940, concerning the making the necessary improvements, such as reseeding, etc., on the reservation on Massachusetts avenue, between Washington street and Columbus avenue, Ward 9.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 1, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Sir,—I have your memorandum of April 29, with inclosure, order from the City Council that the Park Department make the necessary improvements on the reservation on Massachusetts avenue, between Washington street and Columbus avenue.

Upon the completion of the proposed widening, this area will be completely renovated.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

CHARLES STREET PLAYGROUND.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 15, 1940, concerning the resurfacing the playground on Charles street and placing the grounds in first-class condition for the use of adults and children during the summer months.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 1, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Sir,—I have your memorandum of April 29, with inclosure, order from the City Council to resurface the playground on Charles street and place the grounds in first-class condition, etc.

Please be informed there is no resurfacing required and the area will be put in proper condition for the use of adults and children.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

IMPROVEMENTS, ROBERTS PLAYGROUND, WARD 17.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 15, 1940, concerning the erection of a bubbler fountain at the back steps of the field house in Roberts Playground, Ward 17, and also that a sprinkler system be installed.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 1, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 29, with inclosure, order from the City Council that the Park Department cause to be erected a bubbler fountain at the back steps of the field house, Roberts Playground; also a sprinkler system be installed to keep down the dust.

The department will be pleased to install a drinking fountain but not on the back steps; it would be very inadvisable to construct a drinking fountain and steps leading to the field house for the reason that drinking fountains at their best cause a great deal of moisture, which would naturally make the steps dangerous; for that reason it would not be an ideal position for a drinking fountain.

Further consideration will be given to the request of a sprinkler system and if the city's

contribution for a project of this kind would not be too large, appropriate action will be taken.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

PLAYGROUND REAR OF DORCHESTER HIGH SCHOOL.

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 15, 1940, concerning the construction, as a W. P. A. project, of a small children's playground (for children of twelve years and under) on the now unoccupied field in the rear of the Dorchester High School for Girls and owned by the School Buildings Department.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 1, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Sir,—I have your memorandum of April 29, with inclosure, order from the City Council that the Park Department construct a small children's playground on the unoccupied field in the rear of the Dorchester High School.

I regret to inform you this area does not come under the jurisdiction of the Park Department, and by a decision of the Law Department, the School Department, who owns the land (which was purchased for school purposes), cannot transfer same to the Park Department for playground purposes without an act of the Legislature.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

BLACKSTONE PARK, WARD 9.

The following was received:

City of Boston,
Office of the Mayor, May 4, 1940.
To the City Council.
Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of April 15, 1940, concerning the putting Blackstone Park, located in the South End section of Ward 9, in proper condition.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 1, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of April 29, with inclosure, order from the City Council that the Park Department place Blackstone Square in proper condition.

Please be assured Blackstone Square will be taken care of by our regular force in conjunction with all the other squares in the South End, and we will endeavor to obtain proper police protection, necessary to properly supervise the area.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

TRANSFER WITHIN PENAL INSTITUTIONS DEPARTMENT.

The following was received:

City of Boston,
Office of the Mayor, May 6, 1940.
To the City Council.

Gentlemen,—The attached request for transfer within appropriations of the Penal Institutions Department is necessary because of the pensioning of an employee of that department, not a member of the Retirement System, and pensioned under the provisions of chapter 32 of the General Laws. This pension was not approved until after passage of the budget by your Honorable Body and could not have been anticipated.

I am forwarding herewith an order transferring the sum of \$1,085.92 from the A. Personal Service, group of the Penal Institutions Department, Office Expenses, budget, to the F. Special Items, group of the Penal Institutions Department, Steamer "Michael J. Perkins," budget, and recommend its adoption by your Honorable Body.

Respectfully,
MAURICE J. TOBIN, Mayor.

Ordered, That under authority of chapter 261 of the Acts of 1893, the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Penal Institutions Department, Office Expenses, A. Personal Service, \$1,085.92, to the appropriation for Penal Institutions Department, Steamer "Michael J. Perkins," F. Special Items, \$1,085.92.

Referred to Executive Committee.

SALE OF HORSES AND EQUIPMENT, LONG ISLAND.

The following was received:

City of Boston,
Office of the Mayor, May 6, 1940.
To the City Council.

Gentlemen,—I submit herewith an order for the sale of eight horses, six wagons and various stable equipment now at Long Island. I am informed by the Commissioner of the Institutions Department that in order to house these horses it will be necessary to construct a new barn on Long Island. In view of the fact that work now performed by these horses can be more efficiently performed by automobiles, I am in agreement with the Commissioner of Institutions that these horses and equipment should be disposed of.

Consequently, I respectfully request approval of your Honorable Body of the accompanying order.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Institutions Department, April 25, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—We have at Long Island eight horses, six wagons, together with considerable stable equipment. If your Honor is committed to the disposal of these horses, would you please submit a request to the City Council to be acted on at next Monday's meeting, granting me authority to sell these at public auction.

Yours respectfully,
HUGH J. CAMPBELL, Commissioner.

Ordered, That the Commissioner of Institutions be authorized to sell at public auction eight horses, six wagons and various stable equipment at the Long Island Hospital, for an upset price of \$2,000.

Referred to Executive Committee.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

William Altobello, for compensation for damage to car caused by an alleged defect in Dover Street Bridge.

Frances Brown, for compensation for injuries caused by shot fired by police officer.

R. S. Burns, for compensation for injuries caused by an alleged defect in Ringer Playground.

Eileen Corcoran, for compensation for injuries caused by an alleged defect in Hyde Park avenue.

William T. Courtney, for compensation for damage to car by city truck.

Joseph DeBole, for refund on ice cream license.

Dorothy Donnelly, for compensation for injuries caused by an alleged defect in Huntington avenue.

Abraham Finkel, for compensation for damage to property at 517 Warren street, Roxbury, caused by break in water main.

Robert W. Foster, for refund on special police permit.

A. Gostanian, for refund on milk license.

Hollywood Barbeque Company, to be reimbursed for loss of business by blocking entrance by pipes.

Louis Waldman, for refund on ice cream license.

Committee on Licenses.

Petitions for driveway openings:

Irene Craig, 549 Huntington avenue, Ward 4.

Maggio Ice Company, Inc., 87 Kemble street, Ward 8.

Milton Motor Mart, Inc., at 2260-2266 Dorchester avenue, Ward 17.

Executive.

Petitions for children under fifteen years of age to appear at places of public amusement, viz.:

Maria Paporello, Jordan Hall, May 21.

Lilla Viles Wyman, Repertory Theatre, June 7.

Ruth M. McShane, Municipal Building, South Boston, June 7.

Mildred Davenport, Jordan Hall, May 24.

INDEMNITY BOND FOR WORK AT BELLEVUE RESERVOIR.

A communication was received from the Metropolitan District Commission inclosing bond of indemnity from Pioneer Painting and Maintenance Company, contractor, of New York City, on contract for painting steel tank and miscellaneous steelwork at Bellevue Reservoir, West Roxbury.

Placed on file.

APPROVAL OF CONSTABLES' BONDS.

The bonds of the following-named constables having been duly approved by the City Treasurer, were received and approved, viz.:

Carl Birger, Francis E. Brown, Arthur E. Brynes, Edgar F. Callahan, Daniel B. Carmody, Robert E. Donlan, John F. Goff, David B. Kaplan, Abraham Landfield, Frank A. Mitchell, Nachman Perlman, Max Rabinovitz, Jacob E. Schrank, Joseph L. Shurtleff, Henry J. D. Small, Walter J. Stewart, Jerome Suvalle, Benjamin J. Tackeff, David Tobey, Joseph Todisco, Frank F. Wennerstrand, Sidney Williams.

APPOINTMENTS BY THE MAYOR.

Notice was received of the following appointments by the Mayor, viz.:

Frank W. Buxton, 20 Sutherland road, Brighton, member of Board of Trustees of Library Department, for term ending April 30, 1945.

Cornelius J. Murphy, 281 Beech street, Roslindale, to be member of Board of Trustees of Statistics Department, for term ending April 30, 1945.

Philip J. Feinberg, 29 Cummings road, Boston, to be member of Board of Overseers of Public Welfare, for term ending April 30, 1943.

William J. Finn, 311 Fairmount avenue, Readville, to be member of Board of Overseers of Public Welfare, for term ending April 30, 1943.

Mary Louise R. Harwood, 49 Beacon street, to be member of Board of Overseers of Public Welfare, for term ending April 30, 1943.

Margaret Gookin, 355 Seaver street, Dorchester, to be member of Board of Overseers of Public Welfare, for term ending April 30, 1943.

Thomas F. Sullivan, 1736 Columbia road, South Boston, to be Commissioner of Transit Department, for term ending April 30, 1943.

John P. O'Hearn, 287 Ashmont street, Dorchester, as Principal Assessor, for term ending March 31, 1945.

George H. Edgell, 465 Huntington avenue, Boston, to be member of Art Commission, for term ending April 30, 1945, being named by Boston Society of Architects.

Carl Dreyfus, 312 Dartmouth street, to be member of Board of Trustees of City Hospital, for term ending April 30, 1945.

William P. Long, 44 Tower street, Forest Hills, to be member of Board of Park Commissioners, for term ending April 30, 1943.

William P. Hickey, 931 East Fourth street, South Boston, to be Commissioner of Traffic Department, for term ending April 30, 1944.

Joseph P. Donahoe, 1528 Dorchester avenue, Dorchester, to be Commissioner of Penal Institutions Department, for term ending April 30, 1944.

Severally placed on file.

HYDE PARK RAILROAD SERVICE.

Coun. GOODE offered the following:

Resolved, That it is the opinion of the City Council of the City of Boston that the proposed curtailment of service to the Hyde Park district by the New York, New Haven & Hartford Railroad Company, not only is in violation of the absolute present and future needs of that district, but evidence that the railroad is attempting to cut costs of operation at the expense of citizens of Boston; and be it further

Resolved, That the Public Utilities Commission hold public hearings on said proposed curtailment of service, so that all interested parties may have an opportunity to be heard in objection to this arbitrary defiance of the needs of the citizens of Hyde Park.

Coun. GOODE—Mr. President, despite the fact that the Utilities Board have failed to notify members of the Legislature from Hyde Park as required by law, before approval of a new schedule in train service, the New Haven Railroad will today attempt to curtail railroad service to Hyde Park and Dedham. This is another example of how the Utilities Board are doing more for the large corporations than they are for the people whom they are supposed to represent. It certainly is time that the Board discontinued making a vocational lethargy of their jobs. Hyde Park is a fast developing section of Boston. Plans have been completed to build 1,000 new homes in this section. Instead of having service terminated in this section an effort should be made to have hourly service in this section. Four trains will be dropped under the new schedule. Train service that has been a traditional part of Hyde Park itself. Thousands will be inconvenienced if this new schedule goes into effect. The members of the City Council undoubtedly know that the future of the City of Boston lies in the suburbs and the maintaining of adequate service and transportation to and from these parts of greater Boston. Senator Burke has filed a bill in equity in Suffolk Superior Court in an attempt to restrain the New Haven Road from revising this train service. I sincerely request that the City Council adopt this resolution and cooperate with the thousands of persons already up in arms and against this move.

Ordered, That President Galvin appoint a City Council committee to cooperate in demand for increased service by the New York, New Haven & Hartford Railroad to the residents of Hyde Park.

Ordered, That Thomas Dorgan, Legislative Agent for the City of Boston, cooperate with Hyde Park residents in their demand for increased train transportation.

Resolved, That the City Council of Boston favors a trial period of one month during which residents of Hyde Park will receive hourly service to and from Boston over the New York, New Haven & Hartford Railroad lines; and be it further,

Resolved, That a copy of this resolution be forwarded immediately to the Public Utilities Commission.

Coun. GOODE, GALVIN, SULLIVAN, KELLY, FISH AND COFFEY offered the following:

Ordered, That the Corporation Counsel, through his Honor the Mayor, be requested to assign a representative of the City Law Department to appear at the hearing to be held later this week by the Massachusetts Department of Public Utilities and support Hyde Park residents in their demand for increased train service by the New York, New Haven & Hartford Railroad.

The foregoing orders and resolutions were severally passed under a suspension of the rules.

YOUTH CENTER, SOUTH BOSTON.

Coun. LINEHAN and SCANNELL offered the following:

Ordered, That the trustees of the George Robert White Fund be requested, through his Honor the Mayor, to consider the ad-

visability of constructing a Youth Center in the South Boston district, the expense of same to be met from the income of the George Robert White Fund.

Coun. LINEHAN—Mr. President, I thought last week, in the matter of recreational facilities for South Boston, that we might have arrived at a rather uncertain stage, but since then I have been inquisitive enough to follow along with the suggestion of the writer in a local paper and look into a decision by a judge of the Probate Court in 1937. At the outset I would like to tell the members of the Council that I have quite a few typewritten sheets here that I think would furnish valuable information to the members of the Council, but as it is a hot day I would ask unanimous consent to permit this matter to be included in our record, for examination and study by the members of the Council. (The consent requested was granted.) The petition for instructions is as follows:

COMMONWEALTH OF MASSACHUSETTS.
SUFFOLK, SS. Probate Court
No. 201164

THE CITY OF BOSTON
(as it is Trustee under the Fourteenth Clause of the Will of George Robert White)

and
FREDERICK W. MANSFIELD et al.
(as they are denominated as Trustees under the Fourteenth Clause of the Will of George Robert White)

PAUL A. DEVER (as he is Attorney General of the Commonwealth of Massachusetts).

Petition for Instructions.

Now come your petitioner City of Boston, a municipal corporation as it is Trustee under the Fourteenth Clause of the Will of George Robert White, and your petitioners Frederick W. Mansfield, as he is Mayor of the City of Boston, John I. Fitzgerald, as he is President of the City Council of the City of Boston, Charles J. Fox, as he is City Auditor of the City of Boston, Eliot Wadsworth, as he is President of the Chamber of Commerce, and Bentley W. Warren, as he is President of the Bar Association of the City of Boston, as they are denominated Trustees under the Fourteenth Clause of the Will of George Robert White, and respectfully represent to this Honorable Court as follows:

1. George Robert White, late of Boston, died testate on January 2, 1922. A copy of the will of said testator dated December 30, 1919, and of the codicil thereto dated May 21, 1920, is hereto attached, made a part hereof and marked "A". Said will and codicil were allowed by a decree of this Court on March 2, 1922.

2. Article Fourteenth of said will contains the following provision:

"Whereas my sister Mary E. Sullivan has died, and I have otherwise provided for my sister Harriet J. Bradbury, I do now carry out by immediate gift my public charitable purpose which in previous wills I had provided for in remainder, and I do now give all the rest and residue of my property of every nature to the City of Boston, the same to be held as a permanent charitable trust fund to be known as the George Robert White Fund, and the net income only to be used for creating works of public utility and beauty, for the use and enjoyment of the inhabitants of the City of Boston. It is my intention that no part of said income, however, shall be used for a religious, political, educational or any purpose which it shall be the duty of the City in the ordinary course of events to provide.

The control and management of said Fund and the disbursement of the income shall be in the hands of a Board of five trustees to consist of the Mayor, who shall be its chairman, the President of the City Council, the City Auditor, the President of the Chamber of Commerce and the President of the Bar Association of the City of Boston. If by the reason of the abolition of any one or more of these offices or the declination or resignation of any one or more of the persons holding them for the time being a vacancy or vacancies shall occur, I direct that such vacancies shall be filled by the remaining members of the board, by the election of the persons whose respective positions and duties shall in the opinion of the board most nearly correspond therewith. As this is a public charitable gift to the City of Boston, it is my intention that the City shall at all times be officially represented by a majority of the board of trustees charged with its management.

The business of the Fund shall be transacted through the regular departments of the City, viz. the Treasurer, Auditor, Corporation Counsel, etc., and a suitable office or offices for the use of the trustees shall be provided for

them by the City in the City Hall or elsewhere, in which shall be kept all books and records of every nature relating to the management of the Fund, properly indexed and readily accessible during business hours for the reasonable inspection of citizens, so that all who so desire may have full knowledge of the conduct of the Business of the Fund. I direct that said income shall not be anticipated or pledged beyond the amount actually in hand, but it may be accumulated for any purpose within the scope of the gift, and successive accumulations may be applied to the same object. Any work or works established from the Fund may be improved, extended, enlarged or added to from time to time, but the current expense of their care and maintenance shall be borne by the City. I also direct that no part of said income shall be mingled with other funds or applied in joint undertakings; but that each work established under this gift shall be separate and distinct, and shall always bear in a conspicuous place a suitable inscription identifying it as erected or established from said George Robert White Fund. If for any reason, the principal of said Fund shall at any time become impaired, the income shall be allowed to accumulate until such impairment shall have been made good.

Inasmuch as I believe an enlightened public opinion to be the most effective safeguard for the preservation and maintenance of such a charitable fund and the best guide to its effective use, I direct that at least once a year the trustees shall cause to be published in most if not all of the daily newspapers of general circulation in Boston a full and comprehensive report, duly audited, and signed and sworn to by at least three of their number, setting forth the receipts, disbursements and investments of the Fund and a copy of this fourteenth article of my will establishing it.

In order to diminish the chance of hasty or unconsidered action in the expenditure of income, I believe that no substantial expenditure should be made for any purpose until it shall have been under consideration by the trustees for at least three months.

As it is probable that said Fund will consist in greater part of real estate centrally situated in the City of Boston which is reasonably sure to increase in value, I urgently recommend that such real estate be not sold for a period of at least one hundred (100) years, that leases of the same shall be subject to revaluations as a basis of rentals every ten (10) years and where necessary shall provide for rebuilding by the lessees, that the real estate shall not be mortgaged, and the buildings thereon shall be kept fully insured.

If any clause or provision of the foregoing charitable gift should be found to be invalid in law, it shall not invalidate the gift as a whole but shall so far as possible be construed as an expression of my general intent.

While I think that Boston has now few, if any, superiors in beauty and in the many privileges it affords to its citizens, yet I believe it has greater possibilities for the future, and there are several public blessings among those afforded by other cities,—such as a zoological garden and handsome buildings therefor, an aquarium, a forum of substantial proportions for public gatherings, etc.,—which we do not possess. It is with such things as these in mind that I have established the foregoing trust fund.

I can conceive that pressure might be brought to bear to use the income of this Fund for small and comparatively unimportant needs, which might be equally deserving and technically within the general scope of the Trust as heretofore expressed. A use of it for such purposes to any substantial extent would be contrary to my intention, which is that its income, accumulated if need be for a time long enough to make it sufficient, should be used only for important civic improvements.

I suggest that printed copies, in convenient pamphlet form of this the fourteenth article of my will be kept at the office of the trustees of the Fund for free distribution to citizens of Boston.

3. On or about March 13, 1922, by an order of the City Council, approved by the Mayor, the bequest and devise to your petitioner City of Boston under the Fourteenth Clause of said will were duly accepted in the name and behalf of your said petitioner City of Boston and in accordance with the terms and conditions imposed in said will.

4. There is now in the possession of your petitioners, who have been denominated as Trustees under the Fourteenth Clause of said Will of George Robert White, accumulated net income which, under the terms of said Fourteenth Clause may now be used for the purposes set forth therein.

5. On March 19, 1937, chapter 111 of the Acts of the Commonwealth of Massachusetts for the year 1937 became law. Said chapter 111 provides as follows:

SECTION 1. Upon the construction or erection and establishment by the City of Boston, acting by and through the board of trustees of the George Robert White Fund and under and in accordance with the provisions of article fourteenth of the will of said George Robert White, of any work of public utility and beauty for the use and enjoyment of the inhabitants of said city, said city, acting by and through the head of the department in whose charge and control the same shall be placed, if permissible under the provisions of said will, may, in connection with any demonstration, lecture, athletic contest or athletic or other exhibition therein, charge a fee for admission thereto; provided, that the aggregate amount of such fees charged at any such work in any fiscal year shall not exceed the expense of the care and maintenance thereof during such year. Such fees shall be applied by said city only toward meeting the expense of said care and maintenance.

SECTION 2. This act shall take effect upon its passage.

Approved March 19, 1937.

6. Your petitioners are in doubt as to whether or not your petitioner, City of Boston, acting through your petitioners who have been denominated as Trustees under the Fourteenth Clause of said will, is authorized under the terms of said will to use a portion of said accumulated income to construct and suitably equip a structure, commonly known as a planetarium, and as to whether or not if your petitioner, City of Boston, is so authorized, it may consistently with the terms of said will charge admission fees to lectures and demonstrations in such planetarium in accordance with and subject to the provisions of said chapter 111 hereinbefore in paragraph 5 hereof set forth.

7. Your petitioners are further in doubt as to whether or not your petitioner, City of Boston, acting through your petitioners, who have been denominated as Trustees under said Fourteenth Clause, is authorized, under the terms of said will, to use a portion of said accumulated income to construct and suitably equip a building, known as a Youth Center, wherein may be enjoyed lectures, athletic games, contests and other recreation and from which, as headquarters, may be directed, recreational activities of youths who are inhabitants of the City and as to whether or not if your petitioner the City of Boston is so authorized, it may, consistently with the terms of said will, charge admission fees to lectures, demonstrations, athletic contests or athletic or other exhibitions in such Youth Center in accordance with and subject to the provisions of said chapter 111 hereinbefore in paragraph 5 hereof set forth.

8. At a meeting of your petitioners, who have been denominated as Trustees as aforesaid, duly called and held on March 23, 1937, the following vote was passed,—

Voted: That in the judgment of the Trustees the construction of a Planetarium or a Youth Center from the income of the George Robert White Fund is desirable and would be for the benefit of the public, and to request the Corporation Counsel of the City of Boston to ascertain from the Probate Court whether the establishment of a Planetarium or a Youth Center, from the income of this Fund, would come within the terms of the will of the late George Robert White and also whether the City of Boston could charge admission fees to the same, and that the matter be deferred until the result is known.

Wherefore your petitioners pray that they may be instructed:

1. Whether your petitioner, City of Boston, acting through the persons denominated as Trustees in said Fourteenth Clause, are authorized by the provisions contained in said will of George Robert White to use any portion of the accumulated income, hereinbefore in paragraph 4 hereof referred to, for constructing and suitably equipping a structure, commonly known as a Planetarium, and a building, known as a Youth Center and hereinbefore in paragraph 7 hereof more particularly described.

2. Whether your petitioner, City of Boston, may, consistently with the provisions contained in said will, charge admission fees either to lectures or demonstrations in such planetarium or to lectures, demonstrations, athletic contests or athletic or other exhibitions in such youth center, in accordance with and subject to the provisions of chapter 111 of the Acts of the Commonwealth of Massachusetts for the year 1937.

3. As to the further rights or duties of your petitioners in the premises in so far as this Honorable Court may deem such instructions meet and proper.

CITY OF BOSTON as it is Trustee under the Fourteenth Clause of the Will of George Robert White).

By.....
Corporation Counsel.
FREDERICK W. MANSFIELD.
JOHN I. FITZGERALD.
ELIOT WADSWORTH.
BENTLEY W. WARREN.
CHARLES J. FOX.

Then personally appeared the hereinbefore
named and made oath that the state-
ments made in this petition are true to the
best of his knowledge and belief.

Before me,.....
Justice of the Peace.

My commission expires

Coun. LINEHAN—I would call particular attention to sections 7 and 8. In answer to that I have here a certified copy of the decision rendered by the judge of the Probate Court on May 28, 1937, set forth in Probate Court, volume 1680, page 70, No. 201,164, as follows:

"On the petition in equity of City of Boston and others, Trustees under the Fourteenth Clause of the Will of George Robert White *et al.*, petitioners, against Paul A. Dever, as he is Attorney General of the Commonwealth of Massachusetts, respondent, praying for instructions as to whether it is within the power of City of Boston as it is Trustee as aforesaid, to construct a Planetarium and Youth Centre and to charge certain admission fees thereto, all as is more fully set forth in said petition, it appearing that notice has been duly given to all parties interested, and all parties interested having been heard, after hearing and consideration, THE COURT DOETH ORDER AND DECREE (1)"—

and this is the important part of this decree—"that it is within the power of the petitioner, City of Boston, as it is Trustee as aforesaid, acting through the individual petitioners, being the persons denominated as Trustees in the Fourteenth Clause of the Will of George Robert White, to use the accumulated income which, under the terms of said Fourteenth Clause, may now be used for the purposes set forth therein, for constructing and suitable equipping a structure, commonly known as a Planetarium and a building to be known as a Youth Center, and more particularly described in Paragraph 7 of said petition, and (2) that it is within the power of the City of Boston, as it is Trustee as aforesaid, to charge admission fees to lectures and demonstrations in such Planetarium, and to lectures, demonstrations, athletic contests and athletic or other exhibitions in such Youth Centre, in accordance with and subject to the provisions of Chapter 111 of the Acts of the Commonwealth of Massachusetts for the year 1937.

ARTHUR W. DOLAN,
Judge of Probate Court."

So there is no question whatever that the trustees of the White Fund can use the fund for the construction of a youth center. There is the opinion given by the court in a decree of 1937. In 1937, the City Planning Board made a study with regard to the improvements to be built from the income of the George Robert White Fund, including a youth center. I will read simply a few of the suggestions made by them in their report of 1937. This will be found on page 25, under the heading, "Report on Youth Center":

"The recommendations of this report point quite conclusively to the pressing need in the City of Boston for a formulated municipal youth program. So important is this need that it is recommended that a series of youth centers be built from the moneys of the George Robert White Fund as a step in initiating such a program. While strictly in terms of direct benefits derived, such a project will not clear its cost of operation, it can be shown to be economically justifiable over a period of time through the savings in the budgets of the police, court and corrective agencies. These will in all probability more than cover operating costs. In brief, the city would embark on a modern program of crime preventive work to supplement the antiquated methods of purely crime punitive work."

They finally present a few statistics here, which would probably seem quite dry to the members if I should read them, in connection with the final recommendation:

"In the final analysis the evidence in favor of the series of youth centers is conclusive. Already New York has recognized similar needs and has in operation now some ten

or eleven youth centers. It is evident that there is this need for a youth program in Boston, and the George Robert White Fund offers an opportune means of initiating this program. It is, therefore, recommended that the White Fund be used to build a series of these youth centers."

I just want to say in conclusion that the gentleman from Ward 6 (Coun. Scannell) and myself have been fighting for a youth center since the first of the year. At first it looked like a hard fight. We could not seem to get our hands on anything tangible to present, to the members of the Body. But today we do have something tangible to present, and we have now presented it. It does not seem to me that the trustees of the fund could possibly rule adversely to youth centers, having in mind the action of 1937 and the decree of the Probate Court in 1937, which I have read. Isn't it time that they should try to do something in the matter of youth centers or recreational centers? I have called the proposed center in South Boston a "youth center," because that will evidently come within the terms of the will. There is no doubt that every fair-minded member of the Body and every fair-minded citizen will agree that we need youth centers, where boys can go and exercise and compete together in a friendly, intelligent and healthful way, which will be of great benefit to body, mind and spirit. It we can influence the trustees of the fund to possibly start a program in South Boston, there is no question that other sections of Boston will come along and get a center similar to the one we might get. I simply ask the members of the Council who are interested in youth centers and in the possibility of getting something of that nature for their districts, to go along with us at the meeting of the trustees of the fund to be held the first week in June. Whether you want a youth center in your district or in South Boston, at least come to that meeting and voice your opinion, and I believe it will be the opinion of every member of the Body that the money now lying idle, except for the expenditure of a few thousand dollars that has been spent for wading pools and minor health matters, which have proved very beneficial to the city, should now be used in a larger way, for the great benefit of the whole city. We consequently hope that you will go along with us, in a matter which we feel would be of great benefit to our district, and which we also feel sure will ultimately be of great benefit to all districts of the City of Boston.

The order was passed under suspension of the rule.

LIQUOR LICENSE, 1154 RIVER STREET, HYDE PARK.

Coun. GOODE offered the following:

Ordered, That the Boston Licensing Board be requested, through his Honor the Mayor, to reconsider their action in granting the transfer of a liquor license to 1154 River street, Hyde Park, because the location is too near places of worship and other community activity.

Coun. GOODE—The president of the Federation of Women's Church Societies of Hyde Park, the president of the Current Events Club of Hyde Park, the director of the local Y. M. C. A. and clergymen of the district representing three denominations are opposed to the location of this tavern across from the wading pool and in the shadow of the churches. I trust that the order will pass.

The order was passed under suspension of the rule.

LIQUOR LICENSES.

Coun. GOODE offered the following:

Ordered, That the Boston Licensing Board be requested to take the following action: That the members of the Boston City Council be duly notified by the Licensing Board of all beer and liquor licenses granted in their respective districts. That they be also notified of all transfers and revocations of licenses. That notices be sent to them of all hearings concerning the same, and that advertisements of such hearings, transfers and granting of licenses be placed in all Boston newspapers.

Coun. GOODE—Mr. President, several weeks ago I requested that the Boston Licensing Board inform me of all license transfers and permits for beer and liquor in the Hyde Park section. Since that time a transfer was granted for a location at 1154 River street in Hyde Park, and I have never been informed about it by the Licensing Board. This location is directly across and less than twenty-five yards from the wading pool used by the little children of the district during the summer months. This tavern is in close proximity to three churches, very close to the Y. M. C. A.

and directly across from the entrance to the municipal building used by welfare recipients. Back in March the Licensing Board voided the license now being used, and despite the fact that this tavern is now located within four hundred feet of two churches, Attorney J. Paul Keefe, adroit manipulator of liquor licenses, "was capable of obtaining the inevitable approval of the Licensing Board for a license transfer to this new location. This betrayal of the public trust on the part of the Licensing Board is unprecedented in our district. By surreptitious meetings, without proper notification to the clergy and other interested persons, this deal was effected. In the face of this raw deal, intrigue and brazen effrontery, I request the immediate resignation of the entire Licensing Board. I intend to appeal to the State Alcoholic Beverage Commission to overrule this permit, and to grant a special hearing in this case, at which all interested persons will be notified.

The order was passed under a suspension of the rules.

Coun. CHASE and GOODE offered the following:

Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to urge State legislation whereby it will become mandatory for the Boston Licensing Board to publish notices of all hearings on applications for new liquor licenses and transfer of liquor licenses at least seven days in advance of the date set for each hearing; and be it further

Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to urge State legislation whereby it will become mandatory for the Boston Licensing Board to post a large conspicuous sign, notifying the public of the hearing, on the outside of the premises where a new liquor license or transfer of a liquor license has been applied for.

Severally passed, under suspension of the rule.

RENTALS PAID BY BOSTON ELEVATED.

Coun. FISH, TAYLOR and KELLY offered the following:

Ordered, That the Boston Finance Commission, in their investigation of the Boston Elevated, make a study of the rentals they are now paying to determine whether or not they are excessive.

Coun. FISH—Mr. President, since we have approved the expenditure of \$35,000 by the Finance Commission for the investigation of the Boston Elevated, I feel that it is the duty of each member of the Council to make recommendations as they come to his attention to aid that body. After the apparent lack of cooperation on the part of the state officials last week in the matter of the Elevated deficit, I feel that it is at least our duty, as members of the Council, to lend our aid to the investigation. The holders of the common stock of the Boston Elevated, ably assisted by the Governor and his Council, except Councilor Coakley, last Wednesday succeeded in staging the ninth consecutive annual hold-up of the people of this city and of the metropolitan district. The nearly three million then paid, added to the amount that has been paid in past years, has now reached the enormous total of over \$16,000,000, and all without a gun! For nine consecutive years they have annually dealt these severe financial body blows to the people of Boston and its surrounding communities. This most recent blow that Governor Saltonstall and his controlled Council dealt this last week was a blow to approximately two million people by approving the payment of the "El" deficit of 1939, which, on top of what the people have already suffered, is the severest and hardest blow of all. It cannot be denied that we in Boston are trying to put a stop to this annual legalized banditry. We and the two million people for whom we are fighting fully expected that Governor Saltonstall would cooperate. He knew that the City Council had approved the expenditure of \$35,000 for the Finance Commission to make the first complete investigation of the Boston Elevated that has been made, in the interest of the people. He knew this, and he knew further that he as Governor had the power by law to defer this payment. That power, I say, fell on him as a duty, to delay this payment at least until our investigation was completed. His haste in railroading this through last week when Coakley was away, against the wishes of all, was unjustified. It seems to label him not as a friend of the common people but rather as a sympathizer of the wealthy holders of this stock, holders of 238,000 shares of guaranteed "certificates of robbery," and leads me to believe that the rumors that are heard to the effect that he is one of them, and is using the power of his office for their benefit, are true. Governor Saltonstall, by a mere stroke of a pen last week, shows that he has

apparently forgotten these two million people, in taking from the pockets of the poor, who can ill afford it, and placing in the pockets of the few wealthy who do not need it, over \$3,000,000. The people receiving that are not entitled to it, regardless of what a Legislature back in 1918 said. I trust that this act of the Governor and Council, in the absence of Councilor Daniel H. Coakley, now brings to the attention of the people the importance of home rule for Boston. If Boston had the say in this matter, instead of the Legislature, and I exclude the Boston legislators—do you think the people would be victimized in this manner. Of course, they would not. Nor would they be compelled to tolerate a lot of other narrow, selfish legislation that has been enacted by the state and which is strangling us, such as the control of the Finance Commission by the Governor—and watch now that he does not exert it. There is also the county legislation which has been passed adverse to the City of Boston, compelling Boston to pay all the bills of the entire Suffolk County; the Police Department under the direct control of the Governor; the Licensing Board, appointed by the Governor, and just called upon to resign; the state assessments, discouragingly large to Boston people, because this state, unlike other states in the Union, refuses to balance its own budget on corporation and income taxes, but prefers to levy it on homes. There are our Massachusetts district commission assessments, which forced us to not only assume the expense of Nantasket Beach, Revere Beach and so on, but also two thirds of the unnecessary Quabbin Dam \$65,000,000 graft, consumption of water which we do not use, and many other things. There are the auto registration laws, for example, whereby we in Boston pay twice as much as other counties. That is a clear example of what we can expect. Then we have the action of the State Tax Appeals Board, which gave the in-town Back Bay professional abatement grabbers about \$3,000,000 last year, to be made up by the poor, small home owners. I have referred to only a few matters in which the citizens of Boston are discriminated against. Is it any wonder that people are leaving Boston? They do not leave because they dislike Boston. Boston is their home, and they enjoy living here, but they are being driven out because they cannot afford to assume their portion of the harsh and expensive unfair treatment which is meted out by state legislatures. The people up at the State House will not be satisfied until they wreck Boston. But let me warn them that when they do, it will be a sorry day for entire New England.

Coun. TAYLOR—Mr. President, while Councilor Fish has spoken very elaborately on the subject, I cannot resist the temptation of rising and adding a few words to express my feeling of what I think was deliberate action on the part of the Governor and Council last week against the interests of Boston and the surrounding towns. While I was very much disappointed in the action taken, I was not altogether surprised. History has proven that whenever the common people have ever attained anything at all it was through the office holders of the Democratic party. During the past years anything that the people gained, whether it was a reduction in electric light or gas rates, or for some other necessity, was obtained through the Democratic party. So, as I say, I was not surprised, because I knew that Republican office holders and Republican-controlled officials would never do anything to aid the common people. And when I say "common people," I mean those who are working hard for a living and those who own a small home and have to scrape together their nickels and dimes in order to pay the high taxes so that the wealthy stockholders of the Boston Elevated Railway Company, a bankrupt concern, will be able to receive their annual dividends. It is rather surprising, if you take the records even in Washington, in Congress, to see the Republican members of Congress voting to subsidize these large corporations, so that at the end of the year the stockholders may have a large amount in their pockets. But the moment there is anything attempted to be done for the public, through such means, for instance, as the W. P. A., something which will be done in the interests of the poor people, it is a different story. When there is something intended to assist the poor, with their children, these members of Congress rise in their places and say, "No, we will not appropriate money to feed the poor. Let the people starve. But help out the wealthy corporations." And that is the sort of thing that took place at the State House last week. The people decided a year and a half ago that they wanted a change at the State House, wanted a Republican Governor and Legislature. But now the time is again approaching when the people, who realize the way they have been treated, will have a

chance to register their approval or disapproval, and I for one, feel certain that they will register vociferously next fall their opposition to these men who have no interest in the common people and who are only interested in the wealthy stockholders of the Elevated.

Coun. SHATTUCK—Mr. President, this Commonwealth under the constitution has set up a government of laws, and not of men. I think some who have spoken in this chamber have forgotten that. I believe that the Governor and Council in acting as they did on the Elevated deficit were acting in accordance with the law as established by the Legislature and as confirmed by the Supreme Judicial Court. If I am wrong, I would like to have anyone in the chamber cite any respect in which I am wrong, and if I am shown to be wrong I will get up and say so. I think I am right.

Coun. FISH—Mr. President, isn't it a part of the law that the Governor has power to defer this payment?

Coun. SHATTUCK—Mr. President, I believe, in the first place, that the act of 1918 and the successive acts have been confirmed by the Supreme Court. It is clearly provided in the act that the deficit shall be financed first by the Commonwealth, and in the second place by the cities and towns served by the system. That is perfectly clear in the law. There is no question of postponing it. In that case, we would simply have to pay more interest, that is all.

Coun. FISH—Mr. President, I think there is an object in deferring it, since we are paying \$35,000 for an investigation of the whole matter by the Finance Commission.

Coun. KELLY—Mr. President, I would like to just add a word to Councilors Fish and Taylor's remarks. It might be interesting to the members to know that his Excellency the Governor, on April 22, two days before this steal came up in the Governor's Council, sold two big notes to two big Boston banks, and that this steal was fully approved by the Executive Council. Of course, it might be said that his Excellency the Governor is not interested in the Boston Elevated Railway Company; but it is interesting to recall that Governor Saltonstall was a member of the law firm that some years ago was interested in getting this legislation through. It is a sad state of affairs when poor people in fourteen cities and towns have to pay for this steal. It is the first time in history that a Governor, when this matter has appeared before the Executive Council, has tried to railroad it through. When it first came up and the Governor attempted to put it through, Councilor Coakley moved to have it laid on the table for one week, and that motion was carried, seven to one. But last Wednesday another motion was made to pass it, in Councilor Coakley's absence, and a motion to pass it unanimously prevailed.

Coun. COFFEY—Mr. President, as I sat here today I was interested personally to see whether the Councilor from Ward 5 (Coun. Shattuck) was going to defend the wealthy stockholders of the Boston Elevated, and, of course, he had to. I expected it. But I might say that this is the same gentleman who called together a special meeting of the Committee on Appropriations and had Mr. Loeffler appear to defend salary cuts of city employees, and so forth. I do not, however, recall last week Mr. Loeffler appearing and making any protest to the Governor in regard to this imposition on the taxpayers of Boston and surrounding towns. I do not recall his protesting against what is being done by this company. I also recall reading in the papers last week that the Finance Commission had material that could have been presented, if there was an opportunity. But, as I said before, I am a bit surprised at the position of the councilor from the Back Bay today.

Coun. SHATTUCK—Mr. President, I don't have the slightest idea who the stockholders of the Elevated are, and I am not interested. I am merely interested in having the state carry out its obligations under the law.

Coun. COFFEY—I would like to add, Mr. President, that the non-payment of this deficit would mean a cut of \$1.30 in the tax rate of Boston, a wonderful figure, and representing a great saving in the tax bills of the people of Boston.

The order was passed under suspension of the rule.

APPORTIONMENT OF ELEVATED DEFICIT.

Coun. FISH offered the following:

Ordered, That the Boston City Council go on record as approving a change in the present method of the apportionment of the Boston Elevated deficit, namely, from its four or five day haphazard counting of passengers to one based on population.

Coun. FISH—Mr. President, I think this is really the proper time to bring this matter before the members of the Council, because right now, while we are passing judgment on the matter, the Elevated officials are in process of making this very one-sided count. I think they started last Friday and will possibly continue through tomorrow night. I say "one-sided" because I cannot understand why we in Boston, with a population of approximately 800,000 people, must annually pay two-thirds of the Elevated deficit, when the Elevated itself serves a probable two million people. Eight hundred thousand is less than one half the population of the community assessed, and our share should be about 45 per cent rather than the present close to 70 per cent which we are forced to assume. This, I think, is unfair; it is wrong. How can they determine whether or not you are a Boston resident when you use the Elevated? Yet you are counted as one. Only when you come to a terminal on a bus can they safely say that you do not reside in Boston. And what about the thousands who drive into our city, park their cars, and then take the Elevated? What about the thousands who use the train service to and from the North and South Stations, and deposit their ten-cent fares in an Elevated station? We all know that Boston has approximately two million people in this city during the day. They are using the Elevated. Yet not one fifth, or possibly one eighth of them, are Boston residents. Yet they are counted as Boston residents. How can an accurate count in this district be determined? If they are so smart, why in the name of common sense don't they apply their cleverness to the whole management of the Boston Elevated, so that we could get out of it without any deficit? There is one community I know of that will probably run into trouble if the action I propose were taken, and that happens to be Newton. I have in my hand the 1938 report of the Boston Elevated. Newton, with a possible population of 65,000, paid in 1938 \$10,500 as its proportionate share of the Elevated deficit; Arlington, with 40,000 paid \$27,000-odd as against Newton's \$10,000-odd. Belmont, with 27,000, a little over one third of the population of Newton, paid nearly twice as much as Newton. And so we go down the line. Now, for a comparison of Newton and Boston. Boston has twelve times as large a population as Newton, and pays \$1,097,000 as against \$10,500 for Newton, or 104 times as much. On the basis of population, Newton would pay, instead of \$10,500, approximately \$120,000, as against Boston's \$1,097,000. So I don't think it would be long before you would hear from Newton if what is proposed in this order were carried through.

The order was passed under suspension of the rule.

REPORT OF COMMITTEE ON FINANCE.

Coun. SHATTUCK, for the Committee on Finance, submitted the following:

Report on message of Mayor and order (referred April 15) for loan of \$1,000,000 for funding of overlay deficits and other items—that same ought to pass.

Report on message of Mayor and order (referred April 15) for loan of \$4,170,000 for relief purposes—that same ought to pass.

Coun. SHATTUCK—Mr. President, I have placed in the hands of the clerk two reports of the Committee on Finance, one relating to the loan order sent in by the Mayor to authorize an additional funding loan, and the other to authorize a \$4,170,000 welfare loan for the current year. Both of those have come to the Council with the unanimous vote of the committee. The loan order for \$1,000,000 covers the balance of the total of \$9,000,000 refunding which was permitted by the Legislature. This is the last installment. At the time in 1938, when that funding loan was authorized, we had a floating debt of about \$21,000,000 from uncollected taxes and deficiencies of prior years. As a result of the \$8,000,000 received from funding loans and also better collections of outstanding taxes, we have cut that floating debt about in half, and the \$1,000,000 loan order, for funding of overlay deficits and other items, is to be applied to that. The order for \$4,170,000 for Welfare is reported under an act of the Legislature of 1939 which permits the city to borrow 20 per cent of its expenditures of last year for Welfare, including soldiers' relief, and 100 per cent of its expenditures of last year for W. P. A.—that is, for the eight items in the appropriation bill which cover the materials used by the W. P. A. workers. That figure of 20 per cent on Welfare and Soldiers' Relief and 100 per cent on last year's expenditure for W. P. A. works out \$2,000 in excess of the loan asked for, but the amount in round figures is \$4,170,000. I think it may be of interest to the Council to know, assuming that both of these loan orders are passed and assuming that we make no further loans

during the coming year, that this completes our loan program for the year. So, to see how we will come out in our net indebtedness at the end of the year, I have these figures from Mr. Fox, the City Auditor. It appears that during the current year we pay off serial bonds to the extent of \$9,308,000, and that we increase the sinking fund by \$250,000, making a total reduction of the debt during the year of \$9,558,000. Then, taking the probable bond issues during the year—and I should have said that there are several others during the year—included in this tabulation are the overlay deficit funding loan I have mentioned, of \$1,000,000, the Welfare loan already referred to of \$4,170,000, Huntington Avenue Subway, \$600,000, Huntington Avenue Underpass, \$200,000, Highways, Making of, \$110,000, Sewerage Works, \$85,000, New Fire Stations, \$70,000, and miscellaneous rapid transit, \$50,000,—making a total of \$6,285,000, which would indicate that if we do not borrow anything more we will reduce our net debt during the year by something over \$3,000,000.

The report was accepted and the orders were read once and passed, yeas 19, nays 0.

WATER INCOME DIVISION ORDINANCE.

On motion of Coun. LYONS, the Council took up from the calendar, under unfinished business, No. 4, viz.:

4. Ordinance concerning the Water Income Division of the Public Works Department, as printed in the minutes of April 1, 1940.

The ordinance was referred, on motion of Coun. LYONS, to the Executive Committee.

RECESS.

By direction of President GALVIN the Council at 3:55 p. m. went into Executive Committee. The members reassembled and were called to order by President GALVIN at 4:42 p. m.

EXECUTIVE COMMITTEE REPORTS.

Coun. LANGAN, for the Executive Committee, submitted the following:

1. Report on petitions (referred today) for children under fifteen years of age to appear at places of public amusement, viz.:

Maria Paporello, Jordan Hall, May 21; Lilla Viles Wyman, Repertory Theatre, June 7; Ruth M. McShane, Municipal Building, South Boston, June 7; Mildred Davenport, Jordan Hall, May 24,—recommending that leave be granted under usual conditions.

Report accepted; leave granted under usual conditions.

2. Report on message of Mayor and order (referred today) authorizing Commissioner of Institutions to sell at public auction eight horses, six wagons and various stable equipment at Long Island Hospital, for an upset price of \$2,000,—that same ought to pass.

Report accepted; said order passed.

3. Report on ordinance concerning Water Income Division of Public Works Department (referred today)—that same ought not to pass, without prejudice.

The report was accepted and the question came on the rejection of the order.

Coun. KELLY—Mr. President, some sixteen months ago—of course, I realize that half the members of the present Council were not members of this Body at that time, but I can remember it—a special committee was appointed by the Mayor to look into the advisability of increasing the fees of the City of Boston, and I can remember that when that committee came before us, I made a statement that all the Boston newspapers printed, although a number of members of the Council doubted the statement. I said that on the notice to storekeepers, for example, it would appear "By action of the City Council the license fee has been raised." A lot of members of the City Council at that time laughed at me. I made the same statement in executive today that I made at that time, and which appeared in every Boston newspaper, and it has been definitely stated recently by Public Works Commissioner Hyland that if this ordinance were passed he would enforce it to the full extent of the law, and that water would be shut off in four or five days or whatever the language of the ordinance provided for. And if this is passed, I will say that on top of every bill it will appear that this is done "By action of the City Council," so that it will go forth to the public that "By action of the City Council we will have to shut off your water."

Coun. GOTTLIEB—Mr. President, in the ordinance in its present form I think there are contained certain provisions that are very acceptable and that would work a benefit in the operation of the Water Division for those who are consumers. I feel that waiver of the

charge would be beneficial and that the consolidation of all the work in one department would be beneficial, that there are certain things that would be of value. I believe that the ordinance would not in any sense alter the workings of the Water Division of the City of Boston. But I do think that this ordinance should be revised and again presented to the City Council.

Coun. HUTCHINSON—Mr. President, I feel that we did not have the entire story. We had a story from the Mayor and from the Public Works Commissioner as to what the result would be if we passed the ordinance, but did not understand what the procedure of the department would be in the matter of shutting off water, whether it would be shut off more quickly than before. So I think, in order to get all the information about the matter, we should have the officials dealing with it before us in executive session. I don't think we shall understand it unless we do have them before us.

Coun. LINEHAN—Mr. President, I think we all realize that we have certain responsibilities and duties that go with our position as City Councilors. This may be one of the things that we should vote for. And it is encouraging to know that for the past year the Water Division has shown a handsome profit, and that it is anticipated that after this ordinance is passed, it will show an additional profit. But, taking a district like mine, and realizing that a great many of the people, perhaps 80 per cent at least, are tenants who have no responsibility in regard to paying the water bills, and that when the owner does not pay a bill it is the tenant who suffers, that to the owner who probably does not live on the premises it does not mean a thing, I feel that some thought should be given to the ordinance before final passage. The owner might very well say to the tenant, if the bill was not paid, "I am very sorry, but I am acting under an ordinance passed by the City Council, saying that the water is to be shut off if I do not pay the bill, and I cannot pay the bill at the present time." It may be that there are some good points about the proposed ordinance, but it should be at least thoroughly considered from all angles before passage. We are told that the division has made a handsome profit, which sounds good, but God knows we should not show a large profit in any city department in a matter concerning the necessities of life. And, of course, if there is any hardship in the enforcement of the ordinance, there is no doubt that the City Council will have to bear the burden later on. We will be blamed for the law if we vote for it. As I say, if certain parts of the ordinance were before us, I would vote for them. But there are other things to be considered, and we should not act hastily. I say, let us understand just what the whole thing means. I trust that at the present time the ordinance will be killed.

The ordinance was rejected, without prejudice.

4. Report on message of Mayor and order (referred today) for transfer within appropriations of Penal Institutions Department for pensioning of employees—that same ought to pass.

Report accepted; said order passed, yeas 18, nays 0.

CONFIRMATION OF EXECUTIVE APPOINTMENTS.

Coun. M. H. SULLIVAN called up, under unfinished business, Nos. 2 and 3 on the calendar, viz.:

2. Action on appointments submitted by the Mayor April 29, 1940, of the following-named to be Constables authorized to serve civil process upon filing bonds, viz.: Bert Oppenheim, John J. Miller, Louis Budd, William Galley, Arthur M. Bolt, Jacob Goldberg, Myers Rosenberg, John A. Pulsinelli, William H. Cufflin, Jr., Anthony J. Kastick.

3. Action on appointment submitted by the Mayor April 29, 1940, of Theron Briggs, to be a Weigher of Goods.

Coun. CAREY—Mr. President, may I ask if it would be possible to have No. 1 acted upon at the same time?

President GALVIN—If there is no objection, Nos. 1, 2 and 3 will be taken up at the same time.

No. 1 on the calendar is as follows:

1. Action on appointment submitted by the Mayor April 15, 1940, of Francis W. Gildea to be a Constable authorized to serve civil process upon filing bonds.

The question came on confirmation. Committee, Coun. Coffey and Lyons. Whole number of ballots 17; yeas 17, no 0, and the appointments were confirmed.

REPORT OF COMMITTEE ON LICENSES.

Coun. FISH, for the Committee on Licenses, submitted the following:

Report on petitions for driveway openings—that leave be granted, viz.:

Arthur F. Phinney (referred April 22), 48 and 50 Spring street, Ward 20.

Superintendent of Construction, Department of School Buildings (referred April 29), 61 Fayette street.

Irene Craig (referred today), 549 Huntington avenue, Ward 4.

Maggio Ice Company, Inc. (referred today) 87 Kemble street, Ward 8.

Report accepted; leave granted under usual conditions.

ESTABLISHMENT OF FLOATING HOSPITAL.

Coun. RUSSO offered the following:

Ordered, That the trustees of the George Robert White Fund be requested, through his Honor the Mayor, to conduct a survey to determine the advisability of establishing a floating hospital for the poor and needy ill of the City of Boston.

Coun. RUSSO—Mr. President, in presenting this order, I do not lose sight of the good work done for and the aid furnished to the poor and needy citizens of Boston by our health units and hospitals. But I do feel that a floating hospital will be of great benefit to the poor and under-nourished children of the citizens of Boston. It will be one step further in the good work that the City of Boston is doing to help the poor and the needy. It will give a chance to the sick and the under-nourished to get back their health. I understand that the City of Boston owns Rainsford Island, and it may be that recreation facilities could be installed there for the poor and needy of Boston, so that they could obtain that great requisite, a sound mind in a sound body. I trust, therefore, that the Council will pass this order.

The order was passed under suspension of the rule.

COLLECTION OF GARBAGE, WARD 3.

Coun. RUSSO offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to instruct the Division Engineer of the Sanitary Department to make an additional weekly collection of garbage in the South End district of Ward 3.

Coun. RUSSO—Mr. President, I have received many complaints in the last few weeks to the effect that in the South End district of Ward 3 there is only one garbage collection a week. I am sure, therefore, that that section would greatly benefit by the collection of garbage twice a week. As you pass through there, you will frequently see that garbage is thrown all over the street, and when children are playing on the street, it naturally endangers their health and their life. Therefore, I hope that the order will pass.

The order was passed under suspension of the rule.

DUST ABATEMENT, WARD 3.

Coun. RUSSO offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to purchase a water sprinkler for the purpose of dust abatement on the streets of Ward 3.

Coun. RUSSO—Mr. President, for some time in my district I have noticed that the streets have not been properly flushed. Naturally, it is a very congested area, where we have many children, and where the streets are not properly sprinkled there is a menacing accumulation of dirt. I trust, therefore, that the City of Boston will buy the necessary apparatus so that the dust may be held down and the children may enjoy themselves without this danger.

The order was passed under suspension of the rule.

LEASE TO JAMES E. WELCH POST.

Coun. RUSSO offered the following:

Ordered, That the Superintendent of Public Buildings, City of Boston, be authorized, through his Honor the Mayor, to lease to the James E. Welch Post No. 56, A. L., for a post headquarters in the building located at 46 Joy street, Ward 3, for a period of five years for a nominal sum.

Referred to the Executive Committee.

TRAFFIC LIGHTS, WARD 3.

Coun. RUSSO offered the following:

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic lights at the corner of Harrison avenue and Broadway, Ward 3.

Passed under suspension of the rule.

REPAIRS, MICHAEL J. BROPHY PARK.

Coun. COFFEY offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to arrange for the immediate repair of benches at Michael J. Brophy Park in the Jeffries Point section of East Boston.

Passed under suspension of the rule.

BENCHES, AIRPORT FIELD, EAST BOSTON.

Coun. COFFEY offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to arrange for the installation of benches for women and children on the Airport field at East Boston.

Passed under suspension of the rule.

HEALTH CONDITIONS, CIRCUS.

Coun. COFFEY offered the following:

Ordered, That the Health Commissioner be requested, through his Honor the Mayor, to immediately investigate health conditions at the Boston Garden where the Ringling Brothers Circus is being held, particularly relating to employees of the circus, with a view to preventing the spread of any communicable disease that may exist there.

Coun. COFFEY—Mr. President, a few weeks ago, before the circus came to town, I received letters on this matter from people all over the city, including my own district. As the order reads, the intention is to investigate health conditions at the Garden where the circus is being held, with an examination of the employees of the spread of any communicable disease that may exist there. There are dangers to which I could refer in regard to employees of the circus that are perhaps too strong to mention on this floor, and I doubt very much if the newspapers would carry the true statements that might be made. This is a question that arises every time when a circus comes to Boston. In the old days the circuses were held outside the center of the city, and conditions in many respects were different from what they are today. In those days children were invited to go and enjoy themselves, but the circus today seems to be run in a different way. Many things connected with it are questionable, and I think will bear close examination. In the matter of invitations to children, I hold in my hand a letter from a teacher in my district who says:

"A class of children at this school is eager to go to the circus. Needless to say, there are no funds for such an excursion. I thought of my City Councilor and decided to ask for a suggestion from you. Are there special rates for children attending in groups with permission from the school authorities? Do such things as 'passes' circulate? The children's ages range from eight to twelve. There are fourteen children in my class. It is a special class."

I went to the Garden and asked somebody in authority.—I will not call him a gentleman,—and he said No, that if the privilege were granted in that case, others would ask for the same privilege. Then I asked if they wouldn't cut the price down from 75 cents to a lower figure, and that I myself would take up a collection in the neighborhood, so that the children could go to the circus. But that request was refused outright. A few years ago when circuses came to Boston, thousands of free tickets were issued so that children could see the circus. But those days seem to have gone by. I am opposed to the circus, Mr. President, and next year I propose to introduce an order asking the Mayor to prevent its coming here. We don't know anything about the habits or the physical condition of these people, the disorders they have, all that sort of thing; and I am convinced from letters I have received recently that some of those employees should be examined by physicians of the Board of Health so that people going to the circus will not be placed in danger. Next year I shall introduce an order to keep the circus out entirely. The poor of our city certainly cannot afford to pay even

the minimum price that is charged to see the circus as it should be seen, and I trust that my order will pass.

The order was passed under suspension of the rule.

INVESTIGATION OF BEANO GAMES.

Coun. CHASE offered the following:

Whereas, There have been persistent rumors of racketeers controlling many Beano games in Suffolk County; and

Whereas, The General Laws of the Commonwealth provide that only charitable and religious societies, etc., shall sponsor these games; and

Whereas, The General Laws provide that these games shall be legal, provided that the proceeds are solely given to charity, etc.; therefore, be it

Resolved, That the Boston City Council favors the immediate investigation by the Attorney-General's office of all Beano games conducted in Suffolk County.

Coun. CHASE—Mr. President, this is practically the same resolution that I have introduced quite a number of times for investigation of Beano games. Some of the councilors have believed that the Finance Commission did not have this authority, and have voted against the resolution. When shown that the Finance Commission did have authority, nevertheless they voted against it just the same. I also requested the passage of an order along the lines of this resolution, but I was voted out of order on the ground that the City Council did not have the right to request the Attorney-General to do such a thing. We all know that on many other occasions the City Council has gone on record voicing its opinion in favor of a certain measure and as appealing to the Governor's office and the Attorney-General's office, among others. I feel that if we are going to control these Beano games in Boston, something should be done about it. The General Laws provide that these games shall be lawful, provided the proceeds shall go for charitable and certain other purposes. I trust, therefore, that this Body will see fit to pass this resolution, as it deals with a matter which has become a public nuisance in Boston. Thousands of people in Boston would like to know the truth of the situation, and the only way to ascertain it is by having a good, thorough investigation.

Coun. COFFEY—Mr. President, the reason why I get up here today is because I am darned sick and tired of listening to Chase on Beano. I introduced an order here, a real order, to allow Beano games in the city to give a top prize of \$100, so that Beano fans might play in Boston and spend their money here, instead of going outside to do so. I also referred to the fact which was brought out by Councilor Chase, that welfare recipients were spending their money here on Beano, that probably they did so spend a dollar now and then. The councilor from the Back Bay objected to that. He wants these poor ladies to sit home and bite their finger nails and think of their troubles and shorten their lives for several years. This is a matter that must be handled with courage, Mr. President, and thank God that my father and mother gave me the courage to carry on when such questions arise. Several years ago I offered a bill to deal with the disorderly conditions that have sometimes accompanied these games in the past, not in my district, but especially in the Back Bay of Boston. I named at that time everybody involved. We had an executive meeting here only last week. I am ashamed to say this, because the gentleman from the Back Bay is a brother Eagle of mine. But the gentleman said, "I know the racketeers, but I am afraid to name them because of their connection with the underworld." I say that that gentleman should not be a public official or hold public office. Any gentleman who is elected to the City Council or to other public office and says, "I know who the racketeers are, but I don't dare to name them," should not be in public office. I say that if the gentleman knows these racketeers he should name them. It is such fear as this gentleman shows in executive that allows those people to get where they are. I never have been afraid, and, thank God, I never will be. When it comes to fear of the underworld, nobody can point the finger at me.

Coun. CHASE—Mr. President, I, too, have become tired of listening to a man in this Body who has apparently had a lot of experience in these matters, and I wish to comment briefly on many things I have had to listen to from him. It was the gentleman from East Boston himself (Coun. Coffey) not long ago who referred to racketeers in Revere who were flimflamming the public, that they had the men who were picked to win the \$100 prize. He told the members of the Body about irregularities going on in Suffolk County. Let me say that I am not afraid of the racketeers, and I am not afraid of any man

in this Body or any other person in Boston. I have nobody to be afraid of, especially the racketeers. But I do say that there are many men in this Body who are afraid of the racketeers, and that is why they fear to have an investigation. Why don't they aid me in this move? But continually I have been ruled out of order. Continually in executive session when I asked for an opinion that we as a law-making body are entitled to, I have been stopped; and I say that the time will come when we will have an investigation and when more than one man will hang his head in shame.

Coun. FISH—Mr. President, I am one who has been opposed to these investigations. It has been intimated that racketeers have been linked up with fraternal organizations. I make the statement right now that if the gentleman from Ward 4 (Coun. Chase) who presents these orders in the Council will name one racketeer, I will vote for his investigation.

Coun. CHASE—Mr. President.

President GALVIN—The resolution will be referred to Executive.

Coun. CHASE—Mr. President, I ask unanimous consent to make a statement. (No objection.) If we have in Boston a city which is governed by laws, and if we have in this state a Commonwealth which is governed by laws, when we hear from reliable sources that these laws are conspicuously broken, and we have certain law-enforcing agencies that are supposed to enforce the law, why should we not appeal to those law-enforcing agencies. When, in addition, we find that a Body such as this Council has on many other occasions, on matters which are picayune compared with this matter, asked for an investigation, and there has in such cases been no objection, I say that something is radically wrong when objection is raised here. I say that we should have an honest-to-God investigation which will positively enlighten the public in dealing with this situation which exists in the Body.

Coun. COFFEY—Mr. President, I ask unanimous consent to make a statement. (No objection.) I say that the gentleman from Ward 4 (Coun. Chase) has avoided the question put to him, to name the racketeers. The gentleman speaks of my referring to conditions in Revere, but deliberately avoids answering the question as to racketeers in the City of Boston. I don't know any racketeers operating in Boston at the present time. We did have a couple of store Beanos operating in Boston, but I have succeeded in keeping my district clear of anything questionable in that line. Of course, we all know of the efforts that have been made in the Republican controlled Legislature in the matter of Beano. I have been able to see that these games were operated properly in my district, but I understand that some of those gentlemen operating Beano, who might be called racketeers, are still operating in the Back Bay. Of course, Revere has nothing to do with the City of Boston. There have been games operating over there with a prize of \$20, not \$100. Of course, the gentleman from the Back Bay does not know how the games are operated, anyway, because he wouldn't spend a dollar to find out. I think he might enjoy it at that, and that it would be better for him than sitting in the house and thinking up some publicity stunts in the City of Boston in connection with Beano investigations, intended to embarrass the Democratic members here and state office holders who are members of the Democratic party. I will go further in my challenge to him, and say that for every one racketeer he will name in Boston I will name two. But he hasn't the courage to name one man whom he claims is a racketeer in Boston, although they are operating in his own ward, and he knows it.

Coun. CHASE—Mr. President.

President GALVIN—The clerk will read the resolutions.

The clerk read the resolutions, which were then referred to the Executive Committee.

Coun. TAYLOR—Mr. President, I ask that the remarks made by Councilors Chase and Coffey in regard to Beano be stricken from the records.

Coun. COFFEY—Mr. President, I object.

The motion was declared lost.

Coun. TAYLOR—Mr. President, I doubt the vote and ask for a roll call.

The clerk called the roll, and the motion to strike from the record was lost, yeas 2, nays 9.

Yeas—Coun. Hutchinson, Taylor—2.

Nays—Coun. Carey, Chase, Coffey, Fish, Hurley, Kelly, Linehan, D. F. Sullivan, M. H. Sullivan—9.

CHARLES E. MACKEY CIRCLE.

Coun. LINEHAN and SCANNELL offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to name that area of the Strandway part of

Columbia road opposite G street, the Charles E. Mackey Circle, in memory of the late Charles E. Mackey of the Boston School Committee.

Coun. SCANNELL—Mr. President, I don't know of a more fitting tribute that we could pay to the memory of Charles E. Mackey, of South Boston, a member of the School Committee and a man who in his profession did more for the people of our district than any doctor of whom I know. Doctor Mackey, as you all know, served on the School Board and performed the duties of his office faithfully and well. I feel that in naming this area Charles E. Mackey Circle we are establishing a fitting memorial to the life and work of Doctor Mackey.

Coun. LINEHAN—Mr. President, I just want to add a word to what the gentleman from Ward 6 has said. It is certainly a pleasure to the gentlemen from Wards 6 and 7 to have this opportunity to take steps to name this area Charles E. Mackey Circle in memory of Doctor Mackey. Doctor Mackey was well known all over the City of Boston for his fine, charitable work in aid of the poor and unfortunate. I certainly hope that the Council will go along on this order.

The order was passed under suspension of the rule.

APPOINTMENT OF ADDITIONAL PATROLMEN.

Coun. CAREY offered the following:

Ordered, That his Honor the Mayor be requested to confer with the Police Commissioner with a view to immediately appointing at least thirty additional patrolmen to the Police Department.

Coun. CAREY—Mr. President, we have read in the newspapers in the past ten days of the retirement of five or six patrolmen from the Police Department, and up to the present time we have heard nothing about those men being replaced. This is the sort of thing that has now been going on for years. In 1930 there were 2,149 patrolmen in the department, and today but 1,910, a reduction of 239. I shall expect naturally, the usual opposition from those living outside the city and who may pay taxes on real estate in Boston, but who are not affected by a radical reduction in the efficiency of our Police Department as bona fide residents of Boston who are affected. These outsiders who come in from time to time and then go back to the places where they live are continually telling us what we should and should not appropriate money for, people who are not affected by a serious reduction in the efficiency of our city departments, because they do not live in this city. We have heard considerable today, in another connection but along the same line, about the disproportionate amount required from citizens of Boston, as compared with those outside Boston, in meeting the deficit of the Boston Elevated Railway, a deficit this year of upwards of a million dollars which will be imposed upon our citizens. I have suggested in this order that at least thirty additional patrolmen be appointed to the Police Department. I dare say there should be an increase of at least one hundred men. But the appointment of thirty men will at least give a start, and it can be done for an expenditure of something over \$50,000, or slightly under, as a matter of fact. We need additional protection for our school children in going to and from school during the day. Our streets also are wide open at night, when we have repeated assaults on women, young and old. We should also consider the little corner grocery men, who have to keep open at night in order to eke out a meager existence, and who are not properly protected at the present time. I certainly cannot understand why there is any delay in increasing the Police Department. I hope the Mayor and the Police Commissioner will take immediate action on this order, so that the protection to which they are properly entitled may be afforded to our citizens.

Coun. SCANNELL—Mr. President, I wish to add just a word. I talked with the Police Commissioner today, and he told me that this January list there were about thirty retirements through deaths or resignations. I agree, therefore, with my colleague, having in mind recent losses to the department, as well as similar losses that have been taking place for years, that we should have one hundred men added. I believe that the Mayor and the Police Commissioner should certainly appoint more men, for the safety of our citizens. I understand that a number have been on the list waiting to go on for the past two years, and that that list is running out some time in June. So I desire to add my word to that of the councilor who has introduced the order, trusting that the Mayor and the Police Commissioner immediately appoint at least thirty

additional patrolmen to the department, as God knows we certainly need them.
The order was passed under suspension of the rule.

TRAFFIC LIGHTS, CITY HOSPITAL ENTRANCES.

Coun. HURLEY offered the following:
Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to arrange for the installation of a traffic signal light on Albany street, opposite the entrance to the Ambulance Station and also the accident entrance of the Boston City Hospital.
Passed under suspension of the rule.

FENCE, FORT POINT CHANNEL, WARD 8.

Coun. HURLEY offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to erect a suitable fence on Massachusetts avenue, at the Fort Point Channel, Ward 8.
Passed under suspension of the rule.

SUNDAY SPORT LICENSES.

Coun. TAYLOR submitted the following:
An Ordinance Concerning Sunday Sports Licenses.

Be it ordained by the City Council of Boston, as follows:

SECTION 1. Chapter one of the Ordinances of 1929, concerning professional outdoor sports on the Lord's Day, as amended by chapter one of the Ordinances of 1931 and chapters one and two of the Ordinances of 1935, is hereby further amended in section one by inserting after the word "games" in the third line of said section the words "or indoor hockey or indoor basketball games."

SECTION 2. Chapter one of the Ordinances of 1929, as amended by chapter one of the Ordinances of 1931 and chapters one and two of the Ordinances of 1935, is hereby further amended in clause four of section one thereof by inserting after the word "games" at the end of the third line thereof the words, "or indoor hockey or indoor basketball games."

SECTION 3. Chapter one of the Ordinances of 1929 is hereby amended in section one by striking out clauses 5, 6, 7 and 8 set forth in chapters one and two of the Ordinances of 1935, and inserting in place thereof the following:

5. The license fee for any privately owned park, field or place to be used for outdoor athletic sports on the Lord's Day for the term or any part thereof beginning March 15 and ending with October 10 in each year shall be \$1,000 where the seating capacity is 20,000 persons or more; \$500 where the seating capacity is 10,000 to 20,000; and for the term or any part thereof beginning October 11 and ending with March 14 the fee shall be one-half the amount set forth in the foregoing schedule in each case.

6. The license fee for any building or premises to be used for indoor hockey games or indoor basketball games on the Lord's Day for the term or any part thereof beginning October 20 and ending with April 20 shall be \$500 where the seating capacity is 10,000 persons or more; \$250 where the seating capacity is 5,000 to 10,000 persons; and \$100 where the seating capacity is less than 5,000 persons; and for the term or any part thereof beginning April 21 and ending with October 19 the fee shall be one-half the amount set forth in the foregoing schedule in each case.

Referred to the Committee on Ordinances.

BROKEN GLASS, WARD 13.

Coun. HUTCHINSON offered the following:
Ordered, That the Park Commission be requested, through his Honor the Mayor, to remove broken glass from the park at the foot of Grampian way and Savin Hill avenue, Ward 13.
Passed under suspension of the rule.

ARC LIGHT, DORCHESTER AVENUE, WARD 13.

Coun. HUTCHINSON offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to install an arc light on Dorchester avenue, between Victoria and Pearl streets, Ward 13.
Passed under suspension of the rule.

AMBULANCE, DORCHESTER DISTRICT.

Coun. HUTCHINSON offered the following:
Ordered, That the trustees of the City Hospital be requested, through his Honor the Mayor, to consider the advisability of assigning an ambulance to the Dorchester district, to be garaged at one of the police stations, in order that it may be available for immediate use in the event of an accident or other emergency.
Passed under suspension of the rule.

RONAN PARK, WARD 15.

Coun. KELLY offered the following:
Ordered, That the Park Commissioner, through his Honor the Mayor, be requested to immediately repair all the broken benches on Ronan Park, Ward 15, in Dorchester.
Passed under suspension of the rule.

ROPING OFF STREETS.

Coun. KELLY offered the following:
Ordered, That the City Messenger be authorized to rope off streets along the route of the Dorchester Day parade on June first, the expense of same to be charged to the appropriation for Ropes, Flags and Stakes.
Passed under suspension of the rule.

APPOINTMENT OF BERTRAND RUSSELL.

Coun. GOODE and FISH offered the following:

Resolved, That the members of the Boston City Council do hereby oppose the appointment of Bertrand Russell to the faculty of Harvard University.

Referred to Committee on Rules.

Later in the session Coun. GOODE said:
Mr. President, I ask unanimous consent to make a statement. (No objection.) I am aware that the youthful president of Harvard is perhaps the greatest progressive liberal in the country today. But under the cloak of liberalism and academic freedom many sins are committed. This appointment of Bertrand Russell is a matter that should concern every person in the city. It puts Mr. Russell and his doctrines of free love in a position where he can greatly influence the youth of our city. I sincerely hope that the members of the Boston City Council will not countenance this appointment.

Coun. M. H. SULLIVAN—Mr. President, we all know that we have Harvard men to thank for many fine things, and we all have vividly in mind, I know, the recent action of a member of our own Body (Coun. Shattuck) who at that time took action which carried out the best traditions of Harvard. We all remember how the action of that son of Harvard was applauded at that time. But we have also seen recently an action of another sort, where Bertrand Russell was appointed to the faculty of Harvard University. I feel that that appointment is certainly one that must be condemned. It is entirely inconsistent with the high ideals of Eliot and Lowell that Harvard University should have on its teaching staff a man whose appointment must bring the blush of shame to the cheeks not only of Harvard men but of our countrymen everywhere. It is certainly inconsistent, as a matter of broad public policy, to spend hundreds of thousands of dollars annually to eliminate youthful indiscretions and juvenile delinquency from our community, and then to stand idly by while this great university places on its teaching staff a moral leper, who is thus held up prominently before the eyes of the youth of Boston and of the nation. I want to congratulate the gentlemen from Ward 18 and Ward 16 (Coun. Goode and Fish) for bringing before the Body this resolution. I want to congratulate them for the spirit they manifest in endeavoring to keep our education clean, and for objecting to putting on the Harvard teaching staff a man of the character and reputation of Bertrand Russell.

Coun. COFFEY—Mr. President, I want to ask what they expect of a university that teaches its football players how to dance?

The resolution stood referred to the Committee on Rules.

WARD 20 IMPROVEMENTS.

Coun. LYONS offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface Emmonsedale road with smooth pavement, under the W. P. A. plan of construction.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to construct and install sidewalks on Baker street, from Spring to Centre streets, and also Centre street, from Spring to Washington streets, Ward 20, as W. P. A. projects.

Ordered, That the Park Commission be requested, through his Honor the Mayor, to study the possibility of establishing a playground in the area bounded by Weld street, Church street, Veterans of Foreign Wars Parkway and Manthorne road, Ward 20.
Severally passed under suspension of the rule.

VACATIONS, POLICE DEPARTMENT.

Coun. LYONS offered the following:
Ordered, That the Police Commissioner be requested, through his Honor the Mayor, to include in the vacations of members of the Police Force the additional two days which they would be entitled to during the regular course of their employment.
Passed under suspension of the rule.

MATRONS, WARD 20 PLAYGROUNDS.

Coun. LYONS offered the following:
Ordered, That the Park Commission be requested, through his Honor the Mayor, to assign a matron to the Billings Field Playground and also the Mary Draper Playground in West Roxbury.
Passed under suspension of the rule.

FIVE-DAY WEEK DURING SUMMER.

Coun. M. H. and D. F. SULLIVAN offered the following:
Ordered, That his Honor the Mayor be requested to consider the advisability of placing all city workers on a five-day week wherever possible during the summer months.
Passed under suspension of the rule.

LOCAL RAILWAY SITUATION.

Coun. M. H. SULLIVAN offered the following:

Whereas, Recent train reductions on various train lines in the City of Boston will ultimately work to the economic distress of the city, cause hardship to commuters and result in further layoffs of local employables; therefore be it

Resolved, That every member of the Massachusetts delegation in Congress be requested to confer with the President of the United States and railroad authorities for the purpose of conducting a survey of the local railway situation and possibility of extending R. F. C. assistance to local railway lines.
Passed under suspension of the rule.

OCCUPATIONAL TAX ON NON-RESIDENTS.

Coun. LINEHAN offered the following:
Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to inform the City Council as to the constitutionality of the City of Boston assessing an occupational tax on all non-residents of Boston.
Passed under suspension of the rule.

ROSSELERIN ROAD, WARD 16.

Coun. FISH offered the following:
Ordered, That the Board of Street Commissioners, through his Honor the Mayor, be requested to accept and lay out Rosselerin road, Ward 16.
Passed under suspension of the rule.

TRAFFIC CIRCLE, DORCHESTER.

Coun. FISH offered the following:
Ordered, That the Metropolitan District Commission be requested, through his Honor the Mayor, to immediately proceed to construct a traffic circle at the junction of Old Colony Parkway and Freeport street, Dorchester, for which the money has been allocated.

Ordered, That the City of Boston give permission to the Metropolitan District Commission to occupy any of its land which lies within the area of the proposed traffic circle at Old Colony Parkway and Freeport streets, Ward 16, Dorchester.
Severally passed under suspension of the rule.

THE NEXT MEETING.

On motion of Coun. TAYLOR it was voted that when the Council adjourn it be to meet on Monday, May 20, 1940, at two p. m.

Adjourned, on motion of Coun. TAYLOR, at 5.55 p. m., to meet on Monday, May 20, 1940, at two p. m.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the widening and construction of Amory street, West Roxbury district, as a highway, at the northwesterly corner of Green street, bounded and described as follows:

The highway named Amory street is hereby widened at the northwesterly corner of Green street and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to the Boston and Providence Railroad Corporation, bounded:

Southeasterly by the northwesterly line of Amory street, as it existed previously to this widening, fifty-six and 88-100 feet; southwesterly by the north-easterly line of Green street, as it existed previously to this widening, fifty-six and 88-100 feet; and northerly by the northerly line of Amory street, as established under this order, eighty-four and 97-100 feet on a curve of fifty feet radius, containing seven hundred and twenty square feet, more or less.

Trees or structures standing upon or affixed to the aforescribed land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Amory street as hereby widened is bounded: Southeasterly by the northwesterly line of Amory street, as it existed previously to this widening, fifty-six and 88-100 feet; southwesterly by the northeasterly line of Green street, as it existed previously to this widening, fifty-six and 88-100 feet; and northerly by the northerly line of Amory street, as hereby widened, eighty-four and 97-100 feet on a curve of fifty feet radius, containing seven hundred and twenty square feet, more or less.

Voted, That this Board determines that the undermentioned corporation sustains damages in its estate by the making of the public improvement consisting of the widening and construction of Amory street, West Roxbury district, as a highway, at the northwesterly corner of Green street, under the order of this Board of May 3, 1940, in the amount hereinafter respectively set against it, and awards said amount therefor.

Boston and Providence Railroad Corporation, 720 square feet, \$1.00.

LAND-TAKING IN DORCHESTER.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for sewerage works to be constructed as follows:

The right and easement is taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city;

trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within sixty days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are in that part of Boston formerly Dorchester and are bounded as follows:

A parcel of land, owners unknown, being part of the private way known as Victoria road, bounded:

Northerly by easement taken by the City of Boston for sewerage purposes January 22, 1930, six feet; easterly by another part of Victoria road, four hundred and five feet; southerly by the same, six feet and westerly by the same, four hundred and five feet, containing twenty-four hundred and thirty square feet, more or less.

The sewerage works to be constructed are as follows: Three hundred ninety-five linear feet of ten-inch pipe sanitary sewer in the above-described premises.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting lots of land on the easterly side of Victoria road, beginning at a point one hundred feet south of Gallivan Boulevard and extending southerly to the southerly line of Victoria road, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said lots to the amount hereinafter respectively set against it; said lots and the supposed owners thereof being shown on a plan marked "City of Boston, Plan No. 1234, Sewerage Works, Victoria Road, Dorchester, April 8, 1940, William J. Sullivan, Chief Engineer, Street Laying-Out Department," and on file in the office of said department.

Lot.	Amount.
1. Elmer A. Ragala, City of Boston Tax Deed.....	\$380 00
2. Tomaso Mascioli.....	86 00
3. Tomaso Mascioli.....	86 00
4. Elmer A. Ragala, City of Boston Tax Deed.....	264 42
5. Roman Catholic Archbishop of Boston.....	Entrance fee
Total.....	\$816 42

Voted, That this Board determines that no person sustains damages in his estate by the taking of an easement for sewerage purposes in Victoria road, Dorchester district, under the order of the Board of May 7, 1940, and awards no damages therefor.

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about eighteen thousand seven hundred thirty (18,730) square feet of land with buildings thereon, on the southwesterly side of Boylston street, West Roxbury, numbered 129-131 in the numbering of said street, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5393, page 581, on Wednesday, May 29, 1940, at 10.30 a. m., on the premises, at a minimum price of eighteen hundred dollars (\$1,800).

A deposit required at the time and place of sale of two hundred dollars (\$200), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 47 City Hall, Boston, Mass.

DANIEL M. DRISCOLL,
Custodian of Foreclosed Real Estate.
(May 18-25.)

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC REGULATIONS.

Voted, That the Revised Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 27, 1940:

Section 13, Part 2, is amended so that it reads as follows:

2. Subject to sections 7, 8, 12, 16 and 18 and between the hours of 7 a. m. and 1 a. m., vehicles may park without time limit in the following place and in the manner specified: Northern Avenue, South Boston.

Northeast side, from Sleeper street to a point fifteen hundred (1,500) feet southeast of Sleeper street: vehicles may be placed at an angle to the curb or edge of roadway, with right front wheel to the curb or edge of roadway.

Section 13A is amended by inserting after the numeral "8", in line 1, "8A", so that the first phrase in the first sentence reads as follows: Subject to sections 7, 8, 8A and 16.

Section 14 is amended by inserting after the numeral "8", in the first phrase of the preamble, "8A, 16 and 18", and by striking out the word "and" before the numeral "8", so that the preamble reads as follows:

Subject to sections 7, 8, 8A, 16 and 18, and between the hours of 7 a. m. and 6 p. m. of any day, except Sundays and public holidays, no vehicle shall be parked in the following street unless the same is in direct charge of a driver.

WILLIAM P. HICKEY,
Commissioner.
(May 18-25.)

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO ELECTRIC ARC WELDING MACHINE MANUFACTURERS AND DEALERS.

The Superintendent of Construction of the Department of School Buildings of the City of Boston invites sealed proposals for furnishing and delivering electric arc welding equipment for the Brighton High and East Boston High Schools, of the kind and quality as per specifications, and giving bond of a surety company, satisfactory to the Superintendent of Construction therefor, in the sum of \$1,000. Only proposals obtained at the office of the Superintendent of Construction, 26 Norman street, Boston, Mass., signed by the bidder and left before 2 p. m. of Friday, May 24, 1940, at said office, with a certified check for \$200, payable to the city if the proposal is not carried out, will then and there be publicly opened and read. The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for the opening of proposals. The Superintendent of Construction reserves the right to reject any or all proposals.

JAMES J. MAHAR,
(May 18.) Superintendent of Construction.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING KEROSENE.

The Supply Department of the City of Boston invites proposals for furnishing kerosene, as per specifications contained in forms which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR KEROSENE." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Tuesday, May 26, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(May 18.) Superintendent of Supplies.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR REMOVABLE CHAIN LINK PANEL FENCE ON DORCHESTER AVENUE, FROM SUMMER STREET TO DORCHESTER AVENUE BRIDGE.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for removable chain link panel fence on Dorchester avenue, from Summer street to Dorchester Avenue Bridge. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Proposal for Removable Chain Link Panel Fence on Dorchester Avenue," and left at Room 508, fifth floor, City Hall Annex, before 12 m. of Monday, May 27, 1940, with a certified check for five hundred (\$500) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. There will be a charge of two dollars (\$2) for each set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,

(May 18.) *Commissioner of Public Works.*

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about one thousand (1,000) square feet of land on the northeasterly side of Fabin street, Boston, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5215, page 136, on Wednesday, May 29, 1940, at 10 a. m., on the premises, at a minimum price of two hundred and fifty dollars (\$250).

A deposit required at the time and place of sale of fifty dollars (\$50), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 47 City Hall, Boston, Mass.

DANIEL M. DRISCOLL,

Custodian of Foreclosed Real Estate.

(May 18-25.)

SUPPLY DEPARTMENT.

The City of Boston invites proposals for furnishing fruits, vegetables, meats, butter, eggs and cheese.

Proposals for furnishing fruits and vegetables close at 11 a. m. daily at the Supply Department. Proposals for furnishing meats and butter, eggs and cheese close every Thursday at 2 p. m. Proposals for furnishing manufactured meat products close the last Thursday of each month at 2 p. m.

Proposals and specifications for the above may be obtained in Room 1001, City Hall Annex.

JOHN A. BREEN,

Superintendent of Supplies.

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about fifty-five hundred eighty-five (5,585) square feet of land with buildings on the westerly side of Clayton street, Dorchester, numbered 67 in the numbering of said street, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5550, page 614, on Wednesday, May 29, 1940, at 11 a. m., on the premises, at a minimum price of six hundred and fifty dollars (\$650).

A deposit required at the time and place of sale of one hundred dollars (\$100), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 47 City Hall, Boston, Mass.

DANIEL M. DRISCOLL,

Custodian of Foreclosed Real Estate.

(May 18-25.)

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO GENERAL CONTRACTORS.

The Superintendent of Construction of the Department of School Buildings of the City of Boston invites sealed proposals for alterations to lunch room, etc., at the Theodore Roosevelt School, School and Dixwell streets, Roxbury, Boston, Mass., and giving bond of a surety company satisfactory to the Superintendent of Construction therefor in the full amount of the contract price. Only proposals obtained at the office of the Superintendent of Construction, 26 Norman street, Boston, Mass., signed by the bidder and left before 12 o'clock noon of Wednesday, May 29, 1940, at said office, will then and there be publicly opened and read. Every proposal for the proposed work shall be accompanied by a certified check on a responsible bank or trust company in the sum of \$750, payable to the City of Boston as liquidated damages if, after an award is made to him, the bidder shall fail to enter in a contract therefor within ten (10) days after notice of said award has been mailed to him. Bid bonds will not be accepted.

The Superintendent of Construction reserves the right to reject all sub-bids on any item or items, provided that it is agreed by and between the bidders and the Superintendent of Construction that none of such bids represents the bid of a person or firm competent to perform the work as specified, or that only one such bid was received and that the price is not reasonable for acceptance without competition. A deposit of \$25, by certified check, will be required for a complete set of plans and specifications, said sum to be refunded on return of the plans and specifications. Mutilation of plans or the specifications shall be deemed sufficient cause for the forfeiture of the said deposit.

The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for opening proposals. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in schedule determined by the Commissioner of Labor and Industries of the Commonwealth. The Superintendent of Construction reserves the right to reject any or all proposals.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 32.

SATURDAY, MAY 25, 1940.

No. 21

MAYOR TOBIN EXCORIATES THOSE WHO ACCEPT HOSPITALITY OF UNITED STATES CITIZENSHIP TO UNDERMINE PILLARS OF OUR GOVERNMENT — SCORES ALL “FIFTH COLUMN” DEVOTEES WHO USE AMERICA’S GUARANTEE OF FREEDOM OF SPEECH AND THOUGHT IN ORDER TO PROPAGATE IDEALS DESTRUCTIVE TO OUR IDEALS OF LIVING, HONOR AND DECENCY — ADDRESSES GROUP OF NEW CITIZENS ON REAL AMERICANISM ON “I AM AN AMERICAN” DAY — SPEAKS AGAINST TRAITORS AND URGES THAT ALL SUCH BE EJECTED FROM COUNTRY.

The following is the address of Mayor Tobin before the newly made citizens at Faneuil Hall:

Mr. Chairman, Ladies and Gentlemen.

This day has been set apart by the President of the United States of America as a day when we all proudly say — I am an American. The condition of the world at this moment makes this a day in which we all should fervently rise and exclaim — I am an American — Thank God!

As we walk through the peaceful streets of our cities and towns, and admire the beauties of nature’s awakening — the new blanket of bright green grass — the flowering shrubs — the stately trees with their new covering — when we hear the cries and shouts of happy children at play — it is difficult for us to realize that half the world is now engaged in the most destructive, most terrifying, most agonizing war in the long history of the world. It is difficult for us to realize that in this period of advanced civilization man has unloosed against man the most destructive weapons of war ever devised and put into operation. It seems inconceivable that the springtime of the old world should be a time of horror, of suffering, and of death for untold thousands, while here in this country we go about our appointed tasks with no more than our usual worries and cares.

Privilege of Citizenship.

To be a citizen of this nation, to participate in its growth and productiveness, to enjoy its benefits and its blessings, is a privilege that every American should cherish and protect beyond any other material attainment within our grasp.

In this country we have a true democracy — a democracy founded upon the principle that this is a government of laws and not of men — a government that guarantees to all life, liberty and the pursuit of happiness. We live in a land where opportunity is within reach of all — a land where race, color, creed, or previous condition of servitude raises up no impossible barriers. We live in a land where men and women of every racial strain and every philosophy of life meet and accept each other as equals. We live in a land grown great and powerful through the efforts, the genius, and the skill of men and women from every land and every clime. We live in a land that has no jealous aspirations — that does not covet its neighbors’ goods — that has no designs upon the sovereignty of any other nation on the globe. We live in a land where democracy and unity have been preserved by the gallant sacrifice and the blood of innumerable heroes and martyrs. We live in a land where peaceful and orderly government is the rule — a land that wants peace with the world — but, nevertheless, a land that will — if it must — and please God may it never again happen — rise up in all its might and power against any aggression, violation or threat to our peaceful security.

We who are Americans either by birth or by the processes of naturalization are likely to accept all the benefits of citizenship in this free land as a matter of course. We accept those benefits, and yet we hesitate at times to accept the duties and responsibilities that citizenship entails. We want our government and its various agencies conducted along a definite pattern, within a certain orbit, and in strict accordance with custom and with law, but still the average American concerns himself with affairs of government only in times of exceptional stress or emergency.

One of the primary duties of true citizenship is an understanding of the functions of government and a willingness to participate in those functions. The passing years — the changing times — the evolution in thought and action — make it necessary that the functions of government keep pace, within the limits of our constitution, with new practices and new conceptions. No country stands still. It either goes forward or it goes backward. It either recognizes that new conditions require new remedies, or it fails to provide the remedies and is caught in its own backlash of unconcern with extremely sad results.

Duties of Citizenship.

It is a fundamental requirement of citizenship that we keep pace with changing times and conditions — that we support orderly methods of procedure that will improve our standing as a nation — and that we actively oppose any violation of the basic principles upon which this country has advanced and grown great in the one hundred and sixty-five years of its existence. It is a requirement of citizenship that we be acquainted with the purposes and objectives of our government and the manner of its functioning, so that there will never be any danger that we shall be subject to the whims, the fancies, or the dictates of any one man or any one group. It is a requirement of citizenship that we obey the law of the land ourselves, and at the same time be vigilant that those in places of power and authority give obedience to the law.

(Continued on page 587.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"
From Boston Centennial Poem by

NATHAN HASKEL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, June 3, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables slaughter-houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made

to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, 73 City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

ADDRESS OF MAYOR TOBIN.

(Continued from page 585.)

The greatest danger to our form of government and its perpetuation is to be found within our own borders. Individuals who live here, who accept and enjoy all the benefits that America has to offer, who use the guarantee of freedom of speech and freedom of thought as a license to undermine the very pillars of government—those individuals are the real dangers we must guard against. None of us know what is in store for America in the days to come. None of us know whether or not the devastating struggle across the seas will spread and grow to include our own country. None of us know when the hour may come when we shall be forced to protect, by every means at our power, the rights that we cherish and the homes that we love.

But we do know that the time has now come when we should no longer tolerate within our borders these individuals who hold up some foreign government as an example for us to follow—who show a devotion to some other country which, to my way of thinking, is actually treason against the United States—who agitate the young mind through intellectual channels in an abortive attempt to poison the minds of our people at the very source. We all know what has happened in Europe because of the carelessness of certain countries permitting the so-called Fifth Column to operate with impunity and then to give active aid to the enemy in the fateful hour of peril. Can that happen here, you ask. Why, this country is the most careless, the most tolerant of all the nations of the world. We have, in my opinion, been too tolerant and too careless. It is time we took stock of these individuals. It is time we stripped from them their rights as American citizens, rights they have forfeited by their open affection for a foreign land and a foreign system of government.

When I speak of traitors in our midst, I do not refer to those persons of alien birth who came to this land seeking freedom and opportunity and who are potentially good American citizens. But to those persons I do now appeal, that they proceed immediately to become citizens of this land which has thrown open its gates to them. In Boston alone, on January first of this year, there were more than 50,000 aliens who had not obtained their first papers. The great bulk of these persons want to be citizens, intend to be citizens, but for various reasons have not taken advantage of their rights. Mr. Henry Nicolls, Director of Naturalization, whose offices are on the tenth floor of the Post Office Building, will be glad to advise with anybody who believes he has some problem on naturalization which needs solution. There should be no reason why every person who is entitled to citizenship does not at once take the necessary steps toward that end. At no time in recent years has it been more necessary that all who may be citizens, become citizens. To delay or defer taking the proper steps, may mean trouble, unpleasantness, and regret in the future. May I ask all those within the sound of my voice, who are aliens by birth, or who have lost their citizenship through marriage with an alien, to promptly perform your patriotic duty and become enrolled as a citizen in the greatest nation in the world. Mr. Nicolls at the Post Office Building is ready to accommodate all those who apply. There will be no unnecessary delays. No man or woman eligible to

be a citizen should hesitate. America has taken you into her arms. It is your duty to respond—and to become what millions in Europe and throughout the rest of the world today would give up everything for—the priceless ownership of citizenship in the greatest free nation in the world.

The proclamation of the President of the United States setting forth this day as "I Am An American" Day is most fitting and proper. To those of us who are citizens it gives us reason to pause and to reflect on the great good fortune that is ours that we live in a country—if not of plenty—at least, of peace. To those who are not citizens, but eligible, it gives reason to renew your determination to become citizens at the earliest possible moment.

Our country has become a great country because in it have been great Americans—men and women who suffered and died in order that this land might be a better land for all. We must keep it the best land on the face of the globe. We must be vigilant and watchful, and jealous of our rights. We must continue to adhere to our time-tested principles of freedom and justice so that all who come here in the future may join with us and say—"Thank God, I am an American!"

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, May 23:

HOSPITAL DEPARTMENT.

The following special nurses have been employed at \$4.50 a day:

Ann Barry, 72 Linden street, 2 days; Virginia Belmore, 690 Massachusetts avenue, Selma Berman, 367 Harvard street, Leona Bertrand, 477 Massachusetts avenue, 1 day; Marion Cuzner, 17 Forsyth street, 1½ days; Elizabeth Diamond, 31 Whitford street, 1 day; Belle Dodge, Hotel Essex, 4 days; Mary Doherty, 17 Emerald street, 7 days; Joseph Doran, Brookline, 1 day; Margaret Fitzpatrick, 36 Worcester square, 4 days; Alice Hally, Saugus, 1 day; Mary Haskell, 105 Bay street, 7 days; Martha Keyes, 119 Hemenway street, 3 days; Mary Maloney, 35 Harbor View street, 2 days; Ann Morasky, 51 Worcester square, 5½ days; Rose Murphy, 35 Danforth street, Daphne Parks, 51 Hammond street, 1 day; Helen Paul, 11 Forest street, 7 days; Rose Pelletier, 17 Cumberland street, 2 days; Genevieve Ploski, 36 Worcester square, 2½ days; Douglass Spencer, 151 Arlington street, 4 days; Alice Travers, 69 Woodford street, Martha Costello, 344 Market street, 2 days; Helen Grimley, 10 Worcester square, Anna Ward, 115 Finckney street, 1 day.

Frances Quinn, 559 Massachusetts avenue, for Evelyn Sacaleau, Louise Sullivan, Anne Harrigan. Total, 3 days.

Catherine Loughlin, 441 Centre street, for Alice McGowan. Total, 1 day.

Edith McLaughlin, 2 Oakdale square, for Antoinette Pascucci. Total, 2 days.

Rosemary Maher, Stoughton, for Victoria Urbanovitz. Total, 2 days.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for sewerage works to be constructed as follows:

The right and easement is taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city; trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within sixty days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are in that part of Boston formerly West Roxbury and are bounded as follows:

A parcel of land, supposed to belong to Metropolitan Coal Company, bounded:

Southeasterly by Washington street, ten feet; northeasterly by other land of said Metropolitan Coal Company, by two measurements, ten and 64-100 feet and one hundred thirty-two and 70-100 feet; northerly by land of the Gulf Oil Corporation, twenty-one and 66-100 feet; and southwesterly by other land of Metropolitan Coal Company, by two measurements, one hundred fifty-three and 42-100 feet and twelve and 16-100 feet, containing fifteen hundred and forty-five square feet, more or less.

The sewerage works to be constructed are as follows: One hundred and seventy-five linear feet of two-foot six-inch circular concrete surface drain.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this Board determines that no person sustains damages in his estate by the taking of an easement for sewerage purposes in private land off Washington street, West Roxbury district, under the order of the Board of April 24, 1940, and awards no damages therefor.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

PARK DEPARTMENT.

Upon May 21 the Mayor approved a contract with the Carilli Construction Company for constructing seaplane railway at Boston Airport, East Boston. Bids, opened April 25, were as follows:

Carilli Construction Company, \$11,972; Coleman Brothers, Corporation, \$13,500; Vulcan Construction Company, \$13,678; Joseph P. McCabe, Inc., \$13,940; W. H. Ellis & Son Company, \$14,440; Roy B. Rendle & Co., Inc., \$14,965; Blakeslee Rollins Corporation, \$15,200; Buck-McDonald Company, \$15,700; James B. Rendle Company, \$16,900.

Athletic Company, Mormac, Inc., Horace Partridge Athletic Goods Company, William Westland & Co., Wright & Ditson.

Contract was awarded to James W. Brine Company, Inc., the lowest responsible bidder, under date of April 23, in the sum of \$1,437.60.

SUPPLY DEPARTMENT.

Upon May 8 the Mayor approved a contract with lowest bidders as indicated for furnishing hay, grain, straw, etc., for the city departments, as required, during April, 1940, with the exception of Item 15. In regard to Item 15, twenty tons dairy ration for Deer Island, the ration to be furnished by the George H. Parker Grain Company at \$36.40 per ton, less 2 per cent cash discount, was selected as the lowest bid on ration suitable for use at Deer Island, but a trial order of four tons delivered to Deer Island proved unsatisfactory, and therefore, permission was given to award the remaining sixteen tons to William Culkeen & Sons Company for the ration at a price of \$1.81 per hundredweight, as this is the lowest bid on ration which will be satisfactory for use at Deer Island. The approximate totals of awards were as follows:

John J. White Company, \$1,401.73; William Culkeen & Sons Company, \$670.40; Curley Grain and Fuel Company, \$253.19; George H. Parker Grain Company, \$145.60; The Whittemore Company, \$27. Total, \$2,497.92.

Approximate Amounts on All Items.
Per Hundredweight.

Item 1. 70,000 Pounds Hay.—William Culkeen & Sons Company, \$1.19; John J. White Company, \$1.185.*

Item 2. 30,000 Pounds Oats, No. 2 White, to Test Not Less Than 34 Pounds Nor More Than 38 Pounds to Bushel.—Curley Grain and Fuel Company, \$2; The Whittemore Company, \$1.90; William Culkeen & Sons Company, \$2.04; John J. White Company, \$1.89.*

Item 3. 6,000 Pounds Straw.—Curley Grain and Fuel Company, \$1.599*; William Culkeen & Sons Company, \$1.90; John J. White Company, \$1.74.

Item 4. 4,000 Pounds Bran.—Curley Grain and Fuel Company, \$1.69*; The

Whittemore Company, \$1.80; William Culkeen & Sons Company, \$1.75; John J. White Company, \$1.69.

Item 5. 2,000 Pounds Corn Meal.—Curley Grain and Fuel Company, \$1.64; The Whittemore Company, \$1.69; William Culkeen & Sons Company, \$1.63*; John J. White Company, \$1.65.

Item 6. 1,500 Pounds Cracked Corn.—Curley Grain and Fuel Company, \$1.64; The Whittemore Company, \$1.69; William Culkeen & Sons Company, \$1.63*; John J. White Company, \$1.65.

Item 7. 500 Pounds Whole Corn.—Curley Grain and Fuel Company, \$1.64; The Whittemore Company, \$1.69; William Culkeen & Sons Company, \$1.63*; John J. White Company, \$1.65.

Item 8. 500 Pounds Milo.—Curley Grain and Fuel Company, \$2.35; The Whittemore Company, \$2.60; William Culkeen & Sons Company, \$2.30*; John J. White Company, \$2.45.

Item 9. 500 Pounds Wheat.—Curley Grain and Fuel Company, \$2.33*; The Whittemore Company, \$2.35; William Culkeen & Sons Company, \$2.39; John J. White Company, \$2.40.

Item 10. 100 Pounds Canary Seed.—Curley Grain and Fuel Company, \$5.40; The Whittemore Company, \$5.55; William Culkeen & Sons Company, \$7.50; John J. White Company, \$5.23.*

Item 11. 300 Pounds Buckwheat.—Curley Grain and Fuel Company, \$2.20; The Whittemore Company, \$2.20*; William Culkeen & Sons Company, \$2.38; John J. White Company, \$2.40.

Item 12. 300 Pounds Sunflower Seed.—Curley Grain and Fuel Company, \$6.89; The Whittemore Company, \$6.80*; William Culkeen & Sons Company, \$7; John J. White Company, \$6.90.

Item 13. 200 Pounds Hempseed.—Curley Grain and Fuel Company, \$7.39; The Whittemore Company, \$7.90; William Culkeen & Sons Company, \$7.25*; John J. White Company, \$7.90.

Item 14. 4,000 Pounds Cracked Oats.—Curley Grain and Fuel Company, \$1.95*; William Culkeen & Sons Company, \$2.09; John J. White Company, \$1.98.

Delivery at Deer Island, via Shirley Gut.

Item 15. 20 Tons Dairy Ration, Subject to Approval; Manufacturer, Trade Name, Etc., of Material Upon Which Bid is Based.—Curley Grain and Fuel Company, \$1.91; Elmore in new sax; \$1.825; Elmore in used sax supplied by City of Boston; \$1.855; Crystal 20 per cent Dairy Ration in new sax; \$1.79; Crystal 20 per cent Dairy Ration in used sax; William Culkeen & Sons Company, \$2.04; Florys Record Dairy Feed 20 per cent; \$1.945; Florys Cream O Milk Dairy Feed 20 per cent; \$1.81; Florys Special 20 per cent Dairy Feed, awarded sixteen tons; \$2.07; Florys Triple A 16 per cent Dairy Feed; \$1.695; Florys National 16 per cent Dairy Feed; \$2.05; Elmore Milk Grains 20 per cent; \$1.97; Elmore Milk Grains 16 per cent; \$1.93; Grangers 20 per cent Dairy Feed; \$1.845; Waldorf 20 per cent Dairy Feed; John J. White Company, \$2.10; Beacon; George H. Parker Grain Company, \$40.30 a ton; Beacon Sweet "20"; \$36.40 a ton, awarded four tons; Parker's Dairy Ration, see specifications.

Cash Discount, Ten Days.—Curley Grain and Fuel Company, 1 per cent; The Whittemore Company, 1 per cent; William Culkeen & Sons Company, 1 per cent; John J. White Company, 1 per cent; George H. Parker Grain Company, 2 per cent.

Item 215. 20 Cases Tuna Fish, 48 to Case, 13-Ounce Tins, Per Case.—G. Giovino & Co., \$14.25; Francis H. Leggett & Co., \$11.28, Premier, light meat; Independent Importing Company, \$11.31; Reid, Murdoch & Co., \$9.89*; George D. Emerson Company, \$10.45; Webster-Thomas Company, \$11.70; H. A. Johnson Company, \$13.70, white meat.

Discount.—G. Giovino & Co., 2 per cent, ten days; S. S. Pierce Company, 1 per cent, ten days; Reid, Murdoch & Co., 2 per cent, ten days; George D. Emerson Company, 2 per cent, ten days; Suffolk Grocery Company, Inc., 2 per cent, ten days; Webster-Thomas Company, 2 per cent, ten days; H. A. Johnson Company, 2 per cent, ten days.

All cereal prices good for forty-eight hours; after that are subject to final confirmation.

*Contract awarded.

BOSTON PLANS FOR FLAG DAY. FRIDAY, JUNE 14.

The annual official municipal observance of Flag Day, June 14, sponsored by the city and arranged by the Citizens' Public Celebrations Association, to observe the 163d anniversary of the adoption of the national flag of this American republic, will also serve as a patriotic demonstration of timely type.

The events will include an early evening street parade made up of units from the Navy, National Guard, War Veterans Groups, School Cadets, and other uniformed detachments, to assemble at Copley square, at 7 p. m., and proceed to the Common.

On the Common, from 8 to 9 o'clock, will be exercises by units of the parade and others. A feature of the parade and also in the Common program will be a dramatized "Story of the Flag," with groups in the dress of the various periods from colonial days to now, and showing the successive stages by which the present Stars and Stripes came into being.

A formal military ceremonial with impressive lowering of the flag at sunset is to be conducted by the Massachusetts National Guard. Band and vocal music will be all of American patriotic character with a chorus and singing by the assembled people.

A formal "Pledge to the Flag" will be given by a troop of Boy Scouts. The Flag Day proclamation by Governor Saltonstall will be read. Mayor Maurice J. Tobin is invited to speak in person. Official representatives are invited from the Army, Navy, Marine Corps, Coast Guard, National Guard and the Red Cross.

To inspire general display of the national flag, Mayor Tobin will issue a public request asking that this be arranged city-wide. The Flag Day Committee is to give special attention toward such display of flags on all buildings that have poles, along the route of the evening parade and in the area adjacent to the Common, during the day and until sunset.

REPORT OF PHILIP J. BOND, CHIEF EXAMINER, BOARD OF EXAMINERS, ON ATTENDANCE AT CONFERENCE OF BOARDS OF EXAMINERS UNDER THE AUSPICES OF THE AMERICAN COUNCIL ON EDUCATION, IN WASHINGTON, APRIL 4 AND 5.

The following is the report of Chief Examiner Philip J. Bond on attendance at the first conference of Board of Examiners, Washington:

The first conference of Boards of Examiners met in Washington, D. C., April 4 and 5, 1940. Boards of Examiners and other administrators engaged in teacher selection gathered from the following cities: Baltimore, Boston, Detroit, District of Columbia, New York, Philadelphia, Pittsburgh and Providence. During the two days the group was in conference a total of fifteen hours.

Dr. George F. Zook, President of the American Council on Education, presided at the first conference at which the system of teacher examination or selection in vogue in each city represented was explained in detail. This topic was continued during the afternoon session under Dr. Joseph K. Van Denburg of the New York City Board of Examiners, who was elected chairman of the group. Doctor Van Denburg had been trying for ten years to bring this group together.

In the evening conference the topics discussed were, "Appraisal of Personality and Character" and "Conduct of Oral or Interview Tests." The group agreed that there are many traits and skills desirable and necessary in a classroom teacher that cannot be tested by any examination. These elements can be tested only by a careful observation of the individual at work during a probationary period. No personal interview yet devised can forecast the success of a certificate candidate.

New York City required a comprehensive interview of each candidate, but at the close marks the candidate either satisfactory or unsatisfactory. Providence gives a numerical rating (based on three hundred points) as a result of an interview. The group, however, fired many a broadside at the Providence "Rating Form for Use of Interviewers and Oral Examiners." The weighing of particular traits was criticized. Van Denburg has for forty years been working on a plan of interview that will attempt to measure personality and character traits that predetermine the successful teacher.

Mr. Ben D. Wood, Director, Cooperative Test Service, spoke to the group at its next conference, explaining the work of the National Committee on Teacher Examinations of the American Council on Education. The 1940 National Teacher Examinations were administered on March 29 and 30, 1940. These nation-wide examinations are of the "objective" type. They consist of short answer items, involving multiple choice responses. The examinations extend over two full days, each day including about six hours of actual testing time. An additional day is required if a candidate is tested on his knowledge of a special field, *e. g.*, carpentry, cooking, etc., these special examinations being prepared by the local school system. In 1940, the first time the National Teacher Examinations were held, there were 3,900 appli-

cants of whom about 10 per cent dropped out prior to the examinations. If these tests are to become a permanent service 70,000 applicants yearly will be necessary to pay the expenses of the examinations.

William A. Hannig, Chairman of the New York City Board of Examiners, read a paper on "Evaluation of Examinations for Teachers" during the same conference. New York City lists 600 different teaching licenses. In 1938-39, 18,272 candidates took examinations. Before the depression the number seeking certificates yearly mounted as high as 35,000.

M. P. Price of Detroit lead a discussion on "Problems of Staff in Relation to Decreasing Enrolment."

New York City and Philadelphia reported for the first time this year a decrease in high school enrolment. Both cities have many excess teachers of Latin, French and Mathematics.

The entire conference was interesting and much worthwhile, if only to convince the Boston representative that our own examination system is sound and on a high plane. New York City and Providence systems are comparable to that of Boston. The Boston Board of Examiners was the only one represented that witnesses all teaching demonstrations of certificate candidates.

Objective tests seem to be emphasized today. Boston uses for the most part the essay type, although the new type tests are being used where practicable. The expense of printing an examination strictly of the new type would be prohibitive. It is debatable to claim that the new type examination is superior to the essay type. Our own Teachers College students prefer the new type test. An essay type test properly constructed can be a searching examination.

I feel that Boston has much to offer in assisting other school systems to develop sound examination procedures. The New York City representatives saw great possibilities in biennial service marks. Boston's "Circular of Information" was praised, a New York City representative asserting that it was the best he had seen.

The group voted to meet again, if possible, within six months for further discussion and afterwards to hold yearly meetings with one object in view—nation-wide competitive examinations for teaching certificates.

PHILIP J. BOND,
Chief Examiner, Boston Public Schools.

CIRCULAR LETTER NO. 3.

CITY OF BOSTON,
MAYOR'S OFFICE, May 17, 1940.

To the Heads of Departments.

GENTLEMEN,—You are hereby directed to grant leave of absence, without loss of pay, to employees in your department who are alternates or delegates of the Veterans of Foreign Wars, to attend the annual encampment in the city of Lynn on June 20, 21, 22 and 23, 1940.

Respectfully,

MAURICE J. TOBIN, *Mayor.*

MAYOR TOBIN ANNOUNCES "BRING YOUR CONVENTION TO BOSTON" WEEK.

Mayor Maurice J. Tobin has signed the following proclamation designating the week of May 26 to June 1 as "Bring Your Convention to Boston" Week.

PROCLAMATION.

Whereas, The season for conventions and assemblies is at hand and citizens of Boston will be attending these as delegates and representatives; and

Whereas, Boston is widely known throughout the country as offering the utmost in facilities for conventions and assemblages and as an ideal convention city; and

Whereas, By reason of the famed hospitality of Boston citizens as hosts, and the historic and revered patriotic shrines which have an especial appeal for all liberty-loving Americans, this city is and should be the mecca for all vacation and convention travelers who come to the Atlantic seaboard;

Now, therefore, I,

Maurice J. Tobin, Mayor of Boston, do hereby set aside and fix upon the week May 26 to June 1, as
"Bring Your Convention to Boston" Week,

and ask the citizens of Boston who shall be attending conventions in other sections of our great country to strive to have their conventions and assemblies select our city as the scene of their next and following gatherings.

I ask all citizens to join in all communal efforts that will tend to center attention upon such efforts, not alone for the financial and commercial advantages of such efforts but for the renown and fame that shall result with the spreading of the good name of our fair city before the entire world.

In witness whereof, I have hereunto set my hand and caused the seal of the City of Boston to be affixed this 15th day of May, 1940.

MAURICE J. TOBIN, *Mayor.*

LOCATION OF STREETS.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the locations, directions, width and grades of the following private ways, in the Dorchester district, designated as follows, and as shown on plans approved in writing by the Board of Street Commissioners, and on file in the office of the Street Laying-Out Department, be, and the same hereby are, approved.

Galty avenue, leading southeasterly from Mercier avenue for a distance of approximately 450 feet.

Rogan road, between Galty avenue and Range road.

Barna road, between Galty avenue and Range road.

Mercier avenue, between Alicia road and a point approximately sixty feet east of Range road.

Range road, between Dorchester avenue and Mercier avenue.

POLICE DEPARTMENT ORDERS.*General Order No. 479.*

The Trial Board consisting of Captains Mullen, Donovan and Harvey, having heard by reference a complaint against Patrolman George J. Mathi of Division 10, charging him with neglect of duty, has reported to the commissioner a finding of guilty as charged. In accordance with which it is hereby ordered that the said Patrolman George J. Mathi perform 35 hours of punishment duty.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 480.

The police officers hereinafter listed, having arrived at the ages stated, having performed faithful service in the Police Department for the number of years respectively set out, and having made application to be retired from active service, it is hereby

Ordered, His Honor the Mayor having approved the same, that they be retired from active service and their names placed upon the department pension roll with pay at the rate in each case shown; said sum being one half of the amount of compensation received by each in the office from which he is retired.

SERGEANT.

Amount of pension, \$1,250 per annum, payable monthly.

Harry R. Butler, Division 16, age, 60 9-12 years, length of service, 35 years, retirement effective at 7.45 a. m. May 15, 1940.

PATROLMAN.

Amount of pension, \$1,050 per annum, payable monthly.

Wesley A. Gordon, Division 2, age, 63 7-12 years, length of service, 35 6-12 years, retirement effective at 7.45 a. m. May 25, 1940.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 481.

The American National Red Cross is undertaking a national campaign to raise \$10,000,000 for the war refugees of Europe, with \$300,000 as the Boston Metropolitan Chapter's quota for this district.

The charity of the members of this department is well known, as has been evidenced by the splendid cooperation with all worthy causes in the past. The plight of the refugees in Europe is beyond description. It is needless for me to dwell on their dire need, and on the wonderful work that is being done to relieve their suffering and distress through the American Red Cross.

The cooperation of this department has been requested in obtaining the allotment of \$300,000 assigned to this district. While I realize that the department is called upon during the course of the year to assist in various worthy projects of a charitable nature, I cannot help but feel that the entire personnel of the department will respond wholeheartedly to this deserving cause. Therefore, it is hoped that everybody in the department will respond financially to the Red Cross appeal in order that the good work may be continued.

Commanding officers of divisions and units and department heads shall submit

checks for all moneys received, made payable to the American Red Cross, which shall be forwarded to the Superintendent's Office on or before Saturday morning, May 25, 1940.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

MASSACHUSETTS CIVIL SERVICE EXAMINATIONS.

LABORATORY TECHNICIAN, BOSTON CITY HOSPITAL (GENERAL LABORATORY), JUNE 15, 1940.

Last date for filing applications, Monday, June 3, 1940, at 5 p. m.

This examination is open to both males and females.

At the present time there are fifteen vacancies, ranging in salary from \$16 per week to \$1,300 per year.

Duties: The performance of those laboratory tests customarily done in the routine clinical laboratory of an accepted hospital,—particularly those tests having to do with bacteriology, clinical chemistry, hematology, biology, tissue and urine examination, and all related work as required.

Entrance Requirements: Applicant must have had one year's active experience as a regularly employed medical technician in an accepted hospital or other laboratory, under the immediate direction and supervision of a pathologist.

Subjects and Weights: Training and experience, 2; practical test, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

AMENDED NOTICE.

WATER METER READER, BOSTON PUBLIC WORKS DEPARTMENT, JUNE 15, 1940.

Last date for filing applications, Monday, June 3, 1940, at 5 p. m.

Salary: The starting salary for this position is \$1,600 a year. The maximum salary for this position is \$1,900 a year.

Duties: To read water meters and perform incidental minor clerical work, such as the recording of readings on meter cards and reports on cards as to the physical condition of meters and the premises.

Entrance Requirement: Applicants who have not reached their twenty-second birthday or who have passed their fiftieth birthday will not be eligible to apply. A certificate of date of birth must be filed with the application unless one has been filed with a previous application.

Subjects and Weights: Training and experience, 4; report, 1; practical questions, 5; total, 10.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

The practical questions will be based upon information contained in the Water Meter Reader's Manual which may be obtained at the Public Document Room, Room 118, State House, at ten cents a copy. Applicants should obtain a copy of this manual and study it carefully.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

CIRCULAR LETTER NO. 4.

CITY OF BOSTON,
MAYOR'S OFFICE, May 17, 1940.

To the Heads of Departments.

GENTLEMEN,—You are hereby directed to grant leave of absence to employees in your department who are delegates or alternates of the Yankee Division Veterans Association to attend the annual convention to be held on June 6, 7 and 8, 1940, to be held in Boston, Mass.

Respectfully,

MAURICE J. TOBIN, Mayor.

CIRCULAR LETTER.

CITY OF BOSTON,
MAYOR'S OFFICE, May 20, 1940.

To All City Employees.

The Metropolitan Chapter of the American Red Cross is endeavoring to raise \$10,000,000 for the relief of war-stricken countries in Europe.

Perusal of the daily papers is sufficient to inform all of us of the terrible havoc and destruction caused by modern warfare.

It is a condition, I pray, will never come to this country.

The generosity of the American people towards those in other lands who have been visited with great misfortune is traditional. The generosity of the city employees in these emergencies is well known.

Fire Commissioner Reilly has been designated by me as Chairman of the City Employee Division.

May I ask all employees to contribute, as generously as their means permit, for this humane purpose under the auspices of the Red Cross.

Whatever your contribution may be, you may rest assured it will bring joy and happiness to some one who finds life at this hour at its darkest stage.

Sincerely,

MAURICE J. TOBIN, Mayor.

AMENDED DAMAGES.

The Mayor has approved the following vote of the Board of Street Commissioners:

That the order of the Street Commissioners and Mayor of April 22, 1940, providing for the taking in fee of approximately 75,532 square feet of land on proposed extension of Louder's lane, West Roxbury district, for school purposes, and awarding the sum of \$3,750 as damages to John L. Brandegee and Martina L. Lawrence, be, and the same hereby is, amended, by striking out the names of John L. Brandegee and Martina L. Lawrence and substituting therefor the name of Eugene G. Kraetner.

BUILDING PERMITS ISSUED FOR THE WEEK ENDING MAY 22.

NURSE, BOSTON HEALTH DEPARTMENT, JUNE 25, 1940.

Last date for filing applications, Tuesday, June 11, 1940, at 5 p. m.

Salary: The entrance salary is \$1,400 a year; the maximum salary is \$1,800 a year. At the present time there are three permanent vacancies.

Duties: To do public health nursing in the fields of communicable diseases, child hygiene, school nursing, tuberculosis and health service for day nurseries. These duties include both field and clinic service.

Entrance Requirements: Applicants must be registered nurses under the State Division of Registration of Nurses.

Applicants who have passed their forty-fifth birthday will not be eligible to apply. A certificate of date of birth

must be filed with the application unless one has been filed with a previous application.

Applicants must have six months' experience in public health nursing or six months' experience on the staff of a public health nursing organization under qualified supervision.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

TRAFFIC COMMISSION RULINGS.

Voted, That the Revised Traffic Rules and Regulations of the City of Boston are amended as follows, effective June 3, 1940.

Section 8, Part 2, is amended by striking out the following:

Hampshire Street, Roxbury.

Both sides, from a point two hundred and eighty-five (285) feet southwest of Vernon street to Vernon street, twenty-four hours.

Harrison Avenue, Downtown Boston.

West side, from Bedford street to Essex street, 7 a. m. to 6 p. m.

Section 8, Part 2, is amended by adding the following:

Hampshire Street, Roxbury.

Northwest side, from a point two hundred and eighty-five (285) feet southwest of Vernon street to Vernon street, twenty-four hours.

Harrison Avenue, Downtown Boston.

West side, from Hayward place to Essex street, 7 a. m. to 6 p. m.

Section 41 is amended by striking out the following;

Prescott Street, East Boston.

At Bremen street.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the following street is hereby declared to constitute an isolated "Stop" street, effective June 3, 1940:

American Legion Highway, West Roxbury.

At Walk Hill street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of horse racing at Suffolk Downs track, the following rules are effective from May 20, 1940, to July 27, 1940, inclusive.

Parking of vehicles is prohibited in the following streets:

Orient Avenue, East Boston.

Both sides, from Walley street to

Faywood avenue, 7 a. m. to 6 p. m.

Waldemar Avenue, East Boston.

Both sides, from Walley street to McClellan Highway, 7 a. m. to 6 p. m.

Voted, That as urgently required by considerations of public safety and convenience, the following rules are effective from May 17, 1940, to September 30, 1940:

Parking of vehicles is prohibited in the following streets:

Columbia Road, South Boston.

North side, from I street to Farragut road.

L Street, South Boston.

Both sides, from Columbia road to East Seventh street.

Strandway, South Boston.

East and south side (ocean side), from Kosciuszko Circle to Farragut road.

Ticknor Street, South Boston.

Both sides, from Columbia road to Marine road.

Parking of vehicles is permitted without time limit in the following streets:

Columbia Road, South Boston.

South side, from I street to Farragut road.

Strandway, South Boston.

West and north side (reservation side), from Kosciuszko Circle to Farragut road.

CONSTRUCTION WORK.

The Mayor has approved the following request of the Public Works Department:

A sanitary sewer of 10-inch pipe and a surface drain of 12-inch pipe, W. P. A. Project 665-14-2-1167, Work Project 20303, in Victoria road, between 100 feet south of Gallivan Boulevard and 490 feet southerly, in the Dorchester district at an estimated cost of \$10,600.

CIVIL SERVICE EXAMINATIONS.
(STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

ASSISTANT DIETITIAN, DEPARTMENT OF
MENTAL HEALTH, JUNE 28, 1940.

Last date for filing applications, Friday, June 14, 1940, at 5 p. m.

The entrance salary is \$840 a year and maintenance; the maximum salary is \$1,140 a year and maintenance.

At the present time, there is a vacancy for a female at \$840 a year and maintenance in each of the following: Danvers State Hospital, Foxboro State Hospital and Wrentham State School.

Duties: To assist a head dietitian in planning menus and in the preparation and serving of meals in a state institution; and to perform related work as required.

Entrance Requirement: Applicants must have one year's experience as a dietitian in a hospital, cafeteria, lunch-room, hotel or other similar field.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

LABORATORY TECHNICIAN, STATE HEALTH
DEPARTMENT, JUNE 28, 1940.

Last date for filing applications, Friday, June 14, 1940, at 5 p. m.

Requisition is for a male, but the examination is open to both females and males.

The entrance salary is \$840 a year and maintenance; the maximum salary is \$1,140 a year and maintenance.

The present vacancy is at the North Reading State Sanatorium.

Duties: In addition to ordinary laboratory work, including blood counts, sputum and urine examinations, it is essential that the person filling this position have sufficient knowledge and experience in X-ray technique to enable him to take and develop X-rays.

Entrance Requirement: Applicants shall have spent at least one year in the laboratories of a hospital having at least 100 beds capacity.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

LOCATION OF STREET.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the location, direction, width and grade of the private way in the Hyde Park district, designated as Gwinnett street, from West street to Marston street, as shown on a plan approved in writing by the Board of Street Commissioners, and on file in the office of the Street Laying-Out Department, be, and the same hereby is, approved.

WATER-SUPPLY DEVELOPMENT IN THE
UNITED STATES.

In 1652 Boston introduced the first American public water supply. The first mechanical pumps were used in 1761 at Bethlehem, Pa., where Hans Christiansen, an American pioneer water-supply engineer, made his pumps work "after severe struggles." In 1850 there were only 100 water plants in the United States, and as late as 1875 only 243. In 1933 there were more than 11,000 public water supplies, some serving more than one community.

CIVIL SERVICE EXAMINATIONS.
(STATE.)

STATE EXAMINERS OF ELECTRICIANS, 1940.

Examinations will be held at the following points and on the following dates:

Boston, Wednesday, June 5.
 Boston, Wednesday, September 11.
 Worcester, Thursday, September 12.
 Springfield, Wednesday, October 16.
 Pittsfield, Thursday, October 17.
 Boston, Wednesday, November 13.
 Lowell, Thursday, November 14.
 Boston, Wednesday, December 4.
 New Bedford, Thursday, December 5.
 New Bedford, Friday, December 6.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes. Examination shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
 WALTER F. DOWNEY,
 ULYSSES J. LAPIEN,
 ALBERT FRANK,
 WALTER J. KENEFFICK,
State Examiners of Electricians.

For application blanks or other information apply to State Examiners of Electricians, Room 303, 14 Beacon street, Boston, Mass.

FOR AIDING BOYS.

In an effort to lend a helping hand to misfit and underprivileged boys and to stem the alarming flow of young men into penal institutions and lives of crime, Big Brother Bureaus are being organized by the police departments of various cities. The International Association of Chiefs of Police urges all police jurisdictions to join the Big Brother League.

TO PROTECT MINORS.

Buffalo is considering an ordinance, similar to the one in effect in New York City, for the protection of minors in theaters. It permits children, unaccompanied by adults, only in theaters licensed as to adequate sanitary and safety provisions, sets aside a certain section for them and requires the presence of a licensed matron.

BUDGETARY CONTROL.

Prior to installing the present system of budgetary control, effective as of January 1, 1939, the city of Newark had no centralized accounting control over its budget commitments. The city's general ledger contained accounts for the various budget appropriations, and reflected disbursements out of the appropriations. However, commitments for work and material were not recorded in the city's accounts until after bills submitted by the vendors had been approved for payment by the Board of Commissioners. Consequently, financial reports could only show the amount of appropriated moneys that had not been disbursed out of any account. No recognition could be given in these reports to the unpaid purchase commitments, since the amount was not known. *The American City.*

TAUNTON'S ASPHALT PLANT.

One of the functions of a city public works or street department is to operate as effectively as possible in the construction and maintenance of its streets and sidewalks and to produce the necessary materials for paving at the lowest possible cost. In some cities this is effected by the purchase of all paving materials in either the raw or the mixed stage. Taunton has used a city-owned 100-ton asphalt plant for street paving and maintenance and for sidewalk construction for ten years. Located in the city yard with the equipment repair shop and garage, the plant is housed in a 60 by 90 foot building with a 30 by 100 foot wing, which was formerly used as a foundry. *The American City.*

VOTE FOR PRESIDENT IN MASSACHUSETTS, NOVEMBER 3, 1936.

Vote in the State for President: 942,716 for Roosevelt (Dem.); 768,613 for Landon (Rep.); 118,639 for Lemke (Union); 5,111 for Thomas (Soc.); 2,930 for Browder (Comm.); 1,305 for Aiken (Soc. Lab.); 1,032 for Colvin (Proh.); all others, 11; total votes, 1,840,357; blanks, 34,768. Plurality for Roosevelt, 174,103. There were 18,097 more ballots cast for President than for Governor.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

MASSACHUSETTS BAY COLONY.

The first chartered colony in New England, charter granted by Charles I on March 4, 1629. About a year before, a patent had been granted to six prominent men of Dorchester, west of England, among whom was Capt. John Endicott. He sailed in June, 1628, with a party of fifty or sixty persons, arriving in September and settling at Naumkeag, afterward named Salem. In the spring of 1629, the Bay Company fitted out three ships conveying about four hundred persons and arriving at Salem in June. Endicott sent a small party to effect a settlement on the Bay in Mishawum, afterward named by the settlers Charlestown, the first town in New England to assume the town polity, Plymouth and Salem being governed by a governor and council. Endicott was appointed in London as the first resident governor on April 30, 1629. The Massachusetts Bay Company was reorganized in London on October 20, 1629, when John Winthrop was chosen as governor. He arrived at Salem on June 12, 1630, soon proceeded to Charlestown with a large following and finding that place unsuitable, finally settled in Boston. Winthrop served thirteen years as governor in four different periods ending in 1649 and Endicott fifteen years at various times ending in 1665. Other governors were Thomas Dudley, Richard Bellingham, John Haynes, Henry Vane, John Leverett and Simon Bradstreet, the latter serving twelve years until 1692 when the Bay Colony and the Plymouth Colony were merged, becoming the Royal Province of Massachusetts Bay, which existed eighty-two years to 1774, the governors being appointed by the King.

The name, Massachusetts, is Indian and signifies "near the big hills."

POPULATION OF CITIES OF OVER 300,000, 1930.

New York, 6,930,446, an increase of 1,310,398 or 23.3 per cent over 1920, divided thus: Brooklyn Borough 2,560,401; Manhattan 1,867,312; Bronx, 1,265,258; Queens, 1,079,129; Richmond, 158,346. Other cities, with increase over 1920: Chicago, 3,376,438 (increase 674,733 or 25.0 per cent); Philadelphia, 1,950,961 (increase 127,182 or 7.0 per cent); Detroit, 1,568,662 (inc. 574,984 or 57.9 per cent); Los Angeles 1,238,048 (inc. 661,375 or 114.7 per cent); Cleveland, 900,429 (inc. 103,588 or 13.0 per cent); St. Louis, 821,960 (inc. 49,063 or 6.3 per cent); Baltimore, 804,874 (inc. 71,048 or 9.7 per cent); Boston, 781,188 (inc. 33,128 or 4.4 per cent); Pittsburgh, 669,817 (inc. 81,474 or 13.8 per cent); San Francisco, 634,394 (inc. 127,718 or 25.2 per cent); Milwaukee, 578,249 (inc. 121,102 or 26.5 per cent); Buffalo, 573,076 (inc. 66,301 or 13.1 per cent); Washington, 486,869 (inc. 49,298 or 11.3 per cent); Minneapolis, 464,356 (inc. 83,774 or 22.0 per cent); New Orleans, 458,762 (inc. 71,543 or 18.5 per cent); Cincinnati, 451,160 (inc. 49,913 or 12.4 per cent); Newark, 442,337 (inc. 27,813 or 6.7 per cent); Kansas City, Mo., 399,746 (inc. 75,336 or 23.2 per cent); Seattle, 365,583 (inc. 50,271 or 15.9 per cent); Indianapolis, 364,161 (inc. 49,967 or 15.9 per cent); Rochester, N. Y., 328,132 (inc. 32,382 or 10.9 per cent); Jersey City, 316,715 (inc. 18,612 or 6.2 per cent); Louisville, 307,745 (inc. 72,854 or 31.0 per cent); Portland, Oregon, 301,815 (inc. 43,527 or 16.9 per cent).

PROCEEDINGS OF SCHOOL COMMITTEE.

Apr. 29, 1940.

A deferred regular meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 8:30 o'clock P. M., the Chairman presiding.

Present: Messrs. Lee, McDevitt, Norton and White.

APPROVAL AND AMENDMENT OF MINUTES

The reading of the minutes of the previous meeting was omitted, the Committee approving them as printed.

On motion, the minutes of Mar. 11, 1940, were amended on page 36 to provide that the order authorizing the attendance of Philip J. Bond, Chief Examiner, Board of Examiners, to attend the conference of boards of examiners in Washington, D. C., Mar. 28 and 29, 1940, shall read "Apr. 4 and 5, 1940."

TUITION OF NON-RESIDENT PUPILS

A communication was received from R. O. Small, Director, Division of Vocational Education, Massachusetts Department of Education, under date of Apr. 2, 1940, reporting that a tuition rate of 39 cents per hour of service is approved and effective Sept. 1, 1939, for non-resident pupils in the Boston Continuation School under authority of Section 24, Chapter 71, General Laws.

Placed on file.

DEATHS

The Superintendent reported the death of the following-named teacher:

Department of Household Science and Arts—Katharine M. Howell, teacher of sewing, elementary, Apr. 7, 1940.

Placed on file.

The Superintendent reported the death of the following-named teacher who had been retired under the provisions of the Boston Retirement System:

John Marshall District—Alicia F. McDonald, Apr. 19, 1940.

Placed on file.

The Superintendent reported the death of the following-named teacher who had been retired on pension:

Lewis District—Gertrude H. Larkin, Mar. 2, 1940.

Placed on file.

RESIGNATIONS

The following resignations, reported by the Superintendent to take effect on the dates stated, were presented:

Roxbury Memorial High School (Boys)—Francis D. Whittemore, master, Apr. 15, 1940.

Chapman District—Ellen L. Harris, assistant, elementary, Mar. 29, 1940.

Hugh O'Brien District—Mary E. McGinty, assistant, elementary, Apr. 18, 1940.

Accepted.

LIST OF TEACHERS APPROVED FOR TEMPORARY SERVICE

The Superintendent submitted, under the provisions of section 265, paragraph 2 of the regulations, the following additions to the list of teachers approved by him from which assignments may be made for temporary service:

Day High Schools—Patricia Callanan, Mary J. Locke, Margaret E. McCarthy, Ervida C. Swirkal.

On motion of the Superintendent, it was

ORDERED, That the employment of the following-named persons is hereby authorized for emergency service on the dates indicated when no certificated person for the assignment was available:

Day High Schools—Edith H. McPeake, Apr. 3, 1940; Aurelia M. Kelley, Apr. 12, 1940.

Day Intermediate Schools—Joseph J. P. Boyle, Apr. 1, 1940.

Day Elementary Schools—M. Rita Donnelly, Apr. 3, 1940; Mary T. Sullivan, Apr. 5, 1940 (one-half day)

Trade School for Girls—Mary E. John McNally, Apr. 2 to 5, 1940.

TOOLKEEPER

(New appointment)

Boston Trade School—James W. Brown, toolkeeper, Apr. 4, 1940.

Approved.

EVENING SCHOOLS

Term 1939-1940

Hyde Park Evening School—Leo E. Raftery, assistant, Apr. 2, 1940 (one evening).

Joseph H. Barnes Evening School—Georgianna M. Cook, assistant, Apr. 1 to Apr. 4, 1940 (three evenings).

Patrick T. Campbell Evening School—Mary J. Larkin, assistant, Apr. 1, 1940 (one evening); George F. Aherne, assistant, Apr. 2, 1940 (one evening).

Roger Wolcott Evening School—Mary L. Sullivan, assistant, Apr. 1, 1940 (one evening).

Approved.

SPECIAL ASSISTANT

Day School for Immigrants—Alice B. McGowan, Apr. 3, 1940. Approved.

DEPARTMENT OF THE EXTENDED USE OF THE PUBLIC SCHOOLS

A communication was received from the Superintendent, under date of Apr. 29, 1940, reporting that subject to the approval of the School Committee, he has assigned the following-named persons to serve in the Department of the Extended Use of the Public Schools, for the term 1939-1940:

Assistant Leaders—Mildred F. Lyons, Feb. 9, 1940; Willard E. Pickett, Mar. 1, 1940; Thomas J. McGloin, Mar. 6, 1940; James Meade, Mar. 18, 1940.

General Helpers—Edward F. Lanergan, Feb. 3, 1940; John J. McCarthy, Frederick V. Paul, Mar. 13, 1940; Oscar B. Kiander, Apr. 1, 1940; James Marino, Apr. 5, 1940.

Approved.

GARDENING

Season of 1940

Supervisor—Henry G. Wendler.

Assistants in school gardens—Frank F. Allen, George Costa, John P. Lebekas, Horace N. Milliken.

Approved.

APPRENTICESHIP AND JOURNEYMAN CLASSES

A communication was received from the Superintendent, under date of Apr. 29, 1940, reporting that subject to the approval of the School Committee and in accordance with the orders passed at the meeting of July 17, 1939 (see p. 145), he has appointed the following named persons to the apprenticeship and journeyman classes for various trades, to take effect on the dates stated:

Pasquale De Ninno, Charles R. O'Malley, instructors, Mar. 29, 1940; J. Edward Mulvanity, instructor, Mar. 30, 1940.

Approved.

LEAVES OF ABSENCE

On the report of the Superintendent, leaves of absence under a suspension of the regulations were granted as follows:

Girls' Latin School—Angela Cadigan, assistant, Apr. 1, 1940, to June 30, 1940, without pay.

Brighton High School—Lloyd A. Hechinger, junior master, Apr. 1 to Apr. 11, 1940, without pay.

High School of Practical Arts—Maud L. Rafter, secretary, Apr. 1 to June 30, 1940, without pay.

Roxbury Memorial High School (Boys)—Francis D. Whittemore, master, Sept. 1, 1939, to Apr. 15, 1940, without pay.

Elihu Greenwood District—Helen J. McDonough, assistant, elementary Feb. 27 to June 30, 1940, without pay.

William E. Endicott District—Helen C. M. Lynch, assistant, elementary, Mar. 1 to Mar. 31, 1940, without pay.

Department of Manual Arts—Eugene W. Fogarty, shop instructor, Mar. 1 to 31, 1940, without pay.

Department of School Hygiene—John T. Sullivan, school physician, Sept. 1, 1939 to Apr. 30, 1940, without pay.

Speech Improvement Classes—Mary J. Browne, assistant, Sept. 1, 1939 to June 30, 1940, without pay.

A communication was received from the Superintendent, under date of Apr. 29, 1940, reporting that subject to the approval of the School Committee, he has discontinued the leave of absence granted Helen E. Mannix, assistant, Jeremiah E. Burke High School, at the meeting of Sept. 18, 1939 (see p. 167) said discontinuance to take effect Apr. 26, 1940.

Placed on file and the leave of absence discontinued from the date stated.

A communication was received from the Superintendent, under date of Apr. 29, 1940, recommending that the leave of absence for military duty granted at the meeting of Dec. 18, 1939 (see p. 233) to Dr. Carlisle Reed, school physician, Department of School Hygiene, for the period Nov. 20 to 23, 1939, four days, be amended to provide that the leave of absence shall be without loss of pay.

The action is recommended in view of the statement received from Captain George H. Lebox that the period of military service was ordered and under the law such leave must be without loss of pay.

Placed on file and the leave of absence amended accordingly.

TRANSFERS

A communication was received from the Superintendent, under date of Apr. 29, 1940, reporting that subject to the approval of the School Committee, he has made the following transfers of clerical assistants:

Anna E. Doherty, clerical assistant, Chapman and Harvard Districts, to the same position in the Chapman and Emerson Districts, May 6, 1940.

Adaline A. Kelly, clerical assistant, Gilbert Stuart and Norcross Districts, to the same position in the Dudley and Norcross Districts, May 6, 1940.

Approved.

A communication was received from the Superintendent, under date of Apr. 29, 1940, reporting that subject to the approval of the School Committee, he has made the following transfer of a special assistant:

Evelyn Boyajian, special assistant, industrial department, Brighton High School, to the same position in the East Boston High School, Apr. 22, 1940.

Approved.

ASSIGNMENTS

A communication was received from the Superintendent, under date of Apr. 29, 1940, reporting that subject to the approval of the School Committee, he has assigned Joseph Doherty, shop instructor, Department of Manual Arts, to the Boston Trade School, without change of rank or salary, to take effect Apr. 22, 1940, and to continue for the school year ending Aug. 31, 1940, unless earlier terminated by

the Superintendent with the approval of the School Committee.

Placed on file and the assignment approved, to take effect on the date stated.

A communication was received from the Superintendent, under date of Apr. 29, 1940, reporting that subject to the approval of the School Committee, he has assigned Victor J. Lemay, shop instructor, Department of Manual Arts, to the East Boston High School, without change of rank or salary, to take effect Mar. 1, 1940, and to continue during the school year ending Aug. 31, 1940, unless earlier terminated by the Superintendent with the approval of the School Committee.

Placed on file and the assignment approved, to take effect on the date stated.

A communication was received from the Superintendent, under date of Apr. 29, 1940, reporting that subject to the approval of the School Committee, he has assigned Catherine M. O'Toole, assistant, intermediate, James P. Timilty Intermediate District, to the Department of Music, without change of rank or salary, for the period Apr. 24, 25, and 26, 1940.

Placed on file and the assignment approved for the period specified.

EMPLOYMENT OF TEACHER ON PART-TIME

On motion of the Superintendent, it was

ORDERED, That Eugene W. Fogerty, shop instructor, Department of Manual Arts, is hereby placed on three-fifths time and that he be paid three-fifths of his regular salary, to take effect Apr. 1, 1940, and to continue during the school year ending Aug. 31, 1940.

ATTENDANCE AT CONVENTIONS

On motion of the Superintendent, it was,

ORDERED, That Helen F. McCaffrey, Supervising Nurse, Department of School Hygiene, is hereby authorized to attend the biennial convention of three National Organizations for Nursing, to be held in Philadelphia, May 13 to 16, 1940, inclusive, at an expense to the city not to exceed fifty dollars (\$50).

A communication was received from the Superintendent, under date of Apr. 29, 1940, submitting in accordance with the provisions of Section 3 of Chapter 274 of the Acts of 1914, report of Helen E. Cleaves, Director of Manual Arts, on her attendance at the meeting of the Eastern Arts Association, held at Philadelphia, Mar. 27, 28, and 29, 1940.

Placed on file.

A communication was received from the Superintendent, under date of Apr. 29, 1940, submitting in accordance with the provisions of Section 3 of Chapter 274 of the Acts of 1914, report of Philip J. Bond, Chief Examiner, Board of Examiners, on his attendance at the

conference of Boards of Examiners under the auspices of the American Council on Education, held in Washington, D. C., Apr. 4 and 5, 1940.

Placed on file.

A communication was received from the Superintendent, under date of Apr. 29, 1940, submitting in accordance with the provisions of Section 3 of Chapter 274 of the Acts of 1914, report of Edward J. Rowse, Commercial Coordinator, on his attendance at the annual meeting of the Eastern Commercial Teachers Association, held at Atlantic City, N. J., Mar. 20 to 23, 1940, inclusive.

Placed on file.

APPOINTMENT OF LUNCH-ROOM ATTENDANTS

A communication was received from the Secretary, under date of Apr. 29, 1940, reporting that the Division of Civil Service has certified the following-named persons as eligible for appointment to fill two vacancies as lunchroom attendant:

Julia A. Keenan, Helen A. Gordon, Mary A. Greene, Eugenia O'Neil, Mary E. O'Neil.

Placed on file.

A communication was received from the Superintendent, under date of Apr. 29, 1940, reporting that subject to the approval of the School Committee, and with the approval of the Division of Civil Service, he has appointed the following-named persons for service in school lunchrooms, to take effect on the dates stated and to continue for the school year ending Aug. 31, 1940, unless earlier terminated by the Superintendent with the approval of the School Committee:

Donald McKay Intermediate District—Mary E. O'Neil, lunchroom attendant, April 23, 1940.

James P. Timilty Intermediate District—Julia A. Keenan, lunchroom attendant, April 22, 1940.

Placed on file and the appointments approved, to take effect on the dates stated.

APPOINTMENT OF STOREKEEPER

A communication was received from the Business Manager, under date of Apr. 29, 1940, recommending the appointment of Joseph M. Dever as storekeeper, Group E, in the Supply Room, by transfer from the State Prison, to take effect May 8, 1940.

Placed on file and the appointment approved, to take effect on the date stated.

On motion, it was

ORDERED, That the salary of Joseph M. Dever, Storekeeper, Group E, in the Supply Room of the School Committee, is hereby established at the rate of thirty-three dollars and thirty-seven cents (\$33.37) per week, to take effect May 8, 1940, and to continue until otherwise ordered.

APPROPRIATIONS AND EXPENDITURES TO APRIL 1, 1940

A communication was received from the Business Manager, under date of Mar. 31, 1940, submitting, pending the adoption of the maintenance budget, a statement showing the expenditures for maintenance of the public schools for the first three drafts of the current fiscal year, the expenditures for the first three drafts of the fiscal year 1939 and the increases and decreases in the several items.

Placed on file.

APPROPRIATION ORDER ON ACCOUNT

A communication was received from the Business Manager, under date of Apr. 29, 1940, calling attention to the fact that under the provisions of Chapter 320 of the Acts of 1889 the School Committee, pending the adoption of the budget for the year and the passing of the appropriation orders connected therewith, may make expenditures which shall not be in excess of one-third of the total appropriations for the fiscal year immediately preceding.

In view of the fact that the budget and itemized appropriation orders for the current fiscal year are now under consideration and will not be passed until some future date it is advisable to put through an appropriation on account to provide for expenditures already made on the January 31st February 29th, March 31st and April 30th drafts and those that will be made on the May 31st draft.

The Business Manager therefore recommended the passage of the accompanying order making appropriations on account for all items of maintenance, with the exception of the item, "Alteration and repair of school buildings, and for furniture, fixtures, and means of escape in case of fire, and for fire protection for existing buildings, and for improving existing school yards."

Placed on file.

The following was offered:

ORDERED, That to meet the current expenses of the School Committee, and to provide funds for other school purposes as hereinafter specified during the fiscal year January 1, 1940 to December 31, 1940, the following sums are hereby appropriated on account:

General school purposes:	
Salaries of Administrative Officers, Clerks, Stenographers and Other Employees	\$ 140,000.00

Pensions to Teachers	30,000.00

Total appropriated on account\$6,539,000.00

Mr. Lee: If necessary, I think there ought to be an amendment to this order to provide that if the School Committee makes any reductions which it wants to have in effect before the end of the year, there shall be nothing in this order that binds us to spend the full amount.

Chairman: I do not think that is necessary.

Business Manager: I do not believe that is necessary. We have had to do this for years when the budget was under consideration.

On any suggestions that Mr. Lee may have in connection with reducing the budget, he still has \$10,000,000 to play with. This is an appropriation of approximately \$6,000,000, on account.

Mr. Lee: Is this in the nature of a mandatory expenditure as regards the month of May, or is it in the nature of a permissive expenditure? Are we binding ourselves to spend sums throughout the month of May at a faster rate than we might agree, on Wednesday of this week, to spend them?

Business Manager: Your salary schedule is in operation legally up to August 31. So you cannot do anything with that.

The other expenditures are largely fuel and light, supplies and incidentals, clerks' salaries.

If this appropriation on account does not go through we will be held up for the month of May and will not be able to pay any bills. That is the purpose of the appropriation on account and has been the purpose in previous years.

Mr. Lee: I do not want to hold up appropriations but I think it is within our power not to spend the whole of an appropriation if there is any chance of savings in sight. I would like to feel that that was understood.

Chairman: That is understood.

Mr. Lee: Along with you gentlemen I am about to spend about \$15,000,000 of somebody else's money. The Business Manager says \$10,000,000 is still in view, but when we consider that that \$10,000,000 will go on at the same pace into the next year on an established salary schedule, it really means a commitment to some \$15,000,000.

I do not think the average citizen understands why he is being asked to spend unnecessarily, as I believe he is, so much money. At present it seems likely that we will spend \$164,000 more than last year, or at least that we will ask the taxpayers to spend that, although our numbers in the schools have been shrinking.

I wish to press for fair play which will consider the man who is spending the money with as much force as the man who is receiving the money.

I have been giving a great deal of thought to the wisdom of following the feudal system or caste system, or the socialistic ideas which we seem to follow, but these seem to loom up poorly in my mind as distinct from that discrimination in fixing salaries which goes ac-

cording to the conception of a market, or market values, as a device set up to allow people to find an employer and obtain money in exchange for their services or their goods.

I realize the Superintendent and yourself do not approve of the market value idea of fixing salaries, but it seems to me to be the essence of a Republic. The Superintendent is quoted as being skeptical, at a meeting of November 6, 1938, and you, Mr. Chairman, were very strongly quoted to that effect at that same meeting.

If the Board—who, I gather, are opposed or seem to be opposed to considering market value in fixing salaries—argued that our salaries did square with market values, that would be a different thing. But I have not heard that argument.

If we were trying to base salaries on market value it would be hard to see why we must pay four times as much to one type of teacher as we pay to another.

On the merits of it, I do not see how we can try to preserve an opportunity for labor and the absorption of labor if we spend more than we need to in attracting the services of one group while we leave out in the cold those who would gladly have worked for less.

If you suppose that we raised the salaries of the elementary school teachers to \$3600 a year maximum, we would have to fire one-third of them in order not to go over our budget, or we would have to take so much more from the taxpayer that the taxpayer could not buy a pair of shoes.

I do not see the logic or the good sense of paying such a large amount to one group of teachers when with another group of teachers we can immediately see the lack of need and the lack of good sense in such an apportionment of salary. I know myself if I can employ a good secretary for \$25 a week, I am not bountiful enough to pay \$50. I would rather spend the other \$25 on stimulating a boating program on the river, or renting a nice house to live in. I do not see why I should be any more careless with other people's money, or why I should disregard the common sense of the situation with other people's money any more than when I am spending money of my own.

I hope the members will not think I am closed minded on the current idea of basing salaries according to what seems to me to be a sort of a feudal system or caste system.

I remember last year various members spoke up very strongly against socialistic or communistic ideas, and yet they are the sponsors of a system of fixing salaries which is a complete breach and a complete break with the conception of the American republic, which sought to have a free market for the exchange of services between buyer and seller without putting one class in slavery or putting one class in ascendancy over the other, a system of voluntary agreement between buyer and seller which considers the man paying the money as much as the man receiving the money.

I think when you begin to depart from that system and have

your legislated wage pay a great deal more to one group than you need to in order to attract their services, you set up a bureaucracy, and you do not have the money left over, or the taxpayer does not have the money in his pocket, to employ even the over-supply which you over-attracted to the one profession by that high wage, and you soon have a complete breakdown of this idea of a free interchange of goods and services which will consider all workers and will consider the buyer as well as the seller.

I do not see the point of decrying the so-called subversive institutions or subversive forms of government on the ground that such institutions will pull down the American system when, if you have not a market system left, you have not an American system left: there is nothing left to fall down. You depart from a republican system when you break down that market as an established basis between people, and you have not got an American system of life. It just does not add up.

As I have recommended before, I again recommend to this Committee that the Committee should give at least as much consideration to those who pay as to those who are receiving the pay; that salaries be adjusted looking toward what we must pay to attract the talent we need for our different teaching services, which I think will come nearer to a median salary for all, which most of the members of the Board of Superintendents individually have praised. And in the process of these adjustments we could buy more services in the way of a reopened Evening Opportunity School and in the way of opening the gymnasiums at night.

I believe we should think a long time before disregarding the idea of fixing salaries according to market values and according to the hope of every worker seeking out a buyer who will employ him and making an arrangement which gets the persons employed at a rate of pay high enough to attract and hold their services.

I wish this Committee would reconsider this salary schedule in the light of plain, sensible market values, the same as we do in spending our own money.

I have nothing further to add to that.

Chairman. Any discussion? (No response.)

On roll call, the order making appropriation on account in the sum of \$6,539,000 passed by the following vote:

YEAS—Messrs. Lee, McDevitt, Norton, and White—4.

NAYS—0.

ABSENT—Mr. Sullivan—1.

DEATH OF CUSTODIAN

A communication was received from the Schoolhouse Custodian, under date of Apr. 29, 1940, reporting the death, on Apr. 25, 1940, of Frank J. Leonard, custodian, Paul Revere School-house, and recommending that the salary due him be paid to his widow, Mary F. Leonard.

Placed on file.

On motion, it was

ORDERED, That the salary due Frank J. Leonard, late custodian, Paul Revere School-house, be paid to his widow, Mary F. Leonard.

APPOINTMENT OF REGULAR SUBSTITUTE CUSTODIAN

A communication was received from the Schoolhouse Custodian, under date of Apr. 29, 1940, reporting that the Division of Civil Service has certified candidates eligible for appointment as regular substitute custodian, and recommending that Cecil E. Atkins, the candidate standing highest on the list willing to accept appointment, be appointed regular substitute custodian, to take effect May 5, 1940.

Placed on file and the appointment approved, to take effect on the date stated.

TRANSFERS OF CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Apr. 29, 1940, recommending that the following-named custodians, who stand at the head of their respective lists, be appointed as indicated, to take effect May 5, 1940:

Walter D. Crawford, custodian, Samuel Dexter School-house, to the custodianship of the William H. Kent School-house.

Martin R. Hayes, custodian, Morrison Building, to the custodianship of the Thomas J. Kenny School-house.

Angelo Macello, custodian, Hugh Roe O'Donnell School-house, to the custodianship of the Henry Grew School-house.

Walter R. Mungoven, custodian, Elihu Greenwood School-house, to the custodianship of the James J. Chittick School-house.

Coleman J. O'Donnell, custodian, Benjamin Dean School-house, to the custodianship of the Albert Palmer School-house.

James S. Reardon, custodian, Pauline Agassiz Shaw School-house, to the custodianship of the Emily A. Fifield School-house.

Placed on file and the transfers approved, to take effect on the date stated.

LEAVE OF ABSENCE TO CUSTODIAN

A communication was received from the Schoolhouse Custodian, under date of Apr. 29, 1940, recommending that John J. Crahan, custodian, Plummer School-house, be granted leave of absence on one-half net compensation for the period Apr. 17 to 27, 1940, inclusive, because of personal illness.

Placed on file and leave of absence on one-half net compensation granted for the period specified.

CHANGES FOR IMPROVEMENT OF SCHOOL SYSTEM

The following communication was received:

April 3, 1940

To the School Committee:

The Board of Superintendents has carefully considered the state-

ment of Mr. Lee made at the School Committee meeting on March 11, 1940. In this statement Mr. Lee refers to the opening meeting of the School Committee on January 3, 1940, when the Board of Superintendents was instructed to consider the feasibility of the proposed plan for an ideal school system.

Mr. Lee makes no reference to the formal report of the Board of Superintendents on the proposed plan which was submitted to the School Committee in Conference on January 15, 1940, but he does take occasion to refer to a subsequent conference of the School Committee held on February 7, 1940, at which time certain members of the Board of Superintendents were present, not for the purpose of discussing recommendations of the Board of Superintendents, but rather for the purpose of expressing their individual opinions of certain phases of an ideal school system.

The Board of Superintendents recognizes that the statement of Mr. Lee has now been spread upon the official records of the Committee and has been circulated among the members of the teaching service. The Board of Superintendents cannot answer in kind such a statement without recrimination or undignified rejoinder. It therefore respectfully suggests that its formal report of January 15, to the School Committee in Conference now be submitted to the School Committee in open meeting and incorporated in the records, lest members of the teaching service misunderstand the attitude of the Board of Superintendents in this important matter.

Respectfully submitted,

Ellen M. Cronin,
Secretary.

Placed on file and the communication from the Board of Superintendents to the School Committee, under date of Jan. 15, 1940, was ordered spread upon the records, as follows:

January 15, 1940.

To the School Committee:

The Board of Superintendents in compliance with the instruction of the School Committee at its meeting of January 3, 1940, has considered the feasibility of reporting a plan for an ideal school system within the limits of the present school budget.

The Board of Superintendents respectfully reports that the procedure suggested for evolving such a plan, namely, "to project the ideal school system, irrespective of money, that is, using unlimited money, and then realizing that we are dealing with realities, get that down to a budget of a size equal to the one that we are now functioning on," is not practicable.

Like all democratic institutions, the American public school is an evolution, the result both of tradition and of progressive educational development. Through the years it necessarily responds to and follows the pressure of enlightened public opinion. Agreement as to what constitutes an ideal public school system is virtually impossible. The ideal of today is tomorrow outmoded.

With a limited school budget the ideal must yield to the practical. The Board of Superintendents appreciates that certain desirable features of a model school system have in recent years been eliminated in Boston under stress of economic necessity. It would respectfully recommend the restoration of such educational activities as soon as the finances of the city permit.

The Board of Superintendents believes that the Boston School Committees of the last decade should be commended for the savings made in the school budget, without discharging employees, curtailing essential activities or reducing salaries. The Board of Superintendents would respectfully point out that in the present school budget of which so large a percentage must be allocated for salaries, any expensive innovations, however desirable, will necessitate either increased appropriations or salary cuts. The Board of Superintendents does not believe that the teachers of Boston are now overpaid.

The Board of Superintendents is prepared now as always to suggest such modifications and improvements in the existing school system as seem educationally desirable and economically possible. Until there is some likelihood of the restoration of desirable educational activities once embodied in the school system but eliminated or curtailed not by choice but by the compulsion of a retrenchment program, the Board of Superintendents would hesitate to recommend untried experiments. An attempt to revamp the entire school system in accordance with the plan suggested and under the conditions imposed does not seem to the Board of Superintendents to be feasible at this time.

Respectfully submitted,
Ellen M. Cronin,
Secretary

UNFINISHED BUSINESS

The order laid over at the meeting of Apr. 1, 1940 (see p. 47) amending Section 80, paragraph IV of the rules, and Section 299, paragraph 1, of the regulations, relative to the establishment of the rank of senior assistant, Trade School for Girls, was taken up and passed.

The order laid over at the meeting of Apr. 1, 1940 (see p. 48), amending Section 80, paragraph IV of the rules, relative to the eligibility requirements for the High School certificate in Freehand Drawing, was taken up and passed.

The order laid over at the meeting of Apr. 1, 1940 (see p. 48), amending Section 80, paragraph XI, discontinuing provision for the Special Certificate in Physical Education, was taken up and passed.

The Committee adjourned.

Attest:

ELLEN M. CRONIN,
Secretary.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

PUBLIC UTILITIES DEPARTMENT EXECUTIVE SECRETARY, JULY 9, 1940.

Last date for filing applications, Tuesday, June 25, 1940, at 5 p. m.

The minimum salary is \$3,780 a year; the maximum salary is \$4,500 a year.

Duties: To hold and conduct hearings, many of them involving legal questions and rulings. To prepare reports in writing of the facts and the law, for the consideration of the commission. To write opinions in certain cases. To draw orders in pending cases and draft rules, regulations, restrictions and conditions, votes and decisions, many of which are technical and require a more or less expert knowledge so that statutory requirements will be complied with, and so that they will stand the test of an appeal to the courts if such appeal were taken. To hear complaints and give out information.

A general familiarity with the following chapters of the General Laws and Acts of the General Court, and procedure thereunder, is a requisite:

Chapter 25, as amended, Department of Public Utilities.

Chapter 110A, as inserted by chapter 499 of the Acts of 1921, as amended, Sale of Securities Act.

Chapters 155, 156 and 158, as amended, Corporation Laws.

Chapter 159, as amended, common carriers.

Chapter 159A, as amended, common carriers of passengers by motor vehicles; special and charter service.

Chapter 159B, as inserted by chapter 483 of the Acts of 1938, as amended, carriers of property by motor vehicles.

Chapter 160, as amended, railroads.

Chapter 161, as amended, street railways.

Chapter 162, as amended, electric railroads.

Chapter 163, as amended, trackless trolleys.

Chapter 164, as amended, gas and electric companies; municipal lighting plants.

Chapter 165, as amended, water companies.

Chapter 166, as amended, telephone and telegraph companies.

Chapter 182, as amended, voluntary associations.

Acts of 1929, chapter 297, as amended, Sumner Tunnel tolls.

Acts of 1931, chapter 333, Boston Elevated Railway Company deficit.

Entrance Requirement: Applicants must have been admitted to practice law in the courts of the Commonwealth, and must have had at least ten years' experience as a lawyer.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

STATE VALUATIONS IN 1937.

Total assessed value of real estate on January 1, 1937, in the thirty-nine cities and 316 towns of Massachusetts, \$5,742,161,541 (\$18,194,654 less than on January 1, 1936), of which 65.62 per cent applied to buildings and 34.38 per cent to land; of personalty, \$525,039,493; aggregate valuation, \$6,267,201,034 (2.74 per cent decrease from 1936), on which the total tax was \$222,184,422. To raise this amount of taxes on the property assessed at a uniform rate throughout the State would have required a tax rate of \$35.45+ on \$1,000 valuation. Boston's valuation, \$1,590,544,700, equal to 25.38 per cent of total valuation in the State.

RESTORATION OF SALARIES.

The Portland City Council has granted full restoration of salaries to all city employees, at an estimated cost (for the remaining six months of the year) of \$162,430. This will put the city in the red at the end of the year unless additional revenue is obtained. Increases and adjustments of salaries for individuals will be considered as soon as finances permit.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR CLASS I BITUMINOUS CONCRETE PAVEMENT AND SEWERAGE WORKS IN VAN NESS STREET, WARD 5, FROM JERSEY STREET TO IPSWICH STREET.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for Class I bituminous concrete pavement and sewerage works in Van Ness street, Ward 5, from Jersey street to Ipswich street. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Proposal for Class I Bituminous Concrete Pavement and Sewerage Works in Van Ness Street," and left at Room 508, fifth floor, City Hall Annex, before 12 m. of Monday, June 3, 1940, with a certified check for five hundred (500) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. There will be a charge of two (2) dollars for each set of specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
(May 25.) Commissioner of Public Works.

THE NOISE NUISANCE.

That city officials are serious about eliminating noise is noted from studies of new anti-noise ordinances enacted by a growing number of municipalities listed in the "United States Municipal News," bulletin of the American Municipal Association and the United States Conference of Mayors. Among the more important of these cities are Philadelphia, Gary, Ind., Louisville, New York and Boston.

FIVE PER CENT OF CITY BUDGET PAID FOR REFUSE DISPOSAL.

Nearly one million dollars, or about 5 per cent of the total cost of the general city government of Los Angeles, Cal., is spent every year for the collection and disposal of refuse, under the direction of the Bureau of Engineering of that city. The Refuse Collection Division operates six days a week, and enough men are provided to compensate for a five-day week for all the personnel employed.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR LAYING AND RELAYING ABOUT 3,200 FEET OF 8-INCH AND 12-INCH WATER PIPE IN EASTWOOD CIRCUIT, HARWOOD STREET, MOREY ROAD, SHREWSBURY ROAD, WEST ROXBURY; ALSO BIRCHCROFT ROAD, GWINNETT STREET, SUMMER STREET AND WEST STREET, HYDE PARK.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for laying and relaying about 3,200 feet of 8-inch and 12-inch water pipe in Eastwood circuit, Harwood street, Morey road, Shrewsbury road, West Roxbury; also Birchcroft road, Gwinnett street, Summer street and West street, Hyde Park. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be included in an envelope, sealed, marked "Proposal for Laying and Relaying Water Pipe in Eastwood Circuit, etc.," and left at Room 508, fifth floor, City Hall Annex, before 12 m. of Friday, May 31, 1940, with a certified check for two hundred (200) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. There will be a charge of two dollars (\$2) for each set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The successful bidder will be required to provide for insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. The rate per hour of the wages paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained without cost upon application therefor at the office of the Commissioner of Public Works. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
(May 25.) Commissioner of Public Works.

BOSTON AS A TOWN.

From its foundation until 1755, or a period of 125 years, Boston was not only the most outstanding but the most populous town in the American colonies. In 1760, Philadelphia's population was ahead, viz., 18,756, Boston's then being 15,631 and New York's about 14,000. In the last year of town government, viz., 1821, Boston's population was about 45,000 and its public debt \$100,000, all incurred for new county buildings.

The history of Boston as a town during a period of nearly two centuries surpasses in civic interest that of Boston as a city because of the untiring zeal and successful efforts of its townsmen to realize more of true democracy than had ever been attained before. Their obligations were held as sacred as their liberties.

CITY OF BOSTON.

PARK DEPARTMENT.

PROPOSALS FOR FURNISHING AND LAYING BITUMINOUS CONCRETE PAVEMENT MIXTURE ON PARKWAYS, PLAYGROUNDS AND PARKS AND IN CEMETERIES.

The Park Commissioners of the City of Boston, 33 Beacon street, invite proposals for furnishing and laying bituminous concrete pavement mixture on parkways, playgrounds and parks and in cemeteries. Forms of proposals must be obtained at the engineer's office of the Park Department, 33 Beacon street. Each proposal should be signed by the bidder and inclosed in an envelope, sealed, and marked, "Proposal for Furnishing and Laying Bituminous Concrete Pavement Mixture on Parkways, Playgrounds and Parks and in Cemeteries," and left before 2 o'clock on Tuesday, June 4, 1940, at the office of the Park Department, with a certified check for \$7,500, payable to and to be the property of the City of Boston if the proposal is not carried out, and will then and there be publicly opened and read. A duplicate proposal, without check, must be deposited with the City Auditor previous to the time named for opening the bids. A bond will be required for doing the work in the sum of 100 per cent of the estimated contract price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Park Commissioners. The successful bidder will be required to provide for insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. The Commissioners reserve the right to reject any or all proposals.

WILLIAM P. LONG, Chairman.
THEODORE C. HAFENREFFER,
WILLIAM F. KELLY,
(May 25-June 1.) Commissioners.

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about one thousand (1,000) square feet of land on the northeasterly side of Fabin street, Boston, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5215, page 136, on Wednesday, May 29, 1940, at 10 a. m., on the premises, at a minimum price of two hundred and fifty dollars (\$250).

A deposit required at the time and place of sale of fifty dollars (\$50), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 47 City Hall, Boston, Mass.

DANIEL M. DRISCOLL,
Custodian of Foreclosed Real Estate.
(May 18-25.)

W. P. A.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING ATHLETIC SUPPLIES.

The Supply Department of the City of Boston invites proposals for furnishing athletic supplies for the Park Department, as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR ATHLETIC SUPPLIES." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Monday, June 3, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(May 25.) Superintendent of Supplies.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING THREE FORD V-8 PANEL TRUCKS.

The Supply Department of the City of Boston invites proposals for furnishing three Ford V-8 panel trucks to the Department of Weights and Measures, as per specifications contained in forms which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR FORD TRUCKS." There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bids will be publicly opened and read Wednesday, May 29, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(May 25.) Superintendent of Supplies.

CITY OF BOSTON.

TRANSIT DEPARTMENT.

PROPOSALS FOR PLUMBING MATERIAL, HUNTINGTON AVENUE SUBWAY.

The Transit Department of the City of Boston, 1 Beacon street, invites proposals for furnishing and delivering plumbing fixtures, ejectors, pipe and fittings, to the yard of the Department, C and Cypher streets, South Boston. Specifications may be obtained at the office of the Department on and after Monday, May 27, 1940. A deposit of \$5, in cash or certified check, will be required for two sets of specifications. Multitude of them will be deemed sufficient cause for the forfeiture of said deposit. The bids will be publicly opened and read at 12 o'clock noon Thursday, June 6, 1940. A properly certified check in the sum of five hundred (500) dollars, payable to the city, must accompany the proposal. The Department reserves the right to reject any or all bids and to award the contract as it deems for the best interest of the city.

By order of the CITY OF BOSTON TRANSIT DEPARTMENT.

WILLIAM T. DOYLE,
(May 25.) Secretary.

SUPPLY DEPARTMENT.

The City of Boston invites proposals for furnishing fruits, vegetables, meats, butter, eggs and cheese.

Proposals for furnishing fruits and vegetables close at 11 a. m. daily at the Supply Department. Proposals for furnishing meats and butter, eggs and cheese close every Thursday at 2 p. m. Proposals for furnishing manufactured meat products close the last Thursday of each month at 2 p. m.

Proposals and specifications for the above may be obtained in Room 1001, City Hall Annex.

JOHN A. BREEN,
Superintendent of Supplies.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR REPAIRING MACHINERY, ETC., OF FERRYBOAT "DANIEL A. MACCORMACK."

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for repairing machinery, etc., of ferryboat "Daniel A. MacCormack." A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Each proposal should be inclosed in an envelope, sealed, marked "Proposal for Ferryboat 'Daniel A. MacCormack,'" and left at Room 508, fifth floor, City Hall Annex, before 12 m. of Friday, May 31, 1940, with a certified check for five hundred (500) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. *There will be a charge of two (2) dollars for each set of specifications taken out.* The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
(May 25.) *Commissioner of Public Works.*

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC REGULATIONS.

Voted, That the Revised Traffic Rules and Regulations of the City of Boston are amended as follows, effective June 3, 1940:

Section 8, Part 2, is amended by striking out the following:

Hampshire Street, Roxbury.

Both sides, from a point two hundred and eighty-five (285) feet southwest of Vernon street to Vernon street, twenty-four hours.

Harrison Avenue, Downtown Boston.

West side, from Bedford street to Essex street, 7 a. m. to 6 p. m.

Section 8, Part 2, is amended by adding the following:

Hampshire Street, Roxbury.

Northwest side, from a point two hundred and eighty-five (285) feet southwest of Vernon street to Vernon street, twenty-four hours.

Harrison Avenue, Downtown Boston.

West side, from Hayward place to Essex street, 7 a. m. to 6 p. m.

Section 41 is amended by striking out the following:

Prescott Street, East Boston.

At Bremen street.

WILLIAM P. HICKEY,
(May 25-June 1.) *Commissioner.*

NOTICE TO CONTRACTORS.

HELP ABSORB THE UNEMPLOYED.

Workers for all branches of industry or business can be secured at the Municipal Employment Bureau, 25 Church street, Boston. Tel. LIBerty 8607-08-09. STEPHEN J. HUGHES, *Director.*

FREE SERVICE TO EMPLOYERS AND APPLICANTS.

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC REGULATIONS.

Voted, That the Revised Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 27, 1940:

Section 13, Part 2, is amended so that it reads as follows:

2. Subject to sections 7, 8, 12, 16 and 18 and between the hours of 7 a. m. and 1 a. m., vehicles may park without time limit in the following place and in the manner specified:

Northern Avenue, South Boston.

Northeast side, from Sleeper street to a point fifteen hundred (1,500) feet southeast of Sleeper street; vehicles may be placed at an angle to the curb or edge of roadway, with right front wheel to the curb or edge of roadway.

Section 13A is amended by inserting after the numeral "8", in line 1, "8A", so that the first phrase in the first sentence reads as follows: Subject to sections 7, 8, 8A and 16.

Section 14 is amended by inserting after the numeral "8", in the first phrase of the preamble, "8A, 16 and 18", and by striking out the word "and" before the numeral "8", so that the preamble reads as follows:

Subject to sections 7, 8, 8A, 16 and 18, and between the hours of 7 a. m. and 6 p. m. of any day, except Sundays and public holidays, no vehicle shall be parked in the following street unless the same is in direct charge of a driver.

WILLIAM P. HICKEY,
(May 18-25.) *Commissioner.*

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about fifty-five hundred eighty-five (5,585) square feet of land with buildings on the westerly side of Clayton street, Dorchester, numbered 67 in the numbering of said street, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5550, page 614, on Wednesday, May 29, 1940, at 11 a. m., on the premises, at a minimum price of six hundred and fifty dollars (\$650).

A deposit required at the time and place of sale of one hundred dollars (\$100), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 47 City Hall, Boston, Mass.

DANIEL M. DRISCOLL,
(May 18-25.) *Custodian of Foreclosed Real Estate.*

CITY OF BOSTON.

REAL ESTATE DIVISION.

PUBLIC AUCTION.

The City of Boston will sell at public auction all its right, title and interest in and to about eighteen thousand seven hundred thirty (18,730) square feet of land with buildings thereon, on the southwesterly side of Boylston street, West Roxbury, numbered 129-131 in the numbering of said street, and more fully described in a tax deed recorded with Suffolk Deeds, Book 5393, page 584, on Wednesday, May 29, 1940, at 10:30 a. m., on the premises, at a minimum price of eighteen hundred dollars (\$1,800).

A deposit required at the time and place of sale of two hundred dollars (\$200), in cash or certified check, balance to be paid in thirty (30) days. Further particulars from Custodian of Foreclosed Real Estate, 47 City Hall, Boston, Mass.

DANIEL M. DRISCOLL,
(May 18-25.) *Custodian of Foreclosed Real Estate.*

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING EARTH FILL.

The Supply Department of the City of Boston invites proposals for furnishing earth fill to the Park Department, as per specifications contained in forms which may be obtained at the office of the Supply Department, Room 1001, City Hall Annex. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. ENVELOPES CONTAINING BIDS TO BE SEALED AND PLAINLY MARKED "PROPOSAL FOR EARTH FILL." *There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out.* The bids will be publicly opened and read Friday, May 31, 1940, at 12 m., at Room 1001, City Hall Annex. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

JOHN A. BREEN,
(May 25.) *Superintendent of Supplies.*

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR SUPERVISING THE LAYING OF AND JOINTING AND RIVETING ABOUT 2,500 FEET OF 48-INCH WELDED STEEL WATER PIPE IN TREMONT STREET, BETWEEN WEST CANTON AND ARLINGTON STREETS, CITY PROPER.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for supervising the laying of and jointing and riveting of about 2,500 feet of 48-inch welded steel water pipe in Tremont street, between West Canton and Arlington streets, City Proper. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Proposal for Supervising the Laying of and Jointing and Riveting About 2,500 Feet of 48-Inch Welded Steel Water Pipe in Tremont Street, Between West Canton and Arlington Streets, City Proper," and left at Room 508, fifth floor, City Hall Annex, before 12 m. of Monday, June 3, 1940, with a certified check for three hundred (300) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. *There will be a charge of two dollars (\$2) for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 32.

SATURDAY, JUNE 1, 1940.

NO. 22

"RESOLVE TO KEEP THE COVENANT OF BROTHERHOOD, COME WHAT MAY!" MAYOR TOBIN URGES IN ADDRESS AT MEMORIAL EXERCISES OF JEWISH WAR VETERANS OF THE UNITED STATES, AT TEMPLE ISRAEL — PAYS NOTABLE TRIBUTE TO MEMBERS OF JEWISH RACE WHO HAVE CONTRIBUTED OF LIVES AND SUBSTANCE IN ALL WARS OF COUNTRY TO ESTABLISH AND SUSTAIN THE PRINCIPLES OF GOVERNMENT UNDER WHICH WE LIVE — NAMES MANY GREAT MEN FROM FOUNDING OF COUNTRY TO PRESENT.

At the memorial exercises for the Jewish Veterans of the United States, Massachusetts Department, at Temple Israel, on Sunday, May 26, Mayor Tobin spoke, in part, as follows:

It is now more than a century and a half since the battle of Bunker Hill, when the American people first served notice upon all the world that they would fight, at any cost, for the liberty of this land.

The 150th anniversary of the fight on the Hill came fifteen years ago, and at that time the City of Boston held special exercises beneath the shaft of memorial granite standing in Charlestown.

As I thought of the response most suitable for the Mayor of Boston to make, upon being called to take part in the reverent hour of tribute now held in this temple, my mind has returned again and again to the printed report of a speech delivered at the Bunker Hill exercises in 1925, by an eminent Jewish citizen of Boston, a justice of the Superior Court of the Commonwealth, the late David A. Lourie.

The judge spoke of Bunker Hill Monument as the "first emblem of America" which met his eyes when he came here from afar — "not a statue," he said, "but a symbol of liberty; not presented by a foreign nation, but built by American hands; not a mythological Greek goddess, but a granite shaft, simple, austere, eternal and overpowering in its suggestion of strength and nobility!"

"It is a pile of stones," Judge Lourie went on to say, "erected not only by native Americans of the old stock, but by newcomers and by my own people."

Contributors to Monument.

The speaker referred, of course, to the fact that one of the two largest contributions toward the cost of building Bunker Hill Monument was given by the Jewish merchant, Judah Touro. His gift of \$10,000 is well known, but the rest of the story is too seldom told. Touro gave to the cause of democracy more than his money. Born in Rhode Island on June 16, 1775, his life began as Warren and Prescott were rallying their men for the fight, and, forty years later, his life came to an end after a wound received at New Orleans as a soldier in the conquering ranks led by Andrew Jackson.

On the first Independence Day, in '76, Touro was scarce a year old, but there were many men of the Jewish race who took arms for that charter of freedom. From the record books of Washington's army, the roll of Jewish names is seldom called today; but the roster deserves a clear place in our memory.

At Beaufort a corps of Jewish volunteers under General Moultrie served with outstanding valor. Mordecai Sheftall, of Georgia, was a Commissary-General for the Patriot troops of all the Southern colonies. He not only fulfilled, with credit, his difficult work in providing supplies, but at the siege of Savannah he joined the active ranks as a combatant, and was severely wounded.

Colonel Isaac Franks, of Philadelphia, served as aide-de-camp to General Washington. David S. Franks was an aide to Benedict Arnold, but he shunned Arnold's treason. A court of inquiry, appointed at his own request, cleared Franks of any part or parcel in treachery, and later the Congress sent him as an aide to Benjamin Franklin and John Jay in France, and both of those leaders gave high praise to his services.

Gifts to Army.

A contribution of 20,000 pounds for the support of the Patriot Army came from Manuel Noah; and, not content with that, he filled with distinction a place on the staff of General Washington. In the Pennsylvania militia, Colonel Solomon Bush was wounded in action and taken prisoner. The Colonial Board of War cited him with honor. Major Lewis Bush, of the 6th Pennsylvania Battalion, was fatally wounded in the struggle on the banks of the Brandywine.

Benjamin Nones was a French Jew fired by the same sentiments that inspired Lafayette. He enlisted as a private under Pulaski and fought in every action in the Carolinas. He became a major under Baron de Kalb, and commanded a battalion largely composed of Jews. When de Kalb fell, mortally wounded, at one of the battles of Camden, Nones and two other captains of Jewish blood carried their chief from the battlefield.

(Continued on page 615.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"
From Boston Centennial Poem by

NATHAN HASKEL DOLE.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables slaughter-houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made

to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, 73 City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending May 25, 1940.

Population as of July, 1940, Massachusetts State Census, 817,713; number of deaths (stillbirths excluded): Residents, 140; nonresidents, 44; total, 184.

Death rate per 1,000 of population: All deaths, 11.74; nonresidents deducted, 8.93.

Death rate per 1,000 of population:

Last week, 15.25; corresponding week last year, 13.00.

Deaths by age periods, sex, etc.: Under one year, 11; one year to four years, inclusive, 5, sixty years and over, 101. Total deaths: Male, 97; female, 87; deaths in hospitals and institutions, 103; deaths of colored, 9.

REPORTABLE DISEASES: CASES AND DEATHS.*

ADDRESS OF MAYOR TOBIN.

(Continued from page 613.)

De la Motta served not only through the Revolution, but also in the War of 1812. Benjamin Aaron, an ensign in the 8th Connecticut Regiment, likewise fought in both wars, and won the rank of Lieutenant-Colonel.

In the last critical, poverty-stricken years of the Revolution, Haym Solomon, a Polish immigrant Jew, became one of the chief financial supports of the Continental Armies. The diary of Robert Morris, treasurer of the Revolution, bears ample witness to the help given by Solomon, both to the National cause and to individual members of Congress who were enabled to continue in the public service only through his generosity. Solomon consumed, in such efforts, nearly every cent of a large fortune, and he died almost in poverty.

Passing to the War of 1812 I note that a leading participant was of the same name that is borne by the Honorary Chaplain of the Jewish War Veterans, whose voice is so highly respected in this ceremony of the Massachusetts Department today. Uriah P. Levy commanded the brig-of-war "Argus" that ran the British blockade and carried our Minister to France safely across the Atlantic. Later the "Argus" destroyed twenty-one British merchantmen; but Levy was at last captured. In recognition of his remarkable exploits, the city of New York awarded him the freedom of the city.

SERVICE IN NAVY.

Uriah P. Levy's naval service extended beyond the war; he died in 1862 a commodore, then the Navy's highest rank. Through Levy's efforts the lash, as a means of punishment, was abolished forever from the United States Navy.

In the war with Mexico, General David de Leon, of South Carolina, twice received the thanks of Congress for gallantry. In the Texan struggle with Mexico, David S. Kauffman was wounded while on the staff of General Douglass. Later, he became Speaker of the Assembly of the Lone Star State, and advocated its entry into the Union. Moses Albert Levy served as Surgeon-General and won special commendation for his conduct during the capture of San Antonio.

In the War Between the States, 10,000 Jews served with distinction and honor in both the Northern and Southern Armies.

In the Northern Army, Frederick Kneffer, 79th Indiana Volunteers, was brevetted a Major-General. Edward S. Solomon, who served in practically every action of that war, was made a Brigadier-General. Leopold Blumenberg and Philip J. Joachimson each received a Brigadier-General's brevet. Marcus M. Spiegel, of the 120th Ohio Infantry, had been recommended for a Brigadier-Generalship when he was killed at Snaggy Point, Louisiana. Leopold C. Newman, of the 31st New York Infantry, as he lay dying of wounds received at Chancellorsville, was handed his commission as a Brigadier-General by President Lincoln.

A Color Sergeant from Massachusetts, an Adjutant from New Hampshire, and an infantryman from New York were three of the seven Jewish soldiers who received the Congressional Medal for repeated acts of bravery during the Civil War.

IN SPANISH WAR.

In the Spanish-American War many thousands of Jews answered the call of

President McKinley. Fifteen Jews went down with the "Maine." The first enemy standard lowered in the Philippines was captured by Sergeant Morris J. Cohen of Funston's Regiment who later fell in the charge at Calocan. Jacob Willensky, a lad of sixteen, was killed in the very first skirmish of the Rough Riders.

The first American who fell in the charge on Manila was a Jewish member of the 1st California Voluntary Infantry, a regiment which contained many Jews.

In the late World War, American Jews, 250,000 strong, battled for the Stars and Stripes on land and sea and in the air. Though they formed but three per cent of the population, they contributed nearly five per cent to the fighting forces of the nation. Nearly ten thousand held commissioned rank. Over 1,100 Jews were cited for valor in action. Out of 90 Congressional Medals of Honor, 3 are worn by Jews; 200 Jews wear the Distinguished Service Cross, to say nothing of various awards to American Jews by the Allies. The Jewish casualties were between 13,000 and 14,000; and 2,800 made the supreme sacrifice.

Such, in brief summary, is the record written by Jewish citizens in all the wars fought by the United States in 165 years. It is a precious and sacred meed of their own life-blood that America's Jews have placed on the altars of freedom—a sacred meed that remains today a strong antidote to every poison of calumny brought against them.

There may be individuals among the Jewish race who wander in pursuit of false gods, but likewise among all the races there are men who have gone astray.

In this memorial service, we think only of those who kept complete faith with the flag of democracy. It is our duty to remain no less faithful to them.

Across the Atlantic a mighty power has been raised up which would have us break faith with them. A cunning and subtle intellectual force is constantly directed against us, in the hope that America may retreat from her ideals of justice to all men, of fair play to each individual regardless of race, and with an absolute guarantee of free conscience in the worship of God.

Standing at the foot of Bunker Hill Monument, the late Judge Lourie said: "This pile is to me a covenant of the brotherhood of man. It is to me like the pile of stones which Jacob heaped up at Galeed and called Mizpah, for he said: 'The Lord watch between me and thee when we are absent one from another. . . . This heap be witness that I will not pass over this heap to thee and thou shalt not pass over this heap and this pillar unto me, for harm.'"

In this memorial hour, let us resolve to keep that covenant of brotherhood—come what may!

EXTENSION OF CONTRACTS.

HOSPITAL DEPARTMENT.

The Chandler Construction Company, Inc., have been granted an extension of time for completion of the contract made January 13 for additions and alterations to Kitchen Department, Boston City Hospital, from May 1, 1940, to June 15, 1940. This extension of time is requested because of delay in delivery of certain parts of the kitchen equipment, which delay has impeded the progress of the work being done by the General Contractor.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

DEPARTMENT OF SCHOOL BUILDINGS.

Upon May 15 the Mayor approved a contract with the A. W. Hastings Company, in the sum of \$3,793.50, for furnishing and delivering to various schools as designated window sash of the size, kind and quality enumerated in the specifications to be used in connection with W. P. A. program and installed by W. P. A. workmen. Bids, opened May 6, were as follows:

Bigelow School.—Number of sash, 25; A. W. Hastings Company, \$108; Laing Company, \$383.06; J. & C. Adams Company, \$189; Acme Glass Company, \$240; Blacker & Shepard, \$240.

Blackinton School.—Number of sash, 16; A. W. Hastings Company, \$130; Laing Company, \$378.17; J. & C. Adams Company, \$142; Acme Glass Company, \$221; Blacker & Shepard, \$155.

Bunker Hill School.—Number of sash, 20; A. W. Hastings Company, \$120; Laing Company, \$376.20; J. & C. Adams Company, \$133; Acme Glass Company, \$195; Blacker & Shepard, \$159.

Choate Burnham School.—Number of sash, 8; A. W. Hastings Company, \$85; Laing Company, \$204.08; J. & C. Adams Company, \$79; Acme Glass Company, \$60; Blacker & Shepard, \$100.

Donald McKay School.—Number of sash, 53; A. W. Hastings Company, \$265; Laing Company, \$905.27; J. & C. Adams Company, \$387; Acme Glass Company, \$513.80; Blacker & Shepard, \$415.

Emerson School.—Number of sash, 16; A. W. Hastings Company, \$65; Laing Company, \$206.25; J. & C. Adams Company, \$91; Acme Glass Company, \$150.50; Blacker & Shepard, \$110.

English High School.—Number of sash, 127; A. W. Hastings Company, \$510; Laing Company, \$1,328.40; J. & C. Adams Company, \$649; Acme Glass Company, \$1,100; Blacker & Shepard, \$643.

Francis Parkman School.—Number of sash, 14; A. W. Hastings Company, \$45; Laing Company, \$151.69; J. & C. Adams Company, \$44; Acme Glass Company, \$105; Blacker & Shepard, \$97.

Lucretia Cracker School.—Number of sash, 11; A. W. Hastings Company, \$65; Laing Company, \$181.98; J. & C. Adams Company, \$53; Acme Glass Company, \$78; Blacker & Shepard, \$75.

Norcross School.—Number of sash, 31; A. W. Hastings Company, \$165; Laing Company, \$403.90; J. & C. Adams Company, \$191; Acme Glass Company, \$298.95; Blacker & Shepard, \$210.

Plummer School.—Number of sash, 26; A. W. Hastings Company, \$125; Laing Company, \$365.25; J. & C. Adams Company, \$132; Acme Glass Company, \$225.90; Blacker & Shepard, \$160.

John J. Williams School.—Number of sash, 24; A. W. Hastings Company, \$270; Laing Company, \$828.78; J. & C. Adams Company, \$291; Acme Glass Company, \$450.20; Blacker & Shepard, \$310.

Lowell School.—Number of sash, 25; A. W. Hastings Company, \$155; Laing Company, \$376; J. & C. Adams Company, \$124; Acme Glass Company, \$197; Blacker & Shepard, \$140.

Prescott School.—Number of sash, 26; A. W. Hastings Company, \$135; Laing Company, \$378.75; J. & C. Adams Com-

pany, \$132; Acme Glass Company, \$240.00; Blacker & Shepard, \$190.

Roger Clap School.—Number of sash, 49; A. W. Hastings Company, \$265; Laing Company, \$651.05; J. & C. Adams Company, \$245; Acme Glass Company, \$501.35; Blacker & Shepard, \$297.

Samuel Adams School.—Number of sash, 12; A. W. Hastings Company, \$55; Laing Company, \$161.40; J. & C. Adams Company, \$57; Acme Glass Company, \$97.75; Blacker & Shepard, \$75.

Thomas Gardner School.—Number of sash, 16; A. W. Hastings Company, \$100; Laing Company, \$299.88; J. & C. Adams Company, \$86; Acme Glass Company, \$119; Blacker & Shepard, \$120.

Washington School.—Number of sash, 120; A. W. Hastings Company, \$728; Laing Company, \$3,105.60; J. & C. Adams Company, \$1,287; Acme Glass Company, \$1,585.80; Blacker & Shepard, \$1,225.

William H. Kent School.—Number of sash, 14; A. W. Hastings Company, \$75; Laing Company, \$221.43; J. & C. Adams Company, \$63; Acme Glass Company, \$128.20; Blacker & Shepard, \$91.

William L. Garrison School.—Number of sash, 26; A. W. Hastings Company, \$245; Laing Company, \$605.20; J. & C. Adams Company, \$250; Acme Glass Company, \$388; Blacker & Shepard, \$247.

Wyman School.—Number of sash, 16; A. W. Hastings Company, \$82.50; Laing Company, \$240.90; J. & C. Adams Company, \$78; Acme Glass Company, \$152; Blacker & Shepard, \$101.

Totals.—Number of sash, 676; A. W. Hastings Company, \$3,793.50; Laing Company, \$11,753.24; J. & C. Adams Company, \$4,703; Acme Glass Company, \$7,048.25; Blacker & Shepard, \$5,160.

HEALTH DEPARTMENT.

Upon May 25 the Mayor approved a contract with the Merchants' Towel Supply Company for furnishing laundry and service to the Health Department, at various locations. The following bids were received on May 4, based on approximate quantities required weekly:

Merchants' Towel Supply Company, \$61.05 per week; Bell Linen Service, Inc., \$69.49 per week; Federal National Linen Service Company, \$95.32 per week; Mechanics' Apron and Towel Supply Company, \$101.13 per week.

The approximate amount of this contract from June 1, 1940, to December 31, 1940, based on the above weekly rate, was \$1,862.

SUPPLY DEPARTMENT.

Upon April 29 the Mayor approved a contract with contractors as indicated for furnishing milk, cream, etc., to city departments from May 1, 1940, to October 31, 1940, inclusive. The awards are as follows:

Approximate Net Total: To Herlihy Brothers, Inc., Boston City Hospital \$49,830.97; to Shawmut Dairy, Inc., Long Island Hospital, \$21,600.43; Charles Street Jail, \$602—\$22,202.43; to H. P. Hood & Sons, Inc., Sanatorium Division, \$19,760; to Whiting Milk Company, Park Department, \$415.15. Total, \$92,208.55.

Bids were as follows:

Approximate Amounts on All Items.
Boston City Hospital.

Milk Pasteurized:

10,000 Cans, 40-Quart Cans, Per Can.—Herlihy Brothers, Inc., \$4*; Whiting Milk Company, \$4; Shawmut Dairy,

Inc., \$4; United Farmers' Co-operative Creamery Association, Inc., \$4; H. P. Hood & Sons, Inc., \$4.

Or

50,000 Cans, 8-Quart Cans, Per Can.—Herlihy Brothers, Inc., 86 cents*; Whiting Milk Company, 86 cents; Shawmut Dairy, Inc., 86 cents; United Farmers' Co-operative Creamery Association, Inc., 86 cents; H. P. Hood & Sons, Inc., 86 cents.

Grade A Milk:

5,600 Quarts, 1-Quart Bottles, Per Quart.—Herlihy Brothers, Inc., 14.5 cents*; Whiting Milk Company, 14.5 cents; Shawmut Dairy, Inc., 14.5 cents; United Farmers' Co-operative Creamery Association, Inc., 14.5 cents; H. P. Hood & Sons, Inc., 14.5 cents.

Light Cream:

3,500 Cans, 8-Quart Cans, Per Can.—Herlihy Brothers, Inc., \$1.95*; Whiting Milk Company, \$1.95; Shawmut Dairy, Inc., \$1.95; United Farmers' Co-operative Creamery Association, Inc., \$1.95; H. P. Hood & Sons, Inc., \$1.95.

Heavy Cream:

375 Cans, 8-Quart Cans, Per Can.—Herlihy Brothers, Inc., \$3.55*; Whiting Milk Company, \$3.55; Shawmut Dairy, Inc., \$3.55; United Farmers' Co-operative Creamery Association, Inc., \$3.55; H. P. Hood & Sons, Inc., \$3.55.

160 Quarts, 1-Quart Bottles, Per Quart.—Herlihy Brothers, Inc., 55 cents*; Whiting Milk Company, 55 cents; Shawmut Dairy, Inc., 55 cents; United Farmers' Co-operative Creamery Association, Inc., 55 cents; H. P. Hood & Sons, Inc., 55 cents.

380 Pints, 1-Pint Bottles, Per Pint.—Herlihy Brothers, Inc., 29 cents*; Whiting Milk Company, 29 cents; Shawmut Dairy, Inc., 29 cents; United Farmers' Co-operative Creamery Association, Inc., 29 cents; H. P. Hood & Sons, Inc., 29 cents.

Skim Milk:

3,100 Quarts, 1-Quart Bottles, Per Quart.—Herlihy Brothers, Inc., 7 cents*; Whiting Milk Company, 7 cents; Shawmut Dairy, Inc., 7 cents; United Farmers' Co-operative Creamery Association, Inc., 7 cents; H. P. Hood & Sons, Inc., 7 cents.

Buttermilk:

60 Cans, 8-Quart Cans, Per Can.—Herlihy Brothers, Inc., 45 cents*; Whiting Milk Company, 45 cents; Shawmut Dairy, Inc., 45 cents; United Farmers' Co-operative Creamery Association, Inc., 45 cents; H. P. Hood & Sons, Inc., 45 cents.

540 Quarts, 1-Quart Bottles, Per Quart.—Herlihy Brothers, Inc., 8 cents*; Whiting Milk Company, 8 cents; Shawmut Dairy, Inc., 8 cents; United Farmers' Co-operative Creamery Association, Inc., 8 cents; H. P. Hood & Sons, Inc., 8 cents.

Approximate Total:

*Contract awarded.

Upon May 15 the Mayor approved a contract with lowest bidders as indicated for furnishing anthracite and semi-bituminous coal for city departments, as required, from May 1, 1940, to December 31, 1940, with the privilege of purchasing on the same terms and conditions extended to April 30, 1941. The approximate totals of awards were as follows:

To Staples Coal Company, doing business as City Fuel Company: Delivery by vessel to Long Island, approximately 7,500 gross tons nut and slack coal at \$6.48 per gross ton, \$48,600; delivery by truck to South Ferry, Public Works Department, approximately 5,000 net tons run of mine coal at \$5.85 per net ton, \$29,250; delivery by truck to Deer Island, approximately 1,350 net tons run of mine coal at \$5.87 per net ton, \$7,924.50; delivery in bins of fire-

boats, approximately 1,000 net tons run of mine coal at \$5.72 per net ton, \$5,720—\$91,494.50.

To White Fuel Corporation: Delivery by truck to city departments, approximately 3,000 net tons run of mine coal at \$6.04 per net ton, \$18,120; approximately 3,500 net tons nut and slack coal at \$5.74 per net ton, \$20,090—\$38,210.

To Tidewater Coal Company: Anthracite coal, delivery by truck, city departments, approximately 1,000 net tons egg coal at \$9.83 per net ton, \$9,830; approximately 2,500 net tons stove coal at \$9.96 per net ton, \$24,900; approximately 2,000 net tons buckwheat coal at \$7.14 per net ton, \$14,280—\$49,010.

Discount, one half of 1 per cent, ten days.

Upon May 24 the Mayor approved a contract with the Frank Bownes Company for furnishing 1,000 gallons white traffic paint, in 5-gallon cans, to be delivered to 8 Atkinson street, Boston Traffic Commission, at \$1.257 per gallon, less 1 per cent cash discount for payment in ten days. The approximate amount of the contract was \$1,257. Bids, opened May 17, were as follows:

1,000 Gallons White Traffic Paint, In Accordance with Specifications, in 5-Gallon Cans, Per Gallon.—Eversal Manufacturing Company, Inc., \$1.58; total, \$1,580; B. & D. Wallpaper Company, \$1.50; total, \$1,500; George D. Wetherill & Co., Inc., of Massachusetts, \$1.51; total, \$1,510; Frank Bownes Company, \$1.257; total, \$1,257; Wadsworth, Howland & Co., Inc., \$1.31; total, \$1,310.

Cash Discount, Ten Days.—Eversal Manufacturing Company, Inc., 1 per cent; B. & D. Wallpaper Company, 1 per cent; George D. Wetherill & Co., Inc., of Massachusetts, 1 per cent; Frank Bownes Company, 1 per cent; Wadsworth, Howland & Co., Inc., 1 per cent.

Net Total.—Eversal Manufacturing Company, Inc., \$1,564.20; B. & D. Wallpaper Company, \$1,485; George D. Wetherill & Co., Inc., of Massachusetts, \$1,494.90; Frank Bownes Company, \$1,244.43; Wadsworth, Howland & Co., Inc., \$1,296.90.

ANIMALS FOR ZOO.

The Mayor has approved the following request of the Park Commissioner:

Boston, May 22, 1940.

HON. MAURICE J. TOBIN,
Mayor of Boston.

DEAR MR. MAYOR,—I respectfully request permission to exchange with Louis Ruben, Inc., animal dealers of 853 Broadway, New York City, a male mandrill baboon for one female barasingha deer, a male European red deer, a female aoudad and two sphinx baboons. The total value of these animals taken from Rhue's price list is \$600. These mammals are badly needed in our Zoo for mating purposes.

We originally purchased a baboon from Stott's Zoo, Bedford, N. H., for the sum of \$60. We have two other male mandrills in the collection, which are equally as good as the specimen we would like to trade.

The trade is to our advantage, in as much as we acquire animals of good exhibition value for an animal that can be spared and will not cripple our own exhibit.

Very respectfully yours,

WILLIAM P. LONG, Chairman.

POLICE DEPARTMENT ORDERS.

General Order No. 482.

A trial board consisting of Captains Mullen, Donovan and Harvey, having heard by reference a complaint against Patrolman Salvatore Fiorillo of Division 7, charging him with conduct unbecoming an officer, has reported to the commissioner a finding of guilty as charged. In accordance with which, the said Patrolman Salvatore Fiorillo was on May 15, 1940, at 7.45 a. m., dismissed from the Police Department.

Due written notice of such dismissal with the reasons therefor, was duly and specifically given in hand on May 15, 1940, to the said Salvatore Fiorillo.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 483.

Sergt. John F. Dunleavy and Patrolman Michael F. O'Brien, both attached to Division 2, are commended for meritorious police duty performed on April 5, 1940, in connection with the capture of a man who had held up and robbed a store manager on Hawley street and was attempting to make his escape.

The commissioner is pleased to recognize and commend these officers for the initiative and devotion to duty shown on this occasion, and it is hereby ordered that Sergt. John F. Dunleavy, who was not on duty and in civilian dress when this arrest was accomplished, be given two days' additional vacation.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 484.

Division commanders, subject to the approval of the Superintendent of Police, will detail officers exclusively to investigate, report and prosecute automobile accidents for such periods as may be determined. This order is not to be construed as modifying in any way the excellent practice followed in some divisions of requiring all route or traffic officers to handle personally all automobile accident cases coming to their attention while in the performance of duty.

Criminal prosecution of automobile accident cases shall be commenced within ten days, unless the division commander authorizes a longer period for investigation. In such cases the written records must state the reasons for such an extension of time. Before commencing criminal action, commanding officers shall scrutinize all such cases, ascertain whether the officer has the facts and records properly assembled, and otherwise instruct him in regard to the method to follow in handling these cases in accordance with proper police procedure.

Division commanders shall instruct their officers that in the investigation of these cases they shall report fully the facts in order that commanding officers may determine whether or not criminal prosecution should follow. It must be borne in mind that the Police Department is not concerned with the question of civil liability.

Commanding officers shall forward a special report of the disposition by the courts of all automobile accident cases. A special report shall be submitted by commanding officers to the superintendent of all automobile accident cases that are not presented to the courts, and the reasons therefor.

All orders and rules and regulations inconsistent herewith are hereby rescinded.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 485.

The police officers hereinafter listed having arrived at the age of sixty-five years and more, and having performed faithful service in the Police Department for the number of years respectively stated, it is hereby

Ordered, His Honor the Mayor having approved the same, that they be retired from active service and their names placed upon the department pension roll with pay at the rate set out, said sum being one half of the amount of compensation received by each in the office from which he is retired, effective at 7.45 o'clock a. m., Monday, May 27, 1940.

CAPTAINS.

(Amount of pension, \$2,000 per annum, payable monthly.)

John McGrath, Division 14, age 66-2-12 years, length of service, 38-9-12 years.

John F. Fitzpatrick, Bureau of Records, age 68-3-12 years, length of service, 39-8-12 years.

James H. Egan, Bureau of Criminal Investigation, age 65-10-12 years, length of service, 36-3-12 years.

Capt. John McGrath was appointed a reserveman August 7, 1901; patrolman, September 2, 1902; sergeant, April 18, 1911; lieutenant, July 12, 1922; and captain, June 20, 1930.

Capt. John F. Fitzpatrick was appointed a reserveman September 19, 1900; patrolman, April 27, 1901; sergeant, February 11, 1918; lieutenant, November 24, 1932; and captain, February 8, 1937.

Capt. James H. Egan was appointed a reserveman, February 15, 1904; patrolman, October 29, 1906; sergeant, December 2, 1915; inspector, May 24, 1919 (change of title to lieutenant-inspector, September 4, 1931); and captain, July 6, 1938.

By retirement from active duty, through operation of law, of Captains McGrath, Fitzpatrick and Egan, there is separation from our service of valuable police officials, each experienced and trained in the particular phase of police work which has befallen his lot.

The long term of service of these officers has been marked by honorable endeavor, each striving to render to the public, of whom we are all servants, a proper measure of helpfulness and co-operation. In no other way may the police win the respect and retain the good will of law-abiding citizens.

Captains McGrath, Fitzpatrick and Egan, by willing obedience to orders of their lawful superiors, and by their cheerful attitude in performing such tasks with which they were charged, have set example to those of the department under their command.

They have honored their brother officers, as well as themselves, by the good

name each leaves in this department after long periods of service. Such a tribute one cannot excel.

The commissioner, in behalf of himself, the superintendent, and the rank and file of the department, extends to the three retiring captains such felicitations as are possible on this occasion, wishing to them good health and contentment in their withdrawal from public duty.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

General Order No. 486.

The following transfer is hereby ordered, to take effect Wednesday, May 29, 1940, at 7.45 o'clock a. m.:

Patrolman Charles A. Perelli, from Traffic Division to Division 3.

The Superintendent of Police will promulgate this order.

JOSEPH F. TIMILTY,
Police Commissioner.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A surface drain of 12-inch pipe, W. P. A. Project 665-14-2-1167, Work Project 20303, in Victoria road (to be built in existing taking), between 100 feet south of Gallivan Boulevard and 490 feet southerly, in the Dorchester district, at an estimated cost of \$2,650.

A surface drain of 12-inch pipe, four catch-basins and two drop inlets, W. P. A. Project 2065, in land of City of Boston (Arnold Arboretum), between Bussey street and 192 feet northerly, in the West Roxbury district, at an estimated cost of \$2,500.

BUILDINGS RAZED.

The Mayor has approved the request of the Building Commissioner to raze the following structures as fire menaces or nuisances:

The building at 94 Marginal street, Ward 1, owned by Antonio and Caroline Perotto of 104 Nichols street, Everett, to enter the premises and remove the building.

The building at 5 Genesee street, Ward 3, owned by Antonio and Mario Malfa, to vacate the premises and enter and remove the building.

To raze the building at 25-29 Wapping street, Ward 2.

To raze the building at 8 James street, Ward 8.

To raze the building at 9 James street, Ward 8.

BOSTON AS A TOWN.

From its foundation until 1755, or a period of 125 years, Boston was not only the most outstanding but the most populous town in the American colonies. In 1760, Philadelphia's population was ahead, viz., 18,756, Boston's then being 15,631 and New York's about 14,000. In the last year of town government, viz., 1821, Boston's population was about 45,000 and its public debt \$100,000, all incurred for new county buildings.

The history of Boston as a town during a period of nearly two centuries surpasses in civic interest that of Boston as a city because of the untiring zeal and successful efforts of its townsmen to realize more of true democracy than had ever been attained before. Their obligations were held as sacred as their liberties.

REPORT OF HELEN E. CLEAVES, DIRECTOR OF MANUAL ARTS, ON ATTENDANCE AT MEET- ING OF THE EASTERN ARTS ASSOCIATION, AT PHILADELPHIA, MARCH 27, 28 AND 29.

The following is the report of Helen E. Cleaves, Director of Manual Arts, on attendance at the Eastern Arts Association Convention at Philadelphia, on March 27 to 29, inclusive:

The thirty-first annual convention was held in Philadelphia from Wednesday, March 27, through Saturday, March 30, 1940. Twelve hundred of the eighteen hundred members registered at the Hotel Bellevue-Stratford where the meetings were held.

The city of Philadelphia was most hospitable. As an art center it was able to show inspiring collections in its galleries, museums, stores and art clubs. The two delegates from this department were made to feel at home by the friendly welcome of Mr. Theodore M. Dillaway, former Director of Art in the Boston public schools, now holding that position in Philadelphia. Mr. Dillaway sent greetings to his many friends in Boston.

The speakers at the general sessions discussed important problems in the various fields of art as it relates to production, distribution and consumption of goods and to education. A new understanding of design as a basis of success in industry, trade and daily living was evident in many meetings.

There were two illustrated addresses by Dr. Laszlo Moholy-Nagy, formerly associated with Doctor Gropius in the famous Bauhaus in Germany. It seems probable that America may benefit by the scientific skill and design theories of such learned exiles from Europe. Doctor Gropius is now at Harvard and Doctor Moholy-Nagy is head of the new School of Design in Chicago, where twelve years is considered necessary to master the techniques of design in connection with architecture and machine production.

Thus it appears that professional design has an intellectual content comparable to medicine, law and engineering. Add to this the emotional and social significance of art and it certainly should be recognized as a fundamental experience in education. Art teaching must, however, be raised to its due level of excellence in order to deserve such recognition. Moreover, there should be clear differentiation between art education for the vast army of citizen consumers and the few creative specialists. The type of art appropriate to the great majority was suggested by those who spoke of drawing, painting and the handicrafts as practiced by the layman.

Speakers on the arts of the American Indians and the folk arts of Pennsylvania settlers gave interesting pictures of the former ways of living which offered occasion for making things to live with. The Indians made and owned only what they could carry on their own backs or on horseback. They were not subject to "cultists" who told them what was good or not good. Their water jars and grain baskets were made to satisfy their daily needs and desires. Only ceremonial designs were full of symbolic meaning. Their colors and patterns were refined and appropriate until sou-

venir hunting tourists favored crude colors and read fanciful meanings into Indian patterns. Tourist trade has too often demanded oddity and quantity at the expense of quality.

The settlers of Pennsylvania left traces of seven old cultures described by Cornelius Weygandt. Like the Indians, they expressed their ideas in the work of their hands. They also imported things as all settlers did. Holland, Sweden, Finland, Lapland may be traced by objects found in current auction sales and the language is rich with phrases and songs of Scotch-Irish origin blended with influences of Connecticut Yankees and Virginians. Thus does Pennsylvania illustrate the fact that it takes only time and common purpose to blend all these elements into a new culture which may be called American.

Speakers on design for machine production urged us to teach openmindedness toward new materials and new answers to changing problems. The machine for mass production demands a highly technical, professional designer with special ability highly trained. In contrast to this, the old handicrafts offer to educators of young and old a way to cultivate the type of thinking which produces in the "Jack of all trades" the ability to solve the simpler problems of everyday living. Schools will do well to build up a great army of amateurs having taste and ingenuity. Such a public will produce and support the great design engineers who tell the machines what to make. Moreover, they will know how to use leisure time to enrich and stabilize their own lives. Indeed it was suggested that it should not be necessary for people to get "on relief" or into an asylum to get emotional release and mental balance through creative activity in the arts and crafts.

The numerous conference groups discussed in detail the specific problems of art education in and out of school for all ages and types of citizens. The significance of the arts in a democracy and the available art resources in cities, towns and rural communities were surveyed.

Commercial exhibits showed progress in American manufacture of art supplies for school use. United States water colors and brushes are rapidly approaching if not surpassing the high standards formerly achieved by European producers. Our color printers are improving their reproductions of paintings, so much needed for art appreciation. If the art teacher insists on good quality the American manufacturer can and does produce the goods.

The four days were rich in mental and esthetic experiences. The Eastern Arts Association is in a healthy position of leadership quite appropriate to the East. It was a great privilege to attend the convention and we will do all in our power to promote the interests of Boston as a result of this experience.

HELEN E. CLEAVES,
Director of Manual Arts.

OVERTIME ALLOWED.

The heads of the various departments whose employees have received payment for overtime state in connection therewith that if any laborer has been allowed to work more than eight hours per day it has been only in case of emergency under the law.

Printing Department.

For the week ending Tuesday, April 30:

Theresa Lyons, apprentice, 3 hours, \$3.27; Thomas Clifford, William Pierce, John Sheehan, compositors, 3 hours, \$4.65 each; Harriet Fairchild, proofreader, 3 hours, \$4.65; Peter Nelson, cylinder pressman, 3 hours, \$4.80; William Hagan, pressfeeder, 3 hours, \$4.11. Total, \$30.78.

This overtime was necessary in the printing of the Block Tally Sheets, Total Tally Sheets, Canvass Sheets and Official Returns in connection with the Presidential Primaries held April 30, 1940.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of underground construction by the Boston Edison Company, the following street is one way in the direction indicated, from 6 p. m. Saturday, May 25, 1940, to 7 a. m. Monday, May 27, 1940:

Tremont Street, Downtown Boston.
From Scollay square to School street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of underground construction by the Boston Edison Company, vehicles are excluded from the following street from 7 p. m. Saturday, May 25, 1940, to 7 p. m. Sunday, May 26, 1940:

Beacon Street, Downtown Boston.
From Somerset street to Tremont street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be sixty (60) days, vehicles are excluded from the following street, effective May 23, 1940:

Everett Street, West Roxbury.
From Call street to Elm street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of the Mechanic Arts High School Cadets' parade, vehicles are excluded from the following street on May 29, 1940, from 7.30 a. m. to 1 p. m.:

Scotia Street, Downtown Boston.
From St. Cecilia street to Dalton street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of sewerage construction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective May 28, 1940:

Wood Avenue, Hyde Park.
From Safford street to Tacoma street.

CIVIL SERVICE EXAMINATIONS.
(STATE.)

STATE EXAMINERS OF ELECTRICIANS, 1940.

Examinations will be held at the following points and on the following dates:

Boston, Wednesday, June 5.
Boston, Wednesday, September 11.
Worcester, Thursday, September 12.
Springfield, Wednesday, October 16.
Pittsfield, Thursday, October 17.
Boston, Wednesday, November 13.
Lowell, Thursday, November 14.
Boston, Wednesday, December 4.
New Bedford, Thursday, December 5.
New Bedford, Friday, December 6.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes. Examination shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
WALTER F. DOWNEY,
ULYSSES J. LUPIN,

ALBERT FRANK,

WALTER J. KENEFICK,

State Examiners of Electricians.

For application blanks or other information apply to State Examiners of Electricians, Room 303, 14 Beacon street, Boston, Mass.

FOR AIDING BOYS.

In an effort to lend a helping hand to misfit and underprivileged boys and to stem the alarming flow of young men into penal institutions and lives of crime, Big Brother Bureaus are being organized by the police departments of various cities. The International Association of Chiefs of Police urges all police jurisdictions to join the Big Brother League.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

INDUSTRIAL INSPECTOR, DEPARTMENT OF LABOR AND INDUSTRIES, JUNE 28, 1940.

Last date for filing applications, Friday, June 14, 1940, at 5 p. m.

Requisition is for a male, but the examination is open to both females and males.

The entrance salary is \$1,920 a year; the maximum salary is \$2,520 a year.

Duties: Under direction, to make investigations and reports on industrial and mercantile establishments relative to compliance with laws applicable to the employment of women and children, hours and wages of employees, and the maintenance of proper conditions of safety and sanitation; to investigate industrial accidents and occupational diseases; and to perform related work as required.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

JUNIOR PLANNING ASSISTANT, MALE, STATE PLANNING BOARD, JUNE 28, 1940.

Last date for filing applications, Friday, June 14, 1940, at 5 p. m.

The entrance salary is \$1,800 a year; the maximum salary is \$2,160 a year.

Duties: To act as second assistant to the Federal consultant in the assembling and coordinating of data regarding the resources of the state. To develop plans under the guidance of the chief engineer. To prepare graphs for use in the office and for the public. To cooperate with and advise the city and town planning boards; to interpret provisions and existing laws and advise as to future laws. To answer inquiries relative to the specialized work of zoning and planning in the municipalities.

Entrance Requirement: Applicants must have two years' experience in active planning work or its equivalent in city planning training in a recognized institution.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

VOTE FOR PRESIDENT IN BOSTON, NOVEMBER 3, 1936.

Vote in Boston for President: 199,504 for Roosevelt (Dem.); 85,789 for Landon (Rep.); 25,924 for Lemke (Union); 783 for Browder (Comm.); 637 for Thomas (Soc.); 220 for Aiken (Soc. Lab.); 133 for Colvin (Proh.); all others, 5; total vote for President, 312,995, or 2,572 more than total for Governor. Plurality for Roosevelt, 113,715.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

PUBLIC UTILITIES DEPARTMENT EXECUTIVE SECRETARY, JULY 9, 1940.

Last date for filing applications, Tuesday, June 25, 1940, at 5 p. m.

The minimum salary is \$3,780 a year; the maximum salary is \$4,500 a year.

Duties: To hold and conduct hearings, many of them involving legal questions and rulings. To prepare reports in writing of the facts and the law, for the consideration of the commission. To write opinions in certain cases. To draw orders in pending cases and draft rules, regulations, restrictions and conditions, votes and decisions, many of which are technical and require a more or less expert knowledge so that statutory requirements will be complied with, and so that they will stand the test of an appeal to the courts if such appeal were taken. To hear complaints and give out information.

A general familiarity with the following chapters of the General Laws and Acts of the General Court, and procedure thereunder, is a requisite:

Chapter 25, as amended, Department of Public Utilities.

Chapter 110A, as inserted by chapter 499 of the Acts of 1921, as amended, Sale of Securities Act.

Chapters 155, 156 and 158, as amended, Corporation Laws.

Chapter 159, as amended, common carriers.

Chapter 159A, as amended, common carriers of passengers by motor vehicles; special and charter service.

Chapter 159B, as inserted by chapter 483 of the Acts of 1938, as amended, carriers of property by motor vehicles.

Chapter 160, as amended, railroads.

Chapter 161, as amended, street railways.

Chapter 162, as amended, electric railroads.

Chapter 163, as amended, trackless trolleys.

Chapter 164, as amended, gas and electric companies; municipal lighting plants.

Chapter 165, as amended, water companies.

Chapter 166, as amended, telephone and telegraph companies.

Chapter 182, as amended, voluntary associations.

Acts of 1929, chapter 297, as amended, Sumner Tunnel tolls.

Acts of 1931, chapter 333, Boston Elevated Railway Company deficit.

Entrance Requirement: Applicants must have been admitted to practice law in the courts of the Commonwealth, and must have had at least ten years' experience as a lawyer.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

MASSACHUSETTS CIVIL SERVICE EXAMINATIONS.

NURSE, BOSTON HEALTH DEPARTMENT,
JUNE 25, 1940.

Last date for filing applications, Tuesday, June 11, 1940, at 5 p. m.

Salary: The entrance salary is \$1,400 a year; the maximum salary is \$1,800 a year. At the present time there are three permanent vacancies.

Duties: To do public health nursing in the fields of communicable diseases, child hygiene, school nursing, tuberculosis and health service for day nurseries. These duties include both field and clinic service.

Entrance Requirements: Applicants must be registered nurses under the State Division of Registration of Nurses.

Applicants who have passed their forty-fifth birthday will not be eligible to apply. A certificate of date of birth must be filed with the application unless one has been filed with a previous application.

Applicants must have six months' experience in public health nursing or six months' experience on the staff of a public health nursing organization under qualified supervision.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence. The lists established as a result of these examinations will be used to fill all vacancies in these classifications in the various State departments.

ASSISTANT DIETITIAN, DEPARTMENT OF
MENTAL HEALTH, JUNE 28, 1940.

Last date for filing applications, Friday, June 14, 1940, at 5 p. m.

The entrance salary is \$840 a year and maintenance; the maximum salary is \$1,140 a year and maintenance.

At the present time, there is a vacancy for a female at \$840 a year and maintenance in each of the following: Danvers State Hospital, Foxboro State Hospital and Wrentham State School.

Duties: To assist a head dietitian in planning menus and in the preparation and serving of meals in a state institution; and to perform related work as required.

Entrance Requirement: Applicants must have one year's experience as a dietitian in a hospital, cafeteria, lunchroom, hotel or other similar field.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

LABORATORY TECHNICIAN, STATE HEALTH DEPARTMENT, JUNE 28, 1940.

Last date for filing applications, Friday, June 14, 1940, at 5 p. m.

Requisition is for a male, but the examination is open to both females and males.

The entrance salary is \$840 a year and maintenance; the maximum salary is \$1,140 a year and maintenance.

The present vacancy is at the North Reading State Sanatorium.

Duties: In addition to ordinary laboratory work, including blood counts, sputum and urine examinations, it is essential that the person filling this position have sufficient knowledge and experience in X-ray technique to enable him to take and develop X-rays.

Entrance Requirement: Applicants shall have spent at least one year in the laboratories of a hospital having at least 100 beds capacity.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: At least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

MASSACHUSETTS CIVIL SERVICE EXAMINATIONS.

LABORATORY TECHNICIAN, BOSTON CITY HOSPITAL (GENERAL LABORATORY), JUNE 15, 1940.

Last date for filing applications, Monday, June 3, 1940, at 5 p. m.

This examination is open to both males and females.

At the present time there are fifteen vacancies, ranging in salary from \$16 per week to \$1,300 per year.

Duties: The performance of those laboratory tests customarily done in the routine clinical laboratory of an accepted hospital,—particularly those tests having to do with bacteriology, clinical chemistry, hematology, biology, tissue and urine examination, and all related work as required.

Entrance Requirements: Applicant must have had one year's active experience as a regularly employed medical technician in an accepted hospital or other laboratory, under the immediate direction and supervision of a pathologist.

Subjects and Weights: Training and experience, 2; practical test, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

AMENDED NOTICE.

WATER METER READER, BOSTON PUBLIC WORKS DEPARTMENT, JUNE 15, 1940.

Last date for filing applications, Monday, June 3, 1940, at 5 p. m.

WIRE INSTALLATION PERMITS ISSUED FOR THE WEEK ENDING MAY 25.—Concluded.

Freed-Malins Electric Com- pany.	461-467 Centre Street, Jamaica Plain.	Incandescents, fixtures, motors,	11.50

Salary: The starting salary for this position is \$1,600 a year. The maximum salary for this position is \$1,900 a year.

Duties: To read water meters and perform incidental minor clerical work, such as the recording of readings on meter cards and reports on cards as to the physical condition of meters and the premises.

Entrance Requirement: Applicants who have not reached their twenty-second birthday or who have passed their *fiftieth* birthday will not be eligible to apply. A certificate of date of birth must be filed with the application *unless* one has been filed with a previous application.

Subjects and Weights: Training and experience, 4; report, 1; practical questions, 5; total, 10.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

The practical questions will be based upon information contained in the Water Meter Reader's Manual which may be obtained at the Public Document Room, Room 118, State House, at ten cents a copy. Applicants should obtain a copy of this manual and study it carefully.

NOTE.—Information concerning the results of this examination will not be available until at least sixty days after the examination has been held. If the eligible list is established in the meantime, all applicants will be notified.

BUDGETARY CONTROL.

Prior to installing the present system of budgetary control, effective as of January 1, 1939, the city of Newark had no centralized accounting control over its budget commitments. The city's general ledger contained accounts for the various budget appropriations, and reflected disbursements out of the appropriations. However, commitments for work and material were not recorded in the city's accounts until after bills submitted by the vendors had been approved for payment by the Board of Commissioners. Consequently, financial reports could only show the amount of appropriated moneys that had not been disbursed out of any account. No recognition could be given in these reports to the unpaid purchase commitments, since the amount was not known. *The American City.*

POPULATION OF BOSTON, BY SEX, NATIVITY, ETC., 1930.

Total population, 781,188 (383,454 males and 397,734 females); ratio of males to females, 96.4 to 100 as against 97.2 to 100 in 1920. Native white, 529,400 (260,419 males and 268,981 females) or 67.77 per cent; sex ratio, 96.8 to 100. Of the 529,400 native whites, 200,130, or 37.80 per cent, are of native parentage; 248,653, or 46.97 per cent, are of foreign parentage and 80,617, or 15.23 per cent, are of mixed parentage (*i. e.*, one half native). Foreign-born whites, 229,356 (111,261 males and 118,095 females) or 9.563 less than in 1920; sex ratio 94.2 to 100. The foreign-born whites are 29.36 per cent of total population. Negroes, 20,574 (10,223 males and 10,351 females) or 2.63 per cent of population; sex ratio, 98.8 to 100. The Negro population has increased 4,224 since 1920 and 4,993 since 1915. Other races, 1,858 (1,551 males and 307 females), or 0.24 per cent, comprise 1,595 Chinese, 69 Japanese, 43 Indian, 26 Mexican and 125 miscellaneous. Total foreign white stock, 478,009 (*viz.*, 229,356 plus 248,653) which is 61.19 per cent of all inhabitants.

TAUNTON'S ASPHALT PLANT.

One of the functions of a city public works or street department is to operate as effectively as possible in the construction and maintenance of its streets and sidewalks and to produce the necessary materials for paving at the lowest possible cost. In some cities this is effected by the purchase of all paving materials in either the raw or the mixed stage. Taunton has used a city-owned 100-ton asphalt plant for street paving and maintenance and for sidewalk construction for ten years. Located in the city yard with the equipment repair shop and garage, the plant is housed in a 60 by 90 foot building with a 30 by 100 foot wing, which was formerly used as a foundry. *The American City.*

TO PROTECT MINORS.

Buffalo is considering an ordinance, similar to the one in effect in New York City, for the protection of minors in theaters. It permits children, unaccompanied by adults, only in theaters licensed as to adequate sanitary and safety provisions, sets aside a certain section for them and requires the presence of a licensed matron.

PROCEEDINGS OF CITY COUNCIL.

Monday, May 20, 1940.

Regular meeting of the City Council in the Council Chamber, City Hall, at two p. m., President GALVIN presiding, and all the members present.

The meeting was opened with the salute to the Flag.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments, viz.: Constables for term of one year, beginning with first day of May, 1940, with authority to serve civil process upon the filing of the necessary bond: Harold Ober, 25 Westmore road, Ward 14; Charles A. Wood, 661 East Fourth street, Ward 6.

Weighter of Coal: Frank Sirk, 11 Brenton street, Dorchester, Mass.

Weighters of Goods: Edward F. Barry, 54 Burroughs street, Jamaica Plain, Mass.; John J. Grady, 89 Governors avenue, Medford, Mass.; Wesley Harvey Frost, 24 Hollis avenue, North Quincy, Mass.; Windsor P. Butler, 80 Peterborough street, Boston, Mass.; Ernest A. Lambert, 89A Laurel street, Maplewood, Mass.; Samuel Weitzman, 71 Hampden street, Boston, Mass.; Harold J. Ring, 177 Milk street, Boston, Mass.

Severally laid over a week under the law.

VETO OF DRIVEWAY OPENING, KEMBLE STREET.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.
Gentlemen,—I return herewith disapproved and without my signature permit for driveway opening at 87 Kemble street.

In my opinion it would be against the general interests of the public to grant the permit petitioned for at this particular location and for this reason I am constrained to veto the permit.

Respectfully,

MAURICE J. TOBIN, Mayor.

Placed on file.

TRAFFIC CIRCLE, OLD COLONY PARKWAY.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Metropolitan District Commission Assistant Secretary relative to your order of May 6, 1940, concerning the construction of a traffic circle at the junction of Old Colony Parkway and Freeport street, Dorchester.

Respectfully,

MAURICE J. TOBIN, Mayor.

The Commonwealth of Massachusetts,
Metropolitan District Commission,
20 Somerset Street, Boston,

May 15, 1940.

Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—The receipt of your letter of May 13, with the accompanying order of your Honorable Council regarding the construction of a traffic circle at the Old Colony Parkway-Freeport street intersection, is acknowledged.

The construction of a traffic circle at this point is to be incorporated in a contract which also contemplates the widening and reconstruction of Old Colony Parkway, between Columbia Circle and the Dorchester Bay Bridge. The commission has advertised for bids on this work, will open them on May 23 and will undoubtedly make an immediate award of a contract if no unforeseen circumstances arise, so that an early start of construction can be anticipated.

Very truly yours,

EDWARD F. BARRY,
Assistant Secretary.

Placed on file.

OCCUPATIONAL TAX ON NON-RESIDENTS.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Acting Corporation Counsel relative to your order of May 6, 1940, concerning the constitutionality of the City of Boston assessing an occupational tax on all non-residents of Boston.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Law Department, May 14, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—This is an answer to a request of the City Council through you for an opinion as to the constitutionality of the City of Boston assessing an occupational tax on all non-residents of Boston.

The answer to this and similar questions is found in a short statement by the Supreme Court in the case of *Duffy vs. Treasurer and Receiver General*, 234 Mass. 42, 47, as follows:

"Cities and towns have no inherent power to levy taxes. They can exercise only those powers to tax which have been delegated to them by the General Court as the representative of the Commonwealth. They can levy taxes only on the property and for the purposes established by the General Court acting within its constitutional limitations."

As the City of Boston has not been authorized by the General Court to levy occupational taxes it has no power to assess such taxes either on residents or non-residents.

Respectfully,

W. J. DOYLE,
Acting Corporation Counsel.

Placed on file.

SURVEY, EAST BOSTON WATERFRONT.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 29, 1940, concerning the making of a survey of the area along the waterfront section of East Boston with a view to erecting a sea wall, or taking such other steps as may be necessary to prevent the flooding of adjacent properties by exceptionally high tides.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 20, 1940.
To W. T. Doyle, Chief Clerk, Mayor's Office.
From George G. Hyland, Commissioner, Public Works Department.

Subject: Survey of Area, Waterfront Section of East Boston.

This is in reference to the following order that was passed in the City Council on April 29: "Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to make a survey of the area along the waterfront section of East Boston with a view to erecting a sea wall, or taking such other steps as may be necessary to prevent the flooding of adjacent properties by exceptionally high tides."

Department forces at the present time are engaged in the construction of a culvert under the old roadbed of the Narrow Gauge tracks in the vicinity of West street. In the event of future abnormal high tides, the properties abutting Bennington street in the vicinity of this culvert will be protected to a certain extent from flooding, as the culvert will provide for the draining of the low area on the westerly side of the roadbed subsequent to the subsiding of the abnormal high tides.

It will be impossible, however, to protect the properties located on Thurston street from damage due to high tides, unless a sea wall is constructed in the marshland in the rear of said properties. The construction of such a wall would be costly and, in my opinion, would not be justified by the benefits derived, as it is only once in every eight or ten years that the tide rises to such a height as to cause damage to the properties on the bay side of the street.

It is my understanding that the residents object more to the annoyance and inconvenience to which they are put by the high run of tides rather than to the amount of actual damage done to their properties, as it is my further understanding that high tides do not result in a great deal of damage to these properties.

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

TRAFFIC SIGNALS, WOODROW-BLUE HILL AVENUES.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of April 29, 1940, concerning the installation of automatic traffic signals at the junction of Woodrow avenue and Blue Hill avenue, Ward 14.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, May 8, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—This will acknowledge receipt of Council order dated April 29, 1940, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install automatic traffic signals at the junction of Woodrow avenue and Blue Hill avenue, Ward 14."

There are no funds available to this commission at present for the installation of an automatic traffic signal at this location.

Respectfully yours,

WILLIAM P. HICKEY, Commissioner.

Placed on file.

ARC LIGHT, FOX AND PERCIVAL STREETS.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 29, 1940, concerning the installation of an arc light at the corner of Fox and Percival streets, Ward 15.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 7, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works install an arc light at the corner of Fox and Percival streets, Ward 15.

This is a residential district lighted with gas lamps and compares quite favorably with similar areas and I can see no reason for the installation of a large electric lamp at the corner mentioned.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

ELECTRIC LAMPS, CHILCOTT PLACE, WARD 11.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 29, 1940, concerning the substituting electric lamps for the present gas lamps on Chilcott place, Ward 11.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 7, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works substitute electric lamps for the present gas lamps on Chilcott place, Ward 11.

Please be advised that an order has been given to the Edison Company to install two electric lamps in Chilcott place, to replace the two existing gas lamps.

Very truly yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

ADDITIONAL FEDERAL HOUSING, SOUTH BOSTON.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Boston Housing Authority Chairman relative to your order of April 29, 1940, concerning the advisability of erecting a Federal housing unit in the section known as the lower end of South Boston.

Respectfully,

MAURICE J. TOBIN, Mayor.

City of Boston,
Boston Housing Authority,
May 4, 1940.

Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—This will acknowledge receipt of your communication of April 29, 1940, concerning the order of the Honorable City Council, introduced at the instance of Councilors Scannell and Linehan:

"That the Boston Housing Authority be requested, through his Honor the Mayor, to consider the advisability of erecting a Federal housing unit in the section known as the lower end of South Boston."

As your Honor knows, this Authority has had many communications sent to it on this subject. Letters of indorsement on the advisability of a project in this area have been received from Henry Cabot Lodge, Jr., United States Senator, John W. McCormack, Representative in Congress, and the Rev. Francis P. Doyle, Secretary to the Catholic Pastors' South Boston Improvement Association, among others.

To you and to all who have inquired, this Authority has respectfully replied that as part of its duties it has made itself thoroughly familiar with the situation which exists in the area referred to. It has also advised those inquiring that development of further low-rent housing in Boston was dependent on the action of the Congress of the United States in appropriating more money for this purpose.

When such further moneys are available, this Authority assures you that it will give all due consideration to this section.

Respectfully,
JOHN A. BREEN, Chairman.

Placed on file.

ADDITIONAL NIGHT SERVICE, BOSTON ELEVATED.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Boston Elevated Railway President and General Manager relative to your order of April 22, 1940, concerning the running of an additional train at about 1.15 a. m. from Everett for the convenience of night workers.

Respectfully,
MAURICE J. TOBIN, Mayor.

—
Boston Elevated Railway,
May 8, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—In reply to your communication of April 27 in regard to the suggestion to run an additional train at about 1.15 a. m. from Everett for the convenience of night workers who are unable to make connection with the last train, this would mean the rearrangement of connections on surface night car routes as well; it would reduce the hours that the Maintenance Department has for the maintenance of the structure, which now is comparatively short; and in the final analysis would add \$66,000 to the cost of service to be included in the deficit.

Under present conditions the trustees have directed me to advise you that they do not believe this is justified.

Very truly yours,
EDWARD DANA,
President and General Manager.

Placed on file.

CULVERT, BENNINGTON STREET, WARD 1.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 29, 1940, concerning the construction of a culvert along Bennington street, from Westbrook street to Orient Heights, Ward 1.

Respectfully,
MAURICE J. TOBIN, Mayor.

—
City of Boston,
Public Works Department,
May 6, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—This is in reference to the following order that was passed in the City Council on April 29:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to construct a culvert along Bennington street, from Westbrook street to Orient Heights, Ward 1."

It is the intention of the department to comply with the provisions of the above-referenced order.

Arrangements have been made to allow the department to construct a culvert under the roadbed of the abandoned Narrow Gauge Railroad, in the vicinity of Westbrook street, to extend from the westerly to the easterly side of the old railroad right of way.

In the event of any future abnormal high tides which might cause the flooding of the cellars of the houses that are located on Bennington street, the installation of this culvert will allow the water impounded on the westerly side of the railroad right of way to be discharged into the harbor at low tides, thereby eliminating the possibility of a recurrence of the unsanitary and bothersome conditions that were created by the recent high tides which flooded the cellars of the houses that are located on Bennington street in this vicinity.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

SIDEWALKS, WARD 20.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I submit herewith letter from the Public Works Commissioner relative to your order

of May 6, 1940, concerning the construction and installation of sidewalks on Baker street, from Spring to Centre street, and also Centre street, from Spring to Washington street, Ward 20, as W. P. A. projects.

Respectfully,
MAURICE J. TOBIN, Mayor.

—
City of Boston,
Public Works Department,
May 13, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works construct and install sidewalks on Baker street, from Spring to Centre street, and also Centre street, from Spring to Washington street, Ward 20, as a W. P. A. project.

Relative to Centre street, this will advise you that this street terminates at the Dedham line and does not run into Washington street. However, this street will be submitted for approval on a W. P. A. project for the installation of bituminous concrete sidewalks between Spring and Grove streets. In regard to Baker street, from Spring to Centre street, please be advised that a W. P. A. project will be submitted for the installation of bituminous concrete sidewalks.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

DEFECTIVE SIDEWALKS, WARD 20.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 29, 1940, concerning the arranging for a W. P. A. project for the repair of defective sidewalks in Ward 20.

Respectfully,
MAURICE J. TOBIN, Mayor.

—
City of Boston,
Public Works Department,
May 6, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—This is in reference to the following order that was passed in the City Council on April 29:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to arrange for a W. P. A. project for the repair of defective sidewalks in Ward 20."

The repair of defective sidewalks is classified, properly, as "maintenance work."

The W. P. A. will not approve projects of a maintenance nature, and, in view of this, it is impossible to comply with the provisions of the above-referenced order.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

W. P. A. PROJECT, WARD 20 SIDEWALKS.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 29, 1940, concerning the arranging for a blanket W. P. A. project for the installation of sidewalks in Ward 20.

Respectfully,
MAURICE J. TOBIN, Mayor.

—
City of Boston,
Public Works Department, May 6, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—This is in reference to the following order that was passed in the City Council on April 29:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to arrange for a blanket W. P. A. project for the installation of sidewalks in Ward 20."

It is the intention of the department to install, with the aid of the Work Projects Administration, sidewalks in every section of the city where they are needed.

It is the further intention of the department not to confine these activities to any particular section, but to distribute the work equitably to every ward in the city.

You may be assured that under such a program Ward 20 will be given its fair proportion of the work.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

STREET OPENINGS BY PUBLIC UTILITIES.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 15, 1940, concerning the compelling of all public service corporations who make openings in our streets to restore the streets to their original condition.

Respectfully,
MAURICE J. TOBIN, Mayor.

—
City of Boston,
Public Works Department,
May 6, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—This is in reference to the following order that was passed in the City Council on April 15:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to compel all public service corporations who make openings in our streets to restore the streets to their original condition."

No change has been made by this department in the procedure that has been in effect for many years in connection with the restoring by public service corporations, to their original condition, of street surfaces over openings made by said corporations.

In view of this, there is no necessity for taking any action on the above-referenced order.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

HESSTON TERRACE, WARD 13.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 29, 1940, concerning the construction of Hesston terrace, Ward 13, as a W. P. A. project.

Respectfully,
MAURICE J. TOBIN, Mayor.

—
City of Boston,
Public Works Department,
May 6, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works construct Hesston terrace, Ward 13, as a W. P. A. project.

This will advise you that this street was laid out by the Board of Street Commissioners under date of July 7, 1939.

It was the intention of this department to proceed with the construction of Hesston terrace but, at the request of the abutting owners who came in and objected to the construction of same, due to the cost involved, it was decided not to go ahead with the construction work.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

SIDEWALKS, ENFIELD STREET, WARD 19.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 29, 1940, concerning the installation of sidewalks on Enfield street, Ward 19, under the W. P. A. plan of construction.

Respectfully,
MAURICE J. TOBIN, Mayor.

—
City of Boston,
Public Works Department,
May 6, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works install sidewalks on Enfield street, Ward 19, under the W. P. A. plan of construction.

Please be advised that street will be submitted for approval on a W. P. A. project for the installation of bituminous concrete sidewalks this year.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

REPAIRS, RONAN PARK, WARD 15.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of May 6, 1940, concerning the immediate repairing of all the broken benches on Ronan Park, Ward 15, in Dorchester.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 14, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 10, with inclosure, order from the City Council that broken benches on Ronan Park, Dorchester, be repaired.

Please be informed that all broken benches in the department are being repaired as rapidly as possible, but as we only have four men on this, there will be some delay before the repairs can be made.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

BROKEN GLASS, WARD 13 PARK.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of May 6, 1940, concerning the removal of the broken glass from the park at the foot of Grampian way and Savin Hill avenue, Ward 13.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 14, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 10, with inclosure, order from the City Council that the broken glass be removed from the foot of Grampian way and Savin Hill avenue.

This area is cleaned every day and the broken glass is removed daily.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

PLAYGROUND, WARD 20.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of May 6, 1940, concerning the possibility of establishing a playground in the area bounded by Weld street, Church street, Veterans of Foreign Wars Parkway and Manthorne road, Ward 20.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 14, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 10, with inclosure, order from the City Council to consider the possibility of establishing a playground in the area bounded by Weld street, Church street, Veterans of Foreign Wars Parkway and Manthorne road.

Please be assured that a survey will be made at the earliest possible moment, but I just want to say there is no money available for the purchase of land for playground purposes at the present time in this department.

Very truly yours,
WILLIAM P. LONG, Chairman.

ROXBURY CROSSING BRANCH LIBRARY.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Library Director relative to your order of April 22, 1940, concerning reopening the Roxbury Crossing Branch Library which was located at the corner of Ruggles street and Tremont street, Ward 9.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Library Department, May 14, 1940.
Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—To the trustees of the Public Library at their meeting on May 10, 1940, I presented the order adopted by the City Council on

April 22, 1940, that the trustees of the Public Library be requested, through his Honor the Mayor, to reopen the Roxbury Crossing Branch Library which was located on the corner of Ruggles street and Tremont street.

The matter was carefully considered by the trustees, and I was directed to reply on their behalf that in view of the present financial condition of the city the need for the utmost economy prevents the trustees from taking any action to reopen the closed branch libraries.

Yours very sincerely,
MILTON E. LORD, Director.

Placed on file.

BENCHES, EAST BOSTON AIRPORT.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the chairman of the Park Department relative to your order of May 6, 1940, concerning the arranging for the installation of benches for women and children on the Airport field at East Boston.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 14, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 10, with inclosure, order from the City Council that benches be installed for women and children at the Airport field in East Boston.

At the present time there are benches there—a number of them for the women and children. A survey will be made by the department as to the necessity of additional benches.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

MATRONS, WEST ROXBURY PLAYGROUNDS.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Park Department Chairman relative to your order of May 6, 1940, concerning the assigning a matron to the Billings Field Playground and also the Mary Draper Playground in West Roxbury.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 14, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 10, with inclosure, order from the City Council that matrons be assigned to Billings Field and Mary Draper Playground.

Please be assured the department will do everything possible to comply with the councilor's request. Many playgrounds have to go without matrons this year, but I will try and do the best I can to take care of the larger ones.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

ADDITIONAL GARBAGE COLLECTIONS, WARD 3.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of May 6, 1940, concerning the instructing the division engineer of the Sanitary Department to make an additional weekly collection of garbage in the South End district of Ward 3.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 16, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Sir,—I have your memorandum of May 10, 1940, concerning order in Council, under date of May 6, as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to instruct the division engineer of the Sanitary Department to make an additional weekly collection of garbage in the South End district of Ward 3."

I am pleased to inform you that arrangements have been made to give this district twice-a-week service on garbage collection in the future.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

M STREET, WARD 6.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Commissioner of Public Works relative to your order of April 22, 1940, concerning the resurfacing the roadway and installing of sidewalks on M street, from East Sixth street to First street, Ward 6, as a W. P. A. project.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 6, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Sir,—I return herewith order in City Council that the Commissioner of Public Works resurface the roadway and install sidewalks on M street, from East Sixth street to First street, Ward 6, as a W. P. A. project.

That portion of the roadway between East First street and East Broadway will be submitted for approval on a W. P. A. project for construction this year. From East Broadway to East Sixth street, I find, upon investigation, that there is no immediate need for resurfacing of this section.

Relative to the sidewalks, I will have that part of the street from East First street to No. 15 M street submitted for approval on a W. P. A. project for the construction of a bituminous concrete sidewalk.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

DUST ABATEMENT, WARD 3.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of May 6, 1940, concerning the purchasing of a water sprinkler for the purpose of dust abatement on the streets of Ward 3.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 14, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.
Dear Mr. Doyle,—This is in reference to the following order that was passed in the City Council on May 6:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to purchase a water sprinkler for the purpose of dust abatement on the streets of Ward 3."

If budgetary appropriations will permit, it is the intention of the undersigned to comply with the provisions of the above-referenced order.

Respectfully,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

REPAIRS, MICHAEL J. BROPHY PARK.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the chairman of the Park Department relative to your order of May 6, 1940, concerning the immediate repair of benches at Michael J. Brophy Park in the Jeffries Point section of East Boston.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Park Department, May 14, 1940.
William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—I have your memorandum of May 10, with inclosure, order from the City Council that the Park Commission arrange for the immediate repair of benches at Michael J. Brophy Park in the Jeffries Point section of East Boston.

Please be informed that all broken benches in the Michael J. Brophy Park in the Jeffries Point section of East Boston will be repaired as rapidly as possible.

Very truly yours,
WILLIAM P. LONG, Chairman.

Placed on file.

TRAFFIC LIGHTS, ALBANY STREET.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of May 6, 1940, concerning the installation of a

traffic signal light on Albany street, opposite the entrance to the Ambulance Station and also the accident entrance of the Boston City Hospital.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, May 14, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—This is in reply to Council order dated May 6, 1940, which reads as follows: "Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to arrange for the installation of a traffic signal light on Albany street, opposite the entrance to the Ambulance Station and also the accident entrance of the Boston City Hospital."

There are no funds available to this commission for the installation of traffic lights as requested in this Council order. However, through the erection of signs and street paintings, a lane is made available to the entrance to the Accident Ward of the City Hospital, so that ambulances going to and from the Accident Ward have quick access.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

ARC LIGHT, DORCHESTER AVENUE, WARD 13.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of May 6, 1940, concerning the installation of an arc light on Dorchester avenue, between Victoria and Pearl streets, Ward 13.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 14, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Mr. Doyle,—I return herewith order in City Council that the Commissioner of Public Works install an arc light on Dorchester avenue, between Victoria and Pearl streets, Ward 13.

I have had this street inspected and find that there is a large lamp at the corner of Belfort street (opposite Victoria street), another at the corner of St. William street and another one opposite Pearl street.

In view of the above I regret to advise you that I can see no reason for the installation of additional lights on this street.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

REMOVAL OF PAVING BLOCKS.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the President and General Manager of the Boston Elevated Railway relative to your order of April 22, 1940, concerning the removal of paving blocks in the roadway in the vicinity of Dudley and Washington streets.

Respectfully,
MAURICE J. TOBIN, Mayor.

Boston Elevated Railway,
May 16, 1940.

Mr. William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—Referring to your letter of April 27 relative to order of the City Council concerning the removal of paving blocks in the roadway in the vicinity of Dudley and Washington streets, which are said to be creating a traffic hazard, effort has been made to see Councilor Sullivan, who introduced the order, to ascertain exactly what he has in mind, but he is ill and cannot be seen.

On Dudley street, between Washington and Warren streets, there are 320 square yards of wood block pavement installed at the request of the city; 695 square yards of granite block pavement and 75 square yards of vitrified brick pavement for which the railway is responsible. The wood block pavement is in poor condition, the granite block pavement is in good condition and the vitrified brick pavement is in fair condition. We assume that the order relates to the wood block pavement.

It is our intention to make some repairs to the track special work at the junction of Washington and Dudley streets; Dudley street at the west incline to the terminal and at Dudley and Warren streets. When these special work repairs are made the wood block and vitrified brick pavement will be replaced with other pavement of a kind satisfactory to Commissioner Hyland.

Very truly yours,
EDWARD DANA,
President and General Manager.

Placed on file.

AMBULANCE, DORCHESTER DISTRICT.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the President of the Board of Trustees of the Boston City Hospital relative to your order concerning the advisability of assigning an ambulance to the Dorchester district.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Hospital Department, May 17, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—At a meeting of the Board of Trustees held today, the following order of the City Council was presented:

"Ordered, That the trustees of the City Hospital be requested, through his Honor the Mayor, to consider the advisability of assigning an ambulance to the Dorchester district, to be garaged at one of the police stations, in order that it may be available for immediate use in the event of an accident or other emergency."

The trustees do not deem such a procedure advisable.

Very truly yours,
CARL DREYFUS,
President, Board of Trustees.

Placed on file.

REGULATION OF BILLBOARDS.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the Honorable City Council.

Gentlemen,—I transmit herewith a communication from the Acting Corporation Counsel in reply to your order of April 29 relative to the regulation of billboards.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Law Department, May 20, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Sir,—This is in answer to the order of the City Council of April 29, 1940, which reads as follows:

"Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to inform the City Council what authority, if any, the city has to regulate, control or limit the erection or location of billboards in the City of Boston."

The regulation of billboards throughout the state has been placed by the Legislature under the control of the State Department of Public Works by General Laws, chapter 93, sections 29 to 33, inclusive.

By section 29 of that chapter the general authority is given to the department to establish rules and regulations for the proper control and restrictions of billboards and to require licenses for the same, and acting under that authority the State Department of Public Works has adopted a very comprehensive set of Rules and Regulations for the control and restriction of billboards throughout the state.

The section also provides that cities and towns may further regulate and restrict billboards within their limits by ordinance or by-law not inconsistent with said regulations.

It appears, therefore, that the City Council has the power to regulate and restrict billboards, provided that such regulation does not conflict with the statutes or the regulations of the Public Works Department.

Respectfully,
W. J. DOYLE,
Acting Corporation Counsel.

Placed on file.

RESCISSION OF AUTHORITY TO BORROW.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I submit for your consideration the attached order providing that authority granted on September 29, 1938, to borrow \$265,000 for a P. W. A. project involving the reconstruction and repair of certain bridges be limited to \$145,000, the amount which has been actually borrowed to date by the city for this project. Approval by your Honorable Body of this order will result in the rescinding or cancellation of \$120,000 of the original authorization. Due to the receipt by the city of Federal grants, there will be no need to borrow any further amounts for this project. Approval of the accompanying order will thus serve to remove from the financial records of the city this excess and unnecessary borrowing power.

Respectfully,
MAURICE J. TOBIN, Mayor.

Ordered, That the right to borrow money for Bridges, Reconstruction and Repair of, under authority of chapter 366 of 1933, as amended, ap-

proved by the Mayor on September 29, 1938, be limited to \$145,000, and that the authorization to borrow in excess of said amount for said purposes be, and the same hereby is, rescinded.

Referred to Committee on Finance.

CONDITION OF PIPES IN STREETS.

The following was received:

City of Boston,
Office of the Mayor, May 13, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Public Works Commissioner relative to your order of April 15, 1940, concerning what tests, if any, are or can be made of sewer, water and other pipes to determine whether or not they are in need of repair, while streets are dug up for construction or resurfacing, in order that reopening and consequent impairment of such streets may be subsequently avoided.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Public Works Department,
May 6, 1940.

William T. Doyle,
Chief Clerk, Mayor's Office.

Dear Sir,—This is in reference to the following order that was passed in the City Council on April 15:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to inform the City Council what tests, if any, are or can be made of sewer, water and other pipes to determine whether or not they are in need of repair, while streets are dug up for construction or resurfacing, in order that reopening and consequent impairment of such streets may be subsequently avoided."

There are no tests that can be made to determine the condition of sub-surface structures, without making the necessary excavation to expose the particular structure.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

TRAFFIC LIGHTS, WARD 3.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of May 6, 1940, concerning the installation of traffic lights at the corner of Harrison avenue and Broadway, Ward 3.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, May 14, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—This is in reply to Council order dated May 6, 1940, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic lights at the corner of Harrison avenue and Broadway, Ward 3."

There are no funds available to this commission at the present time for the installation of traffic signals.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

SPOTLIGHT, CENTRE STREET, WARD 20.

The following was received:

City of Boston,
Office of the Mayor, May 20, 1940.
To the City Council.

Gentlemen,—I transmit herewith letter from the Traffic Commissioner relative to your order of April 29, 1940, concerning the installation of a spotlight in front of St. Theresa's Church on Centre street, Ward 20, for the safety of the traffic officer.

Respectfully,
MAURICE J. TOBIN, Mayor.

City of Boston,
Traffic Commission, May 14, 1940.
Hon. Maurice J. Tobin,
Mayor of Boston.

Dear Mr. Mayor,—This is in reply to Council order dated April 29, 1940, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install a spotlight in front of St. Theresa's Church on Centre street, Ward 20, for the safety of the traffic officer."

A similar request was made in a letter of January 9, 1939, from L. M. Sprague, Secretary, West Roxbury Catholic Club, Inc., and a previous request was also received from Councilor Theodore F. Lyons.

At that time one of the engineers of this commission viewed the area and discussed the proposition with Rev. William Lyons, Pastor of St.

Theresa's Church, and it was the opinion of the Pastor that there was no urgent need of a spotlight; that the area was especially well lighted and he did not believe the city should assume such an expense at this time. Father Lyons further thought that the erection of a spotlight pole would detract from the appearance of the street in front of the entrance to the church edifice.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Associates Discount Company and Ray Aronson, for compensation for damage to truck by city truck.

Mrs. Walter C. Ahern, for compensation for damage to dress caused by an alleged defect in Washington street.

Louis E. Kirstein, Vice President.
Miss Elizabeth B. Brockunier, Clerk.
Placed on file.

OLD BROOKLINE RESERVOIR.

A communication was received from the town of Brookline, terminating on March 29, 1941, the city's rights in the Old Brookline Reservoir reserved under the deed of sale dated July 20, 1903.
Placed on file.

APPOINTMENTS BY THE MAYOR.

Notice was received of the following appointments by the Mayor:

Guy W. Cox, 400 Commonwealth avenue, to be member of Board of Commissioners of Sinking Funds, for term ending April 30, 1943.

Frederic A. Dakin, 11 Ardmore road, West Roxbury, to be member of Board of Commissioners of Sinking Funds, for term ending April 30, 1943.
Severally placed on file.

APPROVAL OF CONSTABLES' BONDS.

The bonds of the following-named constables, having been duly approved by the City Treasurer, were received and approved, viz.:

David Belson, Eugene Blinn, Milton Jacob Bronstein, William H. Cufflin, Jr., Henry G. Dahquist, Harry Greenbaum, Richard Hegarty, Anthony Luongo, Isie Martin, William P. Miles, John J. Miller, Edward Ober, Michael W. Ober, Bert Oppenheim, Myers Rosenberg, Sidney J. Sheinfeld, Leon Small, Francis J. Tobin, Aber Uckerman.

MINORS' LICENSES.

Applications for minors' licenses were received from twenty-eight newsboys and three bootblacks. Approved under the usual conditions.

APPROPRIATIONS FOR PUBLIC WELFARE, SOLDIERS' BENEFITS AND RELIEF PROJECTS.

President GALVIN called up, under unfinished business, Nos. 4 and 5 on the calendar.

Coun. FISH—Mr. President, I trust that these orders may be called up separately.

No. 4 was called up, viz.:

4. Ordered, That under the provisions of chapter 72 of the Acts of 1939 the sum of \$4,170,000 be, and hereby is, appropriated for Public Welfare, Soldiers' Benefits and Federal Emergency Unemployment Relief Projects, to be used for meeting appropriations heretofore made, and that the City Treasurer be authorized to issue, from time to time, upon request of the Mayor, bonds or certificates of indebtedness of the city to said amount, the same to be issued outside the debt limit.

On May 6, 1940, the foregoing order was read once and passed, yeas 18, nays 0.

The question came on the final reading and passage of the order.

The order was given its final reading and passage, yeas 21, nays 0.

LOAN FOR FUNDING OVERLAY DEFICITS.

President GALVIN called up, under unfinished business, No. 5 on the calendar, viz.:

5. Ordered, That under the provisions of chapter 235 of the Acts of 1938 the sum of one million dollars be, and hereby is, appropriated, to be used for the funding of overlay deficits and other items, and that the City Treasurer be authorized to issue, from time to time, upon request of the Mayor, bonds or certificates of indebtedness of the city on said amount.

On May 6, 1940, the foregoing order was read once and passed, yeas 18, nays 0.

The question came on giving the order its final reading and passage.

Coun. FISH—Mr. President, my reason for wanting to separate those two loan orders is because No. 5, a loan order for one million dollars, directly benefits property owners in certain

wealthy sections of this city, who obtain abatements from the Tax Appeals Board. I think I have voted for \$11,333,000 for overlays, because of such action, in recent years, up to 1937. There has been such a mad rush, like a gold rush, for such taxpayers to benefit in that way through the State Board of Tax Appeals, that the Legislature had to pass a law authorizing the City of Boston to borrow \$9,000,000 more. We have already authorized the issuing of bonds for \$8,000,000. Personally I voted for it, but at the time we had not had sufficient opportunity to find out who was getting these abatements. I see by an article in the papers that this matter of abatements is now under probe in Worcester, and a portion of the article states that Tax Commissioner Long has said that public office holders or the public in general are not entitled to find out further who are getting the abatements. Since this money is to be used for that purpose, I think we should hold the order up until we at least have the privilege of finding out who are getting the abatements. It cannot be denied that one bank alone in Boston has received more in abatements than ten complete wards. Also, as Councilor Wilson brought out last year, \$7,000,000 in abatements have gone to Commonwealth avenue alone. I believe we are entitled to find out who the gentlemen are who are getting them, and I would, therefore, ask that this be held up for the time being.

The order was referred to the Executive Committee.

CONFIRMATION OF EXECUTIVE APPOINTMENTS.

President GALVIN called up, under unfinished business, Nos. 1, 2 and 3 on the calendar, viz.:

1. Action on appointment submitted by the Mayor May 6, 1940, of Dennis P. Glynn, to be a Constable without authority to serve civil process and to serve without bond.

2. Action on appointments submitted by the Mayor May 6, 1940, of Samuel Creidenberg, Charles B. Broad, George W. Pierce and Samuel Semiansky, to be Constables authorized to serve civil process upon filing bonds.

3. Action on appointments submitted by the Mayor May 6, 1940, of Theodore W. Combs, to be a Weigher of Coal; and John T. Shanahan, John Lowney and Philip H. Sheridan, to be Weighers of Goods.

The question came on confirmation of the appointments. Committee, Coun. Lyons and Fish. Whole number of ballots 17; yeas 16, nays 1, and the appointments were confirmed.

SUPPORT OF PREPAREDNESS.

Coun. M. H. SULLIVAN offered the following:

Whereas, Possibly the greatest crises in the history of this generation now threatens the domestic peace and tranquility of the United States; and

Whereas, Definite action should immediately be taken to assure 100 per cent preparedness against the invasion of any foreign foe or combine of foes; therefore, be it

Resolved, That the Boston City Council hereby petitions the Massachusetts delegation in Washington to accord their united support to the request of the President of the United States for a preparedness appropriation for the defense of our country.

The question came on the passage of the resolution.

Coun. M. H. SULLIVAN—Mr. President, when I was a school boy I learned that even a wild animal would not attack a weaker or infirm animal except under provocation, and that it would not attack a sleeping man, that there was a certain chivalry shown even by such animals. But such a rule of conduct does not apply today in international affairs, by either the Beast of Berlin or the Monster of Moscow, as shown by their attitude toward weaker nations and neutrals on the other side of the water. I think it is the sentiment of every American that if civilization is to continue the forces of law and order must prevail against those two international gangsters who are disturbing the peace of the world. I believe the President of the United States has already proved himself to be an outstanding statesman, and that the American people should rally to the support of the defence program that he presented the other day. I believe that this nation must positively take steps to protect itself from trouble from any European quarter. Certainly the appropriation asked for by the President should be granted. It is a splendid insurance policy against any foreign foe or combination of foes. Having in mind the victims of the World War, we should be all the more ready at this time to take steps which will prevent a repetition of what then occurred. This will be an insurance policy against that sort of thing, the best possible step to keep our nation out of war and to have America properly defended against such aggressor nations as we now see in Europe. I trust, therefore, that every member of the Body will vote for these resolutions, which merely indorse a 100 per cent preparedness against invasion by foreign foes, or a combination of foes, thereby helping to keep America free.

The resolutions were passed.

CRITICISM OF SPORTS WRITER.

Coun. HURLEY—Mr. President, I rise to a question of privilege.

President GALVIN—If there is no objection, the gentleman may proceed.

Coun. HURLEY—Mr. President, on May 16 an article appeared in one of our daily papers headed "Grafters Hurt City Progress; Stand Against Wholesale Stadium Proposal." You gentlemen of the Council know that I am heartily in favor of a municipal stadium, although I would not stand out as an unyielding partisan of a stadium if it is thought that something else might better meet the needs of our young people and our citizens, such as a recreation center. But when Tom Linehan of South Boston is attacked, as he has been attacked by this sports writer, I wish to say that I resent such an attack upon one of the finest, most upright and conscientious men who have been elected to the City Council. I think this article is very unfair, a newspaper writer taking advantage of his position to attack Tom Linehan, and I believe the Council should go on record as being opposed to such articles appearing in the Boston papers, without mentioning names, but clearly attacking an individual member of this Body. We should certainly resent such attempts to place an honorable and high-minded member of this Body in such a light.

Coun. LINEHAN—Mr. President, I ask unanimous consent to make a statement. (No objection.) On April 15 of this year I took the floor of this Council in regard to the proposed use of the White Fund for recreational centers. As you know, the gentleman from Ward 6 (Coun. Scannell) and myself have on several occasions introduced orders and resolutions into the Body on this same subject matter. On that particular day I dwelt on an article in a local paper, which my good friend from Ward 8 (Coun. Hurley) has referred to, and I want to say at this time that I wish to thank him for the fine things he has said about me. As I say, a month ago, I happened to refer to an article that appeared in a newspaper of this city by the sports writer who has been referred to. At the time I said absolutely nothing against his ability, his character or reputation. I merely suggested how White Fund money might be spent. I did not say that the money should not be spent for a stadium. I said that the money should be spent for recreational centers, but not that it might not be spent for a stadium. I did not speak against the use of the money in any way that would advance recreational facilities, and such facilities would probably include a stadium. But this writer has since written three different articles which, by innuendo or inference, if you wish to put it that way, have been aimed at me. I have been advised that I should not get the press against me, that I should keep quiet, and I have kept quiet until this past week. And now, what do we find? There came out on the sixteenth of the month this article that has been referred to by my colleagues, with it innuendoes and insinuations or inferences. In the article this gentleman says that "Grafters hurt city progress," and he goes on to say: "We have the correlation in this land in matters of government, especially in matters of state and municipal government, where too often, instead of actual service rendered honestly, unselfishly and unswervingly, our elected gentry wrangle offices through hypocritical oratory, flowery promises, phoney appeals to the poor, and then proceed to feather the nest of themselves, their relatives, friends and meal-mates under the great banner of freedom."

Then he goes on further, and says: "A municipal stadium with me is frankly an ultimate dream. I don't really expect to see one, because my conception of one doesn't offer enough in the direction of plunder. My idea is one that wouldn't cost the city a cent, but likewise one that would offer no predatory politician any chance to get his hooks in."

Then he goes on to say: "The land would be a piece already owned by the city, therefore costing nothing, and the maintenance would be easily taken care of from a percentage of the gate receipts, when the property was let to colleges and other sports promoters, for the holding of their contests."

I might say right here and now that, as far back as I can remember, I don't know of any sport event that could not be taken care of in our local parks, or in some other way, unless it is one that is running in the red and that is about ready to wind up. He then goes on to say:

"Holding what amounts to a minor public quarrel between a sports writer, a feeble but raucous scattering of pip-squeak politicians and their misinformed constituents over a matter of public interest is not only slightly ridiculous, but is a lot of waste motion."

He goes on to say that in his opinion we should not have any elected office holders sitting on such a board as the George Robert White Fund. In saying that I am going to assume that he is against such a board, because he feels that there is not any politician who can be honest. Might I say at this time that I have served for two terms in the Legislature, and that I am now serving a term in the City Council, and in my five years of public service and in my thirty-five years of life in Boston, where I was born and brought up, no suggestion of graft has ever been associated with my name, and I am certainly willing to stake my life against that of the gentleman who wrote this article. I might add that in my experience

in life, in politics and otherwise, I have found as many honest and decent men in public office as in any other position in life. It might also be interesting to see what another sports writer thinks of this man, by quoting his statement in another publication:

"Hi Yo Seel-vah is making a loud holler because Tom Yawkey plucked Doherty out of Providence for the publicity job and in the process overlooked the fact that three former members of the Baseball Writers' Association were trudging the streets. He would have a right to speak his piece on the matter, except that (1) his name is not Yawkey; (2) he is a couple of bucks short of having \$19,000,000; (3) he does not own the Red Sox; and (4) he himself arrived in Boston via Dallas, Texas, and Hanover, N. H., at a time when several sports writers were doing the heel-and-toe from shop to shop. Except in these minor details however, he is as correct and as authoritative as usual, and now he has permission to retire to his municipal stadium and his left-handed golf tournament."

I might also refer to the fact that this same writer has stated in the past that under our city officials Boston had not only the best parks and playgrounds in America, but in the world, and yet, my goodness, he says here on May 16 that the public officials at the head of our park and playground system are not maintaining the playgrounds in proper condition. Just a little inconsistent. He also adds in his May 16 article:

"I don't intend to keep tilting indefinitely with this particular windmill, and being a newspaper man, I am not going to take the floor in person to do any pleading before any commission or in any public hearing that may possibly be ordered. This is my particular bench, and I intend to stick to it, but to date I have not seen or heard one argument against a municipal stadium that made any sense, and I have seen a lot of things such as Dartmouth's recent cancellation of next year's football game with Georgia, 'because of lack of a suitable field,' which built exactly into the stadium idea. Speaking of South Boston, that would be my personal choice for a stadium's location, and the business it would bring piling into such a community would be eminently worth that region's attention."

I just want to close with a few words. Probably after today I will not be able to say anything in the Council, as I understand that he weighs twice as much as I do, but I am willing to meet him face to face and discuss the matter.

Coun. COFFEY—With a bat!

Coun. LINEHAN—In any way he sees fit. But there is this much about it. I have been told not to get into a controversy with a local newspaper man. However, that does not carry any weight with me. When I do not agree with what has been said about me or anybody else, I intend to say so. I have been told that I should sit down and keep quiet. Personally, I never could do that, and I don't think I ever will. When I replied a month ago to Bill Cunningham, one of the old timers here said to me, "For God's sake, don't say anything against a local newspaper man," but when such a man comes out with these articles, attacking your reputation or mine, I say it is about time to speak up.

Coun. WARD—Mr. President, I think in this article no member of the City Council is referred to. I think the ones referred to are possibly the President of the Bar Association, Oscar Hausermann, the President of the Chamber of Commerce, the City Auditor, or the present Mayor. They are the only ones referred to, apparently, and I think they should defend themselves.

Coun. LINEHAN—Mr. President, I am very thankful to the gentleman from Brighton for reminding me of that fact, but I simply say to him that I am standing here today not only to defend myself and members of the Council, including the President of our Body, but also other officials and representative men of the community who have been attacked by this writer. I am always glad to stand here and defend the reputation and character of the Mayor of Boston, for instance, as well as the other gentlemen who are members of this Board of Trustees, of which the Mayor is the head, although they are probably able to defend themselves. If they do not mind, however, I will add a little word of defence of them. I hope the time will never come in this Council or in any other public body, when such men are attacked, when there is not somebody who will rise in their defence. When such a man says that such individuals are wrong, when you know they are right, certainly you should rise in your place and defend them. In such cases, let us speak our piece. I want to say in conclusion that for the life of me I cannot understand why the gentleman should write such articles after the decision of the Probate Court, which said definitely that the George Robert White Fund could be spent for youth centers. I should suppose that when that is brought to his attention, he would naturally say, "Gosh! that is a court record!" But, nevertheless, he has gone on with these four articles, saying this and that, and insulting those who do not agree with him. I have let them pass until I thought that the time had now come when I should get up and say something about the matter, in answer to these unwarranted attacks. I hope I will not be considered a nuisance, but when these untrue things appear in the public press and when I and others are referred to as grafters, I cannot sit here quietly. I am an attorney, and these statements, if unanswered, might hurt my reputation among those who do not know me. Cer-

tainly I cannot by my silence admit that I am a grafter. Of course, if the writer or any of his friends prove that I am a grafter, I will apologize to Bill Cunningham.

BOAT TIE-UPS AT MERIDIAN BRIDGE.

Coun. COFFEY offered the following:

Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to discontinue the granting of permits allowing boats to tie up at the Chelsea Meridian Bridge for an indefinite period of time.

Coun. COFFEY—Mr. President, this order is introduced because of the granting of permits which allow boats to be tied up at the Chelsea Meridian Bridge sometimes for a week or ten days, at times interfering with vessels coming through the bridge. A year or two ago we did have action taken removing them, but they afterwards obtained permission to tie up at the bridge, where they are a menace to navigation. I have introduced this order, so that, if possible, such permits will not be issued in the future.

The order was passed under suspension of the rule.

EAST BOSTON RELIEF STATION.

Coun. COFFEY offered the following:

Ordered, That the Trustees of the Boston City Hospital be requested, through his Honor the Mayor, to immediately reopen the East Boston Relief Station on a twenty-four-hour a day basis.

Coun. COFFEY—Mr. President, three years ago last March, the Mayor saw fit to close up the East Boston Relief Station that had been operating since 1924. Last year at a banquet in East Boston on Knights of Columbus Day, the Mayor said that he had made a mistake in closing the East Boston Relief Station, and said that as a result, he would reopen this station. Of course, it was nothing but a political play, but that is what the Mayor said. Eight hundred or nine hundred people attending the banquet heard him when he said at that time that he had made a mistake, and that he was going to rectify it. So people in my ward thought that the old Relief Station and the way that it used to operate, was coming back. At the first of the year he did re-open the Relief Station for a part of the day, but it seems that a man who was an usher at the old Howard is now acting as a doctor. And they have boarded up the entire first floor, are simply keeping it open from ten o'clock in the morning until six o'clock in the evening, and there is nothing suggesting a real hospital about it. It was previously open on a twenty-four-hour basis, and children could go in there and be treated before they went to school. Now people cannot be treated there if it is really a serious accident. If it is really a bad case, they have to go to their doctor or be sent to the Boston City Hospital. The fact is that the Mayor made a promise and has not kept it, and he made that promise at a banquet in late October, in the East Boston High School, in the presence of eight hundred or nine hundred people. It is simply being carried on as a sort of clinic for minor cases, even in the time that it is open. As proof of that I need only refer to two firemen who were injured in a fire at Green's furniture store, and they were brought to the Relief Station at five minutes past six, and it was closed. They could not get into it, and had to be carried to the City Hospital. I say to the Mayor that he should keep his word that he was going to re-open that hospital, a promise made in the presence of many residents of the East Boston district. I have, therefore, introduced this order, that the Trustees of the Boston City Hospital be requested, through His Honor the Mayor, to immediately re-open the East Boston Relief Station on a twenty-four-hour a day basis, and I trust that it will pass.

The order was passed under suspension of the rule.

DEMOCRATIC CORPORATION COUNSEL.

Coun. COFFEY offered the following:

Ordered, That his Honor the Mayor be requested to consider the advisability of appointing a Democrat as Corporation Counsel when filling this vacancy, and to do so immediately.

Coun. COFFEY—Mr. President, the reason why I have introduced this order is because I am under the same impression as many others, that Henry Parkman has simply resigned as Corporation Counsel temporarily, in order that he may conduct his campaign for the United States Senate, that he will be snowed under in the election and that his job as Corporation Counsel, which is being held open, and from which he receives \$10,000 a year, will be given back to him. That is the reason why I have introduced the order, and I trust that it will be passed under suspension of the rule.

The order was passed under suspension of the rule.

ASSIGNING OF JOBS AT SUFFOLK DOWNS RACE TRACK.

Coun. COFFEY offered the following:

Ordered, That the Attorney-General be requested, through his Honor the Mayor, to in-

investigate the assigning of jobs at the Suffolk Downs race track, East Boston, by the Racing Commission and the Governor's office.

Coun. COFFEY—Mr. President, I have had occasion to go down to the Suffolk Downs race track quite a bit recently, and there is a situation there in the matter of assignment of jobs that certainly demands investigation. Last year I received five jobs there as a member of the Legislature. This year, holding an additional public office, I might expect to receive at least ten jobs, twenty jobs being given last year to East Boston, and the representatives of East Boston being given some consideration in the matter. But we now find out that there is a different situation, so far as the policy of the Racing Commission and the Governor's office is concerned. We find out that the Governor is going to step in and take charge in the matter of assigning jobs there, with the result that I am given no jobs this year, and I understand that only three are going to the district.

The order was passed under suspension of the rule.

OUTSIDE EMPLOYMENT AT SUFFOLK DOWNS RACE TRACK.

Coun. COFFEY offered the following:

Resolved, That the Boston City Council hereby protests to the Massachusetts Racing Commission against allowing the employment of persons from outside of Massachusetts at the Suffolk Downs race track in East Boston; and be it further

Resolved, That a copy of this resolution be forwarded to the Massachusetts Racing Commission.

Coun. COFFEY—Mr. President, at eight o'clock this morning I got up and went down to the race track. The roll call for those going to be employed this week took place this morning at ten o'clock. Incidentally, I took note of the cars that drove in there and of the occupants as they got out, averaging two and one half for each car. They parked their cars and got out and walked to the place where the roll call was made. There were thirty-five cars from Rhode Island and New Hampshire, and a car from Connecticut, and there were thirty-two cars from Florida. Those who came down there included Judge Dooley's son, and those were the people who got the jobs. I have here the registration numbers of the cars, which I took down. Remember, I only checked on the grand stand. I did not check on the stable or the club house; and in the crowd and interesting themselves in the matter, were Earl Gibson, Mort Mahoney, and Dooley. Their plan has been to recognize key men, and there were certain men in the Legislature who have been recognized as key men; but now representative men outside the state and outside of New England are being recognized, Congressmen and others. I know whereof I speak. As a matter of fact, 375 of the 1,000 employees come from outside the state, in violation of the law requiring 85 per cent to be Massachusetts citizens. And so, when there is another roll call, I would like to take men from the gallery here, or elsewhere in the City of Boston, down to Suffolk Downs and make them "key men." Let us get more jobs for Boston and Massachusetts men, and don't give at least 200 jobs to Southerners. It is certainly a violation of the law which requires 85 per cent of the employees to be Massachusetts citizens; and there are not only Southerners there, but many who come from Rhode Island and New Hampshire and other parts of New England. At least 75 of them are from New Hampshire. Conditions are bad, Mr. President, and therefore I protest. I have made a protest to the American Legion and if they and others will fight with me we can go over there with a Massachusetts voters' list and check up in regard to the assignment of these jobs. This is not a new matter to me. I introduced into the Legislature last year a bill in regard to this matter, and I have been fighting right along to get decent treatment for Boston and Massachusetts men at this track. Next week I will introduce an order asking that we get convicted narcotic and drug peddlers doing business at Suffolk Downs and making a big rake-off. It is about time that something was done about these things, Mr. President. And there should be an investigation in regard to what they are doing with the horses. I say that when 800 jobs are supposed to go to Massachusetts men, and when they are given to these people outside the state and from the South, and East Boston is getting only three jobs out of the whole number, something should be done. If the men up here in the balcony want to join me, we can have a good deal of fun if we go over there and check up on the fact that they are taking on outsiders and neglecting the people of this city and state.

The resolution was passed under suspension of the rule.

MEETINGS OF COUNCIL.

Coun. COFFEY offered the following:

Ordered, That the Committee on Rules be requested to amend Rule 1 of the Rules of City Council by striking out the words "Unless otherwise ordered from time to time" so that the first sentence will read, "The regular meeting of the City Council shall be held on every Monday at two o'clock p. m."

Coun. COFFEY—Mr. President, I will not be very long on this order. The reason why I have

introduced the order is that it seems to me every time when we have a meeting of the Council there is an attempt to adjourn over for two weeks, giving the Mayor a chance to take a vacation. I believe we should meet every Monday so that the Mayor can put his Cook's travel book away and attend to the affairs of the City of Boston. He gets a pretty good salary, and should attend to business. The order was referred to the Committee on Rules.

BURIAL OF RELATIVES OF WORLD WAR VETERANS.

Coun. WARD offered the following:

Ordered, That the original order by Councilor Donoghue, passed on May 10, 1920, authorizing the Board of Cemetery Trustees to set aside a suitable lot, now known as World War Veterans' Lot in Mount Hope Cemetery, to be used for the burial of residents of Boston who were veterans of the World War, be amended to include the burial of the body of a widow, father, mother, or dependent child under eighteen years of age in the same grave with the veteran and in the above order of priority, unless the veteran shall, previous to his demise, specify in writing his preference. In the event that the wife pre-deceases the veteran permission may be given to bury the body of the wife in the same grave with the veteran after his death and burial in the World War Veterans' Lot at Mount Hope Cemetery. Provided that all such persons to be buried in said cemetery were residents of Boston at the time of decease.

Referred to Committee on Soldiers' Relief.

TRANSFER OF UNUSED BENCHES.

Coun. WARD offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to transfer all unused benches in Franklin Park to the Park Center on Commonwealth avenue.

Passed under suspension of the rule.

DANBURY ROAD, WARD 18.

Coun. GOODE offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out Danbury road, Ward 18, as a public highway, under the W. P. A. plan of construction.

Passed under suspension of the rule.

TENNIS COURTS, ALMONT STREET PLAYGROUND.

Coun. GOODE offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to place in suitable condition the tennis courts on the Almont Street Playground in the Mattapan section of Ward 18.

Passed under suspension of the rule.

WARD 17 TENNIS COURTS.

Coun. WICKES offered the following:

Ordered, That the Park Department, through his Honor the Mayor, be requested to place tennis nets for each tennis court in the Dorchester Park, in Ward 17.

Ordered, That the Park Department, through his Honor the Mayor, be requested to supply tennis equipment for the Roberts Field, also quoits for the same field, in Ward 17.

Severally passed under suspension of the rule.

SALUTE OF FLAG BY TEACHERS AND SCHOOL CHILDREN.

Coun. WICKES offered the following:

Ordered, That the Boston School Committee be requested, through his Honor the Mayor, to instruct all teachers and children attending the Boston public schools to salute the flag of our country, and to pledge allegiance to said flag at some time during school hours every schoolday of the year.

Passed under suspension of the rule.

SIDEWALK CONSTRUCTION, WARD 19.

Coun. LANGAN offered the following:

Ordered, That the Public Works Commissioner, through his Honor the Mayor, be requested to construct sidewalks on Brewer street, Eliot street, Hubbard street, Enfield street, Chestnut avenue, all Ward 19, under the W. P. A. plan of construction.

Passed under suspension of the rule.

JAMES McHUGH SQUARE.

Coun. LANGAN offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to

name the square formed by the intersection of Bournedale road, Bourne street, Northbourne road, the James McHugh square, in honor of James McHugh who has attained national recognition and prominence in the profession of music writing.

Referred to Executive Committee.

SIDEWALKS, FREEPORT STREET, WARD 16.

Coun. FISH offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to install black surface sidewalks on both sides of Freeport street, Ward 16, from the Old Colony Boulevard to Neponset avenue, as a W. P. A. project.

Passed under suspension of the rule.

BUSES TO CARSON BEACH, SOUTH BOSTON.

Coun. GOTTLIEB offered the following:

Ordered, That the trustees of the Boston Elevated Railway be requested, through his Honor the Mayor, to immediately start the operation of buses on summer schedule from the junction of Morton street and Blue Hill avenue to Carson Beach, South Boston.

Passed under suspension of the rule.

HEALTH CENTER, WARD 14.

Coun. GOTTLIEB offered the following:

Ordered, That the trustees of the George Robert White Fund be requested, through his Honor the Mayor, to establish a health center in Ward 14, the expense of same to be met from the income of said fund.

Passed under suspension of the rule.

SALARIES OF HOUSING AUTHORITY EMPLOYEES.

Coun. GOTTLIEB offered the following:

Ordered, That the chairman of the Boston Housing Authority be requested, through his Honor the Mayor, to furnish the City Council with the names, addresses and respective salaries of all employees of the Boston Housing Authority.

Passed under suspension of the rule.

MARYLAND STREET, WARD 13.

Coun. HUTCHINSON offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface Maryland street, Ward 13, as a W. P. A. project.

Passed under suspension of the rule.

RESURFACING WARD 15 STREETS.

Coun. KELLY offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface Stonehurst street, Speedwell street and Norton street, Ward 15, under the W. P. A. plan of construction.

Passed under suspension of the rule.

EASTERN RACING ASSOCIATION TAX ABATEMENT.

Coun. TAYLOR offered the following:

Ordered, That the Board of Assessors be requested, through his Honor the Mayor, to refuse to grant the Eastern Racing Association any tax abatement on their race track property located in East Boston.

Coun. TAYLOR—Mr. President, beginning today Suffolk Downs will start its annual assault on the pocketbooks of the public of Boston, and, not only that, but it is an attack which takes away money from the pockets of those people least able to afford it. They also take it away from the legitimate merchants of the City of Boston, and as long as this sort of thing goes on in this vicinity, the merchants of the City of Boston are going to continue to be in the depression. Notwithstanding the fact that this great racing association, which is owned by wealthy men of this community, is making a very large amount of money each year in proportion to the investment and the time they have put in, they have, nevertheless, requested the City of Boston to grant them an abatement on the magnificent structures they have erected. These gentlemen receive from the state a license to do business, running the horse racing game. They have a monopoly of that in Massachusetts, they have no competition whatsoever. They charge their own prices, and they receive whatever they desire, and they give whatever purses they want, as far as the horse racing people are concerned. They are not, however, satisfied with the profits they

make; they are not satisfied with the monopoly they receive from the state; but they even go so far as to say that Boston is not entitled to receive its proper due in the matter of taxes, and ask the assessors of the City of Boston to grant them an abatement. There is in that particular lot 460,000 to 800,000 square feet of land, on which they have erected expensive buildings and a fine plant, and the assessors of the City of Boston have assessed the land and buildings in the sum of \$1,788,000. The buildings cost them \$979,000, in accordance with their own admission in their application to the State Tax Appeals Board for an abatement. On their own admission, mind you, they say that the buildings cost them \$979,000, but when they make an appeal to the Tax Appeals Board they say that the buildings are worth \$913,000. The Assessing Department of the city have, I believe, assessed that property at a fair value, taking into consideration the assessment that the city of Revere has placed on their unimproved land in that particular area. But these gentlemen, some of whom are also connected with taxpayer organizations, come in here, in many cases from outside communities, and clamor for a reduction in the tax rate, so that they may be relieved of a burden, and then come in here and ask you to cut the salaries of the officials of the City of Boston in order to reduce the tax rate. That is, on the one hand they are trying to reduce the taxes upon which we rely to run the City of Boston, and on the other hand they are taking the inconsistent position of asking the Board of Assessors to grant them an abatement on property on which they are receiving a very large income. If they do not receive that consideration from our Board of Assessors, they will then go to the Tax Appeals Board of the state and ask them to grant an abatement. That is the sort of thing that I am seeking to prevent. I am also seeking to prevent action by the State Board of Appeals along the line of abatements of this kind. But I am afraid that we may not get the results we should from the Commonwealth of Massachusetts, which has always in the past been favorable to the race track interests, the Legislature having passed the legislation under which the race track owners may receive every possible benefit. I am afraid that the Tax Appeals Board, who come under the supervision of the Governor and his officials, may influence the action of State House officials in granting these requested abatements. It would seem, if they care to be fair and decent, that they would give assistance to the small home owners in the City of Boston, who are struggling to pay their tax bills today, rather than to these people who, year in and year out, are making millions on a small investment, and who are working a comparatively little time. I believe this order should be sent to the Executive, so that we might ask members of the Board of Assessors to appear before us, and furnish us with certain information in regard to appeals made by the Eastern Racing Association for tax abatements.

Coun. FISH—Mr. President, the councilor from Ward 12 pointed out just exactly the way in which this State Board of Tax Appeals works, as I happen to know. I am familiar with abatements that have been granted by the State Board for three consecutive years. I happen to know about the abatements that have been granted by the State Board at the Revere dog track, which is very near Suffolk Downs, for the past three years. While it has nothing to do with Boston, it is very interesting. In 1935, 1936 and 1937 the assessors of Revere levied an assessment of \$600,000 on the track, and in the following year the Board of Appeals knocked it down to \$400,000. I am with the councilor's order, and I hope that he wins.

The order was referred to the Executive Committee.

STEDMAN STREET, WARD 11.

Coun. ENGLERT offered the following:
Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out Stedman street, Ward 11, as a public highway under the W. P. A. plan of construction.

Passed under suspension of the rule.

INVITATION TO CHARLES F. RITTENHOUSE.

Coun. CAREY offered the following:
Ordered, That the Executive Committee of the City Council be requested to invite Mr. Charles F. Rittenhouse, accountant at 1 Federal street, Boston, to appear before said committee at its next meeting and substantiate the charge made by him before the Eastern Massachusetts Home Economics Association that the City Council will not cooperate with the Mayor of Boston.

Coun. CAREY—Mr. President, the daily papers on Saturday last carried an account of an address made before the Eastern Massachusetts Home Economics Association by one Charles F. Rittenhouse, a Boston accountant, whose business address is at No. 1 Federal street, but who lives in Newton Centre, dealing with the Boston financial situation. I quote from an extract of the speech he made, printed in the newspaper, as follows:

"Mayor Tobin, for whom I have the utmost respect, is honest and sincere, and he is doing the best job he can. I have worked with him on the financial side, and I know that he has a City Council that will not cooperate."

Evidently Mr. Rittenhouse is not very well acquainted with the action that has been taken in this Council in the past two years. The statement made by this man is most unjustifiable, and nothing could be further from the truth. I hesitate to believe that he was speaking for Mayor Tobin when he uttered his statement. I, along with some eleven others of the present Council, have been a member of the Body since Mayor Tobin took office, and nobody can say that the Mayor has been given anything but 100 per cent cooperation in his efforts to save money and reduce the tax rate. And nobody can say that the present Body has done other than work 100 per cent with the Mayor. The statement of the gentleman cannot be permitted to go unchallenged, and while my order invites Mr. Rittenhouse to appear before the Council, I feel that in fairness to this Body I should put more emphasis on it, and say that we demand that he come before us and substantiate his remarks. Certainly, we have done everything possible to cooperate with the Mayor in reducing the tax rate of the city.

Coun. TAYLOR—Mr. President, I too read that newspaper item, and I was surprised at it, in view of the fact that we have tried on every possible occasion to cooperate with Mayor Tobin in dealing with the finances of the City of Boston. We have certainly done everything that we could do along that line.

The order was passed under suspension of the rule.

SIDEWALKS FOR WARD 9 STREETS.

Coun. D. F. SULLIVAN offered the following:
Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to construct sidewalks along the following-named streets in Ward 9 under the W. P. A. plan of construction:

Dudley street, from Eliot square to Washington street; Juniper street, Thornton street, from Guild to Cedar street; Rockledge street, Linwood street, Linwood square, Dorr street.

Passed under suspension of the rule.

RECONSTRUCTION OF WARD 9 STREETS.

Coun. D. F. SULLIVAN offered the following:
Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to resurface with smooth pavement the following-named streets in Ward 9 under the W. P. A. plan of construction:

Highland avenue, Logan street, Kenilworth street, Norfolk street, Marvin street, Simmons street.

Passed under suspension of the rule.

RESURFACING OF MASSACHUSETTS AVENUE AND TREMONT STREET, WARD 9.

Coun. D. F. SULLIVAN offered the following:
Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to resurface with smooth pavement Massachusetts avenue, from Washington street to Columbus avenue, Ward 9, under the W. P. A. plan of construction; and be it further

Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to repave Tremont street, from Massachusetts avenue to Roxbury Crossing, at once, due to heavy traffic conditions.

Passed under suspension of the rule.

APPOINTMENT OF TEMPORARY HELP.

Coun. HURLEY offered the following:
Ordered, That the President of the Boston City Council be authorized to appoint temporary help to the position of Assistant City Messenger until the position is filled permanently.

Referred to Executive Committee.

ACCEPTANCE OF LOVEDEED COURT, WARD 8.

Coun. HURLEY offered the following:
Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out as a public highway, Lovedeet court, Ward 8, under the W. P. A. type of construction.

Passed under suspension of the rule.

ROPING OFF STREETS, SOUTH END BOYS' CLUB EXERCISES.

Coun. HURLEY offered the following:
Ordered, That the City Messenger be authorized to rope off the area in the vicinity of Washington

and Canton streets in conjunction with the dedication exercises of the South End Boys' Club to be held on May 23, 1940.

Passed under suspension of the rule.

TIME OFF, CITY HOSPITAL EMPLOYEES.

Coun. HURLEY and M. H. SULLIVAN offered the following:

Ordered, That the trustees of the Boston City Hospital be requested, through his Honor the Mayor, to give the same consideration to employees of the City Hospital as given to employees of other departments in the matter of being allowed time off, with pay, on Saturday, or on warm days when a skeleton force is authorized.

Coun. HURLEY and GOODE offered the following:

Ordered, That his Honor the Mayor be requested to institute a change in the present policy governing payment for vacation period to employees of the City Hospital, Boston Sanatorium and the Long Island Hospital, the new policy to provide for payment of full salary during the vacation period, without deduction for meals.

Coun. HURLEY—Mr. President and members of the Boston City Council, this order deals with the board money of employees of the City Hospital, the Boston Sanatorium and the Long Island Hospital. In one particular occupation up there, the elevator operators, are allowed \$16.50 a week in cash, and are allowed \$4 for meals, with no time off on account of hot weather. So their total compensation, aside from meals, is \$16.50, and there is \$4 extra allowed for meals. It does seem that when they are allowed a vacation, under the circumstances, the \$4 allowed for meals should be continued, and not deducted from their salaries, that the amount allowed should represent the amount for service and the allowance for meals. But in a vacation period in those departments they are just allowed the cash salary and are allowed nothing for meals. Therefore, I would like to see these employees in the three institutions allowed in addition to the salary the amount allowed for the meals, as it is practically impossible for men and women on vacations to race from where they may happen to be back to these departments for breakfast, dinner and supper. I hope, therefore, that the order will pass.

The order was passed under suspension of the rule.

SIDEWALKS, BELDEN STREET, WARD 7.

Coun. LINEHAN offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to install artificial stone sidewalks on Belden street, Ward 7, as a W. P. A. project.

Passed under suspension of the rule.

ACCEPTANCE OF GLOVER STREET, WARD 7.

Coun. LINEHAN offered the following:
Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out Glover street, Ward 7, as a public highway under the W. P. A. plan of construction.

Passed under suspension of the rule.

NAMING OF STREET FOR DR. BELLE SCOTT CARMODY.

Coun. LINEHAN and SCANNELL offered the following:

Ordered, That the Boston Housing Authority be requested, through his Honor the Mayor, to name one of the streets in the new South Boston housing project in honor of the late Dr. Belle Scott Carmody, whose splendid service to the poor of South Boston is deserving of the highest commendation.

Passed under suspension of the rule.

FOOD PRICES, SUFFOLK DOWNS RACE TRACK.

Coun. SCANNELL offered the following:
Ordered, That the Eastern Racing Association be requested, through his Honor the Mayor, to lower their prices on food and refreshments at the Suffolk Downs race track, so that the people who patronize said track will not be taken advantage of.

Passed under suspension of the rule.

BOLTON STREET IMPROVEMENTS.

Coun. SCANNELL offered the following:
Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface Bolton street, Ward 6, from Dorchester to E street, and to install sidewalks on said street under the W. P. A. plan of construction.

Passed under suspension of the rule.

REPAINTING CROSSWALKS, WARD 6.

Coun. SCANNELL offered the following:
Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to repaint all crosswalks in the Ward 6 section of South Boston.

Passed under suspension of the rule.

OUTLAWING OF SUBVERSIVE AGENCIES.

Coun. CHASE offered the following:
Whereas, The Communist, Nazi and other Fifth Columns have been audaciously spreading foreign propaganda in this country with a definite view to undermining the American form of government; and

Whereas, Their treacherous activities have caused considerable concern and trouble in this country; and

Whereas, It has been definitely proven that these organizations are financed and directed by foreign governments; therefore, be it

Resolved, That the Boston City Council in meeting assembled respectfully urges the Congress of the United States to adopt the necessary laws in conjunction with their program of national defence whereby the Communist, Nazi and other Fifth Column organizations will be outlawed on the ground that they are subversive agents of foreign governments; and be it further

Resolved, That copies of this resolution be sent to each Boston Congressman.

Coun. CHASE—Mr. President, last week, at the time when President Roosevelt announced that he intended to seek a considerable amount of money for the building up of the national defence, I was sought by various people to give my opinion as to what I thought of the President's action. I said that I was one of two Republican members of the overwhelmingly Democratic City Council, but I frankly told them that I was 100 per cent back of the President's proposal; that I thought he was absolutely right in asking for more adequate defence. I feel that this country should go much farther in the matter of national defence. We have been reading accounts from all over the United States of Fifth Column activities, of national organizations which have been operating in this country against American principles, feeling that there is nothing to hold them back, spreading subversive propaganda and taking orders from Germany and Russia much to the detriment of the United States, and showing clearly that they are opposed to everything for which this country stands. Inasmuch as such actions show the need of adequate defence against outside enemies, I believe that Congress should enact necessary legislation whereby these Communists, Nazis and other Fifth Column organizations will be outlawed on the ground that they are subversive agents of foreign governments. This is not the place or the time for such organizations to be given the freedom of our country, and I know that each and every member of the Body will back me in my statement and in my order, which I trust will unanimously pass the Body.

Coun. COFFEY—Mr. President, I just wish to tell the councilor that he has nothing to worry about, because tomorrow Suffolk Downs goes into the Sixth Column! (Laughter.)

Coun. FISH—Mr. President, I know that all Democrats are glad to receive the backing of the member of the Republican party of the action and the policies of our grand, humanitarian Democratic President, whom we have had good reason to find is alert to what is going on here and abroad. Since we are to have this national program under which several billion dollars will be spent, and since these un-American activities which are going on throughout the nation will have to be properly dealt with, I might say that a much broader field of action than that of this city or this state might be advisable. Personally, I would like to have a study made of the question whether it is possible to have the Governors of the forty-eight states work together, along the lines that the Dies Committee is working and in conjunction with that committee, to deal with these un-American and subversive activities in all the states of the Union. Until there is an opportunity to possibly take such united action, I will simply say at the moment that I am overwhelmed at this Republican approval of the action of our Democratic President.

The order and resolutions were passed under suspension of the rule.

ROPING OFF STREETS, Y. D. PARADE.

Coun. CHASE offered the following:
Ordered, That the City Messenger be authorized to do the necessary roping off of the streets of Boston along the route of the Y. D. Parade on June 8.

Passed under suspension of the rule.

INSTALLATION OF BOCCIE ALLEYS.

Coun. RUSSO, M. H. SULLIVAN and GOODE offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to install Bocce alleys on all playgrounds where there is a large Italian population.

Coun. RUSSO—Mr. President, the reason why I introduce this order is that I find that this game of Bocce is being played now more frequently than ever before. I did not realize how popular it was becoming until I was in South Boston this past week and saw a game of Bocce going on, the Bocce alleys being operated by individuals who were charging a sum of money for their use. I found that there were 150 to 200 people present and that there were six alleys where the game was going on. Because this game is being played a good deal at the present time by Italo-Americans and others in the City of Boston, I have introduced this order requesting the Park Commissioner to install Bocce alleys on all playgrounds where there is a large Italian population. They will thus be given an opportunity to enjoy the game. These Bocce alleys are about 80 feet in length and 10 feet in width and, with the increasing popularity of the game, they should be installed in playgrounds, particularly in neighborhoods where there is a large Italian population. It is a very healthful game, and very enjoyable, and it is not only played by the young men, but I understand through Bocce League that even grandmothers and grandfathers are interested. There is also the feature that, instead of being played indoors, it is played outdoors. It will furnish exercise and health to our people, and I hope that the order will pass.

The order was passed under suspension of the rule.

BOCCIE ALLEYS, COLUMBUS PARK.

Coun. LINEHAN offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to construct Bocce alleys at Columbus Park, South Boston.

Coun. LINEHAN—Mr. President, I was invited to attend a Bocce game last Saturday in South Boston, and I found that it was very popular and very well attended. I have found that there are many people in South Boston, in Ward 7 and elsewhere, who enjoy playing this game, and I for one am glad to go along with the councilor from Ward 3 (Coun. Russo) in the matter. I certainly trust that the Park Commissioner will construct these alleys in South Boston.

The order was passed under suspension of the rule.

SOLDIERS' RELIEF.

Coun. ENGLERT, for the Committee on Soldiers' Relief, submitted report recommending passage of order for payment of aid to soldiers and sailors and their families in the City of Boston for the month of May.

Report accepted; said order passed.

FLAGPOLE, PEABODY SQUARE, DORCHESTER.

Coun. WICKES and FISH offered the following:
Ordered, That the Park Commission be requested, through his Honor the Mayor, to erect a new flagpole in Peabody square, Dorchester, to replace the one which was there for many years.

Passed under suspension of the rule.

RECESS.

The Council, by direction of President GALVIN, took a recess subject to the call of the Chair at 3.52 p. m. The members reassembled and were called to order by President GALVIN at 5.30 p. m.

REPORT OF COMMITTEE ON LICENSES.

Coun. FISH, for the Committee on Licenses, submitted the following:

Report on petitions for driveway openings—that same ought to pass, viz.:

Grace Epstein, Cambridge street, Ward 22 (referred April 29).

Milton Motor Mart, Inc., 2260-2266 Dorchester avenue, Ward 17 (referred May 6).

Henry C. Brookings, Lincoln and Essex streets (referred today).

Report accepted; said permits granted under usual conditions.

INFORMATION RE TAX ABATEMENTS.

Coun. LINEHAN offered the following:

Ordered, That the Board of Assessors, through his Honor the Mayor, be requested to furnish the Boston City Council with a list of all those receiving abatements and the amounts from 1927 to date.

Coun. LINEHAN—Mr. President, I would like to get this information just to give us an idea of where these abatements go. When a man gets up here and makes a statement in regard to where the abatements go, let us be sure whether he is kidding us or telling us the truth. I sincerely hope, therefore, that the Board will give us this list, so that there may be no misunderstanding in the near future.

The order was passed under suspension of the rule.

BUSES TO CARSON BEACH.

Coun. HUTCHINSON offered the following:
Ordered, That the trustees of the Boston Elevated Railway Company be requested, through his Honor the Mayor, to make arrangements for the operation of buses on summer schedule, from the junction of Blue Hill avenue and West Cottage street to Carson Beach, just as soon as the school vacation period begins.

Passed under suspension of the rule.

CROSS LINES, WINTER AND BOWDOIN STREETS, WARD 15.

Coun. KELLY offered the following:

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to paint white crossing lines at the corner of Winter and Bowdoin streets, Ward 15, Dorchester.

Passed under suspension of the rule.

REPORT ON BEANO INVESTIGATION.

Coun. SHATTUCK offered the following:

Ordered, That the commission appointed to investigate Beano be requested, through his Honor the Mayor, to report promptly what progress it has made and how soon a final report may be expected.

Passed under suspension of the rule.

LEGISLATION RE PUBLICATION OF ABATEMENTS.

Coun. CAREY and FISH offered the following:
Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to draft a bill for presentation to the next session of the Legislature which will authorize cities and towns to make public a list of abatements granted on real estate taxes under any circumstances during any particular year.

Passed under suspension of the rule.

PAPERS RE TAX ABATEMENT APPLICATIONS.

Coun. CAREY offered the following:
Ordered, That the Board of Assessors be requested, through his Honor the Mayor, to write up an emergency W. P. A. obsolete records project that will likely do away with unnecessary papers now being retained in the files, or else furnish the suitable filing cases for various papers necessary in connection with applications for tax abatements.

Coun. CAREY—Mr. President, no doubt every member of this Body has had occasion to go down to the room in the assessors' office where these abatement files are kept, and knows the difficulty of getting at records, seeing how the clerks have to go from one file to another, and back again, to find out whether an application has been filed or what has been done with it. It seems to me that there is an unnecessary amount of trouble and time lost in trying to obtain such information. I see no reason why such a project as I have suggested in this order could not be put into effect, doing away with unnecessary papers now being retained in the files, or furnishing the filing cases for various papers necessary in connection with applications for tax abatements. I think the city can well afford to have such a project, so that those who have occasion to go to the office to consult the files will find the information they desire easily and readily available.

The order was passed under suspension of the rule.

EXECUTIVE COMMITTEE REPORTS.

Coun. LANGAN, for the Executive Committee, submitted the following:

1. Report on petitions (referred today) for children under fifteen years of age to appear at places of public amusement, viz.:

James A. Ecker, Jordan Hall, May 17; Lilla Frances Viles, Current Events Clubhouse, May 12; Stanley E. Brown, Jordan Hall, June 4; Harold B. Simpson, Jordan Hall, June 12; Shirley N. Scott, Capen Memorial Hall, June 10; Lola M. Daly, Hollywood Theatre, June 7; Edith M. Leavis, Jordan Hall, June 24; Viola K. Breiding, Jordan Hall, June 5; Doris Cross, Jordan Hall, May 13; Alice M. Astle, Whiton Hall, May 28,—recommending that leave be granted under usual conditions.

Report accepted; leave granted under usual conditions.

2. Report on order (referred today) asking Charles F. Rittenhouse to appear before Executive Committee at its next meeting—that same ought to pass.

Report accepted; said order passed.

3. Report on order (referred May 6) that Superintendent of Public Buildings lease to James E. Welch Post No. 56, A. L., for post headquarters in building at 46 Joy street, Ward 3, for period of five years for a nominal sum—that same ought to pass.

Report accepted; said order passed.

4. Report on message of Mayor and order for loan of \$1,000,000 for refunding overlay deficits (referred today)—that same ought to pass.

The report was accepted and the question came on the passage of the order.

Coun. FISH—Mr. President, I shall be very brief in speaking upon this matter on the floor of the Council. At the outset I am going to state now, in answer to what was brought against me in executive session, that I shall today vote for this order, although I believe the members of the Council should be more familiar with what is involved in this million dollar loan. I think they should know that the reason why they are going to vote for it is the same reason that actuated them before, that, although in a sense it has been forced upon us, if it does not pass, certain hardships will be caused. But I want it clearly understood that these racksets are going to the extent of possibly \$18,000,000, and the only reason why I vote for this is because of what the Mayor is faced with. I would like to see something more done for the poor widows, for those who would be saved a few dollars, rather than for those who benefit to the extent of half a million dollars or more. This is one of the reasons why Mayor Tobin is unable to raise the money to do what should be done in this city, when you consider that we are now having a \$40 tax rate as compared with a \$30 tax rate some years ago. I understand that many of these properties that are being benefited in this way are paying actually less in dollars to the City of Boston than they formerly paid. But I realize what the Mayor is faced with. I say that we are paying a heavy price in voting for this loan, but that it is possibly the only way out. So, while I would like to see action deferred I suppose even if it were deferred for a month, I would feel that I should then vote for it, under the circumstances. But it is one of the hardest votes I have given in this Council since I have been a member.

The order was passed, yeas 18, nays 1:

Yeas—Coun. Carey, Chase, Englert, Fish, Galvin, Goode, Gottlieb, Hurley, Hutchinson, Kelly, Langan, Linehan, Lyons, Russo, Shattuck, D. F. Sullivan, M. H. Sullivan, Wickes—18.

Nays—Coun. Coffey—1.

5. Report on order (referred today) authorizing the President to appoint temporary help in City Messenger's office—recommending passage of accompanying new draft, viz.:

Ordered, That the President of the City Council request a transfer of the appropriation made for the position of Assistant City Messenger to the item for temporary employees and that the President be authorized to appoint for a period of two weeks such persons as he may see fit until further ordered.

The report was accepted and the question came on the passage of the order in the new draft.

Coun. LINEHAN—Mr. President, I certainly do not intend to do anything rash at the present time. I know what I would like to do, but perhaps it would not be the proper thing to do. Again, it might be. But when I filed an amendment to the order in executive session I certainly thought that the amendment would at least be put to the Body. Personally, as a lawyer, I know that I should have insisted on it, but rather than cause any trouble I was willing to let it go over for a week. I now serve notice on the members that at the next meeting I am going to file an order, whether it is beaten or not, to go along with the suggestion I made in committee. I think that is going to give the members plenty of time to consider whether what I suggest is right or wrong.

Coun. SHATTUCK—Mr. President, I move that the order be laid on the table pending an opinion asked for from the Law Department, first, whether we can transfer this money appropriated for a special salary for the purpose of making a temporary appointment, and, if we can transfer it, whether we can spend the money for that purpose.

Coun. GOTTLIEB—Mr. President, in view of the fact that Mr. Doyle is here now, I would like to ask if he is in a position to inform the Council on that matter, as Acting Corporation Counsel.

President GALVIN—The Chair will ask the Acting Corporation Counsel whether he is willing to make a decision in such short order. (Conferring with Mr. Doyle.) Mr. Doyle says it is not proper for him to take part in the formal meeting of the Council, but that he will be glad to answer any questions in executive session.

On motion of Coun. FISH, the Council voted at 5.46 p. m. to take a recess subject to the call of the Chair, and at 5.50 p. m. the Council was again called to order.

Coun. CAREY—Mr. President, during the past week we have suffered the loss of one of our working staff, a former member of the City Council before the adoption of the twenty-two-man Body, whose experience in the City Council and with public affairs made him well qualified to act in the position to which he was elected here after leaving the Council. The position held by him was one of responsibility, one which naturally necessitated the man holding it should be acquainted with the functions of the City Council and with the handling of the documents of this and other city departments. We have been fortunate in having attached to the Council officers who have had experience in this and other elective bodies, and who, because of such experience, have been qualified to fill the positions to which they have been named

here. We are very fortunate in that respect, and I feel now that we should fill this vacant position by putting into it another one of our capable City Council officials. I would like at this time to have the Council vote to place in this office one who is well informed of the duties and functions of the Body because of his experience in the Body in previous years. We are all human, all selfish, and there is not one of us who do not feel, when he is occupying a subordinate position in any capacity and his superior is removed by an act of Providence, that the vacant position, which we feel qualified to fill because of our experience, should be given to us. Day in and day out I am met by people who occupy a position in one of our departments who tell me of vacancies in their department, which they feel qualified to fill, and to which they feel entitled to promotion. That is a natural and a proper feeling in any department of life. Mr. McMahon would naturally like to be raised to the office of Assistant City Messenger. I feel that we should have no hesitancy in recommending and voting for him to occupy the position, because we are all aware of his experience and know that he is equipped to properly handle the job. Therefore, I move that we proceed to the election of an Assistant City Messenger at this time.

President GALVIN—The motion is out of order at the present time. The question is on Councilor Shattuck's motion.

Coun. SHATTUCK—Mr. President, as we have since received an opinion of the Law Department, I will withdraw the motion.

President GALVIN—The question now comes on the passage of the order as reported by the committee.

Coun. LINEHAN—Mr. President, I rise to a point of parliamentary inquiry. Does this order, if passed, mean that Councilor Carey cannot then offer his motion to go ahead and elect an Assistant City Messenger?

President GALVIN—If Councilor Carey offers the motion, and it is passed, it abrogates this order completely. The question now comes on the passage of the order as reported by the committee.

Coun. FISH—As it comes from Executive?

President GALVIN—Exactly.

Coun. FISH—Mr. President, I move that the order be laid on the table for one week.

The question was put, but before it was decided Coun. FISH withdrew his motion.

President GALVIN—The question now comes on the passage of the order.

The order was declared passed.

Coun. D. F. SULLIVAN doubted the vote and asked for the yeas and nays.

The order was passed, yeas 15, nays 2:

Yeas—Coun. Carey, Englert, Fish, Galvin, Goode, Gottlieb, Hurley, Hutchinson, Kelly, Langan, Linehan, Lyons, Russo, D. F. Sullivan, Wickes—15.

Nays—Coun. Chase, Shattuck—2.

Coun. CAREY—Mr. President, I now move that we proceed to the election of an Assistant City Messenger.

Coun. LANGAN—Mr. President, if Councilor Carey's motion is put and passed, am I correct in assuming that the previous order will be abrogated?

President GALVIN—Exactly. The question now comes on the motion to proceed to the election of an Assistant City Messenger.

Coun. SHATTUCK—Mr. President, I rise to a point of order. My point of order is, whether in connection with this motion, a motion would be in order to re-establish the salary of that position?

President GALVIN—No transfer having yet been made the salary would be the same as it was at the death of Mr. Walsh.

Coun. LINEHAN—Mr. President, I rise to a point of information. If we elect under this motion, will a motion then be in order in connection with the other position to become vacant?

President GALVIN—Yes. The question now comes on the motion to proceed to the election of an Assistant City Messenger. The Chair would ask unanimous consent to make a statement.

Do I hear any objection? (No objection.) Gentlemen, it is my belief, in view of the fact that this order is submitted today, having in mind Councilor Hurley's position and wishing to give to each and every member of the Council an opportunity to give to a man from his district two weeks' work, that we should not act too hastily at this moment. Of course, we all have in mind the position of the people back home, whom we are elected to serve, and with so many people walking the streets without work at this particular time, I feel that we would be doing a double duty by first giving to our members an opportunity to temporarily fill the position with men qualified to occupy it, thereby relieving the pressure on some of the members of our Body from their constituency. In the second place, we will thereby be helping somebody, giving him a job for two weeks, when he otherwise might be compelled to go on welfare. I think, therefore, that the Council would be acting hastily today in electing permanently a person to that position, and I think that what I am now saying probably represents the attitude of a number of members of the Council. The delay, of course, will be only temporary. I would, therefore, like to move an amendment, that this be laid on the table until another day. I would move, therefore, that we lay Councilor Carey's motion on the table.

Coun. LINEHAN—Mr. President, I rise to a question of personal privilege, to make a statement, if there is no objection. (No objection.) I certainly do not want to take issue with you, Mr. President, on the question of whether action should be postponed until next week, but you said something which might put me in the position of saying that I would not want anybody in my ward to have this job for two weeks. I do, however, feel that this existing vacancy should be filled, passing two men up the line, and that the vacancy then left at the bottom might be filled by men certified by the different councilors. I would be glad to vote for that procedure.

President GALVIN—The Chair did not intend any reflection on any of the councilors in his statement. The question now comes on the motion to lay Councilor Carey's motion on the table, and on that motion no debate is in order.

The motion to lay Coun. Carey's motion on the table was carried.

SYMPATHY FOR FAMILY OF WILLIAM J. WALSH.

Coun. TAYLOR and M. H. SULLIVAN offered the following:

Whereas, The Boston City Council has learned, with a feeling of deep regret and sorrow, of the recent death of William J. Walsh, late Assistant City Messenger of the Boston City Council and former member of the City Council; therefore, be it

Resolved, That the City Council of the City of Boston desires to extend its sincere sympathy and condolence to the family of the late William J. Walsh and to express the gratitude and appreciation of the citizens of Boston for the long, honorable and faithful service rendered by said William J. Walsh during his public career.

Coun. TAYLOR—Mr. President, this last week all the members of the Council have mourned the loss of a faithful employee of the Boston City Council, Bill Walsh, who had been here for many years and had rendered efficient and faithful service. I have therefore offered these resolutions of sympathy and condolence to the family of Mr. Walsh, and trust that a copy of the resolutions may be forwarded to them.

Coun. M. H. SULLIVAN—Mr. President, it was my desire to introduce a similar resolution here this afternoon. I feel that in the loss of William J. Walsh I have sustained a double loss. To me he was a faithful friend, a conscientious and trustworthy adviser, and it is impossible for me to adequately express at this time my deep sense of loss in his death. During my life he and his family have been friends of myself and my family. When I came into the Body, a young man of twenty-six, I found him a valuable and sympathetic adviser in following the path that he had already followed as a member of this Council. He had been engaged in civic activities in this Council and otherwise over a period of years, and was in a position to assist me greatly by his friendly advice, and in my political life he was a consistent friend. From the day when I took the oath of office in this Body that friendship grew. On occasions when I was in doubt, as a young member of the Body, I went to Bill for counsel and advice, as I did and as we all do, to our genial adviser, the City Clerk. I feel that I have suffered a great personal loss, as I know the other members of the Body also feel, in the death of Mr. Walsh, a good man, a conscientious public servant, and an able and friendly adviser of people who needed help. He was a man to whom everybody came for assistance and for valuable advice during his tenure of office as a member of the City Council and as Assistant City Messenger.

The resolution was passed by a unanimous rising vote.

THE NEXT MEETING.

It was voted, on motion of Coun. HURLEY, that when the Council adjourn it be to meet on Monday, June 3, at 2 p. m.

Adjourned at 6.05 p. m., on motion of Coun. RUSSO, to meet on Monday, June 3, 1940, at 2 p. m.

NOTE.

On the last order in column 2, page 202, May 6, entitled "Occupational Tax on Non-Residents," asking the Corporation Counsel's opinion of the constitutionality of such a tax, Coun. LINEHAN said:
